Malibu Premier in Iridescent Pearl Tricoat (extra-cost colour) with available features.

CENTURY
AUTO.CA

ALL-NEW 2016 MALIBU. COMPLETELY REIMAGINED.

Presenting Malibu and Malibu Hybrid¹ for 2016 – the newest expression of Chevrolet.

Nowhere is that expression more apparent than the sleek, sculpted exterior and the refined interior that offers exceptional comfort. It's also shown in outstanding fuel efficiency across the lineup. In the available advanced safety technology that helps prevent and protect you from a potential collision. And in available Apple CarPlay[™] and Android Auto[™] compatibility² that makes your smartphone connection smarter and simpler than ever.

The most fuel-efficient, connected and technologically advanced Malibu ever. It's anything but ordinary.

¹ Interim availability, please see your dealer for details.

² Vehicle user interfaces are products of Apple and Google and their terms and privacy statements apply. Requires compatible smartphone and data plan rates apply. Apple CarPlay is a trademark of Apple Inc. Android Auto is a trademark of Google Inc. Android Auto is not currently available with optional 203 mm (8 in.) Chevrolet MyLink Radio.

FIND *NEW* ROADS[™]

EXTERIOR DESIGN

Malibu Premier in Iridescent Pearl Tricoat (extra-cost colour) with available features.

MADE YOU LOOK. The all-new Malibu has a presence about it, with an exterior appearance that is agile and dynamic, yet refined. The combination of expressive, bold shapes and sculpted surfaces commands attention from all who see it.

AERODYNAMIC DESIGN. To achieve strong aerodynamic efficiency, our design team paid special attention to the mirrors, headlamps and deck lid — all providing Malibu beautifully sculpted lines that give the wind little to hold on to.

A BODY IN MOTION. Low, elongated proportions give Malibu a windswept look and the impression of constant motion. Nearly 100 mm (4 in.) were added to the wheelbase, resulting in a dramatic profile as well as increased interior space.

**CENTURY
AUTO.CA**

THE DRAMA IS IN THE DETAILS.

1. The stunningly slim headlamps provide a contemporary visual statement while offering outstanding visibility. LT and Premier feature LED daytime running lamps.
2. Badging on each front door announces to the world that Malibu has arrived.
3. The wheels, including these 19-in. aluminum wheels that are standard on Premier, were designed specifically to complement the all-new body.
4. An integrated spoiler on the rear deck lid helps direct airflow smoothly and efficiently away from Malibu.

INTERIOR DESIGN

Malibu Premier interior in Dark Atmosphere/Loft Brown with available features.

MAKE YOURSELF COMFORTABLE.

Whether your drive takes you across town or across the country, the seats in the all-new Malibu were designed to keep you travelling in comfort. The power 8-way driver seat, standard on LT and Premier, puts you in complete control of positioning.

A WARM WELCOME.

Premier features heated front seats and a heated steering wheel to warm your world when the temperature drops. There are also ventilated front seats on Premier to raise your comfort level during the warmest weather.

EXCELLENCE ELEVATED.

Satin chrome is generously displayed throughout the all-new Malibu cabin to enhance sophistication and virtually eliminate glare. Soft touch components exude an uncommon level of quality.

WE THOUGHT OF EVERYONE.

Rear-seat passengers were in the front of our minds. Our designers created generous rear-seat legroom and rear doors that open wide to make entry and exit easier.

QUIET, PLEASE.

An acoustic-laminated windshield, a custom dash panel with strategic applications of laminated steel and triple-sealed doors are just a few of the features that keep the noises of the outside world at bay.

SAFETY TECHNOLOGY.

Side Blind Zone Alert¹, Rear Cross Traffic Alert and front park assist are among the many active safety features available on the all-new 2016 Malibu that use radar- and camera-based technologies to help you stay ever vigilant of your surroundings.

MYLINK. YOUR WAY.

The available Chevrolet MyLink^{®2} Radio lets you arrange icons and features on the 203 mm (8 in.) (Premier) or 178 mm (7 in.) (LS and LT) diagonal colour touch-screen, much like you would with a smartphone or tablet. The screen is tilted up to aid visibility and prevent screen glare.

¹ Before making a lane change, always check the Side Blind Zone Alert display, check the exterior and interior rear-view mirrors, look over your shoulder for vehicles and hazards and start the turn signal. ² Chevrolet MyLink functionality varies by model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices.

