IMPRESSIVE BY DESIGN

THE POWER TO GO FROM CONCRETE JUNGLES TO RUGGED LANDSCAPE

Whether it's the weekday or the weekend, you need a lot of power to handle the demands of the road. From towing to hauling to driving kids around, Chevy Tahoe is the full-size SUV that's big on capability and comfort. With a Vortec™ 5.3L V8 that incorporates both Active Fuel Management® and Variable Valve Timing (VVT) to achieve best-in-class 9.4 L/100 km highway and 14.3 L/100 km city ratings on 4x4 models.* With a cabin that's as upscale as it is spacious, with standard seating for up to nine, premium accommodations, and high-tech entertainment features, Tahoe has everything you need to navigate Main Street or no street.

THE LEGENDARY SUBURBAN

Suburban LTZ shown in
Black with available features.

CENTURY
AUTO.CA

THE WORLD'S FIRST SUV IS STILL THE BEST SUV

Chevy Suburban continues to pave the way through its rich history that spans 78 years. That represents decades of hauling gear and towing boats from sandy beaches to snowy mountaintops. And Suburban continues to set the pace, with a class-leading 389 L (137.4 cu. ft.) of cargo space* – that's more than 800 L of added space than even Tahoe can offer. Suburban's trailering capabilities also place it at the front of the pack, with a best-in-class maximum trailer weight for Suburban 2500 of 4,355 kg (9,600 lb.).*

As you can see, Chevy continues to innovate and update to make Suburban even better. But that's what family tradition is all about, isn't it?

*Based on Wardsauto.com 2012 Large Sport/Utility segment and the latest competitive information available at time of printing. Excludes other GM models.

ADVENTURE UNFOLDS

PART PICKUP TRUCK. PART UPSCALE SUV. ALL CHEVY TRUCK.

With Avalanche you get everything you expect from a full-size Chevy truck – from its dependable 320 horsepower Vortec™ V8 engine to its substantial 634 kg (1397 lb.) maximum payload capacity. But what makes Avalanche the Ultimate Utility Vehicle is the fact that it can also be easily reconfigured from a five- or six-passenger SUV cabin to a pickup truck with a box that extends to more than eight feet (2494 mm) in length. The secret is the innovative Midgate™ that folds down at the rear of the cabin – in a matter of seconds. Let the adventure unfold – in Avalanche.

BLACK DIAMOND AVALANCHE.

In addition to exclusive Black Diamond badging, the 2013 Avalanche has gained ground with upscale standard appointments such as a remote vehicle starter system, body-colour exterior components, a rear vision camera, ultrasonic rear parking assist, fog lights and power adjustable pedals. This Black Diamond Avalanche is a fitting tribute to Avalanche, whose 12-year production comes to an end this year, commemorating the best and last of its kind.

VORTEC™ V8

A Vortec™ 5.3L V8 with 320 horsepower delivers 335 lb.-ft. of torque, giving you the power to take what's loaded inside the box or behind in a trailer where it needs to go.

Black Diamond Avalanche LTZ shown in Black with available features and dealer-installed accessories.

CENTURY
AUTO.CA

Go to getscanlife.com on your smartphone, download the free application then scan the code above for exclusive content.

QUICK CHANGE

Fold the rear seats, lower the Midgate™, and in seconds Avalanche switches from an SUV to a gear-swallowing pickup.

TOUCHBASE

Technology goes wherever you go with the available Touch-Screen Navigation and Entertainment System.

STRETCH OUT

The cargo box stretches to one of the longest beds on the road. A removable three-piece cargo cover slides into the bed to make the bed more secure.

THE OFF-ROAD WARRIOR

DOMINATE THE TOUGHEST TERRAIN IN A Z71

There's a reason adventurous types favour Chevy's full-size utility vehicles. They combine legendary spaciousness, a stout frame, powerful engines, and available rugged 4WD capabilities that are further enhanced by the Z71 Off-Road Package. It helps you take on even the roughest territory Canada can offer, with features like off-road jounce bumpers, gas-charged monotube shock absorbers, a skid plate package and specially tuned springs. Sure the terrain is tough – just like the Z71.

4-WHEEL DRIVE

When you're going off road or driving in snow or mud, you can find the balance of capability and efficiency that's best for you with available 4WD. You'll also appreciate the convenience of the Autotrac™ electronic transfer case on all 4WD models.

SUSPENSION

The Z71 Off-Road Package features specially tuned springs and monotube shocks to help absorb the punishment from pavement and off-road terrain.

CENTURY
AUTO.CA

Suburban LTZ shown in Crystal Red Tintcoat (an extra-cost colour) with available Z71 Off-Road Package.

Z71 OFF-ROAD SUSPENSION PACKAGE

You can add to that sense of adventure with the Z71 Off-Road Suspension Package, available on Avalanche LT, Tahoe LT and Suburban LT 1/2-ton. Chrome grille inserts enhance the unique front fascia, along with aluminum wheels and all-terrain tires.

RUGGED HARDWARE

Other features of the Z71 Off-Road Package include tubular assist steps, recovery hook, a skid plate package with an aluminum front underbody shield, and addition to an Eaton® automatic locking rear differential that improves traction on uneven terrain like mud or gravel.

ONE POWERFUL HYBRID

THE ADVENTURE CONTINUES WITH CANADA'S FIRST FULL-SIZE 2-MODE HYBRID SUV.*

Chevy Tahoe Hybrid is a true hybrid with a fuel consumption rating of just 10.1 L/100 km city and 8.4 L/100 km highway,** and offers significant fuel savings over non-hybrid competitors. Yet it still offers the kind of capability you'd expect from Tahoe: towing, hauling and driving kids around. The brain of Tahoe Hybrid is a control module – the hybrid operating system – that monitors the drive system hundreds of times a second. In stop-and-go conditions, the hybrid operating system employs gas or electric power – or a mixture of both – and can turn the gas engine off when travelling less than 48 km/h. When you need to tow a heavy load, the transmission shifts to one of the fixed gears and uses the power of the V8.

