Tahoe LTZ in Siren Red Tintcoat
(extra-cost colour) with
available features.

**PREMIUM STYLE MEETS
PURPOSEFUL CAPABILITY.**

The award-winning Tahoe offers a superb blend of sophistication, craftsmanship and capability. This premium SUV is stunning to look at. It boasts a finely tailored, spacious interior with the technology you need to stay connected to your world. With these credentials, it's not surprising that Tahoe has been honoured by MotorWeek with its 2015 "Drivers' Choice Award – Best Large Utility."

INTERIOR DESIGN

Tahoe LTZ interior in Cocoa/
Mahogany (extra-cost colour) with
perforated leather appointments¹
and available features.

VERSATILITY DEFINED. How you use your Tahoe changes from day to day and even from trip to trip. The supremely comfortable interior provides spaciousness for up to nine passengers in LS models.²

POWER-FOLDING REAR SEATS. Enjoy the convenience of the available power-release second-row and power-folding third-row seats.

WIDE-OPEN SPACES. With the second- and third-row seats folded flat, Tahoe offers 2682 L (94.7 cu. ft.) of cargo space.³

HANDS-FREE POWER LIFTGATE. Standard on LTZ, the hands-free programmable power liftgate ensures that you'll worry less about the liftgate hitting a garage door or being out of your reach. A sensor under the rear bumper allows you to open the liftgate with a gentle kicking motion.

EXPAND YOUR PERSONAL SPACE.

1. With the available power feature, the second- and third-row seats fold flat in less than five seconds.
2. There's lockable storage behind the 203 mm (8 in.) diagonal colour touch-screen display.
3. Each door has storage for maps, umbrellas and other small items, and with up to 15 cupholders, you'll find at least one in reach from every seat.
4. The centre console opens to store larger items like a laptop, a tablet or hanging files.

1 Leather-appointed seating surfaces on front and second row. 2 Eight-passenger seating standard, nine-passenger seating available on LS models. 3 Cargo and load capacity limited by weight and distribution.

¹ Based on WardsAuto.com 2015 Large Sport/Utility Vehicle segment and the latest competitive information at the time of printing. ² Vehicle user interface is a product of Apple and its terms and privacy statements apply. Requires compatible smartphone and data plan rates apply.

A SIMPLE AND SMART WAY TO ACCESS YOUR SMARTPHONE. Tahoe is the first vehicle in its class¹ with standard Apple CarPlay™² compatibility. This system takes some of the iPhone® features you'd want to access and puts them on your vehicle's display in a smart, simple manner. You'll have access to Phone,

Music, Maps and Messages, as well as some of your favourite audio apps controlled via Bluetooth®³ controls or the touch-screen in your SUV. Additionally, pair up to 10 compatible Bluetooth³ enabled devices with Chevrolet MyLink®⁴ and access your contacts list, take phone calls and play your favourite music.

ALWAYS IN CHARGE. With as many as 13 charging locations, including up to six USB ports⁵ to connect phones, tablets and other portable devices, you'll always stay in touch with your world. An available wireless charging pad⁶ adds even more convenience.

STORE UP TO 60 FAVOURITES. Chevrolet MyLink⁴ lets you program dozens of favourites, including radio stations, contacts, destinations (requires Chevrolet MyLink⁴ Radio with available Navigation), music and other media.

SEAMLESS CONNECTIONS, ALWAYS CLOSE AT HAND.

1. Use the OnStar RemoteLink^{®7} mobile app to start or turn off the engine and lock or unlock the doors from almost anywhere you have cell service.
2. The available colour Head-Up Display (HUD) projects information, such as speed and turn-by-turn navigation, on the windshield while driving so you can keep your eyes on the road.
3. The enhanced Driver Information Centre features a 203 mm (8 in.) reconfigurable multi-function colour display. Available on LTZ.
4. Conveniently charge your cell phone with the available wireless charging pad.⁶

³ Visit chevrolettotalconnect.ca to find out which phones are compatible with the vehicle. ⁴ Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. ⁵ Not compatible with all devices. ⁶ The system wirelessly charges one PMA 1.0, WPG 1.0 and WPC 1.1 (Qi) compatible mobile device. To check for phone or other device compatibility, see chevrolettotalconnect.ca. ⁷ Available on select Apple, Android, BlackBerry and Windows devices. Requires an active OnStar service plan. Services vary by device, vehicle, conditions and the type of service plan you have. Please visit onstar.ca for vehicle availability, system limitations and geographical and technical restrictions and further details.

TECHNOLOGY

**STAY CONNECTED WHILE
YOU'RE DISCONNECTING.**

Connected by  4G LTE

AVAILABLE INTERNET IN YOUR SUV.

