**THE NEW 2016 EQUINOX:
LOVE EVERYTHING,
SACRIFICE NOTHING.**

The new 2016 Equinox is a perfect combination of style and versatility with the space to meet your demands. The newly redesigned exterior offers a contemporary look that not only catches the eye, but delivers in every way. Inside you'll find the comfort and convenience you require with the latest advanced technology, including an available built-in OnStar 4G LTE¹ Wi-Fi[®] hotspot.² Safety surrounds you with state-of-the-art systems to keep you protected.

So wherever you want to go or whatever you need to get done, you can with Equinox.

¹ Visit onstar.ca for coverage maps, details and system limitations. Services vary by model, conditions and geographical and technical restrictions. OnStar with 4G LTE connectivity is available on select vehicle models and in select markets. Available Wi-Fi hotspot requires a data plan.

² Devices must be WPA2 compliant. Wi-Fi devices manufactured prior to 2006 may not be compatible. Please consult your device manufacturer for information regarding the WPA2 security protocol and Wi-Fi device compatibility. Vehicle must be started or in accessory mode to access Wi-Fi. Visit onstar.ca for system details and limitations.

EXTERIOR DESIGN

THE STYLISH LOOKS PULL YOU IN.
THE VERSATILITY KEEPS YOU
COMING BACK FOR MORE.

EVERYTHING YOU LOVE — EVOLVED.

The refreshed design of the new 2016 Equinox makes this fuel-efficient SUV even more refined. The restyled front end features an alluring chrome-accented dual-port grille, while the new halogen projector-style headlamps and available LED daytime running lamps provide a brilliant touch.

WHAT A VIEW. The rear reveals bright accents for a polished finish. Sculpted tail lamps add illuminating detail, and the rectangular dual tailpipes with the available 301-hp 3.6L V6 engine reinforce an aggressive look. Equinox brings a fresh approach to modern-day practicality.

THE ROAD IS YOUR STAGE. New 18-inch custom-styled aluminum wheels are standard on LTZ models.

THE INTERIOR SPEAKS VOLUMES.

Equinox LTZ interior in
Jet Black/Light Titanium-Colour
with available features.

THE PLACE FOR SPACE. Transform your Equinox into an everyday space solver. The standard Multi-Flex® sliding rear seat allows you to customize your space to fit your needs. Slide it back to add almost 200 mm (8 in.) of rear-seat legroom, slide it forward for more cargo space, or fold it down to create 1804 L (63.7 cu. ft.) of maximum cargo space.¹

The rear seats recline with an easy pull of a handle and offer up to 1013 mm (39.9 in.) of generous rear legroom — that's more space than Honda CR-V, Ford Escape and Toyota RAV4.² Equinox has just the right amount of space to handle whatever life brings.

IMPRESSIVE DETAILS. The premium cloth seats in the LS and LT models provide a superb level of comfort while the available Jet Black/Saddle Up interior colour on LTZ amplifies the design.

POWERED UP. Available heated 8-way power-adjustable front bucket seats include lumbar support and vertical height accommodation so the driver and front passenger can find just the right position.

SETTING NEW STANDARDS. The refreshed interior includes an array of new standard features such as a rear vision camera and a 178 mm (7 in.) diagonal colour touch-screen display.

COME ONE, COME ALL. There's room for you and all you bring. Give every carry-on a designated place with 21 storage areas and eight cupholders. The centre console is even large enough to hold a laptop or purse. Plus, find four convenient 12-volt power outlets throughout for charging tech essentials.

¹ Cargo and load capacity limited by weight and distribution.
² Based on latest available competitive information at the time of printing.

FOLDS. FLEXES. AND FITS.

1. An available programmable power liftgate lets you customize how far it opens to clear overhead obstacles.
2. The 60/40 split-folding rear seat provides additional cargo-carrying flexibility.
3. The Multi-Flex® sliding rear seat slides back to add almost 200 mm (8 in.) of rear-seat legroom, slides forward for more cargo room, or folds down to create 1804 L (63.7 cu. ft.) of cargo space.¹

THE ULTIMATE MULTI-TASKER.

