Silverado 3500HD Crew Cab  
Long Box High Country 4x4 DRW  
in Black with available features.

## COMPLETE CARE

We're with you all the way. Chevrolet Complete Care reflects our commitment to you and your new Silverado HD. Please visit [chevrolet.ca](http://chevrolet.ca) or see your dealer for full details.

### YOUR COMPREHENSIVE OWNER BENEFIT PROGRAM.

2-year/48,000 km<sup>1</sup> Complimentary Oil Changes<sup>2</sup>

3-year/60,000 km<sup>1</sup> New Vehicle Limited Warranty

5-year/160,000 km<sup>1</sup> Powertrain Component Limited Warranty, with \$0 deductible on repairs and the warranty is fully transferable at no charge

5-year/160,000 km<sup>1</sup> Courtesy Transportation

5-year/160,000 km<sup>1</sup> 24/7 Roadside Assistance

6-year/160,000 km<sup>1</sup> rust-through perforation coverage

8-year/130,000 km<sup>1</sup> coverage on catalytic converters and Powertrain Control Modules (PCMs)

OnStar<sup>3</sup> Guidance Plan for 6 months, including Automatic Crash Response, Stolen Vehicle Assistance, Roadside Assistance and Turn-by-Turn Navigation (trial excludes Hands-Free Calling minutes)

OnStar Basic Plan<sup>4</sup> for 5 years on most Chevrolet vehicles, including limited OnStar RemoteLink Mobile App services.

### OTHER OWNERSHIP PRIVILEGES AND PROGRAMS<sup>5</sup>

- GM Protection Plan (GMPP) – the only extended service plan backed by the resources and commitment of General Motors, GMPP may be purchased at the time of sale or subsequently during the New Vehicle Limited Warranty period.
- Chevrolet Certified Service – to help your Chevrolet vehicle live up to its performance promise, Chevrolet Certified Service – found exclusively at your Chevrolet dealer – is there. With all the engineering excellence in your vehicle, GM-trained technicians have the expertise to care for all of it.
- Chevrolet Owner Centre – as an owner, take advantage of the Chevrolet Owner Centre. This online owner's destination gives you access to contests, current offers and the latest driving and maintenance tips. Find out more at [chevroletowner.ca](http://chevroletowner.ca).

### ENGINES

Chevrolet products are equipped with engines produced by GM Powertrain or other suppliers to GM worldwide. The engines in Chevrolet products may also be used in other GM makes and models.

<sup>1</sup> Whichever comes first. Conditions and limitations apply. See dealer for details. <sup>2</sup> Limit of four complimentary Lube-Oil-Filter services in total. Fluid top-offs, inspections, tire rotations, wheel alignments and balancing, etc., are not covered. <sup>3</sup> Standard on LT, LTZ, LT2 and High Country models. Available on WT models and requires available MyLink Radio. Visit [onstar.ca](http://onstar.ca) for coverage maps, details and system limitations. Services vary by model, conditions and geographical and technical restrictions. OnStar with 4G LTE connectivity is available on select models and in select markets. Customers will be able to access OnStar services only if they accept the OnStar User Terms and Privacy Statement and Software Terms. OnStar acts as a link to existing emergency service providers. Not all vehicles may transmit all crash data. After the trial period (if applicable), an active OnStar service plan is required. <sup>4</sup> Standard on LT, LTZ, LT2 and High Country models. Available on WT models and requires available MyLink Radio. The OnStar Basic Plan is available for 5 years from the date of delivery of the eligible new 2016 Model Year vehicle and is transferable to subsequent owners for the remaining term. The Basic Plan includes access to: (1) monthly OnStar Vehicle Diagnostics emails (capabilities vary by model); (2) Dealer Maintenance Notification; and (3) limited OnStar RemoteLink Mobile App services which include remote start (requires factory-installed and enabled remote start system), remote lock/unlock doors (requires automatic locks) and remote horn & lights activation. The OnStar RemoteLink Mobile App is available on select Apple, Android, BlackBerry and Windows devices. Visit [onstar.ca](http://onstar.ca) for vehicle availability, coverage maps, details and system limitations. The OnStar Basic Plan does not include any Emergency Services, Automatic Crash Response, Stolen Vehicle Assistance, live Advisor service or Hands-Free Calling. These and other services are available under a paid plan. If you sell your vehicle or wish to cancel use of Basic Plan services, you must contact OnStar at 1-888-4ONSTAR (1-888-466-7827). <sup>5</sup> Conditions and limitations apply. <sup>6</sup> Subject to eligibility.

**ASSEMBLY** Chevrolet vehicles and their components are assembled or produced by different operating units of General Motors, its subsidiaries or supplies to GM worldwide. We sometimes find it necessary to produce Chevrolet vehicles with different or differently sourced components than originally scheduled. Since some options may be unavailable when your vehicle is assembled, we suggest you verify that your vehicle includes the equipment you ordered and that, if there were changes, they are acceptable to you.

**FLEET ORDERS** Some standard content may be deleted on fleet orders. See dealer for details.

**AN IMPORTANT NOTE ABOUT ALTERATIONS AND WARRANTIES** Installations or alterations to the original equipment vehicle (or chassis) as distributed by General Motors are not covered by General Motors New Vehicle Limited Warranty. The special body company, assembler, equipment installer or upfitter is solely responsible for warranties on the body or equipment and any alterations (or any effect of the alterations) to any of the parts, components, systems or assemblies installed by GM. General Motors is not responsible for the safety or quality of design features, materials or workmanship of any alterations by such suppliers.

**TRADEMARKS** The marks appearing in this brochure, including, but not limited to, General Motors, GM, Chevrolet, the Chevrolet emblem, Silverado and their respective logos, emblems, slogans and vehicle model names and body designs; and other marks such as Duralife, Duramax, Find New Roads, MyLink, the OnStar emblem, RemoteLink, StabiliTrak and Vortec are trademarks of General Motors LLC, OnStar LLC and/or General Motors of Canada Company, its subsidiaries, affiliates or licensors. ## **STRENGTH THAT STANDS THE TEST OF TIME.**

*Massive torque. Legendary transmissions. Advanced trailering technology. The 2016 Silverado HD delivers to provide the towing confidence you expect from a Chevy truck.*

*Pair our available Duramax® 6.6L V8 Turbo-Diesel with the Allison® transmission and Silverado 3500HD offers best-in-class maximum conventional towing capability<sup>1</sup> without breaking a sweat.*

*And since Silverado underwent more than 9.5 million kilometres of durability testing on proving grounds and tough roads and in excess of 11 million kilometres in the real world, there's no doubt that confidence and capability are here for the long haul.*

**FIND NEW ROADS™**

<sup>1</sup> Requires Silverado 3500HD Regular Cab 4x4 DRW/3500HD Double Cab 2WD or 4x4 DRW/3500HD Crew Cab 2WD or 4x4 DRW, when properly equipped with available Duramax 6.6L V8 Turbo-Diesel engine. Before you buy a vehicle or use it for trailering, carefully review the Trailering section of the Owner's Manual. The weight of passengers, cargo and options or accessories may reduce the amount you can tow.

## HIGH COUNTRY

Silverado 3500HD Crew Cab  
Long Box High Country 4x4 DRW  
in Black with available features  
and Silverado 2500HD Crew Cab  
Standard Box High Country 4x4  
in Black with available features.

