2006 COBALT

WANT TO REALLY STAND OUT? The style is confident. The lines are clean. The engineering and manufacturing are tremendously sophisticated, with three advanced ECOTEC engines, high-quality materials throughout and impeccable fit and finish. So much more than you ever dared expect from a compact car before – including more choice, with eight Coupe and Sedan models highlighted by the 205 horsepower SS Supercharged Coupe. The car that stands out in so many ways. Chevrolet Cobalt. For All Life's Roads.

CHEVROLET

FOR ALL LIFE'S ROADS

For more information about Cobalt visit our Web site at
cobalt.gmcanada.com

SS

THE ENGINEERING ALSO STANDS OUT. Cobalt's purposeful stance is matched by a purposeful approach to engineering. The results can be seen in the new SS Coupe and Sedan models. They are powered by a new 171 horsepower 2.4L ECOTEC variable valve timing (VVT) engine. SS models also feature four-wheel disc brakes with ABS, 17-inch wheels, and a sport-tuned suspension with monotube shocks. Cobalt SS – judge it by the way it looks; then judge it by the way it drives.

LEFT: SS Coupe, shown in Victory Red. RIGHT: SS Sedan, shown in Laser Blue Metallic.

SS Coupe interior, shown in Ebony with available heated, leather-appointed front seats.

SS INTERIOR

YOU CAN ALSO DESCRIBE THE SOUND SYSTEM AS HIGH OUTPUT. Refined, yet powerful. That description applies to the SS interior, not just its engineering. The power is in the form of the standard seven-speaker amplified premium Pioneer sound system that pumps out 228 watts. Once you settle into the sport-contoured front bucket seats and grip the leather-wrapped steering wheel, the refinement reveals itself. Sounds like it's time for a test drive.

CENTURY
AUTO.CA

KEY FEATURES:

- 171 hp 2.4L ECOTEC engine with variable valve timing
- Four-wheel disc brakes with ABS
- Sport-tuned suspension with monotube shocks
- 17 in. polished aluminum wheels
- Seven-speaker 228-watt amplified Pioneer sound system with a 10-in. subwoofer
- MP3-compatible CD player
- Available OnStar.

SEDAN

IT'S NOT JUST A SEDAN, IT'S A COBALT. What defines Cobalt Sedan isn't simply the fact that it has four doors. It's the fact that it's a Cobalt. With all the flair and quality that has drawn so much attention to this new generation Chevrolet. The LTZ Sedan further embellishes the Cobalt personality with its own unique touches, including chrome exterior accents. Cobalt – opening doors to a more expressive compact sedan.

MAIN: LTZ Sedan, shown in Black with available equipment.

INSET: LT Sedan, shown in Black with available equipment.

LTZ interior with leather-appointed seating, shown in Neutral.

Sedan INTERIOR

YOU'LL WARM TO IT VERY QUICKLY. On your quest for a premium compact car, you may want to begin with Cobalt LTZ. It features front bucket seats with leather-appointed seating surfaces. And it offers the uncluttered lines shared with all Cobalts, plus the LTZ's distinguished look of wood grain-like accents throughout the interior. Once you experience Cobalt, you'll quickly warm to the idea of a return engagement, particularly since the LTZ's front bucket seats are also heated.

KEY FEATURES:

- 145 hp 2.2L ECOTEC dual overhead cam engine
- Five-speed Getrag manual transmission on LS and LT
- Four-speed automatic transmission on LTZ
- Air conditioning on LT and LTZ
- Driver Information Centre
- CD player
- MP3-compatible CD player available on LT and LTZ.

BELOW: The seven-speaker 228-watt amplified Pioneer sound system with a 10-in. subwoofer is standard on LTZ.

COBALT

ITS QUALITY STORY HAS A VERY SOLID FOUNDATION. At the foundation of every Cobalt is a supremely rigid chassis. It contributes to Cobalt's sophisticated road manners by enabling suspension components to be more precisely tuned. The chassis also helps reduce squeaks and rattles and enhances Cobalt's durability. Cobalt – establishing a new base of quality.

