

**ORLANDO 2016**

**CHEVROLET**

**WHY JUST GO  
FROM A TO B?**

**WHY GO FROM A TO B WHEN  
YOUR IMAGINATION CAN TAKE  
YOU EVERYWHERE?**

*The Chevrolet Orlando encapsulates everything you could need in an MPV. It's the perfect fit for any urban or suburban setting with its striking features and power, making this car a great ally for your family-orientated lifestyle. The Orlando has multiple seating arrangements and can cater for up to 7 passengers.*

*You can rest assured that all your family members you decide to bring along will be in good hands, thanks to the advanced safety features that come standard.*

**FIND *NEW* ROADS™**

**A BOLD NEW VISION.** The Chevrolet Orlando is a true expression of what a 7-seater should be. Its groundbreaking design provides

confident styling that never gets in the way of flexibility or practicality. The Orlando strikes the perfect balance between the convenience

of a utility vehicle with the soul of a family car. The Orlando is a true Chevrolet original – highly functional with a distinctive design.

## EXTERIOR DESIGN

**A CAR WITH A PERSONALITY.** The Orlando effortlessly stands out from the crowd. Its sweeping lines, shaped and sculpted,

deliver a strong but unique feel. The result is a muscular ‘wheels out, body in’ silhouette and a stance that can’t be ignored. The real beauty

of the Orlando is in the details, with new side indicators in the side rear-view mirrors and 17” alloy wheels.

