2016 BUICK

# REGAL

# WHEN WILL YOUR EXPECTATIONS BE SHATTERED?

When you drive the 2016 Buick Regal. Get behind the wheel and your first glance at the instrumentation in front of you confirms this is a driver's car at its most refined. Regal GS and Turbo models are available with All-Wheel Drive (AWD). It's smart technology that offers improved traction—and on Regal GS, the system is designed to enhance performance, too.

WHEN YOU PUSH  
ALL THE RIGHT BUTTONS

What if you could alter your car's handling to be more responsive at the push of a button? On Regal GS, you can—thanks to the Interactive Drive Control System. Two driver-selectable modes—Sport or GS—adapt the ride and handling of Regal GS to your driving style in real time. At high speeds, the steering, suspension and transmission adjust to optimize stability during sweeping curves. In GS mode, the system tightens handling response even further.

## WHEN YOUR MOVES ARE TURBOCHARGED

A 259-hp 2.0L Turbo DOHC DI 4-cylinder engine delivers 90 percent of its 295 lb.-ft. peak torque from 3000 rpm to 4000 rpm for power on demand. It's the kind of low-rpm punch that makes pulling away from stoplights a guilty pleasure. Need to accelerate up a freeway on-ramp and merge into the traffic flow? The engine's twin-scroll turbo design pours on the torque as you reach highway cruising speeds.

## WHEN THERE'S ROOM TO RELAX

For drivers of the Regal GS, exhilaration is a form of relaxation. That's the hallmark of a true sport sedan, and when you settle into the firmly bolstered front sport bucket seats of the Regal GS, you feel the ideal balance of comfort and support. If you're a passenger in the rear seating area, you'll enjoy the spacious luxury. Regal has more rear leg room than even the Acura TLX and Infiniti Q70 sedans.

# WHEN THE ROAD IS CALLING

Use your voice to control the Buick IntelliLink<sup>1</sup> interactive audio system or have the optional Navigation System<sup>2</sup> guide you to what you're looking for. Your compatible smartphone connects via Bluetooth<sup>®3</sup> to Regal's high-resolution, 203 mm diagonal LCD screen. You're doing all of this while keeping your hands on the wheel and eyes squarely on the road.

---

## MUSIC ON DEMAND

With the ease of advanced voice recognition (or steering-wheel-mounted controls), you have access to available audio apps<sup>4</sup> on your phone such as Stitcher SmartRadio.<sup>®</sup>

---

## SIRIUSXM

Regal comes with a 3-month trial of SiriusXM Satellite Radio.<sup>5</sup> You'll hear with digital clarity 120+ channels of commercial-free music from every genre, live play-by-play sports, the biggest news and talk and the hottest entertainment at your fingertips, 24/7.

---

## STAY IN CONTACT

IntelliLink<sup>1</sup> automatically stores your phone contacts for quick access. Simply tell it which of your contacts you want to call, and it dials the number.

---

## APPLE CARPLAY<sup>™</sup>

New for 2016 is support for Apple CarPlay.<sup>™6</sup> It's a smart way to use your iPhone<sup>®</sup> inside your Regal. Now many of the functions you use your phone for—entertainment, communication and directions—appear on the Regal LCD screen.

<sup>1</sup>Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. Visit [intellilink.buick.ca](http://intellilink.buick.ca) for more details. <sup>2</sup>At time of printing, detailed map coverage is available for most major urban areas of the United States and for certain metropolitan areas of Canada (Vancouver, Calgary, Edmonton, Winnipeg, Windsor, London, Toronto, Ottawa, Montreal, Quebec City and Halifax). Coverage is significantly limited outside these areas. <sup>3</sup>Not compatible with all devices. <sup>4</sup>Data plan rates apply. <sup>5</sup>Available in 10 Canadian provinces and the 48 contiguous United States. Subscription sold separately after trial period. If you decide to continue your service at the end of your trial subscription, the plan you choose will automatically renew and bill at then-current rates until you call 1-877-209-0079 to cancel. Other fees and taxes will apply. All fees and programming subject to change. See SiriusXM "Terms & Conditions" and complete details at [siriusxm.ca](http://siriusxm.ca). <sup>6</sup>Vehicle user interface is a product of Apple<sup>®</sup> and Apple's<sup>®</sup> terms and privacy statements apply. Requires compatible smartphone. Data plan rates apply.

