

Seven billion people. One road.

Movement is the universal language of personal freedom. Our founder Louis Chevrolet spoke it fluently. As a Swiss immigrant, he came to North America with a dream of racing cars. He wished for everyone – not just the rich or entitled – to experience the exhilaration he felt behind the wheel.

In 1911, he began building his first car. One hundred years later, a new Chevrolet is sold every 6.6 seconds. That amounts to 4.76 million vehicles in more than 140 countries – more than Louis Chevrolet could ever have imagined.

The depth of our heritage and passion is evident in everything we do here at Chevrolet. It's ingrained in the bold design, spirited performance, proven durability and exceptional value our drivers enjoy. It empowers us to be leaders in innovation. And it inspires us to continuously raise the bar – today, tomorrow and into what promises to be a bright future.

Currently, we are pioneering new propulsion technologies to meet the demanding energy and environmental needs of a global automotive brand. We're also employing alternative energy sources and investing in fuel-saving technologies to help reduce our carbon footprint with the goal of reducing 8 million metric tons of carbon dioxide emissions over the next few years.

Our global reach is expanding, yet our mission remains the same. We want every customer to feel like family – no matter where you are in the world. And no matter where you're going, we want you to enjoy the ride in a Chevrolet.

From the vision of one man to the movement of millions, it's been a remarkable journey. And at Chevrolet, we're just getting started.

OUTRUN FUEL COSTS

CROSS OVER TO EQUINOX

If you need a crossover that fits your lifestyle, Equinox is the way to go. With 6.1L/100 km highway and 9.2 L/100 km city fuel efficiency ratings,¹ it will take you on your journey efficiently. Wherever the destination, you'll travel farther for less. For added peace of mind, Equinox was named a 2012 Top Safety Pick by the Insurance Institute for Highway Safety.²

¹2013 Chevy Equinox FWD, equipped with standard 2.4L ECOTEC® I-4 engine, fuel consumption ratings based on GM testing in accordance with approved Transport Canada test methods. Your actual fuel consumption may vary. ²For more information, visit iihs.org/ratings

PERFORMANCE TIMES TWO

TWO ENGINES, NO COMPROMISES

Equinox lets you choose either the advanced 182 horsepower ECOTEC® 2.4L DOHC 4-cylinder engine that balances power and efficiency or the new available 3.6L V6 engine delivering 301 horsepower and 272 lb.-ft. of torque. With a 0–96 km/h (0–60 mph) acceleration time of just 6.7 seconds,¹ the new V6 Equinox makes a powerful statement. With either engine, you'll enjoy smooth, responsive performance.

¹With available all-wheel drive.

THE GREAT INDOORS

Even inside, Equinox stands out. Available leather-appointed seating features two-tone panels and contrast-colour stitching. Standard features include a tilt and telescoping steering wheel and ice-blue ambient lighting, which adds to the driving experience. Heated front seats – standard on 2LT and LTZ – are another unexpected luxury. Up to five people can enjoy uncompromising comfort – and a quiet ride as well, thanks to special acoustic-laminated glass and Active Noise Cancellation on 4-cylinder models.

MULTI-FLEX® SLIDING REAR SEAT

This ingenious 60/40 split-folding seat folds flat to create 1803 L (63.7 cu. ft.) of maximum cargo space.¹ Slide it all the way back to add 200 mm (7.9 in.) of rear legroom – the most in its class.² Or, slide the seat forward to add extra storage space.

AVAILABLE 8-WAY POWER FRONT SEATS

Equinox has got your back. Power lumbar support and vertical height adjustment are standard on the driver seat in every model. For added convenience, power 8-way seats are available for both the driver and front passenger.

AVAILABLE REAR SEAT ENTERTAINMENT SYSTEM

The available DVD rear seat entertainment system combines dual front seatback-mounted monitors with wireless headphones. Entertainment for the family – peace and quiet for you.

¹ With 2nd-row seats folded flat. Cargo and load capacity limited by weight and distribution. ² Based on 2012 Wardsauto.com Middle Cross/Utility Vehicle segmentation and latest published competitive information available at the time of printing. Excludes other GM vehicles.

CHEVROLET MYLINK™

Travelling the road of life just got easier. Chevrolet MyLink™¹ standard on LT and LTZ, integrates content from your compatible smartphone to a 178 mm (7 in.) diagonal colour touch screen. Use voice commands or touch controls to access contacts, initiate hands-free calling, or play music from your MP3 player, flash drive or compatible smartphone with Bluetooth® audio streaming. It's easy to stay connected when you have Chevrolet MyLink™.

