2012 and 2013 Sonic  
“Highest Ranked Vehicle Appeal among  
Sub-Compact Cars in the U.S.”<sup>1</sup>  
—J.D. Power

# SONIC/

**A CAR FOR FIRSTS** Chevrolet Sonic is the first and only car in its class to receive a 5-Star Overall Vehicle Score for Safety from NHTSA<sup>2</sup>. With its available turbocharged engine, Sonic has a highway fuel consumption rating of only 5.1 L/100 km.<sup>3</sup> And for the second year in a row, Sonic was recognized by the J.D. Power APEAL Study as the “Highest Ranked Vehicle Appeal among Sub-Compact Cars in the U.S.”<sup>1</sup> Sonic invites everyone to experience life with three words: Let’s do this!

CENTURY  
AUTO.CA

#### Sonic RS Hatchback in Red Hot.

<sup>1</sup> The Chevrolet Sonic received the highest numerical score among sub-compact cars in the proprietary J.D. Power 2012–2013 Automotive Performance, Execution and Layout Studies. 2013 study based on 83,442 total responses from new-vehicle owners of 230 models and measures opinions after 90 days of ownership. Proprietary study results are based on experiences and perceptions of owners surveyed in February–May 2013. Your experiences may vary. Visit [jdpower.com](http://jdpower.com). <sup>2</sup> Applies only to models equipped with the available Peace of Mind Package. Standard on LTZ and RS; available on LS and LT models. Based on [WardsAuto.com](http://WardsAuto.com) 2013 Lower Small segment. U.S. Government 5-Star Safety Ratings are part of the National Highway Traffic Safety Administration's (NHTSA's) New Car Assessment Program ([www.SaferCar.gov](http://www.SaferCar.gov)). <sup>3</sup> Sonic with available 1.4L turbocharged engine and 6-speed manual transmission. Fuel consumption ratings based on GM testing in accordance with approved Transport Canada test methods. Your actual fuel consumption may vary.

# ADVENTURE SEEKERS

THE SOPHISTICATED SEDAN OR THE ATHLETIC HATCH? YOU DECIDE.

Call this your classic win-win situation. There's a Sonic to fit your personality, but which one? Choose the Sonic for you and let the adventures begin.

CENTURY

Metallic and Sonic LTZ Hatchback in  
Silver Ice Metallic.

RS aluminum sport pedals.

RS sport shift knob.

RS-specific instrumentation.

<sup>1</sup> Visit [onstar.ca](http://onstar.ca) for coverage map, details and system limitations. Services vary by model and conditions. After the complimentary trial period, an active OnStar service plan is required. <sup>2</sup> MyLink functionality varies by model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. MyLink on Sonic does not include functionality such as enhanced voice recognition, Gracenote and CD player. Visit [MyLink.Chevrolet.ca](http://MyLink.Chevrolet.ca) for more details.

# AMPED UP FROM THE INSIDE OUT

CENTURY  
AUTO.CA

## GET INSIDE AND YOU'LL KNOW WHY

The dual-cockpit interior and motorcycle-inspired instrument cluster with Graphite Silver accents get your blood pumping even before you turn the key. Sonic is a driver's car, so grab onto its 3-spoke steering wheel designed for optimal grip and hold on tight.

## COMFORT WITH AN EDGE

Yeah, Sonic has an urban edge. But it's made for comfort too. The seats were designed for you and your friends to kick back and enjoy the ride. That's easy to do with the perforated leatherette seats in LTZ or the leather-appointed seats with sueded microfibre inserts in RS.

Both models include heated seats for the driver and front passenger. And Sonic makes getting around town a breeze with OnStar® Turn-by-Turn Navigation,<sup>1</sup> included for the first six months. Just press the blue button and ask the OnStar Advisor for directions to where you want to go.

Sonic RS interior in Jet Black with leather-appointed seats and sueded microfibre inserts shown with standard Chevrolet MyLink<sup>2</sup> Radio and rear vision camera and available Advanced Safety Package.

