Malibu Premier in Iridescent Pearl Tricoat
(extra-cost colour) with available features.

“Simply excellent.”
— AUTOMOBILE

**EXCEPTIONAL IN
EVERY ASPECT.**

Surpass all of your own expectations with Malibu and Malibu Hybrid for 2017. A perfect mix of bold design and ingenious technology, these vehicles are everything you ever wanted but never thought you'd find.

Expect outstanding fuel efficiency throughout the lineup. And peace of mind from the available advanced safety technology that can help prevent and protect you from a potential collision. Connectivity is personalized with available support for Apple CarPlay™¹ and Android Auto™¹ that provides a simple and smart way to use some of your phone's features. You can easily access these features through the available Chevrolet MyLink®² touch-screen display in your Malibu.

The 2017 Malibu. Make every day extraordinary.

¹ Vehicle user interfaces are products of Apple and Google and their terms and privacy statements apply. Requires compatible smartphone and data plan rates apply. ² MyLink functionality varies by model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices.

FIND NEW ROADS™

EXTERIOR DESIGN

Malibu Premier in Iridescent Pearl Tricoat (extra-cost colour) with available features.

DYNAMIC LINES SET A NEW CURVE.

The 2017 Malibu has presence, with an exterior appearance that is agile and dynamic yet refined. The combination of expressive, bold shapes and sculpted surfaces commands attention.

AERODYNAMIC DESIGN.

To achieve strong aerodynamic efficiency, our design team paid special attention to the mirrors, headlamps and deck lid — all providing Malibu beautifully sculpted lines that give the wind little to hold on to.

A BODY IN MOTION.

Low, elongated proportions give Malibu a dramatic profile, a windswept look and the impression of constant motion. And there's also considerable interior space.

1. ILLUMINATE THE POSSIBILITIES.

The stunningly slim headlamps provide a contemporary visual statement while offering outstanding visibility. LT, Hybrid and Premier feature standard LED daytime running lamps.

2. MOVE BOLDLY.

These 19-in. aluminum wheels, available on Premier, were designed specifically to complement the athletic exterior lines.

3. THE ART OF A MEMORABLE EXIT.

An integrated spoiler on the rear deck lid helps direct airflow smoothly and efficiently away from Malibu.

4. DISTINCTIVE CHARACTER.

LED tail lamps and polished dual exhaust outlets ensure Premier makes a lasting impression.

INTERIOR DESIGN

Malibu Premier interior in
Loft Brown/Dark Atmosphere.

WANTS AND NEEDS COMFORTABLY COEXIST.

MAKE YOURSELF COMFORTABLE.

Whether you are driving across town or across the country, the seats in Malibu were designed to keep you travelling in comfort. The 8-way power driver seat, standard on LT, Hybrid and Premier, puts you in complete control.

ENJOY A WARM WELCOME.

Premier features heated front seats, a heated steering wheel to chase away the chill and ventilated front seats to keep you cool when things heat up.

UNCOMMON ACCOMMODATIONS.

Satin chrome is generously displayed throughout the Malibu cabin to enhance sophistication and help eliminate glare. Soft touch components exude an uncommon level of quality.

EVERY SEAT, FIRST-CLASS.

Rear-seat passengers were kept top of mind in Malibu. That's why the design includes generous rear-seat legroom and rear doors that open wide to help make entry and exit easier.

DON'T FORGET YOUR LAPTOP.

Or anything else in the back seat. Rear Seat Reminder¹ activates when the rear doors are opened and closed up to 10 minutes before or anytime while your vehicle is on, so when you turn your car off, you will get a reminder to double-check for valuables left behind.

A QUIET SANCTUARY.

An acoustic-laminated windshield, a custom dash panel with strategic applications of laminated steel, and triple-sealed doors are just a few of the features that help keep the chaos of the outside world at bay.

¹ Does not detect people or items. Always check rear seat before exiting.

TECHNOLOGY

1. myChevrolet™ MOBILE APP. This mobile app¹ gives you access to your vehicle even when you're nowhere near it. Simply download the app to your compatible smartphone and if your vehicle is properly equipped, you can set parking reminders, start or turn off the engine², lock/unlock the doors², send destinations³ to your available navigation system (if equipped), view key vehicle diagnostic information and more.

