# ENVISION

Your sense of luxury has been set in  
motion with **THE NEW 2017  
BUICK ENVISION.**

Responsive performance, intelligent innovations and a thoughtfully  
crafted interior ensure that Envision is a joy to drive, and a joy to share.

GALAXY SILVER METALLIC  
shown with Premium II Group and optional equipment.

It only takes an instant to form your first impression  
of the Envision. One press of the accelerator proves it

has a **SPIRITED PERFORMANCE  
SUITED TO THE WAY YOU LIVE.**

A glance at its elegant proportions confirms that this is a new Buick crafted  
to an exceptional degree of refinement. Its bold grille and jewel-like  
LED-accented headlamps reflect the pure driving enjoyment you'll experience  
in Envision. This is your kind of luxury.

BRONZE ALLOY METALLIC  
shown with Premium II Group and optional equipment.

## RELAX

WHAT MAKES ONE EXPERIENCE MORE REFINED THAN ANOTHER? IT'S HOW THE DETAILS ENHANCE THE SENSATIONS YOU ENCOUNTER ALONG THE WAY.

Inspiration for the Envision interior didn't come from other vehicles. It came from the kind of places you go to relax in style. Think boutique hotels, luxurious day spas and other blissfully quiet retreats. Think understated, uncluttered design, where the quality of the finishes, the exceptional materials and the ambience of the lighting give the space a special feeling. With Envision, the result is a conversation space where up to five passengers can travel in remarkable acoustic comfort, thanks to QuietTuning™—a systematic process designed to help reduce, block and absorb noise. You'll be in the perfect frame of mind to enjoy Envision's full complement of features.

- Premium materials and standard ice-blue ambient lighting and rich trim.
- Standard hands-free power liftgate, 60/40 fold-flat rear seats and a flat rear floor make loading your belongings easy.
- Standard eight-way power-adjustable driver and front-passenger seats with power lumbar.
- Available French stitched, leather-appointed seats.
- Available cooled and ventilated front seats.
- Available tri-zone automatic climate control system, standard sliding second-row seating with three seatback angles and available heated rear outboard seats.
- Available seven-speaker Bose® premium sound system.

How does QuietTuning with Active Noise Cancellation work? By counteracting engine noise and helping to reduce outside noise with laminated glass in the windshield and front side windows. By forming a shield using inner-door sound barriers and triple door seals. By using hydraulic top engine mounts to help absorb engine noise and vibration before it gets to the cabin and by using seating materials that absorb noise.

ENVISION INTERIOR SHOWN IN EBONY WITH EBONY ACCENTS

## RESPOND

IN THE 2017 ENVISION, ADVANCED ENGINEERING SYSTEMS CREATE A NEW FEELING OF CONFIDENCE AND CONTROL FOR THE DRIVER.

What forges the connection between a car and its driver? It starts with how well a vehicle responds to driver input—the turn of a steering wheel, the press of a brake pedal, the voice command for your phone. Apple CarPlay™<sup>1</sup> integrates seamlessly with your iPhone®, and Android Auto™<sup>1</sup> works with your compatible smartphone. As you settle into the heated driver's seat, your hands wrap around the thick leather-wrapped rim of the available heated steering wheel, and your eyes scan the gauges laid out in front of you. Now engage the Start button and feel the powerful response of Envision's available turbocharged engine. Ready for the best feeling of all? Move the shift lever into D. Your every move is met by a standard intelligent All-Wheel Drive with an available Active Twin-Clutch System, helping ensure sure-footed traction.

- An efficient 2.5L engine with 197 hp is now standard. Or choose the available 2.0L Turbo engine with 252 hp and 260 lb.-ft. of torque to turbocharge every drive.
- The standard intelligent All-Wheel Drive with available Active Twin Clutch automatically adjusts torque to each wheel to optimize traction and respond before slip occurs.
- Envision's tight turning radius makes for nimble manoeuvres and easy parking.
- The available HiPer Strut front suspension provides Envision with responsive steering and cornering while it helps dampen road noise and vibration.
- Available safety features and driver convenience alerts include Forward Collision Alert, Side Blind Zone Alert with Lane Change Alert, Rear Cross Traffic Alert, Lane Keep Assist with Lane Departure Warning, Front and Rear Park Assist and a Safety Alert Seat, while 10 airbags<sup>2</sup> and a Rear Vision Camera are standard.

<sup>1</sup>Vehicle user interfaces are products of Apple® and Google® and their terms and privacy statements apply. Requires compatible smartphone. Data plan rates apply. <sup>2</sup>Always use safety belts and the correct restraint for your child's age and size. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with a passenger airbag. See the Owner's Manual and child safety seat instructions for more safety information.

EBONY TWILIGHT METALLIC  
shown with Premium II Group and optional equipment.

# LISTEN

LET YOUR VOICE BE HEARD. IT'S ALL YOU NEED TO ACTIVATE FEATURES OF ENVISION'S ADVANCED AUDIO AND INTEGRATED SMARTPHONE SYSTEMS.

We made Envision quiet because we knew you wanted to hear what makes you happy. That's where Buick IntelliLink<sup>1</sup> comes in. It includes available audio features such as access to internet radio<sup>2</sup> and Gracenote.<sup>®</sup> You can even use the "More Like This" function to instantly create a playlist of songs or artists similar to the one you're listening to. Many of the features found on the latest version of Buick IntelliLink can be managed three ways: using the Colour Touch Radio screen, intuitive enhanced language voice commands or steering-wheel-mounted controls. And there's more that IntelliLink can do to help you organize life on the road.