# GO AHEAD AND LOAD IT UP

MORE SPACE AND MORE WAYS TO USE IT.

**DON'T HOLD BACK** Sonic Sedan offers up to 422 litres (14.9 cubic feet) of trunk space,<sup>1</sup> which is more room than you'll find in Honda Civic and Toyota Corolla. Sonic Hatchback offers ample cargo space and many ways to get it. Seating for five with up to 539 litres (19 cubic feet) of cargo space<sup>1</sup> will carry your friends and everything you need. With its

60/40 split-folding rear seat and up to 1351 litres (47.7 cubic feet) of cargo space<sup>1</sup> with the rear seats folded down, you'll be able to find a configuration that's just right, whether you're heading to the beach or grabbing groceries after work.

**A PLACE FOR EVERYTHING** Sonic even gives you unique storage solutions for everything you want to keep within reach, including upper and lower gloveboxes. Bringing a water bottle with you? There are holders incorporated right into the front doors. And in the Hatchback you'll find convenient hidden storage compartments. So whatever you're loading up, Sonic is versatile enough to bring everything you need in style.

Left: Sonic Sedan in Crystal Red Tintcoat (extra-cost colour). Above: Sonic Hatchback in Black Granite Metallic (extra-cost colour) with Jet Black/Dark Titanium interior.

<sup>1</sup> Cargo and load capacity limited by weight and distribution. Always secure all cargo. See Owner's Manual for details.

# EFFICIENCY EMPOWERED

WITH AVAILABLE TURBOCHARGED ENGINE.  
0-96 KM/H (0-60 MPH) IN UNDER 8 SECONDS<sup>1</sup>

**CENTURY**  
**AUTO.CA**

**SONIC BRINGS IT ALL** It may be a blast to drive but underneath the hood, Sonic is not kidding around. An ECOTEC® 1.8L engine with 138 horsepower comes standard on LS and LT. For LTZ and RS, the ECOTEC 1.4L turbocharged 4-cylinder with Variable Valve Timing is standard, giving you 138 horsepower and 148 lb.-ft. of torque. You want fast? You got it. On the test track, the turbocharged Sonic

blurs from 0-96 km/h (0-60 mph) in less than 8 seconds<sup>1</sup> And that's not all. Sonic LTZ offers a highway fuel consumption rating of 5.1 L/100 km<sup>2</sup> How many cars do all this? With this unique combination of power and efficiency, it should come as no surprise that *Consumers Digest* recognized the 2013 Sonic as a "Best Buy" for Subcompact Cars.

Far Left: Sonic LTZ Hatchback in Silver Ice Metallic. Left: Sonic LTZ Sedan in Crystal Red Tintcoat (extra-cost colour).

<sup>1</sup> Achieved on a test track with turbocharged engine and 6-speed manual transmission. <sup>2</sup> Sonic with available 1.4L turbocharged engine and 6-speed manual transmission. Fuel consumption ratings based on GM testing in accordance with approved Transport Canada test methods. Your actual fuel consumption may vary.

# DIGITAL COMMAND CENTRE

**CHEVROLET MYLINK** The available Chevrolet MyLink<sup>1</sup> Radio starts with a 178 mm (7-in.) diagonal full-colour display that lets you stay in touch in style. A touch-screen menu connects you to everything you need and, when the vehicle is in Park, allows you to project video and even photos onto the screen from your phone or flash drive when it's plugged into the USB port.<sup>2</sup> Connect your compatible smartphone via Bluetooth<sup>®</sup> wireless technology and listen to music, get directions or make phone calls all with the touch of a fingertip. New for 2014 is the

available rear vision camera.<sup>3</sup> When you shift into Reverse, the available Chevrolet MyLink<sup>1</sup> Radio display allows you to see if anything is in your way.

