**FIND *NEW* ROADS™**

***WHY JUST GO FROM A TO B***

***WHEN IMAGINATION CAN TAKE YOU EVERYWHERE***

The road. A simple path, really. And yet it's come to mean so much more. Perhaps the real reason roads are special is that every road leads us to someplace we're not – but could be. At Chevrolet, roads are our springboards. They challenge us, taunt us and guide us to create better, more exciting, more ingenious ways to move through life. Roads drive us to places we've never been before. And we'll never stop seeking out new ones.

# IMPALA

A STUNNING CONVERGENCE  
OF DESIGN AND PERFORMANCE

Impala LTZ in Silver Ice Metallic  
with available features.

Chevrolet designers and engineers reached far into the future to create the all-new 2014 Impala and shape it firmly in the present. The result is timeless – a convergence of imaginative design, impeccable craftsmanship, driver-centric innovations and more available comprehensive safety features than ever before.

**DESIGN THAT TURNS HEADS AND HEARTS** It's not often that a vehicle takes performance and

turns it into an art form. With a silhouette inspired by the best in both luxury and performance nameplates, Impala is gracefully aggressive, artistically aerodynamic and passionately refined.

**SCULPTURED STYLE: MODERN YET TIMELESS**  
The wide chrome grille, projector-beam headlights and available LED daytime running

lights illuminate the bold new face of Impala. From the sweeping roofline and sculpted bodysides to the jewel-like chrome highlights, Impala elicits the rare visceral excitement of a premium sedan. Poised on available 20" aluminum wheels, the stance of Impala is both athletic and confident.

Impala 2LT in Silver Ice Metallic  
with available features.

**CENTURY**  
**AUTO.CA**

Impala LTZ interior in Jet Black/Mojave with available features.

CENTURY  
AUTO.CA

Available Keyless Access with push-button start.

Available 11-speaker Bose® Centerpoint® surround sound audio system.

Available 120-volt AC household-style power outlet.

Convenient umbrella storage.

# A PERFECT FIT IN EVERY EXQUISITE DETAIL

IMPALA REWARDS YOUR DESIRE FOR EXCELLENCE  
WITH AN EXCEPTIONALLY REFINED DRIVING ENVIRONMENT.

Indulge yourself in the soft textures of the available premium sueded microfibre or leather-appointed seating surfaces. Relax in the incredibly roomy cabin and, thanks to numerous acoustic treatments, the sounds of the outside world seem to disappear.

**BEAUTY FLOWS AROUND YOU** Take in the flowing instrument panel, with rich available burnished woodgrain and chrome accents. At night, the illuminating details of the full-colour Driver Information Centre and available ice-blue ambient lighting set the mood. Like a fine handmade suit, Impala features precise tailoring that's a perfect fit.

## THE UNCOMMON LUXURY OF MORE ROOM

Experience the luxury of upscale refinement and spaciousness for five passengers. Options include heated and ventilated front seats and a heated steering wheel with a power tilt/telescoping feature. The available 11-speaker Bose® Centerpoint® surround sound audio system provides clear, lifelike sound and natural timbre. There are storage areas in the door panels and centre armrest, as well as dedicated umbrella storage in the front doors. Impala also provides integrated cupholders, phone storage in the centre console, plus hidden storage space behind the available 203 mm (8-in.) colour touch-screen radio.

In Valet mode, the hidden storage space locks to help keep valuable items safe and securely out of reach. Other details include available 4-way adjustable front head restraints and foldable rear head restraints to enhance visibility. The 532 L (18.8 cu. ft.) trunk<sup>1</sup> even includes hidden underfloor storage.

**NEW DRIVER MEMORY PACKAGE** The available Driver Memory Package gives you two preset positions for the 8-way power driver seat, power-adjustable steering wheel and exterior mirrors. It even makes exiting easier by moving the available power seat and steering column back and out of the way.

Impala LTZ interior in Jet Black/Mojave with available features.

<sup>1</sup> Cargo and load capacity limited by weight and distribution.

