BUICK

# INSPIRED

IMAGINE THAT. It began as an act of collective imagination – an artful blending of purpose and style. The designers, engineers and craftsmen collaborated to give their concept its own shape and fully developed personality. Then they focused on the details – the refinements that make the difference between intent and flawless execution. The final product unites dramatic design, remarkable versatility and sophisticated technology – a combination that captured the attention of automotive journalists and discerning drivers like you. Not only as Buick's first luxury crossover, but also as the finest luxury crossover ever. Buick Enclave. Imagine what it can do for you.

"Surely one of the most luxurious Buicks ever conceived and produced, the Enclave is an immediate threat in the ever-evolving Crossover Vehicle category."

Andrew McCredie  
*Canadian Driver, July 2007*

"Buick has launched a cruise missile into the hot and highly competitive crossover SUV wars."

Gary Witzengurb  
*The CarConnection.com, May 2007*

## Buick Enclave

For more information about Enclave, visit [buick.gm.ca](http://buick.gm.ca)

# CONFIDENT

AN ELEVATED APPROACH TO STYLE WITH A LOW CENTRE OF GRAVITY. As with so many aspects of Enclave, it accomplishes what was previously considered beyond the realm of what's possible – namely, a vehicle with confident styling and scale, yet with the manoeuvrability and handling of a sedan. The style is defined by its fluid lines and signature waterfall grille. The overall impact is both graceful and forceful, representing yet another expression of Enclave's unique dual nature. The vehicle with a low centre of gravity that is designed to take centre stage. Enclave.

Enclave CXL, shown in Cocoa Metallic with available equipment.

# WELCOME

FIND YOUR PLACE. There is a special feeling when you arrive at a place that makes you feel at home. That is not simply a product of the amount of space around you, but also the quality of the space. On both counts, Enclave delivers. First, there's the capacity. Standard seating is for seven, with an eight-passenger seating configuration available. But what truly distinguishes Enclave's interior is the character of the space – with first-class seating across all three rows, and a host of premium materials and amenities. Personal space and lots of it, inside Enclave.

Enclave CXL, shown with available second-row centre console, leather-appointed seating surfaces\* and perforated inserts in Cashmere.

\*Leather-appointed seating surfaces on front and second rows only.

# NATURAL

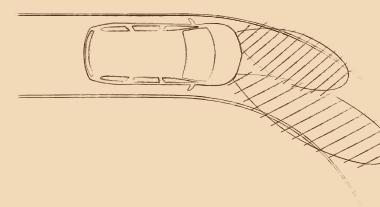

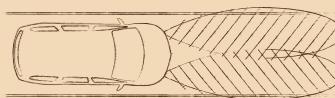

GENUINE WOOD, LEATHER AND EXPERIENCE. The selection of premium materials sets the tone inside Enclave. This becomes evident the moment you place your hands on the leather-wrapped steering wheel complemented by genuine mahogany, with functionality enhanced by cruise and sound system controls. Then there's the lapis blue gauge lighting – it not only provides a distinctive styling detail, it also makes the gauges pleasing to the eye and easy to read. Design and function are skilfully combined in the Enclave driving experience – naturally.

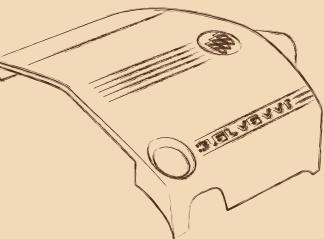

## VISION

GOOD DESIGN SENSE, AND SENSIBILITY. The art of design requires more than a beautiful arrangement of elements and a studious selection of materials. It requires a vision – an in-depth understanding of how the elements relate and complement each other. Take note of the way the six-speed automatic transmission shifter provides a unique presence in the distinctive saddle-shaped console. Also study the way materials, such as aluminum and bright chrome, are used as accents to add depth and texture to the cabin. Every detail is thoughtful and deliberate inside Enclave.