**WIRELESS TECHNOLOGY** Answer calls without ever taking your hands off the steering wheel through the connectivity of standard Bluetooth wireless technology for select compatible phones and steering wheel-mounted controls. Bluetooth connectivity for your compatible phone is standard on every model. Bluetooth audio streaming is standard on LTZ and RS models.

**THE SOUNDS OF SONIC** Listen to commercial-free music, plus sports, exclusive talk, news and more with the three-month trial of SiriusXM Satellite Radio.<sup>™4</sup> With available Chevrolet MyLink,<sup>1</sup> stream your favourite audio services like TuneIn<sup>5</sup> global Internet radio and Stitcher SmartRadio.<sup>®5</sup> Access your own music library through the available Bluetooth audio streaming feature for select smartphones. Just download the TuneIn<sup>5</sup> Radio or Stitcher SmartRadio<sup>®</sup> app to your mobile device and connect it to Chevrolet MyLink.

Available rear vision camera<sup>3</sup>

<sup>1</sup> MyLink functionality varies by model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. MyLink on Sonic does not include functionality such as enhanced voice recognition, Gracenote and CD player. Visit [MyLink.Chevrolet.ca](http://MyLink.Chevrolet.ca) for more details. <sup>2</sup> Not compatible with all devices. <sup>3</sup> Requires available Chevrolet MyLink. <sup>4</sup> Standard on LT, LTZ and RS. Available in 10 Canadian provinces and the 48 contiguous United States. Subscription sold separately after trial period. Visit [siriusxm.ca](http://siriusxm.ca) for details. <sup>5</sup> Data plan rates apply.

**CENTURY**  
**AUTO.CA**

# ALWAYS CONNECTED

**BRINGGO** The most affordable in-dash navigation system in its class,<sup>1</sup> the available BringGo<sup>2</sup> navigation app offers plenty of easy-to-use features that let you revel in discovering new destinations without the stress of getting lost. Just download the app to your compatible smartphone and connect with the available Chevrolet MyLink<sup>3</sup> Radio to easily explore 3-D maps with lane suggestions, live traffic data, local search via Google,<sup>™</sup> a Where Am I? locator and other features that help you stay in the loop.

**SIRI EYES FREE** Chevrolet is the first vehicle manufacturer to offer Siri Eyes Free<sup>4</sup> to select iPhone<sup>®</sup> users. Siri lets you take charge with your hands on the wheel and your eyes on the road. The system allows limited hands-free interaction when you really need it for important messages. That way, you can make driving your Sonic the main focus. Just be sure you text and drive only with the voice system and never text using a handheld device while driving.

**START IT UP USING YOUR PHONE** Attention to detail is what turns a good experience into a great one. That's why Sonic offers available OnStar RemoteLink<sup>®</sup> Key Fob Services<sup>5</sup> for five years on 2014 vehicles equipped with OnStar<sup>®</sup>. Just download the app and use RemoteLink services during the initial trial period. This app lets you remotely lock or unlock your doors or start your Sonic<sup>®</sup> and it can even help you find your car by sounding the horn or flashing the lights in a crowded or dark parking lot.

And with an active OnStar subscription and the OnStar RemoteLink<sup>7</sup> mobile app, get access to OnStar Emergency Services and check vehicle diagnostics such as oil life and fuel level. Want to schedule a service appointment? It's done in a click. And should you ever need help, roadside assistance is there 24/7.

**ONSTAR<sup>®</sup> TURN-BY-TURN NAVIGATION** Getting lost isn't an option with Sonic. The OnStar Directions & Connections Plan<sup>®</sup> with Turn-by-

Turn Navigation is included for the first six months. One press of the blue button and you are connected to an OnStar Advisor who can help you get to your destination anytime. Voice-guided directions can be downloaded right into your car. You can even plan ahead with OnStar eNav,<sup>8</sup> which lets you send destinations from MapQuest<sup>®</sup> to your car. Call them up with a simple voice command.