Chevrolet is the first and only car company to bring built-in OnStar 4G LTE¹ Wi-Fi® to cars, trucks and crossovers, offering drivers the ability to seamlessly connect their smart devices and vehicles to the Internet.²

THE ULTIMATE MOBILE WI-FI HOTSPOT.

Whenever your vehicle is on, available OnStar 4G LTE Wi-Fi is on too. It offers great signal quality and bandwidth for up to seven devices.²

FAST, RELIABLE, EASY. The strong signal delivers a fast, reliable connection. It's automatically on after initial setup and ready to connect to your mobile devices.²

¹ Visit onstar.ca for coverage maps, details and system limitations. Services vary by model, conditions and geographical and technical restrictions. OnStar with 4G LTE connectivity is available on select vehicle models and in select markets. Available Wi-Fi hotspot requires data plan.
² Devices must be WPA2 compliant. Wi-Fi devices manufactured prior to 2006 may not be compatible. Please consult your device manufacturer for information regarding the WPA2 security protocol and Wi-Fi device compatibility. Vehicle must be started or in accessory mode to access Wi-Fi. Visit onstar.ca for details and system limitations.

**CENTURY
AUTO.CA**

CUTTING-EDGE CONNECTIONS AND COMMUNICATIONS.

1. The Chevrolet MyLink³ Radio with available Navigation⁴ includes 2-D/3-D maps and SiriusXM NavTraffic.⁵
2. A 10-speaker Bose® Centerpoint® surround sound audio system is precisely tailored to the acoustics of Tahoe. Standard on LTZ.
3. Use the standard 110-volt three-prong AC household outlet to charge your laptop or other devices.
4. Make and receive calls without ever taking your hands off the wheel.

³ Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. ⁴ At time of printing, detailed map coverage is available for most major urban areas of the United States and for certain metropolitan areas of Canada (Vancouver, Calgary, Edmonton, Winnipeg, Windsor, London, Toronto, Ottawa, Montreal, Quebec City and Halifax). Coverage is significantly limited outside these areas. ⁵ Available in 10 Canadian provinces and the 48 contiguous United States. Subscription sold separately after trial period. If you decide to continue your service at the end of your trial subscription, the plan you choose will automatically renew and bill at then-current rates until you call 1-877-209-0079 to cancel. Other fees and taxes will apply. All fees and programming subject to change. See SiriusXM "Terms & Conditions" and complete details at siriusxm.ca.

SAFETY

CENTURY
AUTO.CA

WE'VE GOT YOUR BACK. AND FRONT. AND SIDES.

ADAPTIVE CRUISE CONTROL¹

This available feature enhances cruise control by allowing the vehicle to automatically follow a detected vehicle at the driver-selected following gap, reducing the need to frequently brake and accelerate.

FRONT AUTOMATIC BRAKING.

If the system determines a front-end collision is imminent with a detected vehicle ahead, and the driver has not already applied the brakes, this available system automatically engages the brakes to help reduce the collision's severity. The system may even help avoid contact at very low speeds.

FORWARD COLLISION ALERT.

This available feature continually monitors how close your vehicle is to the vehicle in front of you. If the system determines that a front-end collision with a detected vehicle is imminent, it alerts the driver to a potential crash. It also warns the driver if their vehicle is following a detected vehicle much too closely.

LANE KEEP ASSIST. At speeds above 60 km/h (37 mph), this available camera-based system monitors road lines and will gently turn the steering wheel if the vehicle begins changing lanes without the use of a turn signal.

SIDE BLIND ZONE ALERT²

This available feature uses radar sensors on both sides of the vehicle to help "look" for other vehicles in your side blind zone areas and indicates their presence with LED-lit symbols in the exterior mirrors.

LANE CHANGE ALERT. Working with available Side Blind Zone Alert², available Lane Change Alert employs radar sensors in the rear quarter panels to help detect and warn the driver of fast-approaching vehicles in the adjacent lane from up to 70 m (230 ft.) away, not just in the side view mirror blind zones.

REAR CROSS TRAFFIC ALERT.

Using the same radar sensors as the available Side Blind Zone Alert² feature, available Rear Cross Traffic Alert helps warn drivers of approaching

INTELLIBEAM HEADLAMPS.

When oncoming headlamps are sensed or when tail lamps are detected in front of you, the available IntelliBeam™ headlamps intuitively adjust between low and high beams.

THEFT PROTECTION PACKAGE.

Help protect your investment with the GM class-exclusive available Theft Protection Package that includes glass breakage sensors, interior motion detectors and a revolutionary inclination sensor that measures any tilt of the vehicle.

