FIND *NEW* ROADS™

WHY JUST GO FROM A TO B

WHEN IMAGINATION CAN TAKE YOU EVERYWHERE

The road. A simple path, really. And yet it's come to mean so much more. Perhaps the real reason roads are special is that every road leads us to someplace we're not — but could be. At Chevrolet, roads are our springboards. They challenge us, taunt us and guide us to create better, more exciting, more ingenious ways to move through life. Roads drive us to places we've never been before. And we'll never stop seeking out new ones.

TRAX

CITY ADVENTURER

When navigating the city, you need a right-sized ride. This agile 5-passenger crossover is a natural fit for narrow streets and downtown parking spaces. A 138-horsepower ECOTEC® 1.4L turbocharged engine puts a priority on efficiency with a highway fuel consumption rating of just 5.7 L/100 km – unsurpassed in its class.¹ You'll go confidently with a choice of either front-wheel drive or available all-wheel drive. Inside, premium appointments

catch the eye and the available Chevrolet MyLink™² system offers hands-free calling and instant access to the world of music. Wherever you're headed, you've got the room for four friends and all your gear. Ready to get adventurous? Then get a Trax.

RIGHT SIZE, RIGHT LOOK, RIGHT FEEL Trax is the smart SUV that's small and nimble enough to navigate the urban landscape, yet large

enough to seat up to five in comfort. The confident handling is the product of a wide stance and a series of standard driver control technologies that include StabiliTrak®, 4-wheel ABS with Panic Brake Assist and Hill Start Assist, plus traction control. And with an available on-demand All-Wheel-Drive (AWD) system, your urban explorations can handle it all – in the 2014 Trax.

¹ 2014 Chevrolet Trax front-wheel drive (FWD) with 6-speed manual transmission, fuel consumption ratings based on GM testing in accordance with approved Transport Canada test methods. Competitive fuel consumption ratings based on Natural Resources Canada's 2013 Fuel Consumption Guide and latest competitive information available at the time of printing for 2013 Polk Compact SUV segmentation. Your actual fuel consumption may vary.
² MyLink functionality varies by model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. MyLink on Trax does not include functionality such as enhanced voice recognition, Gracenote and CD player. Visit MyLink.Chevrolet.ca for more details.

INSTANT READOUTS The Trax gauge cluster combines digital readouts with analogue displays. Ice-blue ambient lighting sets the mood.

SCREEN PLAY Available Chevrolet MyLink¹ is connected to an integrated 178 mm (7-in.) diagonal colour touch-screen, providing access to your smartphone's playlists, photo galleries, phone book and other stored media.

SEAT OF POWER Find exactly the right driving position with a power driver seat (standard on 2LT and LTZ). A tilt and telescopic steering wheel is standard on all models.

MEGA STORAGE From sunglasses to smartphones, you've got places for everything in Trax. There's a bin at the top of the centre stack, a covered storage area in the instrument panel, an oversized glovebox, dual-level door storage plus six cupholders for front and rear-seat passengers.

Instant readouts.

Available power 6-way driver seat.

Standard driver inside armrest.

Front passenger under-seat storage tray.

¹ MyLink functionality varies by model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. MyLink on Trax does not include functionality such as enhanced voice recognition, Gracenote and CD player. Visit MyLink.Chevrolet.ca for more details.

IT'S ONLY BIG ON THE INSIDE

Wherever you're going or whatever you're doing, Trax is the perfect complement to your urban lifestyle. Got friends or family in town for the weekend? Trax has room for five people or up to 1371 L (48.4 cu. ft.)¹ of cargo with the rear seats folded down. And you can upsize even the interior cargo space with a front passenger seatback that folds forward to form a flat working space or to carry long items.

CARRY-ONS WELCOME With flip-and-fold rear seats that provide a level load floor, Trax has room for bicycles and other fun things you might want to bring along. Cargo space is impressive with the added versatility of standard 60/40 split-folding rear seats.

BELOW-FLOOR STORAGE Stash valuables out of sight with the convenient and hidden underfloor storage in the cargo area.

Trax LTZ in Silver Ice Metallic with available features.

¹ Cargo and load capacity limited by weight and distribution. Always secure all cargo. See Owner's Manual for details.

THE STREET-SMART SUV

TURBOCHARGED PERFORMANCE

Trax has the power to merge with a standard 138-horsepower ECOTEC 1.4L turbocharged 4-cylinder engine. Featuring the advanced technology of Variable Valve Timing, Trax achieves a highway fuel consumption rating of just 5.7 L/100 km — unsurpassed by any compact crossover in its class!