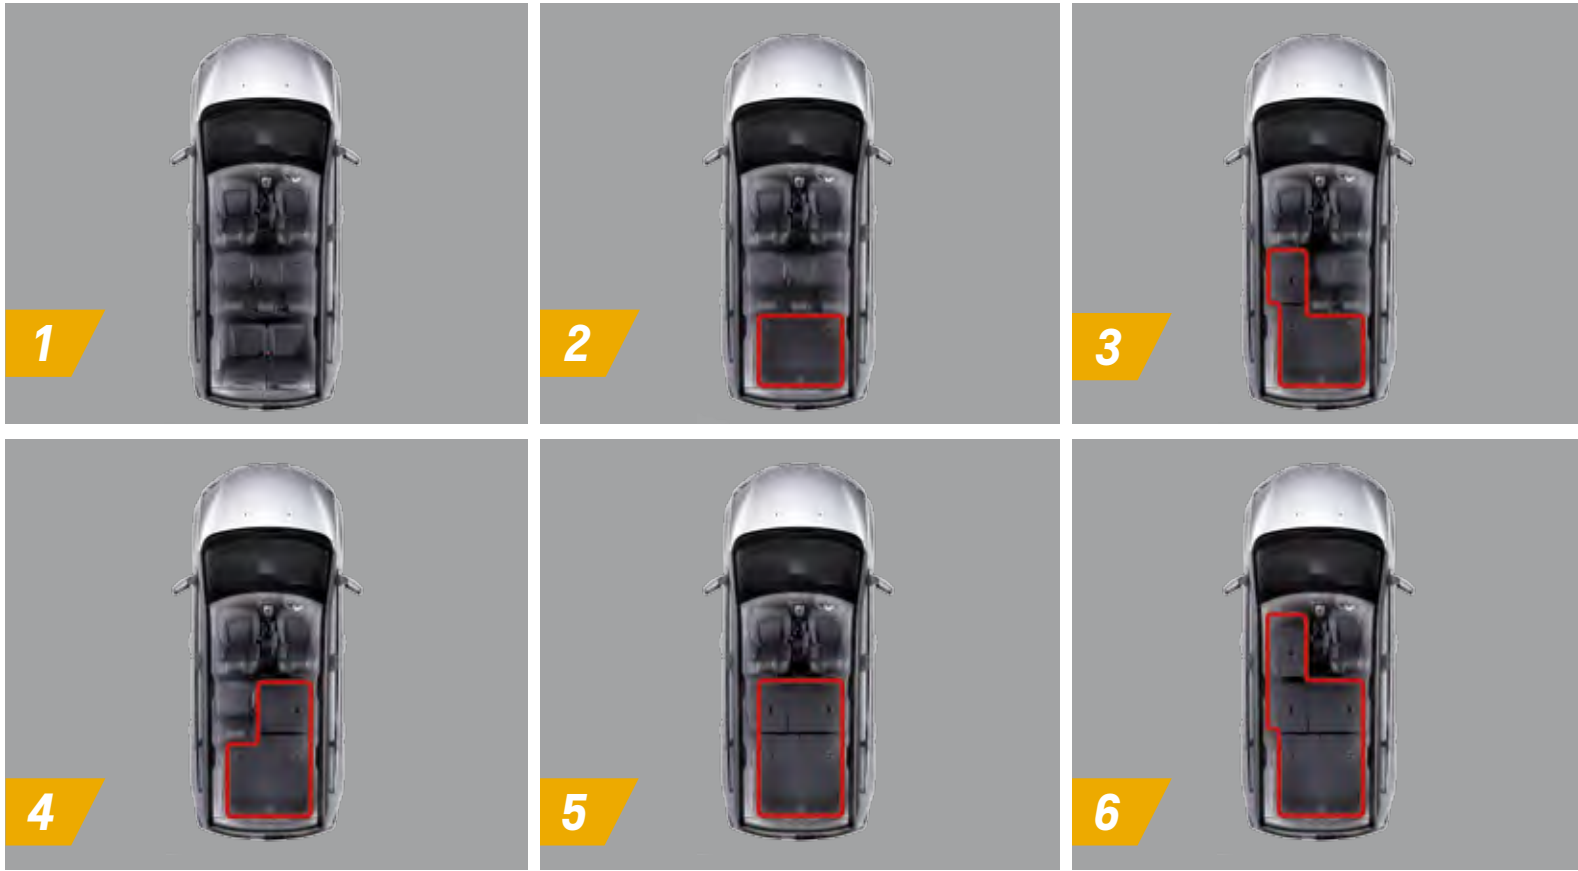

**STYLE AND ENTERTAINMENT AT ITS CORE.** The unique interior finishes mirror the strong personality of the exterior. A Corvette-inspired dual-cockpit provides the centrepiece of the interior, while slick panelling flows through the spacious cabin in a wave-like manner.

The revolutionary **MyLink CCR** or Colour Connected Radio with a stitcher app and colour touch-screen display is this vehicle's shining technological beacon. Its compatibility with most smartphones allows you to stream your music via Bluetooth. You can also access your playlists, music and much more via the easy-to-use USB port. Keep your eyes on the road, while making or receiving phone calls hands-free and get there safe and sound.

INTERIOR DESIGN

**NOBODY GETS LEFT BEHIND.** The Orlando is beautifully designed and is the epitome of flexibility. With over 16 different seating combinations, nothing gets left behind. Configuring it to carry your son's soccer team, to put luggage in or to fit all the camping gear is no problem for the Orlando. Adapt and explore. Along with the multitude of seating arrangements, the Chevrolet Orlando has additional space, like the cleverly placed

storage compartments that are found behind the radio, in the doors and in the rear cargo areas.

**IT'S OUT OF THIS WORLD AND SPACIOUS.** This large vehicle is roomy and has up to seven seats spread over three rows. The passenger's seat and the second and third row all fold with ease to present you with more than 2.6 metres cargo space. This MPV easily adapts to any situation.

SEATS	
1.	7 seats
2.	5 seats 2 folded
3.	4 seats 3 folded
4.	3 seats 4 folded
5.	2 seats 5 folded
6.	1 seat 6 folded

## PERFORMANCE

**AN MPV THAT PERFORMS LIKE A COMPACT.** The Orlando may have the versatility of an MPV, but its handling feels like no other vehicle in the segment. It hugs the curves with sure-footed confidence and settles in for a smooth, enjoyable ride on the open road, whatever the conditions. Chevrolet engineers have worked relentlessly to design and calibrate the Orlando to integrate the pleasant drivability of a compact car with a utility vehicle. The dynamic drive is delivered via the frugal 1.8 litre Ecotec engine with 5-speed manual transmission.

## SAFETY

IMPACT-ABSORBING  
BUMPER STRUCTURE

ULTRA-STRONG STEEL

HIGH-STRENGTH STEEL  
FUEL TANK PROTECTION

DUAL LOAD-PATH,  
IMPACT-ABSORBING SYSTEM

SIDE DOOR  
IMPACT BEAMS

SIDE DOOR IMPACT BARS

REAR PARK ASSIST

**360° SAFETY FOR ALL-ROUND SITUATIONS.** The Chevrolet Orlando has a 5-star NCAP rating. The standard safety features include front, side and curtain airbags, ABS brakes with Electronic Brake-Force Distribution (EBD) and Hydraulic Brake Assist (HBA).

**WE'VE GOT YOUR SAFETY IN MIND.** The Orlando features a tough reinforced safety cage that incorporates a "long cradle" high-energy absorbing system to lessen the effect of any impact and safeguard occupants. It also has a dual ISOFIX system, which comes standard on all models.

**PARK ASSIST IS VERY IMPORTANT** as it makes parking a whole lot safer. The Orlando offers an intelligent park assist system to protect the vehicle's exterior from unnecessary damage and to make parking your Chevrolet super easy.
