

2014 BUICK ENCLAVE

LUXURY SHOULD TAKE
YOU PLACES. LIKE TO
A NEW STATE OF MIND.

ENCLAVE IN QUICKSILVER METALLIC
shown with Premium Group and optional equipment.

DESIGNED FOR
THE WAY IT
MAKES YOU FEEL.

For 2014, design, spaciousness, technology and peace of mind arrive at a rewarding place: Buick Enclave. Your first glance reveals artfully sculpted lines flowing seamlessly from front to rear. How you see the world is highlighted by signature LED-accented headlamps and taillamps. They help illuminate Enclave's design as well as the road. Inside, a feeling of openness welcomes you to the Enclave. The Buick IntelliLink¹ infotainment system entertains you and your companions, and advanced available safety features—including Forward Collision Alert and Lane Departure Warning—elevate your sense of well-being. Experience all this and much more in the 2014 Buick Enclave.

¹IntelliLink functionality varies by model. Full functionality requires compatible Bluetooth® and smartphone, and USB connectivity for some devices. IntelliLink on Enclave does not include Gracenote® functionality. Visit intellilink.buick.ca for more details.

TRAVEL FIRST CLASS.
NO MATTER WHAT ROW
YOU'RE SEATED IN.

Slide in and discover how Enclave's "low and away" instrument panel creates a sense of wide-open space. Its soft-to-the-touch feel makes you want to run your hand across its surface, while your eyes are treated to distinctive wood tones, chrome accents and ice-blue ambient lighting. Enclave is built around comfort for short trips to the store or long journeys across the country. The driver and front-passenger seats offer optional heating and cooling and are power adjustable up to eight directions, including lumbar, so you can tailor Enclave's comforts to fit yours.

TUNED TO BE MUSIC TO YOUR EARS.

Enclave's QuietTuning technology helps reduce, block and absorb noise and vibration. So you're left with the ideal environment for conversation. Nothing stands between your ears and the available Bose® 10-speaker sound system. Engineered specifically for the Enclave cabin, music sounds full and detailed, speech sounds natural and the system even approaches live performance levels with minimal harmonic distortion.

DON'T JUST HIT THE ROAD. OUTSMART IT.

When conditions—weather or otherwise—demand more traction, Enclave's available All-Wheel-Drive (AWD) system doesn't ask you to push buttons. It's automatically activated when you need it most. It constantly monitors traction at all four wheels, so whenever it detects slip, power is delivered to the wheel(s) with the best grip. In low-traction situations—like rain, sleet or snow—it can send up to 50 percent of engine torque to either front wheel and up to 85 percent to either rear wheel. And on dry roads, performance and handling benefits like enhanced acceleration and torque reach all four wheels. Power comes from a 3.6L V6 with direct fuel injection, variable valve timing, 288 hp and 270 lb.-ft. of torque. It's paired with an electronically controlled 6-speed automatic transmission, for optimal efficiency¹ and performance.

¹13.0L/100 km city and 8.6L/100 km highway fuel consumption. 2014 Buick Enclave AWD fuel consumption based on GM testing in accordance with approved Transport Canada test methods. Your actual fuel consumption may vary.

BECOME A MUSIC MAESTRO. WITH BUICK INTELLILINK.

Your voice is all you need to control the Buick IntelliLink¹ infotainment system. Enclave lets you personalize your listening options. Call up music, news, sports and other features—just by saying the word. You can even make hands-free calls. Using Bluetooth^{®2}, it connects your compatible smartphone to a high-resolution touch-screen. With the ease of advanced voice recognition (or steering-wheel-mounted controls), you have access to audio apps on your phone such as Stitcher™ Smart Radio and SiriusXM Satellite Radio³ (3-month trial included). IntelliLink also easily stores your mobile phone contacts. There's even a USB port² to connect your iPhone[®] or digital music player. You're doing all of this while keeping your hands on the wheel and eyes on the road.

¹IntelliLink functionality varies by model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. IntelliLink on Enclave does not include Gracenote functionality. Visit intellilink.buick.ca for more details. ²Not compatible with all devices. ³Available in 10 Canadian provinces and the 48 contiguous United States. Subscription sold separately after trial period. Visit siriusxm.ca for details.

ENCLAVE'S GOT YOUR BACK, FRONT AND SIDES.

Enclave offers a comprehensive suite of safety technologies. For 2014, these now include available **LANE DEPARTURE WARNING** and **FORWARD COLLISION ALERT**, features that are designed to alert the driver to potential hazards in order to help avoid certain front-end collisions. Enclave's standard **REAR VISION CAMERA**¹, conveniently displayed in the centre-mounted information screen, gives you a heads-up of what's behind you. Using radar technology, available **REAR CROSS TRAFFIC ALERT**² makes you aware of oncoming traffic when backing up, while the available **SIDE BLIND ZONE ALERT**³ warns you when a vehicle is detected in your side-mirror blind spot. Enclave also includes high-intensity discharge xenon headlamps with an available articulating feature to help you see around curves and beyond corners. And in an industry first, the standard driver's seat side-mounted side-impact centre **AIR BAG**⁴ adds another layer of protection by limiting movement of the driver and providing cushioning between you and your front passenger to help reduce injuries in side impacts.