#### XENON ARTICULATING HEADLIGHTS

How much of an advantage is it to actually see around a corner at night? The answer is very clearly revealed by Enclave's available Xenon articulating headlights. They turn as you turn, based on vehicle speed and turning angle – the outboard light turns up to 15 degrees and the inboard light turns up to 5 degrees, better illuminating the road ahead. ▲

#### 3.6L SIDI V6 VVT ENGINE

Enclave's revised V6 engine includes many advanced technological features, such as spark ignition direct injection (SIDI) and Variable Valve Timing (VVT). Both help produce more power from less fuel. Direct injection also helps reduce emissions, particularly during cold weather starts. The engine's output is 288 horsepower and 270 lb.-ft. of torque. ▲

#### ALL-WHEEL DRIVE

The Canadian climate causes more than its share of poor driving conditions; Enclave has the available, intelligent all-wheel-drive system needed to overcome them. The system continuously monitors traction at all 4 wheels. Whenever wheelspin is detected, power is adjusted instantaneously and seamlessly between the front and rear wheels. Now that's intelligent. ▲

# ADVANCED

THE INJECTION IS DIRECT. AS IS THE FEELING. Conventional thinking says that fuel efficiency gains are made at the expense of power. The new direct injection technology in Enclave's 3.6L V6 VVT engine shows the benefits of unconventional engineering. Direct injection allows for a higher compression ratio producing increased power – Enclave boasts a class-leading 288 standard horsepower.\* Equally important – direct injection also enhances fuel efficiency. At the same time, the intelligent six-speed automatic transmission keeps the engine in the sweet spot of its operating range and features automatic grade shift logic that helps reduce braking load when driving downhill. The transmission also enables you to shift up or down manually, for an even more direct engagement in the driving experience.

\*Based on 2008 GM Mid-Utility Crossover segment and latest competitive information available at time of printing. Excludes other GM vehicles.

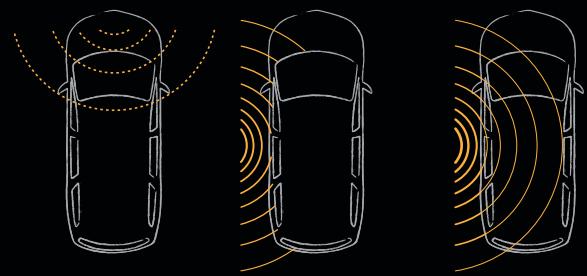

# SANCTUARY

PEACE AND QUIET: THE ULTIMATE LUXURY. It's the perfect antidote to the frenetic pace of life on the outside. Inside Enclave, you can choose to travel in near silence, or listen to the clarity of the sound system – not the road, traffic or construction. That is the result of dozens of different acoustic technologies and tactics. This Buick-exclusive process is called QuietTuning™ – what it achieves isn't only an exceptionally quiet and remarkably peaceful ride; it creates a sanctuary. And that just may be the most welcome luxury of all.

## QUIETTUNING

QuietTuning measures fall into three categories. First are those that reduce noise at its source – such as the tread pattern of the tires. Secondly, materials are used to block the noise path – from triple-sealed doors to an acoustic, laminated windshield. Finally, noise is absorbed in the cabin with features like sound deadening materials and specially designed carpeting. ▶

Enclave CXL, shown in White Diamond Tricoat with available equipment.

# CAPTIVATING

ENTERTAINED AND CONNECTED. You select the destination. Enclave provides the entertainment along the way and the communications tools you need to feel connected. The showpiece is the available rear DVD entertainment system featuring the Bose® 10-speaker audio system with digital 5.1 surround sound. The system was designed specifically to match the unique sonic properties of Enclave's cabin. The communication features are equally sophisticated, with new standard Bluetooth® technology that allows users with Bluetooth-enabled cell phones to make and receive phone calls using Enclave's sound system, OnStar® microphone, voice recognition and steering-wheel controls. In Enclave, the technology is as captivating as the design.