2. BETTER DRIVING HABITS.

Perfect for new drivers, available Teen Driver technology helps to encourage and coach safer driving habits in a number of ways, like muting the audio system when front-seat occupants aren't wearing their safety belts, and giving audible and visual warnings when the vehicle is travelling over a predetermined speed.

3. MORE THAN A PRETTY FACE.

With available Apple CarPlay™ compatibility⁴, you can simply and smartly connect with some of your favourite compatible iPhone® features, including Phone, Music, Maps and Messages, right on your vehicle's display. You can even interact with some of your favourite audio apps.

4. STAY CHARGED UP. Conveniently charge your compatible cell phone with the available wireless charging station⁵

1 Available on select Apple and Android devices. Some features may require a paid OnStar service plan. Features and capability may vary by vehicle, device, conditions as well as geographical and technical restrictions. Device data connection required. 2 Visit onstar.ca for coverage maps, details and system limitations. Services vary by model, conditions as well as geographical and technical restrictions. Unlock feature requires automatic locks. Remote start requires factory-installed and -enabled remote start system. 3 Requires Basic Plan and navigation system to send directions through the mobile app. Turn-by-Turn directions and Destination Download also available through an advisor with the Guidance Plan or Navigation Add-On Plan. Visit onstar.ca for coverage maps. Services vary by model. 4 Vehicle user interfaces are products of Apple and Google and their terms and privacy statements apply. Requires compatible smartphone and data plan rates apply. 5 The system wirelessly charges one PMA- or Qi-compatible mobile device. Some devices require an adaptor or back cover. To check for phone or other device compatibility, visit chevrolettotalconnect.ca for details. 6 MyLink functionality varies by model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. 7 Visit chevrolet.ca for details about Shop. 8 Includes data plan trial for 3 months or 3 GB, whichever comes first. Visit onstar.ca for coverage maps, details and system limitations. Service plan required. Available 4G LTE with Wi-Fi hotspot requires WPA2 compatible mobile device and data plan. Data plans provided by AT&T. Service varies by model, service plan, conditions as well as geographical and technical restrictions. OnStar with 4G LTE connectivity is available on select vehicle models and in select markets. Vehicle must be started or in accessory mode to access Wi-Fi.

CENTURY
AUTO.CA

Malibu Premier interior in
Medium Ash Grey/Dark Atmosphere
with available features.

EASY ACCESS TO YOUR SMARTPHONE.

Intuitively interact with select smartphone apps with support for available Android Auto.^{™4} This system takes some of your compatible Android phone's features and puts them on the available Chevrolet MyLink⁶ display in a smart, simple manner. You can access your phone, text messages, music, navigation and more.

MYLINK. YOUR WAY. Chevrolet MyLink⁶ lets you arrange icons and features on the 7-in. diagonal (LS, LT and Hybrid) or 8-in. diagonal (Premier) colour touch-screen, much like you would with a smartphone or tablet. The screen is tilted up to aid visibility and help prevent screen glare.

SHOP YOUR APPS. Easily browse, select and install apps that enhance your driving experience so it gets better every day. Using your vehicle's available touch-screen, you can access Shop⁷ to customize your content.

MAINTAIN YOUR CONNECTIONS. Thanks to the available built-in OnStar 4G LTE with Wi-Fi[®] hotspot,⁸ you have the ability to seamlessly connect smart devices and your vehicle to the Internet. It provides a great in-vehicle experience with a strong signal and reliable connection.

SAFETY

SAFETY STARTS WITH YOU. Safety features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Read the vehicle Owner's Manual for important feature limitations and information.

“★★★★★” OVERALL VEHICLE SCORE FOR SAFETY!

— U.S. NATIONAL HIGHWAY TRAFFIC
SAFETY ADMINISTRATION (NHTSA)

ADAPTIVE CRUISE CONTROL. Using front-mounted radar, this available feature on Premier maintains your selected cruise speed and following-gap distance, automatically braking when necessary in stop-and-go traffic.

AVAILABLE FRONT PEDESTRIAN BRAKING. At speeds up to 80 km/h (50 mph), a forward-looking camera surveys the road ahead, flashing a warning signal and a series of eight beeps when the vehicle is approaching a pedestrian ahead too fast. If necessary, the available system will even automatically apply last-second braking.

