

THE CHEVROLET
ORLANDO

CHEVROLET
MAKE IT HAPPEN

**LIFE IS FULL OF OPPORTUNITIES –
WITH THE CHEVROLET ORLANDO
YOU CAN MAKE THE MOST OF THEM**

**CHANGING THE FACE
OF THE SEVEN SEATER**

A BOLD NEW VISION

The Chevrolet Orlando. A bolder expression of what a seven seater should be. A spacious, flexible vehicle with confident styling that stands out from the crowd.

From its expressive exterior to its functional versatility, the Orlando is every bit a Chevrolet.

Practical has never looked so good... or driven so well.

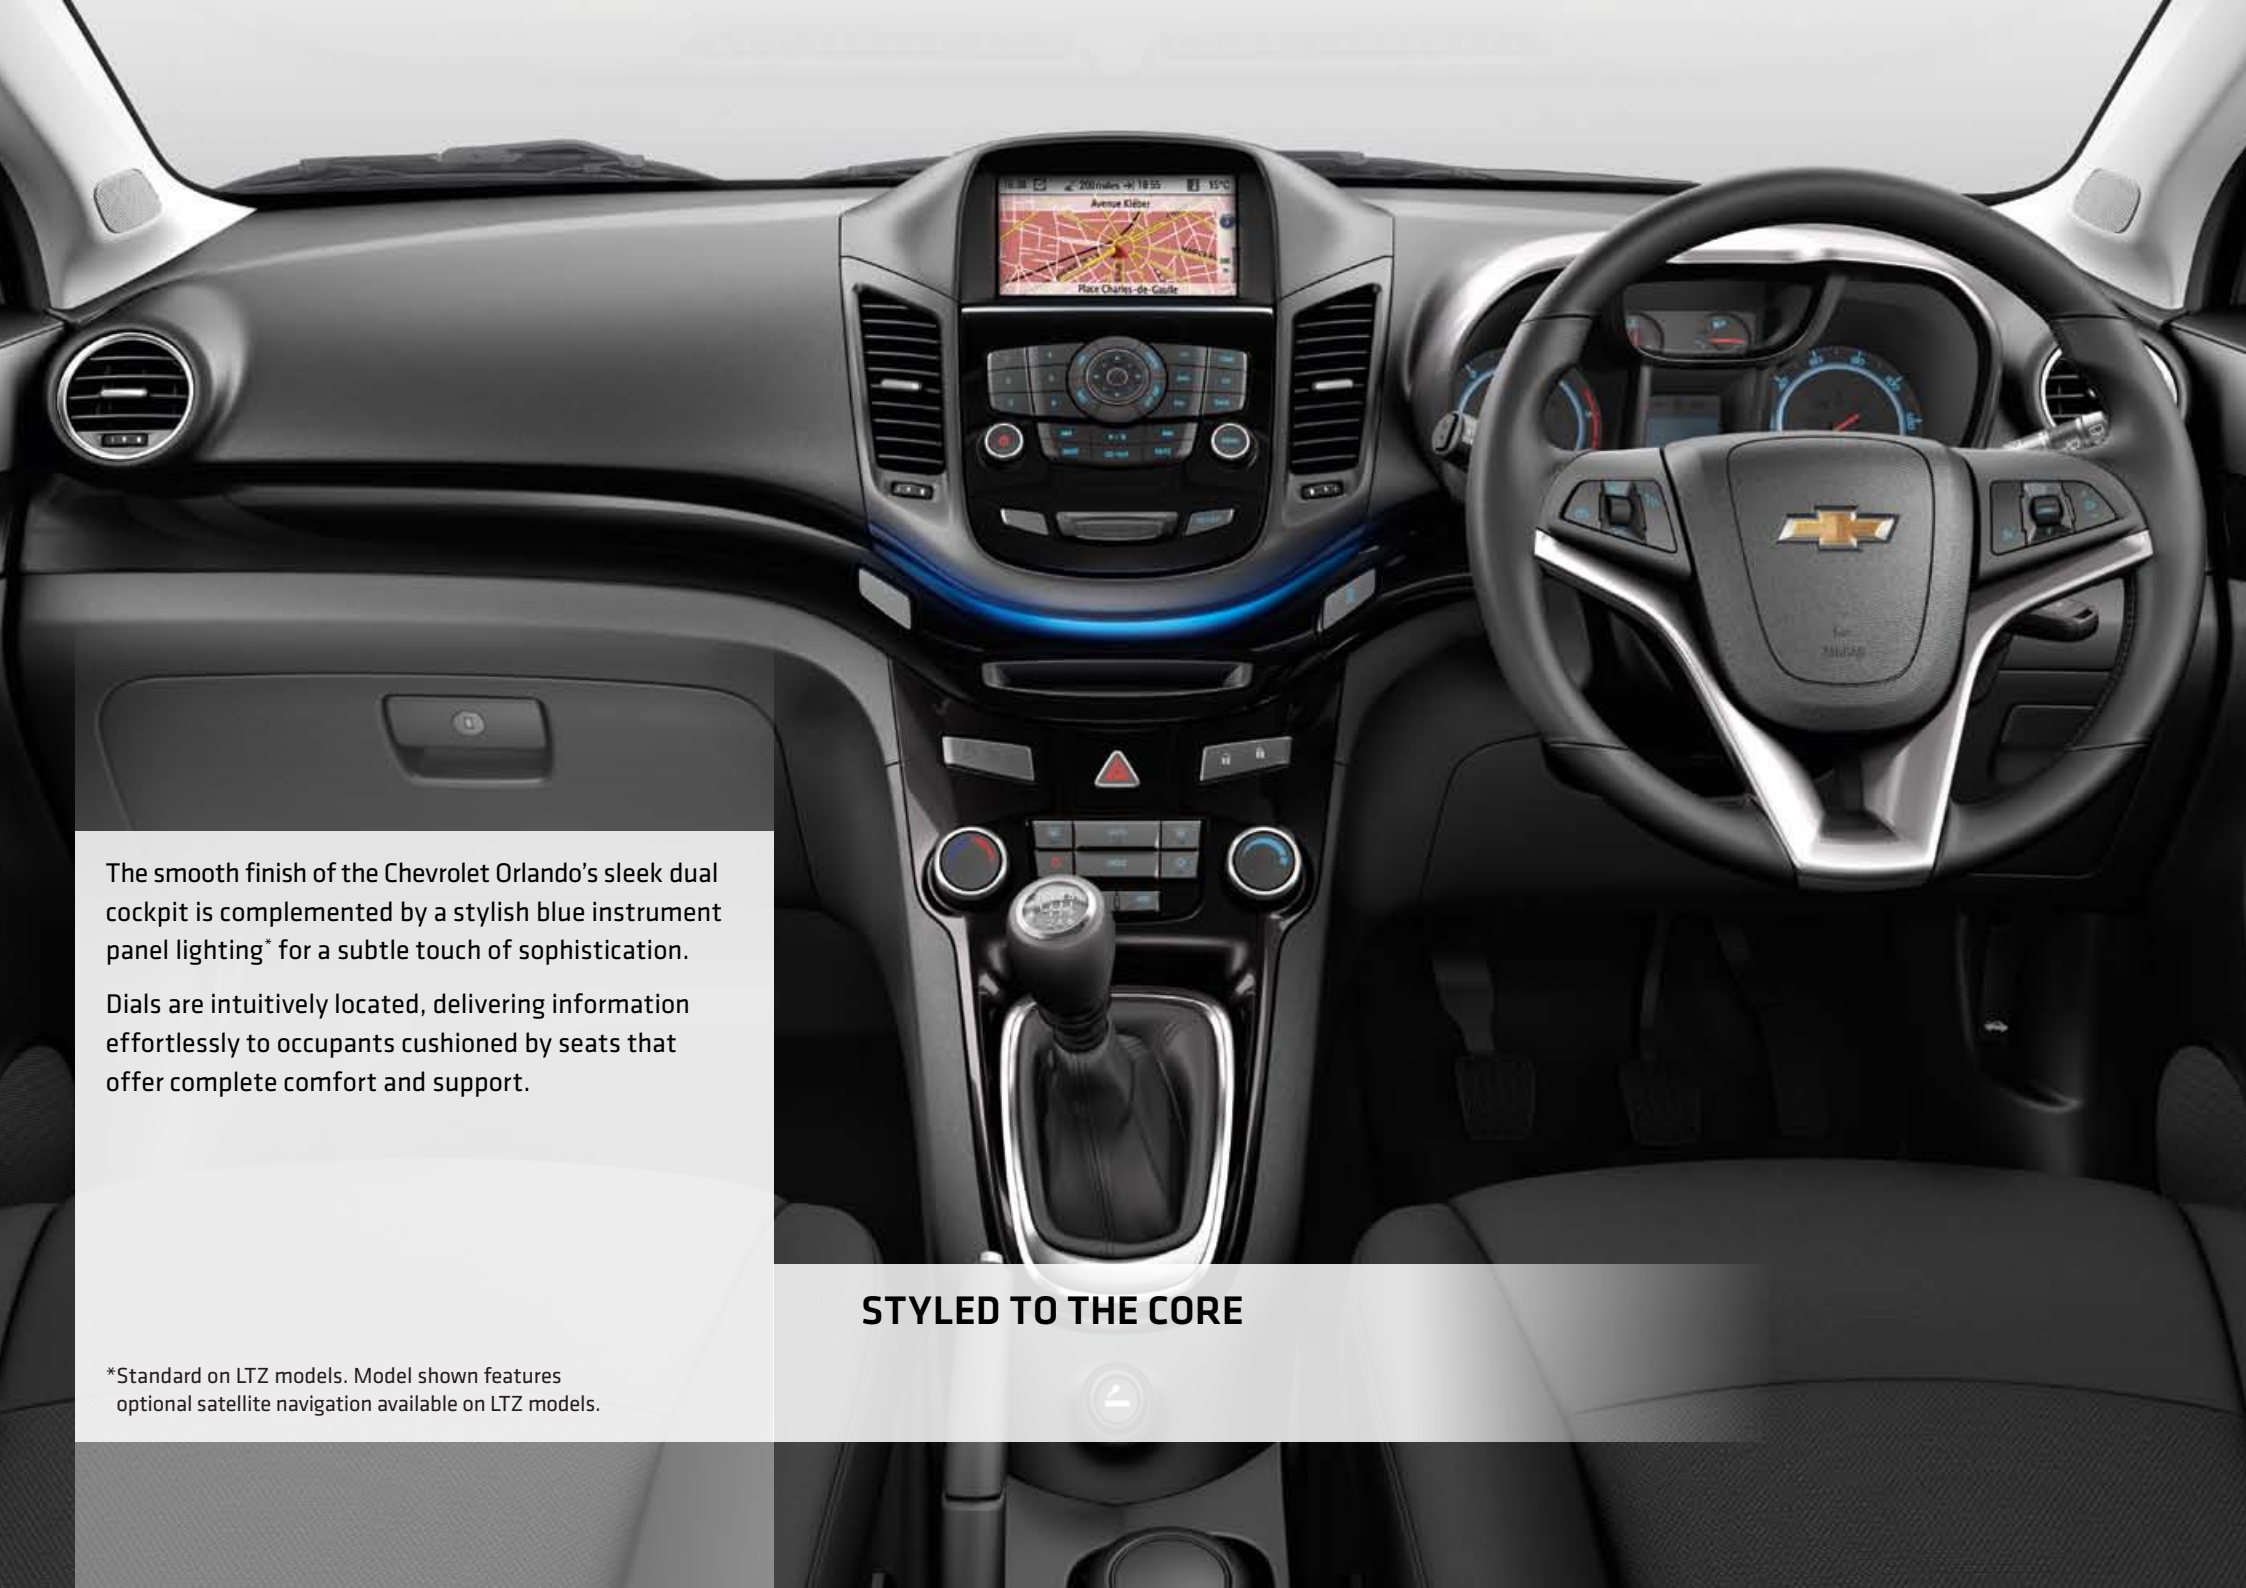

SCULPTED ELEGANCE