**THE BOLD LOOK OF HIGH COUNTRY.**  
Body-colour front and rear bumpers plus  
chrome wheels (SRW models), 6-in. assist  
steps, mirror caps, door handles and grille  
inserts guarantee High Country is at  
home on the trail or in town.

**CHEVY TRUCK ESSENTIALS.** High Country  
has all the capability you need and expect  
with standard Trailering Equipment  
Package, front and rear park assist,  
halogen projector-beam headlamps,  
a power-sliding rear window and  
spray-on bedliner.

**UPSCALE INTERIOR.** Heated and vented  
Saddle perforated leather-appointed  
front bucket seats come equipped with  
12-way power adjusters for constant  
comfort. A 7-speaker Bose® premium  
sound system with subwoofer, Chevrolet  
MyLink® Radio with Navigation,<sup>2</sup>

reconfigurable centre floor console and  
wireless charging<sup>3</sup> combine for the  
ultimate Silverado interior.

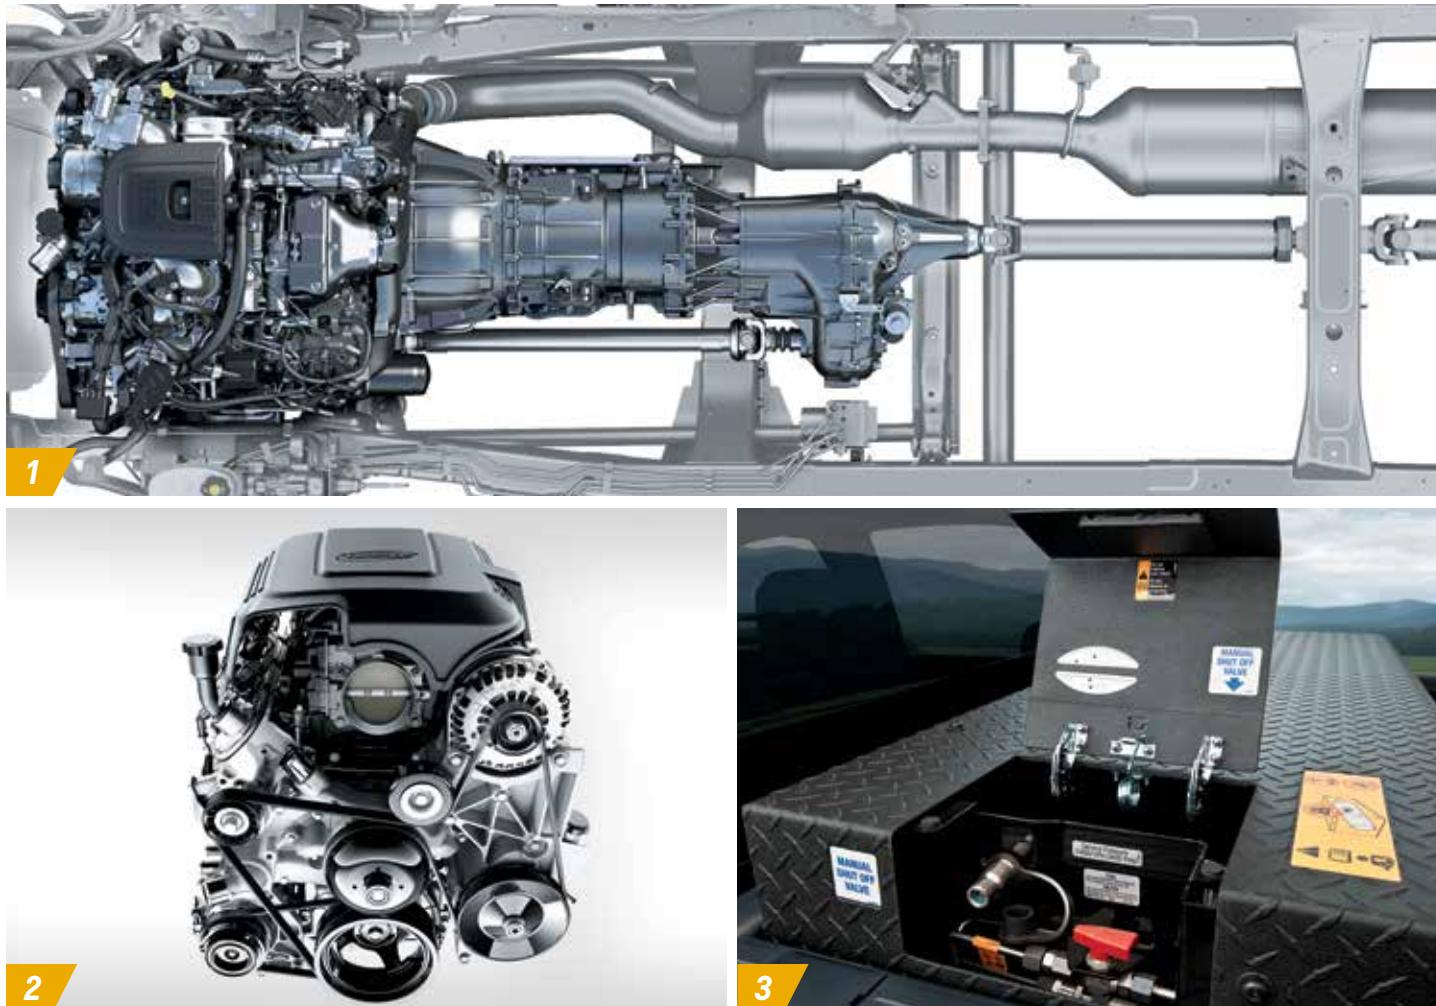

#### WHERE RUGGED MEETS LUXURY.

1. Chrome-accented up-level power-adjustable vertical trailering mirrors are heated and include power-folding and memory features.
2. The exclusive Saddle premium leather-trimmed interior, including embroidered head restraints, delivers a luxurious driving environment.
3. Distinctive badging helps High Country stand out in any crowd.
4. Included in the available High Country Premium Package are a heated leather-wrapped steering wheel, the Driver Alert Package and power-adjustable pedals.

1 Chevrolet MyLink functionality varies by model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. 2 At time of printing, detailed map coverage is available for most major urban areas of the United States and for certain metropolitan areas of Canada (Vancouver, Calgary, Edmonton, Winnipeg, Windsor, London, Toronto, Ottawa, Montreal, Quebec City and Halifax). Coverage is significantly limited outside these areas.

3 The system wirelessly charges one PMA- or Qi-compatible mobile device. Some devices require an adaptor or back cover. To check for phone or other device compatibility, visit [chevrolettotalconnect.ca](http://chevrolettotalconnect.ca) for details.

## ENGINES

### PROVEN POWER. DEPENDABLE DURABILITY.

1. With 765 lb.-ft. of torque,<sup>1</sup> not just any transmission will do. That's why Chevy engineers turned to Allison, makers of military tank transmissions, to pair with the Duramax Turbo-Diesel.
2. The Vortec<sup>®</sup> 6.0L V8, with a cast iron cylinder block, long-skirt design and cross-bolted main bearing caps, has been a dependable workhorse for millions of Chevy truck owners.
3. The bi-fuel Silverado HD seamlessly switches between gasoline and compressed natural gas (CNG). Combining cleaner-burning CNG with gasoline provides Silverado HD with an extended range between fill-ups<sup>2</sup> and flexibility to operate on gas where CNG availability may be limited.