THE COMFORTS OF HOME, BROUGHT TO THE ROAD.

1. Apple CarPlay™ compatibility¹ is available to enhance the connected experience. Simply connect to select iPhone® features, including Maps, Music, Messages and Phone right on your Chevrolet MyLink² display.
2. Conveniently charge your cell phone with the available wireless charging station.³
3. Every Malibu offers the security of OnStar®⁴ Automatic Crash Response, standard for the first six months.
4. Available Teen Driver⁵ technology encourages safe driving habits for new drivers in a number of ways, like muting the audio system when front-seat occupants are not wearing their safety belts and giving audible and visual warnings when the vehicle is travelling over predetermined speeds.

¹ Vehicle user interfaces are products of Apple and Google and their terms and privacy statements apply. Requires compatible smartphone and data plan rates apply. Android Auto is not currently available with the optional 203 mm (8 in.) Chevrolet MyLink Radio. ² Chevrolet MyLink functionality varies by model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. ³ The system wirelessly charges one PMA 1.0, WPG 1.0 and WPC 1.1 (Qi) compatible mobile device. To check for phone or other device compatibility, see chevrolettotalconnect.ca. ⁴ Visit onstar.ca for vehicle availability, details and system limitations. OnStar acts as a link to existing emergency service providers. Not all vehicles can transmit all crash data.

EASY ACCESS TO YOUR SMARTPHONE.

With available Android Auto™ compatibility,¹ you can interact with select smartphone apps. This system takes some of your Android phone's features and puts them on the available Chevrolet MyLink² display in a smart, simple manner. You can access your phone, text messages, music, navigation and more.

APPLE CARPLAY™ COMPATIBILITY.

With available Apple CarPlay,¹ you can connect with some of your most used iPhone® features, including Maps, Music, Messages and Phone, mirroring your phone right on the available Chevrolet MyLink² display. You can even interact with some of your favourite audio apps.

INTERNET IN YOUR MALIBU. Chevrolet is the first and only car company to offer built-in 4G LTE® Wi-Fi® to cars, trucks and crossovers, providing the ability to seamlessly connect your smart devices and vehicles to the Internet. It offers great signal quality and bandwidth for up to seven devices.⁷

⁵ Requires available 203 mm (8 in.) Chevrolet MyLink Radio. ⁶ Visit onstar.ca for coverage maps, details and system limitations. Services vary by model, conditions and geographical and technical restrictions. OnStar with 4G LTE connectivity is available on select vehicle models and in select markets. Available Wi-Fi hotspot requires a data plan. ⁷ Devices must be WPA2 compliant. Wi-Fi devices manufactured prior to 2006 may not be compatible. Please consult your device manufacturer for information regarding the WPA2 security protocol and Wi-Fi device compatibility. Vehicle must be started or in accessory mode to access Wi-Fi. Visit onstar.ca for system details and limitations.

Malibu Premier interior in Dark Atmosphere/Medium Ash Grey with available features.

SAFETY

ADAPTIVE CRUISE CONTROL. Using front-mounted radar, this available feature on Premier maintains your selected cruise speed and following-gap distance, automatically braking when necessary in stop-and-go traffic.

AVAILABLE FRONT PEDESTRIAN BRAKING. At speeds up to 80 km/h (50 mph), a forward-looking camera surveys the road ahead, flashing a warning signal and a series of eight beeps when the vehicle is approaching a pedestrian ahead too fast. If necessary, the available system will even automatically apply last-second braking.

FRONT AUTOMATIC BRAKING. Using the same radar sensors as Adaptive Cruise Control and available on Premier, Front Automatic Braking helps prevent or mitigate collisions at low speeds. The system alerts the driver if the lead vehicle slows unexpectedly.

LOW SPEED FRONT AUTOMATIC BRAKING. Available on LT and Premier, Low Speed Front Automatic Braking helps prevent or mitigate collisions at speeds below 80 km/h (50 mph).

FORWARD COLLISION ALERT. This available feature identifies vehicles ahead and warns the driver of possible front-end collision threats, helping provide time to stop and/or change course. If the system determines that a front-end collision with a detected vehicle is imminent, it alerts the driver to a potential crash. It also warns the driver if their Malibu is following a detected vehicle much too closely.

LANE KEEP ASSIST. At speeds above 60 km/h (37 mph), this available camera-based system monitors road lines and will gently turn the steering wheel if the vehicle begins changing lanes without the use of a turn signal.

