ELECTRIFYING DRIVING.THE iX3

The BMW iX3 heralds a new era of the ultimate driving machine. Explore the first all-electric BMW Sports Activity Vehicle that combines the best of two worlds: the driving dynamics and premium quality of the BMW X3 and the increased performance and efficiency of the fifth generation BMW eDrive technology. With a range of up to 460 km, the BMW iX3 sets new benchmarks. Fully developed and all-electric: the BMW iX3 is already giving the future an electrifying presence.

*The data have been calculated using the WLTP measuring method.

MODEL HIGHLIGHTS

- 20" Alloy Wheels
- Acoustic glazing
- BMW Head-up display
- BMW IconicSounds Electric
- Comfort Access
- Harman/Kardon Surround Sound
- Lumbar support
- Parking Assistant Plus

0-100km/h	6.8 sec
Power	210 kW / 400 Nm
Engine	Single motor, rear-wheel drive
Battery	80 kWh battery
Charging	Up to 150 kW DC charging
Range	Up to 460 km range (WLTP)

Price incl. GST **\$118,900**

Clean Car Programme (Estimated Rebate / Fee)* **cost neutral**

* To obtain NZ CO2 figures for vehicles imported by BMW Group NZ in relation to the NZ Clean Car discount or "FeeBate" you will need to contact your preferred dealer. The Clean Car discount figures sourced from your dealer will differ from those listed in the BMW owner's handbook and reported figures as they have been converted by the NZ government to WLTP3 from figures derived through one of the following testing procedures: WLTP4 or NEDC. For more information on the New Zealand Clean Car Programme, please [click here](#).

CHARGE FASTER

With your BMW iX3, you benefit from numerous tailor-made offers for charging at home, on the road and at work as well as an impressive vehicle charging capacity of up to 150 kW. Included with the vehicle is a standard charging kit consisting of the domestic charging cable for charging at home, as well as the charging cable for public charging.

Charging at home for a range of 100km

- 01:41h – BMW Wallbox (11kW)
- 08:31h – Standard charging cable or Flexible Fast Charger (2.3kW) on household socket

Charging on the move for a range of 100km

- 00:06h – High power charging station (max. Vehicle charging capacity)
- 00:21h – Fast charging station (50kW)
- 01:41h – AC charging station (max. Vehicle charging capacity)

THE iX3 HIGHLIGHTS

AUTHORITATIVE DESIGN

The almost completely closed BMW i kidney grille Forms the central optical element of the impressive Front. Together with the L-shaped arrangement of the air inlets in BMW i Blue, it underlines the all-electric nature of the new BMW iX3. The Flat Adaptive LED headlights in the new design give the front of the BMW iX3 a focused look.

SPORT SEATS

Ensuring a high level of comfort in the interior of the BMW iX3 are sport seats in leather upholstery, Vernasca fitted as standard. The M leather steering wheel including Multifunction and V emblem has a 3-spoke design. Interior trim strips in Aluminium Rhombicle Dark additionally set sporty accents.

PANORAMA GLASS ROOF

When open, the Panorama glass roof provides a friendly, light-flooded atmosphere in the vehicle interior and offers plenty of fresh air. It opens and closes completely automatically at the push of a button or with the vehicle key, and is equipped with slide and lift functions, roller sunblind and wind deflector.

ELECTRIC DRIVE

The highly integrated drive unit combines electric motor, transmission and power electronics in an aluminium housing, saving space and weight. The direct, spontaneous implementation of acceleration requests ensures the typical BMW driving pleasure. By managing without rare earths, the electric motor is particularly sustainable.

THE BMW CONNECTED DRIVE

DIGITAL KEY

Why put your key in the ignition if you have your smartphone with you? The Digital Key allows you to lock and unlock your BMW and even start the engine without needing a physical key. It can be downloaded to your smartphone using the My BMW app and shared with family and friends.

CONNECTED NAVIGATION

The My BMW app can import appointments and addresses from your smartphone straight into the navigation system to begin route guidance. The system also calculates the optimum departure time based on real-time traffic information and informs the driver with an app notification on their smartphone.