FORWARD AUTOMATIC BRAKING. Using the same radar sensors as Adaptive Cruise Control and available on Premier, Forward Automatic Braking helps mitigate collisions or even prevent them at low speeds. The system alerts the driver if a detected vehicle slows unexpectedly.

LOW SPEED FORWARD AUTOMATIC BRAKING. Available on LT, Hybrid and Premier, camera-based Low Speed Forward Automatic Braking helps prevent or mitigate collisions at speeds below 80 km/h (50 mph).

FORWARD COLLISION ALERT. This available feature continually monitors how close your vehicle is to the vehicle in

front of you. If the system determines that a front-end collision with a detected vehicle is imminent, it alerts the driver to a potential crash. It also warns the driver if their Malibu is following a detected vehicle too closely.

SIDE BLIND ZONE ALERT. With radar sensors on both sides of the vehicle, available Side Blind Zone Alert helps to warn you when vehicles are in your side mirror blind zones and indicates their presence with LED-lit symbols in the exterior mirrors.

LANE CHANGE ALERT. Working with Side Blind Zone Alert, available Lane Change Alert employs radar sensors in the rear corners of the vehicle to help detect and warn the driver of fast-approaching vehicles in the adjacent lanes from up to 25 m (82 ft.) away, not just in the side-view mirror blind zones.

REAR VISION CAMERA. Standard on Malibu LS, LT, Hybrid and Premier, the rear vision camera displays a view of the area immediately behind the vehicle on the touch-screen — making it easier to see what's behind you while backing up.

REAR CROSS TRAFFIC ALERT. Using the same radar sensors as Lane Change Alert, this available feature alerts you to crossing traffic behind your Malibu when backing up. Audible warnings, as well as visual alerts on the rear vision camera screen, are triggered if approaching vehicles are detected.

AVAILABLE FRONT AND REAR PARK ASSIST. Ideal when pulling into a parking spot at low speeds, the available system senses stationary objects and warns you if an object is too close. The rear vision camera automatically displays a live image of the area behind the vehicle on the available Chevrolet MyLink screen after you shift into Reverse.

SEMI-AUTOMATIC PARKING ASSIST. This ingenious available system enables Malibu Premier to detect viable parking spaces, determine approach angles and take over the steering to neatly manoeuvre into an available space. Throttle, brake and transmission (or gear selection) input is still required by the driver, but the vehicle steers itself into any suitably sized reverse parallel or reverse right-angle (90-degree) parking spot.

INTELLIBEAM HEADLAMPS. When oncoming headlamps are sensed or when tail lamps are detected in front of you, the available IntelliBeam® high beam assist intuitively adjusts between low and high beams.

MALIBU HYBRID

4.8

L/100 KM CITY¹

1.8L

2-MODE HYBRID
4-CYLINDER ENGINE

EXCELLENT
EFFICIENCY

Malibu Hybrid takes fuel
efficiency farther.

Malibu Hybrid in Silver Ice Metallic
with available features.

¹2017 Malibu Hybrid fuel consumption ratings based on GM testing in accordance with Government of Canada approved test methods. Refer to vehicles.nrcan.gc.ca for details. Your actual fuel consumption may vary.

PROVEN HYBRID TECHNOLOGY.

Leveraging components from the Chevrolet Volt, Malibu Hybrid is powered by a direct injected 1.8L 4-cylinder engine mated to a two-motor electric drive unit. The drive unit provides additional energy to assist the engine for a total of 182 horsepower (136 kW).

THE MOST FUEL-EFFICIENT MALIBU.

Malibu Hybrid has fuel efficiency ratings that might have you look twice. The highway fuel consumption rating is 5.5 L/100 km¹ and the city fuel consumption rating is just 4.8 L/100 km¹; pretty interesting indeed.

LITHIUM-ION BATTERY PACK.

An 80-cell, 1.5 kWh lithium-ion battery pack provides electric power to the hybrid system that can propel Malibu Hybrid to speeds over 80 km/h (50 mph) with electricity alone. The gasoline-powered engine automatically comes on with higher loads, at higher speeds or to assist in cabin heating.

ADVANCED REGENERATIVE BRAKING.

In addition to the drive unit, Malibu Hybrid also features a regenerative braking system that provides energy recovery during braking to help maintain charge.

STRONG, SILENT, SENSATIONAL.

Electric grille shutters enhance aerodynamic efficiency at highway speeds, and Active Noise Cancellation contributes to the impressively quiet ride.