<sup>1</sup> 765 lb.-ft. of torque @ 1600 rpm with available Duramax 6.6L V8 Turbo-Diesel engine. <sup>2</sup> When both tanks are filled. <sup>3</sup> Requires Silverado 3500HD Regular Cab DRW 4x4/3500HD Double Cab 2WD or 4x4 DRW/3500HD Crew Cab 2WD or 4x4 DRW, when properly equipped, with available Duramax 6.6L V8 Turbo-Diesel engine. Before you buy a vehicle or use it for trailering, carefully review the Trailering section of the Owner's Manual. The weight of passengers, cargo and options or accessories may reduce the amount you can tow.

Duramax 6.6L V8 Turbo-Diesel engine.

**DURAMAX 6.6L TURBO-DIESEL.** This is heavy-duty strength you can count on. There are over 1 million Duramax diesels with Allison® transmissions on the road today with over 150 billion kilometres of experience.

Churning out an earthshaking 765 lb.-ft. of torque, the available Duramax Turbo-Diesel engine lets Silverado 3500HD offer you best-in-class maximum conventional towing capability.<sup>3</sup> That's power you can trust to go the distance with you.

**BUILT FOR THE EXTREME.** Duramax glow plugs heat up quickly and, together with Direct Injection, can help your Silverado HD start in as little as three seconds in temperatures as cold as -29°C (-20°F).

At the other end of the spectrum, the engine oil cooler, transmission cooler and turbo intercooler will give you confidence when climbing even in the hottest conditions.

## TOWING

Silverado 3500HD Crew Cab  
Long Box LTZ 4x4 DRW in Silver Ice  
Metallic with available features.

**NEW FIFTH-WHEEL/GOOSENECK PREP PACKAGE!** Chevrolet is introducing this package that will be available on every cab and includes a hitch platform ready to accept a gooseneck ball or fifth-wheel hitch, a box-mounted trailer harness, a strengthened frame, a spray-on bedliner, and all the necessary box holes drilled, treated and capped. Available first quarter 2016.

**NEW DIGITAL STEERING ASSIST.** Delivering enhanced control and performance on the highway and in the parking lot. This available advanced technology provides ease of handling, improved manoeuvrability at low speeds, and excellent feel and response.

**TOW UP TO 10,523 KG (23,200 LB.).** Silverado 3500HD has the brute strength to tow massive loads – up to 10,523 kg (23,200 lb.)<sup>1,2</sup> of fifth-wheel trailering. 3500HD also delivers best-in-class<sup>3</sup> conventional towing numbers: up to 9072 kg (20,000 lb.)<sup>2,4</sup>

**TRAILER SWAY CONTROL.** To keep both your truck and your trailer heading in the same direction, standard Trailer Sway Control automatically detects a swaying trailer and applies both the vehicle and the trailer brakes (if properly equipped) to help bring it back in line.

#### SILVERADO HD EARNED AN ADVANCED DEGREE IN TOWING TECHNOLOGY.

1. The available rear vision camera's dynamic guiding lines help when hitching a trailer.
2. The available Duramax Turbo-Diesel engine includes a smart exhaust brake system that helps reduce the amount of conventional braking needed while towing or travelling downhill.
3. For control and easy monitoring of your trailer brakes, Silverado HD includes a standard integrated trailer brake controller.
4. Tow/Haul mode adjusts transmission shifts to reduce shift cycling when towing or hauling heavy loads or driving on steep grades.

1 Not available with 6.0L V8 CNG engine. See dealer for details.

2 Before you buy a vehicle or use it for trailering, carefully review the Trailering section of the Owner's Manual. The weight of passengers, cargo and options or accessories may reduce the amount you can tow. 3 Based on WardsAuto.com 2015 Large Pickup segment and latest competitive information available at time of printing. Excludes other GM vehicles. 4 Requires Silverado 3500HD Regular Cab 4x4 DRW/3500HD Double Cab 2WD or 4x4 DRW/3500HD Crew Cab 2WD or 4x4 DRW, when properly equipped, with available Duramax 6.6L V8 Turbo-Diesel engine.

## PAYOUT

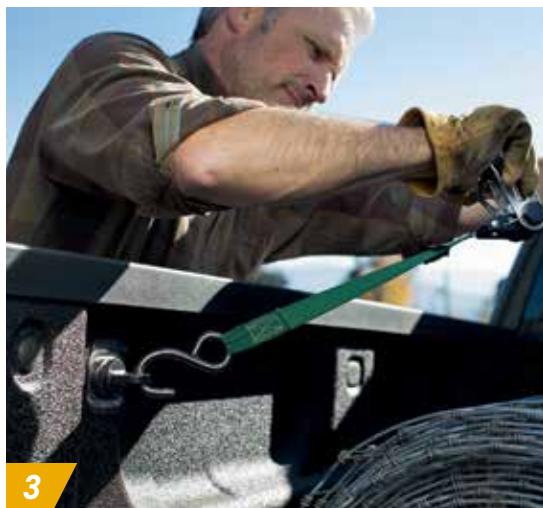

Silverado 3500HD Crew Cab Long Box  
LTZ 4x4 DRW in Tungsten Metallic  
with available features.

**CARRY THE LOAD.** Because every payload is a payday, Silverado HD provides a roll-formed steel pickup box along with big numbers across the entire Regular Cab, 4-door Double Cab and Crew Cab lineup. Head to the specs section at the back of this brochure for all the details.

**EZ-LIFT AND LOWER TAILGATE.** Dampened by a torsion spring, the EZ-Lift and Lower Tailgate that's standard on LT, LTZ and High Country opens smoothly with no thud and can be closed with one hand, so you can load and unload cargo easily.

**CONVENIENT CARGO BED LAMPS.** Available LED lamps under the bedrails illuminate the bed – perfect for those times when you need a better look at all you're hauling or when the tonneau cover is on.

**SPRAY-ON BEDLINER.** To provide a permanent non-skid surface, the available spray-in liner covers the entire bed below the side rails, including the tailgate, front box top rail and lower tie-down loops.

**THE HARDEST-WORKING CARGO BOX IN THE BUSINESS.**

1. Pocket hand grips built into the top of the side rails provide a boost into the bed.
2. The CornerStep rear bumper with non-slip treads also makes it easy to reach the cargo you're carrying.
3. Four standard lower tie-downs and available movable upper tie-downs can be positioned in numerous locations to help secure cargo.
4. Standard bed rail protectors and an available factory-installed spray-on bedliner help protect the box from damage.

Silverado 2500HD Crew Cab Standard  
Box LTZ 4x4 in Butte Red Metallic.

# IT STARTS WITH A STRONG FOUNDATION.

1 Requires 3500HD Regular Cab DRW 2WD with Vortec 6.0L V8 engine. These maximum payload ratings are intended for comparison purposes only. Before you buy a vehicle or use it to haul people or cargo, carefully review the Vehicle Loading section of the Owner's Manual and check the carrying capacity of your specific vehicle on the label on the inside of the driver door jamb. 2 Requires available Snow Plow Prep Package.

