

# 1982 CORVETTE

*Chevy makes good things happen.*

**Chevrolet**

Corvette Coupe.

# 1982 Corvette

This is a whole new kind of Corvette.

It is still the road-rapacious sports car that's always been capable of inhaling great chunks of tormented 2-lane tarmac and leaving you exhilarated even after long, 1000-mile days in the saddle. It's still the time and space machine it's always been.

But there's a new civility now, predicated in large part on two engineering advances for 1982. Cross-fire fuel injection and a 4-speed automatic transmission with overdrive fourth gear so good in every aspect of driving usage that the manual transmission has been deleted.

There's a new quality about Corvette too. A space age standard of fit and finish quality that is rigidly imposed and then double-checked by workers and inspectors at Corvette's new 1-million-square-foot plant in Bowling Green, Kentucky.

And for this year, a unique and distinguished Corvette... the special "Collector Edition".

This is the Corvette to covet. From its raised white-lettered Eagle GT tires to its frameless hatchback, the "Collector Edition" is, we believe, the finest all-around 2-seater in the world.

*Corvette Coupe.*

*Frameless glass-hatch design with remote release is standard on the "Collector Edition" Hatchback Coupe.*

*Aircraft-style centre console and full gauge instrumentation are standard. NOTE: Speedometers in Canada have major scale in km/h, secondary in mph and*

*Corvette standard interior.*

Multi-tone full leather seats highlight the "Collector Edition" special interior.

Corvette Collector Edition Hatchback Coupe.

#### Exterior Dimensions: Millimetres (Inches)

Wheelbase	2489 (98.0)
Length (overall)	4707 (185.3)
Width (overall)	1753 (69.0)
Height (loaded)	1219 (48.0)
Tread - front	1491 (58.7)
Tread - rear	1511 (59.5)
Fuel tank capacity: Litres (gals)	90.8 (20)

#### Interior Dimensions: Millimetres (Inches)

Head room - front	919 (36.2)
Leg room - front	1069 (42.1)
Hip room - front	1267 (49.9)
Shoulder room - front	1206 (47.5)
Usable trunk capacity: Litres (cu. ft.)	234 (8.4)

#### Corvette Power Teams

Engine	Ordering Code	Displacement (cu. in.)	Engine Availability	Transmission Availability
5.7 Litre Cross-fire Injection V8(A)	L83	350	Std.	Std. 4-speed automatic with overdrive

Std. = Standard (A) = Produced by GM - Chevrolet Motor Division, U.S.A.

Computer Command Control System (NB1) standard.

Caution: The use of leaded fuel will cause the Computer Command Control System to malfunction.

See your Chevrolet salesperson for Transport Canada approved fuel consumption estimates for all Corvette models.

#### A WORD ABOUT ENGINES

Some Chevrolets are equipped with engines produced by other GM division, subsidiaries, or affiliated companies worldwide. See your dealer for details.

# Corvette Major Standard Equipment

	Corvette Sport Coupe	Corvette Collector Edition
<b>EXTERIOR</b>		
Anti-theft alarm system with starter-interrupt feature	S	S
Front fender louvres	S	S
Front cornering lamps	S	S
Specific "Collector Edition" emblems – front, sides, rear	NA	S
Power-operated retractable headlamps	S	S
Quad headlamps with halogen hi-beam inner units	S	S
Dual remote-controlled outside sport mirrors	S	S
Tinted glass	S	S
Special silver-beige metallic finish	NA	S
Removable roof panels with solar screening	EC	S
Steel wheels with centre hub and trim rings	S	NA
Finned aluminum wheels	NA	S
Frameless rear hatch glass with remote release	NA	S
Body-colour front bumper with integral air dam	S	S
Energy-absorbing bumper systems	S	S
Corrosion-resistant steel-reinforced fiberglass body	S	S
Concealed dual-speed wipers with integral washers and wiper arms	S	S
<b>INTERIOR</b>		
Leather-trimmed vinyl or all-cloth bucket seats	S	NA
Full-leather bucket seats	NA	S
Soft-padded and carpeted door panels	S	S
Moulded shell seats with high-pivot folding backs	S	S
Power windows	S	S
Electric rear window defroster	S	S
AM/FM push-button radio with dual front speakers and mast antenna	S	S
Air conditioning	S	S
Time-delay dome and courtesy lights	S	S
Headlamp-on reminder	S	S
Low-fuel warning lamp	S	S
Illuminated RH visor vanity mirror	S	S
Leather-wrapped steering wheel rim	S	S
Tilt-Telescopic steering wheel and column	S	S
Glove compartment lock and lamp	S	S
Intermittent windshield wipers	S	S
7,000-RPM electronic tachometer	S	S
Voltmeter, temperature, fuel and oil pressure gauges	S	S
Quartz analog electric clock with sweep-second hand	S	S

