

C H E V R O L E T L U M I N A

Spend some time in a Chevy Lumina, and you will know why this
is one of America's best-selling cars.

1994 LUMINA.

For the price you might expect to pay for a small

MOVE UP TO

import, Lumina gives you room and comfort for up to

CHEVY'S LARGEST

six passengers. And with Lumina you get another big

FRONT-DRIVE CAR.

luxury: a variety of sedan and coupe models to choose

from. Each one features V6 power, a smooth-riding four-wheel
independent suspension, and standard air conditioning.

*Foreground: Lumina Z34
Coupe. Background: Lumina
Euro 3.4 Sedan.*

Four-Wheel ABS

A four-wheel disc anti-lock brake system (ABS) is standard in Lumina Euro and Z34, and optional in Lumina Sedan. ABS prevents wheel lockup while braking and is designed to help you maintain steering control even in a panic stop in rain, snow or on ice.

3.1 Liter V6

The standard 3.1 Liter V6 with Multi-Port Fuel Injection delivers 140 horsepower at 4400 rpm. An exceptionally smooth, electronically controlled 4-speed automatic transmission is standard in all models.

Two-Side-Galvanized Steel

Excellent corrosion protection is provided by the use of two-side-galvanized steel for all exterior body panels (except the roof). The zinc coating actually eliminates surface rust on the outside due to minor chips or scratches.

24-Hour Roadside Assistance

For as long as you own your 1994 Lumina, the security and convenience of round-the-clock Roadside Assistance is available via a toll-free hot line (1-800-CHEV-USA). Please ask your Chevrolet dealer for more details.

Courtesy Transportation

Customers who purchase or lease a 1994 Lumina will be able to take advantage of Courtesy Transportation at no additional charge when their vehicles are left at a participating dealership for repairs covered under the 3-year/36,000-mile New Vehicle Limited Warranty. See your participating dealer for details.

THE CHEVROLET CUSTOMER CARE PACKAGE

Bumper to Bumper Warranty

Every new Lumina is backed by an extensive, no-deductible, limited warranty for 3 years or 36,000 miles, whichever comes first. See your Chevrolet dealer for terms of this limited warranty.

Scotchgard™ Protector

Scotchgard™ Protector, on cloth seats, door panels, floor carpeting and floor mats, is standard in every Lumina.

USE THIS GUIDE TO “WALK AROUND” THE 1994 LUMINA.

Base-Coat/Clear-Coat Paint

The 1994 Lumina features clear-coat paint that not only provides a more durable, lustrous finish, but also reduces the severity of water spotting and etching from acid rain.

Automatic Power Door Locks

This convenience/safety feature automatically locks all doors when the car is shifted out of Park.

3.4 Liter DOHC V6

A 3.4 Liter DOHC (dual overhead camshaft) V6 is standard in Lumina Euro 3.4 Sedan and Z34 Coupe. This 24-valve performance engine develops 210 hp.

Stainless-Steel Exhaust System

The Lumina standard stainless-steel exhaust system is designed to resist corrosion and last longer than conventional systems.

Four-Wheel Independent Suspension

The Lumina chassis delivers excellent ride and response, thanks in part to a fully independent rear suspension, and specially tuned shocks and springs.

Safety-Cage Construction

A rugged steel “safety cage” surrounds the passenger compartment of every Lumina. Front and rear crush zones help cushion and absorb the force of impact in a collision.

Seating For Up To Six

Lumina Sedan is Chevrolet's most spacious front-wheel-drive car, with comfortable seating for five or six passengers, depending on seat style.

Lumina Euro Sedan in Black.

**LUMINA SEDAN. ONE
CAR THAT DOES IT ALL.**

Lumina Sedan in Silver Metallic.

Lumina Sedan is the spacious Chevrolet that will reward you and your family with an impressive ride, smooth fuel-injected V6 power, and the designed-in durability of a proven, substantial automobile.

Remarkably, you get all this at a highly affordable Chevrolet price.

The standard 3.1 Liter V6 with Multi-Port Fuel Injection, combined with an electronically controlled 4-speed automatic transmission, delivers spirited response and plenty of reserve power for passing and merging.

Quality features in every Lumina Sedan include the extensive use of rust-resistant two-side-galvanized steel (all body panels except roof), a long-lasting stainless-steel exhaust system, and four-wheel power disc brakes.

The sporty Euro version of Lumina Sedan (shown above) includes the following additional features: standard ABS, ride and handling suspension, black-out exterior trim with red accents, a rear spoiler, and cast-aluminum wheels. For even more fun, order the Euro 3.4 Sedan. This performance edition includes the 210-hp, 24-valve DOHC V6 and a special sport suspension.

The Lumina trunk is sized for family vacations, with up to 15.7 cu. ft. of cargo space.

Scotchgard™ Protector safeguards cloth seats, door trim, floor carpeting and floor mats, for soil resistance and easy cleanup.

The Lumina Sedan interior (shown below) offers seating for six passengers and a comfortable

60/40 split-bench

pull-down center

LUMINA SEDAN.

armrest. For even more luxury, order the optional Custom Cloth interior with 60/40 front seat (shown at left). It's standard in the Euro Sedan. Custom Cloth front bucket seats are optional in the Euro. The Euro 3.4 Sedan features a Z34-style bucket-seat interior (shown on pages 12-13).

Lumina Sedan interior in Blue.

The Custom Cloth interior with 60/40 front seat in Gray. This interior is optional in Lumina and standard in Lumina Euro.

*Lumina Z34 Coupe
in Torch Red.*

Here's another example of real value, and this one's for people who really love cars . . . Lumina Z34 Coupe for 1994.

The Lumina Z34 is a performance coupe with the size, style and power of an expensive sport coupe, for a whole lot less. The 3.4 Liter DOHC V6 is what makes Z34 really fun. This 24-valve engine — with four overhead cams and aluminum cylinder heads — is the most powerful V6 available in a Chevrolet car, developing 210 hp at 5200 rpm. It is complemented by an electronically controlled 4-speed automatic transmission for smooth, virtually seamless performance.

In a Z34 you also get 16" performance tires, a special sport suspension, fast-ratio power steering, and four-wheel power disc brakes with ABS. Style features include a body-color grille panel, lower-body extensions and rear spoiler.

For a slightly more subdued but still sporty attitude, consider Lumina Euro Coupe. This luxurious, fun-to-drive coupe features its own tuned ride and handling suspension, the responsiveness of a 3.1 Liter V6 and 4-speed automatic, and the safety of a standard four-wheel anti-lock braking system (ABS). Quiet-ride tires and 15" aluminum wheels round out this quality package.

A special sport-styled rear spoiler is featured on Lumina Z34.

LUMINA Z34.