¹ MyLink™ functionality varies by model. Full functionality requires compatible Bluetooth® and smartphone, and USB connectivity for some devices. ² Not compatible with all devices. ³ Data plan rates apply.

CHEVROLET MYLINK™ WITH NAVIGATION

Available touch-screen navigation integrates seamlessly with Chevrolet MyLink™. Use voice commands or touch-screen controls to set destinations, choose your map view, or activate turn-by-turn directions.

USB PORT²

Small feature. Big difference. Equinox features a USB port² to plug in your smartphone, iPod®, MP3 player or music-loaded flash drive and enjoy personalized listening on the road. It will even keep certain devices charged.

SMARTPHONE APP INTEGRATION

Chevrolet MyLink™ integrates Stitcher SmartRadio™³ apps with the centre stack touch-screen controls, so you can stream your personalized radio selections direct from your smartphone. Gracenote® identifies songs in your music libraries and displays artist information and album art.

POWER-PROGRAMMABLE LIFTGATE

Equinox can be equipped with a power liftgate that makes loading and unloading everything and anything easier. You can even customize the height of the liftgate to clear the opening of your garage door.

1803 L (63.7 CU. FT.) OF MAXIMUM CARGO SPACE*

Fold either side – or both sides – of the 60/40 split-folding rear seat and say hello to the great indoors. How much space is available inside Equinox? Enough to live life without compromise – and take a whole lot of it with you.

*With 2nd-row seats folded flat. Cargo and load capacity limited by weight and distribution.

FUN FOLLOWS FUNCTION

INTELLIGENTLY BEAUTIFUL

Equinox designers set out to create an uncompromising design that's beautiful, reduces wind drag, and helps boost fuel efficiency. Sculpted lines and exterior accents add style to the equation. Available roof rack side rails are integrated smartly as well, making it easy to add available cross bars or dealer-installed Chevy Accessories so you can carry everything from bikes to boards to skis.

ADVANCED SAFETY

AN UNCOMPROMISING COMMITMENT
TO YOUR WELL-BEING

Equinox was designed to meet your expectations for a comprehensive safety package in an advanced crossover. Available Forward Collision Alert and Lane Departure Warning notify you of potential trouble. Also poised to enhance safety is the StabiliTrak® Electronic Stability Control System that monitors the road for slick conditions through a combination of stability and traction control technologies. And integrated blind spot mirrors enhance

the ability to see traffic that may be obscured. If a collision does occur, six standard airbags¹ and front safety belt pre-tensioners respond – while LATCH (Lower Anchors and Top tethers for Children) helps keep car seats secure. After a collision, OnStar®,² standard for six months, with Automatic Crash Response² alerts an Advisor to your exact location – even if you're unable to respond. That's safety you can believe in.

Equinox LTZ shown in
Champagne Silver Metallic
(interim availability) with available features.

