CHEVROLET

Cruze Premier in Kinetic Blue Metallic  
(extra-cost colour) with available  
features including the RS Package.

CENTURY  
AUTO.CA

**ALL-NEW 2016 CRUZE.  
A STEP FORWARD.**

*The bold, all-new 2016 Chevrolet Cruze is designed to help get you as far as your imagination can take you. Cruze offers features like Apple CarPlay™ and Android Auto™ compatibility<sup>1</sup> as well as available OnStar 4G LTE<sup>2</sup> and built-in Wi-Fi® hotspot.<sup>3</sup> So you're always plugged into what and who is important to you.*

*Active safety features make the most of advanced technologies. Offering excellent fuel economy, Cruze works hard to keep you moving with a highway fuel consumption rating of 5.6 L/100 km.<sup>4</sup> So you can keep pace without missing a beat.*

<sup>1</sup> Vehicle user interfaces are products of Apple and Google and their terms and privacy statements apply. Requires compatible smartphone and data plan rates apply. Android Auto is not currently available on 2016 Cruze with optional 203 mm (8 in.) Chevrolet MyLink Radio. <sup>2</sup> Visit onstar.ca for coverage maps, details and system limitations. Services vary by model, conditions and geographical and technical restrictions. OnStar with 4G LTE connectivity is available on select vehicle models and in select markets. Available Wi-Fi hotspot requires a data plan. <sup>3</sup> Devices must be WPA2 compliant. Wi-Fi devices manufactured prior to 2006 may not be compatible. Please consult your device manufacturer for information regarding the WPA2 security protocol and Wi-Fi device compatibility. Vehicle must be started or in accessory mode to access Wi-Fi. Visit onstar.ca for details and system limitations. <sup>4</sup> 2016 Cruze LS and LT equipped with available automatic transmission. 2016 Cruze Premier highway fuel consumption rating is 5.9 L/100 km. Fuel consumption ratings based on GM testing in accordance with Government of Canada approved test methods. Refer to vehicles.nrcan.gc.ca for details. Your actual fuel consumption may vary.

## EXTERIOR DESIGN

**THIS KIND OF CONFIDENCE  
TAKES YOU EVERYWHERE.**

Cruze Premier in Kinetic Blue Metallic (extra-cost colour) with available features including the RS Package.

**AERODYNAMIC LINES.** Expressive exterior styling and a swept roofline give Cruze a fluid, dynamic feel. New proportions provide both aero-efficiency and a sense of motion in the flowing lines.

**ILLUMINATING DESIGN.** Available LED daytime running lamps light the way with bright efficiency and a distinctive appearance. A roof panel-integrated centre high-mounted LED stop lamp adds to the refined look of the vehicle.

**A SENSE OF MOTION.** A prominent chrome grille surround wraps into the headlamps, creating a wider front face and a striking first impression. Body-colour door handles flow into the shoulder line, contributing to the fluid design.

**DISTINCTIVE DETAILS.** Take sporty design to the next level with the available RS Package, which includes front and rear sport fascias, a rear spoiler and fog lamps. Machined-face 18-in. wheels are also included with the RS Package on Premier.

### EXTERIOR DETAILS COMPLETE THE DESIGN STORY.

1. Bold sculpted tail lamps contribute to the sporty rear view.
2. The available RS Package includes design details like the distinctive RS badge on the front grille.
3. Dual-function projector-beam headlamps with signature LED daytime running lamps add refined capability. Standard on LT and Premier.

## UNCOMMON EXTRAS PROVIDE EVERYDAY COMFORT.

The sleek design story continues in an interior created to make every moment of the journey more rewarding. Cruze has been designed for good looks and high function, with an intuitive layout and plenty of room for friends and all of life's other necessities, both big and small.

**FIRST-CLASS DETAILS.** Cruze was crafted with the thought that what covers the seats is as important as how comfortable they are. Premium surfaces abound, from meticulously stitched leather-appointed seats to the Galvano chrome accents, standard on Premier.

**MORE PERSONAL SPACE.** Cruze offers ample front and rear legroom so you can stretch out and enjoy the ride. Improved rear knee clearance allows for ease of entry and exit, which comes in handy on a night out with friends.

