

BUICK LACROSSE 012

What matters is what matters to you.

Defined by you. Enjoyed by you.

And that's why we say, "come as you are."

This is not luxury as you have always known it.

It's luxury the way it should be.

YOUR KIND
OF LUXURY.

IT'S TRUE, LUXURY HAS RULES. BUT LACROSSE
PROVES THERE'S NO RULE THAT SAYS YOU HAVE
TO FOLLOW THEM ALL.

We gave LaCrosse the smartest thinking, executed in the freshest ways. This equals not only an enlightened luxury experience, but a relaxed one as well. On the outside, its lines are smooth and fluid. You'll find the same uninterrupted, flowing lines inside. LaCrosse brings together the best in advanced performance, entertainment and technology. Discover it for yourself.

A silver Buick LaCrosse is shown from a front-three-quarter view, driving on a road. The background features a city skyline with various skyscrapers under a dramatic, cloudy sky. The car is in motion, as indicated by the blurred background and the motion blur on the road surface.

FULL-SIZE LUXURY. 36 MPG HIGHWAY. PICK TWO.

We're putting our energy into ways to conserve. The 2012 LaCrosse, featuring eAssist technology, offers 36 hwy mpg—making it the most fuel-efficient sedan in its class.¹ The beauty of eAssist is that it seamlessly integrates a compact (yet powerful) electric motor, an advanced lithium-ion battery and LaCrosse's already efficient direct-injected ECOTEC engine. As you brake, eAssist captures energy in the battery. It's a process known as regenerative braking. This recovered energy is used to help LaCrosse deliver unexpected fuel economy for a full-size luxury sedan.

The system shifts from gas to electric power while idling (say, at a red light) and then instantly switches back when your foot lifts off the brake pedal. The Energy Department calculates that 17.2 percent of a vehicle's fuel is wasted when the engine idles. You'll find that LaCrosse with eAssist helps put a fitting end to that.

¹4-cyl. models. Based on 2011 GM Large Car segment. EPA-estimated 25 city/36 hwy mpg.

YOU'RE
MORE THAN
WELCOME.

Some things just can't wait. This is definitely one of them. With the available Keyless Access System, LaCrosse recognizes your approach and readies itself for your entry. Then, a simple press of the optional push-button start puts an elaborate series of technologies into motion. (And if you really can't wait, the available remote starter can activate LaCrosse from up to 200 feet away.) At that moment, sophisticated systems spanning engine, transmission, available all-wheel drive, suspension, handling and safety begin communicating in preparation for your shift into Drive.

A detailed view of the front interior of a Buick LaCrosse. The steering wheel is leather-wrapped with wood trim and features the Buick logo. Behind it are two large, blue-lit instrument clusters. The center console has a large touchscreen display showing a navigation map with a highlighted route. Below the screen is a control panel with a rotary knob and various buttons. The gear shift is leather-wrapped with wood trim. The interior is finished with light-colored leather and wood accents. The view through the windshield shows a city skyline at sunset.

YOU CAN GET THERE FROM HERE.

Sitting behind the wheel of LaCrosse means having the knowledge to discover and explore new lands. To help you navigate, the available voice- and touch-screen-activated hard-drive-based Navigation System¹ offers over 6 million miles of North American roads. The hard drive packs 80GB of navigation power and music-storing capacity for thousands of songs.² And like your home DVR, it can pause and play back live radio.

To save time, optional NavTraffic³ incorporates real-time traffic and road conditions right into your Nav screen, directing you around trouble spots and toward the most efficient route. And while you're on the road, your hands don't have to leave the wheel thanks to Bluetooth.⁴ LaCrosse lets you pair your Bluetooth-enabled phone with hands-free features to talk, store numbers and receive calls through its audio system. So get going. There's no telling what you'll find.

¹Map coverage available in the United States, U.S. Virgin Islands, Puerto Rico and Canada. ²30GB for music storage. 50GB for navigation storage. ³NavTraffic requires a monthly subscription after introductory trial service, sold separately by SiriusXM. NavTraffic only available in select markets. For more information, visit siriusxm.com/navtraffic. ⁴Go to gm.com/bluetooth to find out which Bluetooth phones are compatible with the vehicle.

NEITHER RAIN,
NOR SLEET,
NOR SNOW

SHALL
STOP YOU.

