Trax LTZ in Sunset Orange Metallic
with available features.

EVERY TURN OFFERS ENDLESS POSSIBILITIES.

*It's time to explore the city and
discover its hidden gems in the
2016 Chevrolet Trax.*

*Spacious seating for five, incredible
interior versatility and the amazing
ability to navigate the smallest
parking spaces make Trax the city-
smart small SUV. At the same time, its
efficiently powerful 1.4L turbocharged
engine and available all-wheel drive
take you from here to anywhere.*

*Add in a 5-Star Overall Vehicle Score
for safety from NHTSA¹ and available
built-in OnStar 4G LTE² Wi-Fi[®]
hotspot³ and it's clear you're ready
to leave no corner unturned.*

¹ U.S. Government 5-Star Safety Ratings are part of the National Highway Traffic Safety Administration's (NHTSA's) New Car Assessment Program (www.SaferCar.gov). ² Visit onstar.ca for coverage maps, details and system limitations. Services vary by model, conditions and geographical and technical restrictions. OnStar with 4G LTE connectivity is available on select vehicle models and in select markets. Available Wi-Fi hotspot requires data plan. ³ Devices must be WPA2 compliant. Wi-Fi devices manufactured prior to 2006 may not be compatible. Please consult your device manufacturer for information regarding the WPA2 security protocol and Wi-Fi device compatibility. Vehicle must be started or in accessory mode to access Wi-Fi. Visit onstar.ca for details and system limitations.

EXTERIOR DESIGN

*“When you do your errands on a Saturday...
the Trax will seem like a miracle of practicality.”*
— AUTOMOBILE

Trax LTZ in Sunset Orange Metallic
with available features.

BRING CURB APPEAL TO EVERY CURB.

1. The dual-port grille and bowtie badging are Chevrolet signatures. LTZ-specific details such as 18-in. silver-painted aluminum wheels, fog lamps and chrome-accented liftgate handle combine to provide head-turning style.
2. Pronounced wheel flares and wraparound tail lamps contribute greatly to the sculpted, athletic look.
3. A sleek spoiler adds aerodynamic edginess and functionality to the rear liftgate.

INTERIOR DESIGN

- EVERY ONE OF YOUR SENSES WILL THANK YOU.**
- 1. Trax brings you the commanding view of an SUV along with a motorcycle-inspired instrument cluster that features an analogue tachometer and digital speedometer.
 - 2. Cruise in comfort with the standard driver inside armrest.
 - 3. The well-appointed LTZ interior with standard leatherette seating surfaces is an oasis of comfort and convenience. In cooler weather, the heated front seats help chase away the chill.

Trax LTZ interior in Jet Black/
Light Titanium-Colour leatherette.

Today it's the roomy 5-passenger seating that comes in handy. Tomorrow you'll want to fold down the rear seats to take advantage of the 1371 L (48.4 cu. ft.)¹ of cargo space. And who knows what the next day will bring? With eight seating and cargo configurations, Trax covers every possibility.

THERE'S A TIME AND A PLACE FOR EVERYTHING. NOT TO MENTION A SPACE.

- 1. The 60/40 split flip-and-fold rear seats easily deliver an expansive load floor, while the fold-flat front-passenger seat gives you the flexibility to carry longer items such as a paddleboard or a ladder.*
- 2. Trax has 15 standard storage areas. LT and LTZ models add a convenient under-seat storage compartment to keep small essentials within easy reach.*
- 3. The available Chevrolet Accessory Hitch-Mounted Bicycle Carrier conveniently tilts away from the liftgate for easy access to the rear cargo area.*

¹ Cargo and load capacity limited by weight and distribution.

