Silverado 1500 Crew Cab Short Box LTZ Z71 4x4 in Graphite Metallic (extra-cost colour) with available features and dealer-installed Chevrolet Accessories.

¹ The Chevrolet Silverado 1500 received the lowest number of problems per 100 vehicles among large light duty pickups in the J.D. Power 2016 U.S. Initial Quality Study, based on 80,157 total responses, evaluating 245 models, and measures the opinions of 2016 U.S. new-vehicle owners after 90 days of ownership, surveyed in February–May 2016. Your experiences may vary. Visit jdpower.com.

COMPLETE CARE

Experience Chevrolet Complete Care, a comprehensive coverage, warranty and protection program that comes standard with every new 2017 Chevrolet Silverado lease and purchase. Please visit chevrolet.ca or see your dealer for full details.

YOUR COMPREHENSIVE OWNER BENEFIT PROGRAM.
2-year/48,000 km ¹ Complimentary Oil Changes ²
3-year/60,000 km ¹ New Vehicle Limited Warranty
5-year/160,000 km ¹ Powertrain Component Limited Warranty, with \$0 deductible on repairs and the warranty is fully transferable at no charge
5-year/160,000 km ¹ Courtesy Transportation
5-year/160,000 km ¹ 24/7 Roadside Assistance
6-year/160,000 km ¹ rust-through perforation coverage
8-year/130,000 km ¹ coverage on catalytic converters and Powertrain Control Modules (PCMs)
OnStar ³ Guidance Plan for 6 months, including Automatic Crash Response, Stolen Vehicle Assistance, Roadside Assistance and Turn-by-Turn Navigation (trial excludes Hands-Free Calling minutes)
OnStar Basic Plan ⁴ for 5 years on most Chevrolet vehicles, including select myChevrolet mobile app services ⁵

- OTHER OWNERSHIP PRIVILEGES AND PROGRAMS⁶**
- GM Protection Plan (GMPP) – the only extended service plan backed by the resources and commitment of General Motors, GMPP may be purchased at the time of sale or subsequently during the New Vehicle Limited Warranty period.
 - Chevrolet Certified Service – to help your Chevrolet vehicle live up to its performance promise, Chevrolet Certified Service – found exclusively at your Chevrolet dealer – is there. With all the engineering excellence in your vehicle, GM-trained technicians have the expertise to care for all of it.
 - Chevrolet Owner Centre – as an owner, take advantage of the Chevrolet Owner Centre. This online owner’s destination gives you access to contests, current offers and the latest driving and maintenance tips. Find out more at chevroletowner.ca.

- TO HELP YOU PURCHASE OR LEASE A NEW VEHICLE**
- Purchase Financing and Leasing – on-the-spot financing; see dealer for full details.⁷
 - GM Student Bonus Program – students or recent graduates of high school, college or university⁷ may be entitled to receive a Student Bonus Vehicle Redemption Allowance of \$500 or \$750⁶ (tax inclusive) (purchased vehicle dependant) to use towards the purchase, lease or finance of one eligible new Chevrolet vehicle.
 - GM Card[®] – cardholders may redeem Earnings towards the total purchase price or lease down payment of an eligible new Chevrolet car, truck or crossover. Restrictions and limitations apply. For full program details, visit gmcards.ca.

- INFORMATION RESOURCES** You can find more information about these programs from your Chevrolet dealer, or at these information centres:
- The Chevrolet website at chevrolet.ca
 - The GM Customer Care Centre at **1-800-GM-DRIVE (1-800-463-7483 or 1-800-263-3830** for TDD users).

A WORD ABOUT THIS BROCHURE Some of the equipment shown or described throughout this brochure may be available at extra cost. We have tried to make this brochure comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colours, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this brochure and other printed materials provided at the dealership or affixed to vehicles are approximates based upon design and engineering drawings and prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been updated since the time of printing, please check with your Chevrolet dealer for complete details. General Motors of Canada Company reserves the right to lengthen or shorten the model year for any product, for any reason, or to start and end model years at different times. Certain vehicle features may lose their usefulness over time due to obsolescence from technological changes. Unless otherwise noted, all claims based on the latest available competitive information. Excludes other GM vehicles.

ENGINES Chevrolet products are equipped with engines produced by GM Powertrain or other suppliers to GM worldwide. The engines in Chevrolet products may also be used in other GM makes and models.

ASSEMBLY Chevrolet vehicles and their components are assembled or produced by different operating units of General Motors, its subsidiaries or suppliers to GM worldwide. We sometimes find it necessary to produce Chevrolet vehicles with different or differently sourced components than originally scheduled. Since some options may be unavailable when your vehicle is assembled, we suggest you verify that your vehicle includes the equipment you ordered and that, if there were changes, they are acceptable to you.

FLEET ORDERS Some standard content may be deleted on fleet orders. See dealer for details.

AN IMPORTANT NOTE ABOUT ALTERATIONS AND WARRANTIES Installations or alterations to the original equipment vehicle (or chassis) as distributed by General Motors are not covered by the General Motors New Vehicle Limited Warranty. The special body company, assembler, equipment installer or upfitter is solely responsible for warranties on the body or equipment and any alterations (or any effect of the alterations) to any of the parts, components, systems or assemblies installed by GM. General Motors is not responsible for the safety or quality of design features, materials or workmanship of any alterations by such suppliers.

TRADEMARKS The marks appearing in this brochure including, but not limited to, General Motors, GM, Chevrolet, the Chevrolet emblem, Silverado and their respective logos, emblems, slogans and vehicle model names and body designs; and other marks such as Active Fuel Management, Autotrac, Duralife, Find New Roads, IntelliBeam, myChevrolet, MyLink, OnStar, the OnStar emblem and StabiliTrak are trademarks of General Motors LLC and/or General Motors of Canada Company, its subsidiaries, affiliates or licensors. ¹ Whichever comes first. Conditions and limitations apply. See dealer for details. ² Limit of four complimentary Lube-Oil-Filter services in total. Fluid top-offs, inspections, tire rotations, wheel alignments and balancing, etc., are not covered. Conditions and limitations apply. See dealer for details. ³ Standard on LS, LT, LT Z71, LTZ, LTZ Z71 and High Country models. Available on Custom models. Available on WT models and requires available Chevrolet MyLink Radio. Visit onstar.ca for coverage maps, details and system limitations. Service plan required. Available 4G LTE with Wi-Fi hotspot requires WPA2 compatible mobile device and data plan. Data plans provided by AT&T. Services vary by model, service plan, conditions as well as geographical and technical restrictions. OnStar with 4G LTE connectivity is available on select vehicle models and in select markets. Vehicle must be started or in accessory mode to access Wi-Fi. ⁴ Standard on LS, LT, LT Z71, LTZ, LTZ Z71 and High Country models. Available on Custom models. Available on WT models and requires available Chevrolet MyLink Radio. The OnStar Basic Plan is available for 5 years from the delivery date of the eligible new 2017 model year vehicles to the original owner and is transferable to subsequent owners for the remaining term. It includes the monthly Diagnostics Report emails (capabilities vary by model), Dealer Maintenance Notification, access to select vehicle mobile app features and more. This plan does not include emergency, security or navigation services. These and other services require a paid or Add-On Plan. Visit onstar.ca for vehicle availability, coverage maps, details and system limitations. Available 4G LTE with Wi-Fi hotspot requires WPA2 compatible mobile device and data plan. Data plans are provided by AT&T. ⁵ Available on select Apple and Android devices. Some features may require a paid OnStar service plan. Features and capability may vary by vehicle, device, conditions as well as geographical and technical restrictions. Device data connection required. ⁶ Conditions and limitations apply. ⁷ Subject to eligibility.

