FIND *NEW* ROADS™

WHY JUST GO FROM A TO B

WHEN IMAGINATION CAN TAKE YOU EVERYWHERE

The road. A simple path, really. And yet it's come to mean so much more. Perhaps the real reason roads are special is that every road leads us to someplace we're not – but could be. At Chevrolet, roads are our springboards. They challenge us, taunt us and guide us to create better, more exciting, more ingenious ways to move through life. Roads drive us to places we've never been before. And we'll never stop seeking out new ones.

**CENTURY
AUTO.CA**

MALIBU/

MID-SIZE EVOLVED In your search for a premium mid-size sedan, expect excellence. The 2014 Malibu rewards you with a solid, connected-to-the-road feel and assertive styling that commands attention. With remarkable fuel efficiency, a spacious interior and intuitive technology, Malibu is a compelling marriage of style and engineering.

CENTURY
AUTO.CA

Malibu LTZ in White Diamond Tricoat
(extra-cost colour) with available features.

Malibu LTZ in Black Granite Metallic (extra-cost colour) with available features.

¹ Always use safety belts and the correct restraint for your child's age and size. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with a passenger airbag. See the Owner's Manual and the child safety seat instructions for more safety information.

SMOOTH STYLE The 2014 Malibu has an athletic appearance that commands attention. And these sculpted lines are as functional as they are stunning. The new chrome-accented grille with available hidden passive blockers helps reduce wind resistance. The aerodynamic shape guides the air to help optimize fuel efficiency. Available projector-beam

headlights flow seamlessly. Even the side mirrors have been shaped and tested for peak aerodynamic performance.

IMPRESSIVE PROTECTION ALL AROUND YOU Ultra-high-strength steel is used throughout for a structure designed to be exceptionally strong and rigid. In the event of a collision, the

high-strength steel with integral crush zones helps channel energy away from the passenger compartment. Plus, every Malibu is equipped with 10 standard airbags¹ — even knee airbags for the driver and front passenger.

DEFY THE WIND, CATCH THE EYE

ALL THE RIGHT TOUCHES

Malibu LTZ in Cocoa/Light Neutral
with available features.

DOWN TO THE FINEST DETAIL The important moments of your day are centred here. With a keen focus on details, refined surfacing, premium textures and rich appointments, Malibu sets a high standard. Liquid-applied sound deadeners and triple door seals provide a superb level of quietness. Low-gloss surfacing and soft-touch tactility add to this upscale

environment. The sophisticated dual-cockpit design and sport-sculpted seats almost seem customized to you. In every way, this is what a mid-size sedan should be.

PREMIUM PRACTICALITY, ENDLESS POSSIBILITIES The unexpected details surround you. Precise instrumentation keeps you informed. Smart

storage areas abound. Steering wheel-mounted controls are a thoughtful touch.

STYLISH ACCENTS Ice-blue ambient lighting sets an elegant tone. Malibu has all the right touches to make driving more entertaining.

STRONG CONNECTIONS Available Chevrolet MyLink™¹ keeps you engaged with the road and your world. Stay connected with life outside these doors — entertainment, music and your compatible smartphone are a voice command or a touch control away. Malibu ensures you're good to go.

VERSATILITY IS HUGE The interior alone makes a big statement with spacious accommodations for five. Front seatbacks have been shaped to provide more room for rear-seat passengers. Sculpted cushions allow for deeper seats and a planted feel. The 60/40 split-folding rear seats provide added versatility. The decklid opens to reveal a large and deep trunk with a low lift-over height for easy loading and unloading.

CONVENIENCE THROUGHOUT Malibu features an easily accessible hidden storage area behind the available 178 mm (7-in.) diagonal colour touch-screen. You can also organize the icons on the screen to best fit your needs. The available 120-volt AC household power outlet keeps your portable devices charged and ready. The centre console includes a pair of cupholders, an armrest and dedicated pockets for two mobile phones.

Convenient hidden storage area behind the touch-screen.

Mobile phone holder.

EFFICIENCY WITH PERFORMANCE

Malibu LTZ in White Diamond Tricoat (extra-cost colour) with available features.

POISED PERFORMANCE Choose from two powerful, fuel-efficient engines – a new ECOTEC® 2.5L or an available turbocharged ECOTEC 2.0L. Both feature the engineering advancements of Direct Injection and Variable Valve Timing. Direct Injection provides more complete combustion of fuel, which improves efficiency and power, while assisting in

lowering emissions. Variable Valve Timing enhances low-end torque for a powerful driving experience. So no matter which engine you choose, you'll enjoy great fuel efficiency.

NEW ECOTEC 2.5L ENGINE WITH STOP/START TECHNOLOGY Malibu has a highway fuel consumption rating of 5.3 L/100 km¹ and it

all starts at the heart of this 4-cylinder. Refined and efficient, this engine packs a 196-horsepower punch and is designed to help you save gas. Here's how: With new stop/start technology, stopping is what keeps you going. The engine automatically shuts off when the car is stopped and prepares it for a smooth, seamless start when the brake pedal

is released. So smooth, you won't even notice the transition. Smart. And just another way Malibu delivers precise engineering.