---

## SMARTPHONE COMPATIBILITY

The 2017 Envision offers Apple CarPlay<sup>TM3</sup> and Android Auto<sup>3</sup> compatibility. With Apple CarPlay,<sup>TM</sup> some of the apps you love on your iPhone<sup>®</sup> come alive through Siri<sup>®</sup> or the built-in display. And Android Auto easily integrates some of the power and functionality of your Android<sup>TM</sup> phone into Envision.

## BUICK INTELLILINK<sup>1</sup> offers the

entertainment of SiriusXM Satellite Radio<sup>4</sup> with Travel Link, with more than 120 channels, including commercial-free music, plus talk, sports, news, weather and more. Access to internet radio<sup>2</sup> is also available, while IntelliLink's customizable app tray allows you to organize the home screen according to your preferences.

<sup>1</sup>Full functionality requires compatible Bluetooth<sup>®</sup> and smartphone, and USB connectivity for some devices. Visit [intellilink.buick.ca](http://intellilink.buick.ca) for more details. <sup>2</sup>Data plan rates apply. <sup>3</sup>Vehicle user interfaces are products of Apple<sup>®</sup> and Google and their terms and privacy statements apply. Requires compatible smartphone. Data plan rates apply. <sup>4</sup>Available in 10 Canadian provinces, three territories and the 48 contiguous United States. Subscription sold separately after trial period. If you decide to continue your service at the end of your trial subscription, the plan you choose will automatically renew and bill at then-current rates until you call 1-877-209-0079 to cancel. Other fees and taxes will apply. All fees and programming subject to change. See SiriusXM "Terms & Conditions" and complete details at [siriusxm.ca](http://siriusxm.ca).

## GUIDE

TRAVEL WITH THE ENVISION AND YOUR JOURNEY IS ACCOMPANIED BY A HOST OF AVAILABLE SAFETY INNOVATIONS.

On the 2017 Envision, the available Surround Vision Camera system uses four micro-cameras embedded in the vehicle to provide the driver with a bird's-eye view around the vehicle. When you're parking, checking the monitor can help you avoid obstacles in your blind spots and navigate tight spaces. And when you're driving down the road, available cameras, sensors and radar are at work helping to watch out for you. Available Forward Collision Alert uses the cameras and radar to detect a potential collision with another vehicle on the road in front of you. If it senses that the driver isn't braking to avoid a collision, available Front Automatic Braking automatically engages the brakes.<sup>1</sup> New for 2017, standard Teen Driver technology supports safe driving habits by muting the audio of the radio or any device paired with the vehicle when front-seat occupants aren't wearing their safety belts. Plus, it gives audible and visual warnings when Envision is travelling faster than preset speeds.

<sup>1</sup>Adaptive Cruise Control is no substitute for the driver's personal responsibility to operate the vehicle in a safe manner. The driver needs to remain attentive to traffic and road conditions and provide the steering, braking or other inputs necessary to retain control of the vehicle. The Front Automatic Braking feature may help reduce crash damage under certain conditions discussed in the Owner's Manual. Never rely on this feature to brake the vehicle.

#### ■ AVAILABLE SURROUND VISION CAMERA

A first for Buick, it provides a bird's-eye view of what's around you during low-speed manoeuvring. Multiple cameras help you detect obstacles, reduce blind spots and navigate even the tightest spaces with clarity and confidence.

#### ◆ AVAILABLE SAFETY ALERT SEAT

When a collision-avoidance technology such as available Lane Departure Warning triggers an alert, the Safety Alert Seat issues a warning of its own. The left and/or right side of the driver seat cushion gently vibrate to signal the direction of the approaching hazard. So, it can help you stay aware of your surroundings.

#### ● REAR VISION CAMERA

To help you better navigate while backing up, the Rear Vision Camera shows you guidelines and live images of what's behind you on the 203 mm diagonal Colour Touch Radio screen.

## MANOEUVRE

ENVISION IS A NIMBLE SUV WITH ITS SMART SIZE AND INGENIOUS AVAILABLE TECHNOLOGIES SUCH AS AUTOMATIC PARK ASSIST.

Available Automatic Park Assist uses ultrasonic sensors and clear driver cues to steer Envision into parallel and perpendicular parking spaces. Sensors search for an available space. Once engaged and in reverse, the system automatically steers into the space while you control the brake and shift lever. Here are other ways Envision helps you manoeuvre.

---

**REAR CROSS TRAFFIC ALERT** When you're backing out of a parking space, available Rear Cross Traffic Alert technology uses radar to detect vehicles approaching your Envision and alerts you if detected vehicles are within 20 metres of either side of your vehicle.

**FORWARD COLLISION ALERT** This available technology can help you to prevent frontal crashes by sensing when you are approaching a vehicle in front of you too quickly, and it alerts you with audible and visual warnings and vibration from the available Safety Alert Seat.

**FRONT AUTOMATIC BRAKING<sup>1</sup>** Available Front Automatic Braking technology senses when a crash is imminent and then can automatically brake to help you reduce crash damage or help avoid colliding with the vehicle ahead in some low-speed situations.

**SIDE BLIND ZONE ALERT<sup>2</sup> WITH LANE CHANGE ALERT** Available Side Blind Zone Alert issues a visual warning when a vehicle is detected entering your

blind zone. Available Lane Change Alert uses radar to help watch for and warn you of vehicles approaching from behind when you're changing lanes.