SIDE BLIND ZONE ALERT. This available feature uses radar sensors on both sides of the vehicle to help “look” for other vehicles in your side blind zone areas and indicates their presence with LED-lit symbols in the exterior rear-view mirrors.

LANE CHANGE ALERT. Working with Side Blind Zone Alert, available Lane Change Alert employs radar sensors in the rear corners to help

detect and warn the driver of fast approaching vehicles in the adjacent lane from up to 25 m (82 ft.) away, not just in the side view mirror blind zones.

REAR CROSS TRAFFIC ALERT. Using the same radar sensors as Side Blind Zone Alert, this available feature alerts you to crossing traffic behind your Malibu when backing up. Audible warnings, as well as visual alerts on the rear vision camera screen, are triggered if approaching vehicles are detected.

REAR VISION CAMERA. Standard on Malibu LS, LT and Premier, the rear vision camera displays a view of the area immediately behind the vehicle on the touch-screen – making it easier to see what’s behind you while backing up.

AVAILABLE FRONT AND REAR PARK ASSIST. Ideal when pulling into a parking spot at low speeds, the available system senses stationary objects and warns you if an object is too close. The rear vision camera automatically displays a live image of the area behind the vehicle on the available Chevrolet MyLink¹ screen after you shift into Reverse.

SEMI-AUTOMATIC PARKING ASSIST. This ingenious available system enables Malibu Premier to detect viable parking spaces, determine approach angles and take over the steering to neatly manoeuvre into an available space. Throttle, brake and transmission (or gear selection) input is still required by the driver, but the vehicle steers itself into any suitable-sized reverse parallel or reverse right-angle (90-degree) parking spot.

INTELLIBEAM HEADLAMPS. When oncoming headlamps are sensed or when tail lamps are detected in front of you, the available IntelliBeam™ headlamps intuitively adjust between low and high beams.

SAFETY STARTS WITH YOU. Safety features are no substitute for the driver’s responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Read the Malibu Owner’s Manual for more important safety information.

¹ Chevrolet MyLink functionality varies by model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices.

MALIBU HYBRID

Malibu Hybrid in Silver Ice Metallic with available features.

PROVEN HYBRID TECHNOLOGY.

Malibu Hybrid¹, available Spring 2016, leverages components and knowledge directly from Chevrolet Volt. An all-new direct-injected 1.8L 4-cylinder engine

mated to a two-motor electric drive unit powers Malibu Hybrid. The drive unit provides additional energy to assist the engine during acceleration, for a total of 182 horsepower (136 kW).

LITHIUM-ION BATTERY PACK. An 80-cell, 1.5-kWh lithium-ion battery pack provides electric power to the hybrid system that can propel Malibu Hybrid to speeds over 80 km/h (50 mph) with electricity alone. The gasoline-powered engine automatically comes on with higher loads, at higher speeds or to assist in cabin heating.

ADVANCED REGENERATIVE BRAKING.

In addition to the drive unit, Malibu Hybrid also features a regenerative braking system, which provides energy recovery during braking to help maintain charge.

STREAMLINED AND NEARLY SILENT.

Electric grille shutters enhance aerodynamic efficiency at highway speeds, and Active Noise Cancellation contributes to the impressively quiet ride.

¹ Interim availability, please see your dealer for details.

PERFORMANCE

ALL-NEW 1.5L TURBO ENGINE.

Powerfully efficient is the perfect way to describe our newest engine. Paired with a smooth-shifting 6-speed automatic transmission, the 1.5L turbo engine produces 163 horsepower and 184 lb.-ft. of torque, delivering performance you may not expect. There's also intelligent

stop/start technology that almost imperceptibly shuts off and starts up the engine in certain situations, helping to save gas and improve efficiency. With fuel consumption ratings of 8.7 L/100 km¹ city and 6.3 L/100 km¹ highway, this is bound to get your attention.

2.0L TURBO ENGINE. Those who crave exhilaration will not be disappointed with 250 horsepower and 260 lb.-ft. of torque — numbers that will push you back in your seat. Quick, seamless shifts come courtesy of an all-new 8-speed automatic transmission, the first to ever be offered

on a front-wheel-drive Chevrolet car. And while performance is the first thing you'll notice, a highway fuel consumption rating of 7.1 L/100 km¹ will certainly put a smile on your face. Standard on Premier.

