**INFORMATION RESOURCES** You can find more information about these programs from your Chevrolet dealer, or at these information centres:

- The Chevrolet website at [chevrolet.ca](http://chevrolet.ca)
- The GM Customer Care Centre at 1-800-GM-DRIVE (1-800-463-7483 or 1-800-263-3830 for TDD users).

**A WORD ABOUT THIS BROCHURE** Some of the equipment shown or described throughout this brochure may be available at extra cost. We have tried to make this brochure comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colours, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this brochure and other printed materials provided at the dealership or affixed to vehicles are approximates based upon design and engineering drawings and prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been updated since the time of printing, please check with your Chevrolet dealer for complete details. General Motors of Canada Company reserves the right to lengthen or shorten the

model year for any product, for any reason, or to start and end model years at different times. Certain vehicle features may lose their usefulness over time due to obsolescence from technological changes. Unless otherwise noted, all claims based on the latest available competitive information. Excludes other GM vehicles.

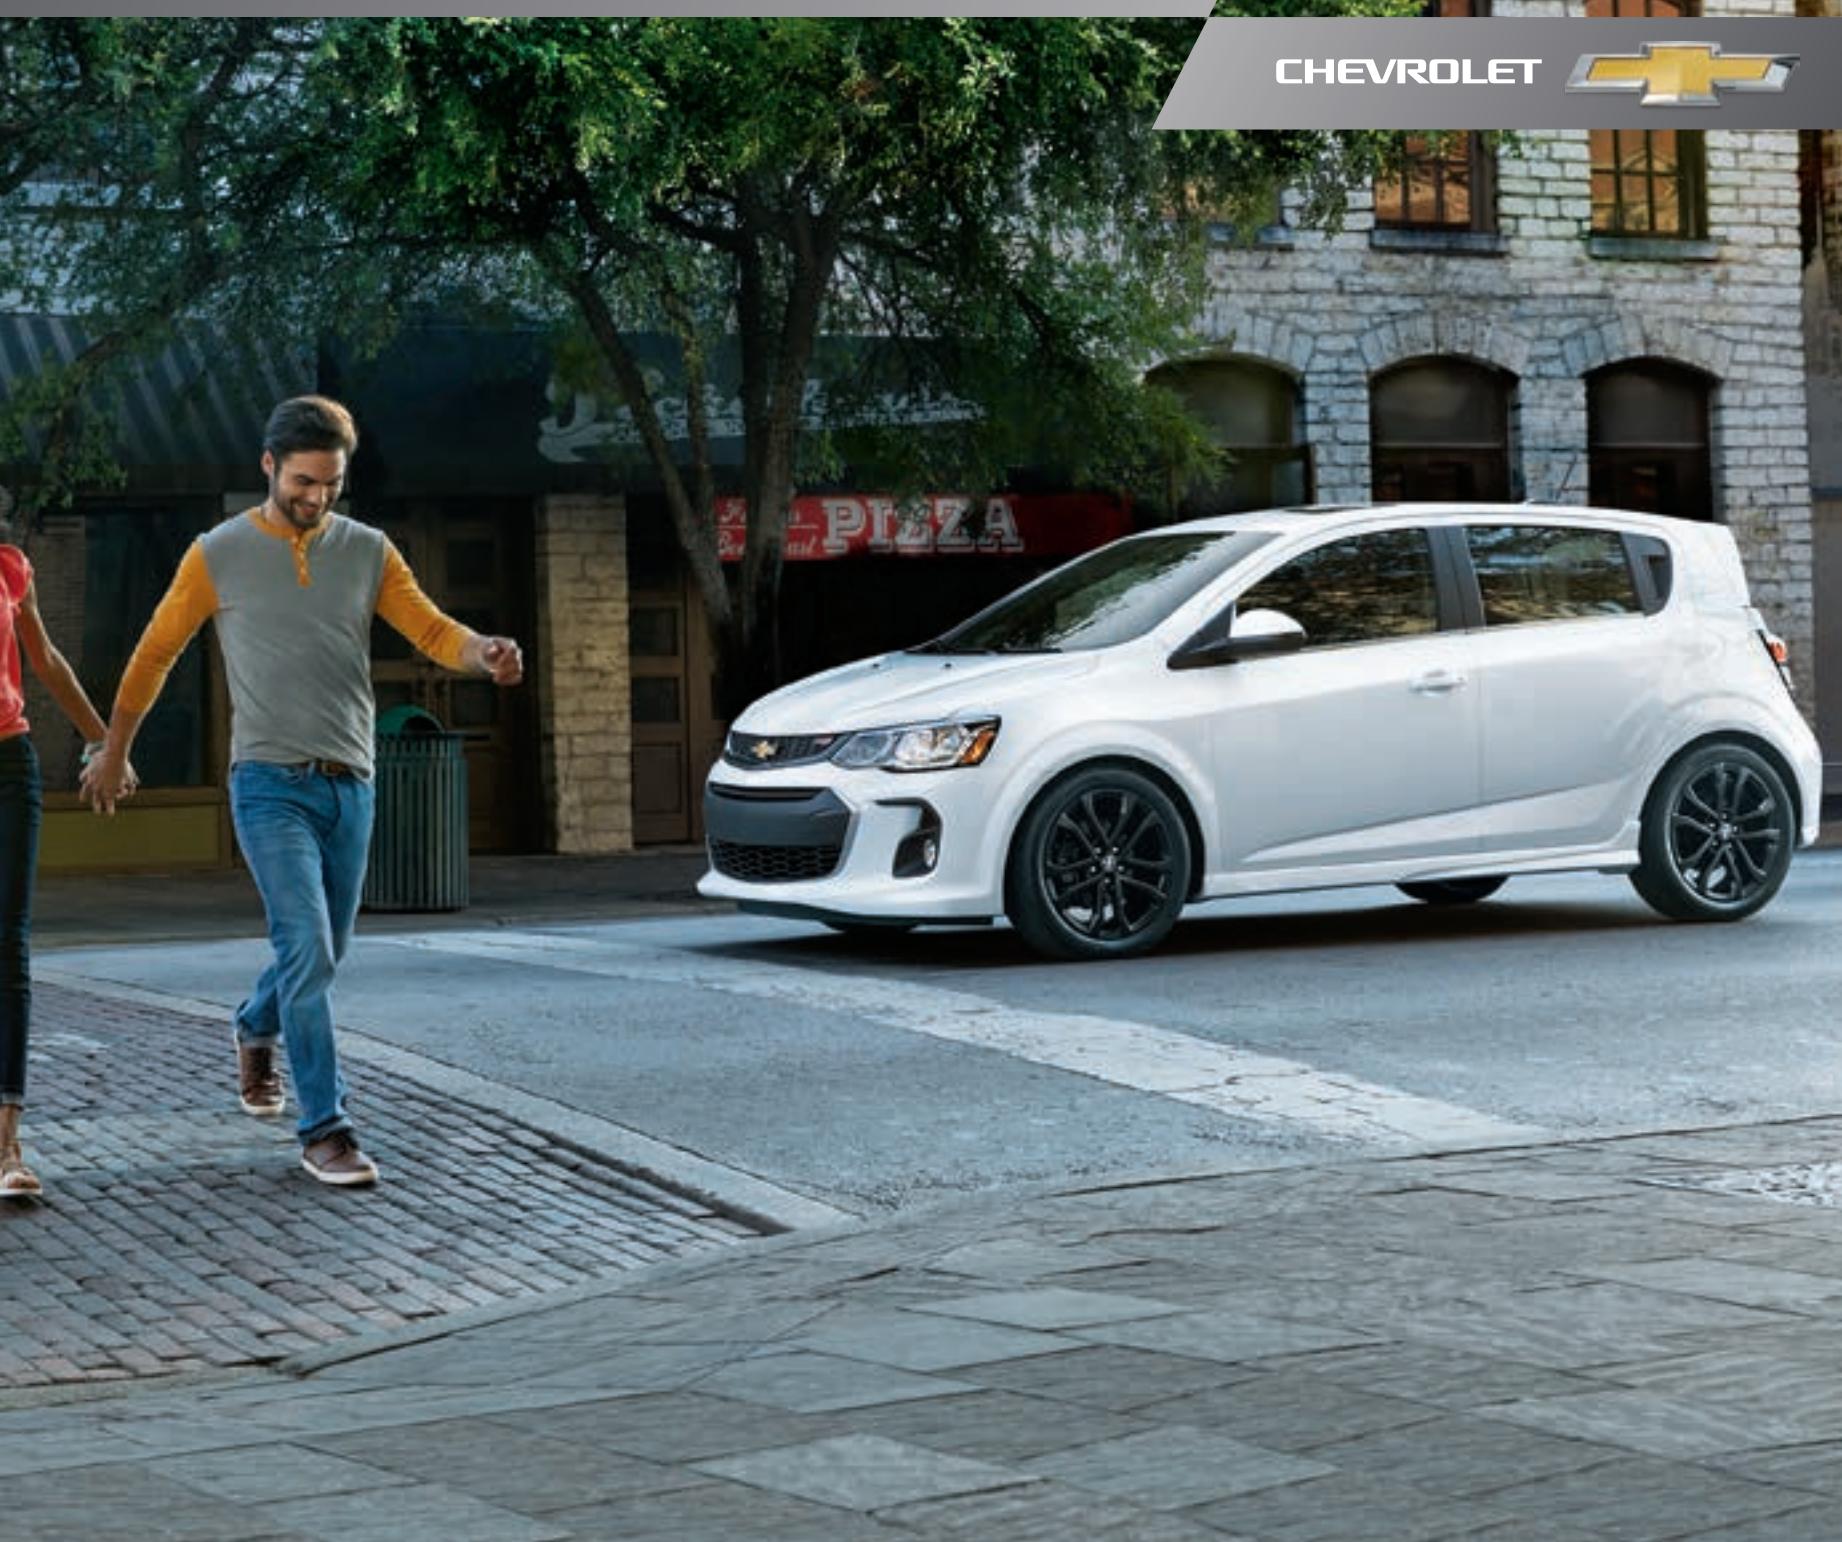

