

COMPLETE CARE

We're with you all the way. Chevrolet Complete Care reflects our commitment to you and your new Spark EV. Please visit chevrolet.ca or see your dealer for full details.

YOUR COMPREHENSIVE OWNER BENEFIT PROGRAM.

3-year/60,000 km¹ New Vehicle Limited Warranty

5-year/160,000 km¹ Powertrain Component Limited Warranty, with \$0 deductible on repairs and the warranty is fully transferable at no charge

5-year/160,000 km¹ 24/7 Roadside Assistance

6-year/160,000 km¹ rust-through perforation coverage

8-year/160,000 km¹ Courtesy Transportation

8-year/160,000 km¹ Spark EV Battery Warranty²

OnStar³ Guidance Plan for 3 years, including Automatic Crash Response, Stolen Vehicle Assistance, Roadside Assistance and Turn-by-Turn Navigation (trial excludes Hands-Free Calling minutes)

OnStar Basic Plan⁴ for 5 years on most Chevrolet vehicles, including limited OnStar RemoteLink Mobile App services.

OTHER OWNERSHIP PRIVILEGES AND PROGRAMS⁵

- GM Protection Plan (GMPP) — the only extended service plan backed by the resources and commitment of General Motors, GMPP may be purchased at the time of sale or subsequently during the New Vehicle Limited Warranty period.
- Chevrolet Certified Service — to help your Chevrolet vehicle live up to its performance promise, Chevrolet Certified Service — found exclusively at your Chevrolet dealer — is there. With all the engineering excellence in your vehicle, GM-trained technicians have the expertise to care for all of it.
- Chevrolet Owner Centre — as an owner, take advantage of the Chevrolet Owner Centre. This online owner's destination gives you access to contests, current offers and the latest driving and maintenance tips. Find out more at chevroletowner.ca.

TO HELP YOU PURCHASE OR LEASE A NEW VEHICLE

- Purchase Financing and Leasing — on-the-spot financing; see dealer for full details⁶
- GM Student Bonus Program — students or recent graduates of high school, college or university⁶ may be entitled to receive a Student Bonus Vehicle Redemption Allowance of \$500 or \$750⁶ (tax inclusive) (purchased vehicle dependant) to use towards the purchase, lease or finance of one eligible new Chevrolet vehicle.
- GM Card[®] — cardholders may redeem earnings towards the total purchase price or lease down payment of an eligible new Chevrolet car, truck or crossover. Restrictions and limitations apply. For full program details, visit gmcad.ca.

INFORMATION RESOURCES

You can find more information about these programs from your Chevrolet dealer, or at these information centres:

- The Chevrolet website at chevrolet.ca
- The GM Customer Care Centre at 1-800-GM-DRIVE (1-800-463-7483 or 1-800-263-3830 for TDD users).

A WORD ABOUT THIS BROCHURE Some of the equipment shown or described throughout this brochure may be available at extra cost. We have tried to make this brochure comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colours, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this brochure and other printed materials provided at the dealership or affixed to vehicles are approximates based upon design and engineering drawings and prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been updated since the time of printing, please check with your Chevrolet dealer for complete details. General Motors of Canada Company reserves the right to lengthen or shorten the model year for any product, for any reason, or to start and end model years at different times. Certain vehicle features may lose their usefulness over time due to obsolescence from technological changes. Unless otherwise noted, all claims based on the latest available competitive information. Excludes other GM vehicles.

ASSEMBLY Chevrolet vehicles and their components are assembled or produced by different operating units of General Motors, its subsidiaries or suppliers to GM worldwide. We sometimes find it necessary to produce Chevrolet vehicles with different or differently sourced components than

originally scheduled. Since some options may be unavailable when your vehicle is assembled, we suggest you verify that your vehicle includes the equipment you ordered and that, if there were changes, they are acceptable to you.

FLEET ORDERS Some standard content may be deleted on fleet orders. See dealer for details.

AN IMPORTANT NOTE ABOUT ALTERATIONS AND WARRANTIES Installations or alterations to the original equipment vehicle (or chassis) as distributed by General Motors are not covered by the General Motors New Vehicle Limited Warranty. The special body company, assembler, equipment installer or upfitter is solely responsible for warranties on the body or equipment and any alterations (or any effect of the alterations) to any of the parts, components, systems or assemblies installed by GM. General Motors is not responsible for the safety or quality of design features, materials or workmanship of any alterations by such suppliers.