SOME THINGS YOU CAN ALWAYS DEPEND ON.

You don't build the legacy of long-lasting dependability every Silverado is known for by chance. You do it with strength, capability and advanced technology that stand the test of time.

That strength is seen in a muscular front end with a sculpted hood and signature LED lighting accents. Capability is defined by three EcoTec3 engines that deliver power and efficiency. Tough, proven high-strength steel that provides high-strength dependability raises the bar even higher.

We've pushed the limit on what a truck should be with breakthroughs in safety and connectivity. And the 2016 Silverado 1500 was named the "Highest Ranked Large Light Duty Pickup in Initial Quality" in the U.S. by J.D. Power.¹

The 2017 Chevy Silverado: Brawn, brains and reliability brought together in one powerful pickup.

FIND NEW ROADS™

EXTERIOR DESIGN

Silverado 1500 Crew Cab Short Box LTZ Z71 4x4 in Siren Red Tintcoat (extra-cost colour) with available features.

A FAMILY WITH POWERFUL PERSONALITIES. Every Silverado has a striking appearance. The front end design, with bold horizontal elements and chiselled hood, creates a wide, aggressive stance. Each model is unmistakable, projecting the strength and capability that can only belong to Silverado. Head to the specs section to see them all.

LIGHT 'EM UP. Leading the way with signature looks and impressive efficiency, LED technology also allowed our designers to wrap the turn signals and brake lights around the contours of the main lights and other elements on select models. In addition, LTZ, both Z71 models and High Country feature LED

fog lamps. Standard on Silverado, High-Intensity Discharge (HID) projector-beam headlamps produce a tightly controlled light pattern. LTZ, LTZ Z71 and High Country take illumination to another level with LED headlamps that light the road or trail ahead.

DYNAMICALLY AERODYNAMIC. Aero shutters help ensure only the air necessary for cooling is directed through the radiator, while the rest flows smoothly around the truck. Air deflectors strategically positioned in front of the rear tires and a rear tailgate spoiler help reduce turbulence and drag. The resulting low drag coefficient helps contribute to impressive fuel efficiency.

1. STRONG FROM ANY ANGLE. Silverado has a sculpted hood that adds depth and strength to the muscular front end.

2. A LASTING IMPRESSION. Wraparound LED tail lamps have deep grooves and allow for expressive styling on LTZ, LTZ Z71 and High Country.

3. BRIGHT IDEAS. Z71 models, LTZ and High Country come equipped with tri-beam LED fog lamps.

HIGH COUNTRY

1. A NAME TO BE PROUD OF. Distinctive badging helps High Country stand tall in any crowd.

2. PREMIUM HIGH COUNTRY FEATURES. Standard for 2017 are a heated leather-wrapped steering wheel, power-adjustable pedals and the Enhanced Driver Alert Package with Safety Alert Driver Seat, front and rear park assist, Lane Keep Assist, Forward Collision Alert and Low Speed Forward Automatic Braking.

3. COMFORTABLE IN ANY SITUATION. The exclusive Saddle or all-new Jet Black leather-trimmed interior includes full-feature front bucket seats and embroidered head restraints.

4. ONE STEP AHEAD. Available power articulating assist steps not only swing out, but also back to provide easy access to the front of the cargo box and its contents – something no competitor can match. You can operate each step with buttons inside the cab or by touching the rear of a step with your foot. Also available on LTZ and LTZ Z71.

¹ MyLink functionality varies by model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. ² At time of printing, detailed map coverage is available for most major urban areas of the United States and for certain metropolitan areas of Canada (Vancouver, Calgary, Edmonton, Winnipeg, Windsor, London, Toronto, Ottawa, Montreal, Quebec City and Halifax). Coverage is significantly limited outside these areas. ³ The system wirelessly charges one PMA- or Qi-compatible mobile device. Some devices require an adaptor or back cover. To check for phone or other device compatibility, visit chevrolettotalconnect.ca for details.

Silverado 1500 Crew Cab
Short Box High Country 4x4 in
Black with available features.

BOLD LOOKS TAKEN TO NEW HEIGHTS. Body-colour front and rear bumpers, plus chrome 6-in. assist steps, mirror caps, door handles, grille inserts and 20-in. wheels guarantee High Country is at home wherever you roam.

CHEVY TRUCK CAPABILITY. High Country has all the utility you expect with a standard Trailering Package, cargo tie-downs, a spray-on bedliner, full LED lighting and a power-sliding rear window.

REDEFINING RUGGED. Heated and vented perforated leather-appointed front bucket seats come equipped with power 12-way adjusters for constant comfort. And for 2017, they're available in two colours: Saddle and all-new Jet Black.

The ultimate Silverado interior includes a 7-speaker Bose® premium audio system, Chevrolet MyLink®¹ Radio with Navigation² and 8-in. diagonal colour touch-screen, a reconfigurable centre floor console and wireless charging³.

Silverado 1500 4-door Double Cab
Standard Box LT 4x4 in Red Hot
with available features.

THE 4-DOOR DOUBLE CAB FIT FOR YOUR CREW.

SEATING FOR UP TO SIX. Silverado 4-door Double Cab has a spacious 3-passenger rear bench seat, so you've got room for up to six (five with available front bucket seats on LT and LTZ).

ENTER AND EXIT WITH EASE. Forward-hinged rear doors mean getting into and out of the rear bench seat is no trouble at all. Once inside, passengers will have the comfort of 880 mm (34.6 in.) of rear-seat legroom.

SMART STORAGE INSIDE. When you need extra room for luggage, work tools or anything else, just fold the rear seat up. There's also an available under-seat storage bin with dividers to keep everything organized.

WE'RE KEEPING THINGS QUIET. Every Silverado, including the 4-door Double Cab, features triple door seals and an inlaid door design that fits the doors flush with the body to help reduce wind noise.

Silverado 1500 Crew Cab Short Box
LTZ Z71 4x4 in Siren Red Tintcoat
(extra-cost colour) with available
dealer-installed Chevrolet Accessories.

Z71. TURNS DAYS OFF INTO DAYS OFF-ROAD.

A LOOK MADE FOR THE OUTDOORS.

The unmistakable appearance combines a body-colour front bumper and centre grille bar with Black recovery hooks. LT Z71 features high-gloss Black grille inserts and body-colour mirror caps, door handles and bodyside mouldings, while LTZ Z71 is accented with chrome grille inserts, mirror caps, door handles and bodyside mouldings.

Z71 OFF-ROAD TECHNOLOGY. Off-road jounce bumpers, Rancho® monotube shocks, an underbody transfer case shield and all-terrain tires make paved roads obsolete. Hill Descent Control lets you set and maintain your speed on steep grades.

INSIDE THE LEGEND. A Z71-specific gauge cluster and interior trim on the doors and centre console (if equipped) are standard. So is an off-road screen in the Driver Information Centre that keeps you up to date on your trail performance, including vehicle pitch and roll, wheel angle and 4x4 status.

GET A GRIP. Ready to tame gravel, dirt, snow and mud? A GM-exclusive Eaton® automatic locking rear differential reacts in milliseconds to low-traction situations for improved forward motion, applying power equally to both rear wheels.

PERFORMANCE

THE BEST FUEL EFFICIENCY OF ANY GAS V8 PICKUP IN THE INDUSTRY.^{1,2}

POWER TO THE THIRD DEGREE. Building on an unmatched small block heritage, our EcoTec3 4.3L V6, 5.3L V8 and 6.2L V8 are the only truck engines that use Direct Injection, Active Fuel Management® and Continuously Variable Valve Timing together to deliver robust power with enviable fuel efficiency. It's a combination no competitor can match.

