# ASTRO & ASTRO VAN 1987

Two vans from the outside. The same solid technology under the skin. That's the story on Chevy Astro—a combination of basics and choices that is sure to meet your needs.

### ASTRO FUNDAMENTALS.

These are the elements common to every Astro.

- Rear drive, for substantial cargo, towing and people capacities.
- Compact dimensions, clean, uncluttered exterior styling and seven-step base coat/clear coat paint—with the kind of tight fit and smooth finish that result from the use of robotics and other advanced production techniques.
- Flush windows and door handles and hidden drip gutters reduce wind drag.

- Front doors tilt out at the top when open for ease of access.
- Low step-up height. (Passenger Van: 16.33"; Cargo Van: 16.74").
- Smooth-sliding side door.
- Rear panel doors that open wide while allowing long loads to be carried on the roof.

- Rear step bumper for easy step-in and loading.
- A variety of optional window configurations.
- 6,000-lb. towing capacity, including passengers, cargo and trailer, when Astro is properly outfitted with optional equipment. This is the largest towing capacity available in any compact van.

- And, at the end of the day, when work and play are done, Astro fits comfortably into a standard garage.
- The standard Tech IV 2.5 Liter engine with EFI is tied to a 4-spd. manual transmission.
- Optional Vortec 4.3 Liter V6 with EFI delivers more power.
- Optional 4-speed automatic overdrive transmission is great for city delivery and highway operations.
- Optional 5-speed manual transmission is also available.
- 1,000-lb. payload is standard.
- Orientation up to 1,350 or 1,700 lbs. (Includes passengers and cargo.)

- Maximum cargo volume is a spacious 189 cu. ft. (With driver's seat only in the van.)
- No matter which Astro you choose, you'll find this vehicle is perfectly in tune with today's driving needs.

\*Excludes other GM products.

Astro's split personality:  
Everything that gives the  
Cargo Van such outstanding working abilities  
gives the Passenger Van  
the versatility to do just  
about everything well.

# ASTRO LUXURY TOURING

LT stands for Luxury Touring, and, as you can see, this special Astro model is just that—the luxurious way to go.\*

## PLUSH INSIDE.

- New lush velour fabric covers all seats and trim panels.
- Seating for five is standard.
- New high-back front buckets are contoured for comfort and framed by dual integrated armrests. Seat-backs recline, and the full-width headrests are adjustable.

Luxury Touring interior in Saddle Tan.

- The midship contoured split-back seat features a fold-down center console with convenience tray and cup pockets. The seats on either side, with reclining backs and fold-down armrests, provide exceptional comfort for two; return the center console to its upright position and voilà—room for three.
- The optional rear seat, which has the same split-back design as the middle seat, increases passenger capacity to eight.
- The right-side portion of the middle seat folds forward for easy access to the rear of the vehicle.

Metallic with the Dark Saddle or Iced Blue Metallic over Sapphire Blue Metallic.

- The LT features a unique color stripe at the beltline.
- Rally Wheels are coordinated with the exterior color. Color-keyed aluminum wheels are optional.
- An LT nameplate announces your appreciation of the finer things.

\*The LT model is available Jan. 1987.

- Both second and third seats snap out whenever you need maximum cargo room.
- Rear window glass swings out for ventilation.
- A new luxury Sport steering wheel is included.
- Choose your LT interior in Blue or Saddle Tan.

## STYLISH ON THE ROAD.

- Astro's uncluttered lines and clean contours look especially attractive when clothed in sporty LT dec.

- Special colors complement the LT model. Choose Sapphire Blue Metallic or Dark Saddle Metallic. Optional two-tones match California Gold

Astro with Luxury Touring option in California Gold Metallic and Dark Saddle Metallic. Tires supplied by various manufacturers.

Astro towing a boat.

Astro tows up to 6,000 lbs. when properly equipped. Shown at right: Astro with optional CL trim and optional Sport Two-Tone paint in Iced Blue Metallic and Sterling Silver Metallic.

Long loads on the roof don't interfere with back-door operation, thanks to Astro's swing-out rear doors. There's no liftgate to stretch for and no tailgate to reach over. The rear step bumper also facilitates roof-top loading. Shown at right: Astro with optional CS trim in optional Special Two-Tone Tan and Burnt Red Metallic. Tires supplied by various manufacturers.