	Corvette Sport Coupe	Corvette Collector Edition
Cigarette lighter and ashtray	S	S
Resettable trip odometer	S	S
Centre console with shifter, coin tray, window, mirror and air conditioning controls	S	S
Day/night rearview mirror	S	S
Deep-twist floor and stowage area carpet	S	S
Acoustical insulation package	S	S
Luggage compartment concealment shade	S	S
<b>POWER TEAMS/CHASSIS/MECHANICAL</b>		
Computer Command Control	S	S
5.7 Litre CFI V8 engine (Cross-Fire Injection)	S	S
Automatic transmission with overdrive fourth gear	S	S
Aluminum intake manifold with tuned runners	S	S
Stainless steel exhaust manifolds and free-flow mufflers	S	S
Hydraulic valve lifters and exhaust valve rotators	S	S
Magnesium valve rocker covers	S	S
Black wrinkle-finish air cleaner	S	S
Hood outside-air duct	S	S
Electric in-tank fuel pump	S	S
Low-drag engine primary cooling fan	S	S
Auxiliary electric engine cooling fan	S	S
High Energy Ignition system	S	S
Freedom II battery with sealed side terminals	S	S
Power steering with ball-race gear	S	S
Power disc brakes at all four wheels	S	S
Exclusive monoleaf fiberglass rear spring design	S	S
New driveshaft seals and splash shields	S	S
New, larger drive shaft universal joints	S	S
Sturdy frame structure with corrosion-resistant coating	S	S
Fully independent four-wheel suspension	S	S
Delcotron generator with built-in solid-state regulator	S	S
P225/70R-15B steel-belted radial ply tires	S	NA
P225/60R-15B steel-belted radial ply white-lettered tires	EC	S
Compact spare tire	S	S
Side-lift jack	S	S
Underhood lamp	S	S

S–Standard EC–Optional at Extra Cost NA–Not Available

## Options

Listed below are some of the available equipment choices to help you customize your 1982 Corvette. For other optional equipment and their availability, see your Chevrolet dealer.

• Electric twin remote control sport mirrors • Roof panel carrier • Power door lock system • Delco radios: AM/FM stereo radio • Electronically tuned stereo radio with 8-track tape player • Electronically tuned stereo radio with cassette tape player • Electronically tuned stereo radio with Citizens Band and cassette tape • Power antenna (included with Citizens Band radio) • Removable glass roof panels • Automatic speed control with 'resume speed' feature • Gymkhana suspension includes rear stabilizer and bushings, higher-rate springs and special shock absorbers • Tires: P225/70R-15 or P225/60R-15 steel-belted radial ply white-lettered • Six-way power driver's seat • Aluminum wheels • Custom two-tone exterior paint.

## Exterior Colours

Choose from 11 high-lustre acrylic finishes or several available Two-Tone combinations. Colours: White, Silver Metallic, Black, Silver Blue Metallic, Dark Blue Metallic, Silver Green Metallic, Bright Blue Metallic, Gold Metallic, Charcoal Metallic, Red, Dark Claret Metallic.

Corvette "Collector Edition" features an exclusive Silver Beige Metallic exterior finish.

## Interiors

Corvette is available in a choice of four cloth interiors: Silver Gray, Dark Blue, Camel and Dark Red; or select from six available leather trims: Silver Gray, Charcoal, Dark Blue, Green, Camel or Dark Red. Corvette "Collector Edition": features full leather seats in an exclusive Silver Beige multi-tone trim.

## Safety Features

### OCCUPANT PROTECTION

Manual lap/shoulder belts with push-button buckles for driver and right front passenger (driver's side includes visual and audible warning system) • Energy-absorbing steering column • Passenger guard door locks • Safety door latches and stamped steel hinges • Folding seat back latches • Energy-absorbing padded instrument panel with anti-reflective upper surface • Laminated windshield/tempered side and rear glass • Safety armrests • Identification symbols for controls and displays.

### ACCIDENT AVOIDANCE

Side marker lights and reflectors • Parking lamps that illuminate with headlamps • Four-way hazard warning flasher • Backup lights • Lane change feature in direction signal control • Windshield defrosters, washer and dual-speed wipers with time-delay feature • Vinyl-edged inside mirror • Dual outside rearview mirrors • Dual master cylinder brake system with warning light • Starter safety switch.

### ANTI-THEFT

Audible anti-theft ignition key reminder • Anti-theft steering column lock • Anti-theft audio alarm system with starter-interrupt feature • Inside hood release.

## A word about assembly, components and optional equipment in these vehicles.

The vehicles described in this brochure are assembled at various Divisions of General Motors Corporation. These vehicles incorporate thousands of different components produced by General Motors of Canada Limited and related companies and their suppliers. From time to time during the manufacturing process, it may be necessary, in order to meet public demand for particular vehicles or equipment, or to meet federally mandated emission and safety requirements or fuel economy guidelines, or for other reasons, to produce vehicles with different components or differently sourced components than initially scheduled. All such components have been approved for use in our products by General Motors of Canada Limited or related companies and will provide the quality performance associated with our name.

Please note that certain optional equipment can be ordered only in conjunction with other optional equipment. Also, upgrading from specified standard equipment may be necessary when certain optional equipment is ordered. Ask your sales representative for details.

With respect to extra cost optional equipment, make certain you specify the type of equipment you desire on your vehicle when ordering it from your dealer. Some options may be unavailable when your car is built. Your dealer receives advice regarding current availability of options. You may ask the dealer for this information. GM also requests the dealer to advise you if an option you ordered is unavailable. We suggest you verify that your car includes the optional equipment you ordered or, if there are changes, that they are acceptable to you.

All illustrations and specifications contained in this catalogue are based on the latest product information available at time of publication approval. The right is reserved to make changes at any time, without notice, in prices, colours, materials, equipment, specifications and models, and to discontinue models. Some of the equipment shown or described throughout this catalogue is available at extra cost. Check with your Chevrolet dealer for complete information.