The intelligent All-Wheel-Drive (AWD) system available on LaCrosse adjusts to Mother Nature. It's one of the most advanced AWD systems on the road. Combined with an electronic limited-slip differential, AWD helps optimize traction by distributing power to the wheels with the most grip. In low-traction situations—like rain, sleet or snow—it can send up to 50 percent of engine torque to an individual front wheel and up to 85 percent to either rear wheel. And on dry roads, the performance and handling benefits include enhanced acceleration with torque reaching all four wheels. Power is provided by a 3.6L V-6, which uses direct fuel injection and variable valve timing to generate 303 hp and 264 lb-ft of torque. Pair it with an electronically controlled 6-speed automatic transmission, and you're fully maximizing performance while gaining remarkable fuel efficiency.¹

¹Based on EPA-estimated 16 city/26 hwy mpg for AWD.

EVERYTHING FITS. ESPECIALLY YOU.

The Buick design philosophy of uninterrupted, flowing lines continues inside LaCrosse. The ice-blue ambient lighting welcomes you, while tight, surface-to-surface harmony ensures all elements fit. Plus, the instrument panel's "low and away" design gives the cabin a sense of openness. For your year-round comfort, ventilated and heated leather-appointed front seats and a heated steering wheel are available. As is a power rear-window sunshade. Highly crafted, premium materials like contrasting French-seam stitching, smoked chrome accents and dark poplar wood-grain appliqués surround you in style.

YOUR
MUSIC
TO YOUR
EARS.

You should have the freedom to choose exactly what to listen to—matching your taste in music, news, sports, etc. to a tee. That's why you'll get the wireless connectivity and customizable infotainment of the new Buick IntelliLink interactive radio (late availability). Using Bluetooth,¹ it connects your compatible smartphone to an 8-inch high-resolution, full-color touch-screen. With the ease of voice commands (and steering-wheel-mounted controls), you can choose from Pandora® internet radio, Stitcher SmartRadio™ and available SiriusXM.² You're able to keep your hands on the wheel and eyes on the road. Add in Buick's exclusive QuietTuning process, which reduces, blocks and absorbs noise—helping keep interferences outside—and the optional Harman Kardon® 5.1 Matrix 11-speaker, 384-watt surround sound system, and LaCrosse becomes your ultimate portable music player.

PANDORA
internet radio

¹Go to gm.com/bluetooth to find out which Bluetooth phones are compatible with the vehicle. ²Requires a subscription, sold separately by SiriusXM after the trial period. SiriusXM Radio service only available in the 48 contiguous United States and the District of Columbia. For more information and to view Customer Agreement, visit siriusxm.com.

WE'VE
RELAXED
EVERYTHING.
EXCEPT
OUR
STANDARDS.

Since Buick has always stood for quality, we consulted the finest minds from around the globe—from engineers to designers to manufacturing experts—to create a LaCrosse like no other. Producing a modern luxury sedan means considering everything. No matter how small.

Actually, more than 1,000 critical points in LaCrosse have been obsessively scrutinized—resulting in precise craftsmanship. Materials and technology from the inside out were evaluated and chosen with strict tolerances for appearance, durability and ease of use. And with tight interior and exterior harmony, LaCrosse clearly achieves world-class fit and finish. This results in a superb driving experience today, tomorrow and a very long way down the road.

Living for now. Dreaming about tomorrow.
At Buick, we spend our days thinking about how to bring luxury to life in more personal, meaningful ways for you.

36

THE ECOTEC ENGINE WITH eASSIST TECHNOLOGY ACHIEVES A CLASS-LEADING 25 CITY AND 36 HIGHWAY MPG.¹

Sometimes they take the shape of new engines and a way to harness their power, and in others, they end up creating an entirely new way to test-drive cars long before there's even a car.

TEST-DRIVING GOES 3-D. Using technologies that any video gamer would love, Buick engineers created exact digital replicas of some of the world's most challenging roads so they could drive virtual cars on them. An innovative road scanner makes micro-detailed 3-D digital representations of real-world road surfaces. Then equally detailed digital Buick vehicles are subjected to rigorous testing before a physical prototype ever sees the light of day to find and address issues early in the development cycle.

PERFORMANCE ACCELERATES. LaCrosse with the standard eAssist technology includes an ECO gauge on the instrument panel that continuously responds to driving behavior, helping you attain maximum fuel efficiency. LaCrosse also offers an available new 303-hp V-6 engine that combines lightweight components to produce greater acceleration. This "more with less" design saves more than 20 pounds over the engine it replaces while providing a balanced driving feel. Another recent innovation is the available HiPer (short for High Performance) Strut Front Suspension. HiPer Strut's most significant attribute is what you won't feel. Torque steer is minimized (when steering pulls to one side during full acceleration); the normal tugging and vibration felt through the steering wheel on rough roads is significantly reduced. Overall it improves grip in dry and wet conditions, giving you a direct feel of the road.

