

CAPRICE

1 9 8 6 C H E V R O L E T

Caprice Classic Brougham. Chevrolet's New Luxury Edition.

There are those who maintain that elegant travel flourished only in a bygone era. Now comes the 1986 Caprice Classic Brougham, a plush new Chevrolet that renews the tradition with impeccable style.

Blending refined form with impressive function, Brougham sets a beautiful standard of affordable excellence. A full vinyl roof, center pillar applique of bright brushed metal, and an identifying nameplate enhance

the formal profile of Caprice Classic's sculpted roof line. Like all Caprice models, Brougham wears an impressive new grille and revised bumper and headlamp treatments. Distinct new tail lamps help complete the exterior refinements for 1986.

Of course, polished performance is as important as tasteful appearance. The 4.3 Liter V6 with Electronic Fuel Injection and automatic transmission does not disappoint.

An optional 5.0 Liter V8 with 4-speed overdrive automatic is also available. With Brougham's ample power, exceptional smoothness and quiet ride, your travel will be first class all the way.

The new Caprice Classic Brougham. The most exclusive way to say Chevrolet.

Caprice Classic Brougham Sedan.

Caprice Classic Brougham. The Inner Rewards.

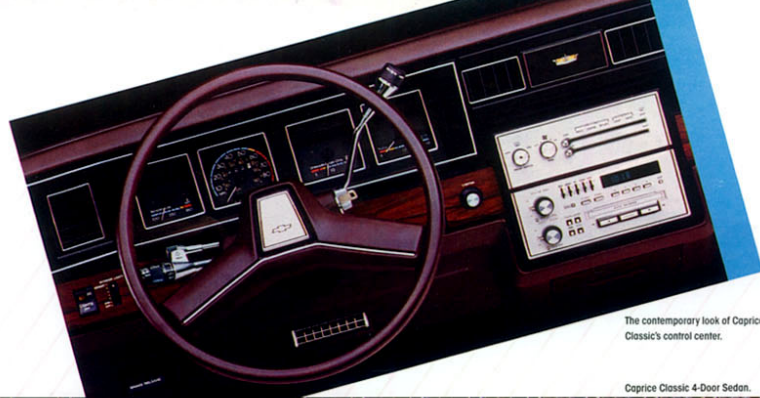

Caprice Classic Brougham surrounds you and your passengers with uncompromised luxury. Here, six adults stretch out into posh full-size surroundings—an important consideration in today's world.

All occupants of Caprice Classic Brougham's interior compartment will find themselves accommodated on full foam cushioned seats built for uncommon comfort. A distinctive fabric rewards the good taste of those who choose to travel in Brougham. As the driver of this sumptuous vehicle, you'll particularly appreciate the new "pillow-design" 55/45 split front seat with pull-down center armrest. Available six-way power controls and Comfortilt steering allow you to personalize your driving position. The instrument panel, highlighted with the rich look of wood places all controls within convenient reach.

As you travel, you'll come to appreciate other Brougham amenities—a dome map light, individual front-door courtesy lights and plush 20-oz. carpeting. A full range of audio, convenience and power options additionally defines a level of elegance that is decidedly Caprice Classic Brougham.

Plush 55/45 front seat features luxurious new fabrics and pull-down center armrest.

The contemporary look of Caprice Classic's control center.

Caprice Classic 4-Door Sedan.

Caprice Classic. The Uncompromised Full-Size Car.

Classic in style and fluid in motion—that's Caprice Classic for 1986. From its graceful grille to its bold tail lamps; from the standard full wheel covers to the functional aerostyle mirror, you'll admire the refinement of this enduring design.

Caprice's celebrated ride has also been improved this year. Shock absorber refinements

help smooth out rough road surfaces, while more effective acoustic materials provide a new sense of quiet. The responsive 4.3 Liter V6 engine with Electronic Fuel Injection offers performance you might not expect.

Whether your choice is the popular, practical 4-door sedan or the handsome 2-door coupe,

you'll enjoy all the full-size virtues you've come to expect from Caprice Classic.

As a member of the best-selling line of full-size cars of their kind for 14 consecutive years, this is the family car that keeps America coming back for more.

Inside Caprice Classic. A Deep-Seated Tradition of Luxury.

A look inside the 1986 Caprice Classic reveals the tasteful spaciousness that's the secret of this car's success. The expansive seats, newly styled and covered in rich fabrics, promise comfort for six adult passengers. When it comes to matching Caprice Classic's leg, head, and shoulder room, most smaller cars don't even come close.

There's even a center pull-down armrest up front for your convenience. An elegant new door panel design includes relocated controls to the available power windows. And for 1986, you may specify the available six-way power adjustments for both left and right sides of the available 50/50 front seat.

