# WHEN WILL YOUR EXPECTATIONS BE SHATTERED?

Today, luxury isn't necessarily defined by size. It's about finding the things that fit your life. With its stylish and functional design inside and out, plus seamlessly integrated digital connectivity, Buick Encore does just that. It's sized to get you around town and into tight parking spaces easily and efficiently. Yet with its versatile cargo space and variable seating configurations, it's a premium crossover that can keep up with your every move. Now isn't that your kind of luxury?

WHEN DESIGN REVEALS CHARACTER

Look closely at the shapes and surfaces of Encore. Study its details, like the tailored creases in the hood that highlight Encore's refinement and the blue-accented projector-beam headlamps that give Encore its expressive look. The chrome portholes and waterfall grille are signatures of Buick design and a reflection of its character.

A high-angle, close-up shot of the driver's side interior of a Buick Encore. The steering wheel is wrapped in dark leather with silver-colored trim and features the Buick logo in the center. Behind the wheel, the instrument cluster includes a large speedometer, a tachometer, and several smaller gauges for temperature and fuel. The dashboard and center console are finished with a combination of dark wood grain and tan leather. A large infotainment screen is visible on the right side of the dashboard. The overall design is sleek and modern, with a focus on premium materials.

# WHEN YOU'RE IN THE MOMENT

Inside Encore, seamlessly flowing lines, highlighted by ice-blue ambient lighting, create a relaxed yet spacious environment. The instrument panel's "low and away" design gives a feeling of openness, while soft-to-the-touch materials, such as a leather-wrapped steering wheel and available leather-appointed heated front seats, add to your comfort.

# 2016 ENCORE SPORT TOURING

Introducing a new kind of Buick Encore: The Sport Touring Edition. The Encore ST is a compact crossover with a look like no other that includes 18-inch Midnight Silver aluminum alloy wheels, body-colour door handles and a rear wing spoiler. Encore ST backs up its performance style with what's under the hood: a new Direct Injection 1.4-litre turbocharged engine with start/stop technology that adds more power and torque. Encore ST also comes with easy-to-appreciate features such as a remote vehicle starter system and Rear Cross Traffic Alert.

# WHEN 4G LTE WI-FI CONNECTS YOU

In the 2016 Encore, OnStar<sup>1</sup> with 4G LTE and a built-in Wi-Fi<sup>®</sup> hotspot turn your Encore into a reliable mobile hub, with great signal quality and bandwidth. This technology provides a fast way for your passengers to tap into available high-speed wireless Internet. They can connect up to seven mobile devices<sup>2</sup> to browse websites, stream movies, send e-mails and more.

## CONNECTIONS

**OnStar with 4G LTE Connection<sup>1</sup>** With powerful 4G LTE connectivity built right into your vehicle, you have your very own mobile command centre that provides fast service delivery and lets you stay connected on the go.

**Available Wi-Fi Hotspot** Now your car has its own Wi-Fi hotspot for connecting up to seven tablets, laptops or mobile devices<sup>2</sup> at great speed, so the content you crave is always headed where you are. Requires a data plan after the 3-month or 3 GB trial period (whichever comes first).

**Remote Services<sup>3</sup>** A simple call to an OnStar Advisor can send a signal to unlock your doors or honk the horn and flash the lights. It's technology hard at work to get you back on the road.

**Hands-Free Calling<sup>4</sup>** Your car has built-in Hands-Free Calling to help keep you safely connected when your cell phone isn't available. Choose from minute bundles or a minutes-per-month plan.

**OnStar RemoteLink Mobile App<sup>5</sup>** You can remotely start your vehicle (when properly equipped) from virtually any distance, lock or unlock your doors, send destinations to your car, honk your horn and flash your lights. With RemoteLink, you can control your car from anywhere you can get a signal.

**AtYourService<sup>6</sup>** OnStar AtYourService is a new way to discover value in the places you go. You get special offers delivered directly to your RemoteLink mobile app or through a simple press of the blue OnStar button. AtYourService makes where you go and what you do more rewarding.