The more you get out of life, the more you'll get out of Astro. Astro's many capabilities are a perfect match for nearly any activity you and your family enjoy.

**TOWING.** Boat, camper or trailer. Astro can tow up to 6,000 lbs., when equipped with the optional Heavy-Duty Trailering Package. (Includes passengers, cargo and trailer. Other options are required.) That's more towing capacity than you can get in any other new-size van.\*

**CARGO.** There's room for lots of supplies behind the second seat. The second seat and optional rear seats snap out whenever you need more room. Total cargo volume with only the front seats in place is 151.8 cu. ft.

**LOADING.** Astro's swingout rear doors and smooth-sliding side door make it easy. You can back up to your side door or front porch. And you can tote long objects on the roof.

\*Excludes other GM vehicles.

**PARTYING.** There's plenty of room for an impressive buffet at your favorite picnic spot or before the big game.

**MANEUVERING.** Astro's compact enough to scoot through city traffic, park in little spaces and turn around in an amazing 39.5 feet, curb-to-curb.

**GARAGEABILITY.** Astro fits securely and easily into your garage at night.

Turning circle is a compact 39.5 ft. curb-to-curb.

Swing-out rear doors and a flat floor make loading Astro easy. The underbody spare tire carrier (standard on CS and CL models) frees up maximum capacity inside the van.

# ASTRO VERSATILITY

Astro's front doors slant back at the tops for easy interior access. Front door pockets are standard.

The interior appointments and flexibility of the Astro Passenger Van are just right to meet your changing needs.

#### SEATING ARRANGEMENTS.

- Accommodations for five are standard in front buckets and middle bench.
- Add the optional third seat, and capacity increases to eight.
- The middle bench can be replaced with optional buckets.
- Second and third bench seats may be arranged to face each other or the rear of the vehicle.

#### UP FRONT.

- Astro's high-tech control center is enclosed in a stylish black facia plate.
- The center of the instrument panel features a fold-down, lighted beverage tray.
- Handy front-door map pockets are included.
- Front doors slant away at the tops for easy entry.

Some of Astro's many other features, both standard and optional, are also shown here.

At top: Astro's high-tech instrument panel, shown with optional Delco AM/FM stereo cassette.

Above left: Standard fold-down beverage tray is located up front.

Above: The optional rear beverage carrier (included with CL trim and eight-passenger seating) can be used to keep things cool.

A choice of seating arrangements accommodates two to eight passengers. Astro with available seating for eight.

Turn the middle and available third seats to face each other or the rear.

Remove the second and third seats to open up a large load space.

Add optional captain's chairs to front and middle positions to enhance your riding comfort.

# ASTRO INTERIORS

Inside. That's where you spend most of your time. That's why you'll appreciate Astro's blend of comfort and room. In fact, four feet of walk-through height allows you to move about easily.

## STANDARD.

- Astro provides basic seating for five, with two high-back buckets up front and a bench seat in the middle.
- Vinyl material makes these seats perfect for young families.
- Black mat cover all floor areas.
- Molded door trim panels and front and midship dome lights are included, as well.

CS. This is Astro's mid-level model with:

- Color-keyed floor mats.
- Color-keyed moldings, side pockets and trim panels.
- Color-keyed headliner.
- Molded storage compartment in the left rear.
- Remote fuel filler door release.
- Molded jack and tool area in the right rear.
- Underbody spare tire carrier.

CL. This top-of-the-line-package model surrounds you with the best. CL includes items in the CS package, plus:

- Color-keyed carpeting from door sill to door sill.
- Carpeted kick panels.
- An upgraded instrument panel includes gage package, trip odometer and Custom steering wheel.
- Custom Vinyl or Custom Cloth fabrics—the choice is up to you.

Shown far left: Standard interior in Saddle Tan.

Shown at left: Optional CS interior with optional third seat in Teal Blue.

Shown below: Optional CL interior in Saddle Tan Custom Cloth fabric with optional reclining front buckets, standard second and optional third seat.

## ASTRO SEAT TRIM AVAILABILITY

| Front Seat Type<br>(See Note Below) | Trim Levels |    |    |
|-------------------------------------|-------------|----|----|
|                                     | Std.        | CS | CL |
| Vinyl High-Back Bucket              | ■           | ■  |    |
| Custom Vinyl High-Back Bucket       | ■           | ■  | ■  |
| Custom Cloth High-Back Bucket       | ■           |    |    |

Note: All optional passenger seats, front and rear, will match the seat trim of the driver's seat.  
 ■ Standard   ■ Optional   ■ Not Available   \*Driver and passenger seat.