¹ Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. MyLink on Trax does not include functionality such as enhanced voice recognition, Gracenote and CD player. Visit chevrolettotalconnect.ca for more details. ² Visit chevrolettotalconnect.ca to find out which phones are compatible with the vehicle. ³ Visit onstar.ca for coverage maps, details and system limitations. Services vary by model, conditions and geographical and technical restrictions. Customers will be able to access OnStar services only if they accept the OnStar User Terms and Privacy Statement and Software Terms. After the trial period (if applicable), an active OnStar service plan is required. ⁴ Available in 10 Canadian provinces and the 48 contiguous United States. Subscription sold separately after trial period. If you decide to continue your service at the end of your trial subscription, the plan you choose will automatically renew and bill at then-current rates until you call 1-877-209-0079 to cancel. Other fees and taxes will apply. All fees and programming subject to change. See SiriusXM "Terms & Conditions" and complete details at siriusxm.ca. ⁵ Data plan rates apply. ⁶ Requires available Chevrolet MyLink and compatible iPhone running iOS 6 or later. ⁷ Requires Apple iOS 6 or Android platform. ⁸ BringGo app must be purchased separately. Requires compatible smartphone. Data plan rates apply.

MAKE A REAL CONNECTION. Available Chevrolet MyLink¹ with Bluetooth® wireless technology² makes it easy to connect to calls, music, contacts and infotainment on the go – by using the 178 mm (7 in.) diagonal colour touch-screen display.

GETTING FROM HERE TO THERE IS EASY. With OnStar® Turn-by-Turn Navigation,³ included for six months, simply push a button and tell an Advisor where you want to go. Directions are quickly downloaded to your Trax, and a voice calls out every turn.

LISTEN TO ANYTHING FROM ANYWHERE. Commercial-free music plus sports, exclusive talk, news and more are available through the 3-month trial of SiriusXM Satellite Radio⁴ standard on LT and LTZ.

STREAMING MADE SIMPLE. It's easy to enjoy your favourite audio services like TuneIn global Internet radio,⁵ and Stitcher SmartRadio™⁵ with the available Chevrolet MyLink¹ Radio.

TECHNOLOGY HAS REDEFINED WHAT'S ESSENTIAL; WE'VE REDEFINED HOW TO ACCESS IT.

1. With a compatible iPhone®, Siri Eyes Free® allows you to compose and read text messages, access your calendar, check game scores and more.
2. Chevrolet services are always at your fingertips when you use the myChevrolet app.⁷ Contact Roadside Assistance, schedule service and access vehicle information at the push of a button.
3. Navigate the city with the BringGo app,⁸ one of the most affordable available in-dash navigation systems in this class. It keeps you connected with a Where Am I? locator search via Google.™
4. The available rear vision camera allows you to see stationary objects behind your Trax when travelling in reverse at low speeds.

Trax LT in Blue Topaz Metallic with
available features.

¹ From 2015 Chevrolet Trax Review on Kelley Blue Book's www.kbb.com. Kelley Blue Book is a registered trademark of Kelley Blue Book Co., Inc. ² U.S. Government 5-Star Safety Ratings are part of the National Highway Traffic Safety Administration's (NHTSA's) New Car Assessment Program (www.SaferCar.gov). ³ Always use safety belts and the correct restraint for your child's age and size. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with a passenger airbag. See the Owner's Manual and the child safety seat instructions for more safety information. ⁴ Based on WardsAuto.com 2015 Small Cross/Utility Vehicle segment and latest competitive information at the time of printing. Excludes other GM models. ⁵ Visit onstar.ca for details and system limitations. OnStar acts as a link to existing emergency service providers. Not all vehicles may transmit all crash data.

TURBOCHARGED PERFORMANCE. Merge and pass with confidence, thanks to the ECOTEC® 1.4L turbocharged engine paired with an available electronically controlled 6-speed automatic transmission with Driver Shift Control.

KEEPING YOU ON TRACK. Available all-wheel drive (AWD) automatically adapts to provide extra traction and manoeuvrability in rain, snow or other challenging conditions. When AWD isn't needed, the system transfers power to the front wheels for maximum fuel efficiency.

