

Seven billion people. One road.

Movement is the universal language of personal freedom. Our founder Louis Chevrolet spoke it fluently. As a Swiss immigrant, he came to North America with a dream of racing cars. He wished for everyone – not just the rich or entitled – to experience the exhilaration he felt behind the wheel.

In 1911, he began building his first car. One hundred years later, a new Chevrolet is sold every 6.6 seconds. That amounts to 4.76 million vehicles in more than 140 countries – more than Louis Chevrolet could ever have imagined.

The depth of our heritage and passion is evident in everything we do here at Chevrolet. It's ingrained in the bold design, spirited performance, proven durability and exceptional value our drivers enjoy. It empowers us to be leaders in innovation. And it inspires us to continuously raise the bar – today, tomorrow and into what promises to be a bright future.

Currently, we are pioneering new propulsion technologies to meet the demanding energy and environmental needs of a global automotive brand. We're also employing alternative energy sources and investing in fuel-saving technologies to help reduce our carbon footprint with the goal of reducing 8 million metric tons of carbon dioxide emissions over the next few years.

Our global reach is expanding, yet our mission remains the same. We want every customer to feel like family – no matter where you are in the world. And no matter where you're going, we want you to enjoy the ride in a Chevrolet.

From the vision of one man to the movement of millions, it's been a remarkable journey. And at Chevrolet, we're just getting started.

2013 CHEVY SONIC

We designed Sonic to be a car of firsts. It's the first and only car in its class to earn a 5-Star Overall Safety Rating from the U.S. National Highway Traffic Safety Agency (NHTSA).¹ Not coincidentally, it's also the first and only car in its class with up to 10 airbags.² It's the only car in its class with an available turbocharged engine and the first car to skydive, bungee jump, kickflip and star in a music video.³ And after its first year, Sonic was recognized by J.D. Power and Associates as having the "Highest Ranked Vehicle Appeal among Sub-Compact Cars"³ in the 2012 APEAL Study. This study looked at the exterior styling, seating and storage space, comfort, convenience and other factors. Now Sonic is ready to take on your firsts. It was built for people who try new things, seek discovery and live life to the fullest. Sonic is a ton of fun to drive – and it has a highway fuel consumption rating of just 5.1 L per 100 km.⁴ Ushering in a world of excitement, Sonic invites everyone to experience their own firsts with three words: Let's do this!

¹ Applies only to LTZ and RS models or LS and LT models equipped with the available Peace of Mind Package. Based on WardsAuto.com 2012 Lower Small segment. U.S. Government 5-Star Safety Ratings are part of the National Highway Traffic Safety Administration's (NHTSA's) New Car Assessment Program (safercar.gov). ² Based on WardsAuto.com 2012 Lower Small segment and latest competitive information available at time of printing. ³ The Chevrolet Sonic received the highest numerical score among sub-compact cars in the proprietary J.D. Power and Associates 2012 Automotive Performance, Execution and Layout (APEAL) Study.™ Study based on responses from 74,759 new-vehicle owners, measuring 233 models and measuring opinions after 90 days of ownership. Proprietary study results are based on experiences and perceptions of owners surveyed February – May 2012. Your experiences may vary. Visit jdpower.com. ⁴ Sonic with available 1.4L turbo engine and 6-speed manual transmission. Fuel consumption ratings based on GM testing in accordance with approved Transport Canada test methods. Your actual fuel consumption may vary.

RS: SONIC TO THE MAX

Say hello to the newest Sonic model. Amped up from the inside out, Sonic RS is begging you to hit the road and never look back. The standard turbocharged engine is complemented perfectly by a lowered and stiffened suspension with performance-tuned dampers and a unique sport exhaust. This is the ultimate Sonic driving experience. Get your adrenaline going as you slide into the heated, leather-appointed

front bucket seats with suede microfibre inserts and grab hold of the leather-wrapped sport steering wheel with racing-inspired flat-bottom design. The performance of Sonic is matched by an interior that is upgraded with unique centre stack trim and contrasting red stitching throughout. Enhanced from the ground up, the RS is an impressive balance of savvy and power.

HOME SWEET SONIC

JUST BECAUSE YOU'RE ON THE ROAD DOESN'T MEAN YOU SHOULD BE AWAY FROM THE CONVENIENCES OF HOME.

01 CHEVROLET MYLINK™

Chevrolet MyLink™ radio starts with a 178 mm (7 in.) colour touch-screen that lets you stay connected in style. A customizable menu taps you into everything you need. The USB port² allows convenient access to the music library stored on your compatible USB device. And Bluetooth® wireless technology lets you listen to music from your compatible smartphone, plus make phone calls – all with the touch of a fingertip. When the vehicle is stopped,

users can play video and even display personal photo albums onto the screen from their phone. BringGo³ recently published a new navigation app for your compatible smartphone. Later in the model year, Chevrolet plans to make software available that will enable Sonic owners to use this navigation app through their vehicle's available Chevrolet MyLink™ radio.