**LANE KEEP ASSIST WITH LANE DEPARTURE WARNING** To help drivers avoid unintentionally drifting out of their lane, available Lane Keep Assist provides gentle steering wheel turns, and if necessary, audible and visual lane-departure alerts.

**These safety features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Read the vehicle Owner's Manual for important feature limitations and information.**

<sup>1</sup>Adaptive Cruise Control is no substitute for the driver's personal responsibility to operate the vehicle in a safe manner. The driver needs to remain attentive to traffic and road conditions and provide the steering, braking or other inputs necessary to retain control of the vehicle. The Front Automatic Braking feature may help reduce crash damage under certain conditions discussed in the Owner's Manual. Never rely on this feature to brake the vehicle. <sup>2</sup>Before making a lane change, always check the Side Blind Zone Alert display, check the exterior and interior rear-view mirrors, look over your shoulder for vehicles and hazards and start the turn signal.

## HANDS-FREE

ENVISION'S POWER LIFTGATE OPENS  
AND CLOSES AUTOMATICALLY.

You know that moment when you realize you need an extra hand? Well, help is now here, thanks to Envision's hands-free power liftgate. This standard feature allows you to open and close Envision's liftgate simply by moving your foot under a sensor beneath the rear bumper. As long as your Envision's keyless entry fob is in your possession, this convenience is there for you when you find your hands full. And if we know you, that's a situation you find yourself in all the time.

Dramatic winged headlamps, athletic lines, sculpted LED tail lamps and a rear spoiler integrated seamlessly into the exterior design elevate Envision's aerodynamic form and function.

GALAXY SILVER METALLIC  
shown with Premium II Group and optional equipment.

## CONNECT

THE ONSTAR 4G LTE WITH WI-FI® HOTSPOT<sup>1</sup>  
PROVIDES A POWERFUL CONNECTION.

OnStar 4G LTE with Wi-Fi<sup>1</sup> now travels with you. Stay connected and move effortlessly from home to work to just about anywhere without losing touch. Stream movies and TV on the go, using your favourite apps on your Wi-Fi devices.

The built-in OnStar 4G LTE with Wi-Fi hotspot<sup>1</sup> supports up to seven devices,<sup>2</sup> so everyone can surf, scan, create, post and game their way through any journey.

Our strong signal means you have a fast and reliable connection. And because the built-in Wi-Fi hotspot is powered by your vehicle, you're not adding to the demand on your mobile device battery.

Your first 3 months or 3 GB of data (whichever comes first) is included with your new Buick. After that, select a data plan from OnStar that's right for you.

<sup>1</sup>Visit [onstar.ca](http://onstar.ca) for coverage maps, details and system limitations. Available 4G LTE Wi-Fi requires compatible mobile device, active OnStar service and data plan. Data plans provided by AT&T.<sup>®</sup> Services vary by model, conditions and geographical and technical restrictions. OnStar with 4G LTE connectivity is available on select vehicle models and in select markets. <sup>2</sup>Devices must be WPA2-compliant with an active OnStar service plan and data plan. Wi-Fi devices manufactured prior to 2006 may not be compatible. Please consult your device manufacturer for information regarding the WPA2 security protocol and Wi-Fi device compatibility. Vehicle must be started or in accessory mode to access Wi-Fi. Visit [onstar.ca](http://onstar.ca) for system details and limitations.

STANDARD FOR 6 MONTHS, THE ONSTAR GUIDANCE PLAN (TRIAL EXCLUDES HANDS-FREE CALLING MINUTES) LETS YOU CONNECT TO AN ONSTAR ADVISOR JUST BY PUSHING THE BLUE ONSTAR BUTTON IN YOUR ENVISION.

## EMERGENCY

### Automatic Crash Response<sup>2</sup>

Depending on the severity of the crash, built-in sensors may automatically alert an OnStar Advisor who is immediately connected into your vehicle to see if you need help—even if you can't ask for it.

**Emergency Services** One push of the red emergency button gives you a priority connection to an OnStar Advisor who can direct emergency services to your exact location and offer critical assistance until help arrives. With OnStar, you're never alone.

**Crisis Assist** In severe weather conditions or a crisis, Advisors can provide a fast, knowledgeable resource if you need emergency assistance, evacuation routes and other resources. OnStar can also contact family members for you.

**Roadside Assistance<sup>3</sup>** If you're stranded, have a flat tire or need a tow truck, just ask an OnStar Advisor to get help to your exact location to get you back on the road quickly.

## SECURITY

**Stolen Vehicle Assistance<sup>4</sup>** If your vehicle is stolen, once it's been reported, Advisors can work with authorities and can use GPS technology to help pinpoint its location, slow the vehicle if conditions are safe and even prevent it from being restarted. And with Theft Alarm Notification,<sup>5</sup> if your vehicle alarm sounds, we'll let you know via text, email and/or a phone call. Once you report your vehicle stolen to the police, one simple call puts a team into action to help recover your vehicle quickly and safely.

## NAVIGATION

**Turn-by-Turn Navigation<sup>6</sup>** Getting directions is as easy as pushing a button and telling an Advisor where you want to go. Directions are quickly downloaded to your vehicle, and a voice calls out every turn. An Advisor can also help you with a database of more than 1 million points of interest. To plan routes in advance, you can send destinations to your vehicle through an Advisor or the myBuick mobile app.<sup>7</sup>

**ATYOURSERVICE<sup>8</sup>** Life just got easier and more affordable with the personalized connection of AtYourService. By simply pressing the blue OnStar button, our trusted Advisors can help you locate hotels and even book your room through Priceline.<sup>®</sup> AtYourService offers can be accessed from your vehicle's radio touch-screen, through your myBuick mobile app<sup>7</sup> or an OnStar Advisor.