ACTIVE FUEL MANAGEMENT. By sensing load and demand, this feature improves efficiency by seamlessly deactivating cylinders when power demands are light and reactivating cylinders when more power is required – all without you ever noticing the transition.

DIRECT INJECTION. The system injects fuel into the combustion chamber at more than 2000 psi for precise fuel distribution and fast, efficient combustion.

CONTINUOUSLY VARIABLE VALVE TIMING. This system monitors and adjusts valve open and close points for near-peak levels of torque across the entire range of engine speeds.

8-SPEED AUTOMATIC TRANSMISSION. Standard on High Country and Crew Cab LTZ Z71 models and available on LTZ models with either the 6.2L V8 engine³ or Max Trailering Package⁴ is a highly efficient, smooth-shifting 8-speed automatic transmission.

A POWERFUL LIGHT-DUTY PICKUP.

With 420 horsepower and 460 lb.-ft. of torque, the available 6.2L V8 is one of the most powerful engines in any light-duty pickup. Not to be outdone, Silverado equipped with the 4.3L V6 easily generates the most torque of any base model V6 in its class!

Silverado 1500 Crew Cab Short Box
LTZ Z71 4x4 in Deep Ocean Blue
Metallic (extra-cost colour) with
available features.

¹ Based on WardsAuto.com 2016 Large Pickup segment and latest competitive information available at time of printing. Excludes other GM vehicles. ² 2017 Silverado 1500 2WD equipped with available 5.3L V8 engine and 6-speed automatic transmission. Fuel consumption based on GM testing in accordance with Government of Canada approved test methods. Refer to vehicles.nrcan.gc.ca for details. Your actual fuel consumption may vary. ³ Available with 4-door Double Cab or Crew Cab. ⁴ Available with Crew Cab. ⁵ Before you buy a vehicle or use it for trailering, carefully review the Trailering section of the Owner's Manual. The weight of passengers, cargo and options or accessories may reduce the amount you can tow. ⁶ Requires Silverado 1500 Regular Cab Standard Box 4x4. ⁷ Requires Silverado 1500 4-door Double Cab Standard Box 2WD with available Max Trailering Package. ⁸ Requires Silverado 1500 4-door Double Cab Standard Box LTZ 2WD or Crew Cab Short Box 2WD with available Max Trailering Package.

TOWING

BEST-IN-CLASS TOWING UP TO 5670 KG (12,500 LB.)¹

Silverado 1500 Crew Cab Short Box
LTZ Z71 4x4 in Deep Ocean Blue
Metallic (extra-cost colour)
with available features.

Confidence in your pickup can make even the longest day of towing seem easy. Silverado has the horsepower and torque to pull up to 5670 kg (12,500 lb.)¹ so you know you've got power in your corner. But it doesn't end there. We've loaded it with the type of features that make it the complete package when you've got a trailer hitched up.

TRAILER SWAY CONTROL. This system uses StabiliTrak[®] Electronic Stability Control sensors to detect a swaying trailer. It then applies both the vehicle and the trailer brakes (if properly equipped) to help bring it back in line.

STEEP GRADES? NO PROBLEM. With Hill Start Assist, sensors detect when Silverado is on a grade of 5% or more. It holds the brakes momentarily until the accelerator is pressed, preventing rollback. Auto grade braking senses when Silverado is travelling on a downhill grade and engages a grade braking shift pattern to help maintain your desired speed.

MAX TRAILERING PACKAGE. With the available 6.2L V8 engine and the Max Trailering Package – which includes a heavy-duty rear axle ring gear and high-capacity rear springs, integrated trailer brake controller, enhanced cooling system and recalibrated shock tuning for increased control – you can tow up to 5670 kg (12,500 lb.)¹

1. REAR VISION CAMERA. This available feature incorporates dynamic guiding lines that help when backing into a tight parking spot or hitching a trailer.

2. TRAILER BRAKE CONTROLLER. Utilize your trailer brakes with an available integrated trailer brake controller. The level of brake force or “gain” is displayed in the Driver Information Centre.

3. TOW/HAUL MODE. Standard on every Silverado, Tow/Haul mode enhances towing performance by adjusting transmission shifts to reduce shift cycling when towing or hauling heavy loads or when driving on steep grades.

¹ Requires 1500 4-door Double Cab Standard Box LTZ 2WD or Crew Cab Short Box LTZ 2WD with available 6.2L V8 engine and Max Trailering Package. Before you buy a vehicle or use it for trailering, carefully review the Trailering section of the Owner's Manual. The weight of passengers, cargo and options or accessories may reduce the amount you can tow.

PAYLOAD

1. LED CARGO BOX LAMPS. Available LED lamps mounted under the bed rails illuminate the cargo area — perfect when you need a better look at all you are hauling or when the tonneau cover is on. Shown with standard cab-mounted cargo box lamps and available spray-on bedliner.

2. CORNERSTEP REAR BUMPER. Along with pocket hand grips built into the top of the side rails, the CornerStep rear bumper with non-slip treads makes it easy to reach the cargo you're carrying.

3. SPRAY-ON BEDLINER. When you need a thick layer of durable protection between your bed and cargo, this available bedliner does the job. The tailgate is also covered to help protect its surface.

1 Requires 1500 4-door Double Cab 2WD with available 5.3L V8 engine and Max Trailering Package. **2** These maximum payload ratings are intended for comparison purposes only. Before you buy a vehicle or use it to haul people or cargo, carefully review the Vehicle Loading section of the Owner's Manual and check the carrying capacity of your specific vehicle on the label on the inside of the driver door jamb.

Silverado 1500 4-door Double Cab
Standard Box Custom 4x4 in Silver Ice
Metallic with available features.

1021 KG (2250 LB.) OF MAX. PAYLOAD^{1,2}

Silverado offers a number of boxes that help when you're hauling big payloads. The Standard Box is 6' 6" and is available with all cab configurations. Need a full 8' bed for drywall? Then take a look at Silverado Regular Cab. There's also a 5' 8" Short Box available on Crew Cab.

TWO PICKUP BOXES. ONE CLEAR WINNER.

Demonstrations have shown that the aluminum bed of the Ford F-150 is more susceptible to puncture than the high-strength roll-formed steel bed of the Silverado. Our bed is also stronger, lighter and more durable than a traditional stamped steel bed.

TOUGH TIE-DOWNS. Secure your cargo the way you want with four standard lower tie-downs and available movable upper tie-down hooks. The patented, load-bearing upper tie-downs are rated at 113 kg (250 lb.) each and can be positioned in several different places around the box, depending on the cargo.

TAILGATE TECH. The EZ-Lift and Lower tailgate, standard on LT models and higher, is dampened by a torsion bar. It opens smoothly with no thud and can be closed with one hand, so you can load and unload cargo easily. For added convenience, there's also an available power-remote locking/unlocking tailgate.

