

Seven billion people. One road.

Movement is the universal language of personal freedom. Our founder Louis Chevrolet spoke it fluently. As a Swiss immigrant, he came to North America with a dream of racing cars. He wished for everyone – not just the rich or entitled – to experience the exhilaration he felt behind the wheel.

In 1911, he began building his first car. One hundred years later, a new Chevrolet is sold every 6.6 seconds. That amounts to 4.76 million vehicles in more than 140 countries – more than Louis Chevrolet could ever have imagined.

The depth of our heritage and passion is evident in everything we do here at Chevrolet. It's ingrained in the bold design, spirited performance, proven durability and exceptional value our drivers enjoy. It empowers us to be leaders in innovation. And it inspires us to continuously raise the bar – today, tomorrow and into what promises to be a bright future.

Currently, we are pioneering new propulsion technologies to meet the demanding energy and environmental needs of a global automotive brand. We're also employing alternative energy sources and investing in fuel-saving technologies to help reduce our carbon footprint with the goal of reducing 8 million metric tons of carbon dioxide emissions over the next few years.

Our global reach is expanding, yet our mission remains the same. We want every customer to feel like family – no matter where you are in the world. And no matter where you're going, we want you to enjoy the ride in a Chevrolet.

From the vision of one man to the movement of millions, it's been a remarkable journey. And at Chevrolet, we're just getting started.

2013
CRUZE

THE BUZZ STARTS RIGHT HERE

Chevrolet's Cruze – the planet's favourite Chevrolet car – is kicking up some serious buzz right here in Canada. And why not? With a full load of standard protection technology, including ten standard airbags, Cruze is a safety superstar that gets the highest possible overall rating from the U.S. National Highway Safety Administration (NHTSA).¹ Cruze is also an awesome car to drive, with inspiring performance, great handling and a seriously fun outlook on life. Oh, and if you choose Cruze Eco, your ride will also be one of the stingiest gas-powered highway cruisers out there. So check out the 2013 Cruze. And see what the buzz is about.

BEAUTY IN THE EYE OF THE KEY HOLDER

Cruze takes a natural bold stance that demands attention. The overall body design has a rich, expansive look that's as timeless as it is aerodynamically efficient.

¹U.S. Government 5-Star Safety Ratings are part of the National Highway Traffic Safety Administration's (NHTSA's) New Car Assessment Program (safercar.gov).

RS Appearance Package.

TRAVEL IN SPACE

Sure, Cruze is compact on the outside. But that doesn't mean you're going to go short on space in the cabin. In fact, Cruze offers more room for you and four friends than Toyota Corolla,¹ Honda Civic or Ford Focus Sedan.¹ And if you're looking for upscale accommodations, Cruze has the goods on that, too. High-quality materials, low-gloss surfaces, soft-touch components – it's all here. Get ready for a premium driving experience like nothing else in the class.

01 AT YOUR SERVICE: TURN-BY-TURN NAVIGATION

All Cruze models come standard with OnStar® Turn-by-Turn Navigation¹ for six months. Simply push the blue OnStar® button and get unlimited voice-guided and visual directions through the Driver Information Centre in the gauge cluster. If you opt for Chevrolet MyLink™,² OnStar® directions are displayed on your 178 mm (7 in.) colour touch-screen. Take it one step further with available Chevrolet MyLink™ radio with Navigation, which adds full-colour 2D/3D maps and points of interest.

02 CONNECT WITH CONVENIENCE

The available USB port³ allows quick and convenient access to music on your USB device. You can even listen to the music library stored on your compatible smartphone. Or link up to your iPhone® or iPod® and use the steering wheel-mounted controls to play your favourite songs. Connecting is easy and seamless.

03 AVAILABLE PIONEER® PREMIUM AUDIO SYSTEM

High-frequency tweeters, a live staging centre-channel speaker and two 6" x 9" subwoofers deliver sound quality that's clean and powerful. It's a whole different way that Cruze will transport you.

MYCHEVROLET MOBILE APP⁴

With the myChevrolet® mobile app, there are even more ways to conveniently connect to your Cruze. Schedule a service appointment online. View the Owner's Manual. Even create a reminder – with a mark on the map and a photo of where your Cruze is parked. The myChevrolet mobile app adds function to your smartphone and convenience to your day.

