PACKAGES.

BMW packages, in the BMW X3 M Competition and BMW X4 M Competition, are designed to create greater convenience, functionality, desire and comfort on any drive. With options ranging from the utmost in advanced headlight technologies to the comfort of keyless access, this generous selection of combinations will enhance any journey in your BMW X3 M Competition and BMW X4 M Competition.

COMFORT PACKAGE.

- Steering wheel heating
- Comfort Access with smart opener
- Seat backrest adjustment for rear seats (X3 M Competition only)
- Extended storage

M CARBON PACKAGE.

- Interior trim, Carbon Fibre
- M Carbon Exterior Package
- M Carbon engine strut

M DRIVER'S PACKAGE.

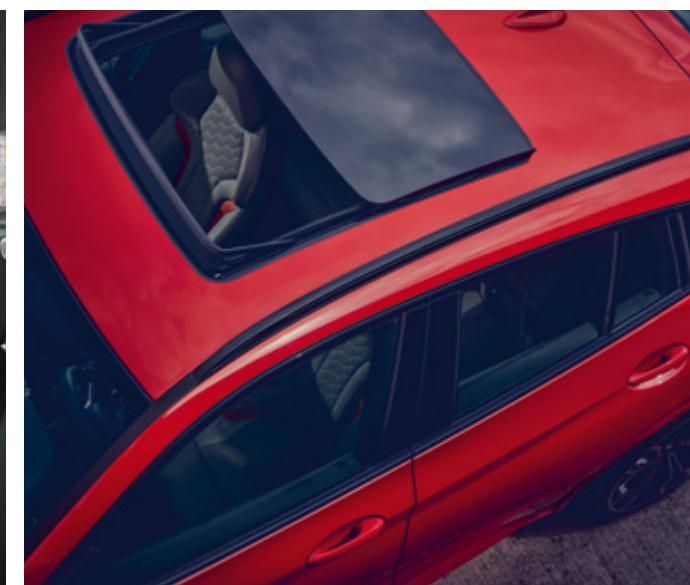

- Increase of top speed to approximately 177mph
- Voucher for BMW M Intensive Training from the BMW Driving Experience

Increase of top speed not available until the running in inspection has been completed. For course-specific information, please visit www.bmw-drivingexperience.com

ULTIMATE PACKAGE.

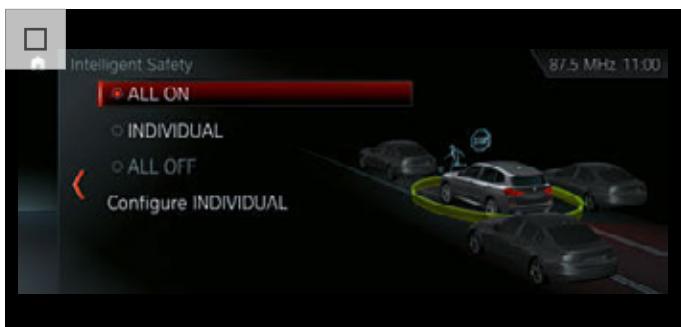

- Comfort Package
- M Carbon Package
- Panoramic Glass Sunroof
- Sun Protection Glass
- Heated seats, front and rear
- Interior trim, Carbon Fibre
- Driving Assistant Plus
- Parking Assistant Plus
- Apple CarPlay preparation
- Enhanced Bluetooth with wireless charging
- WiFi hotspot preparation
- BMW Gesture Control

STANDARD & OPTIONAL EQUIPMENT HIGHLIGHTS.

The X3 M Competition offers an increase in driving dynamics and a powerful, particularly emotional engine sound thanks to increased engine performance and M Sport exhaust system with Black twin tailpipes. Distinctive exterior details in Black, the exclusive 21" M light alloy wheels and M seats in Merino leather underline the sporty character.

Driving Assistant Plus offers greater comfort and security during monotonous or complex driving situations. These can include traffic jams, stop-and-go traffic or long journeys through the city, on country roads or motorways, along with navigating junctions and lane changes.¹

The M gear selector switch features an M-specific switch pattern. In manual "S" mode, the driver can shift gears manually using the selector lever or the rocker switch on the steering wheel. In "D" mode, shifting occurs automatically. Whereas the Drivelogic switch for the three shifting programs is on the upper side, the P button for the parking lock is placed under the M logo.

Thanks to the use of various materials, M Compound brakes achieve outstanding deceleration values and are extremely stable and highly durable. They also weigh less, which has a positive impact on agility, dynamics and acceleration. The Blue metallic brake callipers with the M designation are the hallmark of these high-performance M-specific brakes.