02 & 03 BLUETOOTH® WIRELESS TECHNOLOGY, USB PORT AND AUXILIARY AUDIO INPUT JACK

Take calls and stream your music without ever taking your hands off the steering wheel through the connectivity of standard Bluetooth® wireless technology for select phones and steering wheel-mounted controls. Bluetooth® connectivity for your phone is standard on every model, and Bluetooth® audio streaming is standard on LT, LTZ and RS models. You can also access your personal playlists by plugging your iPod® or MP3 player into the auxiliary audio input jack or your music-loaded flash drive into the available USB port.²

04 ONSTAR REMOTELINK™/ MYCHEVROLET MOBILE APPS

Sonic keeps you in the loop with the OnStar RemoteLink™⁴ and myChevrolet⁵ mobile apps. With OnStar RemoteLink™⁴, you can remotely lock or unlock your doors, check vehicle diagnostics or even remotely start your Sonic (when equipped with the available remote vehicle starter system).⁶ With the myChevrolet⁵ mobile app, you'll never get lost in a parking lot with a map reminder. Want to schedule a service appointment? It's done in a click.

05 SIRIUSXM SATELLITE RADIO™

Tune in to available SiriusXM Satellite Radio™ and hear everything you want, all in one place. You'll get commercial-free music from every genre, live sports play-by-play and the best in talk, news and entertainment – all at the touch of a button. A three-month trial comes standard on LT, LTZ and RS models.⁷

06 ONSTAR® TURN-BY-TURN NAVIGATION

Getting lost will be a thing of the past with Sonic. Having OnStar® Turn-by-Turn Navigation,⁸ standard for six months, means you can be connected to an Advisor who will help you get to your destination anytime, day or night.

¹MyLink™ functionality varies by model. Full functionality requires compatible Bluetooth® and smartphone and USB connectivity for some devices. MyLink™ on Sonic does not include functionality such as enhanced voice recognition, Gracenote® and CD player. ²Not compatible with all devices. ³BringGo app must be purchased separately. Requires compatible smartphone. Data plan rates apply. See your dealer for more information. ⁴Available on select iPhone®, Android™ and BlackBerry® (interim availability) devices. Services vary by phone, vehicle and conditions. Requires active OnStar® subscription. ⁵Requires iPhone® or Android™ platform. ⁶Requires available 6-speed automatic transmission. ⁷Available in 10 Canadian provinces and the 48 contiguous United States. Subscription sold separately after trial period. Visit siriusxm.ca for details. ⁸Visit onstar.ca for coverage map, details and system limitations. Services vary by model and conditions.

WHEREVER THE ROAD TAKES YOU

WHEN THE ROAD CALLS, YOU ANSWER

Sonic has the perfect balance of power and efficiency. So whether it's hitting a skate park or the beach, or just merging with traffic, you'll enjoy driving a car that sprints from 0-96 km/h in under 8 seconds on the test track.¹ Great performance is just as important as low fuel consumption – as in a 5.1 L/100 km highway fuel consumption rating.² Which is why Sonic delivers both.

Sonic LTZ Sedan shown in Silver Ice Metallic with available features.

Sonic LTZ Hatchback shown in Inferno Orange Metallic (extra-cost colour) with available features.

THEY SAY ADVENTURE IS JUST OVER THE NEXT HILL

Sonic models with manual transmissions come with Hill Start Assist, which keeps the brakes engaged on steep inclines, for one and a half seconds, while you transition from the brake pedal to the gas pedal, then automatically releases once you press down on the accelerator. Or you could opt for the available 6-speed automatic transmission with thumb-controlled gear selection on the shifter.

¹ When equipped with available 1.4L turbocharged engine and 6-speed manual transmission. ² Sonic with available 1.4L turbo engine and 6-speed manual transmission. Fuel consumption ratings based on GM testing in accordance with approved Transport Canada test methods. Your actual fuel consumption may vary.

ROOM FOR EVERYTHING

Sonic RS Hatchback shown in Victory Red.

