

Seven billion people. One road.

Movement is the universal language of personal freedom. Our founder Louis Chevrolet spoke it fluently. As a Swiss immigrant, he came to North America with a dream of racing cars. He wished for everyone – not just the rich or entitled – to experience the exhilaration he felt behind the wheel.

In 1911, he began building his first car. One hundred years later, a new Chevrolet is sold every 6.6 seconds. That amounts to 4.76 million vehicles in more than 140 countries – more than Louis Chevrolet could ever have imagined.

The depth of our heritage and passion is evident in everything we do here at Chevrolet. It's ingrained in the bold design, spirited performance, proven durability and exceptional value our drivers enjoy. It empowers us to be leaders in innovation. And it inspires us to continuously raise the bar – today, tomorrow and into what promises to be a bright future.

Currently, we are pioneering new propulsion technologies to meet the demanding energy and environmental needs of a global automotive brand. We're also employing alternative energy sources and investing in fuel-saving technologies to help reduce our carbon footprint with the goal of reducing 8 million metric tons of carbon dioxide emissions over the next few years.

Our global reach is expanding, yet our mission remains the same. We want every customer to feel like family – no matter where you are in the world. And no matter where you're going, we want you to enjoy the ride in a Chevrolet.

From the vision of one man to the movement of millions, it's been a remarkable journey. And at Chevrolet, we're just getting started.

2013
TRAX

Trax LTZ shown in Sonoma Jewel Metallic.

CITY ADVENTURER

When navigating the city, you need a right-sized ride. Welcome to the all-new Chevrolet Trax. This agile 5-passenger crossover is a natural fit for narrow streets and downtown parking spaces. A 138-horsepower 1.4L ECOTEC® turbocharged engine puts a priority on efficiency with a highway fuel consumption rating of just 5.7 L/100 km — unsurpassed in its class! You'll go confidently with a choice of either front-wheel drive or available all-wheel drive. Inside, premium appointments catch the eye and the available Chevrolet MyLink™² system offers hands-free calling and instant access to the world of music. Wherever you're headed, you've got the room for four friends and all your gear. Ready to get adventurous? Then get a Trax.

¹ 2013 Chevrolet Trax FWD, equipped with 6-speed manual transmission, fuel consumption ratings based on GM testing in accordance with approved Transport Canada test methods. Competitive fuel consumption ratings based on Natural Resources Canada's 2013 Fuel Consumption Guide and latest competitive information available at time of printing for 2013 Polk Compact SUV segmentation. Your actual fuel consumption may vary. ² MyLink™ functionality varies by model. Full functionality requires compatible Bluetooth® and smartphone, and USB connectivity for some devices. MyLink™ on Trax does not include functionality such as enhanced voice recognition, Gracenote® and CD player.

CENTURY
AUTO.CA

RIGHT SIZE. RIGHT LOOK. RIGHT FEEL.

Trax is the smart SUV that's small and nimble enough to navigate the urban landscape, yet large enough to seat up to five in comfort. The confident handling is the product of a wide stance and a series of standard driver control technologies that include StabiliTrak®, 4-wheel ABS with Panic Brake Assist and Hill Hold Assist, plus Traction Control. And with 10 standard airbags,¹ your urban explorations also include peace of mind. You can handle it all – in the all-new Trax.

¹ Airbag inflation can cause severe injury or death to anyone too close to the airbag when it deploys. Be sure every occupant is properly restrained. Always use safety belts and the correct restraint for your child's age and size. Even in vehicles equipped with the Passenger Detecting System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with a passenger airbag. See the Owner's Manual and the child safety seat instructions for more safety information.

Trax 1LT shown in Sonoma Jewel Metallic
with available features.