**FULLY BOXED FRAME.** The HD frame uses high-strength steel for the fully boxed frame rails. Nine cross members provide lateral support. The front frame segments are hydroformed, a process that minimizes weight without sacrificing strength. Mounted to the rear frame are

3-in.-wide leaf springs that help achieve a maximum payload rating of 3245 kg (7153 lb.)<sup>1</sup> on the Regular Cab model. The torsion bar independent front suspension helps shoulder Front Gross Axle Weight Ratings of up to 2722 kg (6000 lb.)<sup>2</sup>. And ride height can be adjusted when you attach or remove a snow plow.

**HIGH-STRENGTH STEEL.** The frame is precisely tuned to help isolate and absorb road vibration for a smoother ride and confident handling. And to help create a quiet cab, nearly two-thirds of the HD cab structure is made with high-strength steel, including the pillars, roof rails and rocker panels.

**ROLLED, NOT STAMPED.** Even the HD pickup bed benefits from tougher steel. HD features a roll-formed steel pickup box floor, which is lighter, stronger and more durable than traditional stamped-steel boxes used by major competitors.

**CENTURY**  
**AUTO.CA**

Silverado 2500HD 4-door Double Cab Standard Box LT 4x4 in Black with available Z71 Off-Road Package and Snow Plow Prep Package.

Silverado 3500HD Crew Cab Standard Box LTZ 4x4 in Slate Grey Metallic with available Duramax 6.6L V8 Turbo-Diesel engine and Z71 Off-Road Package.

**THE POWER TO PLOW.** Off-road takes on a different meaning when it snows. With the available Snow Plow Prep Package, Silverado HD 4x4 is ready with a beefed-up Front Gross Axle Weight Rating, powerful alternator, forward lamp wiring harness, Skid Plate Package and more.

**Z71 OFF-ROAD PACKAGE.** Ignore paved roads with Rancho® twin-tube shocks and an underbody Skid Plate Package. Hill Descent Control lets you set and maintain your speed on steep grades.

**RUGGED LOOKS.** Fog lamps, a unique lower front bumper and the Z71 emblem on the grille let the world know your truck can handle the rough stuff. Z71 graphics on the pickup box reinforce the message.

**INSIDE Z71.** Exclusives include a Z71-specific gauge cluster and instrument panel graphics. An off-road screen in the Driver Information Centre keeps you up to date on how great your Z71 is performing on the trails.

## INTERIOR DESIGN

Silverado 2500HD Crew Cab LTZ  
interior in Dune with perforated leather  
appointments and Cocoa interior  
accents and available features.

### DESIGNED FOR ALL-DAY COMFORT.

Resilient dual-firmness foam helps the seats retain their support over time, which is especially important for Silverado HD drivers and passengers who spend a lot of time in their trucks.

### THE STRONG, SILENT TYPE.

Need a spot to make a call or plan the next job? Silverado HD delivers. The cabin is quiet, thanks to exterior aerodynamics, inlaid and triple-sealed doors, thicker windshield glass and sound-deadening materials.

### POWERED UP.

Depending on the model you choose, you'll never be far from a convenient power supply: up to five USB ports, four auxiliary power outlets and an available 110-volt AC outlet keep first- and second-row passengers connected.

**BECAUSE YOUR WORK ISN'T CONFINED TO AN OFFICE.**

1. An available 107 mm (4.2 in.) diagonal colour Driver Information Centre (DIC) lets you choose what information you see and how you see it.
2. With an available centre console storage compartment designed to double as a file cabinet, Silverado HD isn't just your truck. It's your office on wheels.
3. An available wireless charging<sup>2</sup> station lets you conveniently charge your cell phone.
4. Steering wheel-mounted controls allow you to activate available Bluetooth<sup>®3</sup> phone functions, set the cruise control, engage the available heated steering wheel and more. All knobs and buttons are large enough to accommodate gloved hands.

1 Not compatible with all devices. 2 The system wirelessly charges one PMA- or Qi-compatible mobile device. Some devices require an adaptor or back cover. To check for phone or other device compatibility, visit chevrolettotalconnect.ca for details. 3 Visit chevrolettotalconnect.ca to find out which phones are compatible with the vehicle.

Silverado 2500HD Crew Cab LTZ  
interior in Dune with perforated leather  
appointments and Cocoa interior  
accents and available features.

1 Visit [onstar.ca](http://onstar.ca) for coverage maps, details and system limitations. Services vary by model, conditions and geographical and technical restrictions. OnStar with 4G LTE connectivity is available on select vehicle models and in select markets. Available Wi-Fi hotspot requires a data plan. 2 Devices must be WPA2 compliant. Wi-Fi devices manufactured prior to 2006 may not be compatible. Please consult your device manufacturer for information regarding the WPA2 security protocol and Wi-Fi device compatibility. Vehicle must be started or in accessory mode to access Wi-Fi. Visit [onstar.ca](http://onstar.ca) for system details and limitations. 3 Vehicle user interfaces are products of Apple and Google and their terms and privacy statements apply. Requires compatible smartphone and data plan rates apply. Android Auto is not currently available on 2016 Silverado with optional 203 mm (8 in.) diagonal Chevrolet MyLink display. 4 Chevrolet MyLink functionality varies by model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices.

#### TRUE TRUCK CAPABILITY INSIDE.

Upper and lower gloveboxes give you and your entire crew a place to store all kinds of items. Plus, there are a number of storage areas throughout, so everyone has a spot for their gear.

