

THE NEW CHEVROLET
CRUZE

CHEVROLET
MAKE IT HAPPEN

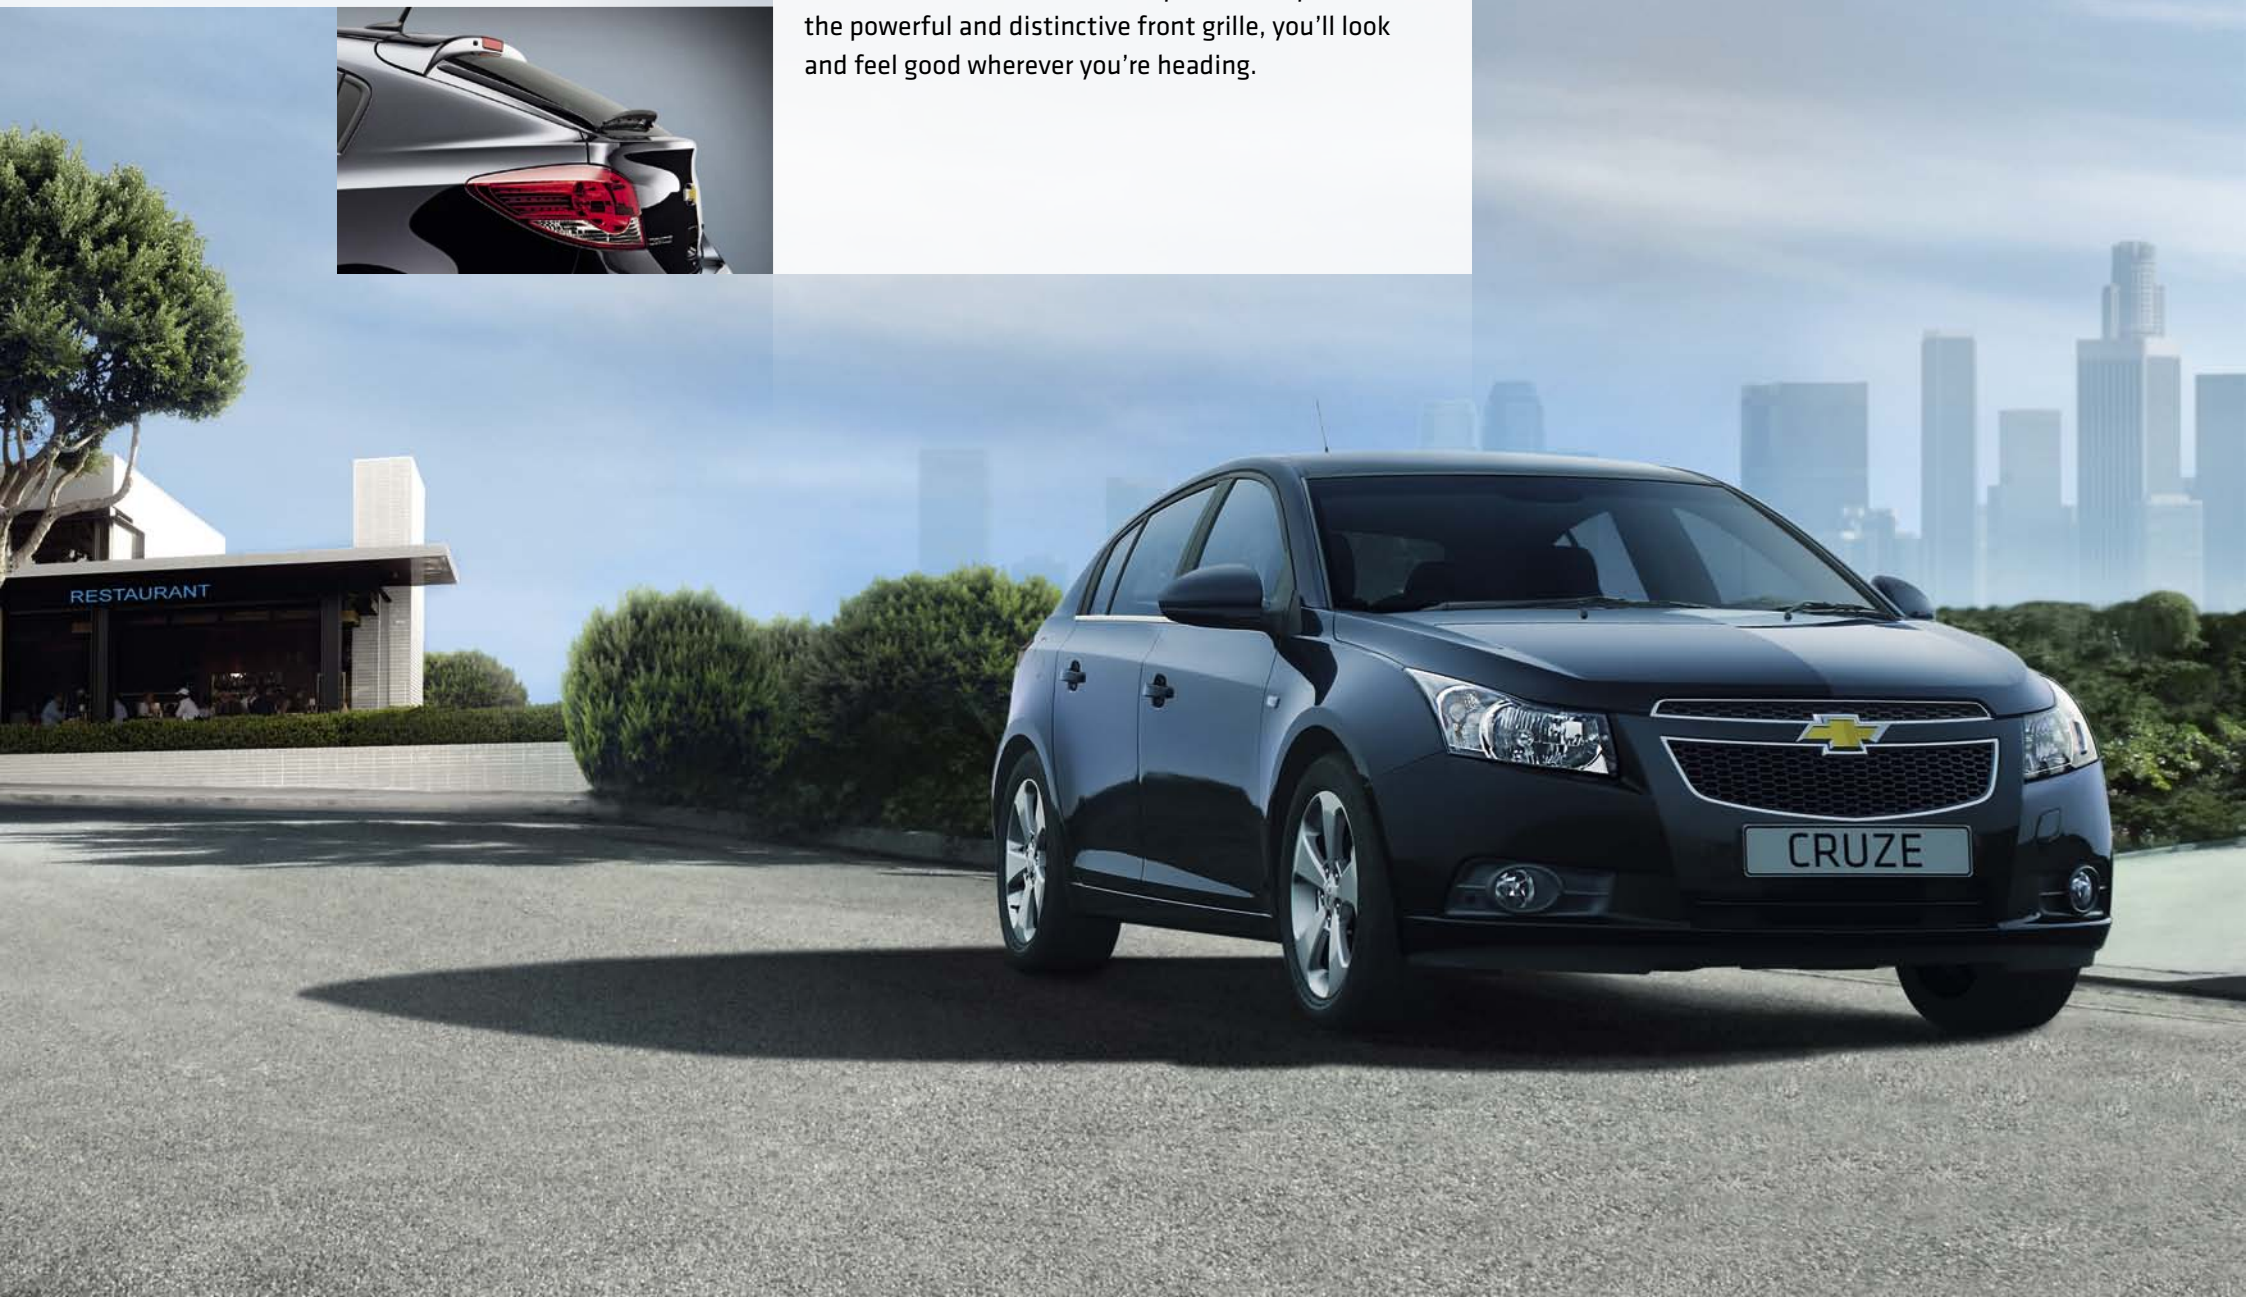

**LIFE IS FULL OF OPPORTUNITIES -
WITH THE NEW CHEVROLET CRUZE
YOU CAN MAKE THE MOST OF THEM**

The new Chevrolet Cruze blends practicality and design through its smart, modern exteriors, and spacious and comfortable interiors. The all new Hatchback features a coupe-like design, which incorporates a sporty feel, with a sense of style that exudes muscularity and athleticism. With such all-round good looks you're guaranteed to attract admiring glances.