WITH

# 305 HORSEPOWER

**305 HP 3.6L V6** Would you appreciate V8-like performance with the fuel efficiency of an advanced V6 engine? With an available 305 hp 3.6L V6 matched to an electronically controlled 6-speed automatic transmission, Impala leaps from 0 to 96 km/h (0 to 60 mph) in 6.8 seconds. Direct Injection helps provide more complete combustion of fuel, which improves economy and power and helps lower emissions. Variable Valve Timing consistently boosts power by providing near-peak torque

over a wider rpm range, while offering a highway fuel consumption rating of 6.9 L/100 km<sup>1</sup>

**2.5L 4-CYLINDER ENGINE** Or choose the 2.5L 4-cylinder engine and 6-speed automatic combination that offers a highway fuel consumption rating of 6.3 L/100 km<sup>1</sup> and delivers 196 horses. This engine also includes the technology of Variable Valve Timing and Direct Injection.

With a confident sense of control and balance, the 2014 Impala is an inspiring driving experience. The stiff body structure and athletic stance allowed Impala engineers to tune ride and handling precisely for an impressive connected-to-the-road feel.

**RAZOR-SHARP REFLEXES** A premium electric rack-and-pinion steering system delivers crisp, responsive handling and excellent

on-centre feel. The tight steering radius, combined with a variable-effort feature, which increases the level of power assist at low speeds, contributes to agile handling and manoeuvrability.

**A NEW LEVEL OF QUIET** Triple-sealed doors, 16 acoustic baffles and acoustic perimeter deflectors in all four doors are designed to block, reduce and absorb road noise. The advanced Active Noise Cancellation feature

on 4-cylinder models uses microphones to constantly monitor sound quality and help cancel out unwanted vehicle drivetrain noises. Highway wind noise is further reduced via the aerodynamic exterior shape, which has been validated by extensive wind tunnel testing. With an acoustic-laminated windshield and front side glass, plus liquid-applied and melt-on sound-deadening materials, this is the quietest Impala ever.

Impala 2LT in Silver Ice Metallic with available features.

<sup>1</sup> Fuel consumption ratings based on GM testing in accordance with approved Transport Canada test methods. Your actual fuel consumption may vary.

AUTO.CA**

# INTUITIVE INTELLIGENCE

AVAILABLE CHEVROLET MYLINK MAKES IT EASY TO BRING THE CONVENIENCE OF YOUR SMARTPHONE WITH YOU.

**CUSTOMIZE YOUR DRIVING EXPERIENCE** The latest evolution of available Chevrolet MyLink™<sup>1</sup> is here and premiering in the 2014 Impala. It features an all-new intuitive interface with the latest, easy-to-use technologies. Put simply: Chevrolet MyLink is cutting-edge and highly customizable.

**COMMUNICATIONS MADE EASIER** With available Chevrolet MyLink, natural voice recognition

allows you to place calls, enter destinations,<sup>2</sup> browse media, play music and control other functions simply by telling the vehicle what to do. There are no key phrases to remember and no need to look at a screen. A microphone over the driver helps ensure voice commands are heard.

**SAVE AND STORE YOUR FAVOURITES** Available Chevrolet MyLink can store up to 60 favourites, including radio stations (AM/FM/SiriusXM),

contacts, destinations,<sup>2</sup> music and other media. Chevrolet MyLink is even capable of linking up to 10 mobile devices with Bluetooth® wireless technology, and it can be fully integrated with your contacts and call logs. Use the touch-screen, the Driver Information Centre or the steering wheel-mounted controls to navigate Chevrolet MyLink features. This is innovation that makes connectivity a whole lot simpler.

**CHOOSE YOUR GRAPHICS** This award-winning Chevrolet MyLink<sup>1</sup> system features four specific graphic appearances for the touch-screen and the Driver Information Centre (Contemporary, Edge, Velocity and Main Street), selectable through the Settings menu.

**EASY-TO-USE, TABLET-LIKE TOUCH-SCREEN** You'll immediately notice the layout resembles a smartphone or tablet with intuitive, easy-to-use icons. On the 203 mm (8-in.) diagonal

touch-screen, you can fling through lists, swipe, click and drag, just as you would on a tablet. The screen also has a power up/down feature that reveals a hidden storage compartment. Inside, there's a USB port<sup>3</sup> so you can charge and store your smartphone out of sight.

