SUBURBAN

FREDERIC AUTO COMPANY

Chevrolet-Oldsmobile

Ph. 327-4217 Frederic, Wis. 54837

SUBURBAN.

POWER TO TOW, ROOM TO GO.

What makes Suburban America's most versatile truck-wagon? Plush interior comfort, expansive flexible

room, responsive V8 power and impressive towing capacity.* All available in your choice of 1/2- or 3/4-ton models, with 2- or 4-wheel drive.

What makes Suburban Chevy tough? Its rugged truck frame—the same type

frame that undergirds Chevy's robust full-size pickups. Suburban also boasts double-wall construction in doors and front fenders, a computer-matched braking system, high-capacity front and rear axles and many of the other

husky components that make Chevy trucks solid performers year after year.

In the gutsy available 4x4 model, Suburban really shows its grit. When you order the available automatic hub/synchronous transfer

case system, this eager back-roader allows nonstop shifting at speeds up to 25 MPH from 2WD to 4WD High. Standard 4WD equipment features no-nonsense manual hubs and nonsynchronized transfer case. Whichever arrange-

ment you choose, Suburban's 4x4 mobility is a real advantage, whether you're rim-deep in up-country mud or facing down a stretch of urban snow.

Versatile convenience—that's what Suburban is all about. Conveying you in

spacious room with carlike comfort when your travel plans demand the adaptability and toughness of a Chevy truck.

*See Trailering Chart, page 8 for details.

K20 Suburban Scottsdale Special Two-Tone in Light Blue and Silver. Shown on cover: C10 Suburban Silverado with Exterior Decor Package in Indian Bronze Metallic and Doeskin Tan.

C10 Suburban Silverado with Exterior Decor Package in Apple Red and Doeskin Tan.

INSIDE SUBURBAN.

SPACIOUS LUXURY.

When you enter the world of Suburban, you step up to space that seems to sweep on forever, filled with appointments that enfold you in style.

Suburban makes three trim levels available: Silverado, with such amenities as door-to-door carpeting and your choice of luxurious velour or grained vinyl, is top-of-the-line-elegant. Family-room-comfortable Scottsdale pro-

vides color-keyed floor mats, cowl and headliner insulation as well as other interior and exterior items. Standard Custom Deluxe builds a basic level of comfort into your truck. New and standard on all Suburbans this year are

fluidic arm window washer/wipers and an attractive new front-end treatment and grille.

No matter which trim level you choose, Suburban loads up more people or cargo than any car-type wagon. You'll find rear access

to Suburban especially convenient, through your choice of standard panel doors or an optional wagon-type tailgate. Inside, when both the available second and third seats are added to Suburban, up to nine passengers can ride

comfortably. And you still have nearly 40 big cu. ft. of cargo space in back. Remove the third seat and fold the second flat and you'll open up more than 165 cu. ft. of cargo room, capable of hauling payloads, when Suburban is

properly equipped, of up to 3,911 lbs. That's capacity to handle almost anything you want to carry around.

Scottsdale trim in Saddle Tan Custom Cloth.

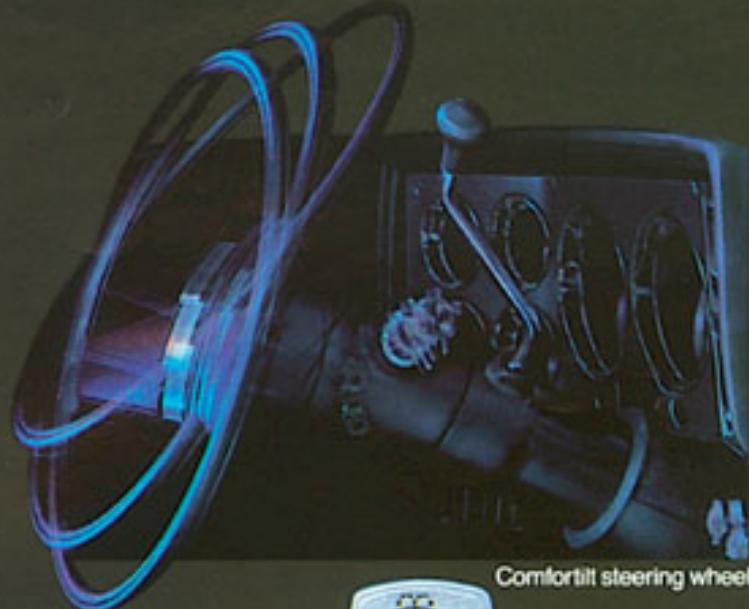

Versatile Suburban offers passenger accommodations ranging from three to nine; cargo capacities range from 39.5 to over 165 cu. ft.