PERFORMANCE

AVAILABLE
2.0L TURBO
ENGINE WITH 9-SPEED AUTOMATIC TRANSMISSION

250
HORSEPOWER

260
LB.-FT. TORQUE

2.0L TURBO ENGINE. Those who crave exhilaration will not be disappointed. Try a 2.0L turbocharged engine with 250 horsepower and 260 lb.-ft. of torque – numbers that will push you back in your seat. Quick, seamless

shifts come courtesy of a new 9-speed automatic transmission. And while performance is the first thing you'll notice, a highway fuel consumption rating of 7.1 L/100 km¹ will certainly put a smile on your face. Standard on Premier.

1.5L TURBO ENGINE. Powerfully efficient is the perfect way to describe this engine, standard on L, LS and LT. Paired with a smooth-shifting 6-speed automatic transmission, the 1.5L turbo engine produces 163 horsepower and 184 lb.-ft. of torque, delivering performance you

may not expect. There's also intelligent stop/start technology that almost imperceptibly shuts off and starts up the engine in certain situations, helping to save gas and improve efficiency. With fuel consumption ratings of 8.8 L/100 km¹ city and 6.5 L/100 km¹ highway, this is bound to get your attention.

SUPERIOR SUSPENSION. While performance has been enhanced, comfort is also key in Malibu. The MacPherson strut front suspension delivers a feeling of control while cornering, and the independently tuned 4-link rear suspension provides the ride and handling benefits you desire.

RESPONSIVE HANDLING. Variable-effort Electric Power Steering (EPS) helps save fuel by using energy only when steering effort is applied. Balancing responsiveness and comfort, EPS feels light but agile, with greater assistance at low speeds and tighter control on the highway.

¹ 2017 Malibu fuel consumption ratings based on GM testing in accordance with Government of Canada approved test methods. Refer to vehicles.nrcan.gc.ca for details. Your actual fuel consumption may vary.

CENTURY
AUTO.CA

Malibu Premier in Nightfall Grey Metallic with available features.

Malibu Premier in Iridescent Pearl Tricoat
(extra-cost colour) with available features.

EVERY GRAM ACCOUNTED FOR. Malibu features a light and highly optimized body structure that enables excellent acceleration as well as nimble handling.

INNER STRENGTH. By combining both press-hardened steel and ultra-high-strength steel, engineers created a cabin that was larger and stronger while weighing less than the previous Malibu.

PEACE AND QUIET. The quiet nature of Malibu begins with a honed exterior shape. It continues with sound-deadening acoustic materials that help reduce, block and absorb road noise. The bottom line for you: The commotion of the outside world is kept where it belongs.

1

1. PRECISE CONTROL. The MacPherson strut front suspension design features internal rebound springs that enable a more precise calibration of the struts, resulting in enhanced body-roll control during acceleration or turning.

2. INCREASED LONGEVITY. Every Malibu has 4-wheel disc brakes with Duralife™ brake rotors – which increase the service life – and 4-channel ABS for straighter, more controlled braking.

3. AERODYNAMIC DETAILS. More than 150 hours of wind tunnel testing resulted in a number of enhancements, including sculpted exterior mirrors that help bring you an unexpectedly quiet ride.

- The GM Customer Care Centre at **1-800-GM-DRIVE (1-800-463-7483 or 1-800-263-3830** for TDD users).

A WORD ABOUT THIS BROCHURE Some of the equipment shown or described throughout this brochure may be available at extra cost. We have tried to make this brochure comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colours, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this brochure and other printed materials provided at the dealership or affixed to vehicles are approximates based upon design and engineering drawings and prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been updated since the time of printing, please check with your Chevrolet dealer for complete details. General Motors of Canada Company reserves the right to lengthen or shorten the model year for any product, for any reason, or to start and end model years at different times. Certain vehicle features may lose their usefulness over time due to obsolescence from technological changes. Unless otherwise noted, all claims based on the latest available competitive information. Excludes other GM vehicles.

ENGINES Chevrolet products are equipped with engines produced by GM Powertrain or other suppliers to GM worldwide. The engines in Chevrolet products may also be used in other GM makes and models.