CENTURY
AUTO.CA

WHEN YOU'RE HEADED OUT, PACK UP YOUR BOARDS, YOUR GAMES OR ANYTHING ELSE

Sonic Hatchback offers loads of flexible cargo space: 539 L (19.0 cu. ft.) with the rear seats up and an astonishing 1351 L (47.7 cu. ft.) with them folded down. And with its 60/40 split-folding rear seat, you'll be able to find a configuration that's just right. Sonic Sedan offers 422 L (14.9 cu. ft.) of trunk space, which is more room than Honda Civic and Toyota Corolla.¹ Cargo space isn't the only thing Sonic owners have to gloat about: Sonic was named one of Ward's 10 Best Interiors in 2012, joining the ranks of Audi, Land Rover and Infiniti. The dual-cockpit interior and motorcycle-inspired instrument cluster with graphite silver accents get your blood pumping before you even turn the key. So whatever you're loading up, Sonic is versatile enough to bring everything you need in style.

¹Based on latest competitive information available at time of printing.

Sonic LTZ Hatchback shown in Silver Ice Metallic.

★★★★★ OVERALL VEHICLE SCORE FOR SAFETY¹

5-STAR SAFETY RATING

Sonic boasts aggressive styling and impressive power, but make no mistake – with Sonic, safety is a priority. Sonic is the first and only car in its class to receive a 5-Star Overall Safety Rating from NHTSA¹ and was also named a 2012 Top Safety Pick by the Insurance Institute for Highway Safety (IIHS).²

FIRST IN SAFETY

Sonic is the first and only car in its class with up to 10 available airbags.³ It also has extensive accident-avoidance features, like 4-wheel anti-lock brakes and the StabiliTrak[®] Electronic Stability Control System with Panic Brake Assist and Electronic Brake Force Distribution to help keep collisions from happening in the first place.

SELF-PROTECTION

Sonic comes ready to defend itself against would-be intruders with an engine immobilizer that will stop them in their tracks. Using GPS, an OnStar[®] Advisor can pinpoint the exact location of the vehicle and relay the information to authorities. OnStar[®] Stolen Vehicle Assistance comes standard for the first six months.⁴

ONSTAR[®]

In many collisions, crash data can be sent to OnStar[®] via Automatic Crash Response.⁵ Trained Advisors utilize GPS technology to pinpoint your exact location and can request that emergency help be sent right away – even if you're unable to respond. It's part of the OnStar[®] Directions & Connections Plan, standard for six months.

¹ Applies only to LTZ and RS models or LS and LT models equipped with the available Peace of Mind Package. U.S. Government 5-Star Safety Ratings are part of the National Highway Traffic Safety Administration's (NHTSA's) New Car Assessment Program (www.safercar.gov). ² Applies only to LTZ and RS models or LS and LT models equipped with the available Peace of Mind Package. For more information, visit iihs.org/ratings. ³ Based on WardsAuto.com 2012 Lower Small segment and latest competitive information available at time of printing. Always use safety belts and the correct restraint for your child's age and size. Even in vehicles equipped with the passenger detecting system, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with a passenger airbag. See the Owner's Manual and the child safety seat instructions for more safety information. ⁴ Visit onstar.ca for coverage map, details and system limitations. Services vary by model and conditions. OnStar[®] acts as a link to existing emergency service providers.

SONIC MODEL OVERVIEW

SONIC LS HATCHBACK AND SEDAN

Sonic LS includes these standard features:

- 138 hp 1.8L ECOTEC® 4-cylinder engine with Variable Valve Timing (VVT)
- GM Oil Life Monitoring System
- 5-speed manual transmission with Hill Start Assist (6-speed automatic available)
- 4-wheel Anti-lock Braking System (ABS)
- StabiliTrak® Electronic Stability Control System
- Traction control
- MacPherson strut independent front suspension and rear suspension with semi-independent torsion beam axle and coil springs
- 15-in. steel wheels with bolt-on wheel covers
- Liftgate-mounted rear spoiler (*Hatchback*)
- Remote keyless entry system
- 6 airbags

- Driver Information Centre
- Power door locks
- Tilt and telescopic steering column
- Steering wheel-mounted Bluetooth® and audio system controls
- Front bucket seats
- Manual 4-way driver's seat adjuster
- Cloth seating surfaces
- 60/40 split-folding rear seatbacks
- 4-speaker audio system with AM/FM stereo and auxiliary audio input jack
- Bluetooth® hands-free phone connectivity
- OnStar® with 6 months of the Directions & Connections Plan featuring Turn-by-Turn Navigation¹ and OnStar RemoteLink™.²

SONIC LT HATCHBACK AND SEDAN

Sonic LT enhances LS features with:

- 15-in. painted aluminum wheels (*Hatchback*)
- Heated, power exterior mirrors
- Content theft alarm
- Air conditioning with air filtration system
- Power windows with driver's-side express up/down feature
- Cruise control with steering wheel-mounted controls
- Premium cloth seating surfaces
- Heated driver and front-passenger seats (*Hatchback*)
- 4-speaker audio system with CD player, MP3 playback and auxiliary audio input jack
- USB port³
- Bluetooth® wireless audio streaming
- SiriusXM Satellite Radio™.⁴

