FIND **NEW** ROADS™

## WHY JUST GO FROM A TO B

## WHEN IMAGINATION CAN TAKE YOU EVERYWHERE

The road. A simple path, really. And yet it's come to mean so much more. Perhaps the real reason roads are special is that every road leads us to someplace we're not — but could be. At Chevrolet, roads are our springboards. They challenge us, taunt us and guide us to create better, more exciting, more ingenious ways to move through life. Roads drive us to places we've never been before. And we'll never stop seeking out new ones.

# EMBRACE INGENUITY

**IT'S A PERFECT FIT** Orlando takes space optimization to a new level within its surprisingly compact form. Only five centimetres longer than a Chevrolet Cruze, the manoeuvrable Orlando provides standard seating for seven. Interior space can also be easily reconfigured to your agenda with the versatile split-folding second- and third-row seats.

Orlando is as efficient as it is powerful, with a 2.4L ECOTEC® four-cylinder engine that delivers 174 horsepower. It also achieves an impressive 7.0 L/100 km highway fuel consumption rating.<sup>1</sup> Choose from a standard six-speed manual or available six-speed automatic transmission. With standard StabiliTrak® Electronic Stability Control System and OnStar®<sup>2</sup> with the Directions & Connections Plan included for six months, the 2014 Chevrolet Orlando is a reassuring way to travel.

Orlando LTZ in Stone Grey.

<sup>1</sup> 2014 Orlando equipped with manual transmission. Fuel consumption ratings based on GM testing in accordance with approved Transport Canada test methods. Your actual fuel consumption may vary.  
<sup>2</sup> Visit [onstar.ca](http://onstar.ca) for coverage map, details and system limitations. Services vary by model and conditions. OnStar acts as a link to existing emergency service providers. Not all vehicles may transmit all crash data. After the complimentary trial period, an active OnStar service plan is required.

Orlando LTZ interior in Jet Black with available leather-appointed seats and available features.

<sup>1</sup> Cargo and load capacity limited by weight and distribution. Always secure all cargo. See Owner's Manual for details.

**MODERN USE OF INNER SPACE** After three years on Canadian roads, Orlando has already changed people's attitudes about family transportation. First there's the idea you can accommodate up to seven people with three rows of seating in a vehicle that's only 4665 mm (183.7 in.) long. Then there's

the versatility that gives you plenty of possibilities, with second- and third-row seats that fold flat to open up 1594 L (56.3 cu. ft.) of cargo room!<sup>1</sup> But it's not just the quality of space that stands out in Orlando – it's also the quality of the drive. Comfort is enriched by standard reclining front bucket seats with a

four-way driver's seat adjuster. LTZ models add premium touches such as heated front seats, a power six-way driver's seat adjuster, automatic climate control and an auto-dimming interior rear-view mirror. One and all are welcome inside Orlando.

With all seats in the upright position, Orlando seats seven across three rows.

The split-folding second- and third-row seats adapt to your passenger and cargo carrying needs.

With all rear seats in the flat position, Orlando provides a vast amount of cargo space.

**OUR SPACE IS PREMIUM**

CHANGING PERCEPTIONS OF WHAT A FAMILY VEHICLE CAN BE.

# ALL THE RIGHT CONNECTIONS

INNOVATIVE TECHNOLOGY KEEPS YOU IN TOUCH.

**IN TOUCH WITH THE OUTSIDE WORLD** The available Bluetooth® hands-free connectivity allows you to make, answer and end calls on compatible mobile phones. The standard SiriusXM Satellite Radio™<sup>1</sup> offers 120 channels of programming – everything from your favourite music stations to news, comedy and sports, including more than 1000 NHL games.

**ALL YOUR FAVOURITES IN ONE PLACE** All new for Orlando in 2014, Chevrolet MyLink™<sup>2</sup> is standard on 2LT and LTZ models. You can stream music, access personal contacts and more on the 178 mm (7-in.) diagonal colour touch-screen. Just connect your compatible smartphone via Bluetooth wireless technology

or USB port.<sup>3</sup> Use voice controls, steering wheel controls and the touch-screen to access features such as hands-free calling and texting.