VARIABLE VALVE LIFT Simply put, Malibu has the power you want and knows when you need it most. In low-lift mode, the engine pumps only the air it needs to meet the driver's

demand. This allows for greater performance at lower speeds and offers excellent fuel efficiency. The system automatically switches to high-lift mode at higher speeds or under heavy loads, providing the full output capability for the engine. 2014 Malibu: practical power that's smart from the start.

ECOTEC 2.0L TURBOCHARGED ENGINE

The exhilaration of V6 power, packed into a fuel-efficient 4-cylinder. This available 259-horsepower turbocharged engine has a segment-leading² 295 lb.-ft. of torque – better than even 6-cylinder competitors. It's all the fun without extra fill-ups, thanks to a highway fuel consumption rating of 6.6 L/100 km¹.

¹ Fuel consumption ratings based on GM testing in accordance with approved Transport Canada test methods. Your actual fuel consumption may vary.
² Based on WardsAuto.com 2013 Upper Middle Vehicle segment and latest competitive information available at the time of printing. Excludes other GM models.

CENTURY
AUTO.CA

Malibu LTZ in Crystal Red Tintcoat
(extra-cost colour) with available features.

SUPERIOR SMOOTHNESS Malibu moves with solid confidence, thanks to fine-tuned suspension and chassis engineering. The stiff body structure, wide stance and fully independent suspension deliver nimble, poised handling.

MANOEUVRE WITH PRECISION Electric rack-and-pinion steering contributes to the crisp response and excellent on-centre feel. The system determines the level of power assistance needed, making parking easier and high-speed steering firmer.

STABILITRAK HELPS YOU STAY THE COURSE
Every Malibu is equipped with the StabiliTrak® Electronic Stability Control System to help

assist you with directional control of the vehicle in difficult driving conditions. Sensors continually monitor the difference between the path being steered and the direction the vehicle is actually travelling. If StabiliTrak detects a difference, it selectively applies brake pressure to the appropriate wheel and reduces the engine torque to help you keep the vehicle on track.

LONG-LASTING STOPPING POWER
The confidence of 4-wheel disc brakes with an anti-locking braking system is standard on every Malibu. Innovative Duralife™ brake rotors have been hardened with a special patented process to provide reliable stopping power, resulting in rotors that can last up to twice as long as conventional rotors.

QUIET STRENGTH

AUTO LEASING**

INTUITIVE TECHNOLOGY

Available push-button start system.

Available OnStar RemoteLink⁷ mobile app.

Malibu LTZ interior in Jet Black.

TUNED IN TO YOU Stay connected to your world, even when you're on the go. Available Chevrolet MyLink¹ works with your compatible smartphone and Bluetooth[®] wireless technology to stream content to the 178 mm (7-in.) diagonal colour touch-screen. Chevrolet MyLink¹ allows you to make phone calls, select radio stations, choose music from your mobile device and listen to Stitcher SmartRadio^{®2} through voice command, touch-screen controls, centre stack buttons and steering wheel-mounted controls. You can also connect your music-loaded flash drive or MP3 player through the USB port.³

NEXT-LEVEL NAVIGATION With OnStar[®] Turn-by-Turn Navigation,⁴ included for six months, you can receive directions through an on-screen display and the guidance of an automated voice. Step it up another notch with the available enhanced Chevrolet MyLink¹ Radio with Navigation, which includes full navigation features as well as 2-D/3-D maps, points of interest and a 3-month trial of SiriusXM NavTraffic.⁵

KEYLESS ACCESS WITH MOBILE APPS The search for your key fob is over. Chevrolet offers available OnStar RemoteLink Key Fob Services⁶ on OnStar-equipped 2014 vehicles. Just download the OnStar RemoteLink^{®7} mobile app to lock or unlock your vehicle and start your car⁸ from almost anywhere you have cell service. It can even help you find your car by sounding the horn or flashing the lights in a crowded or dark parking lot.

¹ MyLink functionality varies by model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. Visit MyLink.Chevrolet.ca for more details. ² Data plan rates apply. ³ Not compatible with all devices. ⁴ Visit onstar.ca for coverage map, details and system limitations. After complimentary trial period, an active OnStar service plan is required. ⁵ Available in 10 Canadian provinces and the 48 contiguous United States. Subscription sold separately after trial period. Visit siriusxm.ca for details. ⁶ To activate the Key Fob Services, download the OnStar RemoteLink app and use the services once during the trial period. Access is available for 5 years from the date of vehicle delivery and is transferable. Does not include any Emergency Services or other OnStar services. To cancel RemoteLink Key Fob Services or if your vehicle is sold, you must contact OnStar at 1.888.4.ONSTAR (1.888.466.7827). Subsequent owners will be able to activate the remaining term. ⁷ Available on select Apple, Android, BlackBerry and Windows devices. Services vary by device, vehicle and conditions. Requires active OnStar service plan. ⁸ Requires factory-installed remote vehicle starter system.