¹4-cyl. models. Based on 2011 GM Large Car segment. EPA-estimated 25 city/36 hwy mpg.

Don't play it safe. Be safe. LaCrosse's proactive safety technologies help you anticipate situations and conditions rather than just react when they appear.

Safety features abound. From the start, LaCrosse is engineered with a holistically designed structure that positions high-strength steel to form a protective safety cage, safeguarding you and your passengers in impact situations. You'll find six air bags:¹ dual-stage frontal and side-impact driver, right-front passenger with Passenger Sensing System and head curtain side-impact air bags for front and rear outboard seating positions. Plus, rear outboard seat-mounted thorax air bags are available.

In 2011, LaCrosse received the National Highway Traffic Safety Administration's highest possible five-star Overall Vehicle Score for safety,² as well as a Top Safety Pick by the Insurance Institute for Highway Safety.

The optional Head-Up Display (HUD) allows you to see instrumentation without taking your eyes off the road. An available Side Blind Zone Alert uses radar to warn you when another vehicle is in your outside mirror blind spot.³ We've got your back, too, with an available Rearview Camera System to help you see objects while in reverse.

For enhanced visibility, available xenon High-Intensity Discharge (HID) articulating headlamps turn as you turn. They help you see and respond to approaching obstacles sooner for enhanced nighttime visibility.

With the OnStar⁴ Directions & Connections Plan, standard for 6 months, you're not alone. Wherever you travel, Automatic Crash Response can alert OnStar in case of a mishap. You can get help fast even if you can't ask for it. Plus, with the OnStar RemoteLink⁵ smartphone app, you have access to real-time info (fuel level, remaining oil life, tire pressure, etc.) about your LaCrosse. You're also able to perform commands like starting the vehicle and unlocking its doors from almost anywhere.

¹Always use safety belts and the correct restraint for your child's age and size. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with a passenger air bag. See the Owner's Manual and child safety seat instructions for more safety information. ²Government five-star Safety Ratings are part of the National Highway Traffic Safety Administration's (NHTSA's) New Car Assessment Program (www.safercar.gov). ³Before making a lane change, always check the Side Blind Zone Alert display, check side and inside rearview mirrors, look over your shoulder for vehicles/hazards and start the turn signal. ⁴OnStar acts as a link to existing emergency service providers. Visit onstar.com for coverage map, details and system limitations. Services vary with conditions. ⁵Available on Android™ and iPhone® platforms.

Standard Equipment

Power and Performance

Drivetrain Front-wheel drive
Engine 2.4L ECOTEC with eAssist technology
eAssist Technology Integrates an electric motor and advanced lithium-ion battery with the 2.4L ECOTEC engine. As you brake, eAssist captures energy, a process known as regenerative braking. All this provides LaCrosse with 36 hwy mpg.¹
Transmission 6-speed automatic, electronically controlled with overdrive and Driver Shift Control, tap up/tap down
Suspension Front, MacPherson strut, rear 4-link
Steering Power, electric
Brakes 4-wheel anti-lock, 4-wheel disc with intelligent assist
Traction Control Full range
StabiliTrak Stability control system
Exhaust Single outlet stainless steel with hidden tip

Comfort and Convenience

Seat Trim Cloth
Seating Front bucket seats, split-folding rear
Driver seat adjuster, 8-way power
Front passenger seat adjuster, 4-way manual and 2-way power vertical
Armrests Front sliding armrest with multi-level storage, rear center with 2 integral cupholders
Head Restraints Front, 2-way adjustable
Rear, outboard seats 2-way adjustable
Lighting Custom, interior front and rear reading, front footwell and puddle lights
Ice-blue ambient front and rear door, console and instrument panel light pipe
Assist Handles Front passenger and rear outboard
Display Enhanced multi-color with driver information
Compass Display
Steering Wheel Leather-wrapped rim, tilt and telescopic steering column

Steering-Wheel-Mounted Controls For audio and cruise control
Cruise Control
Shift Knob Leather-wrapped
Parking Brake Electric-powered
Mirror Inside rearview, manual day/night
Climate Control Dual-zone automatic air conditioning
Air Filtration System
Defogger Rear-window electric
Windows Power with front express-up/down, rear express-down
Cupholders 2 front console, covered; 2 rear armrest
Auxiliary Power Outlets 2 12-volt outlets
Floor Mats Carpeted front and rear with front anchors
Vanity Mirrors Driver and front passenger illuminated visor
Remote Keyless Entry Extended-range
QuietTuning Buick-pioneered process to reduce, block and absorb noise and vibration to create a quiet interior cabin