**MYCHEVROLET<sup>®</sup> MOBILE APP** Here's another way to connect to your Sonic. Schedule a service appointment online. View the Owner's Manual. Even create a reminder of where you parked – with a mark on the map and a photo to jog your memory.

OnStar RemoteLink<sup>7</sup> mobile app.

<sup>1</sup> Based on WardsAuto.com 2013 Lower Small segment and the latest competitive information available at the time of printing. Excludes other GM models. <sup>2</sup> Requires available Chevrolet MyLink. BringGo app must be purchased separately. Requires compatible smartphone. Data plan rates apply. See dealer for more information. <sup>3</sup> MyLink functionality varies by model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. MyLink on Sonic does not include functionality such as enhanced voice recognition, Gracenote and CD player. Visit MyLink.Chevrolet.ca for more details. <sup>4</sup> Requires available Chevrolet MyLink and compatible iPhone running at least iOS 6. <sup>5</sup> To activate the Key Fob Services, download the OnStar RemoteLink app and use the services once during the trial period. Access is available for five years from the date of vehicle delivery and is transferable. Does not include any Emergency Services or other OnStar services. To cancel OnStar RemoteLink Key Fob Services, or if your vehicle is sold, you must contact OnStar at 1.888.4.ONSTAR (1.888.466.7827). Subsequent owners will be able to activate the remaining term. <sup>6</sup> Requires factory-installed and enabled available remote vehicle starter system and automatic transmission. <sup>7</sup> Available on select Apple, Android, BlackBerry and Windows devices. Services vary by device, vehicle and conditions. Requires active OnStar service plan. <sup>8</sup> Visit onstar.ca for coverage map, details and system limitations. Services vary by model and conditions. After the complimentary trial period, an active OnStar service plan is required. <sup>9</sup> Requires Apple iOS 6 or Android platform.

**CENTURY  
AUTO.CA**

Available Lane Departure Warning.

Available Forward Collision Alert.

Sonic Sedan LTZ in Summit White.

<sup>1</sup> Applies only to models equipped with the available Peace of Mind Package. Standard on LTZ and RS; available on LS and LT models. U.S. Government 5-Star Safety Ratings are part of the National Highway Traffic Safety Administration's (NHTSA's) New Car Assessment Program ([www.SaferCar.gov](http://www.SaferCar.gov)).  
<sup>2</sup> Based on WardsAuto.com 2013 Lower Small segment and the latest competitive information available at the time of printing. <sup>3</sup> Excludes spare tire when equipped. <sup>4</sup> Always use safety belts and the correct restraint for your child's age and size. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with a passenger airbag. See the Owner's Manual and the child safety seat instructions for more safety information. <sup>5</sup> Visit [onstar.ca](http://onstar.ca) for coverage map, details and system limitations. Services vary by model and conditions. OnStar acts as a link to existing emergency service providers. Not all vehicles may transmit all crash data. After the complimentary trial period, an active OnStar service plan is required.

# A 5-STAR PERFORMANCE

SONIC RECEIVES THE HIGHEST POSSIBLE NHTSA OVERALL VEHICLE SCORE FOR SAFETY!

**BUILT WITH YOU IN MIND** Sonic boasts aggressive styling and impressive power, but make no mistake — with Sonic, safety is a priority. It's the first and only car in its class<sup>2</sup> to receive a 5-Star Overall Vehicle Score for Safety from NHTSA! Innovative safety technology is designed to enhance safety before, during and after a crash, if needed. Other advancements you can count on — including daytime running lights and available tire pressure monitoring system<sup>3</sup> — also help you avoid trouble on the road.

**PREVENT** All-new for the 2014 Sonic, the Advanced Safety Package helps you avoid a collision altogether. The package includes Forward Collision Alert, which issues a warning sound to alert you to a possible collision, and Lane Departure Warning that

alerts you if your Sonic begins to drift across lanes without signalling. When Sonic takes off, safety technology like the StabiliTrak<sup>®</sup> Electronic Stability Control System with traction control kicks in. On slippery roads, StabiliTrak helps you stay on course by detecting the difference between the path being steered and the direction the vehicle is travelling. It then uses the brakes and, if necessary, adjusts engine torque to keep your Sonic on track.