With OnStar³, standard for 6 months, you're never far from help in a crash, or more than a button-push away from finding the things you want or staying in touch with the people in your life.

The **ONSTAR REMOTELINK MOBILE APP**⁴ lets you take charge of your Enclave—remote start and stop, unlock the doors or honk the horn and flash the lights from anywhere you have cellphone service. You can also check your fuel level, tire pressure⁵ and oil life. Connect to an OnStar Advisor anytime, anywhere. And because your Enclave includes the **DIRECTIONS & CONNECTIONS PLAN**³, standard for 6 months, you can find destinations with the OnStar Remotelink app and send directions right to your vehicle.

¹Before making a lane change, always check the Side Blind Zone Alert display, check the exterior and interior rearview mirrors, look over your shoulder for vehicles and hazards and start the turn signal. ²Air bag inflation can cause severe injury or death to anyone too close to the bag when it deploys. Be sure every occupant is properly restrained. ³Visit onstar.ca for coverage map, details and system limitations. Services vary by model and conditions. OnStar acts as a link to existing emergency service providers. After complimentary trial period, an active OnStar service plan is required. ⁴Available on select Apple® Android™ and BlackBerry® devices. Services vary by device, vehicle and conditions. Requires active OnStar service plan. ⁵Does not apply to spare tire.

THREE ROWS. NO EXCUSES.

Thanks to three rows of first-class seating, you, your family and your carry-ons get to share all of this space. Choose the available eight-passenger seating for even more accommodation. With Smart Slide, getting to the third row is painless—the second-row seats easily slide forward using only one hand. Enclave offers lots of flexible cargo space. With all rows up, you still have 660 litres¹ (23.3 cu. ft.) behind the third row for picnic supplies. Flip the third row down, and 1951 litres¹ (68.9 cu. ft.) is enough room for travel gear to outfit a family of four. Gain even more space by lowering the second row and now you've got 3263 litres (115.2 cu. ft.) of level storage¹—plenty of room for luggage or shopping trips. And to get to all of this space, a standard power liftgate does the lifting for you.

¹Cargo and load capacity limited by weight and distribution.

LUXURY IS IN THE EYE AND FINGERTIPS OF THE BEHOLDER.

Enclave’s design theme is an inviting one. Beyond its natural wood tones and brushed metal, you’ll find French seam stitching that highlights available leather-appointed seats—infused with silk and perforated for breathing and sound deadening—in the first and second rows. Everyone can enjoy Enclave’s luxury seating, the result of 1400 hours of real-world testing. So now all you need to do is choose the colour palette that feels right.

Intellink functionality varies by model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. Intellink on Enclave does not include Gracenate® functionality. Visit intellink.buick.ca for more details. ²Available in 10 Canadian provinces and the 48 contiguous United States. Subscription sold separately after trial period. Visit siriusxm.ca for details. ³Not compatible with all devices. ⁴A NOTE ON CHILD SAFETY: Always use safety belts and the correct child restraint for your child's age and size, even with air bags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal air bag. See your vehicle Owner's Manual and child safety seat instructions for more safety information. ⁵Visit onstar.ca for coverage map, details and system limitations. Services vary by model and conditions. OnStar acts as a link to existing emergency service providers. Not all vehicles may transmit all crash data. After complimentary trial period, an active OnStar service plan is required. ⁶All-season tires may not satisfy winter tire requirements in all regions of the country. Tires specifically designated for severe winter conditions and marked with the "winter tire" symbol  may be required during certain months or in certain regions. Contact your Provincial, Municipal or local road authority for information regarding which tires are required in your particular area. ⁷At time of printing, detailed map coverage is available for most urban areas of the United States and for certain metropolitan areas of Canada (Vancouver, Calgary, Edmonton, Winnipeg, Windsor, London, Toronto, Ottawa, Montreal, Quebec City and Halifax). Coverage is significantly limited outside these areas. ⁸Additional charge, premium paint. ⁹2014 Enclave fuel-consumption ratings based on GM testing in accordance with approved Transport Canada test methods. ¹⁰Cargo and load capacity limited by weight and distribution. ¹¹Maximum trailer weight ratings are calculated assuming a base vehicle, except for any option(s) necessary to achieve the rating, plus driver. The weight of other optional equipment, passengers and cargo will reduce the maximum trailer weight your vehicle can tow. See your dealer for additional details.