**CONTROL YOUR COMFORT.** Cruze turns the most ordinary trip into an occasion. Chase the chill away with available heated front and rear seats for outboard passengers. A heated steering wheel, standard on Premier, is ideal for brisk days.

**UNCOMMON EXTRAS.** The signature dual cockpit interior provides ingenious storage for the important things and available wireless charging<sup>1</sup> on Cruze Premier. There's a slot to tuck away your smartphone in the centre armrest, plus additional storage in the centre console.

Cruze Premier interior in Jet Black with leather-appointed seating and available features.

1 The system wirelessly charges one PMA- or Qi-compatible mobile device. Some devices require an adaptor or back cover. To check for phone or other device compatibility, visit chevrolettotalconnect.ca for details.

**1****2****3****4****LITTLE DETAILS MAKE A BIG IMPACT.**

1. When travelling in reverse at low speeds, the available rear vision camera provides a real-time picture of the area immediately behind your vehicle to let you see if anything is in your way.
2. An available 9-speaker Bose® audio system is tailored to the acoustics of Cruze.
3. Rear outboard heated seats are a welcome amenity on chilly days. Included on Premier with the available Premier Convenience Package.
4. Convenient wireless charging<sup>1</sup> for your cell phone is an available feature.

1 The system wirelessly charges one PMA- or Qi-compatible mobile device. Some devices require an adaptor or back cover. To check for phone or other device compatibility, visit [chevrolettotalconnect.ca](http://chevrolettotalconnect.ca) for details.

**CENTURY  
AUTO.CA**

Cruze Premier interior in Jet Black  
with leather-appointed seating  
and available features.

**EASY ACCESS TO YOUR SMARTPHONE.**  
With available Android Auto™ compatibility,<sup>1</sup> you can interact with select smartphone apps. This system takes some of your Android™ phone's features and puts them on the Chevrolet MyLink<sup>2</sup> display in a smart, simple manner. You can access your phone, text messages and more.

**APPLE CARPLAY™ COMPATIBILITY.**  
With Apple CarPlay,<sup>3</sup> you can simply and smartly connect with some of your most used iPhone® features, including Maps, Music, Messages and Phone, right on your Chevrolet MyLink<sup>2</sup> display. You can even interact with some of your favourite audio apps.

**CHEVROLET MYLINK CONNECTIVITY.**  
The standard 178 mm (7 in.) or available 203 mm (8 in.) Chevrolet MyLink<sup>2</sup> Radio full-colour display lets you stay in tune with your Cruze. Connect your compatible smartphone via Bluetooth® wireless technology<sup>3</sup> and listen to music, get directions or make phone calls.

**LEADING THE WAY.** Chevrolet is the first and only car company to offer built-in 4G LTE<sup>4</sup> Wi-Fi® to cars, trucks and crossovers, providing the ability to seamlessly connect your smart devices and vehicles to the Internet. It offers great signal quality and bandwidth for up to seven devices<sup>5</sup>.

**REMOTELINK.** Download the OnStar RemoteLink<sup>®6</sup> and myChevrolet<sup>7</sup> mobile apps to your smartphone to remotely start your Cruze (requires available factory-installed and enabled remote vehicle starter system), lock and unlock your doors, locate your vehicle and more.

- 1 Enjoy easy access to all of the Chevrolet MyLink<sup>2</sup> Radio features via the colour touch-screen.
- 2 If you have a compatible iPhone, you can use Siri Eyes Free<sup>8</sup> to compose and read text messages, access your calendar, get game scores, check the weather and more – all hands-free.
- 3 Cruze features available Push-Button Start technology.
- 4 A jewelled instrument panel cluster with chrome bezel accent adds style to function.

PERFORMANCE

**ALL THE HUSTLE  
YOU CAN HANDLE.**

Cruze LT in Siren Red Tintcoat  
(extra-cost colour) with  
available features.