The Chevrolet Orlando is striking from every angle. Its sweeping lines are shaped and sculpted in all the right places, accentuating the vehicle's robust feel.

The result is a silhouette that's both muscular and elegant and a stance that exudes presence.

A high-angle, front-facing view of the interior of a Chevrolet Orlando. The dashboard is dark grey with a central infotainment screen displaying a map. Below the screen is a control panel with a circular knob and several buttons. The steering wheel is black with a silver Chevrolet logo in the center. The instrument cluster behind the steering wheel features blue-lit gauges. A blue ambient light strip runs horizontally across the dashboard. The center console has a gear shifter and handbrake. The seats are black with a textured pattern.

The smooth finish of the Chevrolet Orlando's sleek dual cockpit is complemented by a stylish blue instrument panel lighting* for a subtle touch of sophistication.

Dials are intuitively located, delivering information effortlessly to occupants cushioned by seats that offer complete comfort and support.

STYLED TO THE CORE

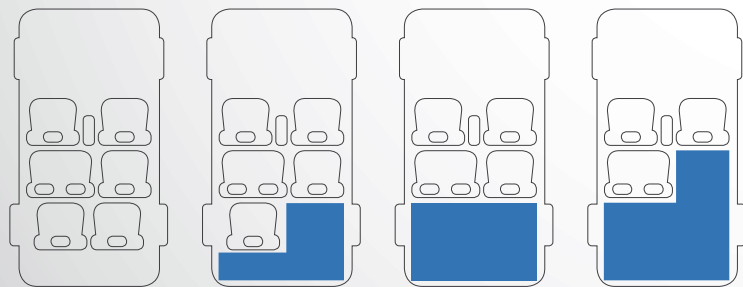

*Standard on LTZ models. Model shown features optional satellite navigation available on LTZ models.