## VEHICLE MANAGER

**Advanced Diagnostics<sup>9</sup>** This feature can alert you when something's going on under the hood. After running a check on your vehicle's key systems, it can send you a monthly Diagnostics Report email or real-time alerts available by email or text, detailing its findings. And with Proactive Alerts (if available), you can get a warning about potential issues with key components such as the battery, fuel pump, fuel pressure sensor and starter motor before they become a problem.

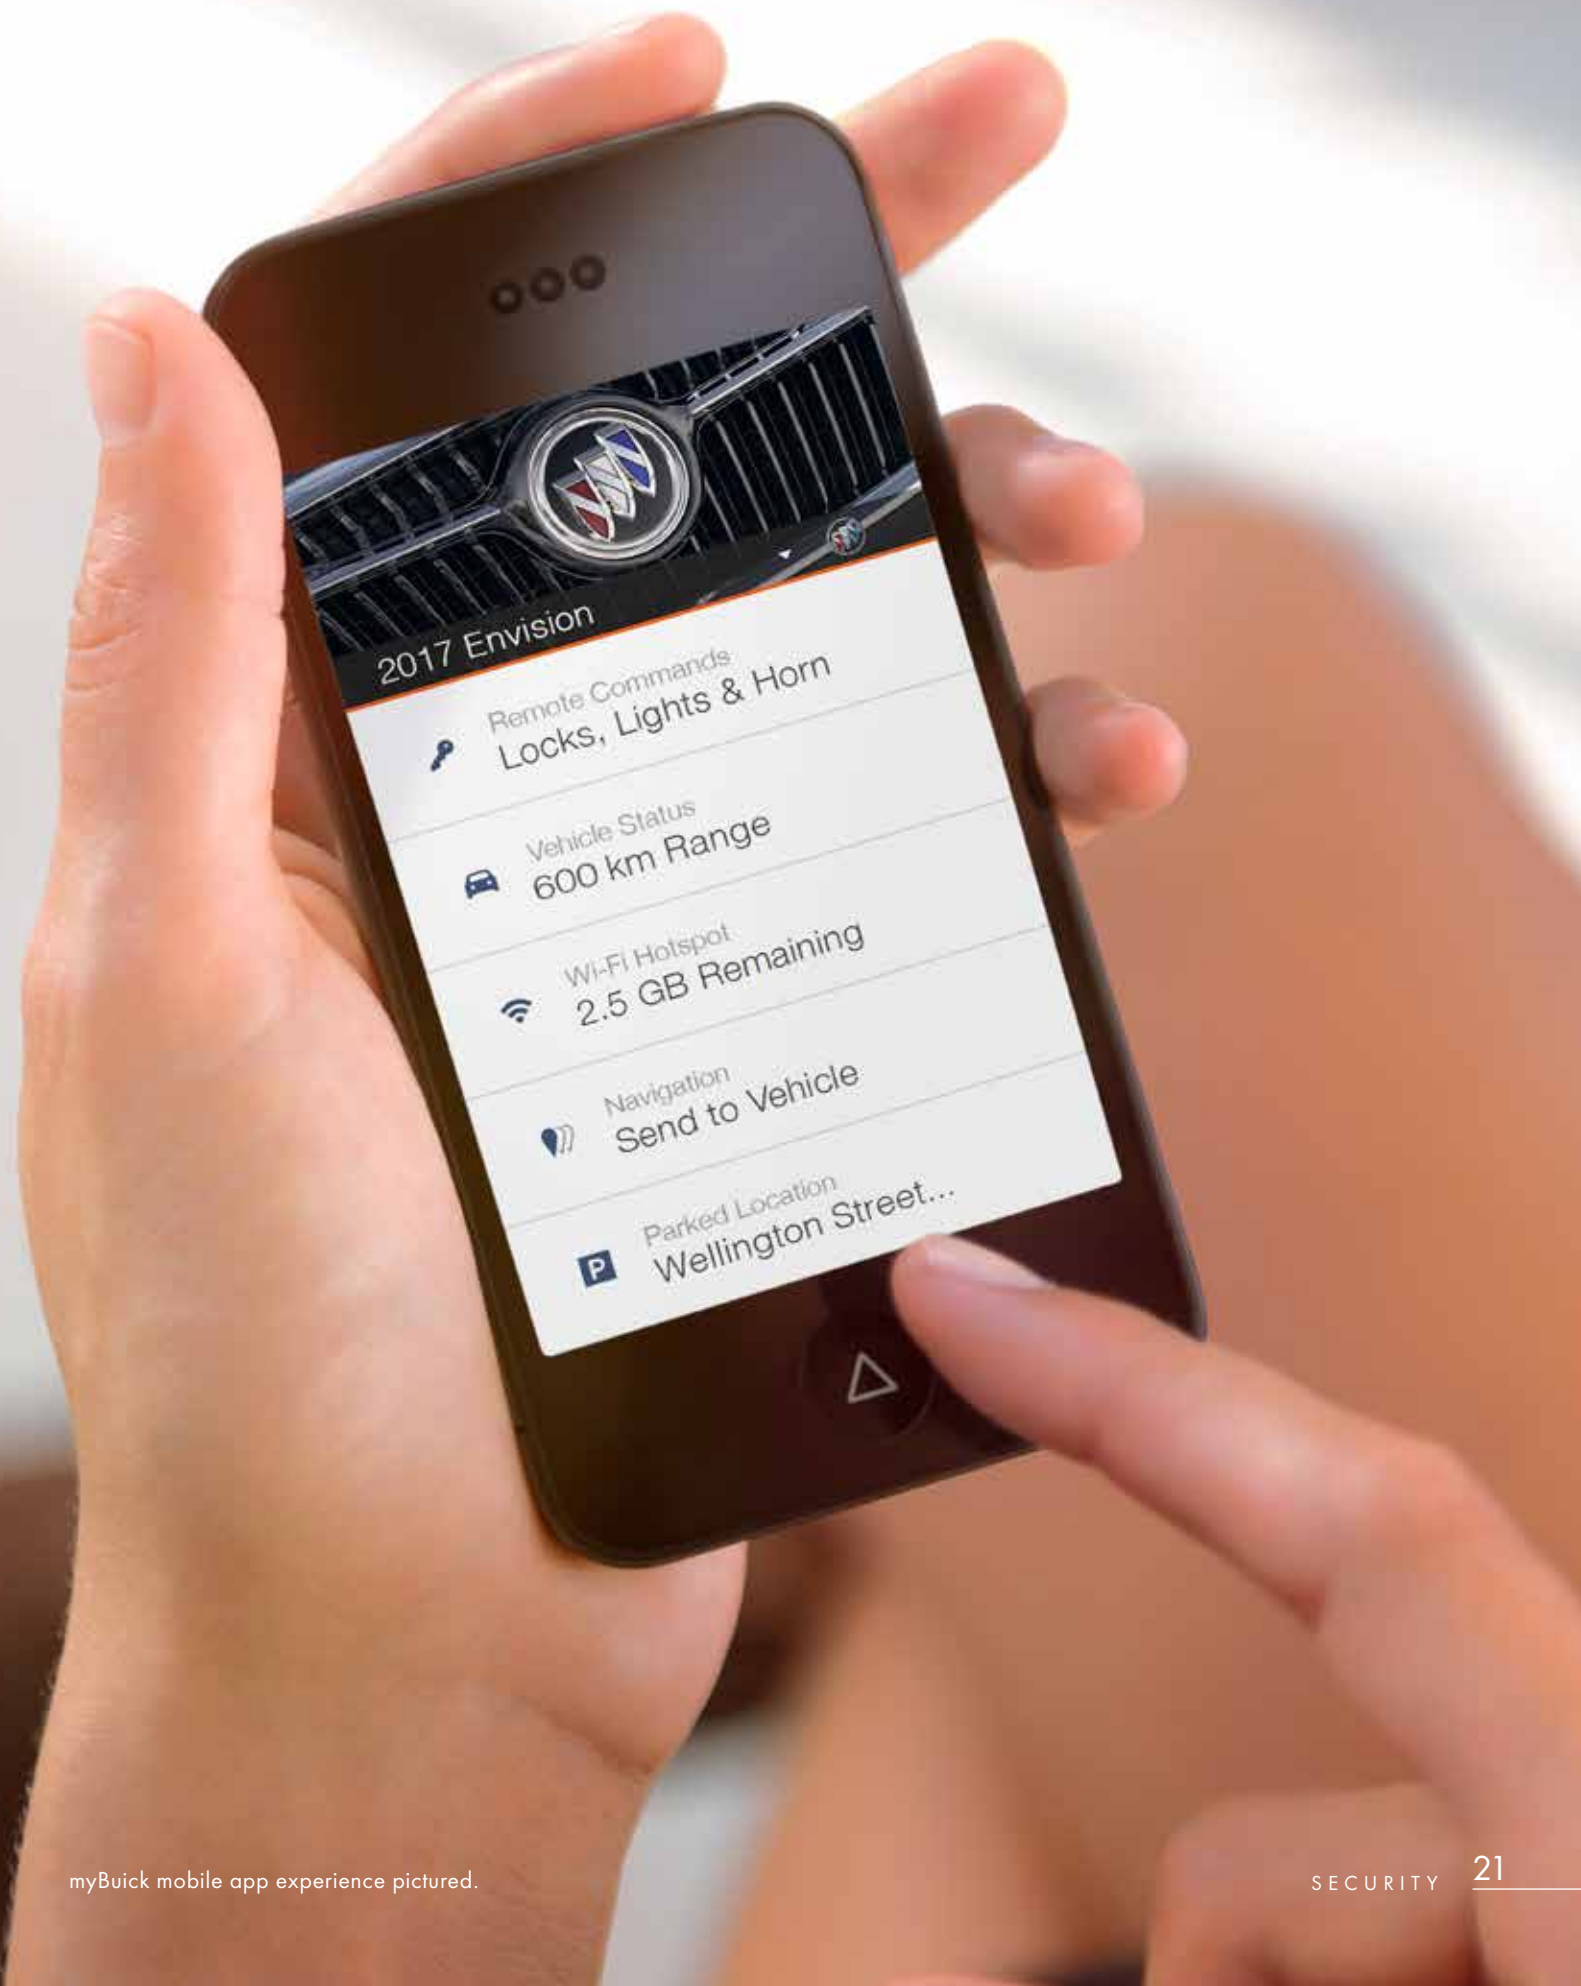

**MYBUICK MOBILE APP<sup>7</sup>** Enjoy the ultimate ownership experience through convenient control and management of your vehicle. You can use your compatible smartphone to remotely start your vehicle from virtually any distance, lock or unlock your doors, honk your horn and flash your lights. The services of the myBuick mobile app are included for 5 years on new vehicles at no additional charge. To download the myBuick mobile app to your smartphone, go to the App Store.