Convenient Multi-Flex 60/40 split-folding seats create flexible cargo-carrying options for things like camping gear, flowers, bags of mulch — you name it. Whatever you ask of it, whether it's weekday errands or weekend road trips, Equinox makes it effortless.

BRING IT ON. With available side rails smartly integrated into the roof, it's easy to add cross bars and dealer-installed accessories. So you can carry everything from bikes to boards to skis.

¹ Cargo and load capacity limited by weight and distribution.

Connected by  4G LTE

¹ Visit onstar.ca for coverage maps, details and system limitations. Services vary by model, conditions and geographical and technical restrictions. OnStar with 4G LTE connectivity is available on select vehicle models and in select markets. Available Wi-Fi hotspot requires a data plan. ² Devices must be WPA2 compliant. Wi-Fi devices manufactured prior to 2006 may not be compatible. Please consult your device manufacturer for information regarding the WPA2 security protocol and Wi-Fi device compatibility. Vehicle must be started or in accessory mode to access Wi-Fi. Visit onstar.ca for system details and limitations.

AVAILABLE INTERNET IN YOUR EQUINOX.

Chevrolet is the first and only car company to offer built-in 4G LTE¹ Wi-Fi[®] to cars, trucks and crossovers, providing the ability to seamlessly connect your smart devices and vehicles to the Internet.²

THE ULTIMATE BUILT-IN WI-FI HOTSPOT.

After initial setup, whenever your vehicle is on, available OnStar 4G LTE¹ Wi-Fi is automatically on too. It offers great signal quality and bandwidth for up to seven devices.²

FAST, EASY, RELIABLE. The strong signal delivers a fast, reliable connection. It's automatically on after initial setup and ready to connect to your mobile devices.²

³ Available on select Apple, Android, BlackBerry and Windows devices. Requires an active OnStar service plan. Services vary by device, vehicle, conditions and the type of service plan you have. Please visit onstar.ca for vehicle availability, system limitations, geographical and technical restrictions and further details.

FULLY CONNECTED AND SEAMLESSLY INTEGRATED.

- ¹ The Driver Information Centre (DIC) displays information about your vehicle, as well as warning messages if a system problem is detected.
- ² Download the OnStar RemoteLink^{®3} and myChevrolet⁴ mobile apps to remotely connect to your Equinox.
- ³ The available Chevrolet MyLink⁵ Radio makes it easy to handle calls, play music and more. Siri Eyes Free⁶ allows compatible iPhone[®] users limited hands-free interaction for times when you want to read or compose a text message, make phone calls or play your favourite music.

⁴ Requires Apple or Android platform. ⁵ Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. ⁶ Requires available Chevrolet MyLink and compatible iPhone running iOS 6 or later.

TECHNOLOGY THAT CAN COVER YOU FROM ANY ANGLE.

FORWARD COLLISION ALERT.

This available feature continually monitors how close your vehicle is to the vehicle in front of you. If the system determines that a front-end collision with a detected vehicle is imminent, it alerts the driver to a potential crash. It also warns the driver if their Equinox is following a detected vehicle much too closely.

LANE DEPARTURE WARNING.

If you unintentionally change lanes without signalling, this available camera-based system sends an alert. The camera, mounted near the interior rear-view mirror, reads traffic lane markings when identifiable and provides audible and visual alerts.

SIDE BLIND ZONE ALERT.¹

New on 2016 models, this available feature uses radar sensors on both sides of the vehicle to “look” for other vehicles in your side mirror blind zones and indicates their presence with LED-lit symbols in the exterior mirrors.

REAR CROSS TRAFFIC ALERT.

Also new for 2016, this available system uses the same radar sensors as the Side Blind Zone Alert¹ to help alert drivers to approaching traffic when backing up. Visual and audible alerts are triggered if moving vehicles are detected.

