Spark 2LT in Lime.

**HAVE A CAR IN THE CITY –  
AND LOVE IT.**

*If you're looking for downtown style and uptown smarts, Spark is the perfect fit. Turn heads as you take on narrow streets. Slide easily into spots where most would fear to parallel. Stay connected like never before with the latest tech-savvy features. And with a surprising amount of room inside, you'll never have to leave your friends behind. Big city – you've met your match.*

## EXTERIOR DESIGN

**“SIMPLY PUT, THE SPARK IS FANTASTIC WHEN COMPARED TO ITS MAIN COMPETITORS FROM SMART, SCION AND FIAT.”**

— **AUTOGUIDE.COM**

Spark 2LT in Lemonade, Lime and Salsa.  
Spark 1LT in Grape Ice and Spark 2LT in  
Black Granite (extra-cost colour).

**PAINT THE TOWN.** The city is your canvas and Spark is your colour wheel. Choose from eight shades that pop off the pavement and roll off the tongue, including Lemonade, Lime, Salsa, Denim and Grape Ice.

**SPARK PACKS A PUNCH.** Free-flowing lines and an athletic stance invite you to step out of the crowd and into a Spark. With five doors you'll find room to fit four. And that rear hatch makes loading bikes, groceries and those big-ticket items a cinch.

**URBAN ROLL CALL.** Spin around town in LS and 1LT on standard 15-in. split 5-spoke Silver-painted aluminum wheels or 2LT, which features standard 15-in. machined-face aluminum wheels with dark grey-painted pockets. It's your call.

**GET UP AND GO.** The city is your playground whether you choose the punchy 5-speed manual or opt for the smooth-shifting Continuously Variable Transmission (CVT). Either way, the ECOTEC® 1.2L dual overhead cam I-4 engine with Variable Valve Timing gives you power to make your moves.

And with a 6.0 L/100 km highway fuel consumption rating<sup>1</sup>, you'll never have reason to call it a day. But when you do, even parking is a joy — Spark boasts a tighter turning radius than MINI Cooper.<sup>2</sup>

**STAY THE COURSE.** City life has its share of ups and downs. Hill Start Assist helps you manage by keeping the brakes engaged for the split second it takes to lift your foot off the brake pedal and hit the gas. The stiff body frame integral structure delivers an athletic drive through any twist and turn of the road.

<sup>1</sup> 2015 Chevrolet Spark with 5-speed manual transmission. Fuel consumption estimates based on GM preliminary testing in accordance with new 2015 Model Year Government of Canada approved test methods. Refer to [vehicles.nrcan.gc.ca](http://vehicles.nrcan.gc.ca) for details. Your actual fuel consumption may vary. <sup>2</sup> Based on the latest competitive information available at time of printing.

**PURE MOOD.** Set the tone with available blue ambient lighting and dial up your favourite soundtrack to the beat of the city.

**SPACE IS THE PLACE.** Make room for whatever you have in mind with the standard 60/40-split flip-and-fold rear seats for 883 L (31.2 cu. ft.) of cargo area.<sup>1</sup> Either way, you get more space than you'll find in FIAT 500, smart fortwo and Scion iQ.<sup>2</sup>

three co-pilots to enjoy a wrinkle-free night out. Or you can fold down the rear seats for 883 L (31.2 cu. ft.) of cargo area.<sup>1</sup> Either way, you get more space than you'll find in FIAT 500, smart fortwo and Scion iQ.<sup>2</sup>

**SAFETY TECHNOLOGY  
IS ALL AROUND YOU.**

<sup>3</sup> For more information, visit [iihs.org/ratings](http://iihs.org/ratings). <sup>4</sup> Always use safety belts and the correct restraint for your child's age and size. See the Owner's Manual and the child safety seat instructions for more safety information. <sup>5</sup> OnStar acts as a link to existing emergency service providers. Not all vehicles can transmit all crash data.

**SAFETY: CHECK.** Spark was named a 2014 Top Safety Pick by the U.S. Insurance Institute for Highway Safety (IIHS).<sup>3</sup> An ingenious combination of safety technology such as StabiliTrak®