MYLINK KEEPS THE FUN GOING

Available Chevrolet MyLink™¹ uses Bluetooth® audio streaming to pull content from your compatible smartphone and integrate it into a vibrant, colourful 178 mm (7-in.) diagonal touch-screen display so you can access it with the touch of a finger. Enjoy hands-free calling using convenient voice commands or buttons to make and receive calls. Trax is also the first vehicle in its class to integrate Apple Siri. Through Chevrolet MyLink™¹ and with your compatible iPhone®,² Siri offers an exclusive Eyes Free mode that lets you interact with your iPhone® using voice commands. You also get TuneIn,³ a smartphone app that allows for the seamless streaming of over 70,000 radio stations from all over the world. And with Chevrolet MyLink™¹ comes BringGo,⁴ a whole new way to navigate. BringGo publishes a navigation app for your smartphone, and Chevrolet offers software that enables Trax owners to use this app through Chevrolet MyLink™¹. And, it's easy to connect your iPod, MP3 music player or music-loaded flash drive to the standard USB port⁵ in the centre console.

CENTURY
AUTO.CA

THE POWER OF BOSE

Depending on model selected, Trax lets you choose from three available sound systems. The 7-speaker Bose® Sound System — our ultimate audio system tailored exactly to the interior acoustics of Trax — is standard on 2LT and LTZ models and available on 1LT.

ROCK FROM COAST TO COAST

With a compatible smartphone and available Chevrolet MyLink™¹ you can stream music from Stitcher SmartRadio™³ anytime, anywhere. Or enjoy 120 channels of commercial-free music, sports, talk, comedy, news, weather and more with a 3-month trial subscription to SiriusXM Satellite Radio.™⁶

¹ MyLink™ functionality varies by model. Full functionality requires compatible Bluetooth® and smartphone, and USB connectivity for some devices. MyLink™ on Trax does not include functionality such as enhanced voice recognition, Gracenote® and CD player. ² iPhone is a trademark of Apple Inc., registered in the U.S. and other countries. ³ Data plan rates apply. ⁴ BringGo app must be purchased separately. Requires compatible smartphone. Data plan rates apply. See dealer for more information. ⁵ Not compatible with all devices. ⁶ Available in 10 Canadian provinces and the 48 contiguous United States. Subscription sold separately after trial period. Visit siriusxm.ca for details.

YOUR MOBILE CONCIERGE

01 INSTANT READOUTS

The Trax gauge cluster combines digital readouts with analogue displays. Ice-blue ambient lighting sets the mood.

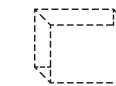

02 SCREEN PLAY

Available Chevrolet MyLink™¹ is connected to an integrated 178 mm (7-in.) diagonal colour touch-screen, providing access to your smartphone's playlists, photo galleries, phone book and other stored media.

03 SEAT OF POWER

Find exactly the right driving position with a power driver seat (standard on 2LT and LTZ). A tilt and telescopic steering wheel is standard on all models.

04 MEGA STORAGE

From sunglasses to smartphones, you've got places for everything in Trax. There's a bin at the top of the centre stack, a covered storage area in the instrument panel, an oversize glovebox, dual-level door storage plus six cupholders for front and rear-seat passengers.

¹ MyLink™ functionality varies by model. Full functionality requires compatible Bluetooth® and smartphone, and USB connectivity for some devices. MyLink™ on Trax does not include functionality such as enhanced voice recognition, Gracenote® and CD player.

CENTURY
AUTOCAL

IT'S ONLY BIG ON THE INSIDE

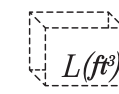

Wherever you're going or whatever you're doing, Trax is the perfect complement to your urban lifestyle. Got friends or family in town for the weekend? Trax has room for five people or up to 1371 L (48.4 cu. ft.) of cargo with the rear seats folded down. And you can upsize even more with a front passenger seatback that folds forward to form a flat working space or to carry long items.

CENTURY
AUTO.CA

CARRY-ONS WELCOME

With flip-and-fold rear seats that provide a level load floor, Trax has room for bicycles and other fun things you might want to bring along. Cargo space is an impressive 1371 L (48.4 cu. ft.) with the 60/40 split-folding rear seats folded flat.

OUR PLACES HAVE PLACES

Stash valuables out of sight with the convenient and cavernous underfloor storage in the cargo area behind the rear seats.