Entertainment Systems

Audio System AM/FM stereo with 8" high-resolution color touch-screen, CD player and MP3 playback and auxiliary ports (late availability)
SiriusXM Satellite Radio² Includes 3 trial months of service. For more information, visit siriusxm.com.
Buick IntelliLink Smartphone control via voice activation and steering-wheel-mounted controls. It also enables streaming stereo audio from the phone through services like Pandora® internet radio and Stitcher SmartRadio.™ (late availability. Not available with Navigation.)
Speakers Premium 7-speaker system
USB Port³ Connectivity for various digital media and iPod® support
Bluetooth®⁴ Personal cell-phone connectivity to vehicle audio system

Safety and Security

Safety Belts 3-point, all seating positions
LATCH (Lower Anchors and Top tethers for CHildren) system for child safety seats in all rear seating positions
Air Bags⁵ Dual-stage frontal and side-impact, driver and right-front passenger with Passenger Sensing System plus head curtain side-impact, front and rear outboard seating positions (rear-seat thorax air bags available)
Power Door Locks Programmable with lockout protection
OnStar® 6 months of Directions & Connections Plan
Theft-Deterrent Systems PASS-Key III, engine immobilizer and content theft alarm
Tire Pressure Monitor System

Styling and Functionality

Antenna Integral rear roof-mounted, body-color
Lights Halogen headlamps with Twilight Sentinel and flash-to-pass feature, automatic on/off
Daytime Running Lamps Switchable
Glass Solar-Ray light-tinted
Acoustic, laminated front-side and windshield
Door Handles Body-color with chrome strips
Outside Mirrors Heated, power-adjustable, manual-folding
Grille Chrome waterfall style
Bodyside Moldings Bright
Lamps Center High-Mounted Stop Lamp (CHMSL), rear LED taillamps
Shutters Active front lower grille (eAssist only)
Sill Plates Bright front
Spoiler Rear body-color deck lid (not available with V-6)
Wipers Front intermittent with washers
(Q05) Wheels 17" machined alloy

Equipment Groups

Convenience

Includes All Standard Equipment Plus:

- Remote Vehicle Starter System
- Power Driver Lumbar, 4-Way
- Universal Home Remote
- Auto-Dimming Rearview Mirror

Available Options for Convenience Group

3.6L VVT, DI V-6 Engine
Rear-Seat Thorax Air Bags⁵

Leather

Includes All Standard Equipment Plus:

- Remote Vehicle Starter System
- Power Driver Lumbar, 4-Way
- Universal Home Remote
- Auto-Dimming Rearview Mirror

- Leather-Appointed Seating With Heated Front Seats
- Front Passenger Seat, 8-Way Power
- Halogen Fog Lamps With Projector Technology
- Outside Mirrors, Heated, Power, LED Indicators

Available Options for Leather Group

All-Wheel-Drive System (V-6 only)
3.6L VVT, DI V-6 Engine (Includes PW2 wheels)
Sunroof
Rear-Seat Thorax Air Bags⁵
(Q52) Wheels, 18" Chrome (V-6 only)
Premium Audio Package Includes Harman Kardon® 384-watt 11-speaker system, 5.1 Matrix surround sound system and 120-volt outlet (late availability)

Premium I

Includes All Standard Equipment Plus:

- Remote Vehicle Starter System
- Power Driver Lumbar, 4-Way
- Universal Home Remote
- Auto-Dimming Rearview Mirror

- Leather-Appointed Seating With Heated Front Seats
- Front Passenger Seat, 8-Way Power
- Halogen Fog Lamps With Projector Technology
- Outside Mirrors, Heated, Power, LED Indicators

- Ultrasonic Rear Park Assist
- Rearview Camera System (Late Availability)
- Auto-Dimming on Outside Mirrors
- Memory Driver's Seat and Outside Mirrors

Available Options for Premium I Group

All-Wheel-Drive System (V-6 only)
3.6L VVT, DI V-6 Engine (Includes PW2 wheels)
Sunroof
Rear-Seat Thorax Air Bags⁵
(Q52) Wheels, 18" Chrome (V-6 only)
Premium Audio Package
Rear-Seat Entertainment System CD/DVD stereo player, rear-seat dual displays with 2 wireless headphones (requires Navigation)
Audio System With Navigation⁷ AM/FM stereo with 8" color touch-screen-activated navigation, single-disc CD/DVD player, 80-GB hard drive device, MP3 playback, USB port³ in center console and Rearview Camera System
Driver Confidence Package Includes Side Blind Zone Alert, xenon High-Intensity Discharge (HID) articulating headlamps and Head-Up Display (HUD)