**ENGINES** Chevrolet products are equipped with engines produced by GM Powertrain or other suppliers to GM worldwide. The engines in Chevrolet products may also be used in other GM makes and models.

**ASSEMBLY** Chevrolet vehicles and their components are assembled or produced by different operating units of General Motors, its subsidiaries or suppliers to GM worldwide. We sometimes find it necessary to produce Chevrolet vehicles with different or differently sourced components than originally scheduled. Since some options may be unavailable when your vehicle is assembled, we suggest you verify that your vehicle includes the equipment you ordered and that, if there were changes, they are acceptable to you.

## SONIC 2017

**CHEVROLET**

Sonic Premier RS Hatchback in  
Summit White. Sonic LT Sedan in  
Arctic Blue Metallic (extra-cost colour).

1 MyLink functionality varies by model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. MyLink on Sonic does not include functionality such as enhanced voice recognition, Gracenote and CD player.

**FUN.  
LIKE YOU'VE NEVER  
HAD BEFORE.**

The 2017 Sonic combines a bundle of exciting features, preparing you for all the good things in life. For starters, Sonic is available in either Hatchback or Sedan with a full spectrum of colour choices. Outside, there's redesigned front-end styling with signature LED daytime running lamps and new tail lamps. Inside, you'll discover an info-packed gauge cluster, Chevrolet MyLink<sup>®</sup> Radio and new ways to connect your smart devices.