332 HP VORTEC™ 6.0L LIVC V8

With 332 horsepower, 367 lb.-ft. of torque and up to 2812 kg (6200 lb.) of towing capability, Tahoe Hybrid rises to every challenge.

REGENERATIVE BRAKING SYSTEM

Regenerative braking captures energy that would otherwise be expended. By using one or both of the Electronic Variable Transmission's tractive motors as a generator, braking energy is converted to electrical energy and is stored in the battery for future use to propel the vehicle.

FUEL EFFICIENCY RATING

As a true hybrid, Tahoe Hybrid earns a city rating of 10.1 L/100 km and a highway rating of 8.4 L/100 km.**

*Excludes other GM vehicles.

**2013 Chevy Tahoe Hybrid fuel consumption ratings based on GM testing in accordance with approved Transport Canada test methods. Competitive fuel consumption ratings based on Natural Resources Canada's 2012 Fuel Consumption Guide. Your actual fuel consumption may vary.

THE ROOM YOU NEED. THE AMENITIES YOU WANT.

IT'S THE QUALITY, NOT JUST THE QUANTITY OF SPACE THAT MATTERS.

No matter how long the drive, Tahoe, Suburban and Avalanche are all about transporting people in true comfort. Standard comfort features include a power six-way driver's seat adjuster and tri-zone climate controls* that give the driver, front passenger and rear passengers individual control over their settings. Premium amenities include everything from a heated steering wheel on all LTZ models to a power rear liftgate on Tahoe and Suburban LTZ. Generous in space – and comfort.

*Dual-zone on Avalanche models.

**With 2nd row folded and 3rd row removed. Based on Wardsauto.com 2012 Large Sport/Utility segment and the latest competitive information available at time of printing. Excludes other GM models.

CENTURY
AUTO.CA

MULTIPLE SEATING OPTIONS

Tahoe and Suburban can accommodate up to nine comfortably. Avalanche offers standard seating for up to six. All feature a standard 40/20/40 split-folding front-row bench seat and 60/40 split-folding second-row bench for added versatility. Tahoe and Suburban also include a 50/50 third-row bench seat.

POWER FOLD-AND-TUMBLE SEAT

Available second-row power-release fold-and-tumble seats make easy entry and exit for passengers.

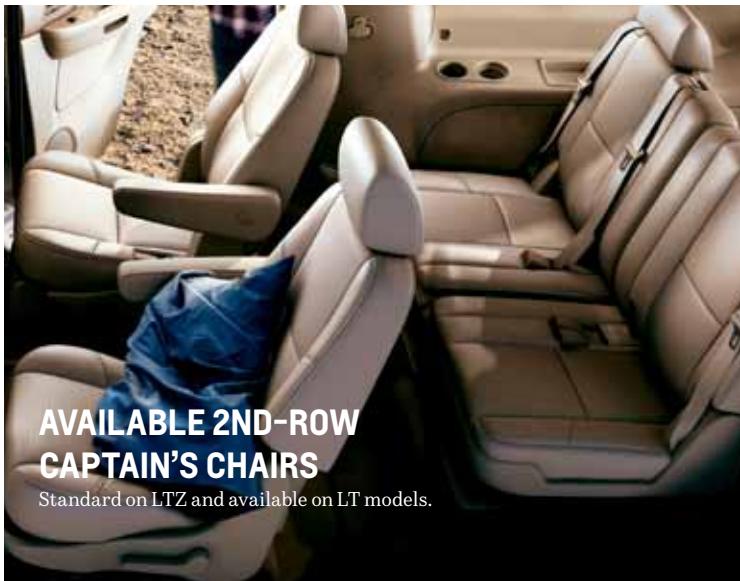

HEATED AND COOLED SEATS

Standard on LTZ, heated and cooled leather-appointed front seats keep you comfortable all year round. Your passengers stay comfortable too, thanks to heated second-row outboard seats.

L(ft^3)

CARGO CAPACITY

Tahoe offers a maximum cargo capacity of up to 3084 L (109.4 cu. ft.) and Suburban tops that with a best-in-class 3811 L (137.4 cu. ft.) of maximum cargo space.**

AVAILABLE 2ND-ROW CAPTAIN'S CHAIRS

Standard on LTZ and available on LT models.

A close-up, high-angle view of the interior dashboard of a Chevrolet vehicle. The steering wheel is on the left, featuring the Chevrolet bowtie logo in the center. Behind the steering wheel are the tachometer and speedometer. To the right of the steering wheel is a large infotainment screen displaying a map with a red route line. Below the screen are climate control buttons and two circular air vents. The dashboard is made of light-colored wood grain material. The background through the windshield shows a blurred landscape of trees and fields, suggesting the car is in motion.

TAKE HOLD. WITHOUT LETTING GO.

INFORMATION AT YOUR FINGERTIPS.

Chevrolet equips its full-size utilities with a wealth of technologies that keep you informed every kilometre of your journey. The standard multi-language Driver Information Centre continually updates you on the status of such important vehicle data as individual tire pressure, in addition to such useful functions as a compass and exterior temperature display. But perhaps no technology offers as extensive a series of benefits as OnStar®* – which is standard and includes six months of the Directions & Connections Plan with Turn-by-Turn Navigation. The very informative Tahoe, Suburban and Avalanche.

CENTURY
AUTO.CA

*Visit onstar.ca for coverage map, details and system limitations. Services vary by model and condition.
Onstar® acts as a link to existing emergency service providers.

178 MM (7 IN.) TOUCH-SCREEN NAVIGATION AND ENTERTAINMENT

Standard on LTZ and available on LT, this system offers an 80GB hard drive with 50 GB for media file downloading, in addition to a Pause-and-Play function that lets you pause a live radio broadcast.