MAIN: LS Coupe, shown in Sunburst Orange Metallic with available equipment.
INSET: LT Coupe, shown in Laser Blue Metallic with available equipment.

Cloth interior, shown in Gray with available features.

Coupe INTERIOR

EVEN THE STEEL IS QUIET. Who'd ever have thought of making a quieter form of steel? Chevrolet's engineers, that's who. Cobalt incorporates 75 separate features to make its interior extremely quiet, from its hood and trunk insulation to a sound-absorbing engine cover. And the frame's QuietSteel technology sandwiches a layer of elastic material between two thin sheets of steel for superior insulation from sound and vibration. Cobalt – its quietness speaks volumes.

**CENTURY
AUTO.CA**

KEY FEATURES:

- Contoured front bucket seats with driver's seat height adjuster
- 60/40 split-folding rear seatback with trunk pass-through
- Air conditioning, standard on all models except LS
- Tilt adjustable steering column
- Power door locks, windows and mirrors, standard on all models except LS
- CD player with 4-speaker sound system, standard on LS and LT.

SS

SUPERCHARGED

GOT IT. GOT IT. NEED IT. Slick exterior styling? Got it. A 205 horsepower 2.0L ECOTEC engine and M62 Eaton supercharger? Got it. Muscular 18-inch performance wheels and tires? Got it. Performance suspension components? Got it. Rear aero wing spoiler? Got it. Cobalt SS Supercharged. Need it. Today's "gotta have it" sport coupe.

SS Supercharged Coupe, shown in Rally Yellow.

SS Supercharged INTERIOR

LOOKING FOR A REAL CHARGE FROM YOUR DRIVING?

If your preferred form of driving runs on adrenaline, not just fuel, take your seat. Behind the wheel of the Cobalt SS Supercharged. Even better, take your position in the available leather-appointed, performance-oriented RECARO front bucket seats. Then scan the standard titanium-faced sport analogue gauge cluster and the supercharger boost gauge positioned on the A-pillar. Shift the short-throw five-speed manual transmission into gear. And take charge.

KEY FEATURES:

- 205 hp supercharged 2.0L ECOTEC engine
- Four-wheel disc brakes with anti-lock braking system (ABS)
- Five-speed short-throw performance manual transmission
- Performance suspension system
- 18-in. aluminum wheels and performance tires
- Rear aero wing spoiler
- Two-tone leather-appointed seating surfaces
- Available RECARO Performance Package includes leather-appointed RECARO front bucket seats and limited-slip differential.

BELOW LEFT: Leather-appointed RECARO front bucket seats, shown in Ebony.

BELOW RIGHT: The supercharger's boost gauge is positioned on the A-pillar for maximum visibility.

Performance & Technology

NO GAP BETWEEN CONCEPT AND EXECUTION. The idea was simple: build a compact car with the advanced engineering and technology found in more expensive luxury cars. Consider the gap tolerances between Cobalt's body panels: A variance of just .75 mm is allowed – a microscopic measurement that equals the precision of many high-end European imports. Flawless design, flawlessly executed.

Every Cobalt incorporates specific suspension components and settings. Touring, Sport-Tuned and Performance-Tuned suspension systems deliver the desired handling characteristics of their respective models.

Cobalt Supercharged SS Coupe has a real performance look, which is enhanced by the large 18-inch aluminum wheels. When you look closely you'll see the four-wheel disc brakes with ABS that's standard on SS and SS Supercharged models.

205 hp supercharged 2.0L ECOTEC engine.

THREE ENGINES. NO WAITING. Cobalt doesn't only offer an advanced all-aluminum ECOTEC engine with a dual overhead cam configuration and four valves per cylinder, maximizing both power and fuel efficiency – it offers three of them. The engine lineup starts with the 145 hp 2.2L L4, and also includes the 205 horsepower 2.0L supercharged L4, as well as the new 171 horsepower 2.4L engine with variable valve timing. The wait for a more responsive form of driving is over.