And yes, with a number of available active safety technologies and impressive fuel efficiency to keep you going, it's more than just fun to drive. Who knew so many big ideas could be packed into one small car?

**FIND NEW ROADS™**

## EXTERIOR DESIGN

**1. COMING AT YOU.** With projector-beam headlamps and LED daytime running lamps set in a restyled front fascia, Sonic has an expressive new look for 2017.

**2. PERFORMANCE-STYLED WHEELS.** In every premium detail, including new 17-in. Black-painted aluminum wheels on the RS Premier shown here, Sonic is poised to perform.

**3. AERO ATTRACTION.** From re-sculpted hood to sweeping roofline, Sonic is shaped for aero-efficiency.

**CATCH YOUR EYE.** The exterior has an entirely new expressive look with a richer, more detailed design that provides an even sportier attitude than before. From its trademark wheels-to-the-corners stance to the new-for-2017 details, Sonic is an athletic take on the fun-to-drive small car.

**RS PACKAGE.** The RS Package – standard on both Hatchback models and available on LT Sedan – features a Sport body kit that includes Sport rocker mouldings, fog lamps and RS badging. LT models feature 16-in. aluminum wheels, and LT Sedan also includes a rear deck-lid spoiler.

**Premier RS.** Premier Hatchback includes 17-in. Black-painted aluminum wheels and a Sport suspension. A stylish Sport rear spoiler and exhaust outlet are also included on Hatchback models.