YOUR INFOTAINMENT DESTINATION

04 AVAILABLE CHEVROLET MYLINK™2

It's your music. Your smartphone. Your life. And with Cruze, you even get to choose how you control it: voice recognition via Nuance®, push-button controls, the 178 mm (7 in.) colour touch-screen or the steering wheel-mounted audio controls. Standard on LTZ Turbo and available on LT Turbo and Eco models, Chevrolet MyLink™² helps bring it all together. Get instant access to a world of music, whether it's from the library you've loaded on a USB device or from SiriusXM Satellite Radio™.⁵ Integrate your compatible smartphone to stream Stitcher SmartRadio™.⁶ Keep your music organized with Gracenote®. Enjoy hands-free calling – the contacts from your compatible smartphone can be fully synchronized. Use convenient voice commands or buttons to make and receive calls, and view your contacts and recent calls on the touch-screen.

¹ Visit onstar.ca for coverage map, details and system limitations. Services vary by model and conditions. ² MyLink™ functionality varies by model. Full functionality requires compatible Bluetooth® and smartphone and USB connectivity for some devices. ³ Not compatible with all devices. ⁴ Requires iPhone® or Android™ platform and active OnStar® subscription. ⁵ Available in 10 Canadian provinces and the 48 contiguous United States. Monthly subscription sold separately after trial period. Visit siriusxm.ca for details. ⁶ Data plan rates apply.

SPACE SOLVERS

STACK IT, FLIP IT, PULL IT DOWN

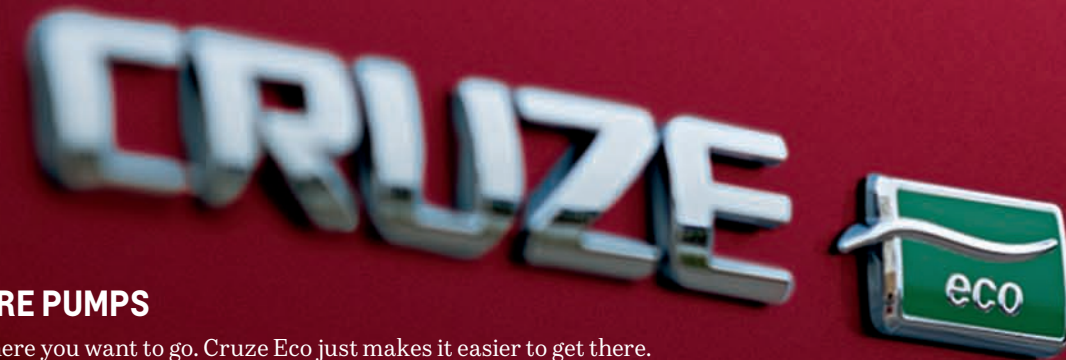

You've got stuff? Cruze can handle that. There's big-car trunk capacity – 425 litres (15.0 cubic feet) worth, to be precise, way more than you get in Toyota Corolla, Honda Civic or Ford Focus Sedan.¹ Need to carry even more? No worries. Just fold down one side of Cruze's 60/40 split-folding rear seats – or both – and even bulky gear fits neatly inside. So stretch out and enjoy the ride. Cruze has it all figured out.

Cruze LT Turbo shown in Silver Ice Metallic with available RS Appearance Package.

MORE DRIVING, LESS GAS

PASS MORE PUMPS

You know where you want to go. Cruze Eco just makes it easier to get there.

By offering awesome fuel efficiency – as in a 4.6 L/100 km¹ highway fuel consumption rating – Cruze Eco inspires you to go anywhere you choose. Because we don't want anything dragging you down, Cruze Eco rides on unique lightweight alloy wheels and ultra-low-rolling-resistance tires. And for improved aerodynamics with features like a lowered ride height, smooth underbody panels, a spoiler and a lower front grille air shutter that closes at high speeds, Cruze Eco takes efficiency to the max. The only question is, what are you going to do with all that gas money you're saving?

Cruze Eco shown in
Crystal Red Tintcoat (extra-cost colour).

CENTURY
AUTO.CA

¹ Cruze Eco with standard 6-speed manual transmission, fuel consumption ratings based on GM testing in accordance with approved Transport Canada test methods. Your actual fuel consumption may vary.

PRIORITY PROTECTION

DETECT. PROTECT. ASSIST.