SUPERIOR SUSPENSION. While performance has been enhanced, comfort is also key in the all-new Malibu. The MacPherson strut front suspension delivers a feeling of control while cornering, and the independently tuned 4-link rear suspension provides all the ride and handling benefits at any speed.

HANDLED WITH CARE. Variable-effort Electric Power Steering (EPS) helps save fuel by using energy only when steering effort is applied. Balancing responsiveness and comfort, EPS feels light but agile, with greater assistance at low speeds and tighter control on the highway.

¹ 2016 Malibu fuel consumption ratings based on GM testing in accordance with Government of Canada approved test methods. Refer to vehicles.nrcan.gc.ca for details. Your actual fuel consumption may vary.

Malibu Premier in Nightfall Grey Metallic with available features.

**CENTURY
AUTO.CA**

Malibu Premier in Iridescent Pearl Tricoat (extra-cost colour) with available features.

EVERY GRAM ACCOUNTED FOR.

Malibu features a light, highly optimized body structure that enables enhanced acceleration as well as more nimble handling.

STRENGTH FROM WITHIN.

Press-hardened steel was used in the B-pillars and roof rails due to its ability to achieve ultra-high-strength status in complex shapes. Ultra-high-strength steel was added to the upper and lower structures to reduce weight.

SILENCE STARTS HERE.

The quiet nature of Malibu begins with a honed exterior shape. It continues with sound-deadening acoustic materials that help reduce, block and absorb road noise. The bottom line for you: The commotion of the outside world is kept where it belongs.

IN PURSUIT OF THE PERFECT RIDE, WE CONSIDERED EVERYTHING.

1. The MacPherson strut front suspension design features internal rebound springs that enable a more refined calibration of the struts, resulting in enhanced body-roll control during acceleration or turning.
2. Every Malibu has 4-wheel disc brakes with Duralife™ brake rotors – which increase the service life – and 4-channel ABS for more controlled braking.
3. More than 150 hours of wind tunnel testing resulted in a number of enhancements, including sculpted exterior mirrors that help bring you an unexpectedly quiet ride.

We're with you all the way. Chevrolet Complete Care reflects our commitment to you and your new Malibu. Please visit chevrolet.ca or see your dealer for full details.

YOUR COMPREHENSIVE OWNER BENEFIT PROGRAM.
2-year/48,000 km ¹ Complimentary Oil Changes ²
3-year/60,000 km ¹ New Vehicle Limited Warranty
5-year/160,000 km ¹ Powertrain Component Limited Warranty, with \$0 deductible on repairs and the warranty is fully transferable at no charge
5-year/160,000 km ¹ Courtesy Transportation
5-year/160,000 km ¹ 24/7 Roadside Assistance
6-year/160,000 km ¹ rust-through perforation coverage
8-year/130,000 km ¹ coverage on catalytic converters and Powertrain Control Modules (PCMs)
OnStar ³ Guidance Plan for 6 months, including Automatic Crash Response, Stolen Vehicle Assistance, Roadside Assistance and Turn-by-Turn Navigation (trial excludes Hands-Free Calling minutes)
OnStar Basic Plan ⁴ for 5 years on most Chevrolet vehicles, including limited OnStar RemoteLink [®] Mobile App services.

OTHER OWNERSHIP PRIVILEGES AND PROGRAMS⁵

- GM Protection Plan (GMPP) – the only extended service plan backed by the resources and commitment of General Motors, GMPP may be purchased at the time of sale or subsequently during the New Vehicle Limited Warranty period.
- Chevrolet Certified Service – to help your Chevrolet vehicle live up to its performance promise, Chevrolet Certified Service – found exclusively at your Chevrolet dealer – is there. With all the engineering excellence in your vehicle, GM-trained technicians have the expertise to care for all of it.
- Chevrolet Owner Centre – as an owner, take advantage of the Chevrolet Owner Centre. This online owner's destination gives you access to contests, current offers and the latest driving and maintenance tips. Find out more at chevroletowner.ca.

TO HELP YOU PURCHASE OR LEASE A NEW VEHICLE

- Purchase Financing and Leasing – on-the-spot financing; see dealer for full details.⁶
- GM Student Bonus Program – students or recent graduates of high school, college or university⁶ may be entitled to receive a Student Bonus Vehicle Redemption Allowance of \$500 or \$750⁶ (tax inclusive) (purchased vehicle dependant) to use towards the purchase, lease or finance of one eligible new Chevrolet vehicle.
- GM Card[®] – cardholders may redeem Earnings towards the total purchase price or lease down payment of an eligible new Chevrolet car, truck or crossover. Restrictions and limitations apply. For full program details, visit gmcards.ca.