# ADAPTABLE

EVEN THE SEATS ARE SMART. The design is smart. The technology is smart. And with Enclave, so are the seats. The appropriately named Smart Slide™ second-row seats can be easily positioned to improve access or increase cargo capacity. In fact, with the second and third rows folded down, the maximum cargo space is a voluminous 3290 L (116.2 cu. ft.) – the most in its class.\*\* Speaking of cargo, Enclave includes no less than 24 convenient storage areas so that everything is right where you want it. Also enhancing your convenience are four 12-volt power outlets and on Enclave CXL a 110-volt power inverter that allow you to remain plugged into your favourite electronic devices. A tremendously smart approach to versatility – in Enclave.

\*\*Based on 2008 GM Mid-Utility Crossover segment and latest competitive information available at time of printing. Excludes other GM vehicles. Cargo and load capacity limited by weight and distribution.

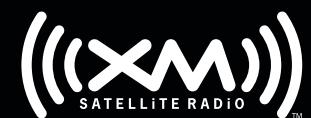

## BOSE SOUND SYSTEM

Buick joined forces with a leader in audio technology – Bose – to create a sound system of remarkable clarity and faithful sound reproduction. The Bose 10-speaker sound system that's standard on Enclave CXL models and available on CX includes MP3-compatible playback, as well as two rear headphone jacks. ▶

## FOLD-DOWN LCD MONITOR

Your passengers can delight in their favourite movies, shows and games, thanks to the available rear DVD entertainment system. It features a large 200 mm (8 in.) fold-down LCD monitor with a vivid colour display and the breathtaking realism of Bose digital 5.1 surround sound, plus two wireless headphones. ▶

## XM SATELLITE RADIO

No matter your preference in radio entertainment, you'll find plenty to choose from with Enclave's standard XM Satellite Radio™.\* How about the largest playlist on the planet and the most commercial-free music in digital quality sound? You can also tune in to news, talk, comedy and sports channels – including more than 1,000 NHL games – and all available from coast to coast? No wonder more than 9 million people subscribe to XM Satellite Radio. Ask your dealer for more information. ▶

\*Available in 10 Canadian provinces and the 48 contiguous United States. Monthly subscription sold separately after 3 trial months.

## DUAL SUNROOF

Enclave goes to extraordinary lengths to attend to all its passengers' preferences and requirements. Take, for example, the available power sunroof. It includes a companion rear skylight with a power sunshade, to enhance the ambience for rear-seat passengers. The rewards are shared inside Enclave's cabin. ▶

## SMART SLIDE EASY ACCESS

The Smart Slide second-row seats conveniently slide forward, all the way to the back of the front-row seats, further expanding the already substantial rear cargo area. In its forward position, the seat also opens up a wider aisle for easy entry into the third row of seats. Another way Enclave answers to you. ▶

## SEATING FOR UP TO EIGHT

The standard seven-passenger seating configuration is shown here with the available rear console. Eight-passenger seating is available – it replaces the standard second-row captain's chairs with a flexible 60/40 flat-folding split-bench seat. To increase cargo capacity, you can fold down the third-row split-bench seat, or maximize cargo volume by also folding down the second-row 60/40 split-bench seats. That creates a flat loading floor with an enormous cargo capacity. ▶

#### TOTAL VISION TECHNOLOGY

The Total Vision Technology system includes a number of distinct features – among them the available Rearview Camera System. It displays obstacles behind you on the interior rearview mirror or on the available DVD navigation system. Other features that help you see range from Enclave's high seating position and turn signals in the exterior mirrors to the available Xenon articulating headlights. ▲

#### STABILITRAK

The StabiliTrak™ electronic stability control system automatically adjusts brake pressure and engine power when a lateral skid is detected to help return Enclave to your intended driving line. According to the National Highway Traffic Safety Administration,\*\* stability control systems have proven to be remarkably effective at reducing fatal run-off road crashes by 70 percent in light trucks, and fatal rollover crashes by 88 percent in light trucks. In addition to StabiliTrak, Enclave also includes Proactive Roll Avoidance and full-function traction control. ▲

\*\* According to information published by the U.S. Department of Transportation's National Highway Traffic Safety Administration, July 2007.