# ASTRO VAN 1987

Efficiency. That's the name of the game in business. Chevy Astro is the name of the cargo van that gets the job done.

**TECHNICAL BASICS.** Astro is a mid-size van, built in the tradition of hardworking Chevy trucks.

- Rear drive for substantial load and towing capabilities.
- Standard power team: 2.5

Liter Tech IV engine with EFI linked to a 4-speed manual transmission.

- Optional Vortec 4.3 Liter V6 engine with EFI for impressive power.

- Optional 4-speed automatic overdrive and 5-speed manual overdrive transmissions.

- Independent front coil/semifloating rear leaf spring suspension.

- Front disc/rear drum brakes.

- P195/75R-15 all-season steel-belted radial tires.

- 1,000-lb. payload standard. (Includes passengers and

cargo.) Optional payload ratings of 1,350 and 1,700 lbs. ■ Optional 6,000-lb. towing capacity. 2,000-lb. standard. (6,000-lb. capacity necessitates purchase of several required options, including the Vortec V6 engine and automatic transmission.)

#### WORKING CREDENTIALS.

Compact dimensions and uncluttered styling give Astro Van a smooth, contemporary looking exterior. Yet when it comes to business, there's plenty of capacity to get the job done.

- 189.9 cu. ft. of cargo space

(with only the driver's seat in place).

- An easy-open side door.

- Rear panel doors swing out nearly 180° allowing long loads on the roof.

- A variety of optional window configurations (see p. 22 for details) make Astro Van adaptable for fleet or individual work situations.

Astro. The van that helps you work better—whatever your line of work.

Astro Cargo Van with optional Special Two-Tone in Deep Red Metallic and Sterling Silver Metallic.

Astro is one new-size van that hasn't forgotten you buy a cargo van so it can work for and with you.

That's why Astro gives you so many job-oriented features.

#### MORE THAN THE COMPETITION

- More cargo room than any other new-size van: 189.9 cu. ft. without the optional front passenger seat.
- Generous cargo length—88.9 inches at the floor. And with the optional passenger seat removed, 116.6 inches to the engine cover.
- More towing capacity.\* Properly equipped with the optional Heavy-Duty Towing Package and other required options, Astro can tow up to 6,000 lbs., including passengers, cargo and trailer. That's big real-world towing ability, the largest towing capacity offered in any compact van.
- Rear step bumper and flat load floor. These standard features facilitate loading and unloading all kinds of cargo.
- Hideaway spare tire. This optional item places the spare on a crank-down carrier under the vehicle, freeing up maximum space inside.

\*Excludes other GM products.

#### NUMEROUS WORK-ORIENTED FEATURES.

- Swing-out rear doors. These doors open 57.0 inches (that's nearly 5 feet) to allow easy loading. Just like Chevy full-size vans, these doors swing back almost 180° to allow you to back right up to a delivery door or loading dock, or carry an overhanging ladder on the

Astro's 39.5-ft. turning circle, curb-to-curb, plus its compact 176.8-in. length, means easy maneuvering in tight city streets, alleys and loading zones.

The rear panel doors accommodate long loads on top of the van.

## ASTRO VAN CAPABILITIES

roof without interfering with door operation.

- Sliding side door. This door is on nylon rollers and opens 34.5° wide and 44.5° high.
- A choice of payload capacities: 1,000 lbs. is standard; optional payloads are 1,350 lbs. and 1,700 lbs., including passengers and cargo.
- Smooth operation with the 2.5 Liter Tech IV engine with EFI and 5-speed manual transmission.

- Rear step bumper and flat load floor. These standard features facilitate loading and unloading all kinds of cargo.
- Hideaway spare tire. This optional item places the spare on a crank-down carrier under the vehicle, freeing up maximum space inside.

Astro Van interior in Teal Blue. Interior is shown with optional high-back bucket seats.

Keeping drivers fresh and alert during a long day is an important part of a work van's job. And Astro Van delivers comfort just as efficiently as cargo.

**STANDARD INTERIOR.**

- A low-back bucket driver's seat allows maximum room for cargo loading.
- Vinyl seat trim is durable and easy to keep clean.
- Black rubber mats protect the floor of the seating area.
- The instrument panel features high-tech-type instrumentation and easy-to-reach fingertip controls.

