## ***THE TRUCK YOU ALWAYS WANTED.***

Colorado is the truck that helps you push every boundary and accept any challenge in pursuit of your Canadian Dream.

You want power? The available V6 offers 308 horsepower. And an available GM-exclusive Duramax® 2.8L Turbo-Diesel engine generates 369 lb.-ft. of torque, providing up to 7700 lb. (3943 kg) of towing capacity<sup>1</sup> on properly equipped 2WD models.

Or are you ready to leave roads behind? Colorado ZR2 is the truck built specifically to dominate the off-road and was named *Four Wheeler* magazine 2018 Pickup Truck of the Year.

Colorado. It's everything you ever wanted to find your limits and then keep going.

Professional driver. Closed course.

<sup>1</sup> Before you buy a vehicle or use it for trailering, carefully review the Trailering section of the Owner's Manual. The weight of passengers, cargo and options or accessories may reduce the amount you can tow.

## EXTERIOR DESIGN

### 1. UNMISTAKABLE APPEARANCE.

Projector-beam headlamps, a gunmetal grille and model-specific badging bring a one-of-a-kind look to Z71.

**2. OFF-ROAD READY.** With rugged 17-in. Dark Argent Metallic-painted cast-aluminum wheels and all-terrain tires, Colorado Z71 4x4 considers paved roads an afterthought.

### 3. A STEP IN THE RIGHT DIRECTION.

It's easy to reach the cargo bed of Colorado with the ingenious CornerStep rear bumper.

**4. HOLD ON TIGHT.** Corner hand grips are standard on Colorado and cargo tie-down rings from Chevrolet Accessories are available, elevating cargo bed functionality to an even higher level.

## KIDS AREN'T THE ONLY ONES WHO LIKE TO GET DIRTY.

### WHO WANTS TO HEAD OFF-ROAD?

With rugged features such as front and rear electronic locking differentials and Multimatic Dynamic Suspensions Spool Valve (DSSV™) dampers that offer exceptional capability, plus one-touch terrain select for desert, mud or mountains, 50 mm of front and rear lift, and a 90 mm wider stance, ZR2 is the ultimate off-road mid-size pickup.

**READY TO LAUNCH.** Where you're going, ordinary engines just won't do. The available GM-exclusive Duramax 2.8L Turbo-Diesel 4-cylinder engine produces a formidable 369 lb.-ft. of torque. And the 3.6L DOHC V6 sets high standards too, delivering a massive 308 horsepower and 275 lb.-ft. of torque.

### THE TRAILS WON'T STAND A CHANCE.

Tubular rocker protectors shield the lower body when you head off-road, while skid plates help defend against underbody damage. A bed-mounted spare, available from Chevrolet Accessories<sup>1</sup>, provides additional rear clearance when roads get steep.

<sup>1</sup> Chevrolet Accessories are dealer-installed and covered by the 3-year/60,000 kilometre (whichever comes first) Base Warranty Coverage of the New Vehicle Limited Warranty when ordered with your new Colorado. Conditions apply. See Warranty Booklet for details.

#### **1. MULTIMATIC DSSV™ DAMPING SYSTEM.**

The dampers on ZR2 work equally well in the dirt or on the highway, designed to easily absorb big hits when off-road and provide a smooth ride on-road.

**2. LOCKING DIFFERENTIALS.** Segment-exclusive<sup>1</sup> driver-selectable front and rear electronic locking differentials, when locked, deliver equal power to all wheels at all times. This is designed to provide you the ability to keep moving even if only one wheel has available traction.

**3. WHAT'S INSIDE MATTERS.** ZR2-specific Jet Black leather-appointed seating, embroidered head restraints and sill plates are standard. The 6-way power driver and 4-way power front-passenger seat adjusters help to provide customized comfort. And the Driver Information Centre displays your off-road performance.

**4. BED-MOUNTED SPARE TIRE CARRIER.** Designed specifically for Colorado ZR2, this durable carrier available from Chevrolet Accessories<sup>2</sup> lets you move the spare tire from underneath the vehicle, providing easy access and extra clearance when you go off-road.

<sup>1</sup> Based on WardsAuto.com 2018 Small Pickup segment and latest competitive information available at time of printing. <sup>2</sup> Chevrolet Accessories are dealer-installed and covered by the 3-year/60,000 kilometre (whichever comes first) Base Warranty Coverage of the New Vehicle Limited Warranty when ordered with your new Colorado. ## PERFORMANCE

Colorado Crew Cab Long Box LT Diesel in Shadow Grey Metallic (extra-cost colour) with available Luxury Package — Chrome and dealer-installed 5-inch Chrome Rectangular Assist Steps from Chevrolet Accessories.