2.2L ECOTEC

The 145 hp 2.2L ECOTEC engine is standard on LS, LT and LTZ models. All three Cobalt engines include long-life spark plugs that are designed to last 166,000 km before replacement* and DEX-COOL engine coolant that lasts 5 years or 240,000 km (whichever comes first).*

*Maintenance needs vary with use and driving conditions. Please refer to the Owner's Manual for more information.

2.4L ECOTEC VVT

The 171 hp 2.4L ECOTEC L4 VVT engine is standard on SS models. It features variable valve timing that optimizes combustion timing to deliver 90 percent of its peak torque at just 2400 rpm, providing excellent responsiveness.

Cobalt ACCESSORIES

IT'S NOT JUST A COBALT. IT'S YOUR COBALT. Cobalt is built to reflect who you are. But don't stop there. You can transform your Cobalt into a personalized expression of your style and priorities - with GM Accessories. They are the only accessories that are integrated into the process of designing your vehicle, ensuring excellent fit, finish and functionality. And only GM Accessories are backed by GM's 3-year/60,000 km New Vehicle Limited Warranty.* They can also be included in your new-vehicle lease or finance agreement through GMAC. Ask your dealer for a complete list of the GM Accessories available for Cobalt, or visit gmcanada.com

*Whichever comes first, when permanently installed by the dealer at the time you purchase or lease your new vehicle.

GM Accessories available for Cobalt include:

- 16-in. and 18-in. aluminum wheels
- Rear deck-lid spoiler
- Stainless steel exhaust tip
- Custom-moulded splash guards
- Moulded hood protector
- Ventvisors
- Chrome Grille Package.

Chevrolet is known for building vehicles that deliver excellent value and dependability. One important aspect of Chevrolet value is represented by the advanced safety, security and convenience of OnStar.* OnStar uses advanced communications technology to enhance your peace of mind whenever you're in your Chevrolet. All it takes is a single push of the blue OnStar button usually located on the interior rear-view mirror, in the overhead console, or near the radio display – the button connects you with one of our specially trained OnStar Advisors. They are standing by, ready to provide support 24 hours a day, 365 days a year.

What can OnStar Advisors do for you? They can provide a wealth of information and perform a variety of services, including a remote diagnostic check of your vehicle's engine and electrical components. In an emergency, an Advisor will attempt to locate your vehicle, find out what assistance you need, and notify nearby emergency service providers. And if air bags are deployed in your vehicle, an Advisor will contact you to determine if you are in need of assistance.

Another convenient feature is OnStar Hands-Free Calling, a hands-free, voice-activated wireless technology integrated into your vehicle. It's there in case your hand-held phone is lost, forgotten or has a low battery. Even better, there are no additional monthly fees, or additional long distance and roaming charges. And as a new customer, you will receive 30 complimentary minutes good for two months after activation.

Now you can enjoy the peace of mind that comes with knowing you're doing all you can to help keep you, your family, and your vehicle safe. Just ask the almost 150,000 people who have become OnStar subscribers in Canada. How hard does OnStar work for you? The facts speak for themselves: every month in Canada OnStar Advisors handle an average of 9100 routing calls, 2500 emergency calls, 2600 door unlocks, and 625 Roadside Assistance dispatches.

OnStar offers two different service plans, allowing you to select the services that are most convenient for you. OnStar with one year of the Safe & Sound Plan is available on Cobalt LT, LTZ, SS and SS Supercharged models. The available Directions & Connections Plan offers all of the safety and security services included in the Safe & Sound Plan, plus you'll have access to driving directions and information and convenience services and RideAssist. See your dealer for more information on plans and services.