CONNECTED PACKAGE PROFESSIONAL

Remote Services, Real Time Traffic Information, Apple CarPlay® preparation or perhaps In-Car Experiences? Why order individual options when you can have everything together? With the Connected Package Professional, you can enjoy these services from BMW ConnectedDrive.

DRIVING ASSISTANT

Driving Assistant Professional offers optimum comfort and maximum safety during lots of critical or monotonous driving situation with Steering and lane control assistant incl. support in narrow places, Emergency Stop Assistant, local hazard warning, Lane Keeping Assistant with active side collision protection and other safety functions.

THE BMW LIVE COCKPIT

The brand new infotainment, navigation and multimedia system (BMW Operating 7.0) provides cutting edge innovations as standard. Incorporating new generations of professional multimedia, BMW Live Cockpit Professional features high resolution control display, fully digital instrument panel and includes the ConnectedDrive digital services

MY BMW APP

STAY IN THE DRIVER'S SEAT,
WHEREVER YOU ARE.

Connect your vehicle to your life. The My BMW App keeps you at the wheel with total control of your BMW, whether you're in your vehicle or not.

- **Remote control**
Lock and unlock your BMW from wherever you are.
- **Location location location**
Access your car's location remotely and send locations to your car's GPS, so you're always ready for the journey.
- **Driving conditions**
Set the temperature of your car remotely for the perfect climate the moment you open the door.
- **Great service**
Let your BMW tell you when it's time for a service, then schedule it with just a touch.
- **It's personal**
It's MyBMW, after all. Enter your BMW's colour palette, and the app design follows suit.

SUSTAINABILITY AT BMW

ACTIONS AND TECHNOLOGIES THAT HAVE A REAL EFFECT.

No competitor comes close to matching the comprehensive and diverse BMW Group portfolio of electrified models (fully electric BEV, partly electric PHEV), with half a million such vehicles delivered to customers to date.

- In co-operation with ChargeNet, BMW i customers in New Zealand can access the ChargeNow 'electric highway' - 100 fast-charging stations from Kaitia to Invercargil.
- BMW Group considers sustainability a fundamental aspect of its past, present and future corporate strategy.
- Decades-long history of action to protect the climate and significantly reduce fuel consumption.
- Focus on further electrification of the product roster as the key measure for lowering CO2 emissions.
- Largest range of plug-in hybrids as the most versatile form of electrification.
- Greatest benefit of plug-in hybrids: enabling both customary range and driving without generating local emissions.
- Fully electric BMW i3 is uniquely sustainable, with sales figures still rising six years after launch.
- By 2023: 25 models with electrified powertrains, half of them pure battery electric vehicles.
- Numerous awards for eco-conscious design covering the entire product lifecycle.

MEET THE ELECTRIFIED BMW FAMILY

For an electric vehicle it is not only important to consider how fast and safely it travels, but also how far it will take you. In this consideration, the range of an electric vehicle also depends on factors such as the speed, driving style and outside temperature as well as the use of the air conditioning or seat heating. These are factors that we cannot calculate. But all the others we can. Here you can find out all about the ranges of our electric cars and plug-in hybrid vehicles.

EVERY GREAT REVOLUTION BEGINS WITH A CHARGE

ChargeNow, in cooperation with ChargeNet, enables BMW i customers in New Zealand to access the entire ChargeNet® network of public charging stations with a single ChargeNow membership.

BMW owners that join will receive FREE membership including ChargeNow key fob and 10% discount on all charging sessions used in the ChargeNow charging network for the first 24 months.

ChargeNow, makes everyday on-the-go charging a convenient and seamless part of owning a BMW i vehicle. Through ConnectedDrive, the in-vehicle BMW i navigation (through Navigation Professional) or by using the BMW i Remote app, BMW i drivers can easily locate the nearest public charging stations, with real time use status shown, if available.

All BMW i owners are provided 2 complimentary ChargeNow key fobs with each BMW i vehicle, for customer support and access to all public charging locations on ChargeNet's growing network - to plug in and charge the BMW i.

[VISIT CHARGENOW.CO.NZ](https://www.chargenow.co.nz)

WHERE CAN I CHARGE MY CAR?

