

AVEO

It's time to break a few rules. Like the one that says practical means ordinary, or that you have to sacrifice space for style. With the new Chevrolet Aveo, you get it all. Inside, the Aveo is equipped to handle everything life brings your way. From the outside, sleek lines and smooth curves get you noticed everywhere you go. Read on to find out why the Aveo is a car in a whole different class.

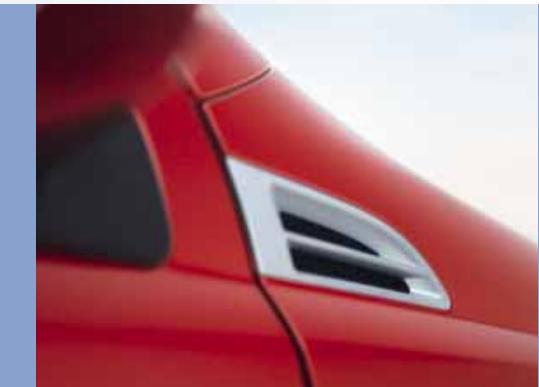

## A partner for life.

From quick shopping runs to long distance trips, the new Aveo is designed to make every drive more comfortable and convenient. Whether you choose the nimble 3-door or stylish 5-door hatchback, the Aveo offers exceptional handling and ride quality for city streets and open roads alike. All with a spacious interior, a generous list of standard features and a flexible luggage area with fold-down seats to carry any kind of load with ease. Wherever life takes you, the Aveo is ready to help you enjoy it with style.

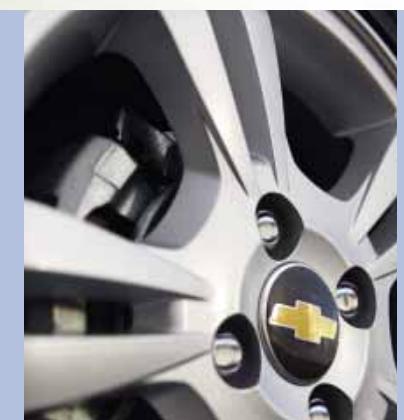

## Create a first impression that lasts.

When you drive the new Aveo, expect some admiring glances because from every angle, its design makes a clear statement. Clean lines are combined with striking touches to give the Aveo a character unlike any other car in its class. That includes tapered headlights that accentuate the aerodynamic body, a wide grille that exudes confidence and power, and on LT models dynamic double-spoke alloy wheels that enhance the side profile. Even the expressive rear lights play with shape to increase safety as well as style. Take one look at the new Aveo, and you'll be hard pushed to forget it.

## Make yourself at home.

While the body is stylish, the interior of the new Aveo is downright surprising. Created to maximize space and comfort, the Aveo features plenty of headroom for taller drivers, plus generous shoulder room for front and rear passengers alike. For longer trips, the contour-padded seats provide exceptional support, while features like air-conditioning make it easy to keep the temperature comfortable. The more you drive the Aveo, the more you notice that it is a car built with care. To always make you feel right at home.

## Everything at your fingertips.

Get behind the wheel of the new Aveo, and you'll find that every detail combines modern style with greater practicality. That begins with a layout that places every control within easy reach, so you never have to stretch or search for what you need. From the audio system and built-in MP3 aux-in jack to the power windows, you can adjust them all without having to take your eyes away from the road. To ensure perfect visibility, the Aveo also features a higher seating position for the driver. So every ride isn't just more safe, but far more comfortable.

Side pockets on each front door place maps and other items in easy reach.

Slide-out cupholders in the centre console keep drinks steady.

A useful clothes hook prevents jackets and dry cleaning from becoming creased.

## More space in more places.

Whatever you want to take along for the ride, the new Aveo is ready to carry it with ease. Open the boot, and you'll find an impressive 220 litres of luggage room – plenty of space for everything from suitcases to the weekly shopping. Thanks to the wide-opening tailgate, loading and unloading couldn't be more convenient. For smaller items, the Aveo features plenty of innovative storage compartments for maps, keys, mobile phones and more. Each one is easy to reach while you're on the road, and able to keep items out of sight while you're away from the car.

A convenient sunglasses tray is perfectly positioned for the driver.

Along with large pockets behind the front seats, the Aveo features a handy side pocket for smaller items.

60/40 split rear seats give you the flexibility to carry all kinds of cargo with ease.

Use the spacious glove box to keep wallets, phones and other valuables out of sight.

Front seat belt pretensioners  
plus rear seat ISOFIX mounts  
help keep occupants safe.

Anti-lock brakes are standard to help you stop more safely in all conditions.

## Safety without compromise.

Safety should never be treated as an option, which is why the new Aveo features advanced passive and active safety technology as standard. That begins with anti-lock brakes (ABS) for greater stopping power. Two front airbags, plus two side airbags offer improved protection. Seat belt pretensioners to keep driver and front passenger more stable in the event of a collision. Rear seat ISOFIX mounts for child seats. All within a body that features a reinforced safety cage and specially designed crumple zones with impact-absorbing bumpers. That's how the Aveo delivers protection you can count on.

## Accelerate your driving pleasure.

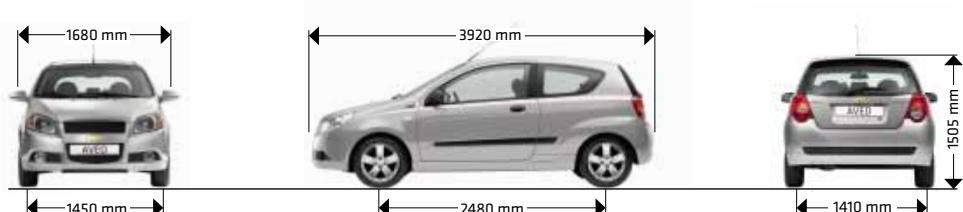

When it comes to power, the new Aveo is built to perform. Every engine in our range combines strong performance with outstanding fuel economy and reliability. For city and suburban driving our 62 kW/84 PS engine offers a perfect balance of efficiency and quick acceleration. If you often take to the open road, our 74 kW/100 PS is just right for the passing lane. No matter which engine you choose, both are designed for low CO<sub>2</sub> emissions. Ask your local Chevrolet retailer for more details.

## Chevrolet. Always there for you.

For over a century, the name Chevrolet has stood for great cars built to meet the demands of real life. That means creating cars which not only offer expressive style, but more practical features and proven reliability to help you make the most of every day. From individual drivers to large families, city streets to the open road, every model in the Chevrolet range delivers on our promise of quality and satisfaction, always at an affordable price. And we're already shaping the future by enhancing our cars to offer new fuel alternatives, added versatility and an even greater driving experience. To date, more than 1 million drivers across Europe have made the Chevrolet legend their own. Together with our network of 2,500 dealers, we look forward to welcoming your family to ours.

## CHEVROLET OWNER PRIVILEGES.

Every Chevrolet comes with a comprehensive warranty and commitment from us to you:

- 3 years' or 60,000 miles comprehensive warranty FREE
- 6 year anti-perforation corrosion warranty with no mileage restrictions FREE

IMPORTANT NOTICE: Chevrolet UK Ltd is constantly seeking ways to improve the specification, design and production of its vehicles and alterations take place continually. Whilst every effort is made to produce up to date literature, this UK market brochure should not be regarded as an infallible guide to current specifications, nor does it constitute an offer for sale of any particular vehicle. Owing to the print limitations of re-producing paint colours on paper, the colours shown here can only be taken as a general guide to the range of colours available.