ENGINEERING

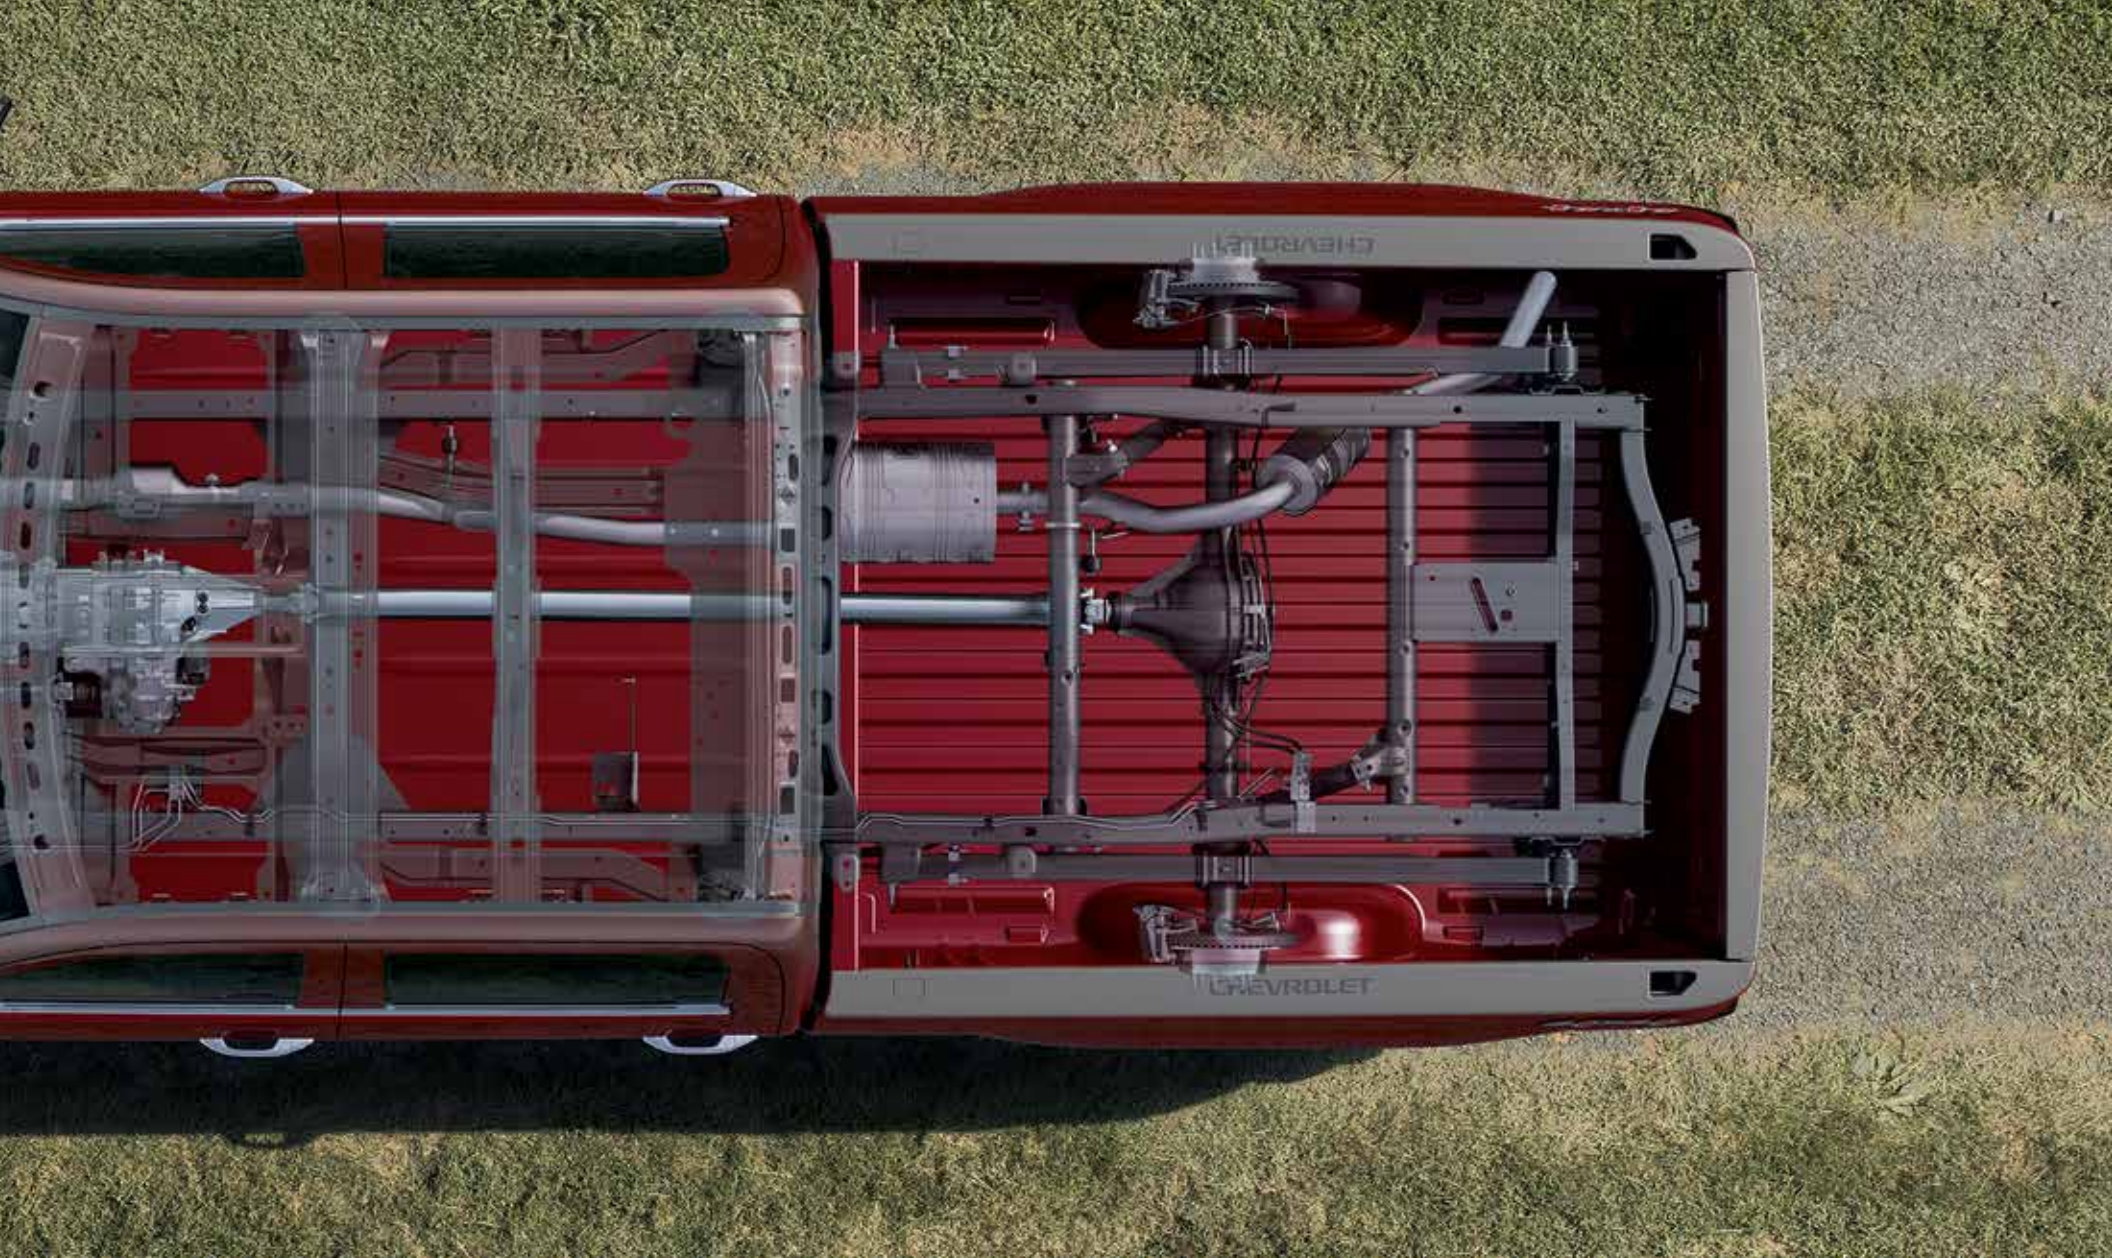

REAL STEEL RUNS THROUGH OUR VEINS.