#### SILVERADO HD IS THE FIRST FULL-SIZE PICKUP TO OFFER 4G LTE Wi-Fi.<sup>®</sup>

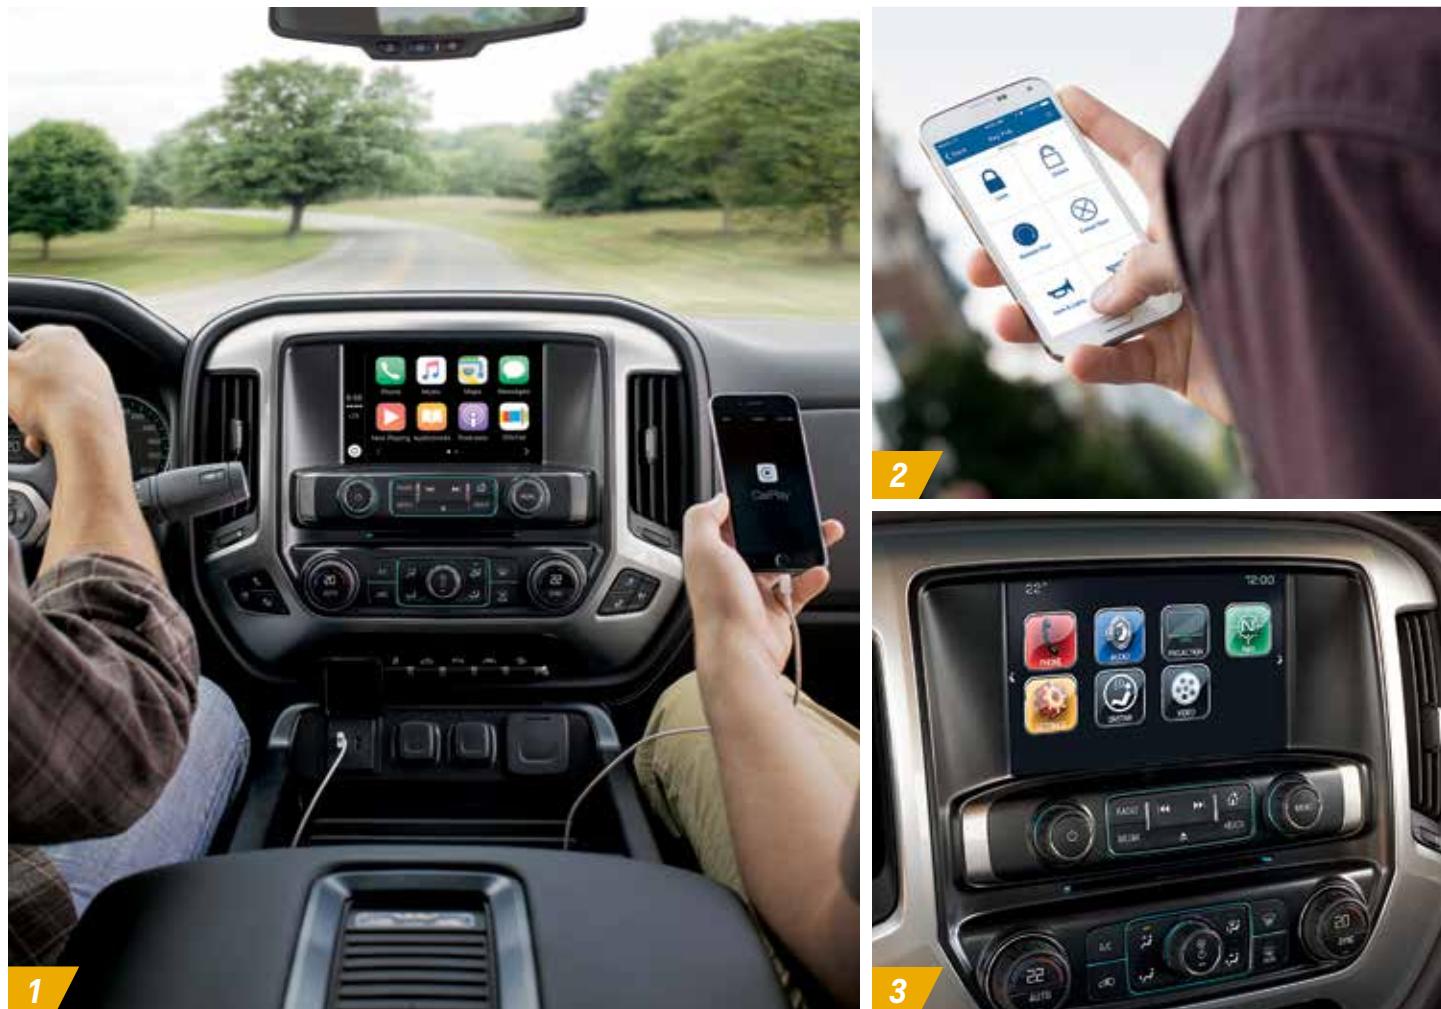

Chevrolet is the first and only car company to bring built-in OnStar 4G LTE<sup>1</sup> Wi-Fi to cars, trucks and crossovers, offering drivers the ability to seamlessly connect their smart devices and vehicles to the Internet.<sup>2</sup>

#### THE ULTIMATE MOBILE Wi-Fi HOTSPOT.

Whenever your vehicle is on, available OnStar 4G LTE<sup>1</sup> Wi-Fi is on too. The strong signal delivers a fast, reliable connection. It's automatically on after initial setup and ready to connect up to seven devices.<sup>2</sup>

**EASY ACCESS TO YOUR APPS.** With available Apple CarPlay<sup>™</sup> and Android Auto<sup>™</sup> compatibility<sup>3</sup> you can interact with select smartphone apps. These systems take some of your phone's features and put them on the available Chevrolet MyLink<sup>4</sup> display in a smart, simple manner.

**CENTURY**  
**AUTO.CA**

### HEAVY-DUTY TECHNOLOGY FOR YOUR HEAVY-DUTY WORLD.

1. Chevy Silverado HD is the first vehicle in its class<sup>5</sup> to make Apple CarPlay and Android Auto compatibility<sup>3</sup> available to enhance the connected experience.
2. Use the OnStar RemoteLink<sup>®6</sup> mobile app to start or turn off the engine (requires available remote vehicle starter system) and lock or unlock the doors from almost anywhere you have cell service.
3. Available Chevrolet MyLink<sup>4</sup> lets you arrange icons and features on the optional 203 mm (8 in.) diagonal colour touch-screen. Store up to 60 favourites, including radio stations, contacts and even destinations (requires available Chevrolet MyLink<sup>4</sup> Radio with Navigation).

5 Based on WardsAuto.com 2015 Large Pickup segment and latest competitive information available at time of printing. Excludes other GM vehicles. 6 Available on select Apple, Android, BlackBerry and Windows devices. Requires an active OnStar service plan. Services vary by device, vehicle, conditions and the type of service plan you have. Please visit [onstar.ca](http://onstar.ca) for vehicle availability, system limitations, geographical and technical restrictions and further details.

SAFETY

**CENTURY**  
AUTO.CA

# SURROUNDED BY SAFETY.

With the available Driver Alert Package, there are features that help protect you from the unexpected, including the Safety Alert Driver Seat, Lane Departure Warning, Forward Collision Alert, and front and rear park assist.

## SAFETY ALERT DRIVER SEAT.

The available Safety Alert Driver Seat uses directional vibration pulses from the seat cushion instead of audible crash avoidance alerts to help indicate the direction of potential threats. The patented warning approach is tied into other onboard crash avoidance systems.

## FORWARD COLLISION ALERT.

This available feature continually monitors how close your vehicle is to the vehicle in front of you. If the system determines that a front-end collision with a detected vehicle is imminent, it alerts the driver to a potential crash.

**LANE DEPARTURE WARNING.** If you unintentionally change lanes (without a turn signal), this available camera-based system sends an alert. The camera, mounted near the interior rear-view mirror, reads traffic lane markings when identifiable and provides audible and visual alerts.

**REAR VISION CAMERA.** When the Silverado HD transmission is in Reverse, the available rear vision camera with dynamic guiding lines allows the driver to view objects directly behind the vehicle via the screen in the centre stack. So it's easier to back up, park or hook up a trailer.

**FRONT AND REAR PARK ASSIST.** Ideal when pulling into a parking spot at low speeds, this available system senses stationary objects and alerts you if an object is too close. The available rear vision camera automatically displays a live image of the area behind the vehicle on the screen in the centre stack after you shift into Reverse.

**ABS BRAKES.** Four-wheel disc, four-channel Anti-lock Braking System (ABS) helps provide straight, more controlled stops by preventing wheel lockup in most road conditions.

**AIRBAGS.** Standard on 2500HD are six airbags,<sup>1</sup> including frontal airbags, head-curtain side-impact airbags with rollover protection and seat-mounted side-impact airbags. 3500HD has frontal airbags<sup>1</sup> standard, and available are head-curtain side-impact airbags with rollover protection and seat-mounted side-impact airbags.