### **7700 LB. (3493 KG) OF TOWING.**

A properly equipped Colorado with the available 3.6L V6 engine can tow up to 7000 lb. (3175 kg)<sup>1,2</sup> A Crew Cab 2WD model with the available Duramax 2.8L Turbo-Diesel 4-cylinder engine can tow up to 7700 lb. (3493 kg)<sup>1,2</sup> That's full-size capability in a more manoeuvrable package.

**POWER AND EFFICIENCY.** The available Duramax 2.8L Turbo-Diesel 4-cylinder engine produces 369 lb.-ft. of torque. With this available engine, the award-winning Colorado is remarkably fuel-efficient, offering a highway fuel consumption estimate of 7.9 L/100 km<sup>3,4</sup>

**AUTOMATIC TRANSMISSION.** A durable, electronically controlled 6-speed automatic transmission with Tow/Haul mode<sup>5</sup> and auto grade braking can be paired with either the 2.5L 4-cylinder or the available Duramax 2.8L Turbo-Diesel 4-cylinder engine. A strong, smooth-shifting 8-speed automatic transmission is available with the 3.6L V6 engine.

**HITCH GUIDANCE<sup>6</sup>** This feature helps make lining up your hitch and trailer easy. Just shift into Reverse and press the Hitch Guidance button on the Rear Vision Camera<sup>6</sup> screen. A single guiding line appears to help you centre the hitch ball and trailer coupler. Standard on ZR2 and available on Colorado models with Tow/Haul mode<sup>5</sup>

<sup>1</sup> Requires available Trailering Package and available automatic locking rear differential. <sup>2</sup> Before you buy a vehicle or use it for trailering, carefully review the Trailering section of the Owner's Manual. The weight of passengers, cargo and options or accessories may reduce the amount you can tow. <sup>3</sup> Colorado Crew Cab LT or Z71 2WD model equipped with available Duramax 2.8L Turbo-Diesel 4-cylinder engine. <sup>4</sup> Fuel consumption estimates based on GM testing in accordance with Government of Canada approved test methods. Refer to vehicles.nrcan.gc.ca for details. Your actual fuel consumption may vary. <sup>5</sup> Tow/Haul mode is included with available Duramax 2.8L Turbo-Diesel 4-cylinder engine and 3.6L V6 engine.

## SAFETY

**SAFETY STARTS WITH YOU.** Safety or driver assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Visibility, weather and road conditions may affect feature performance. Read the vehicle Owner's Manual for more important feature limitations and information.

**CENTURY  
AUTO.CA**

## AS SAFE AS IT IS STRONG.

A comprehensive package of available driver assist technologies use strategically located cameras to help warn you of potential risks on the road – or even in a parking lot.

**AVAILABLE SAFETY PACKAGE.** This package, available on LT models, includes Lane Departure Warning, Forward Collision Alert and Rear Park Assist.

**LANE DEPARTURE WARNING.** This available camera-based system is designed to read traffic lane markings, when identifiable, and provide audible and visual alerts if the vehicle drifts out of its detected lane when the driver is not actively steering and the turn signal is not activated.

**FORWARD COLLISION ALERT.** This available feature is engineered to monitor how close your vehicle is to a detected vehicle in front of you. If the system determines that a front-end collision with a detected vehicle is imminent, it is designed to alert the driver to a potential crash. It also can warn the driver if their Colorado is following a detected vehicle much too closely.

**REAR VISION CAMERA.** When the transmission is in Reverse, the Rear Vision Camera with dynamic guiding lines allows the driver to view objects directly behind the vehicle via the screen in the centre stack. So it's easier to back up or park.

**STABILITRAK WITH TRACTION CONTROL.** The advanced StabiliTrak® Electronic Stability Control System with rollover mitigation works in conjunction with standard ABS and traction control.

**SIX AIRBAGS.** Every Colorado offers six standard airbags! Designed with sensors to help determine how many airbags deploy – including side airbags for the driver and front passenger.

**TEEN DRIVER.** This technology helps encourage better driving habits by providing an in-vehicle report card that monitors the frequency of activation of certain available safety tech features, muting the audio system when front-seat occupants aren't wearing their seat belts, and giving audible and visual warnings when the vehicle is travelling over a predetermined speed.