**PROTECT** Sometimes, unfortunately, trouble finds you. If a moderate to severe collision does occur, Sonic is designed to respond quickly. Sensors throughout the vehicle determine how many airbags<sup>4</sup> deploy — including seat-mounted airbags for the driver and front passenger. Adding to this protection, the

cabin is reinforced with high-strength steel throughout. Meanwhile, front and rear “crush zones” are designed to compress in a controlled manner, helping absorb and channel energy away from the cabin. But our protective measures don't end there.

**RESPOND** In many crashes, built-in sensors can automatically alert an OnStar<sup>®5</sup> Advisor, who is immediately connected to your vehicle to see if you need help. Even if you don't respond, the Advisor can use GPS technology to pinpoint your location and request emergency help be sent immediately. It's part of the OnStar<sup>5</sup> Directions & Connections Plan, featuring Automatic Crash Response included for the first six months. Why? It's simple: Your safety is important.

## SELECT VEHICLE FEATURES

### SONIC LS (HATCHBACK AND SEDAN)

Sonic LS includes these standard features:

138 hp ECOTEC 1.8L 4-cylinder engine with Variable Valve Timing (VVT)
Oil life monitoring system
5-speed manual transmission
Hill Start Assist
4-wheel Anti-lock Braking System (ABS)
StabiliTrak Electronic Stability Control System
Traction control
MacPherson strut independent front suspension and rear suspension with semi-independent torsion beam axle and coil springs
15-in. wheels with bolt-on wheel covers
Liftgate-mounted rear spoiler (Hatchback)
Remote keyless entry system
Battery run-down protection system
6 airbags
Driver Information Centre with compass
Programmable door locks
Tilt and telescopic adjustable steering column
Steering wheel-mounted Bluetooth <sup>®</sup> and audio system controls
Front bucket seats
Manual 4-way driver-seat adjuster
Cloth seating surfaces
60/40 split-folding rear seats
Cargo security cover (Hatchback)
Cargo load floor cover (Hatchback)
4-speaker audio system with AM/FM stereo and auxiliary audio input jack
Bluetooth hands-free phone connectivity
OnStar with 6 months of the Directions & Connections Plan featuring Turn-by-Turn Navigation <sup>1</sup> and OnStar RemoteLink <sup>2</sup>

**SONIC LS**  
Sonic LS Preferred Equipment Group 1SB enhances Sonic LS features with:

6-speed automatic transmission with Driver Shift Control.
---

### SONIC LT

Sonic LT enhances LS features with:

15-in. painted aluminum wheels (Hatchback)
Heated, power exterior mirrors with integral spotter mirror
Chrome beltline mouldings
Content theft alarm
Air conditioning with air filtration system
Power windows
Cruise control with steering wheel-mounted controls
Premium cloth seating surfaces
Heated front bucket seats
6-speaker audio system with AM/FM stereo with CD player and MP3 playback
SiriusXM Satellite Radio <sup>3</sup>
USB port. <sup>4</sup>

### SONIC LT

Sonic LT Preferred Equipment Group 1SD enhances Sonic LT features with:

6-speed automatic transmission with Driver Shift Control
Remote vehicle starter system.

**SONIC LTZ**  
Sonic LTZ enhances LT features with:

138 hp ECOTEC 1.4L turbocharged 4-cylinder engine with Variable Valve Timing (VVT)
6-speed manual transmission
17-in. painted aluminum wheels
Fog lights
Rear spoiler (Sedan)
Rear vision camera
10 airbags
Tire pressure monitoring system
Leather-wrapped steering wheel with Bluetooth, cruise and audio system controls
Perforated leatherette seating surfaces
Chevrolet MyLink <sup>5</sup> Radio infotainment system with 178 mm (7-in.) colour touch-screen display
Bluetooth wireless audio streaming.