PRAISE FOR TRAX. Yahoo Autos said, "Steering is surprisingly light, and the electronic-assisted power steering makes child's play of low-speed maneuvering." Kelley Blue Book added, "We were pleasantly surprised at how nimble the Trax is no matter how fast you're going."¹

SAFETY

“★★★★★”
**OVERALL VEHICLE
SCORE FOR SAFETY.²**

— U.S. NATIONAL HIGHWAY TRAFFIC SAFETY ADMINISTRATION (NHTSA)

10 STANDARD AIRBAGS³ That's more standard airbags than any other competitor in this class.⁴ Every Trax includes dual-stage frontal and knee airbags for driver and front passenger, head curtain side-impact airbags for front and rear outboard passengers, and front and rear seat-mounted side airbags.

ONSTAR AUTOMATIC CRASH RESPONSE⁵ In a crash, built-in sensors can alert a specially trained OnStar Advisor, who is connected to your vehicle to see if you need help – even if you can't ask for it. An advisor can use GPS technology to pinpoint your location and request emergency help. OnStar is included for six months.

SAFETY STARTS WITH YOU Safety features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Read the Trax Owner's Manual for more important safety information.

REAR PARK ASSIST When travelling in reverse, this available feature provides audible alerts when it detects certain stationary objects behind the vehicle.

YOUR SAFETY ZONE For enhanced security and protection, high-strength steel forms a rigid structure around the passenger compartment.

HILL START ASSIST By holding the vehicle stationary for up to two seconds after the brake is released, Hill Start Assist gives you time to accelerate before rolling backward. Handy when parking on city streets or driveways with especially steep inclines.

STABILITRAK® ELECTRONIC STABILITY CONTROL In challenging weather and road conditions, this standard system helps you stay the course by detecting the difference between the path being steered and the direction the vehicle is actually going. It then uses the brakes and, if necessary, adjusts engine torque to help you keep your Trax on track.

HIGHEST POSSIBLE OVERALL VEHICLE SCORE FOR SAFETY² Trax received the U.S. National Highway Traffic Safety Administration's (NHTSA's) highest possible Overall Vehicle Score for safety. The comprehensive NHTSA New Car Assessment Program puts vehicles through frontal, side-impact and side pole crash tests, as well as rollover evaluations. Each model is then given safety ratings from one to five stars. The result: a 5-Star Overall Vehicle Score for Trax.

The Basic Plan includes access to: (1) monthly OnStar Vehicle Diagnostics emails (capabilities vary by model); (2) Dealer Maintenance Notification; and (3) limited OnStar RemoteLink Mobile App services which include remote start (requires factory-installed and enabled remote start system), remote lock/unlock doors (requires automatic locks) and remote horn & lights activation. The OnStar RemoteLink Mobile App is available on select Apple, Android, BlackBerry and Windows devices. Visit [onstar.ca](#) for vehicle availability, coverage maps, details and system limitations. The OnStar Basic Plan does not include any Emergency Services, Automatic Crash Response, Stolen Vehicle Assistance, live Advisor service or Hands-Free Calling. These and other services are available under a paid plan. If you sell your vehicle or wish to cancel use of Basic Plan services, you must contact OnStar at 1.888.4ONSTAR (1-888-466-7827). 6 Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. Visit [chevrolettotalconnect.ca](#) for more details. 7 Available in 10 Canadian provinces and the 48 contiguous United States. Subscription sold separately after trial period. If you decide to continue your service at the end of your trial subscription, the plan you choose will automatically renew and bill at then-current rates until you call 1-877-209-0079 to cancel. Other fees and taxes will apply. All fees and programming subject to change. See SiriusXM “Terms & Conditions” and complete details at [siriusxm.ca](#). 8 Included with available LT Plus Package. 9 Included with available Sun and Sound Package. 10 Requires available Chevrolet MyLink and compatible iPhone running iOS 6 or later. 11 Data plan rates apply. † All-season tires may not satisfy winter tire requirements in all regions of the country. Tires specifically designed for severe winter conditions and marked with the “winter tire” symbol may be required during certain months or in certain regions. Contact your Provincial, Municipal or local road authority for information regarding which tires are required in your particular area.
