

CHEVROLET MALIBU

A DASH OF IMPRESSIVE

A fine design, first-in-segment advances, best-in-class tech features, and overall top-in-driving experience. The All-New 2018 Chevrolet Malibu can be summed up in one word—impressive.

10 THINGS TO LOVE ABOUT THE CHEVROLET MALIBU

1

Best-in-class and first-in-segment, with turbo intercooled 2.0L DOHC VVT engine and 353 Nm of torque that promise a comfortable yet powerful ride.

2

A first for its segment, inductive mobile device charger that enables a technologically-integrated lifestyle.

3

Dual-zone automatic climate control which allows temperature control on the front and rear for maximum passenger comfort.

4

All-around safety features include semi-automatic parallel and perpendicular parking for stress-free parking and maneuvering.

5

State-of-the-art safety system including automatic braking, blind zone alert, and 8 airbags, ensure a smooth and worry-free ride.

6

Adaptive cruise control allows your car to maintain a safe distance by automatically adjusting speed to follow the vehicle in front of you.

7

Bose® 9-speaker sound system for a premium audio experience while on the road.

8

Panoramic sunroof for a dual skyscape view for both front and rear passengers.

9

8" MyLink display with smartphone integration and premiere in-vehicle infotainment system built for an intelligent drive.

10

Automated headlamps and IntelliBeam that focuses on your direction and knows when to light your way.