SET OUT FOR STYLE

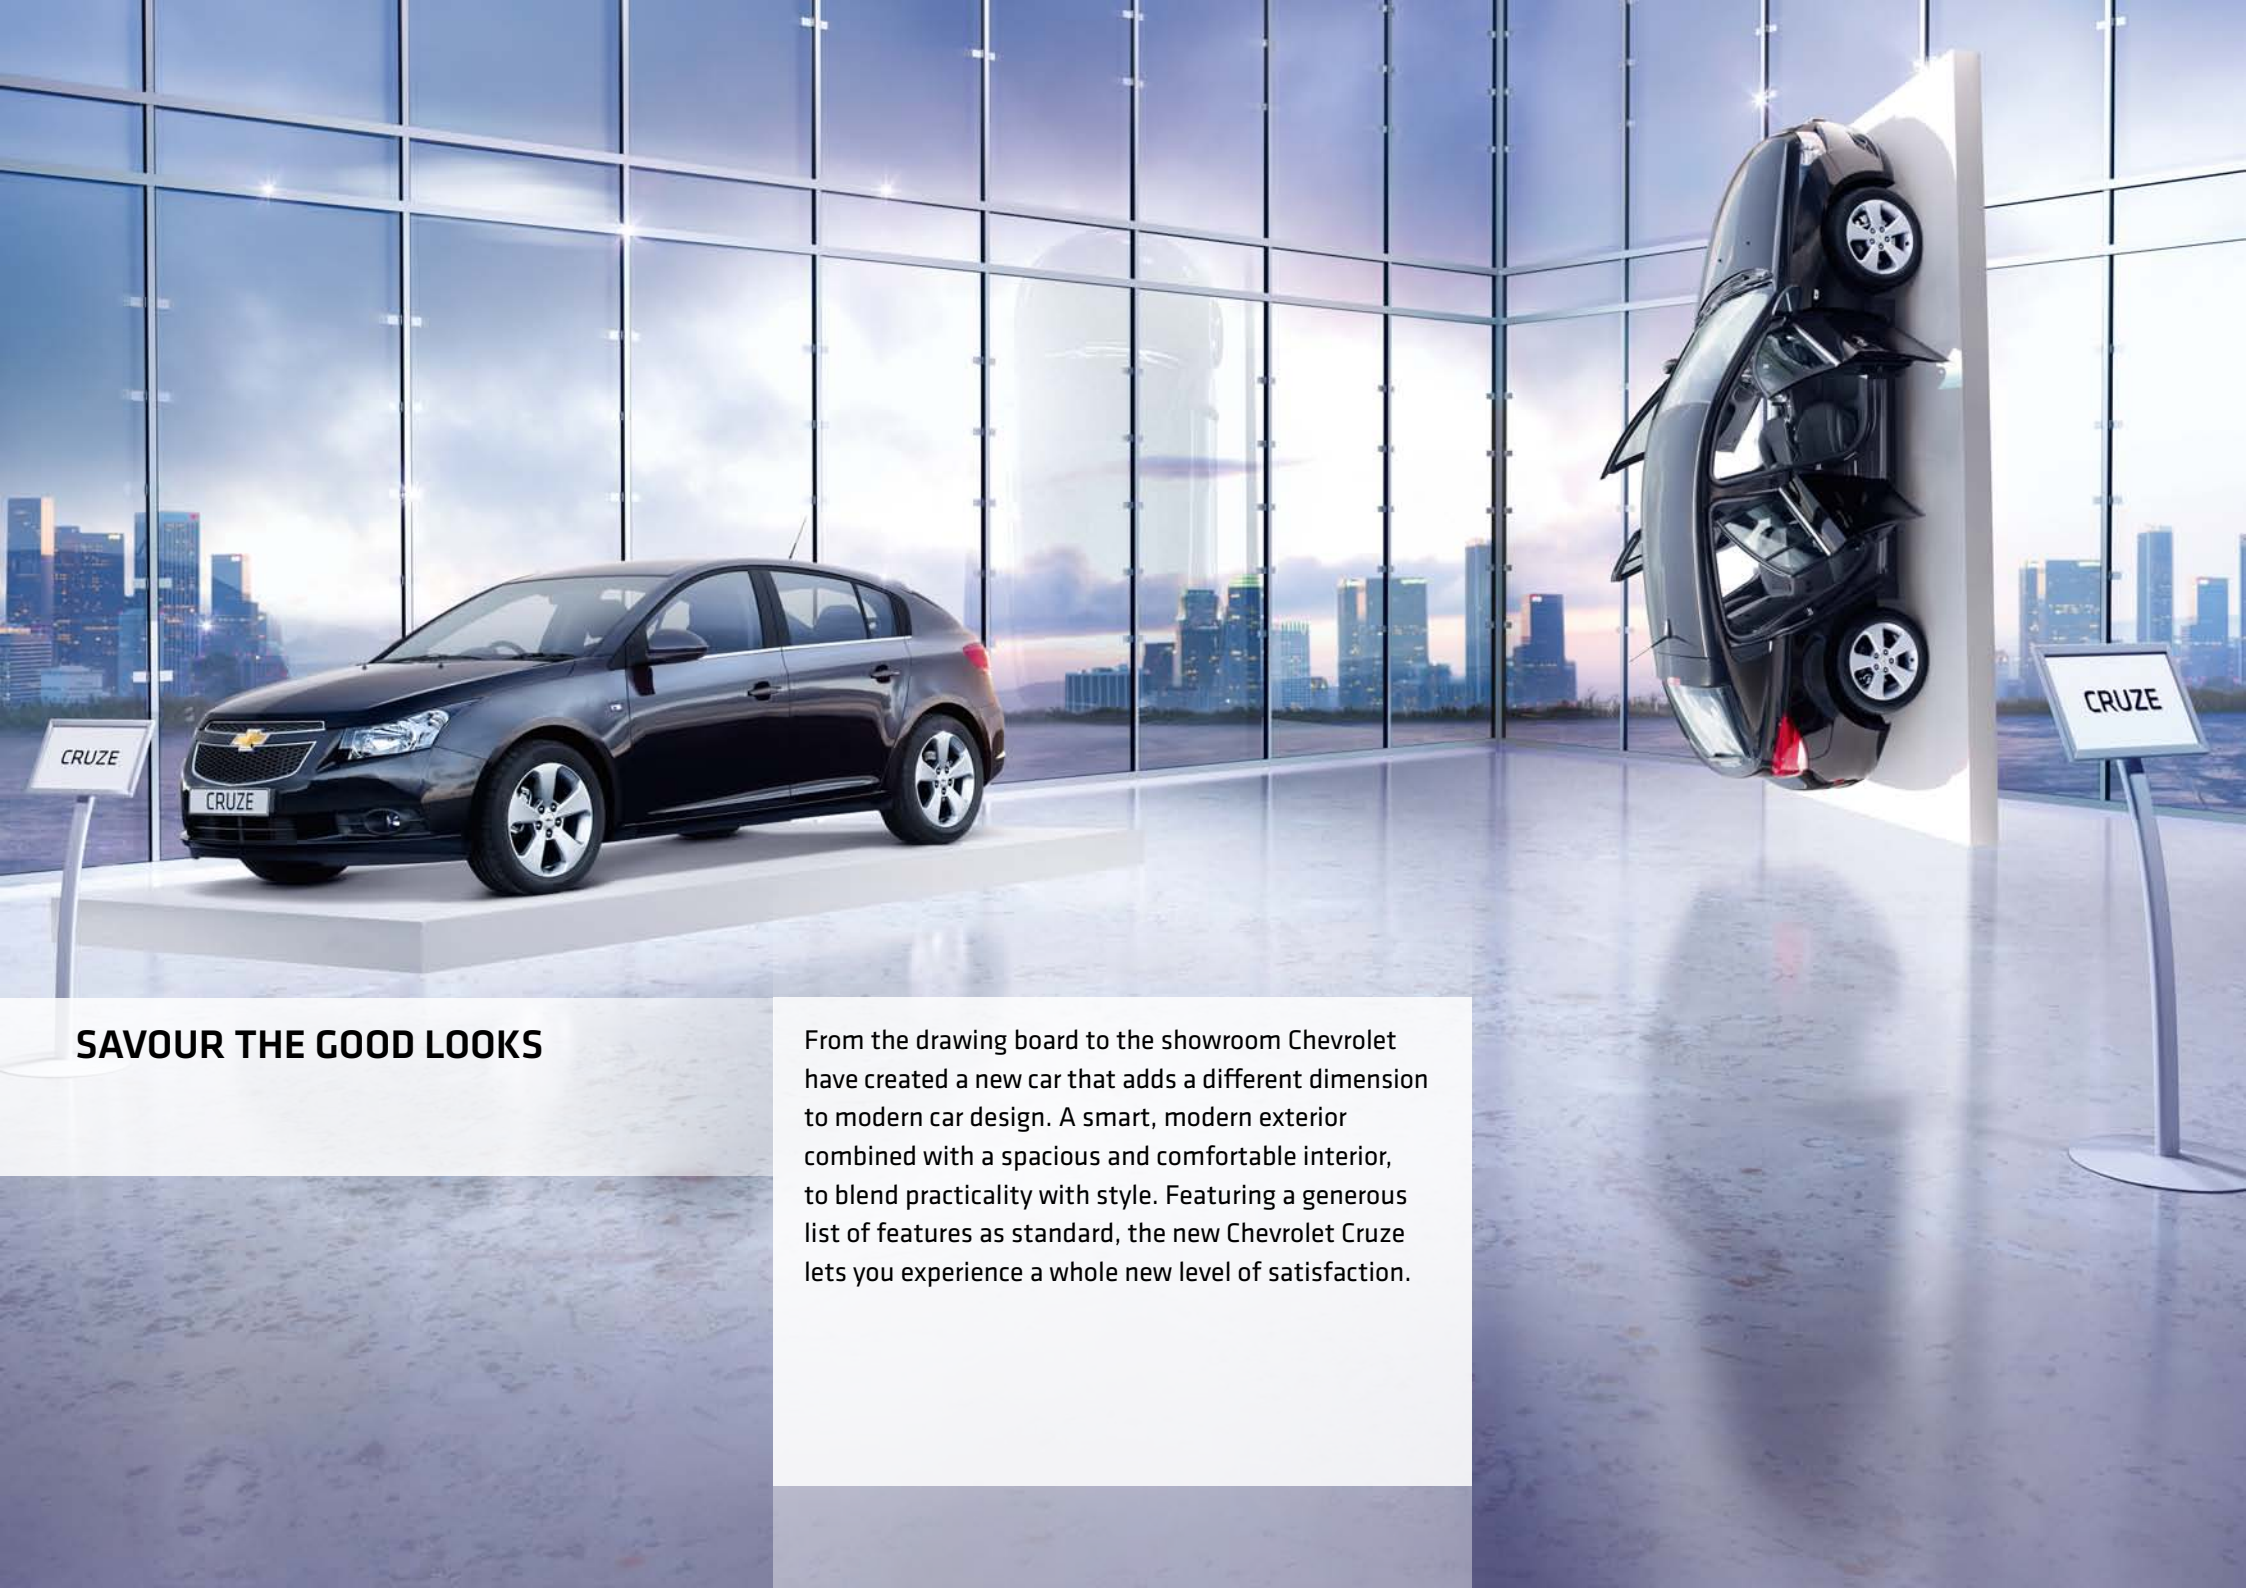

The all new Cruze Hatchback is beautifully styled, with attractive sweeping curves and the same bold stance as the Saloon. And with the classic Chevrolet features, such as the bold, swept headlamps and the powerful and distinctive front grille, you'll look and feel good wherever you're heading.

DISCOVER THE REFINEMENT

The new Chevrolet Cruze is a fusion of advanced design and new technological developments. It features a boldly designed exterior with strong and expressive good looks, as well as a cleverly styled and modern interior. You'll immediately appreciate the unique blend of functionality and comfort. So now standing out from the crowd will feel better than ever.