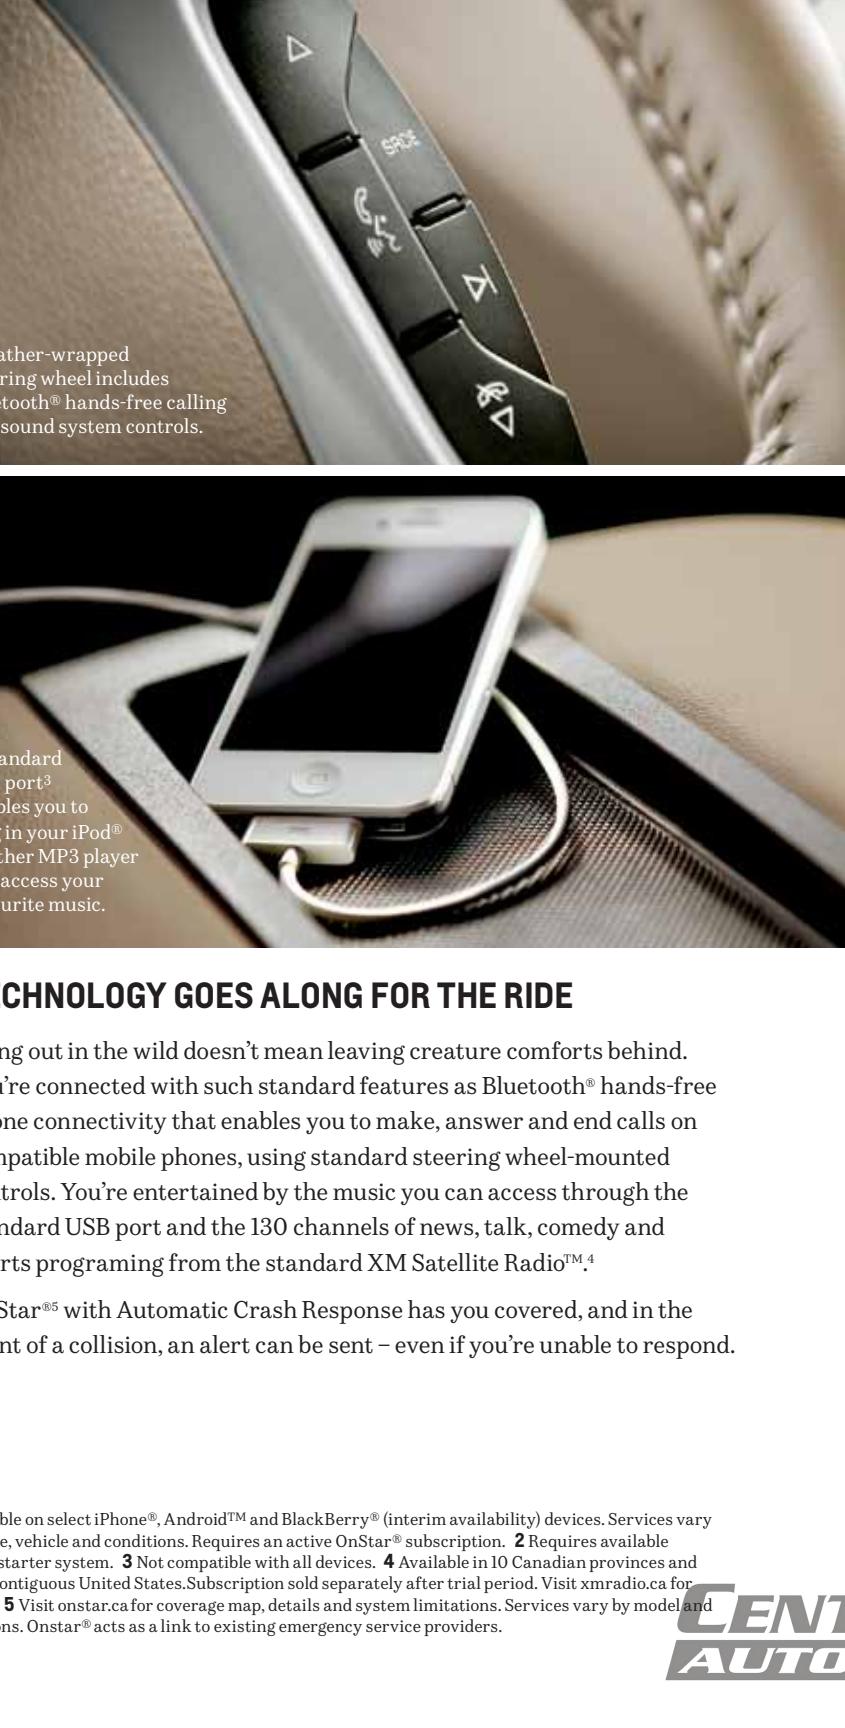

REAR VISION CAMERA

Enjoy the convenience of an available integral rear vision camera that helps you see certain stationary objects located behind the vehicle when travelling in reverse at low speeds. Ultrasonic rear parking assist provides another level of awareness. Both features are standard on all Avalanche models and most Tahoe and Suburban models.

ONSTAR REMOTELINK™

With OnStar,® standard for six months, you can download the RemoteLink™ mobile app¹ to your smartphone and remotely lock or unlock your doors or start your engine.² You can also view real-time vehicle diagnostics including fuel level, remaining oil life and more.

A leather-wrapped steering wheel includes Bluetooth® hands-free calling and sound system controls.