Caprice Classic also offers a level of interior isolation you'll appreciate no matter where you travel. Yet when you want music in your life, a choice of several available audio systems provides the harmony you wish.

With luxury this abundant, it's no wonder Caprice Classic stays ahead of its competition, comfortably.

The available 50/50 seat features a pull-down center armrest.

Inside, Caprice features a front bench seat with pull-down center armrest.

Caprice. Pleasurable Road Car.

Welcome to Chevrolet's full-size value leader, the 1986 Caprice. With its six-passenger room, pleasing new appearance and precise road manners, this is a vehicle that gracefully responds to all your driving needs.

The secret of Caprice adaptability lies in its extraordinary built-in value. The list of standards includes a 4.3 Liter V6 engine with Electronic Fuel Injection, automatic transmission, power steering and brakes, all-season steel-belted radial tires, rugged full-frame construction and Full Coil suspension system with front stabilizer bar. Full wheel covers and bright rocker panel and window moldings add a luxury touch while a standard cloth bench seat with folding armrest enhances the comfort inside.

And while appearances are certainly important, it's Caprice's open-road performance that

makes this car such a pleasure to drive. Planning a weekend with the family at the cottage? Maybe a stint at a beachfront golf resort is more your style. Does a cross-country odyssey sound appealing? Perhaps a well-dressed night on the town.

Whatever your pleasure, fill Caprice's spacious 20.9-cu.-ft. trunk with luggage, groceries, sports equipment and supplies and head for your favorite destination. You'll find when it comes to any sort of travel, Caprice's combination of long-distance comfort and tireless performance is tough to beat.

Maybe that's why there are nearly 5 million full-size Chevrolets on the American road today.*

*Source: R. L. Polk & Co.

Caprice Sedan has a roomy 20.9-cu.-ft. trunk.

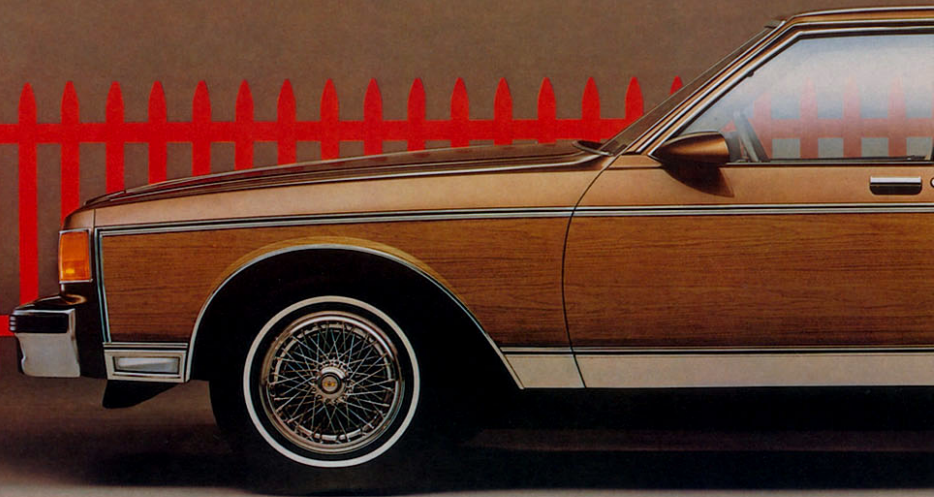

Properly equipped, the Caprice Classic Wagon can be a powerful towing vehicle. See the 1986 Chevy Recreation & Trailering Guide for details. Shown above, the Caprice Classic Wagon with available two-tone paint.

Three-way tailgate with power window allows easy loading. The rear seats fold down to accommodate 87.9 cu. ft. of gear.

Caprice Classic Estate Wagon.

Caprice Classic Wagon. Family Room on Wheels.

How do you tote a boat, load up the family, take a long haul and carry it all off with style? In a 1986 Caprice Classic Wagon. The versatile, flexible Caprice Classic is a plush three-seater with room for up to eight adults. Fold the rear seats down and you have 87.9 cubic feet of load space, with width enough for the proverbial 4' sheet of plywood. It all adds up to luxury