SEVEN SEATS - COUNTLESS POSSIBILITIES

7 seats spread over 3 rows – the second row boasting a 60/40 split. And both the second and third row fold flat, and do so effortlessly.

Pick whichever combination fits your lifestyle, safe in the knowledge that the Chevrolet Orlando can adapt with ease.

* Model shown features optional satellite navigation available on LTZ models.

Compact on the outside, you'd be forgiven for thinking the Chevrolet Orlando would be compact on the inside. But you'd be wrong.

The interior is deceptively large, with or without seating folded flat. Legroom is more than generous, and headroom should please even the tallest of passengers.

Additional space – should it be needed – is provided by cleverly placed storage compartments found behind the radio, in the centre console, doors and rear cargo areas.

Rear Parking Assist

BEAUTIFULLY PROTECTED

ISOFIX system provides
security and peace of mind.

Inside and out, the Chevrolet Orlando is equipped to protect.

Children are kept secure thanks to the dual ISOFIX system on the outer 2nd row seats, which anchor child seats to the vehicle both quickly and effectively.

To help keep occupants out of harm's way, front, side and curtain airbags come standard, as do anti-lock ABS brakes, a reinforced safety cage, and a steering column specifically designed to absorb impact.

An 'Electronic Stability Control' system averts slides by automatically applying corrective braking to appropriate wheels to help you quickly regain control.

The Chevrolet Orlando even looks after itself – LT and LTZ models offer an intelligent park assist system protecting the vehicle's exterior, whilst making parking a breeze.

DYNAMIC DRIVE

The Chevrolet Orlando doesn't compromise performance for the convenience of seven seats.

Dynamic drive is delivered by a range of modern engines, from a 1.8L 5-speed petrol engine, to 2.0L diesel models available in automatic or 6-speed manual.

Petrol or diesel, manual or automatic – whichever engine or transmission you go for, you'll find the drive dynamic, the gear shifting silky smooth and the overall ride quality is perfectly balanced.

BEYOND FLEXIBLE

The Chevrolet Orlando was built for those who value flexibility.

To complement this already versatile vehicle, we've developed a wide range of accessories to take that flexibility to a whole new level and enable owners to truly get the most out of their Chevrolet Orlando.

01 DVD Players Rear Seats

02 Roof Box

03 Dog Grid

04 Tow Bar

CHOOSE THE ROAD AHEAD. CHEVROLET.

For a century, the name Chevrolet has stood for great cars built to meet the demands of real life. That means creating cars which not only offer expressive style, but more practical features and proven reliability to help you make the most of every day. From individual drivers to large families, city streets to the open road, every model in the Chevrolet range delivers on our promise of quality and satisfaction, always at an affordable price. And we're already shaping the future by enhancing our cars to offer new fuel alternatives, added versatility and an even greater driving experience. To date, more than 1 million drivers across Europe have made the Chevrolet legend their own. Together with our network of 2,500 dealers, we look forward to welcoming your family to ours.

CHEVROLET OWNER PRIVILEGES

Every Chevrolet comes with a comprehensive warranty and commitment from us to you:

- ▷ 3 years or 60,000 miles comprehensive warranty FREE
- ▷ 6 year anti-perforation corrosion warranty with no mileage restrictions FREE

EXTENDED VEHICLE WARRANTY

EXTENDED WARRANTY: For complete peace of mind Chevrolet offers an extended warranty that can be purchased on an annual basis following the expiry of the original new car warranty. It covers most mechanical and electrical components. Terms and conditions apply. For further details please contact your local Chevrolet retailer.

IMPORTANT NOTICE: The information contained in this brochure was accurate at the time of going to press. Chevrolet UK Limited is constantly seeking ways to improve the specification, design and production of its vehicles and accessories, and alterations take place continually. Whilst every effort is made to produce up to date literature, this UK market brochure should not be regarded as an infallible guide to current specifications, nor does it constitute an offer for sale of any particular vehicle and accessories. Illustrated optional equipment is available at extra charge. Availability, technical features and equipment provided on our vehicles can vary from one market to another and may change without prior notice. Owing to the print limitations of reproducing paint colours on paper, the colours shown here can only be taken as a general guide to the range of colours available. Information on recycling design, recycling End of Life Vehicles (ELV) and the return locations of ELVs can be found on the website www.chevrolet.co.uk © 2011 Chevrolet UK. All rights reserved.