SAVOUR THE GOOD LOOKS

From the drawing board to the showroom Chevrolet have created a new car that adds a different dimension to modern car design. A smart, modern exterior combined with a spacious and comfortable interior, to blend practicality with style. Featuring a generous list of features as standard, the new Chevrolet Cruze lets you experience a whole new level of satisfaction.

FEEL THE INNER BEAUTY

The new Chevrolet Cruze interior features a smart dual cockpit design, inspired by performance cars. Its beautifully designed central console exudes style and elegance in its graceful forms. The smart radio/CD stereo and MP3 auxiliary input come as standard. And the spacious cabin seats five adults in style, while the back seats split 60/40 to make extra space. For maximum comfort, the front seats are adjustable four ways. So you enjoy a perfect blend of style and comfort.

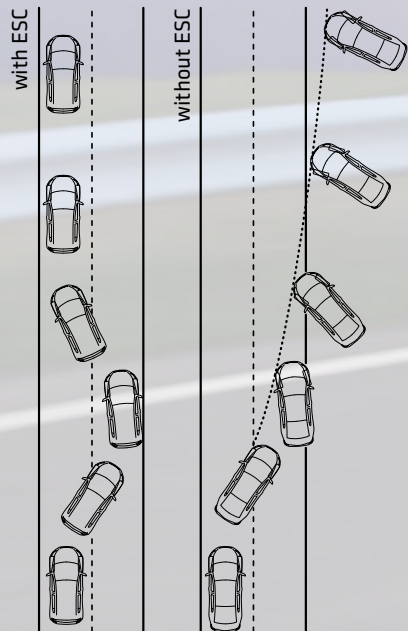

BE MOVED BY THE EXPERIENCE

For everyday driving in the city or long journeys, the new Chevrolet Cruze delivers on power and comfort, for an easy, more relaxed drive. The tuned suspension adds to its refined handling, and you can choose from a range of engines designed for greater acceleration. It won't be easy to resist the pleasure.

BETTER PROTECTION

The new Chevrolet Cruze's high-strength steel structure is among the strongest available for all-round protection. In fact, in 2009 the Cruze Saloon achieved a five-star Euro NCAP rating for its outstanding safety. Other features include the Electronic Stability Control (ESC), that allows you to quickly regain control if the car starts to slide, and an Anti-Brake Lock System. There are also six airbags and small children get extra security in both outer rear seats with ISOFIX. So you can all sit back, relax and enjoy every trip.

The Chevrolet Cruze was built for those who are looking for style, value, power and performance. To compliment this, we've developed a wide selection of accessories,* so you can get even more out of the new Chevrolet Cruze.