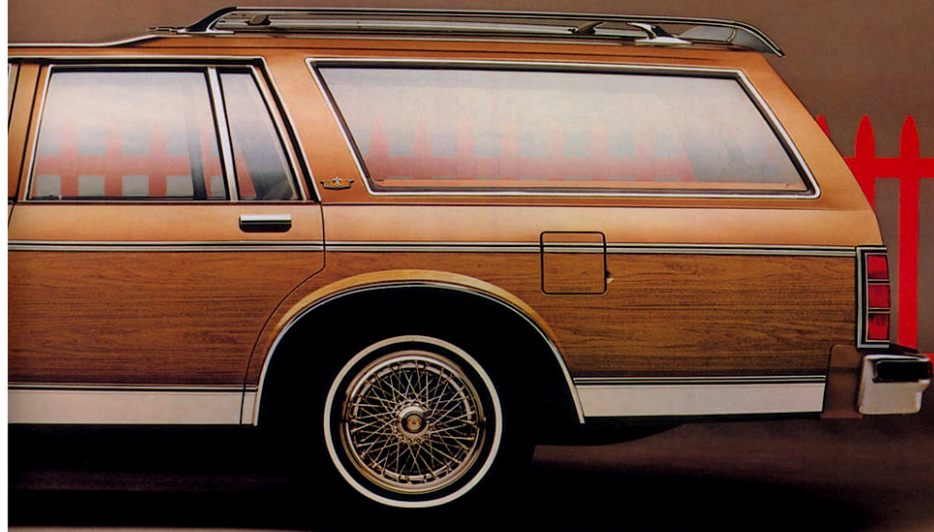

and convenience that's harder to find than a clean-faced five-year-old.

Outside, there's a fresh new frontal ensemble that's sure to draw admiring glances. Inside, the decor merits the Caprice Classic nameplate, with an all-vinyl 50/50 front seat option that's new this year. In the back, the three-way tailgate makes getting at Caprice's wide-open space quick and easy, no matter what the load.

And speaking of loads—a big wagon would be incomplete

without a power reserve for those really substantial jobs; again, Caprice Classic doesn't disappoint. A 5.0 Liter V8 engine and 4-speed automatic over-drive transmission are both standard equipment.

The Caprice Classic Wagon. Everything you'd want in a car... in a wagon.

A Word About Assembly, Components and Optional Equipment in These Chevrolets.

The Chevrolets described in this catalog are assembled at facilities operated by General Motors or GM of Canada. These vehicles incorporate thousands of different components produced by car groups and various component divisions of General Motors and by various suppliers worldwide to General Motors. From time to time during the manufacturing process, it may be necessary, in order to meet public demand for particular vehicles or equipment, or to meet federally mandated emissions, safety and fuel economy requirements, or for other reasons, to produce Chevrolet products with different components or differently sourced components than initially scheduled. All such components have been approved for use in Chevrolet products and will provide the quality performance associated with the Chevrolet name.

With respect to extra-cost optional equipment, make certain you specify the type of equipment you desire on your vehicle when ordering it from your dealer. Some options may be unavailable when your car is built. Your dealer receives advice regarding current availability of options. You may ask the dealer for this information. GM also requests the dealer to advise you if an option you ordered is unavailable. We suggest that you verify that your car includes optional equipment you ordered or, if there are changes, that they are acceptable to you.

Important: A Word About This Catalog.

We have tried to make this catalog as comprehensive and factual as possible. However, since the time of printing, some of the information may have been updated. Also, some of the equipment shown or described throughout this catalog is available at extra cost. Your dealer has details and before ordering, you should ask him to bring you up to date. The right is reserved to make changes at any time, without notice, in prices, colors, materials, equipment, specifications and models. Check with your Chevrolet dealer for complete information.

Commitment to Excellence

Chevrolet enhances your ownership experience with its "Commitment to Excellence," a customer satisfaction program that brings you an extensive system of services and benefits. The program includes:

- Vehicle identification cards to speed your service request at the dealership.
 - Special rates and reservation service at participating hotels, motels and car rental agencies.
 - Hotel/motel and car rental guides.
 - Preregistered key-return service.
 - A "Let's Talk" booklet of service signals.
 - A glove compartment organizer.
 - An improved delivery procedure that includes an inspection checklist and orientation drive.
- Chevrolet's "Commitment to Excellence" is another way Chevrolet takes care of you for as long as you own your car.

A Word About Updated Service Information.

Chevrolet regularly sends its dealers useful service bulletins about Chevrolet products. Chevrolet monitors product performance in the field. We then prepare bulletins for servicing our products better. Now you can get these bulletins, too. Ask your dealer. To get ordering information, call toll-free 1-800-551-4123.

A Word About Engines.

Chevrolets are equipped with engines produced at facilities operated by GM car groups, subsidiaries or affiliated companies worldwide.

Let's Get It Together... Buckle Up.

Every new 1986 Caprice delivered by a Chevrolet dealer in the United States comes with a one-year, \$10,000 safety belt user insurance certificate from MIC General Insurance Corporation at no additional charge. \$10,000 will be paid to the estate of any occupant who suffers fatal injuries as a result of an accident involving that vehicle while wearing a GM safety belt. Buckle up every time you drive.

At your Chevy dealer's, financing or leasing your new Caprice can be as easy as saying GMAC.

Back cover: Caprice Classic Coupe with available Landau Equipment Package.