Cruze takes your safety very, very seriously. With advanced available technologies like Side Blind Zone Alert¹ and Rear Cross-Traffic Alert, Cruze helps keep you out of harm's way by warning you about hazards that you might not otherwise be aware of. If a collision does happen, Cruze protects you and your passengers with ten standard airbags² – the most of any car in the class.³ And after a collision, OnStar[®]'s Automatic Crash Response⁴ function can send you the help you need. No wonder Cruze was named a 2012 "Top Safety Pick" by the Insurance Institute for Highway Safety (IIHS).⁵

01 SIDE BLIND ZONE ALERT¹

With available radar sensors on both sides of the vehicle, it's like having an extra pair of eyes. The system "looks" for vehicles in your blind zone areas and alerts you to their presence with an amber flashing display in the respective rear-view mirror.

02 ONSTAR[®] SAFETY

OnStar[®], standard for six months with the Directions & Connections Plan, features Automatic Crash Response.⁴ In many crashes, built-in vehicle sensors can automatically alert an OnStar[®] Advisor who is immediately connected to your vehicle to see if you need help.

03 10 STANDARD AIRBAGS²

Cruze has frontal and knee airbags for the driver and roof rail-mounted head curtain airbags for front and rear outboard passengers. Front and rear seat-mounted side-impact airbags help to further protect outboard passengers.

04 CROSS-TRAFFIC ALERT

This available feature warns you of approaching vehicles when backing out of a parking spot – including angled parking. Visual and audible alerts are triggered if moving vehicles are detected.

05 ONSTAR REMOTELINK[™] MOBILE APP⁶

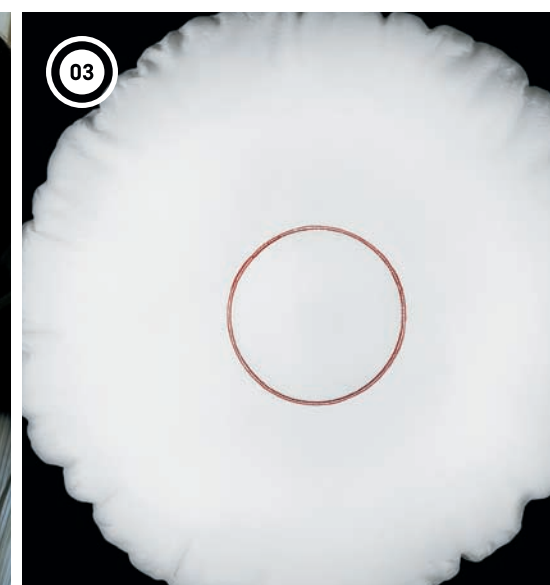

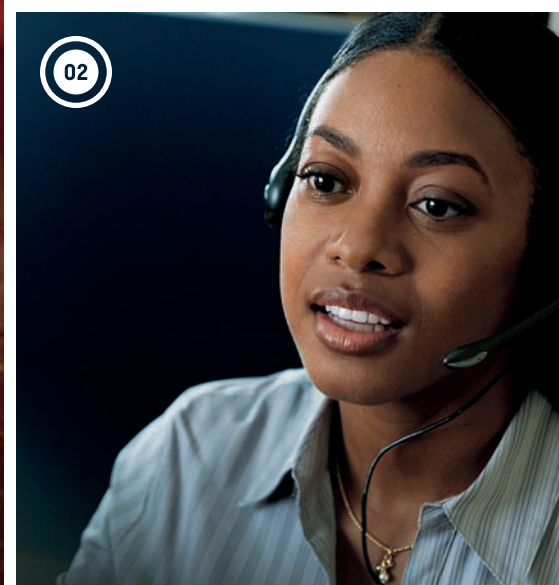

Download the OnStar RemoteLink[™] mobile app to your smartphone and enjoy the convenience of locking and unlocking your doors and even starting your engine⁷ all remotely.

¹ Before making a lane change, always check the Side Blind Zone Alert display, check the exterior and interior rear-view mirrors, look over your shoulder for vehicles and hazards, and activate the turn signal. ² Airbag inflation can cause severe injury or death to anyone too close to the airbag when it deploys. Be sure every occupant is properly restrained. Always use safety belts and the correct restraint for your child's age and size. Even in vehicles equipped with the passenger detecting

system, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with a passenger airbag. See the Owner's Manual and the child safety seat instructions for more safety information. ³ Based on WardsAuto.com 2012 Upper Small segment and latest competitive information available at the time of printing. ⁴ Visit onstar.ca for coverage map, details and system limitations.