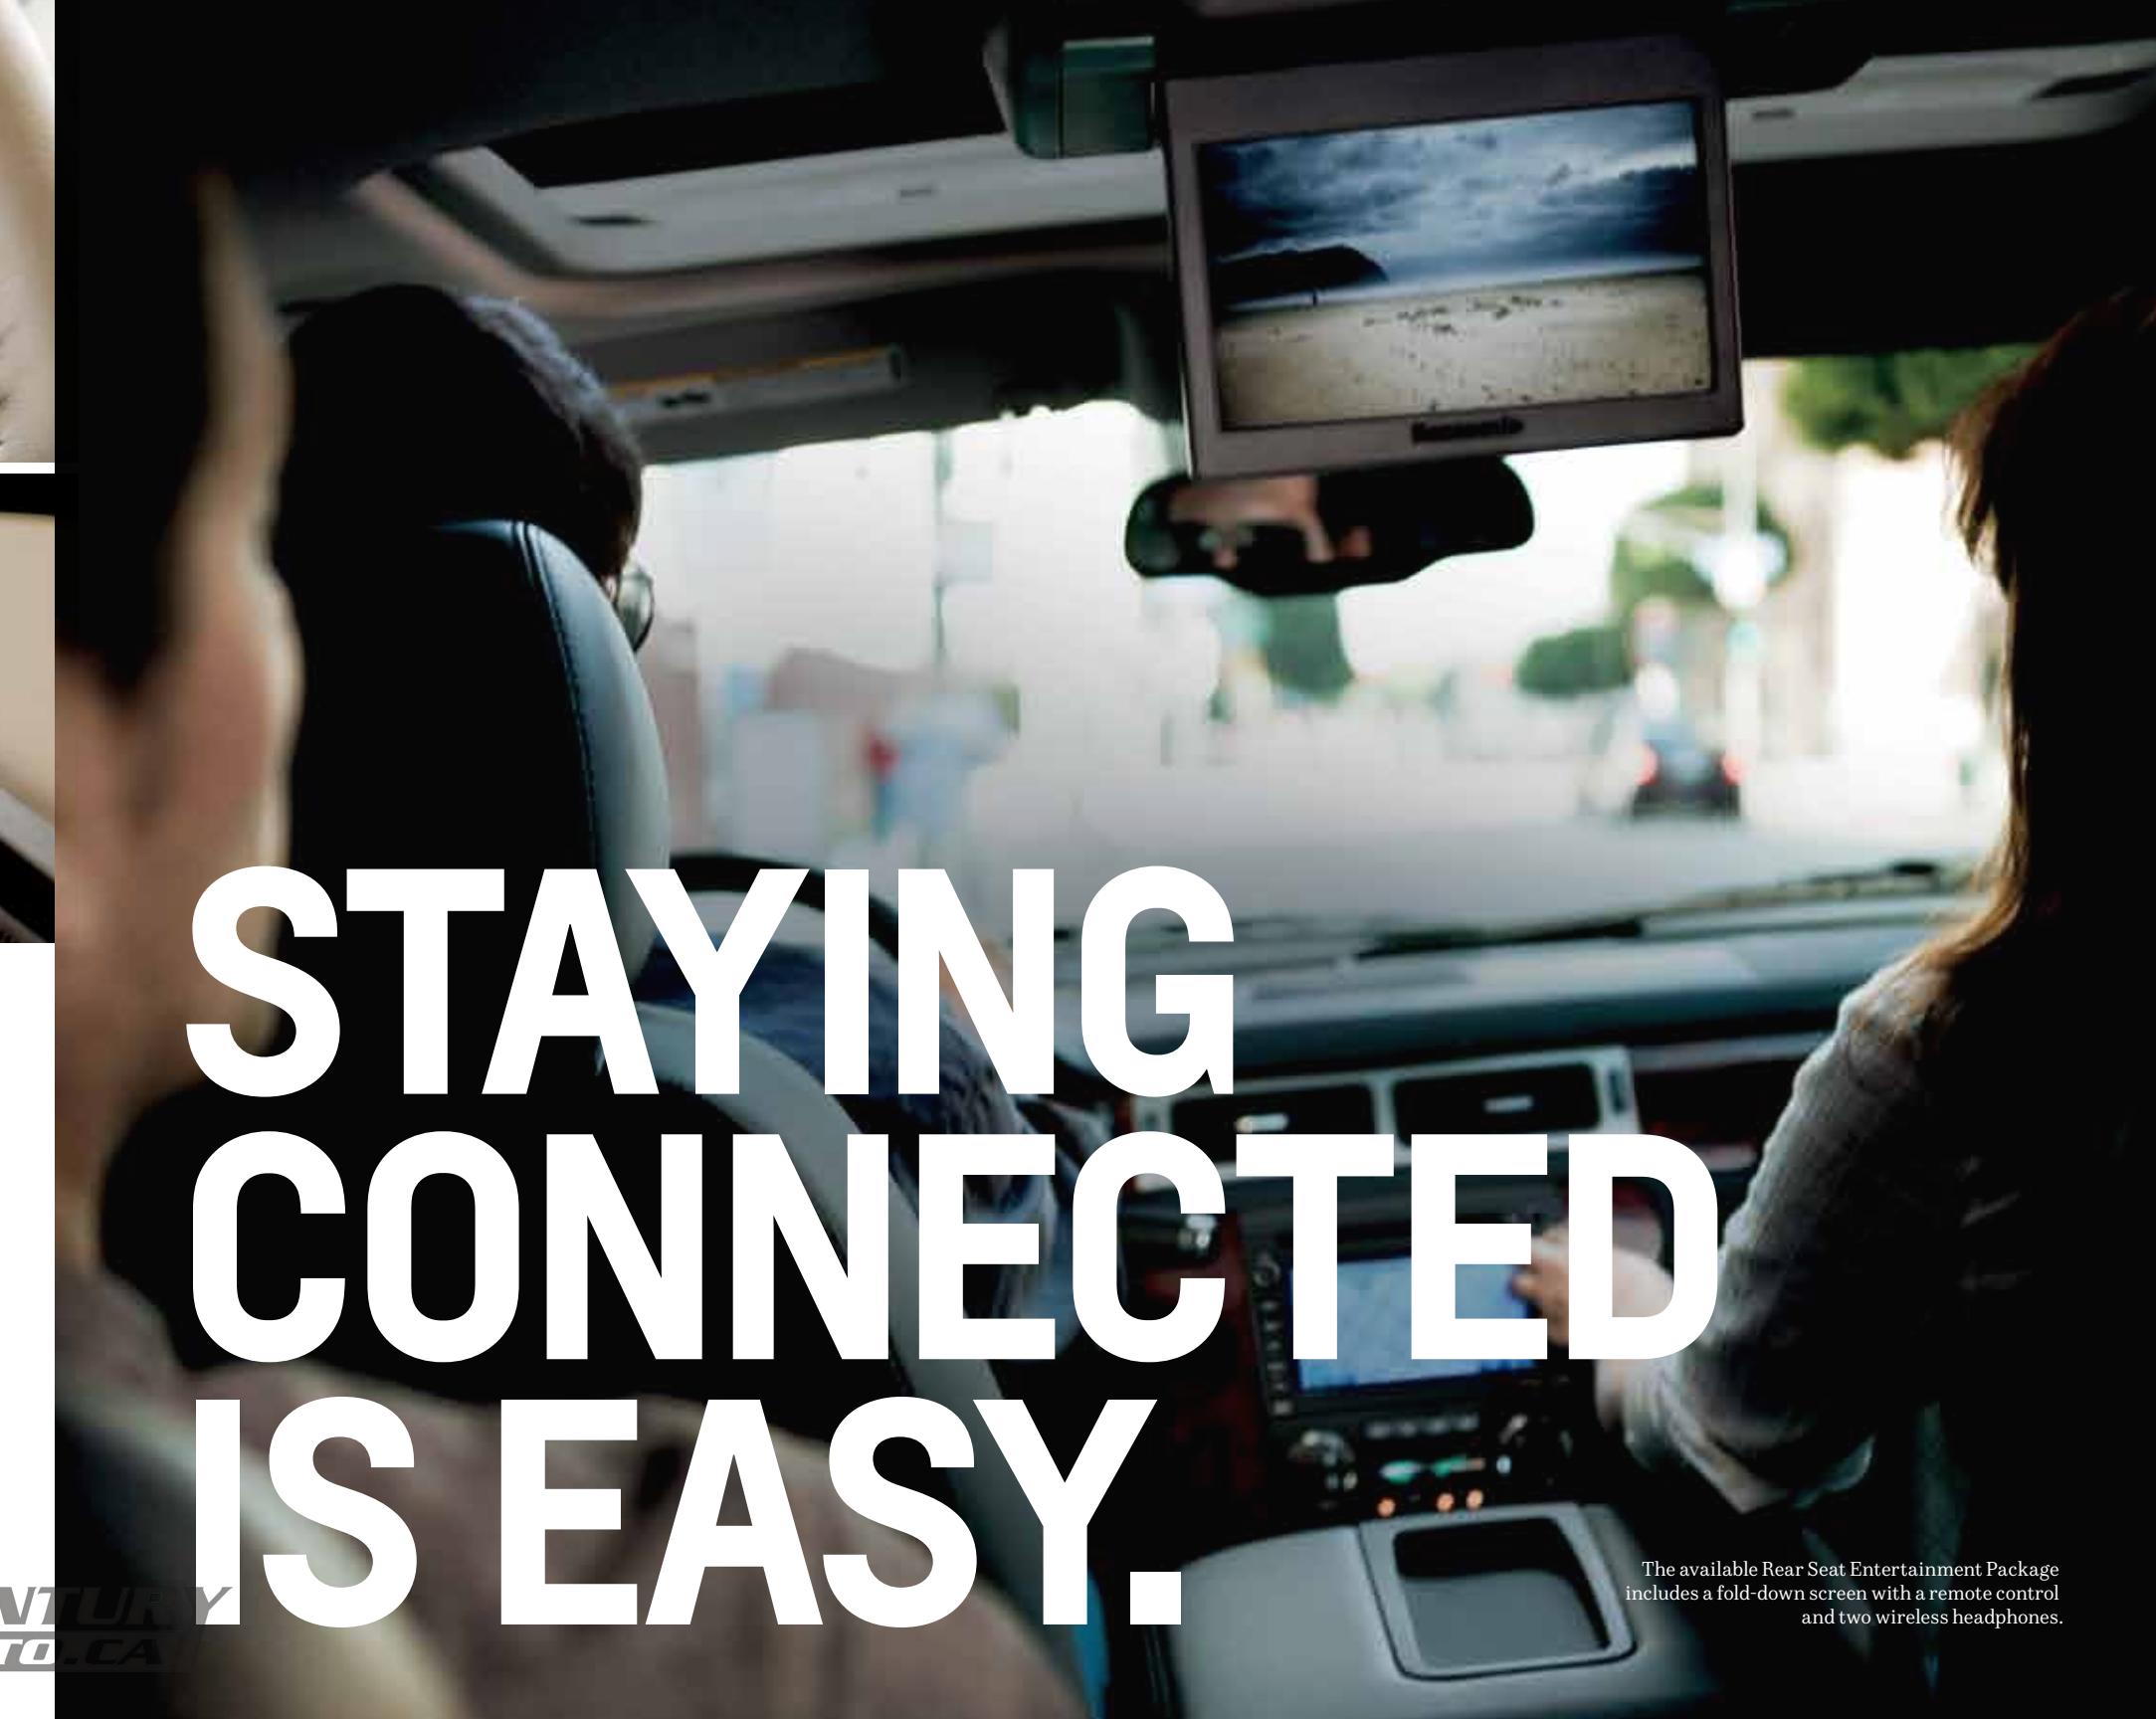

A standard USB port³ enables you to plug in your iPod® or other MP3 player and access your favourite music.

TECHNOLOGY GOES ALONG FOR THE RIDE

Being out in the wild doesn't mean leaving creature comforts behind. You're connected with such standard features as Bluetooth® hands-free phone connectivity that enables you to make, answer and end calls on compatible mobile phones, using standard steering wheel-mounted controls. You're entertained by the music you can access through the standard USB port and the 130 channels of news, talk, comedy and sports programming from the standard XM Satellite Radio.⁴

OnStar[®] with Automatic Crash Response has you covered, and in the event of a collision, an alert can be sent – even if you're unable to respond.