Enhanced Bluetooth with wireless charging enables a Bluetooth connectivity and the technical capacity for a WiFi hotspot. The universal, wireless smartphone charging dock only functions with compatible smartphones. For smartphones without an inductive charging function, special charging cases are available to purchase via BMW Parts and Accessories for selected devices.^{2,3}

Adaptive M suspension is a variable, electronically-controlled shock absorber adjustment system that improves driving dynamics, agility and comfort. Sensors in the vehicle permanently measure body and wheel acceleration, lateral/longitudinal acceleration, driving speed and the position of the steering wheel to calculate the control commands for the electromagnetic valves in the shock absorbers for each individual wheel.

The high-performance M TwinPower Turbo six-cylinder in-line petrol engine features superior power delivery and silky-smooth running coupled with a sporty engine sound. With Double-VANOS, Valvetronic, High-precision injection and two turbochargers, it generates 510hp (375kW).

The M Sport exhaust system delivers a particularly sporty sound and features tailpipe finishers in High-gloss Black.

The High-gloss Black Shadowline roof rails add a premium-quality touch. Lying flat on the roof, they form the basis for a multi-functional BMW roof rack unit that carries a roof box, bicycles and surf boards easily and securely. Standard for X3 M Competition.

21" M light alloy V-spoke style 765 M wheels, Bicolour Black, front 9.5 J x 21, 255/40 R21, rear 10 J x 21, 265/40 R21 tyres.

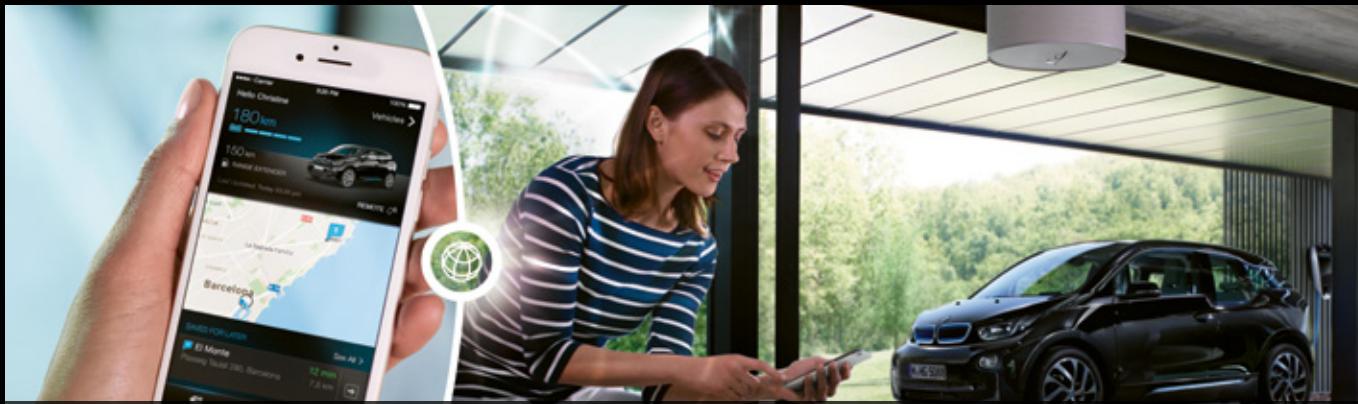

¹ = Function may be limited in darkness, fog or bright glare.

² = The universal, wireless smartphone charging dock only functions with compatible smartphones. For smartphones without an inductive charging function, special charging cases are available to purchase via BMW Parts and Accessories for selected devices.

³ = The WiFi hotspot fulfils all in-vehicle requirements for use of the internet with the maximum LTE standard. Usage is subject to cost.

The BMW Connected App.

Your personal mobility assistant.

The BMW Connected App learns your mobility routines, reads your calendar and knows when you need to leave, providing you with a personal experience that is integrated into your everyday life. The App allows you to fully unleash the capabilities of BMW's innovative technologies intuitively through your smartphone.

■ BMW LIVE COCKPIT PROFESSIONAL.