### SONIC LTZ

Sonic LTZ Preferred Equipment Group 1SF enhances Sonic LTZ features with:

6-speed automatic transmission with Driver Shift Control
Remote vehicle starter system
Leather-wrapped shifter with chrome accents.

**SONIC RS**  
Sonic RS enhances LTZ features with:

4-wheel disc brakes with ABS
17-in. Midnight silver-painted aluminum wheels
Sport suspension
Forward Collision Alert
Lane Departure Warning
Unique RS liftgate-mounted rear spoiler
Leather-wrapped steering wheel with contrasting stitching and flat-bottom design
Leather-wrapped shifter
Leather-appointed seating surfaces with sueded microfibre inserts.

### SONIC RS

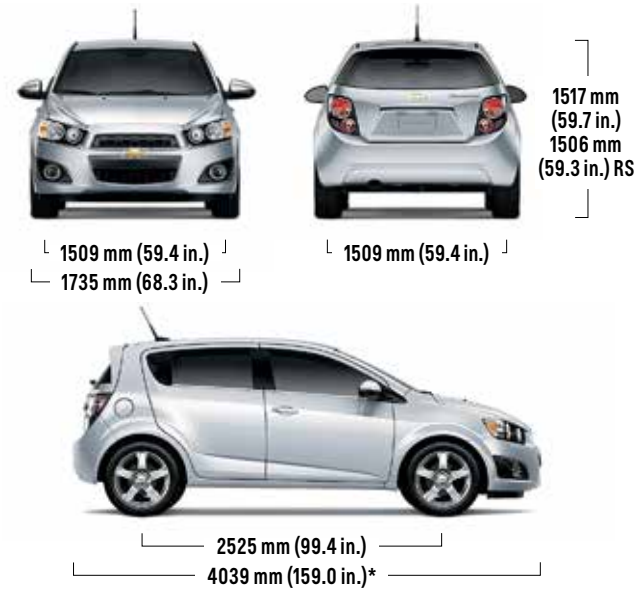

Sonic RS Preferred Equipment Group 1SH enhances Sonic RS features with:

6-speed automatic transmission with Driver Shift Control
Remote vehicle starter system
Leather-wrapped shifter with chrome accents.

<sup>1</sup> Included with available Peace of Mind Package. <sup>2</sup> Included with available Advanced Safety Package. <sup>3</sup> Requires available Chevrolet MyLink Sound Package. <sup>4</sup> Included with PEG 1SB. <sup>5</sup> Included with PEG 1SD. <sup>6</sup> Included with PEG 1SF. <sup>7</sup> Included with PEG 1SH. <sup>8</sup> Included with available Chevrolet MyLink Sound Package. <sup>9</sup> Included with available Appearance Package. <sup>10</sup> Included with available 17" x 6.5" painted aluminum wheels. <sup>11</sup> Standard on Sedan only. <sup>12</sup> Standard on Hatchback only. <sup>13</sup> Includes P205/50R17 all-season tires. <sup>14</sup> MyLink functionality varies by model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. MyLink on Sonic does not include functionality such as enhanced voice recognition, Gracenote and CD player. Visit MyLink.Chevrolet.ca for more details. <sup>15</sup> Data plan rates apply.

<sup>††</sup> Visit onstar.ca for coverage map, details and system limitations. Services vary by model and conditions. OnStar acts as a link to existing emergency service providers. Not all vehicles may transmit all crash data. After the complimentary trial period, an active OnStar service plan is required.  
<sup>‡</sup> Available on select Apple, Android, BlackBerry and Windows devices. Services vary by device, vehicle and conditions. Requires active OnStar service plan.  
<sup>†††</sup> All-season tires may not satisfy winter tire requirements in all regions of the country. Tires specifically designed for severe winter conditions and marked with the "winter tire" symbol  may be required during certain months or in certain regions. Contact your Provincial, Municipal or local road authority for information regarding which tires are required in your particular area.  
<sup>⬢</sup> Available in 10 Canadian provinces and the 48 contiguous United States. Subscription sold separately after trial period. Visit siriusxm.ca for details.  
<sup>⬢⬢</sup> Not compatible with all devices.