SAFETY STARTS WITH YOU.

Safety features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Read the vehicle Owner's Manual for more important safety information.

¹ Adaptive Cruise Control is no substitute for the driver's personal responsibility to operate the vehicle in a safe manner. The driver needs to remain attentive to traffic and road conditions and provide the steering, braking or other inputs necessary to retain control of the vehicle. The Front Automatic Braking feature may help reduce crash damage under certain conditions discussed in the Owner's Manual. Never rely on this feature to brake the vehicle. ² Before making a lane change, always check the Side Blind Zone Alert display, check the exterior and interior rear-view mirrors, look over your shoulder for vehicles and hazards and start the turn signal.

PERFORMANCE

HORSEPOWER

383

LB.-FT. TORQUE

10.4 L/100 KM¹

BEST-IN-CLASS HIGHWAY FUEL CONSUMPTION RATING²

5.3L EcoTec3
V8 engine.

ENTOURAGE
LOCAL

THE ECOTEC3 ADVANTAGE. The 5.3L V8 features state-of-the-art technologies designed to maximize power, torque and efficiency. Direct Injection boosts power and efficiency while reducing emissions. Active Fuel Management® deactivates four cylinders when extra power is not needed. Variable Valve Timing helps ensure Tahoe performs at optimum power and efficiency.

MAGNETIC RIDE CONTROL. LTZ models feature Corvette-inspired Magnetic Ride Control®, a real-time damping system that delivers a smooth, precise ride by “reading” the road every millisecond and changing damping in just 10-15 milliseconds.

TOWS UP TO 3901 KG (8600 LB.).

Tahoe offers a maximum towing capability of up to 3901 kg (8600 lb.)³ – plenty of power to tow boats, ATVs and whatever else you want to bring along.

¹ 2016 Tahoe 2WD fuel consumption estimates based on GM preliminary testing in accordance with Government of Canada approved test methods. Refer to vehicles.nrcan.gc.ca for details. Your actual fuel consumption may vary. ² Based on WardsAuto.com 2015 Large Sport/Utility Vehicle segment and the latest competitive information available at time of printing. ³ Requires available Max Trailering Package. Before you buy a vehicle or use it for trailering, carefully review the Trailering section of the Owner's Manual. The weight of passengers, cargo and options or accessories may reduce the amount you can tow.

²² At time of printing, detailed map coverage is available for most major urban areas of the United States and for certain metropolitan areas of Canada (Vancouver, Calgary, Edmonton, Winnipeg, Windsor, London, Toronto, Ottawa, Montreal, Quebec City and Halifax). Coverage is significantly limited outside these areas. ²³ Available in 10 Canadian provinces and the 48 contiguous United States. Subscription sold separately after trial period. If you decide to continue your service at the end of your trial subscription, the plan you choose will automatically renew and bill at then-current rates until you call 1-877-209-0079 to cancel. Other fees and taxes will apply. All fees and programming subject to change. See SiriusXM "Terms & Conditions" and complete details at siriusxm.ca. ²⁴ Visit onstar.ca for coverage maps, details and system limitations. Services vary by model, conditions and geographical and technical restrictions. OnStar with 4G LTE connectivity is available on select models and in select markets. Available Wi-Fi hotspot requires data plan. ²⁵ Devices must be WPA2 compliant. Wi-Fi devices manufactured prior to 2006 may not be compatible. Please consult your device manufacturer for information regarding the WPA2 security protocol and Wi-Fi device compatibility. Vehicle must be started or in accessory mode to access Wi-Fi. Visit onstar.ca for details and system limitations. ²⁶ Not compatible with all devices. ²⁷ The system wirelessly charges one PMA 1.0, WPG 1.0 and WPC 1.1 (Qi) compatible mobile device. To check for phone or other device compatibility, see chevrolettotalconnect.ca. ²⁸ Before making a lane change, always check the Side Blind Zone Alert display, check the exterior and interior rear-view mirrors, look over your shoulder for vehicles and hazards, and start the turn signal. ²⁹ Chevrolet MyLink Radio with Navigation standard on LTZ. ³⁰ Not available with Max Trailering Package. Available on 4WD model only. † All-season tires may not satisfy winter tire requirements in all regions of the country. Tires specifically designed for severe winter conditions and marked with the "winter tire" symbol  may be required during certain months or in certain regions. Contact your Provincial, Municipal or local road authority for information regarding which tires are required in your particular area.

