INNOVATION

SOMETIMES YOU HAVE TO CHANGE PERSPECTIVE
TO REALISE: PERSONALITY SURPASSES EVERYTHING

INSPIRATION

IMPRESSIVE
EXPRESSIVE
UNMISTAKABLY X

EXTERIOR DESIGN

FOCUSED EXPRESSIVENESS FOR MAXIMUM VISIBILITY

Great personalities are characterised by a striking look. The dynamically contoured, hexagonal full-LED headlights with adaptive bend lighting lend the BMW X7 unique expressiveness. Visually highlighted by Blue accent clasps and the “BMW Laserlight” designation, the optional BMW Laserlights provide additional driving comfort with a range of up to 600m in high-beam mode.

A STATEMENT THAT ATTRACTS EVERYONE'S ATTENTION

The large, emphatically vertical Kidney grille forms the heart of the impressive front design. Its massive presence stands in charming contrast to the slim front headlights. Both Kidney grille elements are connected to form a monolithic unit – the largest double Kidney grille in the BMW range.

ELEGANT WHEEL DESIGN

At 22 inches, the optional light alloy Multi-spoke style 757 wheels, exclusively available for xDrive40i and xDrive30d models, are among the largest wheels in the portfolio and thus radiate an unmistakable presence when viewed from the side. Finished in Bicolour, they look particularly noble.

INTERIOR DESIGN

SIX-SEAT DESIGN

The vehicle's six-seat design, available as optional equipment, offers Comfort seats for the passengers in the second row with cupholders and seat and backrest adjustment. There is also a separating net for load protection. Not available with the luggage-compartment separating net option.

ACTIVE SEAT VENTILATION FOR FRONT SEATS

The optional Active seat ventilation for the front seats provides a cool and pleasant seat temperature resulting in a more comfortable driving experience. Applies to the seat base and backrest. Exclusively available as part of the Premium package.

SPARKLING DESIGN DETAILS

The exclusive CraftedClarity glass application, available as optional equipment, comprises elaborately hand-made design elements made of crystal glass that visibly and noticeably enhance the interior. The details of the gear selector, volume control, iDrive Controller and Start/Stop button are made of fine crystal glass. The gear selector also has an extravagant crystal glass that is crowned by a finely worked, illuminated 'X'. The interior of the vehicle is perfected in this very special way and at the same time underlines the high standards of its driver.

Coupling the optional Sky Lounge Panoramic glass sunroof with the standard Ambient Lighting allows dynamic light flow throughout the BMW X7 and creates an open sense of spaciousness and a luxurious atmosphere for any drive. This is the true luxury of travelling.

M50i/d MODELS

STANDARD EQUIPMENT HIGHLIGHTS

In addition / replacement to M Sport models

- 22" M V-spoke style 755 M wheels, Bicolour Cerium Grey
- BMW TwinPower Turbo six-cylinder in-line diesel engine (M50d only)

INNOVATION

VISIONARY INTELLIGENCE

DRIVER ASSISTANCE HIGHLIGHTS

REVERSING ASSISTANT

The Reversing Assistant saves the last 50m of a route made in forward travel at low speed so that it can be retracted if required. The driver is relieved of the steering work and can concentrate fully on monitoring the vehicle environment. The driver remains responsible for the linear guidance via accelerator and brake in order to avoid collisions with objects in the vehicle environment.

DRIVING ASSISTANT PROFESSIONAL

Offering optimum comfort and maximum safety, the optional Driving Assistant Professional supports you during critical or monotonous driving situations. Active Cruise Control with Stop&Go function, Approach control warning, Speed Limit Assist and further driving assistance systems are included. Exclusively available as part of the Technology and Ultimate Packages.

CROSSROADS WARNING WITH CITY BRAKING FUNCTION

The Crossroads warning with city braking function detects traffic lights, traffic signs and vehicles crossing and can avoid accidents. Braking assistance with visual/acoustic warning including active braking intervention occurs in the event of a potential collision with intersecting traffic. Part of the optional Driving Assistant Professional. Exclusively available as part of the Technology package.

CONNECTIVITY AND INFOTAINMENT HIGHLIGHTS

BMW LIVE COCKPIT PROFESSIONAL

The BMW Live Cockpit Professional with navigation function includes a high-quality display network consisting of a high resolution 12.3" Control Display and a fully digital 12.3" instrument display. The BMW Operating System 7.0 has variable, configurable widgets that display information in real-time.

ENHANCED BLUETOOTH WITH WIRELESS CHARGING

Enhanced Bluetooth with wireless charging offers a comprehensive telephony package with Bluetooth connectivity and the technical capacity for a WiFi hotspot. It includes an improved hands-free capability for the front passenger with the provision of a second microphone.

REAR-SEAT ENTERTAINMENT PROFESSIONAL

The optional Rear-seat entertainment Professional provides excellent entertainment for rear passengers thanks to two separate tilting 10.2" displays with touch function and Blu-ray drive. Additional USB connections and separate connections for MP3 players, smartphones, tablets and headphones (even wireless) are included. The system provides access to the vehicle's entertainment function as well as a display of navigation maps with POI search, online portal and telephone. Operation can also be by remote control. Not available with the Travel & Comfort System.