## AVAILABLE ONSTAR

### AUTOMATIC CRASH RESPONSE.<sup>2,3</sup>

In a crash, built-in sensors can alert a specially trained OnStar Advisor, who is connected to your Silverado HD to see if you need help – even if you can't ask for it. Advisors can use GPS technology to pinpoint your location and request emergency help.

## SAFETY STARTS WITH YOU.

Safety features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Read the Silverado HD Owner's Manual for more important safety information.

**1 A NOTE ON CHILD SAFETY:** Always use safety belts and the correct child restraint for your child's age and size, even with airbags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal airbag. See the Owner's Manual and the child safety seat instructions for more safety information. **2** Standard on LT, LTZ and High Country. Available on WT models, requires available MyLink Radio. Visit [onstar.ca](http://onstar.ca) for vehicle availability, details and system limitations. OnStar acts as a link to existing emergency service providers. Not all vehicles can transmit all crash data. **3** Requires available MyLink Radio.

## ACCESSORIES

RAISE THE BAR IN YOUR SILVERADO HD.

These are just a few of the accessories available for your 2016 Silverado HD. For a complete list, check out [chevrolet.ca](http://chevrolet.ca).

<sup>1</sup> Not available on Silverado 3500HD with DRW. <sup>2</sup> Gross Vehicle Weight Rating (GVWR) includes vehicle, passengers, equipment and cargo. <sup>3</sup> These maximum payload ratings are intended for comparison purposes only. Before you buy a vehicle or use it to haul people or cargo, carefully review the Vehicle Loading section of the Owner's Manual and check the carrying capacity of your specific vehicle on the label on the inside of the driver door jamb. <sup>4</sup> Before you buy a vehicle or use it for trailering, carefully review the Trailering section of the Owner's Manual. The weight of passengers, cargo and options or accessories may reduce the amount you can tow.

## SELECT VEHICLE FEATURES

**SILVERADO HD WT** Silverado HD WT includes these standard features:

330 hp Vortec 6.0L V8 engine with Variable Valve Timing (VVT)

Oil life monitoring system

Heavy-duty 6-speed automatic transmission with Tow/Haul mode, Cruise Grade Braking and Powertrain Grade Braking

4-wheel disc brakes with Duralife™ rotors and Anti-lock Braking System (ABS)

High-capacity air cleaner

Heavy-duty external engine oil cooler

Heavy-duty auxiliary external transmission oil cooler

StabiliTrak® Electronic Stability Control System with Proactive Roll Avoidance and Electronic Trailer Sway Control and Hill Start Assist

Traction control

Transfer case, 2-speed floor-mounted shifter (4x4)

Trailering Equipment Package (3500HD)

Electronic trailer brake controller (3500HD)

Automatic locking rear differential

17-in. painted-steel wheels with centre caps (2500HD)

18-in. painted-steel wheels with centre caps (3500HD SRW)

17-in. painted-steel wheels with painted trim skins and centre caps (3500HD DRW)

Halogen headlamps with daytime running lamps and automatic lamp control

Chrome grille surround

Front recovery hooks, black (4x4)

Exterior mirrors, manual-folding, black (2500HD)

Vertical camper mirrors, manual-folding, black (3500HD)

Black door handles

Solar-absorbing tinted glass

Cargo box lighting

Locking tailgate

Bed rail and tailgate protector caps

Chrome front and rear bumpers

CornerStep rear bumper

6 airbags (2500HD)

2 airbags (3500HD)

Driver Information Centre with 89 mm (3.5 in.) diagonal monochromatic display

Tire pressure monitoring system (Available on models with 4536 kg [10,000 lb] GVWR or lower)

Air conditioning with manual controls, single-zone

Power windows (Double Cab and Crew Cab)

Power-programmable door locks

Tilt adjustable steering column

Cruise control

Vinyl floor covering

Front 40/20/40 split-bench seat

**SILVERADO HD WT (CONTINUED)**

Folding rear bench seat (Double Cab)

60/40 split-folding rear bench seat (Crew Cab)

Vinyl or cloth seating surfaces

AM/FM stereo, auxiliary audio input jack and 107 mm (4.2 in.) colour display screen

4-speaker audio system (Regular Cab)

6-speaker audio system (Double Cab and Crew Cab)

USB port<sup>1</sup>

**SILVERADO HD LT** enhances Silverado HD WT features with:

Transfer case, 2-speed with electronic controls (4x4)

Digital Steering Assist (Double Cab and Crew Cab)

17-in. bright machined-aluminum wheels (2500HD)

18-in. chromed-aluminum wheels (3500HD SRW)

17-in. painted-steel wheels with chrome trim skins and centre caps (3500HD DRW)

Deep-tinted glass behind front doors

Remote keyless entry

Remote locking tailgate

Power exterior mirrors, heated, body-colour (includes driver-side spotter mirror)

Body-colour door handles

Body-colour bodyside mouldings

Rear wheelhouse liners (Double Cab and Crew Cab)

EZ-Lift and Lower Tailgate

Driver Information Centre with 107 mm (4.2 in.) diagonal colour display

Colour-keyed carpeted floor covering

Rubber floor mats

Leather-wrapped steering wheel with Bluetooth®<sup>2</sup> cruise and audio system controls

Power windows (Regular Cab)

Driver-seat manual lumbar adjuster

Front centre fold-down armrest with storage

Front lockable storage compartment in centre seat cushion

60/40 split-folding rear bench seat (Double Cab)

Sunshades with illuminated vanity mirrors

Chevrolet MyLink<sup>3</sup> Radio infotainment system with 203 mm (8 in.) diagonal colour touch-screen display

Single-slot CD/MP3 player

6-speaker audio system (Regular Cab)

Bluetooth<sup>2</sup> hands-free phone connectivity and wireless audio streaming

OnStar<sup>4</sup> with 6 months of the Guidance Plan

OnStar 4G LTE<sup>5</sup> with available Wi-Fi hotspot capability<sup>6</sup>

OnStar Basic Plan<sup>7</sup> including limited OnStar RemoteLink® Mobile App services

SiriusXM Satellite Radio<sup>™8</sup>

**SILVERADO HD LTZ** enhances Silverado HD LT features with:

Trailering Equipment Package (2500HD)

18-in. chromed-aluminum wheels (2500HD)

Fog lamps

Power exterior mirrors, heated, chrome cap (includes driver-side spotter mirror), power-folding, driver-side auto-dimming feature, integrated turn signal indicators and ground illumination (2500HD)

Vertical camper mirrors, power remote control, heated, power-folding and manual-extending, chrome caps; includes lower convex spotter mirror, integrated turn signal indicators, auxiliary cargo lamp and amber auxiliary clearance lamp (3500HD)

Chrome bodyside mouldings and chrome door handles

Power-sliding rear window and electric rear-window defogger

Tilt and telescopic adjustable steering column

Rear vision camera

Remote vehicle starter system

Dual-zone automatic climate control

Theft-deterrent system

110-volt AC power outlet

Interior rear-view auto-dimming mirror

Leather-appointed front seating surfaces

Heated front split-bench seat

Driver and front-passenger power 10-way seat adjusters and power lumbar adjusters

2-position driver memory

Universal home remote.

