ORLANDO

Image for illustration purposes only. Final specifications may vary.

MAGNIFICENT DESIGN

① Streamlined wraparound taillights

LED taillights that wrap around the rear quarters perfectly to reflect Orlando's modern outlook.

② Prominent front grille

A chrome surround dual port grille that stands out with contemporary appeal.

③ Beautifully solid wheels

A strong set of 16" alloy rims ensure a drive that's smooth and confident.

① **Flexible and spacious interior**

Switch between priorities for your passengers or cargo with foldable seats. With ample legroom and headroom, Orlando is adaptable to the passengers' needs. Get creative and rearrange a versatile interior to optimize space and comfort.

② **Easy access**

Wide-opening rear doors for easy access to the second and third rows. Great for when you need to transport larger items or load-up for the family getaway. It's the perfect 7-seater family vehicle.

① Versatile audio system and Bluetooth connectivity

Tune in to your favorite hits through a CD player with MP3 playback and auxiliary audio input jack. Stay in touch with your friends and family wherever you are with Bluetooth connectivity to your mobile.

② Practical storage compartments

Storage compartments for small items are within reach and easily accessible.

③ Multi-function steering wheel

Key audio and MP3 controls are at your fingertips, conveniently located on the steering wheel. With cruise control also close by on the steering wheel, driving Orlando is a breeze.

BUILT FOR SAFETY

1.8L ECOTEC DOHC DCVCP engine

Step in for a dynamic drive with a 4-cylinder engine that delivers responsive acceleration in different driving conditions.

6-speed automatic transmission

Shift gears smoothly and effortlessly with Shiftronic transmission.

Anti-lock Braking System (ABS) and Electronic Brake Force Distribution (EBD)

Orlando's ABS prevents wheel lockup and assists in retaining control during hard braking while EBD optimizes stopping power for you to maintain vehicular control.

Electronic Stability Control System (ESC) and Traction Control System (TCS)

Regain control quickly and avert slides with stability control features that automatically apply corrective braking to appropriate wheels.

COLORS

Switchblade Silver (metallic)

Gun Smoke Grey (metallic)

Carbon Flash Black (metallic)

Satin Steel Grey (metallic)

Deep Espresso Brown (metallic)