COMFORT AND FUNCTIONALITY

TEMPERATURE-CONTROLLED CUPHOLDERS

Exclusively available with the optional Premium package, the heated or cooled temperate cupholders in the front centre console can be used individually. The temperature control is activated via buttons on the left and right with ambient lighting indicating blue for cooling or red for heating. In this way, drinks always have the desired temperature while travelling.

AUTOMATIC AIR CONDITIONING WITH FIVE-ZONE CONTROL

Thanks to the optional Automatic air conditioning with five-zone control, the temperature for the driver and front passenger, the left and right sides of the second row of seats as well as the third row of seats can be set independently of one another. Each fellow traveller can thus enjoy the most pleasant climate for him or her. Exclusively available as part of the Premium package.

IMAGINATION

ELEGANCE IN EVERY DETAIL

BMW INDIVIDUAL

LET YOUR CHOSEN BMW X7 BE
INSPIRED BY BMW INDIVIDUAL.

Choose from a wide range of high-quality, sophisticated interior and exterior options to create exactly the BMW X7 you've always dreamed of. Because with BMW Individual anything is possible.

BMW Individual. More diversity. More exclusivity. More personality. [Click here](#) to find out more.

The optional BMW Individual Ametrine metallic paint shown here is particularly eye-catching due to its rich colour brilliance and the unique colour-shifting effect. Speak to your BMW Retailer for all available paint choices.

The optional BMW Individual Piano Black interior trim creates a unique surface that shines with noble brilliance.

Shown below is the optional BMW Individual Extended Merino leather in Coffee, illustrating the claim to excellence of BMW Individual.

PACKAGES

ULTIMATE PACKAGE

Enhancing luxury and comfort specifically for your BMW X7, the Ultimate Package provides a generous selection of optional equipment to fully optimise your BMW driving experience. Available within this Package:

Air conditioning, automatic with five-zone control
 Ambient Air package
 BMW Individual High-gloss Shadowline with Extended contents
 Bowers & Wilkins Diamond Surround Sound System
 CraftedClarity glass application
 Cupholder, temperate
 Driving Assistant Professional
 Executive Drive Pro¹
 Head-up Display
 Heat comfort package, front

Integral Active Steering
 Laserlights
 Luggage compartment separating net
 M seats
 M Sport exhaust system
 Massage function, front
 Rear-seat entertainment Professional
 Roller sunblind, rear side windows
 Seat ventilation, front
 Sky Lounge Panoramic glass sunroof
 Sun protection glass
 TV Function Plus

PACKAGES

TECHNOLOGY PACKAGE

Including a range of Driving Assistance systems, the Technology Package supports you in numerous driving and parking situations ensuring that you are supported on the road.

- Driving Assistant Professional
- Head-up Display
- Loudspeaker system – harman/kardon¹

¹ = Bowers & Wilkins Diamond Surround Sound System available as package alternative instead of Loudspeaker system – harman/kardon.

PREMIUM PACKAGE

Providing superior comfort, convenience and practicality the Premium Package offers a tailored combination of luxury equipment. Contents include:

Cupholder, temperate	Air conditioning, automatic with five-zone control ²
Seat ventilation, front	Massage function, front
Heat comfort package, front	
Ambient air package	

² = If selected on xDrive40i then the top speed is reduced to 130mph.

VISIBILITY PACKAGE

Visibility Package includes BMW Laserlights, these feature three lighting levels and include LED low and high-beam headlights with laser module, position lights, daytime driving lights, direction indicators, cornering lights and Adaptive headlights. They include BMW Selective Beam (the dazzle-free high-beam assistant from BMW). The laser module for high-beam headlights doubles the light intensity compared to Bi-LED (more than 500m light emitted from Blue high-performance laser diodes is concentrated to White light with high intensity on a small phosphor plate). Includes specific design elements and exclusive BMW Laserlight designation.

M SPORT PLUS PACKAGE

Exclusively available for M Sport models, the M Sport Plus Package enhances driving dynamics with the combination of BMW advanced technology and M Sport performance options.

- 22" M light alloy V-spoke style 755 M wheels, Bicolour Jet Black³
- BMW Individual High-gloss Shadowline with Extended contents⁴
- M Sport exhaust system
- Sun protection glass

³ = 22" BMW Individual Y-spoke 758 I wheels available as a cost alternative.

⁴ = Can be deselected if not required, please consult your local BMW Retailer for further details.

PRICES AND SPECIFICATIONS

BMW (UK) Limited reserves the right to alter prices and specifications without notice. BMW (UK) Limited has made every effort to ensure the accuracy of information but does not accept liability for any errors or omissions.