#### ONSTAR ADVANCED AUTOMATIC COLLISION NOTIFICATION

The OnStar® system uses advanced communications technology to enhance your safety, security and convenience. Enclave includes 1 year of the Directions & Connections Plan® with Turn-by-Turn Navigation†† that provides a wealth of useful information to help you en route to your destination. OnStar can also perform a variety of diagnostic services, and can provide assistance in an emergency. So it should come as no surprise that almost 5 million people have become OnStar subscribers and over 29 million calls are made each year on the built-in voice-activated, hands-free system. Ask your dealer for more information. ▲

† OnStar services require vehicle electrical system (including battery), wireless service and GPS satellite signals to be available and operating for features to function properly. OnStar acts as a link to existing emergency service providers. Subscription Service Agreement required. Call 1-888-4ONSTAR (1-888-466-7827) or visit onstar.ca for OnStar's Terms and Conditions, Privacy Statement, and system limitations and details.

†† Turn-by-Turn Navigation not available in certain areas. Availability impacted by some geographical/cellular limitations, advisor-assisted routing available. Visit onstar.ca for coverage map.

## SECURE

PEACE OF MIND IS MORE THAN A STATE OF MIND. To experience true peace of mind while driving, you need to know that your vehicle is equipped with a comprehensive safety package featuring the very latest in safety and security technology. Enclave's approach is literally all around, with Total Vision Technology that helps you see and be seen. And the 360-degree perimeter safety system employs sensors that can detect an impending front, rear or side impact and then deploy the appropriate occupant protection system. Adding to your reassurance is the fact that Enclave earned the highest possible U.S. government frontal and side crash test ratings.\* Peace of mind – it's built right into every Enclave.

\*Five-star safety ratings for the driver and front passenger seating positions in the frontal crash tests, and for the front and rear seating positions in the side-impact crash test. U.S. government ratings are part of the National Highway Traffic Safety Administration's (NHTSA) New Car Assessment Program (NCAP) (safercar.gov).

# ENCLAVE MODEL OVERVIEW

## ENCLAVE CX FEATURES INCLUDE:

- 288 hp 3.6L V6 engine with new spark injection direct injection and variable valve timing
- GM Oil Life Monitoring System
- 6-speed automatic transmission with manual driver shift controls
- StabiliTrak electronic stability control system
- 4-wheel disc brakes with 4-wheel anti-lock braking system
- Traction control

- 18-in. aluminum wheels
- High-Intensity Discharge (HID) projector beam headlights
- Fog lights
- Power liftgate
- Remote keyless entry system with Panic alarm
- Power 6-way driver's seat adjuster
- Leather-wrapped steering wheel with genuine mahogany accents, cruise and sound system controls

- Second-row Smart Slide captain's chairs
- Dual-zone climate control
- QuietTuning
- Bluetooth connectivity
- OnStar with 1 year of the Directions & Connections Plan and Turn-by-Turn Navigation
- XM Satellite Radio
- 6-speaker sound system with CD stereo and MP3 playback
- Power windows, programmable door locks and mirrors
- Auto-dimming interior rear-view mirror
- Tire pressure monitoring system

## ENCLAVE CXL ENHANCES THE CX FEATURES WITH:

- 19-in. machined-finish aluminum wheels
- Remote vehicle starter system
- Heated windshield washer fluid system
- Ultrasonic rear parking assist
- Rearview Camera System
- Power 8-way driver's seat adjuster
- Power 4-way front-passenger seat adjuster
- Power tilt and telescopic steering column
- Bose premium 10-speaker sound system with 2nd-row audio controls and 2 rear headphone jacks

# ACCESSORIES

## PUT YOUR OWN STAMP ON ENCLAVE.

Enclave is one exceptionally well equipped vehicle. All it awaits is your imprint choosing from the selection of available dealer-installed accessories. How about an advanced remote two-way start/monitoring system that not only enables you to start your Enclave from a distance, but also keeps track of tire pressure and fuel level? Or a dual head restraint DVD entertainment system with twin flat-screen monitors mounted in the back of each front-seat head restraint? Or the bold styling accents of 19-inch and 20-inch aluminum wheels with an available brilliant chrome finish. The selection doesn't stop there – roof rack cross rails, integrated assist steps and a one-piece cargo tray are also available.