There are a growing number of stations across New Zealand and are expanding all the time. Find your favourite station in a certain location or quickly view recent charging stations.

[CHARGENOW LOCATIONS](#)

THE BMW i REMOTE APP

Find public charging stations, check availability, and send their locations directly to your BMW i. Communicate directly with your BMW i vehicle, including car location, range, and battery levels. Set preconditioning, for optimal battery and cabin temperature. Locate points of interest.

THE iX3 EQUIPMENT

STANDARD EQUIPMENT

iX3 IMPRESSIVE

ELECTRIC MOTOR, BATTERY, POWERTRAIN AND TECHNOLOGY

- Current-excited synchronous motor, rear
- High voltage battery, 80 kWh gross, 74 kWh net
- High voltage battery certificate, 8-year / 160,000 km warranty
- Flexible Fast Charge cable, Mode 2, includes domestic plug
- Public charging cable, Mode 3 (11kW Max)
- 'Comfort', 'Sport' and 'Eco-Pro' driving modes
- Brake energy regeneration
- Brake pad wear indicator
- Electric power steering with Servotronic
- Tyres non-Runflat, includes tyre repair kit

SAFETY

- Active Protection
- 6 Airbags: front airbags for driver and passenger, side airbags for driver and front passenger, side curtain airbags for 1st and 2nd row
- Central locking with electronic immobiliser
- Dynamic braking lights
- Dynamic Stability Control (DSC), Anti-lock Braking System (ABS), Cornering Brake Control (CBC), Dynamic Traction Control (DTC), Automatic Differential Brake (ADB-X), Automatic Stability Control (ASC), Dynamic Brake Control (DBC)

- Warning triangle and first aid kit
- Acoustic protection for pedestrians
- Adaptive suspension

DRIVER ASSISTANCE

- BMW Head-Up Display
- BMW Live Cockpit Professional, 12.3" digital instrument display
- Driving Assistant Professional, includes Active Cruise Control, Lane Keeping Assistant with Active Side Collision Prevention, Steering and Lane Control Assistant, Lane Change Warning, Lane Departure Warning, Front Collision Warning with brake intervention, Pedestrian Warning with city brake intervention, Crossing Traffic Warning, front and rear with brake intervention, Rear Collision Prevention, Automatic Speed Limit Assist, Evasion Assistant, Speed Limit Info
- Parking Assistant, includes Rear View Camera, Parking Assistant, Reversing Assistant, Active Park Distance Control, Lateral Parking Aid
- Speed limiter
- BMW Iconic Sounds Electric
- 5-Year Chargefox membership, complementary unlimited use of Fast and Ultra-Rapid (DC, 50 kW+) charge public charging stations
- Tyre pressure monitoring system

LIGHT AND SIGHT

- Adaptive LED headlights with High-Beam Assistant
- Exterior handle area lighting and interior welcome lights
- Interior and driver's side exterior mirror with automatic anti-dazzle function. Exterior mirrors electrically adjustable and heated, with electric fold-in function and passenger side with automatic parking dipping function
- Rain sensor
- Follow-me function, if the headlight flasher is activated after the vehicle is shut off, the low-beam headlights continue to shine for a set time

EXTERIOR DESIGN AND EQUIPMENT

- Metallic paint (choice of six exterior colours)
- M Sport Package featuring M exterior Aerodynamics package with rear bumper insert in Dark Shadow metallic, M high gloss Shadow Line roof rails and M high gloss Shadow Line window décor strips
- 20" Aerodynamic light alloy wheels Y-spoke style 890 M with mixed standard tyres
- Contrasting design accents in Frozen Grey for kidney inner ring, front air curtains and rear diffuser inserts (note items alternatively available in BMW i Blue – please refer to optional equipment list on page 4)
- Semi-closed BMW Kidney Grille with active air vent properties, kidney surround finished in satinated aluminium
- Panorama glass sunroof

