“100 YEARS OF BUILDING THE FUTURE”

For 100 years, Chevrolet trucks have been as strong and dependable as the people that drive them. Chevrolet introduced the world's first 490 series in 1918. Since then, Chevrolet has become one of the world's most recognizable brands and a global leader in designing, developing and manufacturing world-class trucks. Chevrolet trucks have continued to evolve alongside the evolution of iconic American culture, maintaining their rugged toughness and representing an active sporting culture. For truck lovers who want to be a part of unique history, Chevrolet is proud to introduce the Colorado Centennial Edition. Join us as we celebrate 100 years of history.

1. 2.5L DURAMAX TURBO DIESEL ENGINE

Feel confident wherever your destination may be with an engine built and copyrighted by Chevrolet worldwide. The 2.5 L Duramax diesel direct injection engine features 4 cylinders, 16 valves, DOHC with Variable Geometry Turbocharger (VGT) with an intercooler that delivers 180 hp @3,600 rpm and 440 Nm of torque @2,000 rpm.

2. REMOTE START*

Experience ultimate convenience with remote start, a key feature that lets you start the engine from outside the truck. It even allows you to turn on the air conditioning system automatically at 25 degrees.

3. ELECTRIC POWER STEERING

The Electric Power Steering is highly precise and accurate whilst its steering weight varies and adjusts according to the truck's speed.

4. 6-SPEED AUTOMATIC TRANSMISSION WITH MANUAL MODE *

Choose to have more control over gear changes for driving dynamics similar to a conventional manual transmission. In addition, you can select either 2WD or 4WD to suit the terrain.

5. CHEVROLET MYLINK

Fully equipped to meet all your infotainment and entertainment needs. Available phone integration with Apple CarPlay™** takes your favorite smartphone features and displays them in a smart, simple manner on a touchscreen with available Thai language. Use voice command to make calls, send and receive messages, play music and access the navigation system by using conveniently located controls on the steering wheel.