Premium II

Includes All Standard Equipment Plus:

- Remote Vehicle Starter System
- Power Driver Lumbar, 4-Way
- Universal Home Remote
- Auto-Dimming Rearview Mirror

- Leather-Appointed Seating With Heated Front Seats
- Front Passenger Seat, 8-Way Power
- Halogen Fog Lamps With Projector Technology
- Outside Mirrors, Heated, Power, LED Indicators

- Ultrasonic Rear Park Assist
- Rearview Camera System (Late Availability)
- Auto-Dimming on Outside Mirrors
- Memory Driver's Seat and Outside Mirrors

- 3.6L VVT, DI V-6 Engine
- Perforated and Ventilated Front Seats
- Heated Steering Wheel
- Power Rear Sunshade
- Keyless Access System With Push-Button Start (PW2) Wheels, 18" Alloy

Available Options for Premium II Group

All-Wheel-Drive System
Sunroof
Rear-Seat Thorax Air Bags⁵
(Q52) Wheels, 18" Chrome
Premium Audio Package
Rear-Seat Entertainment System (Requires Navigation)
Audio System With Navigation⁷
Driver Confidence Package

Premium III

Includes All Standard Equipment Plus:

- Remote Vehicle Starter System
- Power Driver Lumbar, 4-Way
- Universal Home Remote
- Auto-Dimming Rearview Mirror

- Leather-Appointed Seating With Heated Front Seats
- Front Passenger Seat, 8-Way Power
- Halogen Fog Lamps With Projector Technology
- Outside Mirrors, Heated, Power, LED Indicators

Important Words about this Catalog

Since some information may have been updated since the time of printing (July 2011), please check with your Buick dealer for complete details. Buick reserves the right to lengthen or shorten the model year for any product for any reason, or to start and end model years at different times.

New-Vehicle Limited Warranty. This warranty is for GM vehicles registered in the U.S.A. See your Buick dealer for terms and conditions.

A 5-year/100,000-mile (whichever comes first) Transferable Powertrain Limited Warranty plus Roadside Assistance and Courtesy Transportation. An 8-year/100,000-mile (whichever comes first) Limited Warranty on certain eAssist components.

Covered for 4 years/50,000 miles (whichever comes first): The complete vehicle | Cosmetic corrosion resulting from defects | Tires | Repairs made to correct any vehicle defect | Towing to your nearest Buick dealership | No charge for most warranty repairs.

Covered for 6 years/100,000 miles (whichever comes first): Rust-through corrosion

An Important Note About Alterations and Warranties. Installations or alterations to the original equipment vehicle (or chassis) as distributed by General Motors are not covered by the General Motors New-Vehicle Limited Warranty. The special body company, assembler, equipment installer or upfitter is solely responsible for warranties on the body or equipment and any alterations (or any effect of the alterations) to any of the parts, components, systems or assemblies installed by GM. General Motors is not responsible for the safety or quality of design features, materials or workmanship of any alterations by such suppliers.

Assembly. Buick vehicles and their components are assembled or produced by different operating units of General Motors, its subsidiaries or suppliers to GM worldwide. We sometimes find it necessary to produce Buick vehicles with different or differently sourced components than originally scheduled. Since some options may be unavailable when your vehicle is assembled, we suggest that you verify that your vehicle includes the equipment you ordered or, if there are changes, that they are acceptable to you.

Engines. Buick products are equipped with engines produced by GM Powertrain or other suppliers to GM worldwide. The engines in Buick products may also be used in other GM makes and models.

Trailering and Off-Road Driving Information. Please go to buick.com and carefully review the vehicle Owner's Manual for important safety information about trailering or off-road driving in your vehicle.

A Note About Child Safety. Always use safety belts and the correct restraint for your child's age and size. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with a passenger air bag. See the Owner's Manual and child safety seat instructions for more safety information.

Fleet Orders. Some standard content may be deleted with fleet orders. See dealer for details.

Enhance Your Ownership Experience. The Owner Center at My GMLink is an online service that helps you make the most of your vehicle ownership.

Sign up for e-mail reminders about service visits | Keep an online history of services performed | Read your vehicle Owner's Manual, warranty and more online.