INFORMATION RESOURCES You can find more information about these programs from your Chevrolet dealer, or at these information centres:

- The Chevrolet website at chevrolet.ca
- The GM Customer Care Centre at 1-800-GM-DRIVE (1-800-463-7483 or 1-800-263-3830 for TDD users).

A WORD ABOUT THIS BROCHURE Some of the equipment shown or described throughout this brochure may be available at extra cost. We have tried to make this brochure comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colours, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this brochure and other printed materials provided at the dealership or affixed to vehicles are approximates based upon design and engineering drawings and prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been updated since the time of printing, please check with your Chevrolet dealer for complete details. General Motors of Canada Company reserves the right to lengthen or shorten the model year for any product, for any reason, or to start and end model years at different times. Certain vehicle features may lose their usefulness over time due to obsolescence from technological changes. Unless otherwise noted, all claims based on the latest available competitive information. Excludes other GM vehicles.

ENGINES Chevrolet products are equipped with engines produced by GM Powertrain or other suppliers to GM worldwide. The engines in Chevrolet products may also be used in other GM makes and models.

ASSEMBLY Chevrolet vehicles and their components are assembled or produced by different operating units of General Motors, its subsidiaries or suppliers to GM worldwide. We sometimes find it necessary to produce Chevrolet vehicles with different or differently sourced components than originally scheduled. Since some options may be unavailable when your vehicle is assembled, we suggest you verify that your vehicle includes the equipment you ordered and that, if there were changes, they are acceptable to you.

FLEET ORDERS Some standard content may be deleted on fleet orders. See dealer for details.

AN IMPORTANT NOTE ABOUT ALTERATIONS AND WARRANTIES Installations or alterations to the original equipment vehicle (or chassis) as distributed by General Motors are not covered by the General Motors New Vehicle Limited Warranty. The special body company, assembler, equipment installer or upfitter is solely responsible for warranties on the body or equipment and any alterations (or any effect of the alterations) to any of the parts, components, systems or assemblies installed by GM. General Motors is not responsible for the safety or quality of design features, materials or workmanship of any alterations by such suppliers.

SELECT VEHICLE FEATURES

MALIBU L Malibu L includes these standard features:

163 hp 1.5L 4-cylinder turbocharged engine with Direct Injection and Variable Valve Timing (VVT) with Auto Stop/Start engine feature
Oil life monitoring system
6-speed automatic transmission
4-wheel disc brakes with Duralife brake rotors, ABS, Brake Assist, cornering brake control and Hill Start Assist
StabiliTrak [®] Electronic Stability Control System and traction control
4-wheel independent suspension
16-in. steel wheels with wheel covers
Power exterior mirrors, black
Passive Entry System with Keyless Push-Button Start
Content theft alarm
10 airbags
Driver Information Centre with monochromatic display
Tire pressure monitoring system
Single-zone air conditioning with air filtration system and particulate/pollen filter
Power windows and programmable door locks
Tilt and telescopic adjustable steering column
Cruise control
Steering wheel-mounted Bluetooth ^{®7} cruise and audio system controls
Front bucket seats with manual 6-way seat adjusters
Premium cloth seating surfaces
60/40 split-folding rear seats with centre-folding rear armrest
AM/FM stereo with 6-speaker audio system
Bluetooth ⁷ hands-free phone connectivity
OnStar ³ with 6 months of the Guidance Plan
OnStar Basic Plan ⁴ including limited OnStar RemoteLink Mobile App services.

MALIBU LS Malibu LS enhances L features with:

16-in. aluminum wheels
Rear vision camera
Chevrolet MyLink [®] Radio infotainment system with 178 mm (7 in.) colour touch-screen display
USB port ⁹ and Bluetooth ⁷ wireless audio streaming
Exterior temperature and compass display
OnStar 4G LTE ¹⁰ with Wi-Fi [®] hotspot capability. ¹¹

MALIBU LT Malibu LT enhances LS features with:

17-in. aluminum wheels
LED daytime running lamps
Body-colour antenna
Heated, power exterior mirrors with integrated turn signals, body-colour
Power 8-way driver-seat adjuster with power lumbar adjuster
Interior ambient lighting system
Floor console with rear air vents
SiriusXM Satellite Radio. ^{TM12}