TRADEMARKS The marks appearing in this brochure including, but not limited to, General Motors, GM, Chevrolet, the Chevrolet emblem, Spark EV and their respective logos, emblems, slogans and vehicle model names and body designs; and other marks such as Find New Roads, MyLink, OnStar, the OnStar emblem, RemoteLink and StabiliTrak are trademarks of General Motors LLC, OnStar LLC and/or General Motors of Canada Company, its subsidiaries, affiliates or licensors. SPARK EV 2016

CHEVROLET

¹ Whichever comes first. Conditions and limitations apply. See dealer for details. ² The Spark EV battery warranty covers battery components in addition to the thermal management system, charging system and electric drive components. See dealer for details. ³ Visit onstar.ca for coverage maps, details and system limitations. Services vary by model, conditions and geographical and technical restrictions. OnStar with 4G LTE connectivity is available on select models and in select markets. Customers will be able to access OnStar services only if they accept the OnStar User Terms and Privacy Statement and Software Terms. OnStar acts as a link to existing emergency service providers. Not all vehicles may transmit all crash data. After the trial period (if applicable), an active OnStar service plan is required. ⁴ The OnStar Basic Plan is available for 5 years from the date of delivery of the eligible new 2016 Model Year vehicle and is transferable to subsequent owners for the remaining term. The Basic Plan includes access to: (1) monthly OnStar Vehicle Diagnostics emails (capabilities vary by model); (2) Dealer Maintenance Notification; and (3) limited OnStar RemoteLink Mobile App services which include remote start (requires factory-installed and enabled remote start system), remote lock/unlock doors (requires automatic locks) and remote horn & lights activation. The OnStar RemoteLink Mobile App is available on select Apple, Android, BlackBerry and Windows devices. Visit onstar.ca for vehicle availability, coverage maps, details and system limitations. The OnStar Basic Plan does not include any Emergency Services, Automatic Crash Response, Stolen Vehicle Assistance, live Advisor service or Hands-Free Calling. These and other services are available under a paid plan. If you sell your vehicle or wish to cancel use of Basic Plan services, you must contact OnStar at 1.888.4ONSTAR (1-888-466-7827). ⁵ Conditions and limitations apply. ⁶ Subject to eligibility.

Spark EV in Electric Blue.

**SPARK EV WAS NAMED ONE OF THE
“MOST FUEL EFFICIENT ELECTRIC CARS OF 2015”
BY KELLEY BLUE BOOK’S KBB.COM!¹**

¹ From Most Fuel Efficient Electric Cars of 2015 on Kelley Blue Book's kbb.com. Kelley Blue Book is a registered trademark of Kelley Blue Book Co., Inc.

**CENTURY

FIND *NEW* ROADS™

THE 2016 SPARK EV: PURE. ELECTRIC. FUN.

What's an electric vehicle doing with 327 lb.-ft. of torque? Well, for one thing, Spark EV does 0–96 km/h (0–60 mph) in 7.2 seconds!¹ Plus, you'll get up to 131 km of electric range² on zero-emissions power. Add to that technologies like available OnStar 4G LTE³ with a built-in Wi-Fi® hotspot⁴ and you have one of the most fun, one of the most efficient EVs you can buy.

DYNAMIC CREATIVE IDEA. Spark EV provides excellent aerodynamics by way of a unique closed grille and ingenious shutter system. The shutter system opens automatically when extra cooling is required, while the full-length underbody panel guides airflow and reduces drag.

Spark EV in Electric Blue.

¹ Based on GM testing and initial vehicle movement. ² 2016 Spark EV energy consumption and range ratings based on GM testing in accordance with Government of Canada approved test methods. Refer to vehicles.nrcan.gc.ca for details. Full charge required. Actual consumption, driving range and energy cost will vary based on temperature, driving conditions, and how you drive and maintain your vehicle. ³ Visit onstar.ca for coverage maps, details and system limitations. Services vary by model, conditions and geographical and technical restrictions. OnStar with 4G LTE connectivity is available on select vehicle models and in select markets. Available Wi-Fi hotspot requires a data plan. ⁴ Devices must be WPA2 compliant. Wi-Fi devices manufactured prior to 2006 may not be compatible. Please consult your device manufacturer for information regarding the WPA2 security protocol and Wi-Fi device compatibility. Vehicle must be started or in accessory mode to access Wi-Fi. Visit onstar.ca for system details and limitations.

Spark EV 1LT interior in Electric Blue.