**CENTURY  
AUTO.CA**

**1.4L**  
TURBOENGINE

**153**  
HORSEPOWER

**5.6**  
L/100 KM HIGHWAY<sup>1</sup>

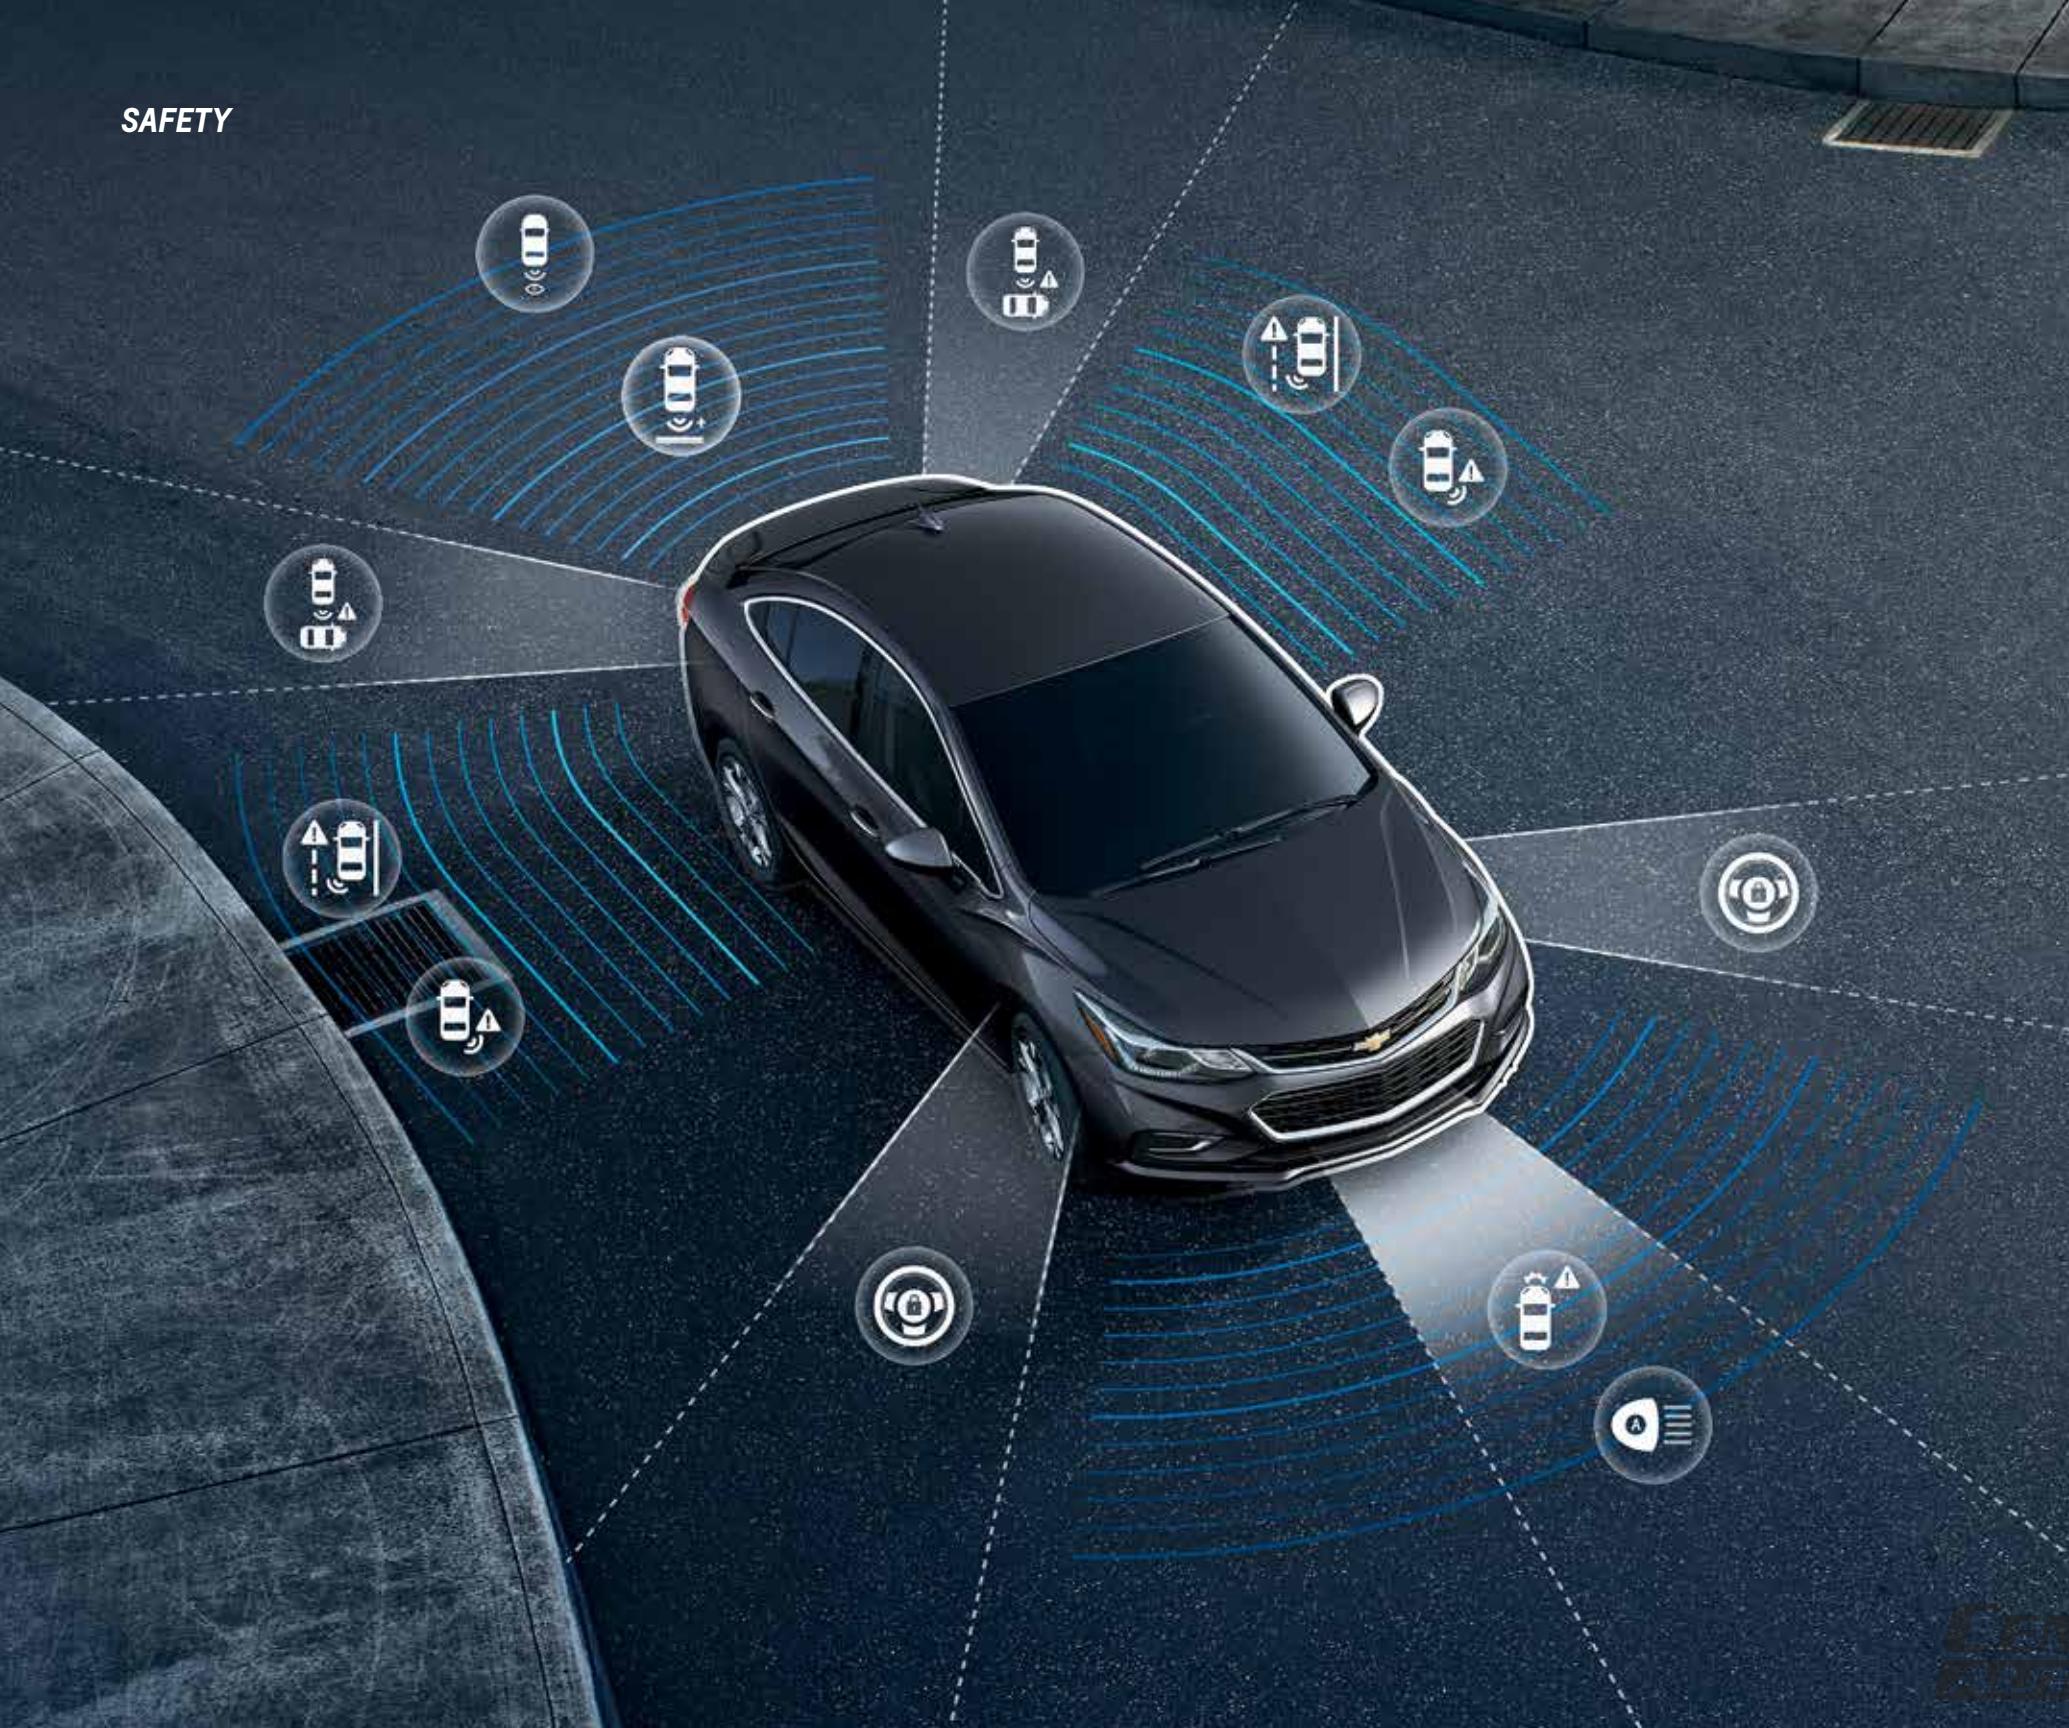

**ALL-NEW 1.4L TURBO ENGINE.** The all-new 1.4L turbocharged engine with the available 6-speed automatic transmission delivers a highway fuel consumption rating of 5.6 L/100 km.<sup>1</sup> Stop/start technology – included with the available 6-speed

automatic – almost imperceptibly shuts off and starts up the engine in certain conditions, helping to save gas and improve efficiency. Cruze offers the combination of technology and efficiency that keeps you going longer between fill-ups.

**SMOOTH IN THE TURN.** Cruze steering, suspension and braking systems are designed to deliver a tight feel that makes it a blast to drive. Advanced chassis systems provide nimble, agile handling and comfort, whatever scenic route you choose to take.

<sup>1</sup>2016 Cruze LS and LT equipped with available automatic transmission. 2016 Cruze Premier highway fuel consumption rating is 5.9 L/100 km. Fuel consumption ratings based on GM testing in accordance with Government of Canada approved test methods. Refer to vehicles.nrcan.gc.ca for details. Your actual fuel consumption may vary.

## SAFETY

CENTURY  
AUTO.CA

**FORWARD COLLISION ALERT WITH FOLLOWING DISTANCE INDICATOR.** This available feature continually monitors how close your vehicle is to the vehicle in front of you. If the system determines that a front-end collision with a detected vehicle is imminent, it alerts the driver to a potential crash. It also warns the driver if their Cruze is following a detected vehicle much too closely.

**LANE KEEP ASSIST.** At speeds above 60 km/h (37 mph), this available camera-based system monitors road lines and will gently turn the steering wheel if the vehicle begins changing lanes without the use of a turn signal.