**REAR PARK ASSIST.** This feature is designed to alert the driver, when in Reverse, by sounding an audible alert and providing visual indication on the Rear Vision Camera display when it detects certain stationary objects in close proximity behind the vehicle. Standard on Z71, available on WT and LT.

**HIGH-STRENGTH STEEL FRAME.** The ladder-type frame is made from 83% high-strength steel and ultra-high-strength steel for enhanced occupant protection and reduced mass.

<sup>1</sup> A NOTE ON CHILD SAFETY: Always use seat belts and the correct child restraint for your child's age and size, even with airbags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal airbag. See your vehicle Owner's Manual and child safety seat instructions for more safety information.

**1** A NOTE ON CHILD SAFETY: Always use seat belts and the correct child restraint for your child's age and size, even with airbags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal airbag. See your vehicle Owner's Manual and child safety seat instructions for more safety information.

**2** Read the vehicle Owner's Manual for important feature limitations and information. **3** Requires available feature(s) and/or package(s). **4** Includes navigation services, Remote Access Plan, plus a 3 GB or 1-month (whichever comes first) data plan trial from the vehicle delivery date. Data plan provided by AT&T or its local service provider. Requires vehicle electrical system (including battery), wireless service and GPS satellite signal to be available and operating for features to function properly. Visit [onstar.ca](http://onstar.ca) for more details. Availability subject to change. **5** Factory-installed equipment purchase required. **6** Not included on Crew Cab Long Box 2WD models or Crew Cab 4x4 models. **7** Standard on Crew Cab Long Box 2WD models and all Crew Cab 4x4 models. **8** Available on Extended Cab and Crew Cab models. Requires 6-speed automatic transmission. **9** Extended Cab models only. **10** Tow/Haul mode includes trailering assist with dynamic guiding line on the rear vision camera display. Included with 3.6L V6 engine or Duramax 2.8L Turbo-Diesel engine. **11** Availability varies by model and engine. Please see your dealer for details. **12** To avoid the risk of injury, never use recovery hooks to tow a vehicle. See the Owner's Manual for more information. **13** Includes P265/60R18 all-season<sup>1</sup> tires. **14** Deletes front and rear carpeted floor mats. Requires vinyl seat trim on WT model. **15** All-season tires may not satisfy winter tire requirements in all regions of the country. Tires specifically designed for severe winter conditions and marked with the "winter tire" symbol  may be required during certain months or in certain regions. Contact your Provincial, Municipal or local road authority for information regarding which tires are required in your particular area.

**A WORD ABOUT THIS BROCHURE** Some of the equipment shown or described throughout this brochure may be available at extra cost. We have tried to make this brochure comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colours, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this brochure and other printed materials provided at the dealership or affixed to vehicles are approximates based upon design and engineering drawings and prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been updated since the time of printing, please check with your Chevrolet dealer for complete details. General Motors of Canada Company reserves the right to lengthen or shorten the model year for any product, for any reason, or to start and end model years at different times. Certain vehicle features may lose their usefulness over time due to obsolescence from technological changes. Unless otherwise noted, all claims based on the latest available competitive information. Excludes other GM vehicles.

**ENGINES** Chevrolet products are equipped with engines produced by GM Global Propulsion Systems or other suppliers to GM worldwide. The engines in Chevrolet products may also be used in other GM makes and models.

**ASSEMBLY** Chevrolet vehicles and their components are assembled or produced by different operating units of General Motors, its subsidiaries or suppliers to GM worldwide. We sometimes find it necessary to produce Chevrolet vehicles with different or differently sourced components than originally scheduled. Since some options may be unavailable when your vehicle is assembled, we suggest you verify that your vehicle includes the equipment you ordered and that, if there were changes, they are acceptable to you.

**FLEET ORDERS** Some standard content may be deleted on fleet orders. See dealer for details.

### AN IMPORTANT NOTE ABOUT ALTERATIONS AND WARRANTIES

Installations or alterations to the original equipment vehicle (or chassis) as distributed by General Motors are not covered by the New Vehicle Limited Warranty. The special body company, assembler, equipment installer or upfitter is solely responsible for warranties on the body or equipment and any alterations (or any effect of the alterations) to any of the parts, components, systems or assemblies installed by GM. General Motors is not responsible for the safety or quality of design features, materials or workmanship of any alterations by such suppliers.