THE FIRST STREET-SMART SUV

TURBOCHARGED PERFORMANCE

Trax has the power to merge with a standard 138-horsepower 1.4L ECOTEC® turbocharged 4-cylinder engine. Featuring the advanced technology of Variable Valve Timing, Trax achieves a highway fuel consumption rating of just 5.7 L/100 km – unsurpassed by any compact crossover in its class.¹

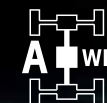

A CHOICE OF 6-SPEED TRANSMISSIONS

A smooth-shifting, electronically controlled 6-speed automatic transmission is standard on LT and LTZ models. Feel like shifting gears? The Driver Shift Control feature allows you to control the gear shift points. Or if you prefer the more visceral feel of shifting gears manually, Trax LS features a slick-shifting 6-speed manual transmission.²

SPORT-TUNED SUSPENSION

With an ultra-stiff body structure, wide stance and sport-tuned suspension, Trax has the confident, fun-to-drive attitude you'd expect from a vehicle that was tuned and calibrated in Europe, Asia and North America.

FWD OR AWD – IT'S YOUR OPTION

Front-wheel drive (FWD) with Electronic Traction Control is standard. For even more surefooted traction, the available all-wheel-drive (AWD) system engages automatically when accelerating from a standing start. This system automatically shifts to FWD mode at speeds above 5 km/h (3 mph) or when the system detects there is no wheel slip, maximizing efficiency.

**CENTURY
AUTO.CA**

¹2013 Chevrolet Trax FWD with 6-speed manual transmission, fuel consumption ratings based on GM testing in accordance with approved Transport Canada test methods. Competitive fuel consumption ratings based on Natural Resources Canada's 2013 Fuel Consumption Guide or latest competitive information available at time of printing for 2013 Polk Compact SUV segmentation. Your actual fuel consumption may vary. ²6-speed automatic transmission is available.

INNOVATIVE SAFETY: TECHNOLOGY IS ALL AROUND YOU

Trax is designed to exceed the latest Canadian and international standards with a comprehensive safety package that is unprecedented in this class. The use of new high-strength steel enhances the safety cage surrounding the passenger compartment. Other features include 10 standard airbags,¹ StabiliTrak® Electronic Stability Control system and 4-wheel anti-lock brakes. Every Trax model comes with the added peace of mind of OnStar®² standard with six months of the Directions & Connections Plan with Turn-by-Turn Navigation and OnStar RemoteLink.^{TM3}

CENTURY
AUTO.CA

ONSTAR WITH AUTOMATIC CRASH RESPONSE

The safety of OnStar® is standard for six months and includes Automatic Crash Response.² In many crashes, built-in sensors can automatically alert an OnStar® Advisor, who is immediately connected to your Trax to see if you need help. Even if you don't respond, an OnStar® Advisor can use GPS technology to pinpoint your exact location and request that emergency help be sent right away.

REAR VISION CAMERA

Now it's easier to back up into a tight parking space. The rear vision camera system, standard on 2LT and LTZ models, uses the touch-screen display to help you see stationary objects behind your Trax when travelling in reverse at low speeds.

10 STANDARD AIRBAGS

That's more standard airbags than any other vehicle in its class.⁴ Every 2013 Trax includes dual-stage frontal and knee airbags for driver and front passenger, head-curtain side-impact airbags for front and rear outboard passengers, and front and rear seat-mounted airbags to help protect outboard passengers.

HILL HOLD ASSIST

When you're driving on hilly terrain, Hill Hold Assist holds your Trax stationary for up to two seconds after the brake is released, giving you time to accelerate before the vehicle rolls backward. This feature is especially helpful with the 6-speed manual transmission on Trax LS.

¹ Airbag inflation can cause severe injury or death to anyone too close to the airbag when it deploys. Be sure every occupant is properly restrained. Always use safety belts and the correct restraint for your child's age and size. Even in vehicles equipped with the Passenger Detecting System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with a passenger airbag. See the Owner's Manual and the child safety seat instructions for more safety information. ² Visit onstar.ca for coverage map, terms, conditions, privacy statement, and details and system limitations. OnStar® acts as a link to existing emergency service providers. ³ Available on select iPhone®, Android™ and BlackBerry® devices. Services vary by phone, vehicle and conditions. Requires active OnStar® subscription. ⁴ Based on 2013 Polk Compact SUV segmentation and latest competitive information available at time of printing.