MALIBU PREMIER Malibu Premier enhances LT features with:

250 hp 2.0L 4-cylinder turbocharged engine with Direct Injection and Variable Valve Timing (VVT)
8-speed automatic transmission
19-in. aluminum wheels
LED tail lamps
Chrome door handles
Dual outlet exhaust with polished tips
Remote vehicle starter system
Bright sill plates
Dual-zone automatic climate controls
Auto-dimming interior rear-view mirror
Driver Information Centre with colour display
Leather-wrapped and heated steering wheel with leather-wrapped shift knob
Perforated leather-appointed seating with heated and ventilated front bucket seats
Driver side 2-position memory
Power 6-way front-passenger seat adjuster with power lumbar adjuster
Chevrolet MyLink [®] Radio with Navigation ¹³ and 203 mm (8 in.) colour touch-screen display
9-speaker Bose [®] premium audio system
120-volt AC household power outlet
Two charge-only USB ports ⁹ in rear of centre console
Wireless charging ¹⁴
Trunk mat.

¹ Whichever comes first. Conditions and limitations apply. See dealer for details. ² Limit of four complimentary Lube-Oil-Filter services in total. Fluid top-offs, inspections, tire rotations, wheel alignments and balancing, etc., are not covered. Conditions and limitations apply. See dealer for details. ³ Visit onstar.ca for coverage map, details and system limitations. Services vary by model, conditions and geographical and technical restrictions. OnStar with 4G LTE connectivity is available on select models and in select markets. Customers will be able to access OnStar services only if they accept the OnStar User Terms and Privacy Statement and Software Terms. OnStar acts as a link to existing emergency service providers. Not all vehicles may transmit all crash data. After the trial period (if applicable), an active OnStar service plan is required. ⁴ The OnStar Basic Plan is available for 5 years from the date of delivery of the eligible new 2016 model year vehicle and is transferable to subsequent owners for the remaining term. The Basic Plan includes access to: (1) monthly OnStar Vehicle Diagnostics emails (capabilities vary by model); (2) Dealer Maintenance Notification; and (3) limited OnStar RemoteLink Mobile App services which include remote start (requires factory-installed and enabled remote start system), remote lock/unlock doors (requires automatic locks) and remote horn & lights activation. The OnStar RemoteLink Mobile App is available on select Apple, Android, BlackBerry and Windows devices. Visit onstar.ca for vehicle availability, coverage maps, details and system limitations. The OnStar Basic Plan does not include any Emergency Services, Automatic Crash Response, Stolen Vehicle Assistance, live Advisor service or Hands-Free Calling. These and other services are available under a paid plan. If you sell your vehicle or wish to cancel use of Basic Plan services, you must contact OnStar at 1.888.4ONSTAR (1-888-466-7827). ⁵ Conditions and limitations apply. ⁶ Subject to eligibility.

⁷ Visit chevrolettotalconnect.ca to find out which phones are compatible with the vehicle. ⁸ Chevrolet MyLink functionality varies by model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. ⁹ Not compatible with all devices. ¹⁰ Visit onstar.ca for coverage maps, details and system limitations. Services vary by model, conditions and geographical and technical restrictions. OnStar with 4G LTE connectivity is available on select vehicle models and in select markets. Available Wi-Fi hotspot requires a data plan. ¹¹ Devices must be WPA2 compliant. Wi-Fi devices manufactured prior to 2006 may not be compatible. Please consult your device manufacturer for information regarding the WPA2 security protocol and Wi-Fi device compatibility. Vehicle must be started or in accessory mode to access Wi-Fi. Visit onstar.ca for system details and limitations. ¹² Available in 10 Canadian provinces and the 48 contiguous United States. Subscription sold separately after trial period. If you decide to continue your service at the end of your trial subscription, the plan you choose will automatically renew and bill at then-current rates until you call 1-877-209-0079 to cancel. Other fees and taxes will apply. All fees and programming subject to change. See SiriusXM "Terms & Conditions" and complete details at siriusxm.ca. ¹³ At time of printing, detailed map coverage is available for most major urban areas of the United States and for certain metropolitan areas of Canada (Vancouver, Calgary, Edmonton, Winnipeg, Windsor, London, Toronto, Ottawa, Montreal, Quebec City and Halifax). Coverage is significantly limited outside these areas. ¹⁴ The system wirelessly charges one PMA 1.0, WPG 1.0 and WPC 1.1 (Qi) compatible mobile device. To check for phone or other device compatibility, see chevrolettotalconnect.ca.