VED RATES

Annual VED (second year onwards) for cars costing over £40,000 is payable for five years. VED rates for brand new cars are determined by their CO₂ emissions figure. First year VED applies to the first year of ownership. Annual VED rates apply thereafter. The BMW X7 models fall into the categories listed below:

CO ₂ emissions – combined (g/km)	01-50	51-75	76-90	91-100	101-110	111-130	131-150	151-170	171-190	191-225	226-255	Over 255
First year VED (petrol and RDE2 diesel)	£10	£25	£110	£135	£155	£175	£215	£540	£870	£1,305	£1,850	£2,175
First year VED (diesel)	£25	£110	£135	£155	£175	£215	£540	£870	£1,305	£1,850	£2,175	£2,175
Annual VED – second year onwards (standard rate for petrol and diesel)	£150	£150	£150	£150	£150	£150	£150	£150	£150	£150	£150	£150
Annual VED – second year onwards (petrol and diesel cars over £40,000)	£475	£475	£475	£475	£475	£475	£475	£475	£475	£475	£475	£475

Insurance group figures refer to 50 Group Rating System.

Figures shown are for comparability purposes; only compare fuel consumption and CO₂ figures with other cars tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted (post-registration), variations in weather, driving styles and vehicle load. The CO₂ figures have been determined according to the WLTP test. WLTP has been used as the applicable CO₂ figure from 1 April 2020 for first year vehicle tax (VED) and from 6 April 2020 for company car tax (BIK). The CO₂ figures were previously based on the NEDC equivalent.

BMW PAY MONTHLY SERVICING & TRACKSTAR

SERVICING MADE SIMPLE

Planning for the road ahead has never been easier. With the BMW Pay Monthly Service Plan¹ you can remove the uncertainty often associated with car servicing costs by spreading them monthly, much like you would your household bills. Our Pay Monthly service plan covers two services and any unused credit can be transferred to another BMW if you decide to switch unexpectedly. As part of the Pay Monthly plan you will also receive a number of added extras including:

- Fluid top ups
- An MOT
- A Wash & Vac each time you visit
- Seasonal health checks
- Sat Nav Map updates

Get the quality service and parts you expect from BMW with a fixed monthly payment. Give your BMW the care and attention it deserves from the experts that made it.

Price: £30 per month for 36 months

Please contact your preferred BMW Centre for further information.

BMW TRACKSTAR

Locate and recover your vehicle if it is stolen with BMW Trackstar or BMW Trackstar Advance. Benefits include:

- 24/7 Trackstar Monitoring Centre
- Thatcham accredited
- Integrated motion sensor
- Pan-European protection

BMW Trackstar S7 price from: £399²

BMW Trackstar S5 price from £549²

BMW Trackstar S5 Advance price from: £649²

BMW CONNECTED DRIVE SERVICES

BMW ConnectedDrive keeps driver and vehicle connected with the outside world. Digital services, driver-focused technologies and driver assistance systems provide more comfort, more entertainment and more safety. Increase your driving pleasure – with BMW ConnectedDrive.

For further information on BMW ConnectedDrive and the General Terms and Conditions of Service for ConnectedDrive, please see: www.bmw.co.uk/connecteddrive-information

The BMW ConnectedDrive Hotline is available on: +44 (0) 800 561 0555 from Monday to Friday 8am – 7pm and Saturday to Sunday 9am – 5pm.

GENERAL INFORMATION

BMW (UK) Ltd, Summit ONE, Summit Avenue, Farnborough, Hampshire, GU14 0FB (hereinafter referred to as "BMW") provides the customer with certain vehicle-related information and assistance functions (hereinafter called "Services") under the name of "BMW ConnectedDrive". BMW collects, stores or processes car-related data in compliance with applicable law and only to the extent necessary to provide the Services. BMW does not collect, store or process personal data in course of the Services – except where this is explicitly stated in the service description of the individual Services. In the case of Services that require personal data to be collected, stored and processed so that such Services can actually be provided, BMW informs customers of this in advance by providing this data protection notice. The Services are provided by means of a SIM card installed in the vehicle.

CONNECTED DRIVE SERVICES DURATION

BMW Music	3 month trial
Apps	3 years
BMW Intelligent Personal Assistant	3 years
BMW Online Services	3 years
Concierge Services	3 years
Connected Music	3 years
Connected Navigation	3 years
In-Car Experiences	3 years
Intelligent Functionalities	3 years
Intelligent Voice Control	3 years
Map Updates	3 years
Real Time Traffic Information	3 years
Remote Services	3 years
Remote Software Upgrade	3 years
Apple CarPlay® Preparation	Active without runtime limitations
BMW Emergency Call	Active without runtime limitations
BMW TeleServices	Active without runtime limitations

DEACTIVATION

You can have the BMW ConnectedDrive services deactivated through an authorised BMW centre, a BMW subsidiary or a BMW authorised workshop at any time. This also has the consequence that aspects of the emergency call in the vehicle as well as all remaining Services will no longer function.

You can additionally arrange for the remaining Services to be deactivated via "My BMW ConnectedDrive".

If the vehicle is equipped with the legally required EU Emergency Call (as from April 2018) a deactivation of the BMW ConnectedDrive basic services will not deactivate the vehicle's built-in SIM card. It has to remain active, so that the EU Emergency Call is functional all the time.

Services that are available and active without runtime limitations, cannot be guaranteed for permanent usage due to potential future technical developments (of the Service availability and/or Smartphone compatibility/operating systems).