A CHOICE OF 6-SPEED TRANSMISSIONS

A smooth-shifting electronically controlled 6-speed automatic transmission is standard on LT and LTZ models. Feel like shifting gears? The Driver Shift Control feature allows you to control the gear shift points. Or if you prefer the more visceral feel of shifting gears manually, Trax LS features a slick-shifting 6-speed manual transmission.²

SPORT-TUNED SUSPENSION With an ultra-stiff body structure, wide stance and sport-tuned suspension, Trax has the confident, fun-to-drive attitude you'd expect from a vehicle that was tuned and calibrated in Europe, Asia and North America.

FWD OR AWD — IT'S YOUR OPTION Front-wheel drive (FWD) with electronic traction control is standard. For even more surefooted traction, the available all-wheel drive (AWD) system engages automatically when accelerating from a standing start. This system automatically shifts to FWD mode at speeds above 5 km/h (3 mph) when the system detects there is no wheel slip, maximizing efficiency.

Trax LTZ in Sonoma Jewel Metallic with available features.

¹ 2014 Chevrolet Trax front-wheel drive (FWD) with 6-speed manual transmission, fuel consumption ratings based on GM testing in accordance with approved Transport Canada test methods. Competitive fuel consumption ratings based on Natural Resources Canada's 2013 Fuel Consumption Guide and latest competitive information available at time of printing for 2013 Polk Compact SUV segmentation. Your actual fuel consumption may vary. ² 6-speed automatic transmission is available.

MYLINK KEEPS THE FUN GOING

CHEVROLET MYLINK MAKES IT EASY TO BRING THE CONVENIENCE OF YOUR SMARTPHONE WITH YOU.

Available Chevrolet MyLink¹ uses Bluetooth[®] audio streaming to pull content from your compatible smartphone and displays it onto a colourful 178 mm (7-in.) diagonal touch-screen. Enjoy hands-free calling using voice commands to make and receive calls. Trax is also the first vehicle in its class to integrate Apple Siri. Through Chevrolet MyLink, Siri offers an Eyes Free mode that lets you interact with your iPhone[®] using voice commands. You also get TuneIn², a smartphone app that lets you stream over 70,000 radio stations from around the world. And BringGo³, a navigation

app that enables Trax owners to use this app through Chevrolet MyLink. Plus, it's easy to connect your music player of choice to the standard USB port⁴ in the centre console.

THE POWER OF BOSE Trax lets you choose from three available sound systems. The 7-speaker Bose[®] sound system, our ultimate audio system, is tailored to the acoustics of Trax. It's standard on 2LT and LTZ and available on 1LT.

ROCK FROM COAST TO COAST With a compatible smartphone and available Chevrolet MyLink,

you can stream music from Stitcher SmartRadio^{®2} anytime, anywhere. Or enjoy 120 channels of commercial-free music, sports, comedy, weather and more with a 3-month trial plan to SiriusXM Satellite Radio.⁵

REAR VISION CAMERA Now it's easier to back up into a tight parking space. The rear vision camera system, standard on 2LT and LTZ models, uses the touch-screen display to help you see stationary objects behind your Trax when travelling in reverse at low speeds.

SiriusXM Satellite Radio⁵

Rear vision camera.

¹ MyLink functionality varies by model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. MyLink on Trax does not include functionality such as enhanced voice recognition, Gracenote and CD player. Visit MyLink.Chevrolet.ca for more details. ² Data plan rates apply. ³ BringGo app must be purchased separately. Requires compatible smartphone. Data plan rates apply. See dealer for more information. ⁴ Not compatible with all devices. ⁵ Available in 10 Canadian provinces and the 48 contiguous United States. Subscription sold separately after trial period. Visit siriusxm.ca for details.

AUTO.CA

INNOVATIVE SAFETY TECHNOLOGY

IT SURROUNDS YOU.

Trax LTZ in Silver Ice Metallic
with available features¹

Trax is designed to exceed Canadian and international standards with a comprehensive safety package that is unprecedented in this class. The use of new high-strength steel enhances the safety cage surrounding the passenger compartment. Other standard features include StabiliTrak Electronic Stability Control System, traction control and electronic theft-deterrent systems. Every Trax comes with the added peace of mind of OnStar^{®2} standard with six months of the Directions & Connections Plan with Turn-by-Turn Navigation and OnStar RemoteLink^{®3}.