**SILVERADO HD HIGH COUNTRY** enhances Silverado HD LTZ features with:

20-in. chromed-aluminum wheels (2500HD)

17-in. forged polished-aluminum wheels with centre caps (3500HD DRW)

Body-colour front and rear bumpers

Unique chrome grille insert

Spray-on bedliner

4 movable upper cargo box tie-downs

Chrome tubular 6-in. assist steps

Polished exhaust tip

Front and rear park assist

6 airbags (added to 3500HD)

Power 12-way front bucket seats

Perforated-leather-appointed seating surfaces

Heated and vented front bucket seats

Reconfigurable centre floor console with power cord management, mobile phone storage and file holder

Chevrolet MyLink<sup>3</sup> Radio infotainment system with Navigation<sup>9</sup>

Bose<sup>®</sup> 7-speaker premium audio system

Wireless charging<sup>10</sup>

## ENGINES

### VORTEC 6.0L V8 ENGINE

Standard on all models

Vortec technology includes high-flow cylinder heads, Sequential Fuel Injection and Variable Valve Timing (VVT)

330 hp @ 4600 rpm

380 lb.-ft. of torque @ 4200 rpm

Recommended fuel – regular unleaded gas or E85

Cast iron block and cast-aluminum cylinder heads

Displacement, cc (cu. in.) – 5967 (364)

Bore & Stroke, mm (in.) – 101.6 x 92 (4.00 x 3.62)

Compression ratio – 9.6:1

Ignition system – coil near plug, platinum-tipped long-life spark plugs, low-resistance spark plug wires

Maximum payload,<sup>11</sup> kg (lb.) – 3245 (7153)<sup>12</sup>

Maximum towing,<sup>13</sup> kg (lb.) – 6713 (14,800)<sup>14</sup>

### VORTEC 6.0L V8 BI-FUEL ENGINE

Available on all 2500HD models and 3500HD models with Single Rear Wheels (SRW)

Vortec technology includes high-flow cylinder heads, Sequential Fuel Injection and Variable Valve Timing (VVT)

330 hp @ 4600 rpm (gas); 301 hp @ 5000 rpm (CNG)

380 lb.-ft. of torque @ 4200 rpm (gas); 333 lb.-ft. of torque @ 4200 rpm (CNG)

Recommended fuel – regular unleaded gas or Compressed Natural Gas (CNG)

Cast iron block and cast-aluminum cylinder heads

Displacement, cc (cu. in.) – 5967 (364)

Bore & Stroke, mm (in.) – 101.6 x 92 (4.00 x 3.62)

Compression ratio – 9.6:1

Ignition system – coil near plug, platinum-tipped long-life spark plugs, low-resistance spark plug wires

Maximum payload,<sup>11</sup> kg (lb.) – 1694 (3735)<sup>15</sup>

Maximum towing,<sup>13</sup> kg (lb.) – 6441 (14,200)<sup>14</sup>

### DURAMAX 6.6L V8 TURBO-DIESEL ENGINE

Available on all models

Duramax technology includes Direct Injection with high-pressure common rail

397 hp @ 3000 rpm

765 lb.-ft. of torque @ 1600 rpm

Recommended fuel – diesel or B20 biodiesel

Cast iron block and cast-aluminum cylinder heads

Displacement, cc (cu. in.) – 6599 (403)

Bore & Stroke, mm (in.) – 103 x 99 (4.05 x 3.89)

Compression ratio – 16.0:1

Ignition system – compression, pre-heating glow plug start aid

Maximum payload,<sup>11</sup> kg (lb.) – 2534 (5587)<sup>16</sup>

Maximum towing,<sup>13</sup> kg (lb.) – 10,523 (23,200)<sup>16</sup>

## TRANSMISSIONS

TYPE	HYDRA-MATIC 6L90	ALLISON 1000 SERIES
	6-speed automatic standard on all models	6-speed automatic (with Duramax Turbo-Diesel)
Gear ratios (1)		
First	4.03	3.10
Second	2.36	1.81
Third	1.53	1.41
Fourth	1.15	1.00
Fifth	0.85	0.71
Sixth	0.67	0.61
Reverse	3.06	4.49
Rear axle ratio	4.10	3.73

<sup>1</sup> Not compatible with all devices. <sup>2</sup> Visit [chevrolettotalconnect.ca](http://chevrolettotalconnect.ca) to find out which phones are compatible with the vehicle. <sup>3</sup> Chevrolet MyLink functionality varies by model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. <sup>4</sup> Visit [onstar.ca](http://onstar.ca) for coverage maps, details and system limitations. Services vary by model, conditions and geographical and technical restrictions. OnStar with 4G LTE connectivity is available on select vehicle models and in select markets. Customers will be able to access OnStar services only if they accept the OnStar User Terms and Privacy Statement and Software Terms. After the trial period (if applicable), an active OnStar service plan is required. <sup>5</sup> Visit [onstar.ca](http://onstar.ca) for coverage maps, details and system limitations. Services vary by model, conditions and geographical and technical restrictions. OnStar with 4G LTE connectivity is available on select vehicle models and in select markets. Available Wi-Fi hotspot requires a data plan. <sup>6</sup> Devices must be WPA2 compliant. Wi-Fi devices manufactured prior to 2006 may not be compatible. Please consult your device manufacturer for information regarding the WPA2 security protocol and Wi-Fi device compatibility. Vehicle must be started or in accessory mode to access Wi-Fi. Visit [onstar.ca](http://onstar.ca) for system details and limitations. <sup>7</sup> The OnStar Basic Plan is available for 5 years from the date of delivery of the eligible new 2016 Model Year vehicle and is transferable to subsequent owners for the remaining term. The Basic Plan includes access to: (1) monthly OnStar Vehicle Diagnostics emails (capabilities vary by model); (2) Dealer Maintenance Notification; and (3) limited OnStar RemoteLink Mobile App services which include remote start (requires factory-installed and enabled remote start system), remote lock/unlock doors (requires automatic locks) and remote horn & lights activation. The OnStar RemoteLink Mobile App is available on select Apple, Android, BlackBerry and Windows devices. Visit [onstar.ca](http://onstar.ca) for vehicle availability, coverage map, details and system limitations. The OnStar Basic Plan does not include any Emergency Services, Automatic Crash Response, Stolen Vehicle Assistance, live Advisor service or Hands-Free Calling. These and other services are available under a paid plan. If you sell your vehicle or wish to cancel use of Basic Plan services, you must contact OnStar at 1.888.40NSTAR (1-888-466-7827). <sup>8</sup> Available in 10 Canadian provinces and the 48 contiguous United States. Subscription sold separately after trial period. If you decide to continue your service at the end of your trial subscription, the plan you choose will automatically renew and bill at then-current rates until you call 1-877-209-0079 to cancel. Other fees and taxes will apply. All fees and programming subject to change. See SiriusXM "Terms & Conditions" and complete details at [siriusxm.ca](http://siriusxm.ca). <sup>9</sup> At time of printing, detailed map coverage is available for most major urban areas of the United States and for certain metropolitan areas of Canada (Vancouver, Calgary, Edmonton, Winnipeg, Windsor, London, Ottawa, Montreal, Quebec City and Halifax). Coverage is significantly limited outside these areas. <sup>10</sup> The system wirelessly charges one PMA- or Qi-compatible mobile device. Some devices require an adaptor or back cover. To check for phone or other device compatibility, visit [chevrolettotalconnect.ca](http://chevrolettotalconnect.ca) for details. <sup>11</sup> These maximum payload ratings are intended for comparison purposes only. Before you buy a vehicle or use it to haul people or cargo, carefully review the Vehicle Loading section of the Owner's Manual and check the carrying capacity of your specific vehicle on the label on the inside of the driver door jamb. <sup>12</sup> Requires 3500HD Regular Cab 2WD DRW model. <sup>13</sup> Before you buy a vehicle or use it for trailering, carefully review the Trailering section of the Owner's Manual. The weight of passengers, cargo and options or accessories may reduce the amount you can tow. <sup>14</sup> Requires 2500HD Regular Cab 2WD model. <sup>15</sup> Requires 3500HD Regular Cab 2WD SRW model. <sup>16</sup> Requires 3500HD Regular Cab 4x4 DRW model.