**STAY CONNECTED** With available Chevrolet MyLink, you can stream music from online sources like Stitcher SmartRadio.<sup>4</sup> Listen

to commercial-free music, sports, news and more with three trial months of SiriusXM Satellite Radio.<sup>5</sup> Get directions with OnStar® Turn-by-Turn Navigation<sup>6</sup> (standard for the first six months). Or choose the available Chevrolet MyLink Radio with Navigation, which offers full GPS navigation features plus 2-D/3-D maps, points of interest and SiriusXM NavTraffic.<sup>5</sup>

USB port.<sup>3</sup>

Available OnStar RemoteLink™ mobile app.<sup>7</sup>

<sup>1</sup> MyLink functionality varies by model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. Visit [MyLink.Chevrolet.ca](http://MyLink.Chevrolet.ca) for more details.

<sup>2</sup> Requires Chevrolet MyLink Radio with Navigation.

<sup>3</sup> Not compatible with all devices. <sup>4</sup> Data plan rates apply. <sup>5</sup> Available in 10 Canadian provinces and the 48 contiguous United States. Subscription sold separately after trial period. Visit [siriusxm.ca](http://siriusxm.ca) for details.

<sup>6</sup> Visit [onstar.ca](http://onstar.ca) for coverage map, details and system limitations. Services vary by model and conditions. After the complimentary trial period, an active OnStar service plan is required. <sup>7</sup> Available on select Apple, Android and BlackBerry devices. Services vary by device, vehicle and conditions. Requires active OnStar service plan.

Available Side Blind Zone Alert<sup>1</sup>

**1** Before making a lane change, always check the Side Blind Zone Alert display, check the exterior and interior rear-view mirrors, look over your shoulder for vehicles and hazards, and start the turn signal. **2** Always use safety belts and the correct restraint for your child's age and size. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with a passenger airbag. See the Owner's Manual and the child safety seat instructions for more safety information. **3** Visit [onstar.ca](http://onstar.ca) for coverage map, details and system limitations. Services vary by model and conditions. OnStar acts as a link to existing emergency service providers. Not all vehicles may transmit all crash data. After the complimentary trial period, an active OnStar service plan is required. **4** Adaptive Cruise Control is no substitute for the driver's personal responsibility to operate the vehicle in a safe manner. The driver needs to remain attentive to traffic and road conditions and provide the steering, braking or other inputs necessary to retain control of the vehicle.

# INGENIOUS SAFETY TECHNOLOGY

FROM NEW AVAILABLE RADAR SENSORS TO HIGH-STRENGTH STEEL, ADVANCED DESIGN IS ALL AROUND YOU.

The comprehensive enhanced safety technology in the 2014 Impala sets the bar high. There are 10 standard airbags<sup>2</sup> and new ultra-high-strength steel forms a rigid structure around the passenger compartment. The safety and security of OnStar Automatic Crash Response<sup>3</sup> is standard for six months. And patented innovations place an ingenious level of active safety all around you.

**AVAILABLE ADVANCED SAFETY PACKAGE** A new Advanced Safety Package (available on LT and standard on LTZ) surrounds you with safety features, including Forward Collision Alert, Side Blind Zone Alert,<sup>1</sup> Rear Cross Traffic Alert and Lane Departure Warning.

**FORWARD COLLISION ALERT** This safety feature is new to Impala and uses either the radar mounted in the grille (available on LTZ) or high-resolution camera (available on LT, standard on LTZ) to identify vehicles ahead

and alert the driver to any potential front-end crash risks, helping provide time to stop and/or change course.

**SIDE BLIND ZONE ALERT<sup>3</sup>** This available feature, also new to Impala, uses radar sensors on both sides of the vehicle to help you “look” for other vehicles in your side blind zone areas and indicates their presence with LED-lit symbols in the exterior rear-view mirrors.

**REAR CROSS TRAFFIC ALERT** Another Impala first, this available system uses the same radar sensors as the Side Blind Zone Alert system to alert you to crossing traffic behind your Impala when backing up. Audible alerts, as well as visual alerts on the rear vision camera screen, are triggered if approaching vehicles are detected.

**LANE DEPARTURE WARNING** New to Impala, this available camera-based lane departure detection system sends an alert if you

unintentionally drift out of your lane (without a turn signal). The camera, mounted near the interior rear-view mirror, reads traffic lane markings when identifiable and provides audible and visual alerts.

**FULL-SPEED-RANGE ADAPTIVE CRUISE CONTROL<sup>4</sup>** Using radar technology, this new available system uses automatic braking to maintain the driver-selected cruise speed and following gap distance, even under stop-and-go traffic conditions. Available on LTZ.

