izer that also features

An available third-row seat  
you never have to remove folds  
flush into the flat load floor. For  
even more cargo room, a second-  
row split-bench seat flips and folds  
forward or may be removed.

Fourteen seating configurations  
give choices ranging from room for  
up to seven adult-sized passengers  
to 108 cubic feet of cargo space.

Car-like ride and handling  
are made possible by the innovative  
independent rear suspension design.

Low-effort, wide liftgate swallows  
48-inch wide building materials.

Available ultrasonic rear park  
assist system helps identify how  
close you are to another vehicle  
or certain stationary obstacles  
while backing up.

†Always use safety belts and proper child  
restraints, even with air bags. Children are safer  
when properly secured in the rear seat. Never  
place a rear-facing infant restraint in the front seat  
of any vehicle equipped with an active air bag.  
See your Vehicle Owner's Manual and child safety  
seat instructions for more safety information.