WARRANTY INFORMATION

Chevrolet puts the same care into its warranty and support programs that it does into the cars and trucks it builds. So you can have peace of mind knowing that every Chevrolet is backed by this comprehensive coverage:

- 3-year/60,000 km New Vehicle Limited Warranty\*
- 5-year/160,000 km Powertrain Component Limited Warranty, with \$0 deductible on repairs and the warranty is fully transferable at no charge\*
- 5-year/160,000 km Courtesy Transportation\*
- 5-year/160,000 km 24/7 Roadside Assistance\*
- 6-year/160,000 km rust-through perforation coverage\*
- 8-year/130,000 km coverage on catalytic converters and powertrain control modules (PCMs).\*

\* Whichever comes first. Conditions and limitations apply; see dealer for details.

OTHER OWNERSHIP PRIVILEGES AND PROGRAMS:\*\*

- GM Protection Plan (GMPP) – the only extended service plan backed by the resources and commitment of General Motors, GMPP may be purchased at the time of sale or subsequently during the New Vehicle Limited Warranty period
- GM Goodwrench Service – with GM-certified technicians and GM-approved parts, nobody knows your Chevrolet vehicle better
- Chevrolet Owner Centre – as an owner, take advantage of the Chevrolet Owner Centre. This online owner’s destination gives you access to contests, current offers and the latest driving and maintenance tips. Find out more at chevroletowner.ca

\*\* Conditions and limitations apply.

TO HELP YOU PURCHASE OR LEASE A NEW VEHICLE:

- Purchase Financing and Leasing – on-the-spot financing; see dealer for full details!
- GM Student Bonus Program – students or recent graduates of high school, college or university<sup>†</sup> may be entitled to receive a Student Bonus vehicle redemption allowance of \$500 or \$750<sup>‡</sup> (tax inclusive) (purchased vehicle dependant) to use towards the purchase, lease or finance of one eligible new Chevrolet vehicle
- The GM Card – GM cardholders may redeem up to \$3500 GM Card<sup>®</sup> Earnings (subject to Vehicle Redemption Allowances) towards the Total Purchase Price on eligible new GM vehicles.<sup>‡</sup> For full program details, please visit thegmcards.ca

<sup>†</sup> Subject to eligibility. <sup>‡</sup> Conditions and limitations apply. <sup>‡</sup> Program subject to change.

INFORMATION RESOURCES:

You can find more information about these programs from your Chevrolet dealer, or at these information centres:

- The GM website at gm.ca
- The GM Customer Care Centre at 1-800-GM-DRIVE (1-800-463-7483 or 1-800-263-3830 for TDD users).

A WORD ABOUT THIS BROCHURE

Some of the equipment shown or described throughout this brochure may be available at extra cost. We have tried to make this brochure comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colours, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this brochure and other printed materials provided at the dealership or affixed to vehicles are approximates based upon design and engineering drawings and prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been adapted since the time of the printing, please check with your Chevrolet dealer for complete details. General Motors of Canada Limited reserves the right to lengthen or shorten the model year for any product, for any reason, or to start and end model years at different times.

A WORD ABOUT ASSEMBLY

Chevrolet vehicles are equipped with engines and components produced and assembled by different operating units of General Motors, its subsidiaries and suppliers, and these engines and components may change or be obtained from different sources from time to time. All such engines and components are approved for use in Chevrolet vehicles. Certain equipment ordered may be unavailable at the time of assembly and we suggest that you verify that your vehicle includes the equipment you ordered, or if there are changes, that they are acceptable to you.