1 Available on select iPhone®, Android™ and BlackBerry® (interim availability) devices. Services vary by phone, vehicle and conditions. Requires an active OnStar® subscription. 2 Requires available remote starter system. 3 Not compatible with all devices. 4 Available in 10 Canadian provinces and the 48 contiguous United States. Subscription sold separately after trial period. Visit xmradio.ca for details. 5 Visit onstar.ca for coverage map, details and system limitations. Services vary by model and conditions. Onstar® acts as a link to existing emergency service providers.

STAYING CONNECTED IS EASY.

The available Rear Seat Entertainment Package includes a fold-down screen with remote control and two wireless headphones.

STILL RUNNING STRONG

PULLING FOR YOU.

Chevy's full-size utility vehicles share these important characteristics: strong performance, incredible towing capabilities and advanced technologies. Whether you need to move quarter horses or tow a boat, these Chevy trucks are built to pull. A heavy-duty boxed frame provides stiffness, while the long wheelbase enhances the ride. Standard electronic trailer sway control, Hill Hold Assist and Tow/Haul Mode transmission features make these trucks even more ideal tow vehicles. An available integrated trailer brake controller helps keep even the heaviest trailers under control. It all adds up to massive towing capacities: up to 3856 kg (8500 lb.) on Tahoe, 3674 kg (8100 lb.) on Avalanche – and a best-in-class 4355 kg (9600 lb.) on Suburban 2500.* That's a whole whack of pulling power.

TOWING

Suburban 2500 has a towing capacity of up to 4355 kg (9600 lb.). The integrated trailer brake controller works in conjunction with the anti-lock braking system.

BOXED FRAME

Suburban is built to pull, thanks to its heavy-duty, fully boxed frame that provides exceptional stiffness.

* Based on Wardsauto.com 2012 Large Sport/Utility segment and the latest competitive information available at time of printing. Excludes other GM models.

POWER UNLEASHED

GREAT POWER WITHOUT SACRIFICE.

When you're looking for that go-to vehicle, you need to take a long look at the range of capabilities that Chevy Tahoe, Suburban and Avalanche can deliver. All are equipped with robust Vortec™ V8 power, combined with advanced fuel-saving technologies. Active Fuel Management® shuts down half the engine's cylinders when power demands are low, while Variable Valve Timing (VVT) optimizes combustion timing to maximize both torque and efficiency. For Tahoe that translates into best-in-class 9.4 L/100 km highway and 14.3 L/100 km city ratings on 4x4 models.* Power – yes. Sacrifice – no.

VORTEC™ 5.3L V8

Standard on Tahoe, Suburban 1500 and Avalanche, the Vortec™ 5.3L V8 delivers an impressive 320 horsepower.

VORTEC™ 6.0L V8

Suburban 2500 is powered by this proven engine that pumps out 352 horsepower.

TRANSMISSION

For excellent driveability and fuel efficiency, a six-speed automatic transmission with two overdrive gears is standard on all Tahoe, Suburban and Avalanche models. Suburban 2500 tops that with a pavement-grabbing 382 lb.-ft. of torque.

TAHOE AND SUBURBAN MODEL OVERVIEW

TAHOE & SUBURBAN LS

TAHOE & SUBURBAN LS

Tahoe and Suburban LS include these standard features:

- 320 hp Vortec™ 5.3L V8 engine with Active Fuel Management® and Variable Valve Timing (VVT) on 1500 models
- 352 hp Vortec™ 6.0L V8 with Variable Valve Timing (VVT) on Suburban 2500 models
- 6-speed automatic transmission with Driver Shift Control and Tow/Haul mode
- 4-wheel vented disc brakes with 4-wheel ABS and Dynamic Rear Proportioning (DRP)
- StabiliTrak® Electronic Stability Control System with Proactive Roll Avoidance, electronic trailer sway control and hill hold assist
- Autotrac™ single-speed electronic transfer case (1500 4x4 models)
- Autotrac™ 2-speed electronic transfer case (Suburban 2500 4x4 models)
- Eaton® automatic locking rear differential
- Trailering Equipment Package
- Power, heated exterior rear-view mirrors
- 17" aluminum with 6-lug wheels; Suburban 2500 models have 8-lug wheels
- Roof rack side rails
- Remote vehicle starter system
- Seating for up to 9, with 40/20/40 split-folding front-row bench seat, 60/40 split-folding second-row bench, and 50/50 third-row bench
- Power windows and door locks
- Power 6-way driver's seat adjuster
- Leather-wrapped steering wheel with Bluetooth®, cruise and audio controls
- Tri-zone manual climate controls and rear auxiliary heater
- CD player, MP3 playback, USB port and auxiliary audio input jack
- XM Satellite Radio™*
- Bluetooth® hands-free phone connectivity
- OnStar®** with 6 months of the Directions & Connections Plan featuring Turn-by-Turn Navigation and OnStar RemoteLink™.

TAHOE & SUBURBAN LT

TAHOE & SUBURBAN 1LT (1SC)

LT (1SC) models enhance LS features with:

- Halogen fog lights
- Roof rack cross bars
- Ultrasonic rear parking assist
- Heated, leather-appointed front bucket seats
- Simulated wood grain accents on instrument panel and door trim
- Power 6-way front-passenger seat adjuster
- Automatic tri-zone climate controls
- Power adjustable pedals
- Centre floor console with two 12-volt power outlets
- Bose® premium 9-speaker audio system with subwoofer
- Rear-seat audio controls
- Universal home remote transmitter.