*OnStar services require vehicle electrical system (including battery), wireless service, and GPS satellite signals to be available and operating for features to function properly. Not all OnStar features are available on all vehicles. OnStar Hands-Free Calling requires a Hands-Free enabled vehicle, existing OnStar service contract, and prepaid calling minutes, and is not available in Alaska and some other markets. Calls may be made to the U.S. and Canada only. OnStar voice recognition system may not work with some voices. OnStar acts as a link to existing emergency service providers. Subscription Service Agreement required. Due to the transition of the wireless industry from analogue to digital technology, as of January 1, 2008, OnStar plans to offer service only through equipment that operates on the digital network, which may require the purchase of a system upgrade for eligible vehicles. Call 1.888.4.ONSTAR (1.888.466.7827), TTY 1.877.248.2080 or visit onstar.ca for OnStar's Terms & Conditions, Privacy Policy, and system limitations and details.

COMMITMENT

Every Chevrolet comes with peace of mind as a standard feature. We're not only committed to engineering and manufacturing vehicles that are rewarding to drive – we're equally committed to making the ownership experience just as responsive to your specific needs. You'll find that our comprehensive support programs make it easier to purchase or lease a Chevrolet Cobalt. They also help to protect you and your vehicle down the road. A powerful example of the level of protection you can expect is the GM TOTAL™ Warranty. It's so thorough it covers your vehicle – from the roof right down to the tires. So when you drive off the lot of your Chevrolet dealership, you can do so with total confidence. Peace of mind is knowing that your vehicle is built for the long haul, and is backed by a comprehensive warranty.

THE GM TOTAL™ WARRANTY:¹

The GM TOTAL™ Warranty is your promise of total warranty protection. It covers every new Chevrolet Cobalt for 3 years or 60,000 km.* Complete vehicle repairs are covered,** including parts and labour, with no deductible. The warranty includes:

- 3-year/60,000 km* complete vehicle repair coverage
- 6-year/160,000 km* corrosion perforation coverage
- 8-year/130,000 km* coverage on catalytic converters and powertrain control modules (PCMs).

*Whichever comes first. **To correct any defects in material or workmanship occurring during the warranty period. Regular maintenance is not included, nor is excessive wear and tear caused by reckless or negligent driving.

EXTENDED POWERTRAIN LIMITED WARRANTY:¹

Every Chevrolet Cobalt is also covered by a special Powertrain Component Warranty with no deductible for 5 years or 100,000 km.* So you can count on your Chevrolet Cobalt for much more than its styling and engineering – today, and down the road.

*Whichever comes first.

OTHER OWNERSHIP PRIVILEGES AND PROGRAMS:¹

- **Roadside Assistance** – 24/7 service via toll-free number during your warranty period, anywhere in Canada or the United States
- **Courtesy Transportation** – may be offered during the warranty period
- **GM Protection Plan (GMPP)** – the only extended services contract backed by the resources and commitment of General Motors, GMPP may be purchased at the time of your sale or lease, or subsequently
- **GM Mobility Program** – you may be eligible for reimbursement of up to \$1000 (taxes included) for adaptive equipment for your GM vehicle
- **GM Accessories** – personalize your vehicle with GM Accessories, specifically engineered for your new GM vehicle
- **GM Goodwrench Service** – with GM-certified technicians and GM-approved parts, nobody knows your GM vehicle better.

TO HELP YOU PURCHASE OR LEASE A NEW VEHICLE:

- **GMAC Financing** – on the spot financing at your GM dealership^{††}
- **GMAC SMARTLEASE** – a smart alternative to traditional financing^{††}
- **GM Student Bonus Program** – GM will cover the first two purchase finance or lease payments and the lease security deposit on eligible new GM vehicles for students and recent graduates of high school, college or university.[†]
- **The GM Card** – eligible cardholders may be able to redeem up to \$3500 on GM Card® Earnings toward the total purchase price or lease down payment on selected vehicles. For more information on The GM Card please call 1-800-461-3279.[†]

INFORMATION RESOURCES:

You can find more information about these programs from your GM dealer, or at these information centres:

- The GM Web site at gmcanada.com
- The GM Customer Communication Marketing Centre at 1-800-GM-DRIVE (1-800-463-7483 or 1-800-263-3830 for TDD users) – for information about any GM product or service, including The GM Card and the GM Mobility Program
- For information about GMAC visit gmcanada.com or call 1-800-616-4622.