REAR VISION CAMERA.

Standard on Equinox, the rear vision camera displays a view of the area immediately behind the vehicle on the 178 mm (7 in.) diagonal colour touch-screen – making it easier to see what’s behind you while backing up.

SAFETY STARTS WITH YOU.

Safety features are no substitute for the driver’s responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Read the vehicle Owner’s Manual for more important safety information.

CAPABILITY. IT'S A BEAUTIFUL THING.

Whether you're looking to go farther on a tank of gas or need the power to tow your Jet Skis, Equinox has the engine for you.

AVAILABLE 3.6L V6 ENGINE. Delivering 301 horsepower and 272 lb.-ft. of torque, the 3.6L V6 gives you the power to go from 0-96 km/h (0-60 mph) in 6.7 seconds.¹

TOWS UP TO 1588 KG (3500 LB.)² With the 3.6L V6, available dealer-installed trailer hitch plus standard Trailer Sway Control and Hill Start Assist, a getaway is never too far away. Pull your camper or recreational vehicles with confidence.

2.4L DOHC 4-CYLINDER ENGINE.

Equinox FWD models with this standard engine offer an impressive highway fuel consumption rating of 7.3 L/100 km,³ featuring an Eco mode to maximize efficiency.

6-SPEED AUTOMATIC TRANSMISSION.

The electronically controlled 6-speed transmission (standard on all models) provides exceptional refinement and responsiveness on the road.

¹ AWD models. Based on GM testing. ² Before you buy a vehicle or use it for trailering, carefully review the Trailering section of the Owner's Manual. The weight of passengers, cargo and options or accessories may reduce the amount you can tow. ³ 2016 Equinox FWD fuel consumption estimates based on GM preliminary testing in accordance with Government of Canada approved test methods. Refer to vehicles.nrcan.gc.ca for details. Your actual fuel consumption may vary.

We're with you all the way. Chevrolet Complete Care reflects our commitment to you and your new Equinox. Please visit [chevrolet.ca](#) or see your dealer for full details.

A WORD ABOUT THIS BROCHURE Some of the equipment shown or described throughout this brochure may be available at extra cost. We have tried to make this brochure comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colours, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this brochure and other printed materials provided at the dealership or affixed to vehicles are approximates based upon design and engineering drawings and prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been updated since the time of printing, please check with your Chevrolet dealer for complete details. General Motors of Canada Limited reserves the right to lengthen or shorten the model year for any product, for any reason, or to start and end model years at different times. Certain vehicle features may lose their usefulness over time due to obsolescence from technological changes. Unless otherwise noted, all claims based on the latest available competitive information. Excludes other GM vehicles.

ENGINES Chevrolet products are equipped with engines produced by GM Powertrain or other suppliers to GM worldwide. The engines in Chevrolet products may also be used in other GM makes and models.

ASSEMBLY Chevrolet vehicles and their components are assembled or produced by different operating units of General Motors, its subsidiaries or suppliers to GM worldwide. We sometimes find it necessary to produce Chevrolet vehicles with different or differently sourced components than originally scheduled. Since some options may be unavailable when your vehicle is assembled, we suggest you verify that your vehicle includes the equipment you ordered and that, if there were changes, they are acceptable to you.

FLEET ORDERS Some standard content may be deleted on fleet orders. See dealer for details.