TAHOE & SUBURBAN 2LT (1SD)

2LT (1SD) enhances LT (1SC) features with:

- Heated, full-feature power exterior rear-view mirrors with colour-keyed caps
- Power 8-way driver adjuster, with power 2-way lumbar adjuster
- Power 8-way front-passenger seat adjuster with power 2-way lumbar adjuster
- Driver's-side 2-position memory function
- Heated 2nd-row outboard seats
- Power release fold-and-tumble 2nd-row seating
- Heated steering wheel
- Auto-dimming interior rear-view mirror.

TAHOE & SUBURBAN LTZ

TAHOE & SUBURBAN LTZ 1500 4X4

LTZ models enhance 2LT (1SD) features with:

- AutoRide™ suspension
- Autotrac™ 2-speed electronic transfer case
- 20" polished aluminum wheels
- Bright chrome grille insert
- Simulated wood grain accents on door trim
- Chrome door handles and mirror caps
- Side Blind Zone Alert
- Power sunroof
- Power rear liftgate
- Heated and cooled perforated leather-appointed power 12-way front bucket seats
- Bose® 10-speaker centre channel audio system including a subwoofer
- Navigation System, with 178 mm (7 in.) colour touch-screen display and 80 GB hard drive
- Rear vision camera with display in navigation screen.

TAHOE HYBRID LT

TAHOE HYBRID LT

Tahoe Hybrid includes many of the Tahoe LT (1SC) features, plus:

- Vortec™ 6.0L V8 LIVC (Late Intake Valve Closing) with Variable Valve Timing (VVT) and Active Fuel Management®
- GM Hybrid Propulsion Electric System
- 300-volt nickel-metal hydride Energy Storage System located under the 2nd-row seat cushion
- 4-wheel vented disc brakes with 4-wheel ABS and Dynamic Rear Proportioning (DRP)
- 4-speed electronic variable automatic transmission
- Regenerative braking system
- Autotrac™ 2-speed electronic transfer case (4x4 models)
- Unique Hybrid aero design grille and fascias
- 18" low mass aluminum wheels
- Navigation System, with 178 mm (7 in.) colour touch-screen display and 80 GB hard drive
- Rear vision camera with display in navigation screen.

AVALANCHE LS

AVALANCHE LS

Avalanche LS includes these standard features:

- 320 hp Vortec™ 5.3L V8 engine with Active Fuel Management® and Variable Valve Timing (VVT) and Variable Valve Timing (VVT) and Active Fuel Management®
- 6-speed automatic transmission with Driver Shift Control and Tow/Haul mode
- GM Hybrid Propulsion Electric System
- 300-volt nickel-metal hydride Energy Storage System located under the 2nd-row seat cushion
- 4-wheel vented disc brakes with 4-wheel ABS and Dynamic Rear Proportioning (DRP)
- 4-speed electronic variable automatic transmission
- Regenerative braking system
- Autotrac™ single-speed electronic transfer case (4x4 models)
- Front recovery hooks
- Autotrac™ 2-speed electronic transfer case (4x4 models)
- Unique Hybrid aero design grille and fascias
- 18" low mass aluminum wheels
- Navigation System, with 178 mm (7 in.) colour touch-screen display and 80 GB hard drive
- Rear vision camera with display in navigation screen.

AVALANCHE LT

AVALANCHE 1LT (1SB)

Avalanche 1LT (1SB) enhances LS features with:

- Front bucket seats
- Power 6-way front passenger seat adjuster with lumbar adjuster
- Simulated wood grain accents on instrument panel and door trim
- 4-wheel vented disc brakes with 4-wheel ABS and Dynamic Rear Proportioning (DRP)
- StabiliTrak® Electronic Stability Control System with Proactive Roll Avoidance, electronic trailer sway control and hill hold assist
- Autotrac™ single-speed electronic transfer case (4x4 models)
- Front recovery hooks
- Autotrac™ 2-speed electronic transfer case (4x4 models)
- Unique Hybrid aero design grille and fascias
- 18" low mass aluminum wheels
- Navigation System, with 178 mm (7 in.) colour touch-screen display and 80 GB hard drive
- Rear vision camera with display in navigation screen.

AVALANCHE LTZ

AVALANCHE 3LT (1SD)

Avalanche 3LT (1SD) enhances 2LT (1SC) features with:

- Heated, full-feature power exterior rear-view mirrors with colour-keyed caps
- Driver's-side 2-position memory function
- Power 8-way driver adjuster, with power 2-way lumbar control adjuster
- Centre floor console with two 12-volt power outlets
- Power 8-way front-passenger seat adjuster with power 2-way lumbar adjuster
- Heated, leather-wrapped steering wheel
- Navigation System, with 178 mm (7 in.) colour touch-screen display and 80 GB hard drive
- Auto-dimming interior rear-view mirror.

AVALANCHE LTZ

AVALANCHE LTZ

Avalanche LTZ enhances 3LT (1SD) features with:

- AutoRide™ suspension
- 20" polished aluminum wheels
- Bright chrome grille insert
- Chrome door handles and mirror caps
- Heated and cooled, perforated leather-appointed power 12-way front bucket seats with 2-position memory function
- Navigation System, with 178 mm (7 in.) colour touch-screen display and 80 GB hard drive
- Auto-dimming interior rear-view mirror.

WARRANTY

IT ISN'T FINE PRINT – IT'S A COMMITMENT.

Chevrolet puts the same care into its warranty and support programs that it does into the cars and trucks it builds. So you can add peace of mind knowing that every Chevrolet is backed by this comprehensive coverage:

- 3-year/60,000 km New Vehicle Limited Warranty*
- 5-year/160,000 km Powertrain Component Limited Warranty, with \$0 deductible on repairs, and the warranty is fully transferable at no charge*
- 5-year/160,000 km Courtesy Transportation*
- 5-year/160,000 km 24/7 Roadside Assistance*
- 6-year/160,000 km rust-through perforation coverage*
- 8-year/130,000 km coverage on catalytic converters and powertrain control modules (PCMs)*
- 8-year/160,000 km coverage on specific hybrid components on Tahoe Hybrid model.*

* Whichever comes first. Conditions and limitations apply; see dealer for details.