**CRASH IMMINENT BRAKING** Included with available Full-Speed-Range Adaptive Cruise Control, this Chevrolet first uses radar technology to automatically brake in certain situations (a potential imminent crash with a vehicle being followed ahead). This can occur if the driver does not react quickly enough to the warning or does not react at all. Available on LTZ.

## SELECT VEHICLE FEATURES

### IMPALA LS

Impala LS includes these standard features:

196 hp ECOTEC® 2.5L 4-cylinder engine with Direct Injection and Variable Valve Timing (VVT)
Oil life monitoring system
6-speed automatic transmission with Driver Shift Control
4-wheel disc brakes with ABS and Panic Brake Assist
StabiliTrak® Electronic Stability Control System
Traction control
4-wheel independent suspension
18-in. wheels with fascia-spoke wheel covers
Heated, power exterior mirrors with integrated turn signals and ground illumination
Remote keyless entry system
Content theft alarm
10 airbags
Driver Information Centre
Tire pressure monitoring system
Air conditioning with air filtration system and particulate/pollen filter
Power windows and programmable door locks
Tilt and telescopic adjustable steering column
Cruise control
Steering wheel-mounted Bluetooth®, cruise and audio system controls
Front bucket seats
Premium cloth seating surfaces
Power 8-way driver-seat adjuster with power 4-way lumbar adjuster
Power front passenger-seat height adjuster
60/40 split-folding rear seats
6-speaker audio system with AM/FM stereo, CD player, auxiliary audio input jack and 107 mm (4.2-in.) colour display screen
SiriusXM Satellite Radio <sup>1</sup>
USB port; <sup>2</sup> single
Bluetooth hands-free phone connectivity
OnStar with 6 months of the Directions & Connections Plan featuring Turn-by-Turn Navigation <sup>3</sup> and OnStar RemoteLink <sup>4</sup>

### IMPALA LT (1LT)

Impala LT (1LT) enhances LS features with:

18-in. painted aluminum wheels
Dual-outlet exhaust system with hidden tips
Dual-zone automatic climate controls
Leather-wrapped steering wheel
Premium cloth/leatherette seating surfaces

### IMPALA LT (1LT) (CONTINUED)

4-way adjustable front-seat head restraints
2-way adjustable and foldable rear-seat head restraints
Power 4-way front passenger-seat lumbar adjuster
Chevrolet MyLink <sup>5</sup> Radio infotainment system with 203 mm (8-in.) colour touch-screen with motorized power up/down and hidden storage
USB ports; <sup>2</sup> multiple
Bluetooth wireless audio streaming
SD memory card slot.

### IMPALA LT (2LT)

Impala LT (2LT) enhances LT (1LT) features with:

305 hp 3.6L DOHC V6 engine with Direct Injection and Variable Valve Timing (VVT).

### IMPALA LTZ (1LZ)

Impala LTZ (1LZ) enhances LT (1LT) features with:

Forward Collision Alert
Lane Departure Warning
Side Blind Zone Alert <sup>6</sup>
Rear Cross Traffic Alert
Rear park assist
Rear vision camera
LED daytime running lights
Xenon High-Intensity Discharge (HID) headlights
Chrome exterior mirror caps
Lower bodyside chrome mouldings
Chrome door handles
19-in. machined-face aluminum wheels
Dual-outlet exhaust system with bright tips integrated into fascia
Keyless Access with push-button start
Remote vehicle starter system
Cargo convenience net
Leather-appointed seating surfaces
Heated front bucket seats
Power 8-way front passenger-seat adjuster
Ambient lighting system.

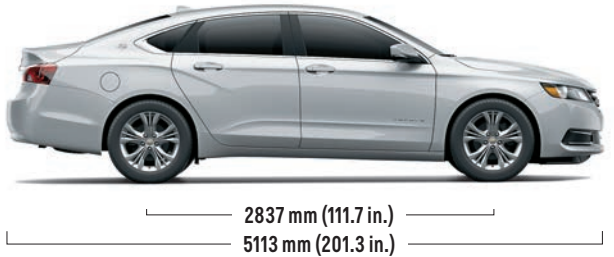

### IMPALA LTZ (2LZ)

Impala LTZ (2LZ) enhances LTZ (1LZ) features with:

305 hp 3.6L DOHC V6 engine with Direct Injection and Variable Valve Timing (VVT)

Power sunroof with sunshade.