<sup>1</sup>Visit [onstar.ca](http://onstar.ca) for coverage maps, details and system limitations. Services vary by model, conditions and geographical and technical restrictions. OnStar with 4G LTE connectivity is available on select vehicle models and in select markets. Available Wi-Fi hotspot requires a data plan. Customers will be able to access OnStar services only if they accept the OnStar User Terms, Privacy Statement and Software Terms. OnStar acts as a link to existing emergency service providers. Not all vehicles may transmit all crash data. After the trial period (if applicable), an active OnStar service plan is required. <sup>2</sup>Devices must be WPA2-compliant. Wi-Fi devices manufactured prior to 2006 may not be compatible. Please consult your device manufacturer for information regarding the WPA2 security protocol and Wi-Fi device compatibility. Vehicle must be started or in accessory mode to access Wi-Fi. Visit [onstar.ca](http://onstar.ca) for system details and limitations. <sup>3</sup>Visit [onstar.ca](http://onstar.ca) for coverage map, details and system limitations. Services vary by model and conditions. Unlock feature requires automatic locks. Remote start requires factory-installed and -enabled remote start system. <sup>4</sup>OnStar Hands-Free Calling requires an existing OnStar service plan and available prepaid minutes. Not available in certain markets. Calls may be made to the U.S. and Canada only. Minutes good for the specified term or until service plan expires, whichever comes first. Visit [onstar.ca](http://onstar.ca) for coverage maps, details and system limitations (including geographic and technical restrictions). <sup>5</sup>Available on select Apple<sup>®</sup>, Android<sup>™</sup>, BlackBerry<sup>®</sup> and Windows<sup>®</sup> devices. Requires an active OnStar service plan. Services vary by device, vehicle, conditions and the type of service plan you have. Please visit [onstar.ca](http://onstar.ca) for vehicle availability, system limitations, geographical and technical restrictions and further details. <sup>6</sup>Third-party trademarks are the property of their respective third-party owners, used under agreement.

# WHEN LIFE IS SEAMLESS

Use your voice to control the Buick IntelliLink<sup>1</sup> interactive audio system or have the optional Navigation System<sup>2</sup> guide you to what you're looking for. Your compatible smartphone connects via Bluetooth<sup>®3</sup> to Encore's high-resolution, 178 mm diagonal LCD screen. With the ease of enhanced voice recognition and steering-wheel-mounted controls, you have access to available audio apps on your phone such as Stitcher SmartRadio<sup>®4</sup> and SiriusXM Satellite Radio (with 3-month trial)<sup>5</sup> IntelliLink also automatically stores your phone contacts for quick access. There's even a USB port<sup>3</sup> and an available 120-volt outlet to connect your other electronic devices. You're doing all of this while keeping your hands on the wheel and eyes squarely on the road.

<sup>1</sup>Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. Visit [intellilink.buick.ca](http://intellilink.buick.ca) for more details. <sup>2</sup>At time of printing, detailed map coverage is available for most major urban areas of the United States and for certain metropolitan areas of Canada (Vancouver, Calgary, Edmonton, Winnipeg, Windsor, London, Toronto, Ottawa, Montreal, Quebec City and Halifax). Coverage is significantly limited outside these areas. <sup>3</sup>Not compatible with all devices. <sup>4</sup>Data plan rates apply. <sup>5</sup>Available in 10 Canadian provinces and the 48 contiguous United States. Subscription sold separately after trial period. If you decide to continue your service at the end of your trial subscription, the plan you choose will automatically renew and bill at then-current rates until you call 1-877-209-0079 to cancel. Other fees and taxes will apply. All fees and programming subject to change. See SiriusXM "Terms & Conditions" and complete details at [siriusxm.ca](http://siriusxm.ca).

# WHEN PROTECTION HAS YOU SURROUNDED

Encore has its priorities in the right place: everywhere. In the centre-mounted information screen, the Rear Vision Camera helps you see what's behind your Encore, and available Rear Cross Traffic Alert helps make you aware of oncoming traffic when backing up. On the opposite page, you can read about available safety features such as Forward Collision Alert, Lane Departure Warning and Side Blind Zone Alert. These safety features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Read the vehicle Owner's Manual for more important safety information.

---

**FORWARD COLLISION ALERT**

When you're approaching a vehicle ahead too quickly, Forward Collision Alert lets you know with audio and visual warnings. Consider it a high-tech way of reminding you to slow down and enjoy the ride.

---

**REAR CROSS TRAFFIC ALERT**

A camera in the rear captures a view behind the car, while radar sensors detect vehicles approaching from the left or right within 20 metres. The system alerts you audibly and by flashing a warning signal on the Rear Vision Camera screen.

---

**SIDE BLIND ZONE ALERT**

Using radar technology to help you avoid a collision, Side Blind Zone Alert<sup>1</sup> warns you when vehicles entering your blind zone are detected by sensors on either side of your Encore. A warning icon appears in your outside rearview mirror.