**REMOTE ACCESS<sup>10</sup>** With Remote Access, an OnStar Advisor can send a remote signal to lock or unlock your doors or honk your horn and flash your lights. You can even use your myBuick mobile app<sup>7</sup> to remote-start the vehicle from virtually anywhere.

## ONSTAR HANDS-FREE CALLING<sup>11</sup>

This available feature is a wireless service built into your vehicle so you can purchase calling minutes to easily make and receive calls from the road.

<sup>1</sup>Visit onstar.ca for coverage maps, details and system limitations. Available 4G LTE Wi-Fi requires compatible mobile device, active OnStar service and data plan. Data plans provided by AT&T. Services vary by model, conditions and geographical and technical restrictions. OnStar with 4G LTE connectivity is available on select vehicle models and in select markets. <sup>2</sup>OnStar acts as a link to emergency service providers. Not all vehicles can transmit all crash data. <sup>3</sup>Roadside service provided by Allstate Roadside Services. Restrictions apply. <sup>4</sup>Services vary by model, conditions and geographical and technical restrictions. Visit onstar.ca for details and system limitations. Stolen Vehicle Slowdown and Remote Ignition Block are only available on select 2009 and newer GM vehicles. <sup>5</sup>Requires an active factory-installed theft-deterrent system, the Security or Guidance Plan and selected notification preference(s). Capability varies by model. Message and data rates may apply. Your vehicle's electrical systems and your smartphone (or other device) must be operative and sending/receiving data via wireless services and GPS satellite signals for the Theft Alarm Notification service to function properly. Vehicles must be locked electronically to arm the factory-installed theft-deterrent system. Theft Alarm Notifications are sent only to you. OnStar does not notify police of a Theft Alarm Notification. The Theft Alarm Notification service may alert you to a theft in progress. Always use caution and good judgement. Do not approach the vehicle unless you are certain the situation is safe. OnStar is not responsible for the acts of third parties. See OnStar User Terms and onstar.ca for system limitations. <sup>6</sup>Requires ABS and Guidance Plan. Visit onstar.ca for coverage maps. Services vary by model. <sup>7</sup>Available on select Apple, Android, BlackBerry and Windows devices. Requires an active OnStar service plan. Services vary by device, vehicle, conditions and the type of service plan you have. Data rates may apply. Please visit onstar.ca for vehicle availability, system limitations, geographical and technical restrictions and further details. <sup>8</sup>PRICELINE is a service mark of priceline.com LLC. <sup>9</sup>Availability and capabilities vary by model. Visit onstar.ca for details and system limitations. Message and data rates may apply. Requires an active OnStar service plan, email address on file and enrolment in Advanced Diagnostics. Diagnostic Alerts are designed to help provide the status of key systems based on information collected from the vehicle. Proactive Alerts are designed to help predict specific types of issues based on information collected from the vehicle. Other factors may affect vehicle performance. Not all issues will deliver alerts. In certain scenarios, a dealer service check may be required to confirm the accuracy of the Diagnostic and Proactive Alerts. <sup>10</sup>Visit onstar.ca for coverage map, details and system limitations. Services vary by model and conditions. Unlock feature requires automatic locks. Remote Start requires a factory-installed and enabled remote-start system. <sup>11</sup>OnStar Hands-Free Calling requires an existing OnStar service plan and available prepaid minutes. Not available in certain markets. Calls may be made to the U.S. and Canada only. Minutes good for the specified term or until service plan is terminated, whichever comes first. Visit onstar.ca for coverage maps, details and system limitations (including geographic and technical restrictions).

## POWER AND PERFORMANCE

**Drivetrain** All-Wheel Drive  
**Engine** 2.5L DOHC DI with VVT  
**Transmission** 6-speed automatic with Driver Shift Control  
**Suspension** Front MacPherson strut  
**Axle** 3.50 final drive ratio  
**Brakes** 4-wheel anti-lock, 4-wheel disc (17" front, 16" rear)  
**Exhaust** Single-outlet stainless steel  
**StabiliTrak** Stability control system includes traction control

## COMFORT AND CONVENIENCE

**Active Noise Cancellation**  
**Cabin Air Filtration System**  
**Air Conditioning** Dual-zone automatic climate control  
**Cruise Control** Electronic  
**Cupholders** 2 front, 2 in rear armrest  
**Defogger** Rear window  
**Driver Information Centre** Enhanced 107 mm diagonal colour configurable display  
**Keyless Open** Extended range with keyless start and automatic door lock/unlock  
**Floor Mats** Carpeted front and rear  
**Power Outlets** 12-volt covered, 1 front, 1 rear, 1 cargo area  
**Liftgate** Power hands-free open and close, programmable  
**Lighting** Interior ambient lighting  
**Park Assist** Ultrasonic, rear  
**Push-Button Start**  
**QuietTuning** Buick process to reduce, block and absorb noise and vibration