\* Visit onstar.ca for coverage map, details and system limitations. Services vary by model and conditions. OnStar acts as a link to existing emergency service providers. Not all vehicles may transmit all crash data. After complimentary trial period, an active OnStar service plan is required.   
\*\* Available on select Apple, Android and BlackBerry devices. Services vary by device, vehicle and conditions. Requires active OnStar service plan.   
† All-season tires may not satisfy winter tire requirements in all regions of the country. Tires specifically designed for severe winter conditions and marked with the “winter tire”  symbol may be required during certain months or in certain regions. Contact your Provincial, Municipal or local road authority for information regarding which tires are required in your particular area.   
†† At time of printing, detailed map coverage is available for most major urban areas of the United States and for certain metropolitan areas of Canada (Vancouver, Calgary, Edmonton, Winnipeg, Windsor, London, Toronto, Ottawa, Montreal, Quebec City and Halifax). Coverage is significantly limited outside these areas.   
‡ Available in 10 Canadian provinces and the 48 contiguous United States. Subscription sold separately after trial period. Visit siriusxm.ca for details.   
††† Not compatible with all devices.

WARRANTY INFORMATION

Chevrolet puts the same care into its warranty and support programs that it does into the cars and trucks it builds. So you can have peace of mind knowing that every Chevrolet is backed by this comprehensive coverage:

- 3-year/60,000 km New Vehicle Limited Warranty\*
- 5-year/160,000 km Powertrain Component Limited Warranty, with \$0 deductible on repairs and the warranty is fully transferable at no charge\*
- 5-year/160,000 km Courtesy Transportation\*
- 5-year/160,000 km 24/7 Roadside Assistance\*
- 6-year/160,000 km rust-through perforation coverage\*
- 8-year/130,000 km coverage on catalytic converters and powertrain control modules (PCMs).\*

\* Whichever comes first. Conditions and limitations apply; see dealer for details.

OTHER OWNERSHIP PRIVILEGES AND PROGRAMS:\*\*

- GM Protection Plan (GMPP) – the only extended service plan backed by the resources and commitment of General Motors, GMPP may be purchased at the time of sale or subsequently during the New Vehicle Limited Warranty period
- GM Goodwrench Service – with GM-certified technicians and GM-approved parts, nobody knows your Chevrolet vehicle better
- Goodwrench Service Maintenance Plan (GSMP) – the only maintenance plan designed specifically for buyers of General Motors vehicles, and is backed by the resources and commitment of General Motors. GSMP may be purchased at the time of sale or on vehicles up to 3 model years old or 60,000 km
- Chevrolet Owner Centre – as an owner, take advantage of the Chevrolet Owner Centre. This online owner's destination gives you access to contests, current offers and the latest driving and maintenance tips. Find out more at chevroletowner.ca

\*\* Conditions and limitations apply.

TO HELP YOU PURCHASE OR LEASE A NEW VEHICLE:

- The GM Card – GM cardholders may redeem up to \$3500 GM Card® Earnings (subject to Vehicle Redemption Allowances) towards the Total Purchase Price on eligible new GM vehicles.† For full program details, please visit thegmcad.ca

† Subject to eligibility. †† Conditions and limitations apply. † Program subject to change.

INFORMATION RESOURCES:

You can find more information about these programs from your Chevrolet dealer, or at these information centres:

- The GM website at gm.ca
- The GM Customer Care Centre at 1-800-GM-DRIVE (1-800-463-7483 or 1-800-263-3830 for TDD users)

A WORD ABOUT THIS BROCHURE

Some of the equipment shown or described throughout this brochure may be available at extra cost. We have tried to make this brochure comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colours, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this brochure and other printed materials provided at the dealership or affixed to vehicles are approximates based upon design and engineering drawings and prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been adapted since the time of the printing, please check with your Chevrolet dealer for complete details. General Motors of Canada Limited reserves the right to lengthen or shorten the model year for any product, for any reason, or to start and end model years at different times.

A WORD ABOUT ASSEMBLY

Chevrolet vehicles are equipped with engines and components produced and assembled by different operating units of General Motors, its subsidiaries and suppliers, and these engines and components may change or be obtained from different sources from time to time. All such engines and components are approved for use in Chevrolet vehicles. Certain equipment ordered may be unavailable at the time of assembly and we suggest that you verify that your vehicle includes the equipment you ordered, or if there are changes, that they are acceptable to you.