HIGH-STRENGTH STEEL. The Silverado frame is highly refined and precisely tuned to help squelch vibration for a smoother ride and confident handling. And to help create a quiet cab, much of the cab structure is constructed with high-strength steel, including the pillars, roof rails and rocker panels.

HYDROFORMED FRAME. Silverado uses a hydroformed, boxed high-strength steel frame. Nine cross members are through-frame welded for lateral support. This stiff frame combines with shear-style and hydraulic body mounts so you can ride in comfort while hauling, towing and tackling rugged terrain.

ELECTRIC RACK-AND-PINION POWER STEERING. This system aids fuel efficiency versus engine-powered systems. The variable-assist feature is tuned to provide less assist at highway speeds for a solid on-centre feel, and more assist for less steering effort when manoeuvring in tight spaces.

COIL-OVER-SHOCK FRONT SUSPENSION.

This fully independent system is precisely tuned for solid handling. The front shock module is designed for road isolation in response to even small inputs. A thick spring isolator and a high spring rate produce a controlled ride. The 34 mm stabilizer bar aids vehicle stability.

TUNED MULTI-LEAF REAR SPRINGS.

Two-stage rear leaf springs with splayed shock absorber mounting help provide the perfect balance between ride smoothness and hauling capability. They've also been tuned for noise reduction, as well as corrosion resistance.

DURALIFE™ BRAKE ROTORS.

GM-exclusive Ferritic Nitro-Carburizing (FNC) technology hardens the rotor surface, which can help increase rotor life. It also provides protection against rust to help prevent steering wheel shudder during braking.

ROBUST AXLE DESIGN. Select Silverado models with the available Max Trailering Package feature a rear axle with a large ring gear designed to handle the increased power capacity and provide reliable durability. The available heavy-duty Eaton® automatic locking rear differential provides extra grip in low-traction situations.

A detailed view of the interior of a Chevrolet truck, showing the driver's side. The steering wheel is black with a silver Chevrolet bowtie logo in the center. The dashboard features a digital display and several analog gauges. The center console has a gear shifter and handbrake. The seats are upholstered in light-colored leather with dark stitching. Wood trim accents the door panels and center console. The truck is parked in a scenic area with mountains and trees visible through the windows.

INTERIOR DESIGN

**ROOM FOR EVERYTHING.
EXCEPT COMPROMISE.**

Silverado 1500 Crew Cab LTZ interior in Dune with perforated leather appointments, Cocoa interior accents and available features.

Silverado 1500 Crew Cab LTZ interior in Dune with perforated leather appointments, Cocoa interior accents and available features.

DESIGNED FOR ALL-DAY COMFORT.

Resilient dual-firmness foam helps the seats retain their support over time, which is especially important for Silverado drivers and passengers who spend a lot of time in their trucks.

THE WORLD AT YOUR FINGERTIPS.

With steering wheel-mounted controls, you can activate available Bluetooth® phone functions¹; set the cruise control, engage the available heated steering wheel and more. All knobs and buttons are large enough to accommodate gloved hands.

A POWERFUL ALLY. You're never far from a power supply: depending on the model you choose, there are multiple USB ports²; up to four auxiliary power outlets and an available 110-volt outlet. Plus, an available wireless charging station³ lets you conveniently charge your compatible cell phone.

IT'S CAPABLE INSIDE TOO. The available centre floor console provides cavernous storage for your laptop or other items. Plus, there are upper and lower gloveboxes and "grab and go" storage pockets integrated into the doors so everything is within easy reach.

1. MYLINK. DONE YOUR WAY. Available Chevrolet MyLink⁴ lets you arrange icons and features on the optional 7-in. or 8-in. diagonal colour touch-screen. Store up to 60 favourites, including radio stations, contacts and even destinations (requires available Chevrolet MyLink⁴ Radio with Navigation⁵).

2. PLENTY OF ROOM FOR YOUR THINGS. Upper and lower gloveboxes give you and your companions a place to store all kinds of items. You'll also find a number of other storage areas throughout.

3. myChevrolet™ MOBILE APP. Download the app⁶ to your compatible smartphone and if your vehicle is properly equipped, you can start or turn off the engine,⁷ lock/unlock the doors,⁷ send destinations⁸ to your available navigation system (if equipped), view key vehicle diagnostic information and more.

4. SILVERADO IS THE FIRST FULL-SIZE PICKUP TO OFFER ONSTAR 4G LTE WITH BUILT-IN Wi-Fi® HOTSPOT.⁹

Our strong signal means you have a reliable connection, providing a great in-vehicle experience and allowing you to seamlessly connect up to seven devices to the Internet. OnStar 4G LTE with built-in Wi-Fi hotspot is available on Silverado WT models and standard on all other models.

¹ Visit chevrolettotalconnect.ca to find out which phones are compatible with the vehicle. ² Not compatible with all devices. ³ The system wirelessly charges one PMA- or Qi-compatible mobile device. Some devices require an adaptor or back cover. To check for phone or other device compatibility, visit chevrolettotalconnect.ca for details. ⁴ MyLink functionality varies by model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. ⁵ At time of printing, detailed map coverage is available for most major urban areas of the United States and for certain metropolitan areas of Canada (Vancouver, Calgary, Edmonton, Winnipeg, Windsor, London, Toronto, Ottawa, Montreal, Quebec City and Halifax). Coverage is significantly limited outside these areas. ⁶ Available on select Apple and Android devices. Some features may require a paid OnStar service plan. Features and capability may vary by vehicle, device, conditions as well as geographical and technical restrictions. Device data connection required. ⁷ Visit onstar.ca for coverage maps, details and system limitations. Services vary by model, conditions as well as geographical and technical restrictions. Unlock feature requires automatic locks. Remote start requires factory-installed and -enabled remote start system. ⁸ Requires Basic Plan and navigation system to send directions through the mobile app. Turn-by-Turn directions and Destination Download also available through an advisor with the Guidance Plan or Navigation Add-On Plan. Visit onstar.ca for coverage maps. Services vary by model. ⁹ Visit onstar.ca for coverage maps, details and system limitations. Service plan required. Available 4G LTE with Wi-Fi hotspot requires WPA2 compatible mobile device and data plan. Data plans provided by AT&T. Services vary by model, service plan, conditions as well as geographical and technical restrictions. OnStar with 4G LTE connectivity is available on select vehicle models and in select markets. Vehicle must be started or in accessory mode to access Wi-Fi.

SAFETY

SAFETY STARTS WITH YOU. Safety features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Read the vehicle Owner's Manual for important feature limitations and information.

AS SAFE AS IT IS STRONG.

The available Enhanced Driver Alert Package has features that help protect you from the unexpected, including the Safety Alert Driver Seat, front and rear park assist, Lane Keep Assist, Forward Collision Alert and Low Speed Forward Automatic Braking.

SAFETY ALERT DRIVER SEAT. The available seat uses directional vibration pulses from the seat cushion instead of audible crash avoidance alerts to help indicate the direction of potential collision threats. This patented warning approach is tied into other onboard crash avoidance systems.

LANE KEEP ASSIST. At speeds above 60 km/h (37 mph), this available camera-based system monitors road lines and will gently turn the steering wheel if the vehicle begins changing lanes without the use of a turn signal.

LOW SPEED FORWARD AUTOMATIC BRAKING. If the vehicle is travelling at a low speed and this available feature detects that a front-end collision situation is imminent while following a detected vehicle and the driver has not already applied the brakes, the system automatically applies the brakes to help reduce the collision's severity. The system may even help avoid a collision at very low speeds.