Thanks to BMW ConnectedDrive, you are now more connected than ever before. Providing cutting edge innovations as standard, the BMW X3 M and X4 M Competition come with a host of connectivity features that enhance and perfectly accompany any journey. The range of services can be seen below:

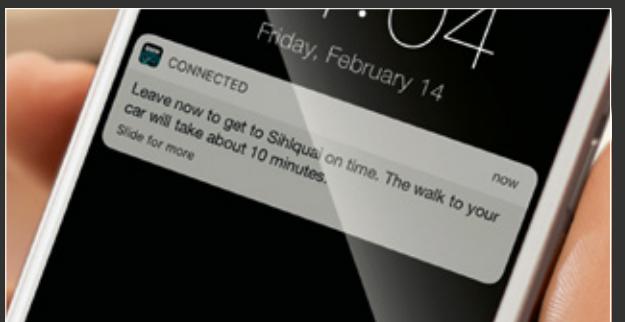

■ **Apps** makes it possible to operate smartphone apps, such as BMW Connected and web radio conveniently and securely via the iDrive Controller and Control Display.¹

■ **BMW TeleServices** transmits vehicle-specific service data and supports the processing of servicing appointments. It can also help you request help in the event of a breakdown.²

■ **BMW Emergency Call** automatically establishes a direct link to the local emergency services and sends details of your vehicle location and severity of the accident.²

■ **BMW Connected+** provides the benefit of personalised services at all times.¹

■ **BMW Online Services** provides the seamless integration of personalised BMW Connected mobility related services.

■ **Map Updates** – Automatically update maps in your BMW by downloading Over-the-Air via the on-board sim card or upload from a USB.¹

■ **Intelligent Voice Control** understands natural speech as well as linguistic varieties and dialects thanks to off-board voice processing.¹

BMW ConnectedDrive.

More connected than ever before.

■ CONNECTED PACKAGE PROFESSIONAL.

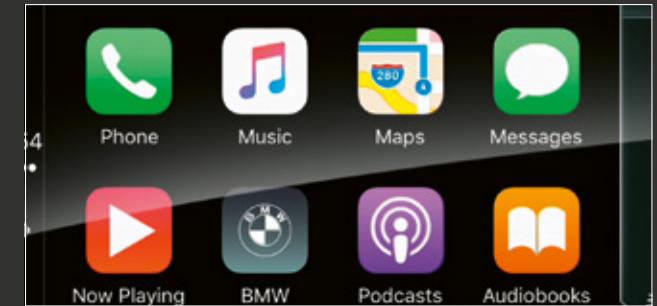

■ **Remote Services** allows you to remain connected to your vehicle wherever you are, send destinations, find your vehicle as well as locking and unlocking your doors.¹

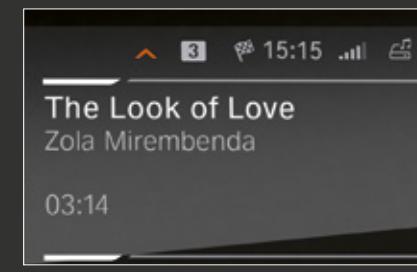

■ **Concierge Services** connects the driver to a BMW Call Centre agent who is available as their around-the-clock personal assistant.¹

■ **Real Time Traffic Information** supplies details about the location and duration of delays, also includes Hazard Preview and On-street Parking Information.¹

■ **Apple CarPlay® preparation** enables wireless usage of your iPhone® in your vehicle via Apple CarPlay® and is operated via the vehicle's user interface.²

■ Thanks to **Connected Music**, you can experience unlimited streaming of millions of songs from BMW's music partners Spotify, Deezer or Napster via the SIM card in the vehicle.¹

■ **Connected Parking** offers multi-storey and on-street parking information in selected cities throughout the UK and selected cities in Europe.

■ **Connected Navigation** makes route planning easier, anticipates road conditions and provides estimated time of arrival, plus multiple map views with split screen options.¹

■ CONNECTED TEASER.

Available with Connected Package Professional and offers a three month trial of the following services:

■ **BMW Music**, powered by Napster, brings your favourite music to your BMW. Get access to millions of songs and thousands of audio books with a single click.³

BMW PAY MONTHLY SERVICING & TRACKSTAR.

SERVICING MADE SIMPLE.

Planning for the road ahead has never been easier. With the BMW Pay Monthly Service Plan¹ you can remove the uncertainty often associated with car servicing costs by spreading them monthly, much like you would your household bills. Our Pay Monthly service plan covers two services and any unused credit can be transferred to another BMW if you decide to switch unexpectedly. As part of the Pay Monthly plan you will also receive a number of added extras including:

- Fluid top ups
- An MOT
- A Wash & Vac each time you visit
- Seasonal health checks
- Sat Nav Map updates

Get the quality service and parts you expect from BMW with a fixed monthly payment. Give your BMW the care and attention it deserves from the experts that made it.

Price (inc. running in service): £45 per month for 36 months

Price (without running in service): £35 per month for 36 months

Please contact your preferred BMW Centre for further information.

BMW TRACKSTAR.

Locate and recover your vehicle if it is stolen with BMW Trackstar or BMW Trackstar Advance.