## WHEN POWER MEETS POISE

Regal's available ALL-WHEEL-DRIVE (AWD) system isn't just for snow. It offers enhanced traction, whether the road is wet or dry. Combined with an electronic limited-slip differential, AWD helps maximize traction by sending power to the wheel(s) with the most grip. In low-traction situations—such as rain, sleet or snow—it can send up to 50 percent of engine torque to either front wheel and up to 85 percent to either rear wheel. And on dry roads, the benefits include enhanced acceleration, providing torque to all four wheels. AWD is available on every 2016 Regal trim level.

# WHEN YOU'RE IN CRUISE CONTROL

With Regal, if you want to unwind, find a winding road. It could be the road that hugs the coastline, or the one that runs through the canyon and into the valley below. That's where you'll feel how the Regal suspension system was tuned to perfectly balance the effortless comfort of a smooth, quiet ride with the firm command that comes from precise handling and powerful braking. That's when you truly unwind.

# WHEN 4G LTE WI-FI CONNECTS YOU

In the 2016 Regal, OnStar<sup>1</sup> with 4G LTE and a built-in Wi-Fi<sup>®</sup> hotspot turn your Regal into a reliable mobile hub, with great signal quality and bandwidth. This technology provides a fast way for your passengers to tap into available high-speed wireless Internet. They can connect up to seven mobile devices<sup>2</sup> to browse websites, stream movies, send e-mails and more.

## CONNECTIONS

**OnStar with 4G LTE Connection<sup>1</sup>** With powerful 4G LTE connectivity built right into your vehicle, you have your very own mobile command centre that provides fast service delivery and lets you stay connected on the go.

**Available Wi-Fi Hotspot** Now your car has its own Wi-Fi hotspot for connecting up to seven tablets, laptops or mobile devices<sup>2</sup> at great speeds, so the content you crave is always headed where you are. Requires a data plan after the 3-month or 3 GB trial period (whichever comes first).

**Remote Services<sup>3</sup>** A simple call to an OnStar Advisor can send a signal to unlock your doors or honk the horn and flash the lights. It's technology hard at work to get you back on the road.

**Hands-Free Calling<sup>4</sup>** Your car has built-in Hands-Free Calling to help keep you safely connected when your cell phone isn't available. Choose from minute bundles or a minutes-per-month plan.

**OnStar RemoteLink Mobile App<sup>5</sup>** You can remotely start your vehicle from virtually any distance, lock or unlock your doors, send destinations to your car, honk your horn and flash your lights. With RemoteLink, you can control your car from anywhere you can get a signal.

**AtYourService<sup>6</sup>** OnStar AtYourService is a new way to discover value in the places you go. You get special offers delivered directly to your RemoteLink mobile app or through a simple press of the blue OnStar button. AtYourService makes where you go and what you do more rewarding.

<sup>1</sup>Visit [onstar.ca](http://onstar.ca) for coverage maps, details and system limitations. Services vary by model, conditions and geographical and technical restrictions. OnStar with 4G LTE connectivity is available on select vehicle models and in select markets. Available Wi-Fi hotspot requires a data plan. Customers will be able to access OnStar services only if they accept the OnStar User Terms, Privacy Statement and Software Terms. OnStar acts as a link to existing emergency service providers. Not all vehicles may transmit all crash data. After the trial period (if applicable), an active OnStar service plan is required. <sup>2</sup>Devices must be WPA2-compliant. Wi-Fi devices manufactured prior to 2006 may not be compatible. Please consult your device manufacturer for information regarding the WPA2 security protocol and Wi-Fi device compatibility. Vehicle must be started or in accessory mode to access Wi-Fi. Visit [onstar.ca](http://onstar.ca) for system details and limitations. <sup>3</sup>Visit [onstar.ca](http://onstar.ca) for coverage map, details and system limitations. Services vary by model and conditions. Unlock feature requires automatic locks. Remote start requires factory-installed and -enabled remote start system. <sup>4</sup>OnStar Hands-Free Calling requires an existing OnStar service plan and available prepaid minutes. Not available in certain markets. Calls may be made to the U.S. and Canada only. Minutes good for the specified term or until service plan expires, whichever comes first. Visit [onstar.ca](http://onstar.ca) for coverage maps, details and system limitations (including geographic and technical restrictions). <sup>5</sup>Available on select Apple<sup>®</sup>, Android<sup>™</sup>, BlackBerry<sup>®</sup> and Windows<sup>®</sup> devices. Requires an active OnStar service plan. Services vary by device, vehicle, conditions and the type of service plan you have. Please visit [onstar.ca](http://onstar.ca) for vehicle availability, system limitations, geographical and technical restrictions and further details. <sup>6</sup>Third-party trademarks are the property of their respective third-party owners, used under agreement.