Sonic Premier RS Hatchback  
in Orange Burst Metallic  
(extra-cost colour).

## INTERIOR DESIGN

**SIMPLY UPSCALE.** Here's a spacious interior that goes beyond expectations. Sonic rewards you with standard heated front bucket seats, air conditioning with air filtration system, and a folding driver-seat armrest. Extras like these put Sonic in a class by itself.

**OPEN UP THE HATCH FOR MORE.** Sonic Hatchback offers seating for up to four of your favourite people, plus up to 538 L (19.0 cu. ft.) of cargo space<sup>1</sup> behind the rear seat. With the split-folding rear seats folded down, Sonic Hatchback can provide up to 1351 L (47.7 cu. ft.) of flexible storage space<sup>1</sup>.

**ONE-TWO GLOVEBOX.** Sonic features upper and lower glovebox compartments, so you can keep twice the number of things – like two pairs of sunglasses, extra flavours of breath mints and, of course, your gloves – all in a handy place.

**AMP IT UP WITH RS.** The RS Package<sup>2</sup> features a racing-inspired flat-bottom steering wheel that's leather-wrapped with contrasting stitching, deluxe carpeted floor mats, and a Piano Black-accented instrument panel. Deluxe Cloth seating surfaces are included on LT models, while Premier is upgraded with leatherette front seats with RS lettering and sueded microfibre inserts.

**1. FIRST-CLASS ERGONOMICS.** The Sonic interior keeps its focus on comfort, convenience and technology. A new detailed gauge cluster complementing the standard 7-in. Chevrolet MyLink<sup>3</sup> Radio touch-screen display adds a higher degree of refinement to the cabin.

**2. GAUGE YOUR ENTHUSIASM.** The 2017 Sonic features an alluring gauge cluster with a analogue speedometer and a standard Drive Information Centre that gives you a read on your tire pressure, oil life, fuel range and more.

**3. FREEDOM FROM THE START.** Keep your key in its place – like your pocket or purse. Available Keyless Open and Start provides a simple way to go going every day.

<sup>1</sup> Cargo and load capacity limited by weight and distribution. <sup>2</sup> Standard on LT and Premier Hatchback; available on LT Sedan. <sup>3</sup> Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. MyLink on Sonic does not include functionality such as enhanced voice recognition, Gracenote and CD player.

## TECHNOLOGY

**ALWAYS CONNECTED.** Chevrolet is the first and only car company to offer built-in OnStar 4G LTE with Wi-Fi® hotspot<sup>1</sup> to cars, trucks and crossovers, providing the ability to seamlessly connect your smart devices and vehicles to the Internet. It provides a great in-vehicle experience with a strong signal and a reliable connection up to seven devices. Enjoy a quality signal to 15 m (50 ft.) away from your vehicle while it's on.

**INNOVATIVE TECHNOLOGY.** The upgraded Chevrolet MyLink<sup>2</sup> Radio system features a new interface on a standard 7-in. diagonal colour touch-screen. With a compatible smartphone, the system allows you to answer calls and receive text messages hands-free and access a broad range of functions, including available OnStar<sup>1</sup> and SiriusXM<sup>3</sup> satellite radio.<sup>3</sup>

**Apple CarPlay™ COMPATIBILITY.** Take some of your favourite compatible iPhone® features and put them on your vehicle's touch-screen display in a simple, easy manner. Access your Phone, Music, Maps and Messages, as well as some of your other favourite apps.

**ANDROID AUTO™ COMPATIBILITY.** You can quickly and intuitively interact with select smartphone apps with support for Android Auto. This system takes some of your compatible Android phone's features and puts them on the Chevrolet MyLink<sup>2</sup> display. You can access your phone, text messages, music, navigation and more.