FORWARD COLLISION ALERT

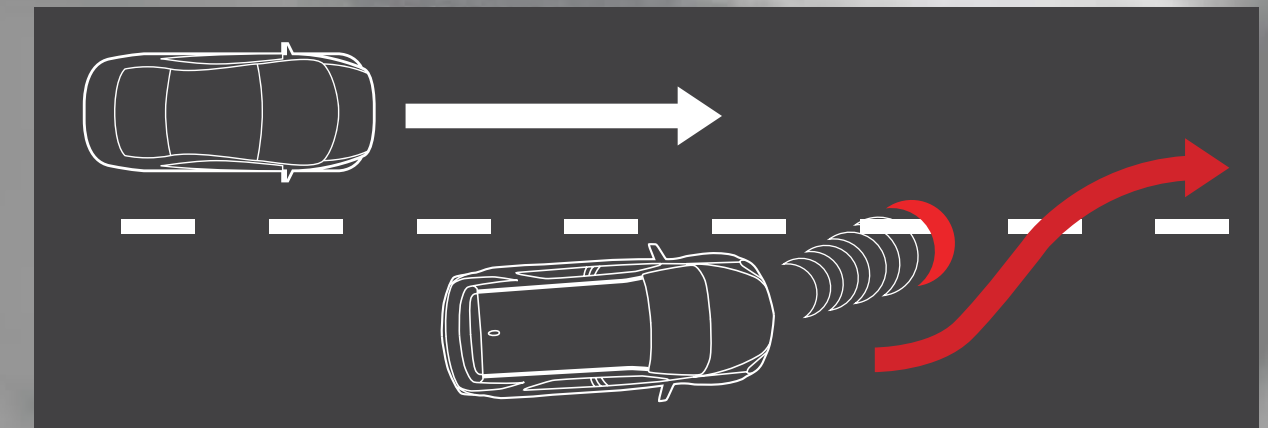

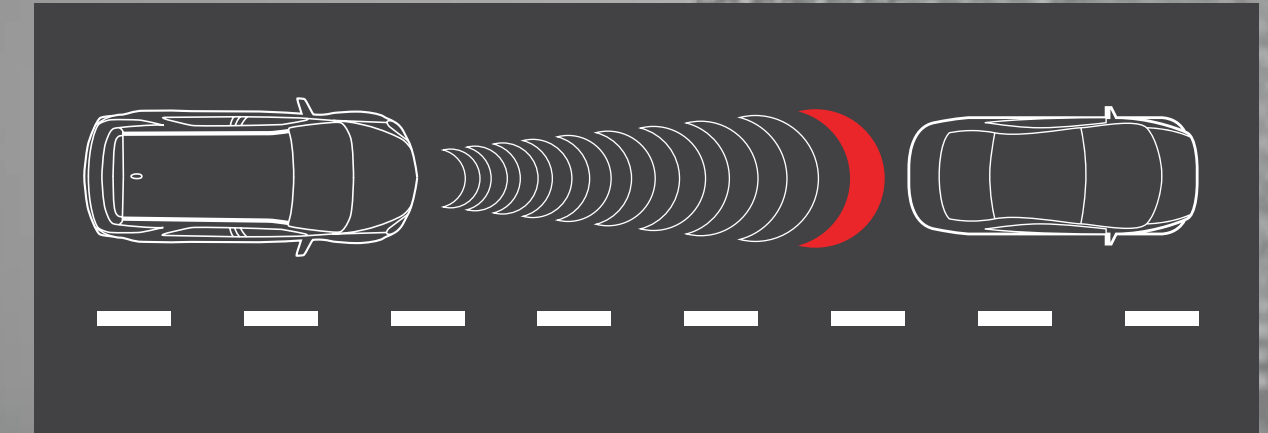

This available active safety technology utilizes a windshield-mounted high-resolution camera and advanced image processing to monitor your proximity to the vehicle in front of you. The icon below left (A) tells the driver when a vehicle is detected ahead. The centre icon (B) lights up when your vehicle is following too closely and flashes with audible chimes when there is danger of a front-end collision.

In-dash warning lights

LANE DEPARTURE WARNING

This available system reads the lines on the road, providing a visual and audible alert when you stray into another lane without signalling. The icon above right (C) turns from green to amber when an unsignalled lane change begins.

REAR VISION CAMERA

Forward thinking for when you're backing up. An available rear vision camera puts eyes in the back of your head – or at least on the available touch screen in the Equinox centre stack.

¹ Always use safety belts and the correct restraint for your child's age and size. Even in vehicles equipped with Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with a passenger side airbag. See the Owner's Manual and child safety seat instructions for more safety information. ² Visit onstar.ca for coverage map, details and system limitations. Services vary by model and conditions. 4-WHEEL ANTI-LOCK DISC BRAKES

Standard anti-lock disc brakes help maintain steering control by reducing wheel lockup during hard braking on most slippery surfaces. Equinox also includes an advanced Electronic Brake Force Distribution system that helps balance brake force between the front and rear under heavy braking.

STABILITRAK®

In slick conditions, this safety system combines Electronic Stability Control with Traction Control to enhance stability and help keep you on the path being steered.

SIX STANDARD AIRBAGS

Sometimes a collision is unavoidable. If a moderate to severe collision does occur, sensors determine which of six airbags,¹ including head curtain side-impact airbags, deploy to help keep you safe.

ONSTAR® REMOTELINK™2

Now you can remotely lock and unlock your vehicle and even start your engine from your smartphone.³ View real-time vehicle diagnostics including fuel, remaining oil life and tire pressure with OnStar RemoteLink™ mobile app.²

A WORD ABOUT THIS BROCHURE

Some of the equipment shown or described throughout this brochure may be available at extra cost. We have tried to make this brochure comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colours, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this brochure and other printed materials provided at the dealership or affixed to vehicles are approximates based upon design and engineering drawings and prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been adapted since the time of the printing, please check with your GM dealer for complete details. General Motors of Canada Limited reserves the right to lengthen or shorten the model year for any product, for any reason, or to start and end model years at different times.

A WORD ABOUT ASSEMBLY

GM vehicles are equipped with engines and components produced and assembled by different operating units of General Motors, its subsidiaries and suppliers and these engines and components may change or be obtained from different sources from time to time. All such engines and components are approved for use in GM vehicles. Certain equipment ordered may be unavailable at the time of assembly and we suggest that you verify that your vehicle includes the equipment you ordered, or if there are changes, that they are acceptable to you.
