

SPARK 2018

CHEVROLET

**CENTURY
AUTO.CA**

Spark 2LT in Mint (extra-cost colour)
with available features.

**IT'S NOT SMALL.
IT'S FUN SIZE.**

It's expressive. It's versatile. Spark is a fun small car that offers a highway fuel economy rating of 6.2 L/100 km¹ and is loaded with technology that will help keep you in touch with the world.

Thanks to nimble handling, Spark is perfect for narrow streets and getting you into all the hot spots – even that tiny, hard-to-find parking space that's impossible for bigger cars to fit into.

¹ 2018 Spark with available Continuously Variable Transmission, city fuel consumption rating is 7.8 L/100 km. Spark equipped with manual transmission highway fuel consumption rating is 6.0 L/100 km and city fuel consumption rating is 8.0 L/100 km. Fuel consumption ratings based on GM testing in accordance with Government of Canada approved test methods. Refer to vehicles.nrcan.gc.ca for details. Your actual fuel consumption may vary.

FIND *NEW* ROADS™

Spark 2LT interior in Jet Black with Beige seat inserts and dash trim (available only with Toasted Marshmallow exterior colour).

¹ Visit onstar.ca for vehicle availability, details and system limitations. Services and connectivity vary by model and conditions as well as geographical and technical restrictions. Requires active connected vehicle services and data plan. Data plans provided by AT&T or its local service provider. Accessory Power must be active to use the Wi-Fi hotspot. ² Available on select Apple and Android devices. Service availability, features and functionality are subject to limitations and vary by vehicle, device and the plan you are enrolled in. Device data connection required. Visit onstar.ca for more details. ³ Requires subscription to Remote Access Plan or Premium Access Plan. Services are subject to user terms and limitations, and vary by vehicle model. Unlock feature requires automatic locks. Remote start requires GM factory-installed and enabled remote start system. Visit onstar.ca for more details. ⁴ Requires subscription to OnStar Guidance Plan, Premium Access Plan, OnStar Safety & Security Plan or Navigation Add-On. Services are subject to user terms and limitations, and vary by vehicle model. Visit onstar.ca for more details. ⁵ OnStar acts as a link to existing emergency service providers. Not all vehicles may transmit all crash data. Roadside services provided by Allstate Roadside Services. Limitations and restrictions apply. Stolen Vehicle Assistance requires armed factory-installed theft-deterrent system and selection of notification communication preference(s). These services are intended to assist with vehicle recovery and do not prevent theft or protect against damage or loss. Additional messaging and data rates may apply. Services are subject to user terms and limitations. Visit onstar.ca for more details.

INNER COMFORTS. From premium materials and an unexpectedly quiet ride to the latest technology, Spark surpasses expectations. Colour-coordinated seats are designed for comfort, with heated front seats standard on the 2LT model. The centre stack provides easy access to information and blue ambient lighting guides you to port connections.

CONNECTED ON THE GO. Chevrolet offers 4G LTE with built-in Wi-Fi hotspot¹; includes 1 month or 3 GB data plan trial (whichever comes first) from vehicle delivery date. This technology provides the ability to seamlessly connect up to seven compatible devices to the Internet. It provides a great in-vehicle experience with a reliable connection.

myChevrolet MOBILE APP² This available smartphone app gives you access to certain features of your vehicle even when you're nowhere near it. If your vehicle is properly equipped, you'll be able to set parking reminders and remotely lock/unlock doors³; flash your lights and honk your horn and more.

TAKE A GUIDED TOUR. With Turn-by-Turn Navigation⁴; included in the OnStar Safety & Security Plan⁵ for the first month, simply push a button and tell an advisor where you want to go. Directions are quickly downloaded to your Spark, and a voice calls out every turn.

3

1. Apple CarPlay™ COMPATIBILITY!

With Apple CarPlay, you can simply and smartly connect with some of your most used iPhone® features, including Maps, Music, Messages and Phone, right on your Spark display.

2. EASY SMARTPHONE CONNECTION.

With Android Auto™² connectivity, you can interact with select smartphone apps. This system takes some of your compatible Android™ phone's features and puts them on the Chevrolet MyLink³ display in a smart, simple manner. You can access your phone, text messages, music, navigation and more.

3. KEYLESS OPEN AND START. As long as the key fob is in your pocket or purse, the doors will conveniently unlock when you approach the vehicle. And once you're inside, you can start your Spark with a simple touch of a button. (Standard and only available on 2LT.)

¹ Vehicle user interface is a product of Apple and its terms and privacy statements apply. Requires compatible iPhone and data plan rates apply. ² Vehicle user interface is a product of Google and its terms and privacy statements apply. Requires the Android Auto app on Google Play and an Android compatible smartphone running Android 5.0 Lollipop or higher and data plan rates apply. ³ MyLink functionality varies by model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. MyLink on Spark does not include functionality such as enhanced voice recognition, Gracenote and CD player.

SAFETY

SAFETY STARTS WITH YOU. Safety features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Read the vehicle Owner's Manual for important feature limitations and information.

FORWARD COLLISION ALERT.

This feature helps identify vehicles ahead and warns the driver of possible front-end collision threats, helping provide time to stop and/or change course. If the system determines that a front-end collision with a detected vehicle is imminent, it alerts the driver to a potential crash. It also warns the driver if their Spark is following a detected vehicle much too closely. (Standard and only available on 2LT.)

REAR PARK ASSIST.

This feature helps you back up by sounding an audible alert and providing visual indication on the rear vision camera display when it detects certain stationary objects in close proximity behind the vehicle. (Standard and only available on 2LT.)

STABILITRAK® ELECTRONIC STABILITY CONTROL.

In challenging weather and road conditions, this standard system helps you stay the course by detecting the difference between the path being steered and the direction the vehicle is actually going. It then uses the brakes and, if necessary, adjusts engine torque to help you keep your Spark on track. This innovative safety technology is especially helpful during emergency manoeuvres and difficult driving conditions.

LANE DEPARTURE WARNING.

If you unintentionally change lanes without signalling, this camera-based system sends an alert. The camera, mounted near the interior rear-view mirror, reads traffic lane markings when identifiable and provides audible and visual alerts. (Standard and only available on 2LT.)

REAR VISION CAMERA.

Standard on Spark, the rear vision camera displays a view of the area immediately behind the vehicle on the touch-screen – making it easier to see what's behind you while backing up.

10 STANDARD AIRBAGS.

Every Spark includes frontal and knee airbags¹ for driver and front passenger, head-curtain airbags for front and rear outboard passengers, and front and rear seat-mounted side airbags.

¹ A NOTE ON CHILD SAFETY: Always use safety belts and the correct child restraint for your child's age and size, even with airbags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal airbag. See the Owner's Manual and the child safety seat instructions for more safety information.