CENTURY
AUTO.CA

ONSTAR WITH AUTOMATIC CRASH RESPONSE

The safety of OnStar is standard for six months and includes Automatic Crash Response². In many crashes, built-in sensors automatically alert an OnStar Advisor, who is immediately connected to your Trax to see if you need help. Even if you cannot respond, an OnStar Advisor can use GPS technology to pinpoint your location and request help be sent right away.

HILL START ASSIST When you're driving on hilly terrain, Hill Start Assist holds your Trax stationary for up to two seconds after the brake is released, giving you time to accelerate before the vehicle rolls backward.

¹ Always use safety belts and the correct restraint for your child's age and size. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with a passenger airbag. See the Owner's Manual and the child safety seat instructions for more safety information. ² Visit onstar.ca for coverage map, details and system limitations. Services vary by model and conditions. OnStar acts as a link to existing emergency service providers. Not all vehicles may transmit all crash data. After the complimentary trial period, an active OnStar service plan is required. ³ Available on select Apple, Android, BlackBerry and Windows devices. Services vary by device, vehicle and conditions. Requires active OnStar service plan.

SELECT VEHICLE FEATURES

TRAX LS
Trax LS includes these standard features:
138 hp ECOTEC 1.4L turbocharged 4-cylinder engine with Variable Valve Timing (VVT)
Oil life monitoring system
6-speed manual transmission with shift indicator
4-wheel Anti-lock Braking System (ABS), Panic Brake Assist and Hill Start Assist
StabiliTrak Electronic Stability Control System
Traction control
MacPherson strut independent front suspension and compound crank rear suspension
16-in. steel wheels with wheel covers
Battery run-down protection system
Power exterior mirrors with spotter mirror
Remote keyless entry system
6 airbags
Driver Information Centre with compass
Power windows and programmable door locks
Tilt and telescopic adjustable steering column
Steering wheel-mounted Bluetooth® and audio system controls
Front bucket seats
Manual 4-way driver-seat adjuster and power lumbar adjuster
Fold-flat front passenger seatback
Cloth seating surfaces
60/40 split-folding rear seats
4-speaker audio system with AM/FM stereo and auxiliary audio input jack
USB port¹
Bluetooth hands-free phone connectivity
OnStar with 6 months of the Directions & Connections Plan featuring Turn-by-Turn Navigation² and OnStar RemoteLink³

TRAX 1LT
Trax 1LT enhances LS features with:
6-speed automatic transmission with Driver Shift Control
4-wheel disc brakes (All-Wheel-Drive model only)
16-in. aluminum wheels
Front and rear silver-painted fascia accents
Heated, power exterior mirrors with spotter mirror
Deep-tinted glass behind front doors

TRAX 1LT (CONTINUED)
Silver-painted roof rails
Content theft alarm
Air conditioning with air filtration system
Cruise control
Leather-wrapped steering wheel with Bluetooth, cruise and audio system controls
Deluxe cloth seating surfaces
Front passenger under-seat storage tray
Cargo mat
110-volt AC 3-prong household-style power outlet in rear of front centre console
Bluetooth wireless audio streaming
Enhanced 6-speaker audio system with CD player and MP3 playback.

TRAX 2LT
Trax 2LT enhances 1LT features with:
Rear vision camera
Rear park assist
Remote vehicle starter system

- The GM Customer Care Centre at 1-800-GM-DRIVE (1-800-463-7483 or 1-800-263-3830 for TDD users).

A WORD ABOUT THIS BROCHURE

Some of the equipment shown or described throughout this brochure may be available at extra cost. We have tried to make this brochure comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colours, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this brochure and other printed materials provided at the dealership or affixed to vehicles are approximates based upon design and engineering drawings and prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been adapted since the time of the printing, please check with your Chevrolet dealer for complete details. General Motors of Canada Limited reserves the right to lengthen or shorten the model year for any product, for any reason, or to start and end model years at different times.

A WORD ABOUT ASSEMBLY

Chevrolet vehicles are equipped with engines and components produced and assembled by different operating units of General Motors, its subsidiaries and suppliers, and these engines and components may change or be obtained from different sources from time to time. All such engines and components are approved for use in Chevrolet vehicles. Certain equipment ordered may be unavailable at the time of assembly and we suggest that you verify that your vehicle includes the equipment you ordered, or if there are changes, that they are acceptable to you.