**Remote Vehicle Starter System**  
**Seat Trim** Cloth with leatherette accents  
**Seating** Heated driver and front passenger  
**Seats** Front bucket, rear 60/40 split-folding reclining and sliding with one-touch flat folding  
**Seat Adjuster** Driver and front-passenger 8-way power with power lumbar  
**Shift Knob** Leather-wrapped  
**Steering Wheel** Leather-wrapped with audio controls and phone controls  
**Tire Pressure Monitoring System** Does not monitor spare tire  
**Visors** Illuminated driver and front passenger  
**Windows** Power front passenger and rear with express-down, driver express-up and -down

## ENTERTAINMENT SYSTEMS

**OnStar 4G LTE with Wi-Fi® Hotspot<sup>1</sup>** Includes data trial for 3 months or 3 GB, whichever comes first  
**Audio System** Buick IntelliLink<sup>2</sup> with AM/FM, 203 mm diagonal high-resolution colour touch-screen, MP3 playback, auxiliary port and 2 USB ports<sup>3</sup>  
**Buick IntelliLink<sup>2</sup>** Smartphone control via voice activation and steering-wheel-mounted controls. It also enables streaming stereo audio from the phone through available services such as internet radio<sup>4</sup> and Gracenote.<sup>®</sup>  
**Apple CarPlay™ and Android Auto™ Compatibility<sup>5</sup>**  
**SiriusXM Satellite Radio<sup>6</sup>** Includes 3 trial months of service  
**Speakers** Premium 6-speaker system  
**USB Ports<sup>3</sup>** 2 connectivity ports in the centre console for various digital media devices and MP3 player support. Dual, charging only, located in the rear of the centre console.  
**Bluetooth<sup>®3</sup>** Personal cellphone connectivity to vehicle audio system

## SAFETY AND SECURITY

**10 Airbags<sup>7</sup>** Single-stage driver and dual-stage front-passenger frontal, driver and front-passenger knee, front and rear side-impact and roof rail for outboard seating  
**LATCH System** Lower Anchors and Top tethers for Children safety seats  
**OnStar Guidance Plan Service Trial** (Trial excludes Hands-Free Calling minutes.) Includes 6 months of Automatic Crash Response, Advanced Diagnostics and more.  
**OnStar Basic Plan<sup>8</sup>** For 5 years. Includes select features of the myBuick mobile app.<sup>9</sup>  
**Rear Vision Camera**

## STYLING AND FUNCTIONALITY

**Daytime Running Lamps** LED-accented signature lighting  
**Door Handles** Body-colour with chrome accent  
**Glass** Deep-tinted  
**Headlamps** Halogen projector-beam with automatic headlamp control  
**Mirrors** Exterior heated, power-adjustable with turn-signal indicators  
**Fog Lamps**  
**Wipers** Front intermittent  
**Wheels** RQH 18" 10-spoke painted aluminum

INCLUDES ALL STANDARD EQUIPMENT ON PREMIUM I GROUP PLUS:

- Audio System with Navigation**<sup>10</sup>
- Head-Up Display**
- Seats** Driver-adjustable thigh support, ventilated and cooled driver and front passenger
- Headlamps** Articulating projector-beam, High-Intensity Discharge (HID), IntelliBeam auto high-beam control and Automatic Levelling System
- Automatic Park Assist** Parallel and perpendicular parking

AVAILABLE OPTIONS ON PREMIUM II GROUP:

- Driver Confidence Package** Includes Adaptive Cruise Control,<sup>11</sup> Surround Vision Camera and Front Automatic Braking<sup>11</sup>
- Sunroof** Panoramic, tilt-sliding

<sup>1</sup>Visit onstar.ca for coverage maps, details and system limitations. Available 4G LTE Wi-Fi requires compatible mobile device, active OnStar service and data plan. Data plans provided by AT&T.® Services vary by model, conditions and geographical and technical restrictions. OnStar with 4G LTE connectivity is available on select vehicle models and in select markets. <sup>2</sup>Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. Visit intellilink.buick.ca for more details. <sup>3</sup>Not compatible with all devices. <sup>4</sup>Data plan rates apply. <sup>5</sup>Vehicle user interfaces are products of Apple® and Google® and their terms and privacy statements apply. Requires compatible smartphone. Data plan rates apply. <sup>6</sup>Available in 10 Canadian provinces, three territories and the 48 contiguous United States. Subscription sold separately after trial period. If you decide to continue your service at the end of your trial subscription, the plan you choose will automatically renew and bill at then-current rates until you call 1-877-209-0079 to cancel. Other fees and taxes will apply. All fees and programming subject to change. See SiriusXM "Terms & Conditions" and complete details at siriusxm.ca. <sup>7</sup>Always use safety belts and the correct restraint for your child's age and size. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with a passenger airbag. See the Owner's Manual and child safety seat instructions for more safety information. <sup>8</sup>The OnStar Basic Plan is available for 5 years from the date of delivery of the eligible new 2015 model year and newer vehicles and is transferable to subsequent owners for the remaining term. The Basic Plan includes access to: (1) monthly Diagnostics Report emails (capabilities vary by model); (2) Dealer Maintenance Notification; and (3) limited myBuick mobile app services, which include remote start (requires factory-installed and enabled remote-start system), remote lock/unlock doors (requires automatic locks) and remote horn and lights activation. The myBuick mobile app is available on select Apple®, Android,™ BlackBerry® and Windows® devices. Visit onstar.ca for vehicle availability, coverage map, details and system limitations. The OnStar Basic Plan does not include any emergency services, Automatic Crash Response, Stolen Vehicle Assistance, live Advisor service or Hands-Free Calling. These and other services are available under a paid plan. If you sell your vehicle or wish to cancel use of Basic Plan services, you must contact OnStar at 1-888-4-ONSTAR (1-888-466-7827). <sup>9</sup>Available on select Apple®, Android, BlackBerry and Windows devices. Requires an active OnStar service plan. Services vary by device, vehicle, conditions and the type of service plan you have. Data rates may apply. Please visit onstar.ca for vehicle availability, system limitations, geographical and technical restrictions and further details. <sup>10</sup>At time of printing, detailed map coverage is available for most major urban areas of the United States and for certain metropolitan areas of Canada (Vancouver, Calgary, Edmonton, Winnipeg, Windsor, London, Toronto, Ottawa, Montreal, Quebec City and Halifax). Coverage is significantly limited outside these areas. <sup>11</sup>Adaptive Cruise Control is no substitute for the driver's personal responsibility to operate the vehicle in a safe manner. The driver needs to remain attentive to traffic and road conditions and provide the steering, braking or other inputs necessary to retain control of the vehicle. The Front Automatic Braking feature may help reduce crash damage under certain conditions discussed in the Owner's Manual. Never rely on this feature to brake the vehicle. <sup>12</sup>Fuel-consumption estimates based on GM preliminary testing in accordance with Government of Canada approved test methods. Refer to vehicles.nrcan.gc.ca for details. Your actual fuel consumption may vary. <sup>13</sup>Cargo and load capacity limited by weight and distribution.