Available Side Blind Zone Alert¹

Available rear vision camera.

Malibu LTZ in White Diamond Tricoat (extra-cost colour).

¹ Before making a lane change, always check the Side Blind Zone Alert display, check the exterior and interior rear-view mirrors, look over your shoulder for vehicles and hazards, and start the turn signal. ² Visit onstar.ca for coverage map, details and system limitations. Services vary by model and conditions. OnStar acts as a link to existing emergency service providers. Not all vehicles may transmit all crash data. After complimentary trial period, an active OnStar service plan is required.

PROTECTIVE, INSTINCTIVE TECHNOLOGIES
Advanced technology instinctively reacts when you need it most. New available Side Blind Zone Alert¹ uses sensors to let you know when a trailing vehicle enters your blind spot on either side. Available Rear Cross Traffic Alert, new for 2014, notifies the driver to

crossing traffic from behind while the vehicle is in Reverse. The available rear vision camera helps with more confident backups.

THE SECURITY OF ONSTAR In many crashes, built-in sensors can automatically alert an OnStar Advisor, who is immediately connected

to your Malibu to see if you need help. Even if you can't respond, an OnStar Advisor can use GPS technology to pinpoint your exact location and request that emergency help be sent right away. OnStar is included for six months and includes Automatic Crash Response.²

SELECT VEHICLE FEATURES

MALIBU LS Malibu LS (1LS) includes these standard features:

196 hp ECOTEC 2.5L 4-cylinder engine with Direct Injection and Variable Valve Timing (VVT)
Auto stop/start engine feature¹
Oil life monitoring system
6-speed automatic transmission with manual mode
4-wheel disc brakes with ABS and Panic Brake Assist
StabiliTrak Electronic Stability Control System
Traction control
4-wheel independent suspension
16-in. 5-spoke painted aluminum wheels
Battery run-down protection system
Heated, power exterior mirrors with integrated turn signals
Remote keyless entry system
Content theft alarm
10 airbags
Driver Information Centre with colour display and compass
Tire pressure monitoring system
Air conditioning with air filtration system and particulate/pollen filter
Power windows and programmable door locks
Tilt and telescopic adjustable steering column
Cruise control
Steering wheel-mounted Bluetooth®, cruise and audio system controls
Front bucket seats with power seat height adjusters
Cloth seating surfaces
60/40 split-folding rear seats
6-speaker audio system with AM/FM stereo, CD player and auxiliary audio input jack
Bluetooth hands-free phone connectivity
OnStar with 6 months of the Directions & Connections Plan featuring Turn-by-Turn Navigation² and OnStar RemoteLink³

MALIBU 1LT Malibu 1LT enhances LS features with:

Premium cloth seating surfaces with leatherette bolsters
Ice-blue interior ambient lighting
Front and rear carpeted floor mats

- Purchase Financing and Leasing – on-the-spot financing; see dealer for full details!
 - GM Student Bonus Program – students or recent graduates of high school, college or university[†] may be entitled to receive a Student Bonus vehicle redemption allowance of \$500 or \$750[†] (tax inclusive) (purchased vehicle dependant) to use towards the purchase, lease or finance of one eligible new Chevrolet vehicle
 - The GM Card – GM cardholders may redeem up to \$3500 GM Card[®] Earnings (subject to Vehicle Redemption Allowances) towards the Total Purchase Price on eligible new GM vehicles.[‡] For full program details, please visit thegmcards.ca
- [†] Subject to eligibility. ^{††} Conditions and limitations apply. [‡] Program subject to change.

INFORMATION RESOURCES:

You can find more information about these programs from your Chevrolet dealer, or at these information centres:

- The GM website at gm.ca
- The GM Customer Care Centre at 1-800-GM-DRIVE (1-800-463-7483 or 1-800-263-3830 for TDD users).

A WORD ABOUT THIS BROCHURE

Some of the equipment shown or described throughout this brochure may be available at extra cost. We have tried to make this brochure comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colours, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this brochure and other printed materials provided at the dealership or affixed to vehicles are approximates based upon design and engineering drawings and prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been adapted since the time of the printing, please check with your Chevrolet dealer for complete details. General Motors of Canada Limited reserves the right to lengthen or shorten the model year for any product, for any reason, or to start and end model years at different times.

A WORD ABOUT ASSEMBLY

Chevrolet vehicles are equipped with engines and components produced and assembled by different operating units of General Motors, its subsidiaries and suppliers, and these engines and components may change or be obtained from different sources from time to time. All such engines and components are approved for use in Chevrolet vehicles. Certain equipment ordered may be unavailable at the time of assembly and we suggest that you verify that your vehicle includes the equipment you ordered, or if there are changes, that they are acceptable to you.