Keep in mind that only Buick Accessories are integrated into Enclave's comprehensive vehicle development process, ensuring excellent fit, finish and functionality. And they are the only accessories backed by Buick's 4-year/80,000 km New Vehicle Limited Warranty.\* Ask your sales consultant for a complete list of the Buick Accessories available for Enclave, or visit [gm.ca](http://gm.ca) ▶

ACCESSORIES

\*Whichever comes first, when permanently installed by the dealer at the time you purchase your new vehicle.

# OWNERSHIP EXPERIENCE

There is something special about your time spent inside a Buick. It's the way that luxury and technological sophistication combine to create a more rewarding driving experience. The Buick ownership experience is equally distinguished. It encompasses everything from the long-lasting quality and dependability of a Buick to the high level of confidence you'll receive, knowing that your Enclave is backed by the best coverage in Canada:

- 4-year/80,000 km New Vehicle Limited Warranty\*\*
- 5-year/160,000 km Powertrain Component Limited Warranty that includes no deductibles and is fully transferable at no charge\*\*
- 5-year/160,000 km Courtesy Transportation\*\*
- 5-year/160,000 km 24/7 Roadside Assistance\*\*
- 6-year unlimited km rust-through perforation coverage
- 8-year/130,000 km coverage on catalytic converters and powertrain control modules (PCMs).\*\*

\*\*Whichever comes first. Conditions and limitations apply, see dealer for details.

## OTHER OWNERSHIP PROGRAMS:

- GM Protection Plan (GMPP) – the only extended service plan backed by the resources and commitment of General Motors; GMPP may be purchased at the time of sale or subsequently during the New Vehicle Limited Warranty period
- GM Goodwrench Service – with GM-certified technicians and GM-approved parts, nobody knows your GM vehicle better.

\*Conditions and limitations apply.

## TO HELP YOU PURCHASE A NEW VEHICLE:

- GMAC Express Credit Application – a convenient way to get pre-approved credit towards the purchase of your next GM vehicle
- GMAC Purchase Financing – on-the-spot financing at your GM dealership!
- The GM Card – eligible cardholders may be able to redeem up to \$3500 in GM Card® Earnings toward the Total Purchase Price on selected vehicles. For more information on The GM Card please call 1-800-461-3279.

\*Conditions and limitations apply. \*\*Subject to eligibility.

## INFORMATION RESOURCES:

You can find more information about these programs from your GM dealer, or at these information centres:

- The GM website at [gm.ca](http://gm.ca)
- The GM Customer Communication Marketing Centre at **1-800-GM-DRIVE (1-800-463-7483)** or **1-800-263-3830** for TDD users
- For more information about GMAC visit [gmac.ca](http://gmac.ca) or call **1-800-616-4622**.

## A WORD ABOUT THIS BROCHURE

Some of the equipment shown or described throughout this brochure may be available at extra cost. We have tried to make this brochure comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colours, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this brochure and other printed materials provided at the dealership or affixed to vehicles are approximates based upon design and engineering drawings and prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been adapted since the time of printing, please check with your GM dealer for complete details. General Motors of Canada Limited reserves the right to lengthen or shorten the model year for any product, for any reason, or to start and end model years at different times.

## A WORD ABOUT ASSEMBLY

GM vehicles are equipped with engines and components produced and assembled by different operating units of General Motors, its subsidiaries and suppliers and these engines and components may change or be obtained from different sources from time to time. All such engines and components are approved for use in GM vehicles. Certain equipment ordered may be unavailable at the time of assembly and we suggest that you verify that your vehicle includes the equipment you ordered, or if there are changes, that they are acceptable to you.

## TRADEMARKS

The marks appearing in this brochure including, but not limited to: General Motors, GM, the GM Canada emblem, the GM Canada website address, Buick, the Buick logo, Enclave and their respective logos, emblems, slogans and vehicle model names and body designs; and other marks such as QuietTuning, Smart Slide, Solar-Ray, StabiliTrak and Twilight Sentinel are all trademarks of General Motors Corporation and/or General Motors of Canada Limited, its subsidiaries, affiliates or licensors.