6-year/160,000 km³ rust-through perforation coverage

8-year/130,000 km³ coverage on catalytic converters and Powertrain Control Modules (PCMs)

OnStar⁵ Guidance Plan for 6 months, including Automatic Crash Response, Stolen Vehicle Assistance, Roadside Assistance and Turn-by-Turn Navigation (trial excludes Hands-Free Calling minutes)

OnStar Basic Plan⁶ for 5 years on most Chevrolet vehicles, including limited OnStar RemoteLink[®] Mobile App services.

OTHER OWNERSHIP PRIVILEGES AND PROGRAMS⁷

- GM Protection Plan (GMPP) – the only extended service plan backed by the resources and commitment of General Motors, GMPP may be purchased at the time of sale or subsequently during the New Vehicle Limited Warranty period.
- Chevrolet Certified Service – to help your Chevrolet vehicle live up to its performance promise, Chevrolet Certified Service – found exclusively at your Chevrolet dealer – is there. With all the engineering excellence in your vehicle, GM-trained technicians have the expertise to care for all of it.
- Chevrolet Owner Centre – as an owner, take advantage of the Chevrolet Owner Centre. This online owner's destination gives you access to contests, current offers and the latest driving and maintenance tips. Find out more at chevroletowner.ca.

TO HELP YOU PURCHASE OR LEASE A NEW VEHICLE

- Purchase Financing and Leasing – on-the-spot financing; see dealer for full details.⁸
- GM Student Bonus Program – students or recent graduates of high school, college or university⁹ may be entitled to receive a

Student Bonus Vehicle Redemption Allowance of \$500 or \$750⁷ (tax inclusive) (purchased vehicle dependant) to use towards the purchase, lease or finance of one eligible new Chevrolet vehicle.

- GM Card[®] – cardholders may redeem Earnings towards the total purchase price or lease down payment of an eligible new Chevrolet car, truck or crossover. Restrictions and limitations apply. For full program details, visit gmcards.ca.

INFORMATION RESOURCES You can find more information about these programs from your Chevrolet dealer, or at these information centres:

- The Chevrolet website at chevrolet.ca
- The GM Customer Care Centre at 1-800-GM-DRIVE (1-800-463-7483 or 1-800-263-3830 for TDD users).

A WORD ABOUT THIS BROCHURE Some of the equipment shown or described throughout this brochure may be available at extra cost. We have tried to make this brochure comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colours, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this brochure and other printed materials provided at the dealership or affixed to vehicles are approximates based upon design and engineering drawings and prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been updated since the time of printing, please check with your Chevrolet dealer for complete details. General Motors of Canada Limited reserves the right to lengthen or shorten the model year for any product, for any reason, or to start and end model years at different times. Certain vehicle features may lose their usefulness over time due to obsolescence from technological changes. Unless otherwise noted, all claims based on the latest available competitive information. Excludes other GM vehicles.

ENGINES Chevrolet products are equipped with engines produced by GM Powertrain or other suppliers to GM worldwide. The engines in Chevrolet products may also be used in other GM makes and models.

ASSEMBLY Chevrolet vehicles and their components are assembled or produced by different operating units of General Motors, its subsidiaries or suppliers to GM worldwide. We sometimes find it necessary to produce Chevrolet vehicles with different or differently sourced components than originally scheduled. Since some options may be unavailable when your vehicle is assembled, we suggest you verify that your vehicle includes the equipment you ordered and that, if there were changes, they are acceptable to you.

FLEET ORDERS Some standard content may be deleted on fleet orders. See dealer for details.

AN IMPORTANT NOTE ABOUT ALTERATIONS AND WARRANTIES

Installations or alterations to the original equipment vehicle (or chassis) as distributed by General Motors are not covered by the General Motors New Vehicle Limited Warranty. The special body company, assembler, equipment installer or upfitter is solely responsible for warranties on the body or equipment and any alterations (or any effect of the alterations) to any of the parts, components, systems or assemblies installed by GM. General Motors is not responsible for the safety or quality of design features, materials or workmanship of any alterations by such suppliers.

TRADEMARKS The marks appearing in this brochure including, but not limited to, General Motors, GM, Chevrolet, the Chevrolet emblem, Suburban, Tahoe and their respective logos, emblems, slogans and vehicle model names and body designs; and other marks such as Active Fuel Management, Autotrac, Duralife, EcoTec3, Find New Roads, IntelliBeam, Magnetic Ride Control, MyLink, OnStar, the OnStar emblem, Rainsense, RemoteLink, StabiliTrak and Z71 are trademarks of General Motors LLC, OnStar LLC and/or General Motors of Canada Limited, its subsidiaries, affiliates or licensors. Printed in Canada, October 2015

