

1983 CHEVROLET CELEBRITY

# CELEBRITY 4-DOOR SEDAN

Come drive Chevrolet's new-generation Celebrity. The bright new shape of Chevrolet.

The handling of front-wheel drive, the comforts of a larger car. Now all in one car.

A shape so aerodynamic you use less than 12 HP to cruise at 80 km/h (50 MPH). Yet a shape so thoughtfully engineered you enjoy front-seat leg room nearly equal to that of the biggest full-size

cars. And a big 16 cu. ft. trunk behind it all.

A car that gives you a feeling of poised precision on the road. Quick, true steering response. Yet a car you have to drive to believe its

smoothness, room, comfort and quiet.

Open up this catalogue, open up the 1983 Celebrity. See everything engineered for you. In the bright new shape of Chevrolet.

Shown above and on cover, Celebrity Sedan.

Celebrity CL Custom Interior. Seats shaped the way people are shaped. Room to relax. Plus sound-isolating materials that muffle road noise.

# CELEBRITY 2-DOOR COUPE

Celebrity standard front bench seat with folding centre armrest.

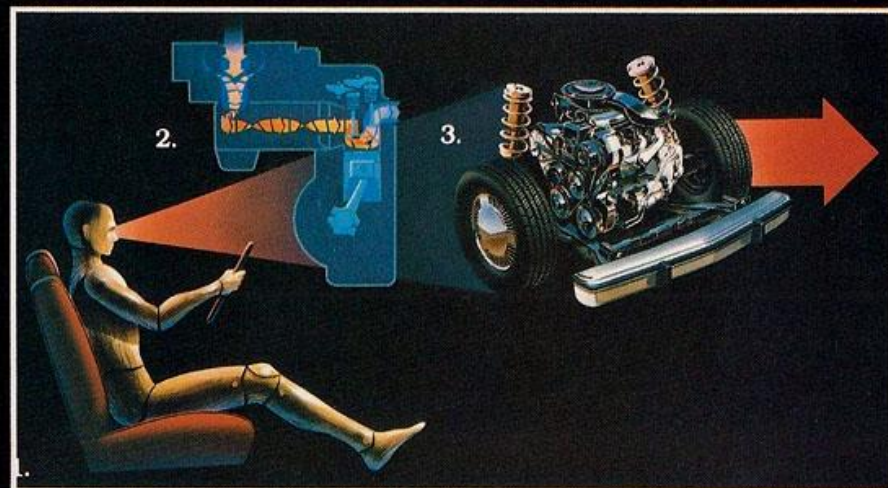

Celebrity is a superb front-wheel drive road car that's nimble and quick in the turns, sure and steady on the straightaways.

# TECHNOLOGY

1. Ergonomics come into play in every square foot of Celebrity's passenger compartment, with seats, controls and instruments strategically placed for maximum driver efficiency and convenience.
2. Standard transverse-mounted 2.5 Litre engine.
3. Celebrity delivers the traction of front-wheel drive plus the responsiveness of power rack-and-pinion steering.

Superb road feel, plus over six feet of combined front- and rear-seat leg room – all come together with great style in Celebrity, Chevrolet's largest front-wheel drive car.
