CHEVROLET

## IT TAKES A SPARK.

Here comes the mini-subcompact car with a big personality. The Chevy Spark will ignite your passion to drive just about anywhere.

Easy to handle, it packs a lot of power in its 1.4L fuel efficient engine. Versatile and surprisingly roomy for its size, it's the perfect sidekick to your dynamic daily adventures.

You won't miss out on what's happening outside because the Chevy Spark keeps you connected with its upgraded 7-inch Touchscreen MyLink Infotainment System.

It's on trend with its sleek design, fashionable colors, new bumper, grille, chrome fascia, and redesigned 15-inch aluminum rims.

All in all, the Chevy Spark exudes both style and substance. Just like you do.

### 10 THINGS TO LOVE ABOUT THE CHEVROLET SPARK

#### 1 All-Aluminum, 1.4L EcoTec Engine

More of the power, less of the weight highlights the Spark's all-aluminum, DOHC 16V, dual VVT engine – maximizing responsiveness and efficiency, enabling you to zip through your day.

#### 2 7-inch Chevrolet MyLink Touchscreen Infotainment System

Just like you, the Chevy Spark lives in a connected world via Chevrolet MyLink. The improved system mirrors your smart phone, while a 7-inch wide screen makes everything easy on the eyes.

#### 3 Spacious interior with flexible 60-40 split-folding rear seats

There's a lot of room for you, your passengers, and your gear. The folding seats keep your options open while the interior space will surprise you for such a light, compact vehicle.

#### 4 Safety features

The latest safety technology elevates the Spark above its class. Driver & passenger airbags protect on collision. Slippery road conditions are a cinch with dynamic stability and traction controls. Anti-theft alarm, immobilizer technology, plus keyless entry with ABS give you added peace of mind against theft.

#### 5 Heated / Power Folding Side Mirror

The Chevy Spark offers you a clear view of your surroundings. Its heated side mirrors continuously defog and are also equipped with signal lights for an even safer drive.

#### 6 Global Platform

Designed according to the latest automotive technology and built to stringent global specifications, the Spark's platform fits right in anywhere in the world in quality, reliability, and safety.

#### 7 15-inch Aluminum Rims

Spoil yourself with the Chevy Spark's amped up good looks. Its redesigned 15-inch aluminum rims pile on the form to the function.

#### 8 Industry Leading 5-Year Warranty

Chevy offers worry-free, longer warranty for parts and service. Extensive 5-year guarantee or a distance of 100,000 kms is covered by the Chevrolet warranty program.

#### 9 CVT and Electric Power Steering

Chevy Spark's continuously variable transmission seamlessly changes gears according to the driving conditions. CVT adds to fuel efficiency too. Power steering gives you light but secure control of the wheel.

#### 10 Halogen Projector with Separate DRL

Enjoy night drives illuminated with the Sparks' Halogen projector with separate daytime running lights that make it aesthetically sleek.