STANDARD EQUIPMENT

INTERIOR DESIGN, COMFORT AND EQUIPMENT

- Leather Vernasca upholstery (choice of three colours)
- USB ports, 1xType A in front console, 1xType C in centre armrest, 2xType C in rear centre console
- 12V power socket in luggage compartment
- Automatic climate control, 3-zone
- Electronically adjustable Sports seats for front row. Additional functions for driver's seat: memory function and seat width adjustment.
- Lumbar support for front and passenger seats
- Seat heating, driver and passenger
- Reclining function for 2nd seat row
- Auxiliary heating and air-conditioning
- Comfort Access
- Instrument panel in Sensatec
- Headliner anthracite
- Floor mats in velour, anthracite
- Through-loading system with 40:20:40 split
- Luggage capacity 510 litres, expandable to 1,560 litres
- Luggage compartment separating net
- Acoustic glazing for windscreen and front side windows

BMW CONNECTEDDRIVE

- Intelligent Emergency Call
- BMW TeleServices
- Vehicles apps (News and Weather)*
- BMW Intelligent Personal Assistant*
- Remote Software Update*
- Connected Package Professional* incl. Remote Services*, Real Time Traffic Information (RTTI)*
- ConnectedDrive eDrive Services

* 3 year subscription

ENTERTAINMENT, COMMUNICATION AND INFORMATION

- Navigation and Infotainment via 12.3" Control Display feat. BMW Operating System 7 and intelligent voice control and map updates*
- DAB+ digital radio
- Wireless smartphone integration of Apple CarPlay and Android Auto
- Wireless smartphone charging
- Extended Bluetooth Connectivity
- Harman Kardon Surround Sound system, 16 speakers, 464 Watts
- Gesture control

OPTIONAL EQUIPMENT

248	Steering Wheel heating The heated steering wheel quickly warms up the rim of the wheel to a pleasant temperature, at the press of a button.	\$500	<input type="radio"/>

FURTHER INFORMATION ON CO₂ DATA

The values of fuel consumptions, CO₂ emissions and energy consumptions shown were determined according to the European Regulation (EC) 715/2007 in the version applicable at the time of type approval. The figures refer to a vehicle with basic configuration in Germany and the range shown considers optional equipment and the different size of wheels and tires available on the selected model.

The CO₂ efficiency specifications are determined according to Directive 1999/94/EC and the European Regulation in its current version applicable. The values shown are based on the fuel consumption, CO₂ values and energy consumptions according to the NEDC cycle for the classification.

When charging times are shown they can be affected by a number of factors such as type of charger, voltage supplied to the charger/car and type of current (AC or DC) supplied to the charger/car. The car also plays a role in charging times as it can be set by the driver to accept various different amperage and should preconditioning be used to heat or cool the vehicle while charging this will also affect the charging time.

The basis for the calculation of the charging times for 100 km range is the electric consumption of the vehicle based on the use of a high-Powered Charging station (HPC) or charging type and current as indicted in the literature above. The testing procedure measures are based on a 23 degrees Celsius battery start and ambient temperature with certification values excluding additional auxiliary consuming devices and systems within the vehicle such as seat heating, displays, air conditioning.

Individual consumption (fuel economy) may differ due to driving profile, vehicle load profile, auxiliary consumer usage, temperature, and ambient conditions. Consumption is based on WLTP or NEDC (whichever is indicated) best case conditions and is independently tested for BMW Group. If you are comparing this range with other models or brands make sure they are stating the same WLTP or NEDC testing regime. These results can be used to compare vehicles on a close to "like for like" basis but are unlikely to be achieved in real world conditions for reasons including temperature variation, driving conditions and the use of the auxiliary systems referred to above.

Information provided and images displayed in this brochure include overseas models and may show some features not available in New Zealand. Please contact an authorised BMW dealer for specific information on vehicles and features available in New Zealand. Product changes may have been made since production of this content.

Note: To obtain NZ CO₂ figures for vehicles imported by BMW Group NZ in relation to the NZ Clean Car discount or "FeeBate" you will need to contact your preferred dealer. The Clean Car discount figures sourced from your dealer will differ from those listed in the BMW owner's handbook and reported figures as they have been converted by the NZ government to WLTP3 from figures derived through one of the following testing procedures: WLTP4 or NEDC.

For more information on the New Zealand Clean Car Programme, please visit www.nzta.govt.nz/vehicles/clean-car-programme