FORWARD COLLISION ALERT. This available feature continually monitors how close your vehicle is to the vehicle in front of you. If the system determines that a front-end collision with a detected vehicle is imminent, it alerts the driver to a potential crash. It also warns the driver if their Silverado is following a detected vehicle too closely.

FRONT AND REAR PARK ASSIST. Ideal when pulling into a parking spot at low speeds, this available system senses stationary objects and alerts you if an object is too close. If equipped, the rear vision camera automatically displays a live image of the area behind the vehicle on the screen in the centre stack after you shift into Reverse.

INTELLIBEAM HIGH BEAM ASSIST. When oncoming headlamps are sensed or when tail lamps are detected in front of you, the available IntelliBeam™ high beam assist intuitively adjusts between low and high beams.

REAR VISION CAMERA. When the transmission is in Reverse, the available rear vision camera with dynamic guiding lines allows the driver to view objects directly behind the vehicle via the available screen in the centre stack. So it's easier to back up, park or hook up a trailer.

SIX AIRBAGS. Silverado features six airbags¹, including dual-stage frontal airbags. There are also head curtain side-impact airbags with rollover protection and front seat-mounted side-impact airbags.

TEEN DRIVER. This new technology encourages and coaches safer driving habits in a number of ways, including in-vehicle reports that monitor the frequency of available active safety feature activations, muting the audio system when front-seat occupants aren't wearing their safety belts, and giving audible and visual warnings when the vehicle is travelling over predetermined speeds. It's ideal in helping small business owners ensure workers are driving safely.

ONSTAR® AUTOMATIC CRASH RESPONSE² In a crash, built-in sensors can alert a specially trained OnStar advisor, who is connected into your Silverado to see if you need help — even if you can't ask for it. Advisors can use GPS technology to pinpoint your location and request emergency help. Automatic Crash Response is included in the OnStar³ Guidance Plan standard for the first six months. It is included on LS, LT, LT Z71, LTZ, LTZ Z71 and High Country and is available on WT and Custom.⁴

¹ A NOTE ON CHILD SAFETY: Always use safety belts and the correct child restraint for your child's age and size, even with airbags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal airbag. See the Owner's Manual and the child safety seat instructions for more safety information. ² Visit onstar.ca for vehicle availability, details and system limitations. OnStar acts as a link to existing emergency service providers. Not all vehicles may transmit all crash data. ³ Visit onstar.ca for coverage maps, details and system limitations. Service plan required. Available 4G LTE with Wi-Fi hotspot requires WPA2 compatible mobile device and data plan. Data plans provided by AT&T. Services vary by model, service plan, conditions as well as geographical and technical restrictions. OnStar with 4G LTE connectivity is available on select vehicle models and in select markets. Vehicle must be started or in accessory mode to access Wi-Fi. ⁴ Requires available Chevrolet MyLink Radio with 7-in. diagonal colour touch-screen display.

SPECIAL EDITIONS

Silverado 1500 4-door Double Cab Standard Box Custom in Summit White with available Rally 1 Edition and Silverado 1500 Crew Cab Short Box LT Z71 in Red Hot with available Rally 2 Edition.

¹ Box length: Short Box 5' 8", Standard Box 6' 6" and Long Box 8'. ² Gross Vehicle Weight Rating (GVWR) includes vehicle, passengers, equipment and cargo. ³ These maximum payload ratings are intended for comparison purposes only. Before you buy a vehicle or use it to haul people or cargo, carefully review the Vehicle Loading section of the Owner's Manual and check the carrying capacity of your specific vehicle on the label on the inside of the driver door jamb. ⁴ Before you buy a vehicle or use it for trailering, carefully review the Trailering section of the Owner's Manual. The weight of passengers, cargo and options or accessories may reduce the amount you can tow. ⁵ Requires available Max Trailering Package.

SELECT VEHICLE FEATURES

SILVERADO WT Silverado WT includes these standard features:

285 hp EcoTec3 4.3L V6 engine with Active Fuel Management, Direct Injection and Variable Valve Timing (VVT) (all WT models except Crew Cab Standard Box)
355 hp EcoTec3 5.3L V8 engine with Active Fuel Management, Direct Injection and Variable Valve Timing (VVT) (Crew Cab Standard Box)
Oil life monitoring system
6-speed automatic transmission with Tow/Haul mode and Grade Braking
4-wheel disc brakes with Duralife rotors and Anti-lock Braking System (ABS)
Heavy-duty external engine oil cooler
Auxiliary external transmission cooler (Crew Cab Standard Box)
StabiliTrak Electronic Stability Control System with Proactive Roll Avoidance, Electronic Trailer Sway Control and Hill Start Assist
Traction control
Transfer case, 2-speed floor-mounted shifter (4x4)
17-in. painted-steel wheels (RD6)
P255/70R17 all-season ¹ tires
High-Intensity Discharge (HID) headlamps with LED signature daytime running lamps
Chrome grille surround
Front recovery hooks, Black (4x4)
Exterior mirrors, manual-folding, Black
Black door handles
Solar-absorbing tinted glass
Cargo box lighting

SILVERADO WT (CONTINUED)

Locking tailgate
Bed rail and tailgate protector caps
Black front and rear bumpers
CornerStep rear bumper
Capless fuelling
6 airbags
Driver Information Centre with 3.5-in. monochromatic display
Teen Driver technology
Tire pressure monitoring system (excludes spare tire)
Air conditioning with manual controls, single-zone
Power windows (Double Cab and Crew Cab)
Power programmable door locks
Tilt adjustable steering column
Cruise control
Vinyl floor covering
Front 40/20/40 split-bench seat
Driver-seat manual lumbar adjuster (cloth seats)
Folding rear bench seat (Double Cab)
60/40 split-folding rear bench seat (Crew Cab)
Vinyl or cloth seating surfaces
AM/FM stereo, auxiliary audio input jack and 4.2-in. colour display screen
4-speaker audio system (Regular Cab)
6-speaker audio system (Double Cab and Crew Cab)
USB port ¹

SILVERADO LS enhances Silverado WT features with:

17-in. painted-steel wheels with stainless steel cladding (RD7)
Chrome front and rear bumpers
Power exterior mirrors, heated, Black (includes driver-side spotter mirror)
Deep-tinted glass behind front doors
Remote keyless entry
Remote locking tailgate
Power windows (Regular Cab)
Chevrolet MyLink ² Radio infotainment system with 7-in. colour touch-screen display
6-speaker audio system (Regular Cab)
Bluetooth ^{®3} hands-free phone connectivity and wireless audio streaming
OnStar ⁴ Guidance Plan for 6 months
OnStar 4G LTE and built-in Wi-Fi [®] hotspot ⁴ for up to seven devices, includes data trial for 3 months or 3 GB (whichever comes first)
OnStar Basic Plan ⁵ including limited features of the myChevrolet mobile app ⁵

SILVERADO CUSTOM enhances Silverado WT features with:

Body-colour front and rear bumpers
Body-colour grille surround
Body-colour headlamp bezels
Deep-tinted glass behind front doors
Power exterior mirrors, heated, Black (includes driver-side spotter mirror)
20-in. chrome-clad aluminum wheels (NZN)
P275/55R20 all-season ¹ tires
Chevrolet MyLink ² Radio infotainment system with 7-in. colour touch-screen display
Bluetooth ³ hands-free phone connectivity and wireless audio streaming.