³ Whichever comes first. Conditions and limitations apply. See dealer for details. ⁴ Limit of four complimentary Lube-Oil-Filter services in total. Fluid top-offs, inspections, tire rotations, wheel alignments and balancing, etc., are not covered. ⁵ Visit onstar.ca for coverage map, details and system limitations. Services vary by model, conditions and geographical and technical restrictions. OnStar with 4G LTE connectivity is available on select models and in select markets. Customers will be able to access OnStar services only if they accept the OnStar User Terms and Privacy Statement and Software Terms. OnStar acts as a link to existing emergency service providers. Not all vehicles may transmit all crash data. After the trial period (if applicable), an active OnStar service plan is required. ⁶ The OnStar Basic Plan is available for 5 years from the date of delivery of the eligible new 2016 Model Year vehicle and is transferable to subsequent owners for the remaining term. The Basic Plan includes access to: (1) monthly OnStar Vehicle Diagnostics emails (capabilities vary by model); (2) Dealer Maintenance Notification; and (3) limited OnStar RemoteLink Mobile App services which include remote start (requires factory-installed and enabled remote start system), remote lock/unlock doors (requires automatic locks) and remote horn & lights activation. The OnStar RemoteLink Mobile App is available on select Apple, Android, BlackBerry and Windows devices. Visit onstar.ca for vehicle availability, coverage maps, details and system limitations. The OnStar Basic Plan does not include any Emergency Services, Automatic Crash Response, Stolen Vehicle Assistance, live Advisor service or Hands-Free Calling. These and other services are available under a paid plan. If you sell your vehicle or wish to cancel use of Basic Plan services, you must contact OnStar at 1.888.4ONSTAR (1-888-466-7827). ⁷ Conditions and limitations apply. ⁸ Subject to eligibility.

**THERE'S NO SUBSTITUTE
FOR AN ORIGINAL.**

The iconic Suburban offers more of everything you expect — uncommon spaciousness, commanding performance and ingenious safety technology. Whether it's soccer practice, a night out or a weekend at the cottage, the 2016 Suburban is ready for anything. No wonder, year after year, Chevrolet Suburban is part of the best-selling family of full-size SUVs.

**THE ROOM YOU NEED,
ANY WAY YOU FOLD IT.**

FIVE SECONDS ... FLAT. Suburban features available power-release second-row and power-folding third-row seats. The conveniently placed buttons allow you to go from passenger space to cargo space in no time at all.

WIDE-OPEN SPACIOUSNESS. With the second- and third-row seats folded flat, you'll have 3446 L (121.7 cu. ft.) of cargo space.¹ An available programmable power liftgate helps make loading and unloading easy. No wonder KBB.com named Suburban one of their "10 Best Road Trip Cars of 2015."²

OPEN UP THE POSSIBILITIES. Standard on LTZ, the hands-free programmable power liftgate ensures that you'll worry less about the liftgate hitting a garage door or being out of your reach. A sensor under the rear bumper allows you to open the liftgate with a gentle kicking motion.

¹ Cargo and load capacity limited by weight and distribution.

Suburban LTZ in Black
with available features.

CENTURY
AUTO.CA

355
HORSEPOWER

383
LB.-FT. TORQUE

3765
KG (8300 LB.) MAX TOWING¹

¹ Requires available Max Trailering Package. Excludes other GM models. Before you buy a vehicle or use it for trailering, carefully review the Trailering section of the Owner's Manual. The weight of passengers, cargo and options or accessories may reduce the amount you can tow. ² Based on WardsAuto.com 2015 Large Sport/Utility Vehicle segment and the latest competitive information available at time of printing. Excludes other GM models. ³ 2016 Suburban 4WD fuel consumption estimates based on GM preliminary testing in accordance with Government of Canada approved test methods. Refer to vehicles.nrcan.gc.ca for details. Your actual fuel consumption may vary.

TOWS UP TO 3765 KG (8300 LB.).
Suburban offers a maximum towing capability of up to 3765 kg (8300 lb.)¹ — that's plenty of power to tow boats, trailers, ATVs and whatever else you want to bring along.

MAGNETIC RIDE CONTROL. LTZ models feature Corvette-inspired Magnetic Ride Control,[®] a real-time damping system that delivers a smooth, precise ride by “reading” the road a thousand times a second and changing damping in just 10-15 milliseconds.

THE ECOTEC3 ADVANTAGE. Three innovative technologies drive the 5.3L EcoTec3 V8 engine. Direct Injection boosts power and fuel efficiency while reducing emissions. Active Fuel Management[®] deactivates four cylinders when extra

power is not needed. Variable Valve Timing helps ensure the engine performs at optimum power and efficiency. Bottom line? A better 4WD highway fuel consumption rating than any competitor² at 10.8 L/100 km.³