Benefits include:

- 24/7 Trackstar Monitoring Centre
- Thatcham accredited
- Integrated motion sensor
- Pan-European protection

BMW Trackstar S7 price from: £399²

BMW Trackstar S5 price from £549²

BMW Trackstar S5 Advance price from: £649²

PRICES AND SPECIFICATIONS

BMW (UK) Limited reserves the right to alter prices and specifications without notice. BMW (UK) Limited has made every effort to ensure the accuracy of information but does not accept liability for any errors or omissions.

VED RATES

Annual VED (second year onwards) for cars costing over £40,000 is payable for five years. VED rates for brand new cars are determined by their CO₂ emissions figure. First year VED applies to the first year of ownership. Annual VED rates apply thereafter. The BMW X3 M Competition and BMW X4 M Competition models fall into one of the categories listed below:

CO ₂ emissions (g/km)	01-50	51-75	76-90	91-100	101-110	111-130	131-150	151-170	171-190	191-225	226-255	Over 255
First year VED (petrol and RDE2 diesel)	£10	£25	£110	£135	£155	£175	£215	£540	£870	£1,305	£1,850	£2,175
Annual VED – second year onwards (standard rate for petrol and diesel cars)	£150	£150	£150	£150	£150	£150	£150	£150	£150	£150	£150	£150
Annual VED – second year onwards (petrol and diesel cars over £40,000)	£475	£475	£475	£475	£475	£475	£475	£475	£475	£475	£475	£475

ON THE ROAD PRICE

The recommended on the road price includes:

Delivery and BMW Emergency Service	£825
Number plates	£25
Vehicle first registration fee	£55
First year Vehicle Excise Duty	See left

Insurance group figures refer to 50 Group Rating System. * = Figures shown are for comparability purposes; only compare fuel consumption and CO₂ figures with other cars tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted (post-registration), variations in weather, driving styles and vehicle load. The CO₂ figures have been determined according to the WLTP test. WLTP has been used as the applicable CO₂ figure from 1 April 2020 for first year vehicle tax (VED) and from 6 April 2020 for company car tax (BIK). The CO₂ figures were previously based on the NEDC equivalent.

BMW CONNECTED DRIVE SERVICES.

BMW ConnectedDrive keeps driver and vehicle connected with the outside world. Digital services, driver-focused technologies and driver assistance systems provide more comfort, more entertainment and more safety. Increase your driving pleasure – with BMW ConnectedDrive.

For further information on BMW ConnectedDrive and the General Terms and Conditions of Service for ConnectedDrive, please see: www.bmw.co.uk/connecteddrive-information

The BMW ConnectedDrive Hotline is available on: +44 (0) 800 561 0555 from Monday to Friday 8am – 7pm and Saturday to Sunday 9am – 5pm.

GENERAL INFORMATION

BMW (UK) Ltd, Summit ONE, Summit Avenue, Farnborough, Hampshire, GU14 0FB (hereinafter referred to as "BMW") provides the customer with certain vehicle-related information and assistance functions (hereinafter called "Services") under the name of "BMW ConnectedDrive". BMW collects, stores or processes car-related data in compliance with applicable law and only to the extent necessary to provide the Services. BMW does not collect, store or process personal data in course of the Services – except where this is explicitly stated in the service description of the individual Services. In the case of Services that require personal data to be collected, stored and processed so that such Services can actually be provided, BMW informs customers of this in advance by providing this data protection notice. The Services are provided by means of a SIM card installed in the vehicle.

CONNECTED DRIVE SERVICES DURATION

BMW Music	3 month trial
Apps	3 years
BMW Online Services	3 years
Concierge Services	3 years
Connected Music	3 years
Connected Navigation	3 years
Intelligent Voice Control	3 years
Map Updates	3 years
Real Time Traffic Information	3 years
Remote Services	3 years
Apple CarPlay® Preparation	Active without runtime limitations
BMW Emergency Call	Active without runtime limitations
BMW TeleServices	Active without runtime limitations

DEACTIVATION

You can have the BMW ConnectedDrive services deactivated through an authorised BMW centre, a BMW subsidiary or a BMW authorised workshop at any time. This also has the consequence that aspects of the emergency call in the vehicle as well as all remaining Services will no longer function.

You can additionally arrange for the remaining Services to be deactivated via "My BMW ConnectedDrive".

If the vehicle is equipped with the legally required EU Emergency Call (as from April 2018) a deactivation of the BMW ConnectedDrive basic services will not deactivate the vehicle's built-in SIM card. It has to remain active, so that the EU Emergency Call is functional all the time.

Services that are available and active without runtime limitations, cannot be guaranteed for permanent usage due to potential future technical developments (of the Service availability and/or Smartphone compatibility/operating systems).