<sup>1</sup> Available on 3500HD models. <sup>2</sup> Included with available Driver Alert Package. <sup>3</sup> Visit onstar.ca for coverage maps, details and system limitations. Services vary by model, conditions and geographical and technical restrictions. OnStar with 4G LTE connectivity is available on select vehicle models and in select markets. Customers will be able to access OnStar services only if they accept the OnStar User Terms, Privacy Statement and Software Terms. After the trial period (if applicable), an active OnStar service plan is required. <sup>4</sup> Requires available Chevrolet MyLink Radio with 178 mm (7 in.) diagonal colour touch-screen display. <sup>5</sup> The OnStar Basic Plan is available for 5 years from the date of delivery of the eligible new 2016 Model Year vehicle and is transferable to subsequent owners for the remaining term. The Basic Plan includes access to: (1) monthly OnStar Vehicle Diagnostics emails (capabilities vary by model); (2) Dealer Maintenance Notification; and (3) limited OnStar RemoteLink Mobile App services which include remote start (requires factory-installed and enabled remote start system), remote lock/unlock doors (requires automatic locks) and remote horn & lights activation. The OnStar RemoteLink Mobile App is available on select Apple, Android, BlackBerry and Windows devices. Visit onstar.ca for vehicle availability, coverage map, details and system limitations. The OnStar Basic Plan does not include any Emergency Services, Automatic Crash Response, Stolen Vehicle Assistance, live Advisor service or Hands-Free Calling. These and other services are available under a paid plan. If you sell your vehicle or wish to cancel use of Basic Plan services, you must contact OnStar at 1.888.40NSTAR (1-888-466-7827). <sup>6</sup> Requires available remote vehicle starter system. <sup>7</sup> Requires Trailering Equipment Package on 2500HD models. <sup>8</sup> Included with another available option(s) and/or package(s). <sup>9</sup> Requires Trailering Equipment Package and all-terrain tires. Includes fog lamps. Not available with 3500HD DRW models. <sup>10</sup> Requires all-terrain tires. Not available with 3500HD DRW models. <sup>11</sup> Included with 3500HD DRW models. <sup>12</sup> Standard on 3500HD models. <sup>13</sup> Includes body-colour caps. <sup>14</sup> 3500HD SRW models only. <sup>15</sup> Requires all-terrain tires. <sup>16</sup> Double Cab and Crew Cab only. <sup>17</sup> Crew Cab only.

WT Convenience Package	○	-	-	-
Includes deep-tinted windows behind front doors, 110-volt AC power outlet, remote keyless entry with remote locking tailgate, rear vision camera and heated power exterior mirrors (also includes power windows on Regular Cab models)				

<sup>1</sup> Included with another available option(s) and/or package(s). <sup>2</sup> Visit chevrolettotalconnect.ca to find out which phones are compatible with the vehicle. <sup>3</sup> Includes driver manual lumbar adjuster when cloth trim specified. <sup>4</sup> Available with leather-appointed seating surfaces on Double Cab and Crew Cab. <sup>5</sup> Available on Double Cab or Crew Cab. Requires cloth trim. <sup>6</sup> Included with available front bucket seats. <sup>7</sup> Rear seat includes vinyl trim. <sup>8</sup> Requires 40/20/40 front split-bench seat. <sup>9</sup> Requires full-feature heated and cooled front bucket seats. Rear seat includes vinyl trim. <sup>10</sup> Chevrolet MyLink functionality varies by model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. <sup>11</sup> Data plan rates apply. <sup>12</sup> Late availability on Android Auto compatibility. Vehicle user interfaces are products of Apple and Google and their terms and privacy statements apply. Requires compatible smartphone and data plan rates apply. <sup>13</sup> Includes OnStar Guidance Plan, OnStar Basic Plan, OnStar 4G LTE with Wi-Fi hotspot capability and 6-speaker audio system. <sup>14</sup> At time of printing, detailed map coverage is available for most major urban areas of the United States and for certain metropolitan areas of Canada (Vancouver, Calgary, Edmonton, Winnipeg, Windsor, London, Toronto, Ottawa, Montreal, Quebec City and Halifax). Coverage is significantly limited outside these areas. <sup>15</sup> Available in 10 Canadian provinces and the 48 contiguous United States. Subscription sold separately after trial period. If you decide to continue your service at the end of your trial subscription, the plan you choose will automatically renew and bill at then-current rates until you call 1-877-209-0079 to cancel. Other fees and taxes will apply. All fees and programming subject to change. See SiriusXM "Terms & Conditions" and complete details at siriusxm.ca. <sup>16</sup> Visit onstar.ca for coverage maps, details and system limitations. Services vary by model, conditions and geographical and technical restrictions. OnStar with 4G LTE connectivity is available on select vehicle models and in select markets. Available Wi-Fi hotspot requires a data plan. <sup>17</sup> Devices must be WPA2 compliant. Wi-Fi devices manufactured prior to 2006 may not be compatible. Please consult your device manufacturer for information regarding the WPA2 security protocol and Wi-Fi device compatibility. Vehicle must be started or in accessory mode to access Wi-Fi. Visit onstar.ca for system details and limitations. <sup>18</sup> Requires available Chevrolet MyLink Radio with 178 mm (7 in.) diagonal colour touch-screen display. <sup>19</sup> Not compatible with all devices. <sup>20</sup> The system wirelessly charges one PMA- or Qi-compatible mobile device. Some devices require an adaptor or back cover. To check for phone or other device compatibility, visit chevrolettotalconnect.ca for details. <sup>21</sup> Included with available High Country Premium Package. <sup>22</sup> Double Cab or Crew Cab only. <sup>23</sup> Visit onstar.ca for coverage maps, details and system limitations. Services vary by model, conditions and geographical and technical restrictions. OnStar with 4G LTE connectivity is available on select vehicle models and in select markets. Customers will be able to access OnStar services only if they accept the OnStar User Terms, Privacy Statement and Software Terms. After the trial period (if applicable), an active OnStar service plan is required. <sup>24</sup> Standard on 3500HD models. <sup>25</sup> Not available with Duramax 6.6L V8 Turbo-Diesel, CNG Bi-fuel Vortec 6.0L V8, LT Convenience Package or Midnight Edition on 2500HD models. <sup>†</sup> All-season tires may not satisfy winter tire requirements in all regions of the country. Tires specifically designed for severe winter conditions and marked with the "winter tire" symbol  may be required during certain months or in certain regions. Contact your Provincial, Municipal or local road authority for information regarding which tires are required in your particular area.
