Caprice model  
Sedan (shown).

The classic American full-size car, completely uncompromised. That's Chevrolet Caprice for 1988.

Caprice continues to provide the true six-passenger spaciousness you desire, with the comfort and quiet you expect from a luxury sedan. And Caprice delivers all this at a Chevrolet price.

#### Caprice Technical Basics

A smooth, hushed ride is an important reason for the enduring popularity of Caprice. The technology that contributes to this car's acclaimed road manners includes:

- A full-perimeter frame with 16 cushioned body mounts for excellent structural strength and

isolation from road noise.

- Proven rear-drive design for well-balanced handling and impressive towing capacity.
- The standard 4.3 Liter V6 with Electronic Fuel Injection offers horsepower rivaling that of some V8s (not available on Caprice Classic Wagon).
- For even more power, a 5.0 Liter

V8 with 4-barrel carburetor is optional (standard on Caprice Classic Wagon).

- Standard 4-speed automatic overdrive transmission lowers engine RPM at highway speeds.

#### Three Distinct Series

Caprice rewards you with an uncommon luxury: the choice of

Caprice Classic Brougham models  
Sedan (shown).  
LS Sedan.

five models within three series. Select from:

- The Caprice series. A well-equipped four-door sedan with a base price far lower than you might expect.
- The Caprice Classic series. Perennially popular and beautifully appointed. Caprice Classic is available as a four-door sedan
- or four-door, three-seat wagon.

#### Extensive Anti-Corrosion Protection

The 1988 Caprice is carefully designed and built to resist corrosion, so the application of additional rustproofing is neither necessary nor required. Chevrolet's confidence in its extensive anti-corrosion protection is reflected

in a new-car warranty which includes 6-year/100,000-mile rust-through protection. See your dealer for terms and conditions of the limited warranty.

## SEDAN

Caprice Sedan with optional body-side and wheel-opening moldings.

A roomy 20.9-cu.-ft. trunk is one of Caprice's many virtues.

Standard cloth interior features foam-cushioned cloth seats and a front pull-down center armrest.

Caprice Sedan is one of America's lowest-priced full-size cars. Yet it offers a generous level of standard equipment that is matched by few cars.

### Standard Exterior Features

- Composite-style halogen headlamps.
- Bright rocker panel moldings.
- Dual aero-style exterior mirrors.
- Full wheel covers.

### Standard Interior Appointments

- Ample room for six adults. In fact, Caprice Sedan provides more total interior room than any Mercedes-Benz sedan.
- Over 20 cu. ft. of luggage space.
- A Delco AM/FM stereo music system with Seek and Scan and digital clock.\*
- Full-width front bench seat with deep foam cushioning and pull-down center armrest. For even greater comfort, order the optional 50/50 front seat with twin armrests and reclining passenger seat-back.
- Cloth interior trim in Dark Blue, Maroon, Gray or Light Brown.
- Tinted glass, all windows.
- Headlamps-on reminder chimes.
- Lockable glove box with light.
- Instrument panel courtesy lights.

### Still the Standard

In an era in which "improved" too often translates to "smaller," Caprice remains an uncompromised standard of full-size value.

- Bright-trimmed accelerator and brake pedals.

### An Uncompromised Luxury Car

If you desire a full measure of luxury, the quiet world of Caprice Classic Brougham awaits your critical inspection.

### Interior Option Highlights

You may wish to enhance the Caprice Classic Brougham interior by selecting from option packages containing the following equipment:

- New Twilight Sentinel headlamp control automatically turns headlamps on and off in response to outside lighting conditions. It also includes an adjustable time delay feature to light your way as you leave your Caprice.
- AM/FM music system with graphic equalizer, cassette player and digital clock.
- Six-way power seat (driver or passenger).
- Power windows and power door locks.
- Comfortilt steering wheel.
- Special Instrumentation, including temperature gage, trip odometer and voltmeter.

## C L A S S I C W A G O N

Everything a full-size wagon should be. Caprice Classic still is.

It's roomy and luxurious. Its standard V8 delivers excellent towing power. And its long 116" wheelbase and Full Coil suspension provide a beautifully smooth ride.

### Caprice Classic Wagon Versatility

- The Classic Wagon offers room for up to eight passengers with a standard rear-facing third seat.
- Cloth upholstery with front pull-down center armrest is standard; all-vinyl trim is optional.
- With both rear seats folded down, over 87 cu. ft. of load space

is accessible through a convenient three-way tailgate.

- Standard equipment includes a lively 5.0 Liter V8 with 4-barrel carburetor and 4-speed automatic overdrive transmission.

This powerful combination enables the properly equipped Caprice Classic Wagon to tow up to 5,000 lbs. See your Chevrolet dealer and/or the 1988 Chevrolet Recreation and Trailering Guide for details.

### Specific Wagon Options

- The adjustable roof carrier adds both style and utility.
- Inflatable rear shock absorbers.

### A Word About Assembly, Components and Optional Equipment in These Chevrolets.

The Chevrolets described in this catalog are assembled at facilities operated by General Motors. These vehicles incorporate thousands of different components produced by car groups and various component divisions of General Motors and by various suppliers worldwide to General Motors. From time to time during the manufacturing process, it may be necessary, in order to meet public demand for particular vehicles or equipment, or to meet federally mandated emissions, safety and fuel economy requirements, or for other reasons, to produce Chevrolet products with different components or differently sourced components than initially scheduled. All such components have been approved for use in Chevrolet products and will provide the quality performance associated with the Chevrolet name.

With respect to extra-cost optional equipment, make certain you specify the type of equipment you desire on your vehicle when ordering it from your dealer. Some options may be unavailable when your car is built. Your dealer receives advice regarding current availability of options. You may ask your dealer for this information. GM also requests the dealer to advise you if an option you ordered is unavailable. We suggest that you verify that your car includes the optional equipment you ordered or, if there are changes, that they are acceptable to you.

**Important:**  
**A Word About This Catalog.**  
We have tried to make this catalog as comprehensive and factual as possible. However, since the time of printing, some of the information may have been updated. Also, some of the equipment shown or described throughout this catalog is available at extra cost. Your dealer has details and, before ordering, you

should ask him to bring you up to date. The right is reserved to make changes at any time, without notice, in colors, prices, materials, equipment, specifications and models. Check with your Chevrolet dealer for complete information.

**Chevrolet's Best Protection Plan Ever.** A 6-year/60,000-mile warranty demonstrates the confidence that Chevrolet has in Caprice quality. This new limited warranty covers powertrains for 6 years/60,000 miles and includes 6-year/100,000-mile rust-through protection. See your Chevrolet dealer for the terms and conditions of this limited warranty.

**GM Protection Plan.**  
The GM Protection Plan offers service protection in addition to that provided by GM's new-vehicle limited warranty. Ask your dealer about it. Coverage available only in U.S. and Canada.

### A Word About Updated Service Information.

Chevrolet regularly sends its dealers useful service bulletins about Chevrolet products. Chevrolet monitors product performance in the field. We then prepare bulletins for servicing our products better. Now you can get these bulletins, too. Ask your dealer. To get ordering information, call toll-free 1-800-551-4123.

**More Dealers to Serve You.** With nearly 5,000 servicing dealers nationwide, Chevrolet offers a more extensive parts/service network than any other automaker.

At your Chevrolet dealer's, financing or leasing your new Caprice can be as easy as saying GMAC.

Let's get it together... buckle up.