Connected by **On 4G LTE**

U.S. instrumentation shown. **1** Based on latest competitive information available at the time of printing. **2** Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. MyLink on Spark EV does not include functionality such as enhanced voice recognition, Gracenote and CD player. **3** Data plan rates apply. **4** Requires compatible iPhone running iOS 6 or later. **5** Visit onstar.ca for coverage maps, details and system limitations. Services vary by model, conditions and geographical and technical restrictions. OnStar with 4G LTE connectivity is available on select vehicle models and in select markets. Customers will be able to access OnStar services only if they accept the OnStar User Terms and Privacy Statement and Software Terms. After the trial period (if applicable), an active OnStar service plan is required. **6** Devices must be WPA2 compliant. Wi-Fi devices manufactured prior to 2006 may not be compatible. Please consult your device manufacturer for information regarding the WPA2 security protocol and Wi-Fi device compatibility. Vehicle must be started or in accessory mode to access Wi-Fi. Visit onstar.ca for system details and limitations. **7** Access is available for 5 years from the eligible new vehicle delivery date and is transferable to subsequent owners for the remaining term. Requires RemoteLink Mobile App (available on select Apple, Android, BlackBerry and Windows devices); separate terms and conditions apply. Includes remote start (factory-installed and enabled remote system start required), lock/unlock (automatic locks required) and horn & lights. Does not include any Emergency Services or other OnStar services. To cancel Limited RemoteLink Mobile App Services or if your vehicle is sold, you must contact OnStar at 1.888.4ONSTAR (1-888-466-7827). See onstar.ca for full details. **8** BringGo app must be purchased separately. Requires compatible smartphone. Data plan rates apply.

GO ALL IN. Spark EV fits four comfortably with 2444 L (86.3 cu. ft.) of passenger space – that’s more room than FIAT 500e and smart electric drive! There’s enough room for everything you need to bring along. Get in and go.

MOVE WITH YOUR MUSIC. Access your favourite music and media with Chevrolet MyLink,² which comes with great entertainment apps like TuneIn³ global Internet radio and Stitcher SmartRadio.³ You can also utilize Siri Eyes Free⁴ as your personal assistant when you pair your compatible iPhone.⁶

PERSONALIZED TECHNOLOGY. Whenever your vehicle is on, available built-in OnStar 4G LTE⁵ with mobile Wi-Fi⁶ hotspot is on too. It provides great signal quality and bandwidth for up to seven devices.⁶ Use the OnStar RemoteLink[®] mobile app⁷ to lock and unlock your doors, start your car, get current diagnostic info, or contact an OnStar Advisor.

MEET YOUR CO-PILOT. Be confident about where you’re going with the available BringGo app,⁸ offering turn-by-turn directions, an Eco driving profile, and 3-D maps featuring lane suggestions, remaining distance and fuel cost.

AUTO.CA**

BRIGHT – INSIDE AND OUT.

1. Get instant efficiency feedback and battery info from the LCD Driver Information Centre.
2. The 178 mm (7 in.) diagonal colour touch-screen displays energy usage and source of power.
3. Enjoy total control without your hands ever leaving the steering wheel.
4. This is your direct connection to the ingenious Electric Propulsion System.

GAS-FREE. EMISSIONS-FREE.
FOR UP TO 131 KM OF FREEDOM!

ELECTRIC PROPULSION SYSTEM. Without a traditional transmission, 327 lb.-ft. of instant torque has nowhere to go besides directly to the tires and the road. Bottom line: 0–96 km/h (0–60 mph) in 7.2 seconds.²

REGENERATIVE BRAKING. Even the simple act of braking has been taken to the next level. This ingenious system captures energy that would otherwise be lost while braking, decelerating or going downhill and recycles it back into the battery. Now that’s energy innovation.

CHARGING PORT. The standard 120V charging unit³ provides a full charge in 18 hours. The available 240V charger can charge in only seven hours. Visit Bosch Automotive Service Solutions at pluginnow.com/ca for more information.

LITHIUM-ION BATTERY. The thermal-conditioned lithium-ion battery delivers zero-emissions power and 132 km of EV range.¹ The battery is backed with an 8-year/160,000-kilometre⁴ Battery and Specific Electric Propulsion Components Limited Warranty.

¹ 2016 Spark EV energy consumption and range ratings based on GM testing in accordance with Government of Canada approved test methods. Refer to vehicles.nrcan.gc.ca for details. Full charge required. Actual consumption, driving range and energy cost will vary based on temperature, driving conditions, and how you drive and maintain your vehicle. ² Based on GM testing and initial vehicle movement. ³ Using the portable charge cord will take approximately 18 hours at the 12-amp setting. ⁴ Whichever comes first. See dealer for limited warranty details. ⁵ Available only on 2LT. ⁶ Available at extra cost. ⁷ Visit onstar.ca for coverage maps, details and system limitations. Services vary by model, conditions and geographical and technical restrictions. OnStar with 4G LTE connectivity is available on select models and in select markets. Customers will be able to access OnStar services only if they accept the OnStar User Terms and Privacy Statement and Software Terms. OnStar acts as a link to existing emergency service providers. Not all vehicles may transmit all crash data. After the trial period (if applicable), an active OnStar service plan is required.