VENTURA
AUTO.CA

Services vary by model and conditions. OnStar[®] acts as a link to existing emergency service providers. ⁵ For more information, visit iihs.org/ratings. ⁶ Available on select iPhone[®], Android[™] and BlackBerry[®] (interim availability) devices. Services vary by phone, vehicle and conditions. Requires active OnStar[®] subscription. ⁷ Requires available 6-speed automatic transmission and remote vehicle starter system.

RAZOR-SHARP HANDLING, CUTTING-EDGE PERFORMANCE

Looking for a great drive? You couldn't be in a better place. Cruze powers up with your choice of two advanced ECOTEC® engines, including a 1.4L turbo engine that maximizes both power and efficiency. Cruze is an agile handler, too, with an available Z-link rear suspension providing a solid, sturdy and sportier feel to your ride, making Cruze just as responsive as it is impressive. Encore.

TURBOCHARGED LIFESTYLE

The available ECOTEC® 1.4L turbocharged engine delivers 148 lb.-ft. of torque and 138 horsepower. The turbocharger increases engine power on demand, allowing for a more robust driving experience. And in highway cruising mode, you get the impressive fuel efficiency you expect from a small-displacement engine.

6-SPEED TRANSMISSIONS

Cruze comes standard with an easy-shifting 6-speed manual gearbox with multiple overdrive gears for fuel-efficient highway cruising. For added convenience, there's also an available 6-speed automatic transmission that features an overdrive top gear. So either way, these 6-speed transmissions deliver the power and grace that put you ahead of the rest.

DRIVER SHIFT CONTROL

Driver Shift Control allows you to switch instantly from automatic to clutchless manual shifting. Just move the gearshift lever into Driver Shift Control mode and a quick tap is all that's required for smooth, crisp gear changes up or down. And with the available 6-speed automatic, you feel all the power Cruze has to offer.

BRAVO

CRUZE MODEL OVERVIEW

CRUZE LS

Cruze LS includes these standard features:

- 138 hp 1.8L ECOTEC® 4-cylinder engine with Variable Valve Timing (VVT)
- GM Oil Life Monitoring System
- 6-speed manual transmission (6-speed automatic with Driver Shift Control available)
- 4-wheel Anti-lock Braking System (ABS)
- StabiliTrak® Electronic Stability Control System
- Traction control
- MacPherson strut independent front suspension and compound crank rear suspension
- 16-in. wheels with silver-painted wheel covers
- Remote keyless entry system
- Content theft alarm
- 10 airbags
- Driver Information Centre
- Power windows and door locks
- Tilt and telescopic steering column
- Front bucket seats with manual 6-way seat adjusters
- Premium cloth seating surfaces
- 60/40 split-folding rear seats
- 6-speaker audio system with CD player, MP3 playback, auxiliary audio input jack and graphic display
- OnStar® with 6 months of the Directions and Connections Plan featuring Turn-by-Turn Navigation¹ and OnStar RemoteLink™.²

CRUZE LS+

Cruze LS+ Preferred Equipment Group enhances Cruze LS features with:

- Air conditioning with air filtration system and particulate/pollen filter
- SiriusXM Satellite Radio™.³

CRUZE LT TURBO

Cruze LT Turbo enhances Cruze LS+ Preferred Equipment Group features with:

- 138 hp 1.4L ECOTEC® turbocharged 4-cylinder engine with Variable Valve Timing (VVT)
- Heated, power exterior mirrors, body-coloured
- Leather-wrapped steering wheel with Bluetooth®, cruise and audio system controls (includes leather-wrapped shifter)
- Cruise control
- USB port.⁴

CRUZE LT TURBO+

Cruze LT Turbo+ Preferred Equipment Group enhances Cruze LT Turbo features with:

- 16-in. 5-spoke machined-face alloy wheels
- Leather-appointed seating surfaces
- Heated front bucket seats
- Power 6-way driver-seat adjuster
- Bluetooth® hands-free phone connectivity.