ASSEMBLY Chevrolet vehicles and their components are assembled or produced by different operating units of General Motors, its subsidiaries or suppliers to GM worldwide. We sometimes find it necessary to produce Chevrolet vehicles with different or differently sourced components than originally scheduled. Since some options may be unavailable when your vehicle is assembled, we suggest you verify that your vehicle includes the equipment you ordered and that, if there were changes, they are acceptable to you.

FLEET ORDERS Some standard content may be deleted on fleet orders. See dealer for details.

AN IMPORTANT NOTE ABOUT ALTERATIONS AND WARRANTIES Installations or alterations to the original equipment vehicle (or chassis) as distributed by General Motors are not covered by the General Motors New Vehicle Limited Warranty. The special body company, assembler, equipment installer or upfitter is solely responsible for warranties on the body or equipment and any alterations (or any effect of the alterations) to any of the parts, components, systems or assemblies installed by GM. General Motors is not responsible for the safety or quality of design features, materials or workmanship of any alterations by such suppliers.

SELECT VEHICLE FEATURES

MALIBU L Malibu L includes these standard features:

163 hp 1.5L DOHC 4-cylinder turbocharged engine with Direct Injection and Variable Valve Timing (VVT) with Auto Stop/Start engine feature
6-speed automatic transmission
4-wheel disc brakes with Duralife brake rotors, ABS, Brake Assist, cornering brake control and Hill Start Assist
StabiliTrak [®] Electronic Stability Control System and traction control
4-wheel independent suspension
16-in. steel wheels with wheel covers
Power exterior mirrors, Black
Keyless Open and Start with extended-range remote keyless entry
Content theft alarm
Driver Information Centre with monochromatic display
Tire pressure monitoring system
Single-zone air conditioning with air filtration system and particulate/pollen filter
Power windows and programmable door locks
Tilt and telescopic adjustable steering column
Cruise control
Steering wheel-mounted Bluetooth [®] cruise and audio system controls
Front bucket seats with manual 6-way seat adjusters
Premium cloth seating surfaces
60/40 split-folding rear seats with centre-folding rear armrest
AM/FM stereo with 6-speaker audio system
Bluetooth [®] hands-free phone connectivity
OnStar ³ Guidance Plan for 6 months
OnStar Basic Plan ⁴ including limited features of the myChevrolet mobile app ⁵

MALIBU LS Malibu LS enhances L features with:

16-in. aluminum wheels
Rear vision camera
Chevrolet MyLink [®] Radio infotainment system with 7-in. colour touch-screen display
Teen Driver technology
Android Auto [™] and Apple CarPlay [™] compatibility ¹⁰
USB port ¹¹ and Bluetooth [®] wireless audio streaming
Exterior temperature and compass display
OnStar 4G LTE and built-in Wi-Fi [®] hotspot ³ for up to seven devices, includes data trial for 3 months or 3 GB (whichever comes first).

MALIBU LT Malibu LT enhances LS features with:

17-in. aluminum wheels
LED daytime running lamps
Heated, power exterior mirrors with integrated turn signals, body-colour
Power 8-way driver-seat adjuster with power lumbar adjuster
Interior ambient lighting system
Floor console with rear air vents
SiriusXM [™] satellite radio ¹² with 3-month trial.

MALIBU HYBRID Malibu Hybrid enhances LT features with:

1.8L DOHC 4-cylinder engine with Hybrid electric propulsion system
Hybrid-specific instrument cluster
Dual-zone automatic climate controls.

MALIBU PREMIER Malibu Premier enhances LT features with:

250 hp 2.0L DOHC 4-cylinder turbocharged engine with Direct Injection and Variable Valve Timing (VVT)
9-speed automatic transmission
18-in. aluminum wheels
LED tail lamps
Chrome door handles with body-colour insert
Dual outlet exhaust with polished tips
Remote vehicle starter system
Bright sill plates
Dual-zone automatic climate controls
Auto-dimming interior rear-view mirror
Driver Information Centre with colour display
Leather-wrapped and heated steering wheel with leather-wrapped shift knob
Perforated leather-appointed seating with heated and ventilated front bucket seats
Driver side 2-position memory
Power 6-way front-passenger seat adjuster with power lumbar adjuster
Chevrolet MyLink [®] Radio with Navigation ¹³ and 8-in. colour touch-screen display
9-speaker Bose [®] premium audio system
120-volt AC household power outlet
Two charge-only USB ports ¹¹ in rear of centre console
Wireless charging ¹⁴
Trunk mat.