A WORD ABOUT THIS BROCHURE

Some of the equipment shown or described throughout this brochure may be available at extra cost. We have tried to make this brochure comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colours, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this brochure and other printed materials provided at the dealership or affixed to vehicles are approximates based upon design and engineering drawings and prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been adapted since the time of the printing, please check with your Chevrolet dealer for complete details. General Motors of Canada Limited reserves the right to lengthen or shorten the model year for any product, for any reason, or to start and end model years at different times.

PRIVACY STATEMENT

At General Motors of Canada Limited ("GM Canada") we respect your privacy and value our relationship with you. Your personal information will be protected, will never be sold, and will be used only by GM Canada, our affiliates, dealers/retailers, and service suppliers (only to provide services). If you wish to be removed from GM Canada marketing communications; would like to limit only certain marketing communications from us; would like a listing of our specific uses or further information about those with whom your information is shared; or for further information about our Privacy Policy and practices, please contact us at 1-800-GM-DRIVE (1-800-463-7483) or through our Web site at gmcanada.com

A WORD ABOUT ASSEMBLY

Chevrolets are equipped with engines and components produced and assembled by different operating units of General Motors, its subsidiaries and suppliers and these engines and components may change or be obtained from different sources from time to time. All such engines and components are approved for use in Chevrolets. Certain equipment ordered may be unavailable at the time of assembly and we suggest that you verify that your vehicle includes the equipment you ordered, or if there are changes, that they are acceptable to you.

A STORY ONLY GENERAL MOTORS CAN TELL.

General Motors' commitment to setting the highest standards in quality, safety, innovation, and fuel efficiency are matched by an equally strong commitment to the community.

DID YOU KNOW?

QUALITY: GM plants swept the J.D. Power Initial Quality Study^{SM*} rankings for North and South America: Gold and Silver Plant Quality Awards for the Canadian Oshawa #2 and #1 car plants, in addition to the Bronze Plant Quality Award for the Hamtramck, Michigan plant.

SAFETY: General Motors is the only automotive manufacturer committed to offering a full range of cars, trucks, and SUVs that provide safety protection before, during and after a collision. GM vehicles are equipped with a range of features and technologies that help drivers avoid collisions, reduce the risk of injury should a collision prove unavoidable, and help you get the assistance you need after a collision.

INNOVATION: GM is at the forefront of automotive technology with breakthrough features such as OnStar and XM Satellite Radio.

FUEL EFFICIENCY: GM offers more cars than any other automaker in Canada that get better than 7.0 L/100 km in highway driving. GM has also won more EnerGuide fuel-efficiency awards than any other car company.

GM IS COMMITTED TO CANADA.

INVESTMENT: GM invests more in Canada than any other car company: The \$2.5 billion Beacon Project represents the largest automotive investment in Canadian history.

EMPLOYMENT: GM directly employs over 20,000 people in Canada – more than any other car company.

DESIGN: GM is the only car company that designs, engineers and builds cars in Canada.

GM IS BEHIND YOU AND YOUR VEHICLE.

GM is equally comprehensive in the way it backs its Chevrolet vehicles. All Chevrolet models include:

- 3-year/60,000 km** complete vehicle repair coverage
- 6-year/160,000 km** corrosion perforation coverage
- 8-year/130,000 km** coverage on catalytic converters and powertrain control modules (PCMs)
- 3-year/60,000 km** 24-hour Roadside Assistance.

*General Motors Corporation – Oshawa #2 (Ontario – Car) was the highest ranked plant, Oshawa #1 (Ontario) was the second ranked plant and Hamtramck, MI was the third ranked plant in North/South America among plants producing vehicles for the U.S. market in J.D. Power and Associates 2005 U.S. Initial Quality StudySM. Study based on a total of 62,251 U.S. consumer responses indicating owner reported problems during the first 90 days of ownership. www.jdpower.com
