

CHEVROLET CRUZE

10 THINGS TO LOVE ABOUT THE CHEVROLET CRUZE

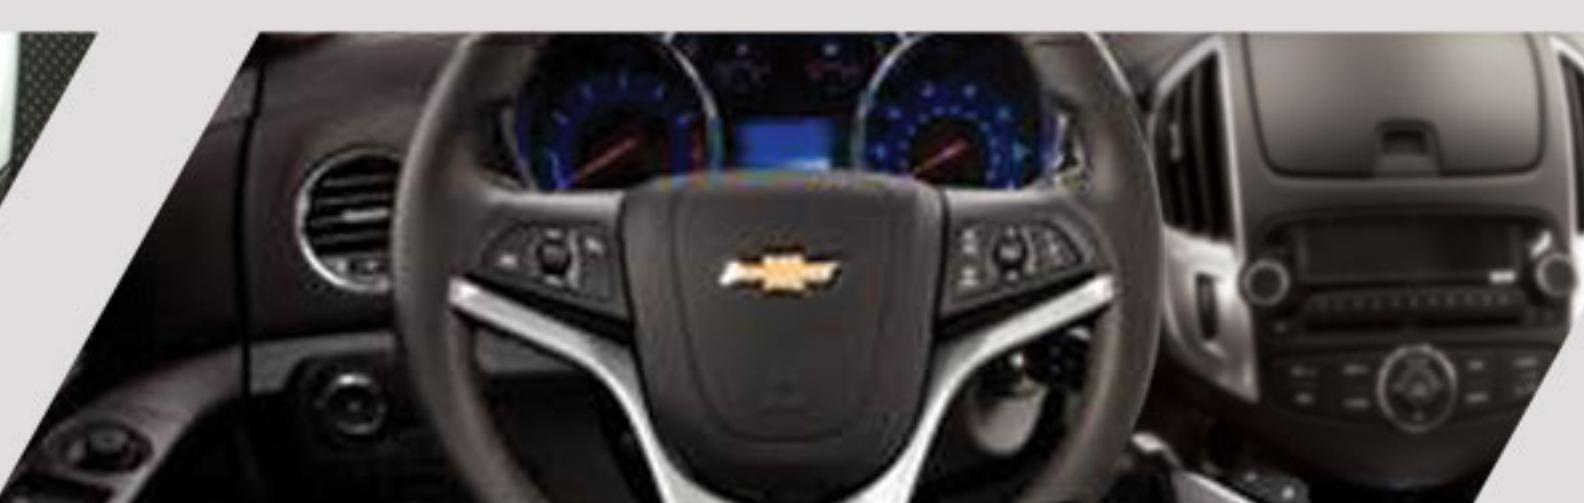

1.8-liter gasoline engine with 16-valve DOHC and variable cam-phasing and 2.0-liter, turbo-diesel commonrail direct injection engine combine power, performance and efficiency

6-Speed Automatic Transmission with Manual Mode improves efficiency

Easy-to-use audio features with USB input for iPod/iPad/iPhone that is matched with a premium sound system

Height adjustable driver's seat with a tilt and telescopic steering column for a comfortable drive

LED illuminated optitron gauges with Driver Information System that provides useful information such as average and instantaneous fuel consumption and remaining fuel mileage

Sleek flip key fob with Anti-theft alarm with Immobilizer plus Push Start and Stop Button*

New grille and front bumper design with integrated fog lamps and chrome exude a sophisticated look

Enjoy practical luxury with a host of features like cruise control*, reverse parking sensor, auto-dimming rear-view mirror

Battery Run Down Protection system prevents accidental power drain.

The interior cabin and trunk space are still the biggest in its class.