# WHEN PROTECTION HAS YOU SURROUNDED

Regal has its priorities in the right place: everywhere. In the centre-mounted information screen, the standard Rear Vision Camera helps you see what's behind your Regal, and available Rear Cross Traffic Alert helps make you aware of oncoming traffic when backing up. In the available High-Intensity Discharge Xenon headlamps that help you see the road ahead. And on the opposite page, you can read about available safety features such as Forward Collision Alert, Lane Departure Warning and Side Blind Zone Alert. These safety features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Read the vehicle Owner's Manual for more important safety information.

**FORWARD COLLISION ALERT**

When you're approaching a vehicle ahead too quickly, Forward Collision Alert lets you know with audio and visual warnings. Consider it a high-tech way of reminding you to slow down and enjoy the ride.

**SIDE BLIND ZONE ALERT**

Using radar technology to help you avoid a collision, Side Blind Zone Alert<sup>1</sup> warns you when vehicles entering your blind zone are detected by sensors on either side of your Regal. A warning icon appears in your outside rearview mirror.

**REAR CROSS TRAFFIC ALERT**

A camera in the rear captures a view behind the car, while radar sensors detect vehicles approaching from the left or right within 20 metres. The system alerts you audibly and by flashing a warning signal on the Rear Vision Camera screen.

**LANE DEPARTURE WARNING**

Lane Departure Warning provides both an audio and visual alert should your Regal drift out of its lane without you first having activated your turn signal.

<sup>1</sup>Before making a lane change, always check the Side Blind Zone Alert display, check the exterior and interior rearview mirrors, look over your shoulder for vehicles and hazards and start the turn signal.

# WHEN IT'S MUSIC TO YOUR EARS

We know how much your music means to you. That's why Regal gives you so many ways to enjoy it. You can save up to 60 presets of your favourite music, listen to selections from your MP3 music library or stream available Stitcher SmartRadio® from your compatible smartphone.<sup>1</sup> Plus the built-in Bluetooth<sup>2</sup> lets you play music wirelessly. And since Regal is available with Bose® premium sound, the music you choose will sound especially rich, reproduced with deep bass, complex midrange and clean, crisp highs.

<sup>1</sup>Data plan rates apply. <sup>2</sup>Not compatible with all devices.

Never place a rear-facing infant restraint in the front seat of any vehicle equipped with a passenger airbag. See the Owner's Manual and child safety seat instructions for more safety information. <sup>7</sup>At time of printing, detailed map coverage is available for most major urban areas of the United States and for certain metropolitan areas of Canada (Vancouver, Calgary, Edmonton, Winnipeg, Windsor, London, Toronto, Ottawa, Montreal, Quebec City and Halifax). Coverage is significantly limited outside these areas. <sup>8</sup>Adaptive Cruise Control is no substitute for the driver's personal responsibility to operate the vehicle in a safe manner. The driver needs to remain attentive to traffic and road conditions and provide the steering, braking or other inputs necessary to retain control of the vehicle. The Front Automatic Braking feature may help reduce crash damage under certain conditions discussed in the Owner's Manual. Never rely on this feature to brake the vehicle. <sup>9</sup>Fuel-consumption ratings based on GM testing in accordance with Government of Canada approved test methods. Refer to [vehicles.nrcan.gc.ca](http://vehicles.nrcan.gc.ca) for details. Your actual fuel consumption may vary. <sup>10</sup>Cargo and load capacity limited by weight and distribution.