---

**LANE DEPARTURE WARNING**

Lane Departure Warning provides both an audio and visual alert should your Encore drift out of its lane without you first having activated your turn signal.

<sup>1</sup>Before making a lane change, always check the Side Blind Zone Alert display, check the exterior and interior rearview mirrors, look over your shoulder for vehicles and hazards and start the turn signal.

WHEN ROOM IS EASILY MADE

All that space inside Encore is yours to use however you see fit. A day at the beach? Load up the blankets, chairs and coolers. A trip to the farmers market, then to the nursery for gardening supplies? Quickly lower the second-row seats to create a flat surface ideal for the errand. Driving friends to dinner? Raise the rear seats with ease to welcome them to sit surrounded by spacious comfort. Encore's front passenger seat can also fold flat to create room for objects as long as 2.4 metres.

# WHEN ONSTAR IS ON YOUR SIDE

The OnStar Basic Plan<sup>1</sup> comes standard with your vehicle for 5 years at no additional cost to you. You'll have access to limited OnStar services,<sup>2</sup> which include select features of the OnStar Remotelink mobile app<sup>3</sup>—to remote-start your car (if factory-installed), manage your available Wi-Fi hotspot and lock/unlock your doors from your mobile device. Your car can even run its own diagnostic checks. And with OnStar with 4G LTE, you have a great Internet connection and your own built-in Wi-Fi hotspot.

## EMERGENCY

**Automatic Crash Response<sup>4</sup>** If you're in a crash, built-in sensors can automatically alert an OnStar Advisor. An Advisor is immediately connected into your vehicle to see if you need help, even if you can't ask for it.

**Emergency Services** One push of the red emergency button gives you a priority connection to an OnStar Advisor who can direct emergency services to your exact location and offer critical assistance until help arrives. With OnStar, you're never alone.

**Crisis Assist** In severe weather conditions or a crisis, Advisors can provide a fast, knowledgeable resource if you need emergency assistance, evacuation routes and other resources. OnStar can also contact family members for you.

**Roadside Assistance<sup>5</sup>** If you're stranded, have a flat tire or need a tow truck, just ask an OnStar Advisor to get help to your exact location to get you back on the road quickly.

## SECURITY

**Stolen Vehicle Assistance<sup>6</sup>** If your car is stolen, once it's been reported, OnStar can use GPS technology to locate it and work with local police to help recover it. One simple call puts a team into action, giving you the power and confidence to help recover your vehicle quickly and safely. And with new Theft Alarm Notification, if your car alarm sounds, we can notify you.

## NAVIGATION

**Turn-by-Turn Navigation** Getting directions is as easy as pushing a button and telling an Advisor where you want to go. Directions are quickly downloaded to your car, and a voice calls out every turn. An Advisor can also help you with a database of over 1 million points of interest. To plan routes in advance, you can send destinations to your vehicle through an Advisor or the Remotelink mobile app.

## DIAGNOSTICS

**Advanced Diagnostics** Feel confident and safe knowing you have a self-diagnosing vehicle with Advanced Diagnostics. Now your vehicle can easily run a check on its key systems and send you Diagnostic Alerts in real time. And the new Proactive Alerts feature can predict and alert you to potential issues before they become a problem. You'll also receive scheduled maintenance alerts. With Advanced Diagnostics, you'll know more and worry less.

<sup>1</sup>The OnStar Basic Plan is available for 5 years from the date of delivery of eligible new 2016 model year and newer vehicles and is transferable to subsequent owners for the remaining term. The Basic Plan includes access to: (1) monthly OnStar Vehicle Diagnostics emails (capabilities vary by model); (2) Dealer Maintenance Notification and (3) limited OnStar Remotelink Mobile App services, which include remote start (requires factory-installed and -enabled remote start system), remote lock/unlock doors (requires automatic locks) and remote horn and lights activation. The OnStar Remotelink Mobile App is available on select Apple®, Android, BlackBerry and Windows devices. Visit [onstar.ca](http://onstar.ca) for vehicle availability, coverage map, details and system limitations. The OnStar Basic Plan does not include any Emergency Services, Automatic Crash Response, Stolen Vehicle Assistance, live Advisor service or Hands-Free Calling. These and other services are available under a paid plan. If you sell your vehicle or wish to cancel use of Basic Plan services, you must contact OnStar at 1-888-4-ONSTAR (1-888-466-7827). <sup>2</sup>Visit [onstar.ca](http://onstar.ca) for coverage maps, details and system limitations. Services vary by model, conditions and geographical and technical restrictions. OnStar with 4G LTE connectivity is available on select vehicle models and in select markets. Available Wi-Fi hotspot requires a data plan. Customers will be able to access OnStar services only if they accept the OnStar User Terms, Privacy Statement and Software Terms. OnStar acts as a link to existing emergency service providers. Not all vehicles may transmit all crash data. After the trial period (if applicable), an active OnStar service plan is required. <sup>3</sup>Available on select Apple®, Android, BlackBerry and Windows devices. Requires an active OnStar service plan. Services vary by device, vehicle, conditions and the type of service plan you have. Please visit [onstar.ca](http://onstar.ca) for vehicle availability, system limitations, geographical and technical restrictions and further details. <sup>4</sup>OnStar acts as a link to existing emergency service providers. Not all vehicles can transmit all crash data. <sup>5</sup>Roadside service provided by Allstate Roadside Services. <sup>6</sup>Services vary by model, conditions and geographical and technical restrictions. Stolen Vehicle Slowdown and Remote Ignition Block are only available on select 2009 and newer GM vehicles.