**A.** The standard sound system includes a radio that can be flipped open to gain access to the concealed storage compartment.

**B.** A standard auxiliary audio input jack for your iPod® or other MP3 player is standard.

**C.** An available USB port<sup>3</sup> enables you to operate an MP3 player and access music on a flash drive. Standard on 2LT and LTZ models.

**ONSTAR**<sup>4</sup> and six months of the Directions & Connections Plan are included on all Orlando models. It includes a number of very useful features, such as Turn-by-Turn Navigation<sup>4</sup> that directs you to your destination effortlessly – at the touch of a button. Hands-Free Calling<sup>4</sup> combines hands-free convenience with the robust network coverage of OnStar. And the OnStar RemoteLink®<sup>5</sup> mobile app lets you access real-time vehicle data, like oil life remaining, and enables you to lock and unlock doors<sup>6</sup> – all from your compatible smartphone.

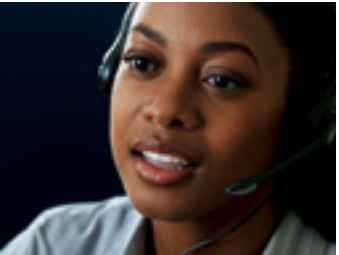

<sup>1</sup> Available in 10 Canadian provinces and the 48 contiguous United States. Subscription sold separately after trial period. Visit [siriusxm.ca](http://siriusxm.ca) for details. <sup>2</sup> MyLink functionality varies by model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. Visit [MyLink.Chevrolet.ca](http://MyLink.Chevrolet.ca) for more details. <sup>3</sup> Not compatible with all devices. <sup>4</sup> Visit [onstar.ca](http://onstar.ca) for coverage map, details and system limitations. Services vary by model and conditions. OnStar acts as a link to existing emergency service providers. After complimentary trial period, an active OnStar service plan is required. <sup>5</sup> Available on select Apple, Android, BlackBerry and Windows devices. Services vary by device, vehicle and conditions. Requires active OnStar service plan. <sup>6</sup> Requires automatic power door locks.

Euro NCAP<sup>1</sup>

OnStar Service Advisor<sup>2</sup>

<sup>1</sup> Euro NCAP ratings are part of the European New Car Assessment Programme (NCAP) ([www.euroncap.com](http://www.euroncap.com)). 2011 Chevrolet Orlando equipped with the European 1.8L gas engine tested during 2012 calendar year testing. <sup>2</sup> Visit [onstar.ca](http://onstar.ca) for coverage map, details and system limitations. Services vary by model and conditions. OnStar acts as a link to existing emergency service providers. Not all vehicles may transmit all crash data. After the complimentary trial period, an active OnStar service plan is required. <sup>3</sup> Airbag inflation can cause severe injury or death to anyone too close to the airbag when it deploys. Be sure every occupant is properly restrained. Always use safety belts and the correct restraint for your child's age and size. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with a passenger airbag. See the Owner's Manual and the child safety seat instructions for more safety information.

**NOTHING IS MORE IMPORTANT THAN TRANSPORTING FAMILY AND FRIENDS** Orlando is engineered and equipped with real life in mind. You'll also find a number of driver control technologies that help you stay clear of dangerous situations. Standard features include four-wheel disc brakes with ABS and panic brake assist, plus electronic traction control and the StabiliTrak Electronic Stability

Control System – a technology proven to help reduce the risk of a fatal single-vehicle crash. If an accident cannot be avoided, Orlando protects the integrity of the passenger compartment with six standard airbags<sup>3</sup> and a reinforced steel safety cage. Take further peace of mind with the knowledge that the 2011 Chevrolet Orlando received a 5-Star Euro NCAP Safety rating.<sup>1</sup>

**BETTER TO BE SAFE** If a collision occurs, important information will be sent to the OnStar Command Centre via the OnStar Automatic Crash Response System.<sup>2</sup> Trained Advisors can utilize GPS technology to pinpoint your location and request emergency help even if you're unable to respond. It's part of the OnStar Directions & Connections Plan, included for six months. Go ahead and be safe – in Orlando.