- Glove box and fold-down beverage tray are located in the center console.

- Molded storage pockets are located on both front doors.

- Four interior colors let you choose the one you like best.

**OPTIONAL COMFORTS.**

- A low-back passenger seat in vinyl.

- High-back driver and/or passenger seats in vinyl, Custom Vinyl or Custom Cloth.

- Bucket seats at midship increase passenger capacity to four.

- Color-keyed floor mats and headliner look good and

## ASTRO VAN INTERIORS

Astro Van instrument panel in Teal Blue. Shown here with optional Delco AM/FM stereo radio.

increase sound-deadening properties.

- A full range of choices from AM radio to top-of-the-line stereo with AM/FM, stereo cassette, graphic equalizer and Seek and Scan make the work day go faster.

Whether you stick to basics or go for the amenities, Astro offers the kind of comfort that helps get the job done.

### ASTRO VAN SEAT TRIM AVAILABILITY

| Custom Cloth High-Back Bucket    | ■ *         |

Note: All optional passenger seats, front and rear, will match the seat trim of the driver's seat.

■ Standard   ■ Optional

\*Driver's seat only

Standard low-back driver's seat in Saddle Tan.

# ASTRO & ASTRO VAN ENGINEERING

**2.5 LITER TECH IV ENGINE WITH EFI.** Standard on Astro Cargo Van, this electronically fuel-injected powerplant is designed to provide responsive cold starts and smooth warm-ups. Its low mass means less weight in the vehicle, its low friction operation produces less wear and its fast burn combustion delivers performance you'll appreciate whenever you drive.

Design a van that's powerful but practical, roomy yet compact, sophisticated, contemporary and tough. That was the challenge. Build in comfort, flexibility, quality, dependability. Make sure the vehicle is easy to maneuver and park. Astro Van in its passenger and cargo configurations is the impressive result.

Chevy Astro is designed with the aid of sophisticated computer imaging. Modern engineering builds in years of reliable service. Advanced production techniques, including extensive use of robotics in assembly and paint application, coupled with thorough employee training programs, help deliver the kind of quality that you can depend on whether you choose Astro its passenger or cargo van model.

Study the exploded view presented on these pages. It highlights many of Astro's important technological features and explains why these items are of benefit to you.

## POWER TEAMS

|                                       | Astro Passenger | Astro Cargo |

| Bore and Stroke (in.)          | 4.0 x 3.0    | 4.0 x 3.48   |
| Compression Ratio              | 9.0 to 1     | 9.3 to 1     |
| SAE Net Horsepower @ RPM       | 96 @ 4400    | 150 @ 4000   |
| SAE Net Torque (lb.-ft.) @ RPM | 135 @ 3200   | 230 @ 2400   |

## VORTEC 4.3 LITER V6 ENGINE WITH EFI

Standard on the Passenger Van and optional in the Cargo Van, this is the most powerful engine available in any new-size van. 150 SAE net horsepower at 4,000 RPM and 230 lbs.-ft. of torque at 2,400 RPM mean more power when you need it to get your job done.

**AS PART OF THE 1987 CHEVROLET NEW-VEHICLE LIMITED WARRANTY,** your Chevy Astro includes three-year perforation-from-corrosion coverage. Exhaust system components not included. See your Chevy dealer for details and other limitations.

**CONTEMPORARY ENGINEERING.**  
High-tech construction methods help eliminate gaps and reduce corrosion.

**SUSPENSION.** Lightweight variable-rate single-leaf rear springs adjust automatically to load.

**CHASSIS DESIGN.** Rear drive. This drive train provides simplicity of design, substantial towing and cargo capacity, easy maintenance and proven heavy-duty truck service.

Flush-mounted windshield, front air dam, spoiler and smooth aerodynamic design contribute to low 0.38 drag coefficient.

Wet-arm windshield wipers clean efficiently. **QUALITY PAINT FINISH.** Seven-step paint process. Base coat/clear coat paint is applied in one of the world's most modern paint facilities.

Front hood with inside release allows for easy engine serviceability.

**ANTI-CORROSION TREATMENTS.** Anti-corrosion measures include galvanizing, Zincrometal™ hot melt wax.

Lower body anti-chip coating protects the finish from stone and gravel nickname.