Silverado trim in Saddle Tan Custom Cloth with optional front buckets, second and third seats.

The GM Protection Plan.

An option that offers service protection in addition to that provided by GM's new-vehicle limited warranty. Available only in the U.S. and Canada for the 1985 model year. Ask your dealer about this option.

As part of the 1985 Chevrolet new-vehicle limited warranty, your Chevy truck includes three-year perforation-from-corrosion coverage. Exhaust system components not included. See your Chevy dealer for details and other limitations.

For information on any new Chevy truck. See your Chevy dealer for a complete selection of 1985 truck catalogs. They cover

- Chevy S-10 Blazer
- 4WD Blazer
- Chevy S-10 Pickup
- full-size Chevy Pickup
- full-size Chevy Pickup
- El Camino
- Sportvan
- Chevy Van
- Step-Van
- Astro Passenger Van
- Astro Cargo Van
- all Medium-Duty Chevys and the
- Chevy Recreation & Trailering Guide.

NOTHING WORKS LIKE A CHEVY TRUCK

Important: A word about this catalog. We have tried to make this catalog as comprehensive as possible and we hope you find it helpful. However, since the time of printing, some of the information you will find here may have been updated. Also, some of the equipment shown or described throughout this catalog is available as factory-installed options, dealer accessories, and specialized equipment from various independent suppliers at extra cost. Your dealer has details and, before ordering, you should ask him to bring you up to date. The right is reserved to make changes at any time, without notice, in prices, colors, materials, equipment, specifications and models. Check with your Chevrolet dealer for complete information.

A word about updated service information.

Chevrolet regularly sends its dealers useful service bulletins about Chevrolet products. Chevrolet monitors product performance in the field. We then prepare bulletins for servicing our products better. Now you can get these bulletins, too. Ask your dealer. To get ordering information, call toll-free 1-800-551-4123.

A word about assembly, components and optional equipment in these Chevrolet products. The Chevy Suburbans described in this catalog (Series C10, C20, K10 and K20) are assembled at facilities operated by General Motors or GM of Canada. These vehicles incorporate thousands of different components produced by car and truck groups and various component divisions of GM and by various suppliers to General Motors. From time to time during the manufacturing process, it may be necessary, in order to meet public demand for particular vehicles or equipment, or to meet federally mandated emissions, safety and fuel economy require-

ments, or for other reasons, to produce Chevrolet products with different components or differently sourced components than initially scheduled. All such components have been approved for use in Chevrolet products and will provide the quality performance associated with the Chevrolet name.

With respect to factory-

installed extra-cost optional equipment, make certain you specify the type of equipment you desire on your vehicle when ordering it from your dealer. Some options may be unavailable when your vehicle is built. Your dealer receives advice regarding current availability of options. You may ask your dealer for this information. GM also requests the dealer

to advise you if an option you ordered is unavailable. We suggest that you verify that your vehicle includes the optional equipment you ordered or, if there are changes, that they are acceptable to you.

These vehicles are also available under the GMC nameplate GMC Suburban Series C1500, C2500, K1500, K2500.

A word about engines. Chevrolet trucks are equipped with engines produced at facilities operated by GM car and truck groups, subsidiaries or affiliated companies worldwide.

Let's get it together... buckle up. Every new 1985 Suburban delivered by a Chevrolet dealer in the United States comes with a one-year, \$10,000 seat belt insurance certificate from MIC General Insurance Corporation at no additional charge. \$10,000 will be paid to the estate of any occupant who suffers fatal injuries as a result of an accident involving that vehicle while wearing a GM seat belt. Buckle up every time you drive.