**SIDE BLIND ZONE ALERT.** This available feature uses radar sensors on both sides of the vehicle to help "look" for other vehicles in your side blind zone areas and indicates their presence with LED-lit symbols in the exterior rear-view mirrors.

**LANE CHANGE ALERT.** Working with available Side Blind Zone Alert, available Lane Change Alert employs radar sensors in the rear quarter panels to help detect and warn the driver of fast-approaching vehicles in the adjacent lane from up to 20 m (65 ft.) away, not just in the side-view mirror blind zones.

**REAR CROSS TRAFFIC ALERT.** Using the same radar sensors as the available Side Blind Zone Alert feature, available Rear Cross Traffic Alert helps warn drivers of approaching traffic when backing up. If an approaching vehicle is detected, the driver is warned with visual and audible alerts.

**REAR VISION CAMERA.** When travelling in reverse at low speeds, the available rear vision camera allows you to see stationary objects behind you.

**REAR PARK ASSIST.** This available feature helps you back up by sounding an audible alert when it detects certain stationary objects up to 2.4 m (8 ft.) behind the vehicle.

**INTELLIBEAM HEADLAMPS.** When oncoming headlamps are sensed or when tail lamps are detected in front of you, the available IntelliBeam™ headlamps intuitively adjust between low and high beams.

**10 STANDARD AIRBAGS!** Every Cruze includes dual-stage frontal and knee airbags for driver and front passenger, head-curtain side-impact airbags for front and rear outboard passengers, and front and rear seat-mounted side airbags.

**SAFETY STARTS WITH YOU.** Safety features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Read the vehicle Owner's Manual for more important safety information.

1 Airbag inflation can cause severe injury or death to anyone too close to the bag when it deploys. Be sure every occupant is properly restrained. A NOTE ON CHILD SAFETY: Always use safety belts and the correct child restraint for your child's age and size, even with airbags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal airbag. See the Owner's Manual and the child safety seat instructions for more safety information.

1

2

3

#### ADVANCED SAFETY TECHNOLOGIES BRING CONFIDENCE TO EVERY RIDE.

1. Front and rear "crush zones" are designed to compress in a controlled manner, helping absorb and channel energy away from the cabin!

---
2. Cruze is engineered with available advanced safety technologies like Side Blind Zone Alert,<sup>2</sup> which flashes a visual alert in your mirror to warn you of a threat.

---
3. In a crash, built-in sensors can alert a specially trained OnStar Advisor, who is connected to your Cruze to see if you need help – even if you can't ask for it. Advisors can use GPS technology to pinpoint your location and request emergency help. OnStar Automatic Crash Response<sup>3</sup> is standard for 6 months.

1 Airbag inflation can cause severe injury or death to anyone too close to the bag when it deploys. Be sure every occupant is properly restrained. A NOTE ON CHILD SAFETY: Always use safety belts and the correct child restraint for your child's age and size, even with airbags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal airbag. See the Owner's Manual and the child safety seat instructions for more safety information. 2 Before making a lane change, always check the Side Blind Zone Alert display, check the exterior and interior rear-view mirrors, look over your shoulder for vehicles and hazards and start the turn signal. 3 Visit onstar.ca for vehicle availability, details and system limitations. OnStar acts as a link to existing emergency service providers. Not all vehicles can transmit all crash data.

## COMPLETE CARE

We're with you all the way. Chevrolet Complete Care reflects our commitment to you and your new Cruze. Please visit [chevrolet.ca](http://chevrolet.ca) or see your dealer for full details.