SILVERADO LT enhances Silverado LS features with:

Autotrac™ 2-speed transfer case with electronic controls (4x4 models)
17-in. bright machined-aluminum wheels (Q5U)
Power exterior mirrors, heated, body-colour (includes driver-side spotter mirror)
Body-colour door handles
Body-colour bodyside mouldings
Rear wheelhouse liners (Double Cab and Crew Cab)
EZ-Lift and Lower Tailgate
Rear vision camera
Driver Information Centre with 4.2-in. colour display
Colour-keyed carpeted floor covering
Rubber floor mats
Leather-wrapped steering wheel with Bluetooth ³ cruise and audio system controls
Front centre fold-down armrest with storage
Front lockable storage compartment in centre seat cushion
60/40 split-folding rear bench seat (Double Cab)
Sunshades with illuminated vanity mirrors
Chevrolet MyLink ² Radio infotainment system with 8-in. colour touch-screen display
Single-slot CD/MP3 player
SiriusXM™ satellite radio ⁷ with 3-month trial.

SILVERADO LT Z71 enhances Silverado LT features with:

Automatic locking rear differential
Trailer Package
Rancho® monotube shock absorbers
High-capacity air cleaner
Hill Descent Control
Transfer case shield
Body-colour front and rear bumpers
Body-colour grille surround
Body-colour headlamp bezels
LED fog lamps
18-in. bright machined-aluminum wheels (RD1)
P265/65R18 all-terrain tires
Brushed-metal Z71 doorsill plates
Z71-specific gauge cluster treatment
Z71-specific interior trim plates
Z71-specific front bumper fascia appearance
Z71-specific grille insert with badging
Z71 pickup box decals.

¹ Not compatible with all devices. ² MyLink functionality varies by model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. ³ Visit chevrolettotalconnect.ca to find out which phones are compatible with the vehicle. ⁴ Visit onstar.ca for coverage maps, details and system limitations. Service plan required. Available 4G LTE with Wi-Fi hotspot requires WPA2 compatible mobile device and data plan. Data plans provided by AT&T. Services vary by model, service plan, conditions as well as geographical and technical restrictions. OnStar with 4G LTE connectivity is available on select vehicle models and in select markets. Vehicle must be started or in accessory mode to access Wi-Fi. ⁵ The OnStar Basic Plan is available for 5 years from the delivery date of the eligible new 2017 model year vehicles to the original owner and is transferable to subsequent owners for the remaining term. It includes the monthly Diagnostics Report emails (capabilities vary by model), Dealer Maintenance Notification, access to select vehicle mobile app features and more. This plan does not include emergency, security or navigation services. These and other services require a paid or Add-On Plan. Visit onstar.ca for vehicle availability, coverage maps, details and system limitations. Available 4G LTE with Wi-Fi hotspot requires WPA2 compatible mobile device and data plan. Data plans are provided by AT&T. ⁶ Available on select Apple and Android devices. Some features may require a paid OnStar service plan. Features and capability may vary by vehicle, device, conditions as well as geographical and technical restrictions. Device data connection required. ⁷ Available in 10 Canadian provinces, 3 territories and the 48 contiguous United States. Subscription sold separately after trial period. If you decide to continue your service at the end of your trial subscription, the plan you choose will automatically renew and bill at then-current rates until you call 1-888-539-7474 to cancel. Other fees and taxes will apply. All fees and programming subject to change. See SiriusXM "Terms & Conditions" and complete details at siriusxm.ca. [†] All-season tires may not satisfy winter tire requirements in all regions of the country. Tires specifically designed for severe winter conditions and marked with the "winter tire" symbol  may be required during certain months or in certain regions. Contact your Provincial, Municipal or local road authority for information regarding which tires are required in your particular area.

SELECT VEHICLE FEATURES (CONTINUED)

SILVERADO LTZ enhances Silverado LT features with:

355 hp EcoTec3 5.3L V8 engine with Active Fuel Management, Direct Injection and Variable Valve Timing (VVT)
Automatic locking rear differential
Trailer Package
Auxiliary external transmission cooler
18-in. bright machined-aluminum wheels (PZX)
P265/65R18 all-season [†] tires

Chevrolet MyLink ¹ Radio with Navigation ² and SiriusXM [™] Traffic ³ with 3-month trial
Bose [®] 7-speaker premium audio system
Wireless charging ⁴

ENGINES

ECOTEC3 4.3L V6 ENGINE Standard on WT, LS, Custom, LT and LT Z71

EcoTec3 technology includes Active Fuel Management, Direct Injection and Variable Valve Timing (VVT)
285 hp @ 5300 rpm (gas); 297 hp @ 5300 rpm (E85)
305 lb.-ft. of torque @ 3900 rpm (gas); 330 lb.-ft. of torque @ 3900 rpm (E85)
Cast-aluminum block and cylinder heads
Displacement, cc (cu. in.) – 4300 (262)
Bore & stroke, mm (in.) – 99.6 x 92 (3.92 x 3.62)
Compression ratio – 11.0:1
Ignition system – coil near plug, extended-life spark plugs
Recommended fuel – regular unleaded or E85
Fuel consumption ratings L/100 km (MPG) City/Hwy ⁵ with 6-speed automatic: 2WD – 13.4/10.0 (21/28); 4x4 – 14.1/10.6 (20/27)
Maximum payload ⁶ kg (lb.) – 898 (1980) ⁷
Maximum towing ⁸ kg (lb.) – 3447 (7600) ⁹

ECOTEC3 5.3L V8 ENGINE Standard on LTZ, LTZ Z71, High Country and all other Crew Cab Standard Box models. Available on WT, LS, Custom, LT and LT Z71

EcoTec3 technology includes Active Fuel Management, Direct Injection and Variable Valve Timing (VVT)
355 hp @ 5600 rpm (gas); 376 hp @ 5600 rpm (E85)
383 lb.-ft. of torque @ 4100 rpm (gas); 416 lb.-ft. of torque @ 4000 rpm (E85)
Cast-aluminum block and cylinder heads
Displacement, cc (cu. in.) – 5328 (325)
Bore & stroke, mm (in.) – 96 x 92 (3.78 x 3.62)
Compression ratio – 11.0:1
Ignition system – coil near plug, extended-life spark plugs
Recommended fuel – regular unleaded or E85
Fuel consumption ratings L/100 km (MPG) City/Hwy ⁵ with 6-speed automatic: 2WD – 14.6/10.3 (19/27); 4x4 – 15.0/10.7 (19/26)
Fuel consumption ratings L/100 km (MPG) City/Hwy ⁵ with 8-speed automatic: 2WD – 15.2/10.7 (19/26); 4x4 – 15.9/11.5 (18/25)
Best-in-class V8 gas fuel efficiency ¹⁰
Maximum payload ⁶ kg (lb.) – 1021 (2250) ¹¹
Maximum towing ⁸ kg (lb.) – 5035 (11,100) ¹²

ECOTEC3 6.2L V8 ENGINE Available on LTZ, LTZ Z71 and High Country

EcoTec3 technology includes Active Fuel Management, Direct Injection and Variable Valve Timing (VVT)
420 hp @ 5600 rpm
460 lb.-ft. of torque @ 4100 rpm
Cast-aluminum block and cylinder heads
Displacement, cc (cu. in.) – 6162 (376)
Bore & stroke, mm (in.) – 103.25 x 92 (4.06 x 3.62)
Compression ratio – 11.5:1
Ignition system – coil near plug, extended-life spark plugs
Recommended fuel – premium (not required)
Fuel consumption ratings L/100 km (MPG) City/Hwy ⁵ with 8-speed automatic: 2WD – 15.9/11.2 (18/25); 4x4 – 16.0/11.7 (18/24)
Maximum payload ⁶ kg (lb.) – 980 (2160) ¹³
Maximum towing ⁸ kg (lb.) – 5670 (12,500) ¹⁴