SONIC LTZ HATCHBACK AND SEDAN

Sonic LTZ enhances LT features with:

- 138 hp 1.4L ECOTEC® turbocharged 4-cylinder engine with Variable Valve Timing (VVT)
- 6-speed manual transmission
- 17-in. painted aluminum wheels
- Fog lights
- Rear deck-lid spoiler (*Sedan*)
- 10 airbags
- Tire pressure monitoring system
- Leather-wrapped steering wheel with Bluetooth®, cruise and audio system controls
- Perforated leatherette seating surfaces
- Heated driver and front-passenger seats (*Sedan*)
- 6-speaker audio system.

SONIC RS HATCHBACK

Sonic RS enhances LTZ features with:

- 4-wheel disc brakes with ABS
- 17-in. Midnight Silver painted aluminum wheels
- Sport suspension
- Black-finished exterior mirrors
- Unique RS front and rear fascias
- Unique rocker panel mouldings
- Unique RS liftgate-mounted rear spoiler
- Leather-appointed seating surfaces with sueded microfibre inserts
- Leather wrapped steering wheel with contrasting stitching and flat-bottom design
- Leather-wrapped shifter
- Chevrolet MyLink™ entertainment and communications system with 178 mm (7 in.) colour touch-screen display.

¹ Visit onstar.ca for coverage map, details and system limitations. Services vary by model and conditions. ² Available on select iPhone®, Android™ and BlackBerry® (interim availability) devices. Services vary by phone, vehicle and conditions. Requires active OnStar® subscription. ³ Not compatible with all devices. ⁴ Available in 10 Canadian provinces and the 48 contiguous United States. Subscription sold separately after trial period. Visit siriusxm.ca for details.

WARRANTY

IT ISN'T FINE PRINT – IT'S A COMMITMENT.

Chevrolet puts the same care into its warranty and support programs that it does into the cars and trucks it builds. So you can add peace of mind knowing that every Chevrolet is backed by this comprehensive coverage:

- 3-year/60,000 km New Vehicle Limited Warranty*
- 5-year/160,000 km Powertrain Component Limited Warranty, with \$0 deductible on repairs and the warranty is fully transferable at no charge*
- 5-year/160,000 km Courtesy Transportation*
- 5-year/160,000 km 24/7 Roadside Assistance*
- 6-year/160,000 km rust-through perforation coverage*
- 8-year/130,000 km coverage on catalytic converters and powertrain control modules (PCMs).*

* Whichever comes first. Conditions and limitations apply; see dealer for details.

OTHER OWNERSHIP PRIVILEGES AND PROGRAMS:**

- **GM Protection Plan (GMPP)** – the only extended service plan backed by the resources and commitment of General Motors, GMPP may be purchased at the time of sale or subsequently during the New Vehicle Limited Warranty period
- **GM Goodwrench Service** – with GM-certified technicians and GM-approved parts, nobody knows your GM vehicle better

INFORMATION RESOURCES:

You can find more information about these programs from your GM dealer, or at these information centres:

- The GM website at gm.ca
- The GM Customer Care Centre at 1-800-GM-DRIVE (1-800-463-7483 or 1-800-263-3830 for TDD users).

A WORD ABOUT THIS BROCHURE

Some of the equipment shown or described throughout this brochure may be available at extra cost. We have tried to make this brochure comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colours, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this brochure and other printed materials provided at the dealership or affixed to vehicles are approximates based upon design and engineering drawings and prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been adapted since the time of the printing, please check with your GM dealer for complete details. General Motors of Canada Limited reserves the right to lengthen or shorten the model year for any product, for any reason, or to start and end model years at different times.

A WORD ABOUT ASSEMBLY

GM vehicles are equipped with engines and components produced and assembled by different operating units of General Motors, its subsidiaries and suppliers and these engines and components may change or be obtained from different sources from time to time. All such engines and components are approved for use in GM vehicles. Certain equipment ordered may be unavailable at the time of assembly and we suggest that you verify that your vehicle includes the equipment you ordered, or if there are changes, that they are acceptable to you.

TRADEMARKS

The marks appearing in this brochure including, but not limited to: General Motors, GM, Chevrolet, the Chevrolet emblem, Sonic, and their respective logos, emblems, slogans and vehicle model names and body designs; and other marks such as ECOTEC, MyLink, StabiliTrak and Twilight Sentinel are trademarks of General Motors and/or General Motors of Canada Limited, its subsidiaries, affiliates or licensors.