Integral body-frame design. A front stub frame supports the engine; integral-engine-front-suspension cross member is attached with six body mounts. This design allows easy serviceability as well as ride smoothness and isolation from road noise.

Front bumper of high-strength alloy steel. Electronic Fuel Injection (EFI), which eliminates the carburetor, is constantly computer-tuned to compensate for changes in weather and operating conditions.

Electronic spark control (4.3 Vortec V6 only) adjusts timing to control engine knock under heavy loads.

**ENGINES.** Vortec 4.3 Liter V6 engine with EFI.

**TRANSMISSIONS.** The 4-speed overdrive automatic transmission is optional with either 4- or 6-cylinder engines.

Front coil springs are computer-selected for ride optimization. The fully independent front suspension features a long and short control arm with spring isolators at the frame.

Front disc/rear drum brakes are standard. Power brakes are standard on the Passenger Van, optional on the Cargo Van.

15" M + S (Mud and Snow)-rated all-season steel-belted radial tires are standard.

\*Standard on Passenger Van. Optional on Cargo Van.

# ASTRO & ASTRO VAN FEATURES AND OPTIONS

Astro provides impressive standard features and optional equipment, as you can see on these pages. Study the list of standards. Then check the photos on these pages (all items pictured are optional) and the available equipment to determine which of these options personalize Astro to meet your needs.

Trim rings.

| Silver, Sterling (Metallic)   |              |              |                                 |            |

**IMPORTANT: A WORD ABOUT THIS CATALOG.** We have tried to make this catalog as comprehensive and factual as possible and we hope you find it helpful. However, since the time of printing, some of the information you will find here may have been updated. Also, some of the equipment shown or described throughout this catalog is available as factory-installed options, dealer accessories and specialized equipment from various independent suppliers at extra cost. Your dealer has details and, before ordering, you should ask him to bring you up to date.

The right is reserved to make changes at any time, without notice, in prices, colors, materials, equipment, specifications and models. Check with your Chevrolet dealer for complete information.

**A WORD ABOUT ASSEMBLY, COMPONENTS AND OPTIONAL EQUIPMENT IN THESE CHEVROLET PRODUCTS.** The Chevrolet Astro Passenger and Cargo Vans described in this catalog (Astro/Astro Van) are assembled at facilities operated by General Motors or GM of Canada.

These vehicles incorporate thousands of different components produced by car and truck groups and various component divisions of GM and by various suppliers worldwide to General Motors. From time to time during the manufacturing process, if it may be necessary, in order to meet public demand for particular vehicles or equipment, or to meet federally mandated emissions, safety and fuel economy requirements, or for other reasons, to produce Chevrolet products with different components or differently sourced components that initially scheduled. All such components have been approved for use in Chevrolet products and will provide the quality performance associated with the Chevrolet name.

With respect to factory-installed extra-cost optional equipment, make certain you specify the type of equipment you desire on your vehicle when ordering it from your dealer. Some options may be unavailable when your vehicle is built. Your dealer receives advice regarding current availability.

of options. You may ask your dealer for this information. GM also requests the dealer to advise you if an option you ordered is unavailable. We suggest that you verify that your vehicle includes the optional equipment you ordered or, if there are any changes, that they are acceptable to you.

These vehicles are also available under the GMC nameplate Safari SL Passenger Van and Safari Cargo Van.

**FOR INFORMATION ON ANY NEW CHEVY TRUCK.** See your Chevy dealer for a complete selection of 1987 truck catalogs. They cover ■ Chevy S-10 Blazer ■ full-size 4WD Blazer ■ Chevy S-10 Pickup ■ full-size Chevy Pickup ■ Suburban ■ El Camino ■ Chevy Van/Sportvan ■ Step-Van ■ Astro ■ Astro/Van ■ all Medium-Duty Chevys and the ■ Chevy Recreation and Trailering Guide. **LET'S GET IT TOGETHER...** **BUCKLE UP.**

**A WORD ABOUT ENGINES.** Chevrolet trucks are equipped with engines produced at facilities operated by GM car and truck groups, subsidiaries or affiliated companies worldwide.

**A WORD ABOUT UPDATED SERVICE INFORMATION.** Chevrolet regularly sends its dealers useful service bulletins about Chevrolet products. Chevrolet monitors product performance in the field. We then prepare bulletins for servicing our products better. Now you can get these bulletins, too. Ask your dealer. To get ordering information, call toll-free 1-800-551-4123.