TRAX MODEL OVERVIEW

TRAX LS

Trax LS includes these standard features:

- 138-horsepower 1.4L ECOTEC® turbocharged 4-cylinder engine with Variable Valve Timing (VVT)
- GM Oil Life Monitoring System
- 6-speed manual transmission
- 4-wheel Anti-lock Braking System (ABS), panic brake assist and hill hold assist
- StabiliTrak® Electronic Stability Control System
- Traction control
- MacPherson strut independent front suspension and compound crank rear suspension
- 16-in. steel wheels
- Power exterior mirrors
- Remote keyless entry system
- 10 airbags
- Driver Information Centre
- Air filtration system
- Power windows and door locks
- Tilt and telescopic steering column
- Steering wheel-mounted Bluetooth® and audio system controls
- Front bucket seats
- Manual 4-way driver seat adjuster
- Fold-flat front passenger seatback
- 60/40 split-folding rear seatbacks
- 4-speaker audio system with AM/FM stereo, auxiliary audio input jack and USB port¹
- Bluetooth® hands-free phone connectivity
- OnStar® with 6 months of the Directions & Connections Plan featuring Turn-By-Turn Navigation² and OnStar RemoteLink^{TM3}

TRAX 1LT

Trax 1LT enhances LS features with:

- 6-speed automatic transmission with Driver Shift Control
- 4-wheel disc brakes (All-Wheel Drive model only)
- 16-in. aluminum wheels
- Front and rear silver-painted fascia accents
- Heated, power exterior mirrors
- Deep-tinted glass behind front doors
- Roof rack with silver-painted side rails
- Content-theft alarm
- Air conditioning with air filtration system
- Cruise control
- Leather-wrapped steering wheel
- Deluxe cloth seating surfaces
- Front-passenger seat understorage tray
- 110-volt AC 3-prong household-style power outlet in rear of front-row centre console
- Bluetooth® wireless audio streaming
- Enhanced 6-speaker audio system with CD player and MP3 playback

TRAX 2LT

Trax 2LT enhances 1LT features with:

- Rear vision camera
- Ultrasonic rear parking assist
- Remote vehicle starter system
- Cloth/leatherette seating surfaces
- Power 6-way driver seat and power lumbar adjusters
- Chevrolet MyLink™ entertainment and communications system with 178 mm (7-in.) colour touch-screen display
- 7-speaker Bose® premium audio system
- SiriusXM Satellite Radio™⁴

TRAX LTZ

Trax LTZ enhances 2LT features with:

- 18-in. silver-painted aluminum wheels
- Fog lights
- Chrome liftgate handle accent
- Auto-dimming interior rearview mirror
- Leatherette seating surfaces
- Heated front bucket seats

- The GM Customer Care Centre at 1-800-GM-DRIVE (1-800-463-7483 or 1-800-263-3830 for TDD users)

A WORD ABOUT THIS BROCHURE

Some of the equipment shown or described throughout this brochure may be available at extra cost. We have tried to make this brochure comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colours, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this brochure and other printed materials provided at the dealership or affixed to vehicles are approximates based upon design and engineering drawings and prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been adapted since the time of the printing, please check with your GM dealer for complete details. General Motors of Canada Limited reserves the right to lengthen or shorten the model year for any product, for any reason, or to start and end model years at different times.

A WORD ABOUT ASSEMBLY

GM vehicles are equipped with engines and components produced and assembled by different operating units of General Motors, its subsidiaries and suppliers, and these engines and components may change or be obtained from different sources from time to time. All such engines and components are approved for use in GM vehicles. Certain equipment ordered may be unavailable at the time of assembly, and we suggest that you verify that your vehicle includes the equipment you ordered, or if there are changes, that they are acceptable to you.