¹ MyLink functionality varies by model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. ² At time of printing, detailed map coverage is available for most major urban areas of the United States and for certain metropolitan areas of Canada (Vancouver, Calgary, Edmonton, Winnipeg, Windsor, London, Toronto, Ottawa, Montreal, Quebec City and Halifax). Coverage is significantly limited outside these areas. ³ SiriusXM Traffic is available in select markets and requires SiriusXM satellite radio service. SiriusXM satellite radio and SiriusXM Traffic subscriptions are sold separately or as a package after the 3-month trial period. If you decide to continue service after your trial, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates. Fees and taxes apply. To cancel you must call 1-888-539-7474. For more information, visit siriusxm.ca/traffic. ⁴ The system wirelessly charges one PMA- or Qi-compatible mobile device. Some devices require an adaptor or back cover. To check for phone or other device compatibility, visit chevrolettotalconnect.ca for details. ⁵ Fuel consumption ratings based on GM testing in accordance with Government of Canada approved test methods. Refer to vehicles.nrcan.gc.ca for details. Your actual fuel consumption may vary. ⁶ These maximum payload ratings are intended for comparison purposes only. Before you buy a vehicle or use it to haul people or cargo, carefully review the Vehicle Loading section of the Owner's Manual and check the carrying capacity of your specific vehicle on the label on the inside of the driver door jamb. ⁷ Requires Regular Cab Long Box 2WD model. ⁸ Before you buy a vehicle or use it for trailering, carefully review the Trailering section of the Owner's Manual. The weight of passengers, cargo and options or accessories may reduce the amount you can tow. ⁹ Requires Regular Cab Standard Box 4x4 model. ¹⁰ Based on WardsAuto.com 2016 Large Pickup segment and latest competitive information available at time of printing. Excludes other GM vehicles. ¹¹ Requires Double Cab Standard Box 2WD with 6-speed automatic transmission. ¹² Requires Double Cab Standard Box 2WD with 6-speed automatic transmission or available 8-speed automatic transmission and available Max Trailering Package. ¹³ Requires Double Cab Standard Box 2WD with available Max Trailering Package. ¹⁴ Requires Double Cab Standard Box 2WD with available Max Trailering Package. † All-season tires may not satisfy winter tire requirements in all regions of the country. Tires specifically designed for severe winter conditions and marked with the “winter tire” symbol  may be required during certain months or in certain regions. Contact your Provincial, Municipal or local road authority for information regarding which tires are required in your particular area.

1 Requires available feature(s) and/or Package(s). 2 Visit chevrolettotalconnect.ca to find out which phones are compatible with the vehicle. 3 Includes driver-seat manual lumbar adjuster when cloth trim is specified. 4 Available with leather-appointed seating surfaces on Double Cab and Crew Cab. 5 Available on Double Cab and Crew Cab. Requires cloth trim. Includes heated front bucket seats, power 2-way driver and front-passenger seat lumbar adjusters, centre floor console and wireless charging. 6 Included with available front bucket seats. 7 Rear seat includes vinyl trim. 8 Requires 40/20/40 front split-bench seat. 9 Included and only available with full-feature heated and ventilated front bucket seats. Rear seat includes vinyl trim. 10 MyLink functionality varies by model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. 11 Requires compatible iPhone running iOS 6 or later. 12 Includes OnStar Guidance Plan, OnStar Basic Plan and OnStar 4G LTE with Wi-Fi hotspot capability. 6-speaker audio system included on Regular Cab. 13 At time of printing, detailed map coverage is available for most major urban areas of the United States and for certain metropolitan areas of Canada (Vancouver, Calgary, Edmonton, Winnipeg, Windsor, London, Toronto, Ottawa, Montreal, Quebec City and Halifax). Coverage is significantly limited outside these areas. 14 SiriusXM Traffic is available in select markets and requires SiriusXM satellite radio service. SiriusXM satellite radio and SiriusXM Traffic subscriptions are sold separately or as a package after the 3-month trial period. If you decide to continue service after your trial, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates. Fees and taxes apply. To cancel you must call 1-888-539-7474. For more information, visit siriusxm.ca/traffic. 15 Visit onstar.ca for coverage maps, details and system limitations. Service plan required. Available 4G LTE with Wi-Fi hotspot requires WPA2 compatible mobile device and data plan. Data plans provided by AT&T. Services vary by model, service plan, conditions as well as geographical and technical restrictions. OnStar with 4G LTE connectivity is available on select vehicle models and in select markets. Vehicle must be started or in accessory mode to access Wi-Fi. 16 Included and only available with Chevrolet MyLink Radio with 7-in. diagonal colour touch-screen display. 17 The OnStar Basic Plan is available for 5 years from the delivery date of the eligible new 2017 model year vehicles to the original owner and is transferable to subsequent owners for the remaining term. It includes the monthly Diagnostics Report emails (capabilities vary by model), Dealer Maintenance Notification, access to select vehicle mobile app features and more. This plan does not include emergency, security or navigation services. These and other services require a paid or Add-On Plan. Visit onstar.ca for vehicle availability, coverage maps, details and system limitations. Available 4G LTE with Wi-Fi hotspot requires WPA2 compatible mobile device and data plan. Data plans are provided by AT&T. 18 Available in 10 Canadian provinces, 3 territories and the 48 contiguous United States. Subscription sold separately after trial period. If you decide to continue your service at the end of your trial subscription, the plan you choose will automatically renew and bill at then-current rates until you call 1-888-539-7474 to cancel. Other fees and taxes will apply. All fees and programming subject to change. See SiriusXM "Terms & Conditions" and complete details at siriusxm.ca. 19 Not compatible with all devices. 20 The system wirelessly charges one PMA- or Qi-compatible mobile device. Some devices require an adaptor or back cover. To check for phone or other device compatibility, visit chevrolettotalconnect.ca for details. 21 Includes locking rear differential, 18-in. bright machined-aluminum wheels (PZX) and Trailering Package. Requires 5.3L V8 engine and power vertical camper rear-view mirrors. Restrictions apply, see dealer for details. 22 With 5.3L V8 engine, requires power vertical camper rear-view mirrors. Available 6.2L V8 engine requires 20-in. chrome wheels (RD2) with P275/55R20 all-season* tires and power vertical camper rear-view mirrors. Restrictions apply, see dealer for details. 23 Requires Double Cab, 5.3L V8 engine, True North Edition and Black exterior colour. Includes spray-on bedliner and rear park assist. Restrictions apply, see dealer for details. 24 Requires Crew Cab and Black exterior colour. Includes front and rear park assist, body-colour door handles, body-colour mirror caps, body-colour bodyside mouldings, LT Z71 grille insert and Black beltline mouldings. Restrictions apply, see dealer for details. 25 Requires Double Cab Standard Box or Crew Cab Short Box in Black, Silver Ice Metallic, Red Hot or Summit White exterior colour. Restrictions apply, see dealer for details. 26 Requires Black exterior colour and Jet Black interior trim colour. Restrictions apply, see dealer for details. 27 Requires available Black Out Edition, 5.3L V8 engine and Black exterior colour. Restrictions apply, see dealer for details. 28 Includes automatic locking rear differential. 29 Includes Trailering Package, LED front fog lamps and automatic locking rear differential. Not available with Max Trailering Package. † All-season tires may not satisfy winter tire requirements in all regions of the country. Tires specifically designed for severe winter conditions and marked with the "winter tire" symbol  may be required during certain months or in certain regions. Contact your Provincial, Municipal or local road authority for information regarding which tires are required in your particular area.