# DETAILS

## ENCLAVE STANDARD AND OPTIONAL EQUIPMENT

### SAFETY & SECURITY

	CX	CXL
<b>Air bags</b> – driver and front-passenger, frontal with passenger-side air bag suppression	S	S
<b>Air bags</b> – driver and front-passenger, seat-mounted side-impact	S	S
<b>Air bags</b> – front-, 2nd- and 3rd-row outboard seating positions side head curtain	S	S
<b>Door locks</b> – power, programmable with lock-out protection	S	S
<b>Door locks</b> – rear doors, child-security	S	S
<b>Headlights</b> – Daytime Running lights with automatic light control and Twilight Sentinel®, Xenon HID projector low beam with blue-tint lenses and halogen projector high beam	S	S
<b>Headlights</b> – articulating adaptive forward system, steerable	–	O
<b>Keyless entry system</b> – remote, includes Panic Alarm	S	S
<b>OnStar In-Vehicle Communications and Assistance Service</b> – includes 1 year of the Directions & Connections Plan* with Turn-by-Turn Navigation**	S	S
<b>Safety restraints</b> – LATCH (Lower Anchors and top Tethers for Children), 2nd-row outboard seating positions	S	S
<b>Safety restraints</b> – 3-point belts for all seating positions, front safety belt pre-tensioners, dual mode retractors and shoulder belt height adjusters	S	S
<b>StabiliTrak</b> – electronic stability control system with Proactive Roll Avoidance	S	S
<b>Theft-deterrent system</b> – content theft alarm, audible/visible, programmable	S	S
<b>Theft-deterrent system</b> – electronic immobilizer	S	S
<b>Traction control</b> – electronic, full-function, all-speed	S	S
<b>Ultrasonic rear parking assist</b> – rear obstacle detection system with audible/visible warning	O <sup>1</sup>	S

### MECHANICAL

	CX	CXL
<b>Battery</b> – with rundown protection	S	S
<b>Brakes</b> – power, 4-wheel disc with 4-wheel anti-lock braking system (ABS) and dynamic rear proportioning (DRP)	S	S
<b>Drive</b> – front-wheel (FWD)	S	S
<b>Drive</b> – automatic, on-demand all-wheel drive (AWD)	O	O
<b>Engine</b> – 3.6L DOHC V6 VVT with SIDI Horsepower – 288 @ 6300 rpm; Torque – 270 lb.-ft. @ 3400 rpm	S	S
<b>Engine</b> – block heater	O	O
<b>Exhaust system</b> – aluminized stainless steel	S	S
<b>Exhaust system</b> – dual with chrome tips	S	S
<b>Remote vehicle starter system</b>	O <sup>2</sup>	S
<b>Steering</b> – power, rack-and-pinion, variable assist	S	S
<b>Suspension</b> – 4-wheel independent	S	S
<b>Transmission</b> – 6-speed automatic with overdrive	S	S

### EXTERIOR

	CX	CXL
<b>Fog lights</b> – halogen	S	S
<b>Glass</b> – Solar-Ray® tinted, deep-tinted on all windows behind front row	S	S
<b>Liftgate</b> – power	S	S
<b>Mirrors</b> – manual foldaway, power remote control, heated with integral turn signals	S	–