¹ Included with available Driver Confidence Package. ² Visit [onstar.ca](#) for coverage maps, details and system limitations. Services vary by model, conditions and geographical and technical restrictions. OnStar with 4G LTE connectivity is available on select models and in select markets. Customers will be able to access OnStar services only if they accept the OnStar User Terms and Privacy Statement and Software Terms. After the trial period (if applicable), an active OnStar service plan is required. ³ The OnStar Basic Plan is available for 5 years from the date of delivery of the eligible new 2016 model year vehicle and is transferable to subsequent owners for the remaining term. The Basic Plan includes access to: (1) monthly OnStar Vehicle Diagnostics emails (capabilities vary by model); (2) Dealer Maintenance Notification; and (3) limited OnStar RemoteLink Mobile App services which include remote start (requires factory-installed and enabled remote start system), remote lock/unlock doors (requires automatic locks) and remote horn & lights activation. The OnStar RemoteLink Mobile App is available on select Apple, Android, BlackBerry and Windows devices. Visit [onstar.ca](#) for vehicle availability, coverage maps, details and system limitations. The OnStar Basic Plan does not include any Emergency Services, Automatic Crash Response, Stolen Vehicle Assistance, live Advisor service or Hands-Free Calling. These and other services are available under a paid plan. If you sell your vehicle or wish to cancel use of Basic Plan services, you must contact OnStar at 1.888.4ONSTAR (1-888-466-7827). ⁴ Before making a lane change, always check the Side Blind Zone Alert display, check the exterior and interior rear-view mirrors, look over your shoulder for vehicles and hazards, and start the turn signal. ⁵ Included with available Convenience and Technology Package. ⁶ Included with available Driver Confidence Package II. ⁷ Included with available True North Edition. ⁸ Requires available Convenience and Technology Package. ⁹ Adaptive Cruise Control is no substitute for the driver's personal responsibility to operate the vehicle in a safe manner. The driver needs to remain attentive to traffic and road conditions and provide the steering, braking or other inputs necessary to retain control of the vehicle. ¹⁰ Included with available power sunroof. ¹¹ Visit [chevrolettotalconnect.ca](#) to find out which phones are compatible with the vehicle. ¹² Included with available Leather and Convenience Package. ¹³ Chevrolet MyLink functionality varies by model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. ¹⁴ Data plan rates apply. ¹⁵ At time of printing, detailed map coverage is available for most major urban areas of the United States and for certain metropolitan areas of Canada (Vancouver, Calgary, Edmonton, Winnipeg, Windsor, London, Toronto, Ottawa, Montreal, Quebec City and Halifax). Coverage is significantly limited outside these areas. ¹⁶ Available in 10 Canadian provinces and the 48 contiguous United States. Subscription sold separately after trial period. If you decide to continue your service at the end of your trial subscription, the plan you choose will automatically renew and bill at then-current rates until you call 1-877-209-0079 to cancel. Other fees and taxes will apply. All fees and programming subject to change. See SiriusXM "Terms & Conditions" and complete details at [siriusxm.ca](#). ¹⁷ Requires available Leather and Convenience Package. ¹⁸ Visit [onstar.ca](#) for coverage maps, details and system limitations. Services vary by model, conditions and geographical and technical restrictions. OnStar with 4G LTE connectivity is available on select vehicle models and in select markets. Available Wi-Fi hotspot requires a data plan. ¹⁹ Devices must be WPA2 compliant. Wi-Fi devices manufactured prior to 2006 may not be compatible. Please consult your device manufacturer for information regarding the WPA2 security protocol and Wi-Fi device compatibility. Vehicle must be started or in accessory mode to access Wi-Fi. Visit [onstar.ca](#) for details and system limitations. ²⁰ Not compatible with all devices. ²¹ The system wirelessly charges one PMA 1.0, WPG 1.0 and WPC 1.1 (Qi) compatible mobile device. To check for phone or other device compatibility, see [chevrolettotalconnect.ca](#). ²² Requires available Driver Confidence Package. [†] All-season tires may not satisfy winter tire requirements in all regions of the country. Tires specifically designed for severe winter conditions and marked with the "winter tire" symbol  may be required during certain months or in certain regions. Contact your Provincial, Municipal or local road authority for information regarding which tires are required in your particular area.