AN IMPORTANT NOTE ABOUT ALTERATIONS AND WARRANTIES Installations or alterations to the original equipment vehicle (or chassis) as distributed by General Motors are not covered by the General Motors New Vehicle Limited Warranty. The special body company, assembler, equipment installer or upfitter is solely responsible for warranties on the body or equipment and any alterations (or any effect of the alterations) to any of the parts, components, systems or assemblies installed by GM. ¹ Included with available Driver Confidence Package II. ² Visit [onstar.ca](#) for coverage maps, details and system limitations. Services vary by model, conditions and geographical and technical restrictions. OnStar with 4G LTE connectivity is available on select models and in select markets. Customers will be able to access OnStar services only if they accept the OnStar User Terms and Privacy Statement and Software Terms. OnStar acts as a link to existing emergency service providers. Not all vehicles may transmit all crash data. After the trial period (if applicable), an active OnStar service plan is required. ³ The OnStar Basic Plan is available for 5 years from the date of delivery of the eligible new 2016 Model Year vehicle and is transferable to subsequent owners for the remaining term. The Basic Plan includes access to: (1) monthly OnStar Vehicle Diagnostics emails (capabilities vary by model); (2) Dealer Maintenance Notification; and (3) limited OnStar RemoteLink Mobile App services which include remote start (requires factory-installed and enabled remote start system), remote lock/unlock doors (requires automatic locks) and remote horn & lights activation. The OnStar RemoteLink Mobile App is available on select Apple, Android, BlackBerry and Windows devices. Visit [onstar.ca](#) for vehicle availability, coverage maps, details and system limitations. The OnStar Basic Plan does not include any Emergency Services, Automatic Crash Response, Stolen Vehicle Assistance, live Advisor service or Hands-Free Calling. These and other services are available under a paid plan. If you sell your vehicle or wish to cancel use of Basic Plan services, you must contact OnStar at 1.888.4ONSTAR (1-888-466-7827). ⁴ Included with available Driver Confidence Package. ⁵ Before making a lane change, always check the Side Blind Zone Alert display, check the exterior and interior rear-view mirrors, look over your shoulder for vehicles and hazards, and start the turn signal. ⁶ Requires available All-Wheel Drive and 8-speaker premium Pioneer audio system. ⁷ Included with available 3.6L V6 engine. ⁸ Included with available LT Convenience Package. ⁹ Included with available True North Edition. ¹⁰ Included with available 18" chrome-clad aluminum wheels.

¹¹ Visit [chevrolettotalconnect.ca](#) to find out which vehicle phones are compatible with the vehicle. ¹² Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. Visit [chevrolettotalconnect.ca](#) for more details. ¹³ Data plan rates apply. ¹⁴ At the time of printing, detailed map coverage is available for most major urban areas of the United States and for certain metropolitan areas of Canada (Vancouver, Calgary, Edmonton, Winnipeg, Windsor, London, Toronto, Ottawa, Montreal, Quebec City and Halifax). Coverage is significantly limited outside these areas. ¹⁵ Available in 10 Canadian provinces and the 48 contiguous United States. Subscription sold separately after trial period. If you decide to continue your service at the end of your trial subscription, the plan you choose will automatically renew and bill at then-current rates until you call 1-877-209-0079 to cancel. Other fees and taxes will apply. All fees and programming subject to change. See SiriusXM "Terms & Conditions" and complete details at [siriusxm.ca](#). ¹⁶ Visit [onstar.ca](#) for coverage maps, details and system limitations. Services vary by model, conditions and geographical and technical restrictions. OnStar with 4G LTE connectivity is available on select vehicle models and in select markets. Available Wi-Fi hotspot requires a data plan. ¹⁷ Devices must be WPA2 compliant. Wi-Fi devices manufactured prior to 2006 may not be compatible. Please consult your device manufacturer for information regarding the WPA2 security protocol and Wi-Fi device compatibility. Vehicle must be started or in accessory mode to access Wi-Fi. Visit [onstar.ca](#) for system details and limitations. ¹⁸ Included with available True North Edition. Required with available 3.6L V6 engine. ¹⁹ Not compatible with all devices. † All-season tires may not satisfy winter tire requirements in all regions of the country. Tires specifically designed for severe winter conditions and marked with the "winter tire" symbol  may be required during certain months or in certain regions. Contact your Provincial, Municipal or local road authority for information regarding which tires are required in your particular area.