### EXTERIOR (Continued)

	CX	CXL
<b>Mirrors</b> – power foldaway, power remote control, heated, integral turn signals and driver-side electrochromic auto-dimming with memory feature	–	S
<b>Rearview Camera System</b> – reverse assist for parking or trailer towing, camera integrated into rear-view mirror if Navigation System not specified	O <sup>1</sup>	S
<b>Roof side rails</b> – brushed aluminum	S	S
<b>Spoiler</b> – rear, body-coloured	S	S
<b>Sunroof</b> – two panel, power tilt-sliding front and fixed rear with power sunscreen	O	O
<b>Tires</b> – P255/65R18 all-season <sup>†</sup>	S	–
<b>Tires</b> – P255/60R19 all-season <sup>†</sup>	–	S
<b>Wheels</b> – 18" x 7.5" painted aluminum	S	–
<b>Wheels</b> – 18" x 7.5" machined-finish aluminum	O	–
<b>Wheels</b> – 19" x 7.5" machined-finish aluminum	–	S
<b>Wheels</b> – 19" x 7.5" chrome-plated aluminum	–	O
<b>Windshield washer fluid system</b> – heated	O <sup>2</sup>	S
<b>Windshield wipers</b> – 2-speed with variable delay (intermittent)	S	S
<b>Wiper/washer</b> – rear-window with variable delay	S	S

### INTERIOR

	CX	CXL
<b>Air conditioning</b> – automatic, tri-zone climate control controls for 2nd-/3rd-row passengers	S	S
<b>Cargo storage</b> – under rear cargo floor	S	S
<b>Console</b> – front centre, includes two cupholders and storage	S	S
<b>Console</b> – 2nd-row, includes cupholders and storage <sup>3</sup>	O	O
<b>Cruise control</b> – electronic with resume, coast and decelerate/accelerate features	S	S
<b>Cupholders</b> – 2 front and 2 rear (4)	S	S
<b>Defogger</b> – electric, rear window	S	S
<b>Floor mats</b> – front and rear removable floor mats	S	S
<b>Instrumentation</b> – analogue gauges (speedometer, tachometer, engine temperature, voltmeter and fuel) with enhanced Driver Information Centre (DIC) and exterior temperature display	S	S
<b>Instrumentation</b> – GM Oil Life Monitoring System with readout in DIC	S	S
<b>Instrumentation</b> – tire pressure monitoring system	S	S
<b>Lights</b> – includes front reading, 2nd-row reading integrated into dome, theatre dimming, illuminated entry/exit features and cargo area	S	S
<b>Mirror</b> – rear-view with OnStar controls and electrochromic auto-dimming feature	S	S
<b>Power outlet</b> – 110 volt AC 3-prong outlet in rear cargo area	–	S
<b>Power outlets</b> – auxiliary, 4	S	S
<b>Steering column</b> – tilt adjustable and telescopic	S	–
<b>Steering column</b> – power tilt adjustable and telescopic	–	S
<b>Steering wheel</b> – leather-wrapped with cruise and sound system controls and genuine mahogany woodgrain accents	S	S
<b>Sunshades</b> – LH and RH padded, illuminated visor mirrors	S	S
<b>Universal home remote</b> – 3-channel transmitter	S	S
<b>Windows</b> – power, express-up and down driver and front passenger with rear lock-out features	S	S

### SEATS

	CX	CXL
7-passenger seating configuration, includes cloth reclining front bucket seats with power 6-way driver seat adjuster and power 2-way front passenger-side seat adjuster, manual lumbar adjusters, 2nd-row Smart Slide reclining fore/aft captain's chairs and 3rd-row 60/40 split-bench seat	S	–
As above, but with perforated leather-appointed seating surfaces and heated front bucket seats <sup>4</sup>	O	–
8-passenger seating configuration, includes cloth reclining front bucket seats with power 6-way driver seat adjuster and 2-way front passenger-side power seat adjuster, manual lumbar adjusters, 2nd-row Smart Slide flat-folding 60/40 split-bench seat and 3rd-row 60/40 split-bench seat	O	–
As above, but with perforated leather-appointed seating surfaces and heated front bucket seats <sup>4</sup>	O	–
7-passenger seating configuration, includes perforated leather-appointed seating surfaces and heated front bucket seats with power 8-way driver seat adjuster with memory and power 4-way front passenger-side seat adjuster, power lumbar adjusters, 2nd-row Smart Slide reclining fore/aft captain's chairs and 3rd-row 60/40 split-bench seat <sup>4</sup>	–	S
8-passenger seating configuration, as above, but with 2nd-row Smart Slide flat-folding 60/40 split-bench seat	–	O
Heated and cooled perforated leather-appointed driver and front-passenger seats	–	O