## WHEN YOU MAKE ENCORE YOURS

When you add Buick Accessories—the only ones designed, engineered, tested and backed by Buick—you can transform Encore into an extension of your own personality. To see all the available accessories for your Encore, go to [buickaccessories.ca](http://buickaccessories.ca).

### ACCESSORIES:

#### ACCESSORY CARRIER MOUNT

The accessory carrier mount is a standard receiver for bike or ski carriers. The vehicle is not rated for towing and the accessory carrier mount should not be used to tow a trailer or a vehicle. Damage to the vehicle may occur and the vehicle warranty would not cover the damage.

#### WHEELS<sup>1</sup>

Personalize your Encore with attractive 18" split-spoke accessory wheels.

#### ROOF-MOUNTED LUGGAGE CARRIER

This stylish, well-equipped roof-mounted cargo box has premium features like dual side openings and Quick Grip mounting. The Ascent is available in two sizes to carry all your gear in style. Requires crossbars or Thule® Rack Solution.

#### SPLASH GUARDS

Custom-designed molded splash guards fit directly behind the wheels to help protect against tire splash and mud. Specially designed for Encore, they include styling features that accent the exterior of your vehicle.

<sup>1</sup>Use only GM-approved wheel and tire combinations. Unapproved combinations may change the vehicle's performance characteristics. For important tire and wheel information, go to [buickaccessories.ca](http://buickaccessories.ca) or see your dealer for details.

<sup>1</sup>Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. Visit [intellilink.buick.ca](http://intellilink.buick.ca) for more details. <sup>2</sup>Not compatible with all devices. <sup>3</sup>Data plan rates apply. <sup>4</sup>Available in 10 Canadian provinces and the 48 contiguous United States. Subscription sold separately after trial period. If you decide to continue your service at the end of your trial subscription, the plan you choose will automatically renew and bill at then-current rates until you call 1-877-209-0079 to cancel. Other fees and taxes will apply. All fees and programming subject to change. See SiriusXM "Terms & Conditions" and complete details at [siriusxm.ca](http://siriusxm.ca). <sup>5</sup>Visit [onstar.ca](http://onstar.ca) for coverage maps, details and system limitations. Services vary by model, conditions and geographical and technical restrictions. OnStar with 4G LTE connectivity is available on select vehicle models and in select markets. Available Wi-Fi hotspot requires a data plan. Customers will be able to access OnStar services only if they accept the OnStar User Terms, Privacy Statement and Software Terms. OnStar acts as a link to existing emergency service providers. Not all vehicles may transmit all crash data. After the trial period (if applicable), an active OnStar service plan is required. <sup>6</sup>Always use safety belts and the correct restraint for your child's age and size. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with a passenger airbag. See the Owner's Manual and child safety seat instructions for more safety information. <sup>7</sup>At time of printing, detailed map coverage is available for most major urban areas of the United States and for certain metropolitan areas of Canada (Vancouver, Calgary, Edmonton, Winnipeg, Windsor, London, Toronto, Ottawa, Montreal, Quebec City and Halifax). Coverage is significantly limited outside these areas. <sup>8</sup>Fuel-consumption ratings based on GM testing in accordance with Government of Canada approved test methods. Refer to [vehicles.nrcan.gc.ca](http://vehicles.nrcan.gc.ca) for details. Your actual fuel consumption may vary. <sup>9</sup>Cargo and load capacity limited by weight and distribution.