<sup>1</sup> Visit [onstar.ca](http://onstar.ca) for coverage maps, details and system limitations. Service plan required. Available 4G LTE with Wi-Fi hotspot requires WPA2 compatible mobile device and data plan. Data plans provided by AT&T. Services vary by model, service plan, conditions as well as geographical and technical restrictions. OnStar with 4G LTE connectivity is available on select vehicle models and in select markets. Vehicle must be started or in accessory mode to access Wi-Fi. <sup>2</sup> MyLink functionality varies by model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. MyLink on Sonic does not include functionality such as enhanced voice recognition, Gracenote and CD player. <sup>3</sup> Available in 10 Canadian provinces, 3 territories and the 48 contiguous United States. Subscription sold separately after the 3-month trial period. If you decide to continue your service at the end of your trial subscription, the plan you choose will automatically renew and bill at then-current rates until you call 1-888-539-7474 to cancel. Other fees and taxes will apply. All fees and programming subject to change. See SiriusXM "Terms & Conditions" and complete details at [siriusxm.ca](http://siriusxm.ca). <sup>4</sup> Vehicle user interfaces are products of Apple and Google and their terms and privacy statements apply. Requires compatible smartphone and data plan rates apply.

## PERFORMANCE

### SONIC IS SAFE AND SOUND. AND PRETTY SMART TOO.

Whether you're on the road or in a parking lot, the available innovative active safety technologies in Sonic use strategically located cameras and sensors to help warn you of potential collisions.

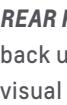

**FORWARD COLLISION ALERT.** This available feature continually monitors how close your vehicle is to the vehicle in front of you. If the system determines that a front-end collision with a detected vehicle is imminent, it alerts the driver to a potential crash. It also warns the driver if their Sonic is following a detected vehicle too closely.

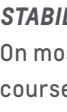

**LANE DEPARTURE WARNING.** If you unintentionally change lanes without using your turn signal, this available camera-based system sends an alert. The camera, mounted near the interior rear-view mirror, reads traffic lane markings when identifiable and provides audible and visual alerts.

**REAR VISION CAMERA.** When travelling in reverse at low speeds, the rear vision camera provides a real-time picture of the area immediately behind your Sonic on the 7-in. diagonal colour touch-screen display.

**REAR PARK ASSIST.** This available feature helps you back up by sounding an audible alert and providing visual indication on the rear vision camera display when it detects certain stationary objects in close proximity behind the vehicle.

**STABILITRAK® ELECTRONIC STABILITY CONTROL.** On most road surfaces, StabiliTrak helps you stay on course by detecting the difference between the path being steered and the direction the vehicle is travelling.

#### AVAILABLE ONSTAR® AUTOMATIC CRASH RESPONSE!

In a crash, built-in sensors can alert a specially trained OnStar advisor, who is connected into your Sonic to see if you need help – even if you can't ask for it. Advisors can use GPS technology to pinpoint your location and request emergency help. OnStar<sup>2</sup> Guidance Plan is standard for the first six months.

*Safety starts with you. Safety features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Read the vehicle Owner's Manual for important feature limitations and information.*

**SONIC BRINGS IT.** The ECOTEC<sup>®</sup> 1.8L 4-cylinder engine is standard on Sonic LT, producing 138 horsepower and 125 lb.-ft. of torque. A 5-speed manual transmission is standard on Hatchback with a 6-speed automatic transmission standard on Sedan.

**GO TURBO.** The ECOTEC 1.4L 4-cylinder turbocharged engine, available on LT and standard on Premier, has a highway fuel consumption rating of 6.6 L/100 km<sup>3</sup> and delivers 138 horsepower and 148 lb.-ft. of torque. Sounds like fun, doesn't it?

<sup>1</sup> Visit [onstar.ca](http://onstar.ca) for coverage maps, details and system limitations. OnStar acts as a link to existing emergency service providers. Not all vehicles may transmit all crash data. <sup>2</sup> Visit [onstar.ca](http://onstar.ca) for coverage maps, details and system limitations. Service plan required. Available 4G LTE with Wi-Fi hotspot requires WPA2 compatible mobile device and data plan. Data plans provided by AT&T. Services vary by model, service plan, conditions as well as geographical and technical restrictions. OnStar with 4G LTE connectivity is available on select vehicle models and in select markets. Vehicle must be started or in accessory mode to access Wi-Fi. <sup>3</sup> 2017 Sonic with available 1.4L turbocharged I-4 engine and 6-speed automatic transmission. 2017 Sonic LT equipped with manual transmission highway fuel consumption rating is 6.3 L/100 km. Fuel consumption ratings based on GM testing in accordance with Government of Canada approved test methods. Refer to [vehicles.nrcan.gc.ca](http://vehicles.nrcan.gc.ca) for details. Your actual fuel consumption may vary.

## SELECT VEHICLE FEATURES