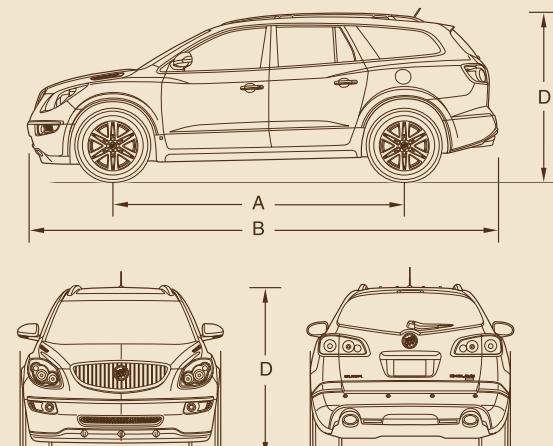

### ENTERTAINMENT SYSTEMS

	CX	CXL
All Enclave sound systems include an electronically tuned AM/FM stereo with CD player, MP3 playback compatible, seek, scan, auto tone control, speed-compensated volume, Radio Data System® (RDS), TheftLock® and digital clock	S	S
<b>Speaker system</b> – 6-speakers	S	–
<b>Bose Premium Audio Package</b> – includes 10-speaker Bose premium speaker system, 2nd-row audio controls with headphone jacks and controls for volume, station selection and media	O	S
<b>DVD Entertainment System</b> – includes 2nd-row, overhead DVD player, remote control, auxiliary input jacks, 2 wireless headphones and advanced Bose 10-speaker 5.1 surround sound system, includes AM/FM stereo with CD/DVD player	O	O
<b>Navigation System</b> – DVD-based, includes Bose Premium Audio Package and XM Nav Traffic <sup>5,6</sup>	–	O
<b>DVD Entertainment with Navigation System</b> – includes advanced Bose 10-speaker 5.1 surround sound system, AM/FM stereo with CD/DVD player and XM Nav Traffic <sup>5,6</sup>	–	O
<b>Bluetooth</b> – in-vehicle cell phone integration system	S	S
<b>XM Satellite Radio</b> <sup>††</sup>	S	S

### SPECIAL PACKAGES

	CX	CXL
<b>Cargo Convenience Package</b> – includes cargo net and cargo area cover <sup>6</sup>	O	O
<b>Cold Weather Package</b> – includes remote vehicle starter system and heated washer fluid system	O	S
<b>Driver Confidence Package</b> – includes Rearview Camera System integrated into interior rear-view mirror (if Navigation System not specified) and ultrasonic rear parking assist	O	S
<b>Hit The Road Package</b> – includes body-colour moulded assist steps, cross rail roof package and all-weather rear cargo area floor mat <sup>7</sup>	O	O
<b>Sunroof and DVD Entertainment Package</b>	O	O
<b>Sunroof and Navigation System Package</b>	O	O
<b>Sunroof, DVD Entertainment and Navigation System Package</b>	O	O
<b>Trailer Towing Package</b> – includes trailer wiring harness, heavy-duty transmission cooling system and trailer hitch receiver	O	O

CX: STANDARD  
18" painted aluminum

CX: AVAILABLE  
18" machined-finish aluminum

CXL: AVAILABLE  
19" chrome-plated aluminum

# Buick

## FORWARD THINKING.

General Motors continues to invest in technologies that reduce greenhouse gas emissions and lessen the dependence on petroleum. Beyond today's hybrids and alternative fuel solutions, GM is developing game-changing technology with the upcoming Volt plug-in electric car and a test fleet of zero-emissions Hydrogen Fuel Cell Vehicles already on the road.

GM also demonstrates its commitment to environmental sustainability by the way it produces this brochure. Research has told us that people like you continue to value printed brochures. So GM prints them on Forest Stewardship Council-certified paper. The goal is to protect wildlife habitat, ensure clean water and to keep forests healthy.

It's just one more way that GM integrates green thinking into every aspect of its activities. Just like you.

For more information about the scope of GM's green initiatives, visit [greenbydesign.gm.ca](http://greenbydesign.gm.ca)