OTHER OWNERSHIP PRIVILEGES AND PROGRAMS:**

- GM Protection Plan (GMP) – the only extended service plan backed by the resources and commitment of General Motors, GMPP may be purchased at the time of sale or subsequently during the New Vehicle Limited Warranty period.
- GM Goodwrench Service – with GM-certified technicians and GM-approved parts, nobody knows your GM vehicle better.
- Chevrolet Owner Centre – as an owner, take advantage of the Chevrolet Owner Centre. This online owner's destination gives you access to coupons, contests, current offers and the latest driving and maintenance tips. Find out more at ChevroletOwner.ca

** Conditions and limitations apply.

TO HELP YOU PURCHASE OR LEASE A NEW VEHICLE:

- Purchase Financing and Leasing – on-the-spot financing, see your dealer for full details!.
- GM Student Bonus Program – students or recent graduates of high school, college or university** may be entitled to receive a Student Bonus vehicle redemption allowance of \$500 or \$750† (tax inclusive) (purchased vehicle dependant) to use towards the purchase, lease or finance of one eligible new Chevrolet vehicle.
- The GM Card – GM cardholders may redeem up to \$3500 GM Card® Earnings (subject to Vehicle Redemption Allowances) toward the Total Purchase Price on eligible new GM vehicles††. For full program details please visit thegmcard.ca

† Subject to eligibility. †† Program subject to change. ** Conditions and limitations apply.

INFORMATION RESOURCES:

You can find more information about these programs from your GM dealer, or at these information centres:
 • The GM website at gm.ca
 • The GM Customer Care Centre at 1-800-GM-DRIVE (1-800-463-7483 or 1-800-263-3830 for TDD users).

A WORD ABOUT THIS BROCHURE

Some of the equipment shown or described throughout this brochure may be available at extra cost. We have tried to make this brochure comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colours, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this brochure and other printed materials provided at the dealership or affixed to vehicles are approximates based upon design and engineering drawings and prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been adapted since the time of the printing, please check with your GM dealer for complete details. General Motors of Canada Limited reserves the right to lengthen or shorten the model year for any product, for any reason, or to start and end model years at different times.

A WORD ABOUT ASSEMBLY

GM vehicles are equipped with engines and components produced and assembled by different operating units of General Motors, its subsidiaries and suppliers and these engines and components may change or be obtained from different sources from time to time. All such engines and components are approved for use in GM vehicles. Certain equipment ordered may be unavailable at the time of assembly and we suggest that you verify that your vehicle includes the equipment you ordered, or if there are changes, that they are acceptable to you.

TRADEMARKS

The marks appearing in this brochure including, but not limited to: General Motors, GM, Chevrolet, the Chevrolet emblem, Avalanche, Suburban, Tahoe, Z71 and their respective logos, emblems, slogans and vehicle model names and body designs; and other marks such as Active Fuel Management, AutoRide, Autotrac, Convert-A-Cab, Midgate, StabiliTrak and Vortec are trademarks of General Motors and/or General Motors of Canada Limited, its subsidiaries, affiliates or licensors.

OnStar and the OnStar emblem are registered trademarks and OnStar RemoteLink is a trademark of OnStar, LLC.

TheftLock is a registered trademark of Delphi Technologies, Inc.

The XM name and related logos are trademarks of XM Canada, Canadian Satellite Radio Inc.

Radio Data System (RDS) is a registered trademark of the U.S. National Association of Broadcasters.

Bluetooth is a registered trademark of Bluetooth SIG Inc.

Bose is a registered trademark of the Bose Corporation.

Twitter is a trademark of Twitter, Inc.

YouTube is a registered trademark and Android is a trademark of Google Inc.

ACCESSORIES

IT'S TIME TO ACCESSORIZE.

Now's the time to put your personal stamp on your vehicle with the addition of Chevrolet Accessories. They are the only accessories that were created as part of your Chevrolet's development process. That ensures they offer the same quality of fit, finish and function as the rest of your vehicle. They are backed by the 3-year/60,000 km New Vehicle Limited Warranty* and can be included in your lease or finance agreement. Ask your dealer for a complete list of the Chevrolet Accessories available for Tahoe, Suburban and Avalanche, or visit chevrolet.ca

* Whichever comes first, when permanently installed by the dealer at the time you purchase or lease your new vehicle, or for the remainder of the New Vehicle Limited Warranty if installed after the time of your vehicle purchase, but no less than 12 months or 20,000 km, whichever comes first.

Seven billion people. One road.

Movement is the universal language of personal freedom. Our founder Louis Chevrolet spoke it fluently. As a Swiss immigrant, he came to North America with a dream of racing cars. He wished for everyone – not just the rich or entitled – to experience the exhilaration he felt behind the wheel.

In 1911, he began building his first car. One hundred years later, a new Chevrolet is sold every 6.6 seconds. That amounts to 4.76 million vehicles in more than 140 countries – more than Louis Chevrolet could ever have imagined.

The depth of our heritage and passion is evident in everything we do here at Chevrolet. It's ingrained in the bold design, spirited performance, proven durability and exceptional value our drivers enjoy. It empowers us to be leaders in innovation. And it inspires us to continuously raise the bar – today, tomorrow and into what promises to be a bright future.

Currently, we are pioneering new propulsion technologies to meet the demanding energy and environmental needs of a global automotive brand. We're also employing alternative energy sources and investing in fuel-saving technologies to help reduce our carbon footprint with the goal of reducing 8 million metric tons of carbon dioxide emissions over the next few years.

Our global reach is expanding, yet our mission remains the same. We want every customer to feel like family – no matter where you are in the world. And no matter where you're going, we want you to enjoy the ride in a Chevrolet.

From the vision of one man to the movement of millions, it's been a remarkable journey. And at Chevrolet, we're just getting started.