CRUZE LTZ TURBO

Cruze LTZ Turbo enhances Cruze LT Turbo+ Preferred Equipment Group features with:

- 6-speed automatic transmission with Driver Shift Control
- 4-wheel disc brakes with ABS
- MacPherson strut independent front suspension and rear Z-link compound crank torsion beam rear suspension
- Sport suspension
- Fog lights
- 17-in. 5-spoke flangeless alloy wheels
- Chrome door handles
- Ultrasonic rear parking assist
- Rear Vision Camera
- Remote vehicle starter system
- E-Z Key passive entry system with push-button ignition start
- Automatic climate control
- Auto-dimming interior rear-view mirror
- Up-level analogue gauge cluster
- Chevrolet MyLink™⁵ entertainment and communications system with 178 mm (7 in.) colour touch-screen display
- 9-speaker Pioneer® premium audio system with 250-Watt amplifier.

CRUZE ECO

Cruze Eco enhances Cruze LT Turbo features with the following unique equipment:

- Eco-specific 6-speed manual transmission with lower final drive ratio and triple overdrive gearset (6-speed automatic with Driver Shift Control available)
- 17-in. 15-spoke forged lightweight polished alloy wheels with low rolling-resistance tires
- Tire inflator kit (replaces compact spare)
- Aero Package with lower front grille featuring unique air shutter system, unique air dam, underbody aero panels and rear spoiler.

** Towing not recommended with Eco model.

WARRANTY

IT ISN'T FINE PRINT – IT'S A COMMITMENT.

Chevrolet puts the same care into its warranty and support programs that it does into the cars and trucks it builds. So you can add peace of mind knowing that every Chevrolet is backed by this comprehensive coverage:

- 3-year/60,000 km New Vehicle Limited Warranty*
- 5-year/160,000 km Powertrain Component Limited Warranty, with \$0 deductible on repairs and the warranty is fully transferable at no charge*
- 5-year/160,000 km Courtesy Transportation*
- 5-year/160,000 km 24/7 Roadside Assistance*
- 6-year/160,000 km rust-through perforation coverage*
- 8-year/130,000 km coverage on catalytic converters and powertrain control modules (PCMs).*

* Whichever comes first. Conditions and limitations apply; see dealer for details.

OTHER OWNERSHIP PRIVILEGES AND PROGRAMS:**

- **GM Protection Plan (GMPP)** – the only extended service plan backed by the resources and commitment of General Motors, GMPP may be purchased at the time of sale or subsequently during the New Vehicle Limited Warranty period
- **GM Goodwrench Service** – with GM-certified technicians and GM-approved parts, nobody knows your GM vehicle better
- **Chevrolet Owner Centre** – as an owner, take advantage of the Chevrolet Owner Centre. This online owner's destination gives you access to coupons, contests, current offers and the latest driving and maintenance tips. Find out more at ChevroletOwner.ca

** Conditions and limitations apply.

TO HELP YOU PURCHASE OR LEASE A NEW VEHICLE:

- **Purchase Financing and Leasing** – on the spot financing, see dealer for full details†
- **GM Student Bonus Program** – students or recent graduates of high school, college or university** may be entitled to receive a Student Bonus vehicle redemption allowance of \$500 or \$750†† (tax inclusive) (purchased vehicle dependant) to use towards the purchase, lease or finance of one eligible new Chevrolet vehicle
- **The GM Card** – GM cardholders may redeem up to \$3500 GM Card* Earnings (subject to Vehicle Redemption Allowances) toward the Total Purchase Price on eligible new GM vehicles.†† For full program details please visit thegmcard.ca

† Subject to eligibility. †† Program subject to change. ** Conditions and limitations apply.

INFORMATION RESOURCES:

You can find more information about these programs from your GM dealer, or at these information centres:

- The GM website at gm.ca
- The GM Customer Care Centre at 1-800-GM-DRIVE (1-800-463-7483 or 1-800-263-3830 for TDD users).

A WORD ABOUT THIS BROCHURE

Some of the equipment shown or described throughout this brochure may be available at extra cost. We have tried to make this brochure comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colours, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this brochure and other printed materials provided at the dealership or affixed to vehicles are approximates based upon design and engineering drawings and prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been adapted since the time of the printing, please check with your GM dealer for complete details. General Motors of Canada Limited reserves the right to lengthen or shorten the model year for any product, for any reason, or to start and end model years at different times.

A WORD ABOUT ASSEMBLY

GM vehicles are equipped with engines and components produced and assembled by different operating units of General Motors, its subsidiaries and suppliers and these engines and components may change or be obtained from different sources from time to time. All such engines and components are approved for use in GM vehicles. Certain equipment ordered may be unavailable at the time of assembly and we suggest that you verify that your vehicle includes the equipment you ordered, or if there are changes, that they are acceptable to you.