### YOUR COMPREHENSIVE OWNER BENEFIT PROGRAM.

<sup>1</sup> Included with available Premier True North Edition. <sup>2</sup> Visit [onstar.ca](http://onstar.ca) for coverage map, details and system limitations. Services vary by model, conditions and geographical and technical restrictions. OnStar with 4G LTE connectivity is available on select models and in select markets. Customers will be able to access OnStar services only if they accept the OnStar User Terms and Privacy Statement and Software Terms. OnStar acts as a link to existing emergency service providers. Not all vehicles may transmit all crash data. After the trial period (if applicable), an active OnStar service plan is required. <sup>3</sup> The OnStar Basic Plan is available for 5 years from the date of delivery of the eligible new 2016 model year vehicle and is transferable to subsequent owners for the remaining term. The Basic Plan includes access to: (1) monthly OnStar Vehicle Diagnostics emails (capabilities vary by model); (2) Dealer Maintenance Notification; and (3) limited OnStar RemoteLink Mobile App services which include remote start (requires factory-installed and enabled remote start system), remote lock/unlock doors (requires automatic locks) and remote horn & lights activation. The OnStar RemoteLink Mobile App is available on select Apple, Android, BlackBerry and Windows devices. Visit [onstar.ca](http://onstar.ca) for vehicle availability, coverage maps, details and system limitations. The OnStar Basic Plan does not include any Emergency Services, Automatic Crash Response, Stolen Vehicle Advisor, live Advisor service or Hands-Free Calling. These and other services are available under a paid plan. If you sell your vehicle or wish to cancel use of Basic Plan services, you must contact OnStar at 1.888.40NSTAR (1-888-466-7827). <sup>4</sup> Included with available LT True North Edition. <sup>5</sup> Before making a lane change, always check the Side Blind Zone Alert display, check the exterior and interior rear-view mirrors, look over your shoulder for vehicles and hazards and start the turn signal. <sup>6</sup> Included with PEG 1SB. <sup>7</sup> Included with PEG 1SD. <sup>8</sup> Included with available LT Convenience Package. Requires available PEG 1SD, LT Technology and Convenience Package or LT True North Edition. <sup>9</sup> Included with available RS Package. <sup>10</sup> Included with available LT Technology and Convenience Package or LT True North Edition. Includes remote vehicle starter system with PEG 1SD. <sup>11</sup> Included with available Premier Technology and Convenience Package or Premier True North Edition. <sup>12</sup> Visit [chevrolettotalconnect.ca](http://chevrolettotalconnect.ca) to find out which phones are compatible with the vehicle. <sup>14</sup> Chevrolet MyLink functionality varies by model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. <sup>15</sup> Vehicle user interfaces are products of Apple and Google and their terms and privacy statements apply. Requires compatible smartphone and data plan rates apply. Android Auto is not currently available with the optional 203 mm (8 in.) Chevrolet MyLink Radio. <sup>16</sup> At time of printing, detailed map coverage is available for most major urban areas of the United States and for certain metropolitan areas of Canada (Vancouver, Calgary, Edmonton, Winnipeg, Windsor, London, Toronto, Ottawa, Montreal, Quebec City and Halifax). Coverage is significantly limited outside these areas. <sup>17</sup> Visit [onstar.ca](http://onstar.ca) for coverage maps, details and system limitations. Services vary by model, conditions and geographical and technical restrictions. OnStar with 4G LTE connectivity is available on select vehicle models and in select markets. Available Wi-Fi hotspot requires a data plan. <sup>18</sup> Devices must be WPA2 compliant. Wi-Fi devices manufactured prior to 2006 may not be compatible. Please consult your device manufacturer for information regarding the WPA2 security protocol and Wi-Fi device compatibility. Vehicle must be started or in accessory mode to access Wi-Fi. Visit [onstar.ca](http://onstar.ca) for details and system limitations. <sup>19</sup> Available in 10 Canadian provinces and the 48 contiguous United States. Subscription sold separately after trial period. If you decide to continue your service at the end of your trial subscription, the plan you choose will automatically renew and bill at then-current rates until you call 1-877-209-0079 to cancel. Other fees and taxes will apply. All fees and programming subject to change. See SiriusXM "Terms & Conditions" and complete details at [siriusxm.ca](http://siriusxm.ca). <sup>20</sup> Not compatible with all devices. <sup>21</sup> The system wirelessly charges one PMA 1.0, WPG 1.0 and WPC 1.1 (Qi) compatible mobile device. Some devices require an adaptor or back cover. To check for phone or other device compatibility, visit [chevrolettotalconnect.ca](http://chevrolettotalconnect.ca). <sup>22</sup> Includes 18" x 7" machined-face aluminum wheels with P225/40R18 all-season<sup>6</sup> tires. <sup>†</sup> All-season tires may not satisfy winter tire requirements in all regions of the country. Tires specifically designed for severe winter conditions and marked with the "winter tire" symbol  may be required during certain months or in certain regions. Contact your Provincial, Municipal or local road authority for information regarding which tires are required in your particular area.