- 6-year/110,000 km Powertrain Limited Warranty<sup>2</sup> with \$0 deductible on repairs; warranty is fully transferable at no charge
- 6-year/110,000 km Courtesy Transportation<sup>2</sup>
- 6-year/110,000 km 24/7 Roadside Assistance<sup>2</sup>
- 6-year/unlimited km rust-through perforation coverage<sup>2</sup>
- 8-year/130,000 km coverage on catalytic converters and Powertrain Control Modules (PCMs)<sup>2</sup>

<sup>1</sup>Whichever comes first. Limit of four complimentary Lube-Oil-Filter services in total. Fluid top-offs, inspections, tire rotations, wheel alignments and balancing, etc., are not covered. Conditions and limitations apply. See your dealer for details. <sup>2</sup>Whichever comes first. Conditions and limitations apply. See your dealer for details.

## OTHER OWNERSHIP PRIVILEGES AND PROGRAMS:<sup>3</sup>

- GM PROTECTION PLAN (GMPP) – The only extended service plan backed by the resources and commitment of General Motors; GMPP may be purchased at the time of sale or subsequently during the New-Vehicle Limited Warranty period.
- BUICK CERTIFIED SERVICE – With Buick-certified technicians and Buick-approved parts, nobody knows your Buick vehicle better.
- CERTIFIED SERVICE MAINTENANCE PLAN – The only maintenance plan designed specifically for buyers of Buick vehicles and backed by the resources and commitment of General Motors. Buick Maintenance Plans may be purchased at the time of sale or on vehicles up to 3 model years old and with 60,000 km or less on the odometer.
- BUICK OWNER CENTRE – As an owner, take advantage of the Buick Owner Centre. This online owner's destination gives you access to contests, current offers and helpful resources such as Owner's Manuals. Find out more at [buickowner.ca](http://buickowner.ca).

<sup>3</sup>Conditions and limitations apply.

## TO HELP YOU PURCHASE OR LEASE YOUR NEW BUICK:

- PURCHASE FINANCING AND LEASING – On-the-spot financing, see dealer for full details.<sup>4</sup>
- GM STUDENT BONUS PROGRAM – Students or recent graduates of high school, college or university<sup>5</sup> may be entitled to receive a Student Bonus vehicle redemption allowance of \$500 or \$750<sup>6</sup> (tax inclusive) (purchased vehicle dependent) to use toward the purchase, lease or finance of one eligible new Buick vehicle.
- GM CARD – Cardholders may redeem Earnings toward the total purchase price or lease down payment of an eligible new Chevrolet, Buick, GMC or Cadillac. Restrictions and limitations apply.<sup>6</sup> For full program details, please visit [gmcad.ca](http://gmcad.ca).

<sup>4</sup>Subject to eligibility. <sup>5</sup>Conditions and limitations apply. <sup>6</sup>Program subject to change.

## INFORMATION RESOURCES:

You can find more information about these programs from your GM dealer, or at these information centres:

- The Buick website at [buick.ca](http://buick.ca).
- The GM Customer Care Centre at 1-800-GM-DRIVE (1-800-463-7483 or 1-800-263-3830 for TDD users).

## A WORD ABOUT THIS BROCHURE

Some of the equipment shown or described throughout this brochure may be available at extra cost. We have tried to make this brochure comprehensive and factual. We reserve the right, however, to make changes at any time without notice, in prices, colours, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this brochure and other printed materials provided at the dealership or affixed to vehicles are approximates based upon design and engineering drawings and prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been adapted since the time of printing, please check with your GM dealer for complete details. General Motors of Canada Company reserves the right to lengthen or shorten the model year for any product, for any reason, or to start and end model years at different times.

## A WORD ABOUT ASSEMBLY

GM vehicles are equipped with engines and components produced and assembled by different operating units of General Motors, its subsidiaries and suppliers, and these engines and components may change or be obtained from different sources from time to time. All such engines and components are approved for use in GM vehicles. Certain equipment ordered may be unavailable at the time of assembly and we suggest that you verify that your vehicle includes the equipment you ordered, or if there are changes, that they are acceptable to you.
